Awards to be given next week...

Westfield, Fishers named Green Communities

The Indiana Association of Cities and Towns (IACT) announced that three Indiana cities have achieved 2016 IACT Green Community of the Year distinctions. The cities of Fishers, Westfield and Whiting will all receive their awards during the IACT Annual Awards Luncheon presented by Umbaugh, at 11:30 a.m. Tuesday, Oct. 5 during the 2016 IACT Annual Conference & Exhibition in French Lick.

IACT launched the Green Communities Initiative in 2008 in conjunction with Christopher B. Burke Engineering, Ltd., to identify potential cost savings to communities facing budget shortfalls, promote economically competitive

quality of life concepts, and ultimately serve as role models for citizens while better protecting our environment. The initiative will expand educational opportunities for municipalities and create a consolidated clearinghouse of data and programs that can be accessed by municipalities.

"The IACT Green Communities program is a fantastic way for cities and towns to showcase their hard work and commitment to smart, efficient practices. The survey required is extremely comprehensive, lending credibility and prestige to the Green Community designation," said IACT Executive Director and CEO Matt Greller. "The fact that Fishers, Westfield and Whiting have all earned this

designation in previous years is evidence of a true commitment to green practices that improve the quality of life for their residents," Greller continued.

Fishers won the award for the community with a population over 50,000. Westfield was the winner for population between 10,000 and 50,000, and Whiting won for the community under 10,000.

Representatives from participating cities had to fill out a 51-question survey in the areas of purchasing, operations, measuring success, and sample projects. Not only did

The Ledger is still missed

By FRED SWIFT

People tell me they still miss the Ledger. Those are people who have lived in Hamilton County more than 15 years. The Noblesville Daily Ledger disappeared from the scene around the year 2000 after more than a century as the county's only daily newspaper.

But, Thursday evening as is custom every year about this time, former members of the Ledger staff got together to maintain their connection and share memories of a time when the newspaper was about the only source of local news and the Ledger office was the place to come for aspiring politicians,

The Horseshoe Prairie Chapter, National Society Daughters of the American Revolution (NSDAR) is sponsoring the annual American History and Christopher Columbus Essay Contests. The American History essay competition is open to students in 5th, 6th, 7th, and 8th grades. The topic is "Celebrating a Century: America's National Parks" to recognize the 100th anniversary of the National Park Service which was established by Congress in 1916. The essay topic requires the writer to pretend they are writing a journal while visiting one of the 58 national parks. A winner in each of the grade levels listed above will be selected by a panel of judges. The Christopher Columbus essay competition is open to students in 9th through 12th grades, with one essay from that group selected as the winner. The topic is "Technology's Impact on the Voyage of Christopher Columbus" and this essay would address what possible technological advances would have been most beneficial

to Christopher Columbus. Specific requirements regarding the length of the essays and other items are listed on the information forms.

The essay competition winners will be selected by an independent panel of judges. All participants will receive a certificate from the NSDAR, and the category winners' essays will then be reviewed at the State level, with those winners' essays sent to the National competition in Washington, D. C.

sports fanatics, business promoters or those just seeking information on most any subject.

I counted 26 in attendance last night. Some like Don Jellison, Betsy Reason and Becky Snelling along with myself are still writing for various publications, but most are retired or working for other businesses.

The Neal family owned and operated the Ledger for 71 years beginning with brothers Charles and Edward, followed by Charles' son Ralph, and then by his sons Jim and John. The family employed staff members for the long term. Several were there 30 and even 40 years.

The Ledger as a small newspaper ran all the seemingly mundane news of new births and bake sales, it also had dependable coverage of government meetings, real estate transactions, police reports and of course high school sports.

There were a few bigger news stories over the years that captured national attention and there were awards for the Ledger's reporting and presentation. Jim Neal spent most of his career on the news side where he insisted on fair and complete coverage of the local news.

Of course, there were always critics, those who thought a story was unfair or said there was nothing in the paper. There were a few folks who made a point of saying they didn't read the paper, but then, amazingly, would call to say we had made a mistake in an obit or a traffic story.

Visitors to the Ledger newsroom ranged from major figures in the news like VP Dan Quayle, Gov. Otis Bowen, Congressmen Dick Roudebush, Bud Hillis, CBS newsmen Mike Wallace and Morley Safer to colorful local characters with strange opinions, folks whose sanity might sometimes have been questioned. But, they were all interesting and we appreciated them for the diverse outlooks they brought to Noblesville.

People also still ask me if I miss being a part of the Ledger operation. I miss certain aspects of the business, but readily admit I wouldn't want to still be involved in creating a newspaper six days a week. It wasn't always easy, and definitely a job for people younger than I. But, I do enjoy hearing from those folks who say they still miss the paper that made a great contribution to our community.

City of Fishers swears in new Chief of Police

In an afternoon ceremony, the City of Fishers swore in new Chief of Police, Mitch Thompson, in front of city staff, elected officials and members of the community Thursday. Chief Thompson became the second chief of police in Fishers history, following the retirement of Chief George Kehl.

"Today is a historic day for the City of Fishers. Chief Kehl's leadership has paved the way for the Fishers Police Department's next chapter and I am proud to appoint Chief Thompson to carry on the values of our extraordinary police department," said Mayor Scott Fadness. "Chief Thompson brings years of experience and dedication to the role, and I have no doubt he will serve this community to the best of his ability."

Thompson has been with the Fishers Police Department since 1991. In 1994, Thompson was promoted to Patrol Sergeant, and was promoted to Patrol Commander in 1999. Four years later, Thompson was selected as the agencies' Assistant Chief of Police. Many residents

remember Chief Thompson from his days in the classroom as a local D.A.R.E. officer.

"I am humbled to accept this promotion and thank Chief Kehl for his many years of leadership," said Chief Thompson. "The Fishers Police Department is one of the finest agencies in the state of Indiana, and I look forward to furthering the culture of excellence and innovation for years to come."

Thompson holds a Bachelor's Degree from Indiana University (Bloomington) and a Master's Degree in Administration of Justice from the University of Phoenix. He is a graduate of the 202nd Class of the FBI National Academy. He attended the FBI LEEDS (Law Enforcement Executive Development Seminar) course in 2005, and served as the FBI National Academy Associates President for the Indiana Chapter in 2014. Thompson is also a graduate of the Police Executive Leadership Academy.

Thompson has been a Fishers resident since 1991. He has two children, both graduates of Hamilton Southeastern High School and currently in college.

News: Hamilton County Auditor John R. Randall said today that six parcels of land in Jordon Woods subdivision have been officially handed over to adjoining property owners by the area's developer, Ralph Wilfong. The sections of land, each about one quarter acre in area, were between a row of homes facing Jordon Woods Drive and Ind. 431 (Keystone Ave.).

Sports: One whale of a Hamilton County cross country meet is shaping up later this month between three schools-- seven time champion Noblesville, last year's runner-up Carmel and red-hot Westfield. All three schools stayed on the winning track with recent easy victories. Noblesville ran at North Central Conference New Castle and defeated the Trojans, 24-33. Carmel knocked off Pike Twp., 17-40, at Pike, and Westfield handled county neighbor Hamilton Southeastern, 19 ½ to 42 ½ in a meet on the Shamrocks home course.

Carmel Green Teen partners with the Legacy Fund

In order to continue and expand the support of environmental projects in Carmel and to leverage available resources, Legacy Fund, a Central Indiana Community Foundation (CICF) affiliate, will take over the management of the Carmel Green Teens Program. This will be done in cooperation with the Legacy Fund's LINK Youth Council, a youth leadership program. "Legacy Fund has a strong history of youth leadership with the LINK Youth Council and awarding grants to make a difference in our community. We will be able to bring that expertise to the Carmel Green Micro-Grant program," says Terry Anker, President of the Legacy Fund.

The Carmel Green Teens Micro-Grant program was founded in 2009 by youth leader Lauren Gibson as a way to encourage youth-led environmental projects in the City of Carmel. Original funding for the program came from a \$10,000 grant from the Clorox Foundation and Carmel Utilities has continued financial support of the program. Since its inception, 46 grants ranging in value from \$100 to \$1,000 have been awarded to youth-led environmental projects in Carmel. Carmel Utilities will continue to be the financial sponsor of the Green Teens grants.

"The Carmel Green Teens has been a successful and important part of the Carmel environmental community. I am pleased we will be able to support our community partner, Legacy Fund, through our continued sponsorship," says Carmel Mayor Jim Brainard. "This is an exciting time for the Carmel Green Teens Program. Synergies will happen through this partnership and the Carmel Green Teens will have an even greater impact in our community."

For more information about the Carmel Green Teens Micro-Grant program please visit www.carmelgreenteen.org or contact Brittany Rayburn with the CICF at 317-634-2423, ext. 140 or Sue Maki with Carmel Utilities at 317-571-2673.

HCSWCD Urban Conservationist Claire Lane accepts the Exceptional Commitment to Conservation Award from the White River Watershed Alliance.

For conserving, protecting resources...

Hamilton County Soil and Water Conservation District receives awards

The Hamilton County Soil and Water Conservation District (HCSWCD) has received two awards recently in recognition of efforts to conserve and protect the county's natural resources.

On September 16, the district accepted a Green Light Award from SustainableIndiana 2016 on behalf of the Heartland Backyard Conservation (BYC) Program, a partnership of Hamilton, Marion, Hancock, and Madison County SWCDs. The Heartland BYC program, led by the Hamilton County SWCD, was inducted into the Bicentennial Green Legacy Hall of Fame.

The White River Watershed Stewardship Awards gave HCSWCD the Exceptional Commitment to Conservation Award at its Watershed Stewardship Celebration in Indianapolis on September 27. This award recognizes a specific environmental project that has demonstrated significant leadership in a focused area of resource conservation (water, materials and/or energy, land, etc.)

The district nominated its Backyard Conservation Program for the award. This program features numerous partnerships

with Central Indiana organizations for various projects, including:

- Technical, financial, and educational assistance for urban and residential landowners for projects that stop runoff, limit erosion, improve water quality, and increase wildlife habitat
- A Sustainability Workshop
- Pollinator Habitat Workshops
- Noblesville Low Cost Rain Barrel Program
- Rain on Main painted rain barrel art competition in Carmel
- A new Urban Agriculture Program

“There is a lot of momentum across Central Indiana regarding clean water and we're proud to be a leader of that effort in Hamilton County”, said Claire Lane, HCSWCD Urban Conservationist, “The District and BYC Program offer a lot of resources for county residents and we hope to keep increasing that impact across the county.”

Colts, Indy Backpack Attack hosting...

School Supply drive Oct. 9 at Lucas Oil Stadium

Indy Backpack Attack is partnering with the Colts to host a school supply drive prior to the Colts vs. Bears game on Sunday, October 9, 2016 at Lucas Oil Stadium. Fans attending are encouraged to bring new school supplies to donate to Indy Backpack Attack or monetary donations from 11:00 am – 1:00 pm. For a list of recommended school supplies please visit www.indybackpackattack.org.

Since 1999, Indy Backpack Attack has formed strategic community collaborations with Central Indiana organizations and businesses and has made it our mission to collect school supplies to provide children the tools they need to succeed in school. It's reported that 80% percent of the families in the Indianapolis Public Schools district (IPS) need help with basic school supplies. With the help of local organizations and businesses, Indy Backpack Attack has collected more than 3.5 million school supplies since 1999!

“We are thrilled to partner with the Colts for this gameday collection event on Oct. 9,” said Mandy Emery, Treasurer, Indy Backpack Attack. “This collection will bring awareness that children need school supplies all year long and not just the beginning of the school year. School supplies wear out, get lost, borrowed, stolen and broken throughout the year. Having the right tools in class is essential to succeeding in education. This gameday collection will allow Indy Backpack Attack to help replenish the children's needs after their winter break when teachers report their supplies are depleted. We can't thank the Colts enough for this wonderful opportunity.”

For more information about the event please visit, www.colts.com, or www.indybackpackattack.org.

For more information about Indy Backpack Attack or to make a tax deductible donation please visit: www.indybackpackattack.org or call 317-372-6769, Indy Backpack Attack Treasurer, Mandy Emery.

Leading by a touchdown and with his team having control of the ball with 9:32 left in the fourth quarter, Hamilton Southeastern coach Scott May was mostly wanting to burn the clock.

"I was more worried about just getting a first down and keeping them off the field at that point," said May. "Them" was Noblesville and its offense, which has been known to explode for a touchdown or two during the season.

The Royals continued to grind the ball down the turf at Hare Chevrolet Field Friday, making their way to the Millers 20-yard line. At that point, HSE quarterback Adam Mullett threw a pass to Max Brooks, who ran it in for a touchdown. Nearly seven minutes after starting the drive, the Royals got their score, and the finishing touch on a 28-14 victory.

The win improved Southeastern to 4-1 in Hoosier Crossroads Conference play and 6-1 overall. The Royals are second in the HCC standings behind Brownsburg, which is still unbeaten in the league at 4-0. Noblesville fell to 2-2 in the conference and 3-4 overall.

The Millers scored first, on a 20-yard breakaway touchdown by quarterback Ryan Barnes less than two minutes into the game. After a trade of possessions, HSE got the ball back with 7:21, then marched down the field on a five-and-a-half minute drive.

The drive ended when Trey Poore ran the ball in for a touchdown from the eight-yard line, getting the Royals on the board. Southeastern's defense stepped up right after that, with Austin Holzum grabbing an interception on Noblesville's drive, and heading 32 yards for the end zone.

"Anytime you get a touchdown on defense, it's key," said May. "They got a pick on us early, and put some points on the board, and I thought we came back and got that pick again. Mentally, that's a big thing."

"We missed a read," said Noblesville coach Jason Simmons. "That's the bottom line. We missed a read, threw it right to them. When you give them that short of a

Hamilton Southeastern's Trey Poore was all over the field for the Royals on both offense and defense, helping the Royals to a 28-14 win over Noblesville at Hare Chevrolet Field Friday night. Poore was Southeastern's leading rusher, carrying the ball 16 times for 49 yards.

return, it's hard to get an angle to catch him. I thought their guy did a nice job of just being disciplined enough to do his job."

The Millers answered back on their next drive. Barnes scored for the Millers again, this time breaking away and running in from 41 yards. Jack Knight kicked the extra point, as he did for Barnes' first touchdown.

The Royals took the lead back midway through the second period when Mullett found Carter Lohman for a 35-yard pass play touchdown. That would give

Southeastern a 21-14 lead, and that margin would hold at halftime and for most of the second half. Tyler Melsner kicked the extra point on all four of HSE's scores.

Mullett threw for 200 yards on 16-of-26 passing. Poore was the leading rusher with 49 yards; he was effective for HSE on both offense and defense. May noted that Poore "played a lot of minutes tonight."

"He had a great game," said May. Barnes rushed 23 times for 130 yards, and completed 10 of 26 passes for 100 yards.

Simmons also thought his team played well defensively.

"You look at what they did a week ago, they threw for 465 yards and put up big numbers offensively, and I felt like our defense played their rear ends off tonight," said Simmons.

Noblesville goes on the road next Friday, taking on Brownsburg. Southeastern is back at home, playing Waubonsie Valley from Illinois.

Tigers stun Cathedral

Rick Wimmer admitted that even he was a little surprised.

So were lots of other folks, including those from Cathedral who watched their No. 3 ranked Irish go down to a 27-17 defeat to Wimmer's Fishers Tigers last evening at Reynolds Tiger Stadium.

Fishers had lost four straight games. "We've been close," Wimmer said. "Tonight we played with emotion."

Turnovers by Cathedral really aided Fishers' cause.

"We got a big takeaway early in the game," Wimmer said, "when DeVonte Adams intercepted a pass and we scored."

Fishers scored on an 18-yard pass from Jon Vore to R.J. Potts with 11:06 left in the opening quarter and then Ben Norton booted the extra point to give the Tigers a 7-0 advantage.

Cathedral scored the next 14 points. Norton booted a 32-yard field goal with 1:33 remaining in the half and the Tigers went to halftime trailing 14-10.

In the third quarter, Vore threw to Isaiah Dunnuck for a Fishers touchdown.

The two teams went to the fourth quarter deadlocked at 17-17.

It was a fourth quarter dominated by Fishers.

Potts gave Fishers the lead for good when he intercepted a Cathedral pass and returned it 15 yards with 3:17 showing on the clock.

Norton put the icing on the cake with a 33-yard field goal with just 23 seconds left.

"Taylor Soper had a big punt to pin Cathedral and then Potts intercepted the football and scored," Wimmer said.

Bryce Reardon intercepted a Cathedral pass and that set up the game-clinching field goal by Norton.

"We had some guys back from injuries," Wimmer continued. "We ran the ball better and our offensive line did a good job of blocking."

Vore, a sophomore, started for the first time at quarterback. He hit on 17-of-28 passes for 166 yards and two touchdowns.

"Vore had a solid game; no picks," Wimmer said. "He did a good job moving the football."

Adams caught seven passes for 56 yards.

On the ground, Max Shores led the Tigers with 11 carries for 49 yards.

Cathedral gained 180 yards rushing and 168 passes, but the turnovers killed the Irish and handed them only their second defeat of the season.

Fishers, now 3-4, next week will host Westfield in a big Hoosier Crossroads Conference matchup.

Westfield's Nate Froelich led the Shamrocks' rushing with 113 yards in 28 carries Friday night in their Homecoming game against Avon. Westfield beat the Orioles 21-20.

This 1-pointer was GREAT...

Westfield nips Avon

In sports, Lady Luck often comes and goes. And, goes and comes. Friday evening at Westfield, luck, Coach Jake Gilbert says, returned.

Westfield, which had lost its last two games by a margin of one point, last evening defeated Avon, 21-20, in a Hoosier Crossroads Conference game at homecoming.

"We were a little lucky tonight," Gilbert said. "But, we won, and we'll take the win."

Again, it came down to an extra point. Avon scored to move to within one with

four minutes left and then an Oriole receiver, wide-open, dropped a two-point conversion pass in the end zone.

The key to victory, said Gilbert, was Westfield's defense.

"We had four takeaways," pointed out the coach.

Westfield intercepted two Avon passes and recovered two Avon fumbles.

"We didn't have a takeaway," said Gilbert. "That's a plus-four for us, and we needed all four."

Westfield, as usual, ran the football well. The Shamrocks ran the pigskin for

155 yards, with Nate Froelich leading the way with 113 yards in 28 carries.

The Shamrocks ran for 155 yards and Sweet hit on 5-of-14 passes for 66 yards. Manley had three catches for 34 yards.

"We did run well," Gilbert said. "Our offensive line did a good job of blocking. We gained a couple of first downs rushing to seal the victory at the end."

Westfield took a 7-0 lead in the first quarter and did it with a pass. Quarterback Andy Sweet threw to ace receiver Evan Manley for the touchdown at the 3:18 mark in the first period and Will Harrison booted his first of three extra points.

Sweet, the quarterback, scored Westfield's second TD in the second frame, taking the Shamrocks to halftime with a 14-7 lead. Sweet scored from the one with 5:50 left before halftime

Both teams scored in the third period, Westfield's final touchdown of the game coming on a four yard run by Froelich.

Caleb Sanburn had one of Westfield's pass interceptions and Jackson Garrett and Matthew Tongate each recovered an Avon fumble.

Avon's final TD came with 4:18 left in the fourth quarter. Westfield got a first down with 2:19 left and then ran out the clock.

"The kids played hard," said Gilbert. "The last two weeks we lost games we probably should have won and tonight we won a game which maybe we should have lost."

"I'll take the victory," added the coach.

Westfield, now 5-2, next Friday will have another Hoosier Crossroads Conference game, playing at Fishers.

Sheridan's defensive line held Tipton for three downs inside the 10 yard line, until the Blackhawks intercepted a Tipton pass with one minute left in the game to give them a 14-10 victory over the Blue Devils Friday night.

Swindle provides game winner...

Bud gets 399th victory

Put me in, coach; I'm ready to play. With Tipton standing on Sheridan's five-yard line and threatening to win the game, that's what defensive lineman Tanner Swindle said to Sheridan coach Bud Wright. Swindle, one of seven rotating defensive linemen on the Sheridan team, wasn't in the game at the time. Swindle entered; tipped a Tipton pass into the air; and intercepted the ball to give Sheridan a huge, huge 14-10 victory over Tipton last evening at Larry Wright Stadium in Sheridan. The win left Wright one victory shy of the 400-win mark. Sheridan will try to get that victory next Friday at winless Taylor.

"It was a heck of a game," Wright said later. "Our kids showed a lot of heart. This was a big win." Sheridan almost allowed the victory to slip away. The Blackhawks, with the four-point lead, tried to pick up a first down at midfield and missed. "Tipton stacked up the play," Wright said. "We probably should have punted." But, that allowed the 258-pound Swindle to become the hero. "Our defensive line really played well," said Wright. That group included Hunter Pflugh, Kyle Harwood, Avery Bundy, Alex Gipson, Swindle and Ian Pence. It was, as expected, a game matching Sheridan's running power against Tipton

throwing the football. Sheridan ran the ball 51 times for 214 yards. Tipton carried 21 times and finished with one yard. Through the air, Tipton was 10-of-24 for 189 yards and had two passes intercepted and Sheridan was 2-of-9 for 27 yards. Joe Callahan had another great night running behind a good-blocking offensive line. Callahan carried 37 times for 161 yards.

Sheridan took a 7-0 lead with 2:54 remaining in the first quarter on a two-yard run by quarterback Drake Delph. Gunner Williams booted the next point. Tipton tied the game at 7-7 before halftime. Sheridan's winning touchdown came with 1:37 remaining in the third quarter on a 35-yard run by Callahan. Williams added the PAT.

The Carmel boys tennis team beat Guerin Catholic 4-1 Friday at Carmel Racquet Club for its own sectional championship. This is the seventh consecutive sectional title for the Greyhounds.

Tennis moves indoors...

Carmel, Southeastern continue sectional streaks

By RICHIE HALL
Reporter Sports Editor

Not wanting to take any chances, both the Carmel and the Hamilton Southeastern boys tennis sectionals moved indoors for their respective Friday championships.

The No. 6-ranked Royals wrapped up their sectional first, beating Noblesville 4-1 at the Indianapolis Racquet Club East in Indianapolis. The victory gave HSE its sixth consecutive sectional title and advances it to the North Central regional on Tuesday, where the Royals take on the No. 3-ranked host Panthers in the semi-finals.

A short time later, the No. 1-ranked Greyhounds kept their sectional streak going, winning their seventh in a row by defeating No. 5 Guerin Catholic 4-1 at the Carmel Racquet Club. The 'Hounds travel to the Kokomo regional on Tuesday, where they will face No. 17 West Lafayette in the semi-finals.

Each of the HSE-Noblesville matches were decided in straight sets. Addison Cazier and Alec Gretencord won the Nos. 1

and 2 singles matches respectively, then No. 1 Marcus Luke and Mark Skelton and No. 2 Mark Slaninka and Andrew Myers picked up doubles wins.

"It's a great tradition, a great run we've had," said Royals coach Kirk Webber. He was happy to see another senior class go through all four years with sectional titles in each year.

"These guys have won it all four years they've been here, so it's always great for the seniors," said Webber.

Noblesville's win came from No. 3 singles Alec Piggott in straight sets.

"Every kid played their best match of the year today," said Millers coach Tim Samons. "They're just a better team, and I thought we competed really hard in every position."

Over at Carmel Racquet Club, that final played out in the same manner. There was a tough match at No. 2 singles, with the Greyhounds' Drew Michael winning a three-setter over Guerin Catholic's Jacob Bratton. The scores of that match were 6-4, 0-6, 6-3.

Carmel won its other matches in straight sets. No. 1 singles Patrick Fletchall was among the victorious Greyhounds, along the doubles teams of No. 1 Ethan Andrews and Jay Natarajan and No. 2 Rohit Nagaraj and Timmy Dixon.

"We played well," said Carmel coach Spencer Fields. "It's a different setting to play them indoors than outdoors. They're a very dangerous team in a lot of ways. They know us well, we know them well."

Michael Wade won the No. 3 singles match for the Golden Eagles.

"We played awesome tonight," said GC coach Karl Krauter. "I think we competed exceptionally well. We were prepared and ready to go. Just a couple points here and there were the deciding factor in 2 doubles, and our 3 singles guy knocked it out of the park, 2 and 0. And then our 2 singles guy was in it all the way."

Rain-delayed girls golf state finals...

Today's second round of the IHSAA girls golf state finals at Prairie View Golf Club in Carmel will be busier than originally planned.

Due to two long rain delays, not all golfers got to complete their first round Friday. Therefore, some of them will have to finish up that round, then begin play in the second round. Westfield is among the teams that will need to finish; the Shamrocks all have three holes left to play.

However, Westfield is in a good position: It is currently tied with defending

state champion Evansville North. Both schools are sitting at 21-over par. The Shamrocks' Cailyn Henderson is the leader; she is one-under par after 15 holes.

Hamilton County's three other participating schools all finished their first rounds. Carmel is in seventh place with a 331. Nina Hecht and Rani Hecht both have 79s, Angie Kavanaugh 85, Libby McGuire 88 and Erin Evans 89.

Fishers is currently in eighth place with 337. Morgan Lewis carded a 79 for her first round, followed by Kennedy Brooker 81,

Anna DelPrince 84, Brooke Wilson 93 and Kate Alt 93.

Hamilton Southeastern is 14th with a 356. Haleigh Gray leads the Royals with an 84, followed by Julia Eaton 90, Chelsea Morrow 90, Nicole Dillow 92 and Phyllis Cha 95.

Hamilton Heights' Caitie Gehlhausen is playing as an individual, and also finished her round. She is currently at a 76, which ties her for 14th place.

Play begins today at 8:30 a.m.

Carmel stuns Ben Davis

Carmel scored 26 points in the fourth quarter and tallied two touchdowns in the final 5½ minutes to send a homecoming crowd home happy with a 40-36 MIC Conference victory Friday evening over Ben Davis.

The winning touchdown came on a four-yard run by Jerome Halsell with 1:21 remaining.

“(Quarterback) Jake McDonald really stepped it up with our hurry up game,” said Carmel coach John Hebert. “He threw the ball well and we had some receivers who made great catches.”

McDonald was 15-of-23 for 214 yards and four touchdowns, three of which came in the fourth quarter. Ethan Merriweather had seven catches for 92 yards and two TDs; Kurt Rafdal caught six for 94 yards and a touchdown and Jalen Walker had two receptions for 28 yards and a TD.

“We had a strong running game,” Hebert continued. “We had two backs over 100 yards. That’s outstanding against this type of competition. Our offensive line really stepped up.”

Hebert said the game was turned around with Carmel trailing 24-7 in the third quarter. Camari Hunt had a long run.

“We didn’t score on the play, but that turned around the game,” said the coach.

Hebert admitted he didn’t think the game would be that high scoring.

“We watched Ben Davis a lot on film and went into the game knowing what we wanted to do,” Hebert said. “At halftime we had given up 16 points. I thought to myself, they probably should have scored more.”

The 1-2 running punch of Halsell and Hunt was terrific. Halsell carried 20 times for 121 yards and two touchdowns and Hunt ran eight times for 118 yards.

Ben Davis scored first at the 3:08 mark of the first period, but Carmel came right back when Halsell scored from the three with 1:12 remaining. Connor Coghlan kicked the extra point.

Carmel didn’t score again until 1:52 remained in the third quarter and Merriweather caught an 18-yard pass from McDonald. Coghlan again added the PAT.

The Greyhounds scored four times in the fourth quarter, but missed on a couple of after-touchdown conversions.

Jalen Walker started the explosion, scoring on a 23-yard pass from McDonald. McDonald’s two-point pass attempt field.

Carmel beats Columbus North

The Carmel boys soccer team won a Friday night game at Murray Stadium, beating Columbus North 2-0.

Brenno Pecora and Riley Shives each scored one goal for the Class 2A No. 8 Greyhounds. Both players assisted the other's goal.

"Tonight had a tournament game atmosphere to it," said Carmel coach Shane Schmidt. "I am very proud of the way everyone played tonight. I felt that we possessed the ball well and our effort was excellent. Now we need to turn around and be ready to play again right away in the morning."

The 'Hounds, now 8-2-5 for the season, host Homestead today.
