To Benefit Noblesville Youth Assistance Program...

Stuff-Your-Stocking event is Dec. 2

Noblesville Youth Assistance Program (NYAP), a program dedicated to helping youth and families facing challenging life circumstances access local resources, such as tutoring and mentoring, will be hosting a Stuff-Your-Stocking event from 5 to 8 p.m. on Friday, Dec. 2.

“We’re really excited to host the Stuff-Your-Stocking event this year, and we plan to make it an annual tradition,” said Mary Ann Haymaker, NYAP Early Intervention

Advocate. “The Youth Assistance Program is all about coordinating with local resources and volunteers to help empower young families in our community who need it most. So, it just made sense to involve local Noblesville businesses for this fun winter fundraiser.”

This family-friendly event is a great way to celebrate the holiday season while raising funds to support NYAP. With a ticket of \$15 each, families will receive a stocking

to take to participating businesses located downtown Noblesville and fill with treats and toys. There will be festive holiday snacks and special appearances from some favorite Christmas friends—making it a fun winter event the whole family can enjoy together.

For more information and to purchase tickets, visit <https://nyapstuffyourstocking.eventbrite.com>

Noblesville conducts housing analysis

Noblesville took its next step in formulating the city’s future as it prepares for continued growth while balancing the “small-town” feel of the city through the recently completed housing analysis.

“Over the course of my administration, Noblesville’s population has grown significantly. I recognize that the vision we started out with must change with the times and with the growth,” said Noblesville Mayor John Ditslear. “This housing analysis is the first step in developing a new vision for our community’s neighborhoods, so that we’re making better decisions about housing for the near future – and appeal to all generations of residents who want to call Noblesville home.”

The housing study was initiated as new council members requested more information on the city’s inventory to assist in basing decisions for potential developments. The information, statistics and demographics provide the whole picture of residential options currently in Noblesville. The study was conducted by Greenstreet Ltd.

“With this study, we are able to evaluate our current housing stock and plan for what types of housing should be targeted for development. Having the right mix of housing is important to Noblesville’s competitiveness locally and regionally. There are serious implications for the city if housing stock and neighborhoods continue to lack diversity,” Noblesville Planning Director Sarah Reed said.

Highlights from the housing study include:

- Families are no longer the largest housing segment in the United States. Household demographics are changing – locally and nationally – but the current housing stock doesn’t reflect that change.
- “We need to prepare for a shift in housing type from traditional families to empty nesters, young professionals, couples without children and nontraditional families,” said Reed.
- Today, 77 percent of what gets built in Noblesville (90 percent nationally) is single-family detached. But only about half of customers prefer that, leaving a third of households wanting something else without a way to get it. The average new home sold for \$318,120 in 2016. Only about 10 percent of the population can afford the average new home.

Westfield opens easternmost portion of Midland Trail

Photo courtesy the City of Westfield

The City of Westfield opened its easternmost portion of the Midland Trail on Friday. Pictured at the ceremony are: Parks Director Melody Jones, Public Works Director Jeremy Lollar, Senior Project Manager Mike Morgan, Mayor Andy Cook, Council President Chuck Lehman, Council Vice President Jim Ake, Councilor Joe Edwards, Councilor Cindy Spoljaric.

Westfield officially opened its easternmost portion of the Midland Trail Friday with a ribbon cutting ceremony.

“With this extension of the Midland Trail we are adding over 4,000 feet of trail that will take our residents all the way to the eastern edge of the city,” Westfield Parks and Recreation Director Melody Jones said.

“We are very excited to accomplish this phase of the Midland project and look forward to continuing work on the west side of town.”

This phase of the Midland extends from Gunther Boulevard east to the city limits at Gray Road.

The cost for this phase of construction was \$600,000 with funding coming from park impact fees.

The city of Noblesville has said it will start construction of its phase of the Midland east of Gray Road next year.

The ribbon cutting ceremony took place on the newest portion of the Midland Trail just east of Gunther Blvd.

Hamilton County, Noblesville break ground on final Riverwalk phase

Photo courtesy the City of Noblesville

Hamilton County and Noblesville officials came together on Friday to break ground on the final portion of the Riverwalk trail project.

Pictured: Hamilton County Commissioner Mark Heirbrandt, Noblesville Mayor John Ditslear, Commissioner Steve Dillinger, Commissioner Christine Altman, Hamilton County Council President Fred Glynn and County Councilman Steve Schwartz.

Hamilton County and Noblesville officials came together Friday to break ground on the final portion of the Riverwalk trail project. The third phase of the project, which is expected to be completed in 2017, will provide the missing link of the half-mile trail along the east side of White River.

Construction on the Riverwalk, a joint project between the city and county, began in 2008. Hamilton County Commissioner Steve Dillinger came up with the idea to provide a scenic walkway near White River in downtown Noblesville while visiting Madison, Ind., in 2000. A committee of residents was formed the following year, but the recession and prioritizing infrastructure projects took precedence until 2008.

“I never envisioned the Riverwalk taking 17 years when we started out, but it’s exciting to see it finally coming together,” said Dillinger. “With the Riverwalk and Federal Hill Commons opening in 2017,

Westfield’s Raley to be honored at theCHIVE’s Green Gala

Ricky Raley, a Westfield native, will be honored at a national charity gala on Saturday, Nov. 12. The honor will take place at theCHIVE’s 4th Annual Green Gala at The Belmont in Austin, TX, which celebrates those people helped by the national charity movement. This year’s event will be attended by a who’s who of celebrities and athletes including Oscar nominee Ed Norton and professional golfer Pat Perez.

Ricky (pictured at left with his family) served his country first in the recruitment office and then on an Iraq tour of duty. While in Iraq he suffered from a traumatic brain injury and shortly after his military contract ended, he was in a tragic car accident that left him paralyzed from the waist down. Chive Charities first learned about Ricky Raley through The Boot Campaign who had partnered with Mike’s Hard Lemonade for a Backyard Refresh campaign for veterans. The Campaign transformed backyards of several deserving veterans across the nation. Chive Charities wanted to get involved so they added to the backyard renovation at Ricky’s home to give him a therapy swim/spa where he could do his PT as well as train for his triathlons. See [here](#) for a link to Colton’s story on theCHIVE.

RIVERWALK

From Page 1

downtown Noblesville is getting the kind of entrance it deserves.”

Phase One of Riverwalk was a county project and consisted of creating a trail from the county employee parking lot east, underneath the Conner Street/State Road 32 Bridge and back up to the Hamilton County Judicial Center.

Phase Two of Riverwalk was a city project, extending the trail under the Logan Street Bridge and up to where it now connects with the pedestrian bridge to Forest Park, which also connects to trails at Potter’s Bridge and Field Drive.

Phase Three will connect the two completed portions behind the Judicial Center. It also will join with the City of Noblesville’s recently opened southern portion extension, which runs from Maple Avenue to Division Street. Construction will begin later this month. Phase Three also will be home to the Hamilton County Fallen Firefighters Memorial.

“As in many communities, trails are definitely a popular amenity in our city. The Riverwalk Phase III will provide pedestrians and bicyclists the opportunity to travel from downtown into Forest Park without using streets while enjoying the beauty of the White River and downtown Noblesville,” said Mayor John Ditslear. “We’re also excited for the opportunity this will create for even more river activation in the future.”

HOUSING

From Page 1

- Of the 26,539 housing units in Noblesville, two predominant housing types exist: Single-family detached (77 percent) and multi-family complexes (17 percent). Most of the future inventory addresses only the far ends of the housing spectrum (single-family detached and apartment style multi-family) and will need to be absorbed before new product can be developed. The “Missing Middle” housing types include duplex, courtyard apartment, bungalow court, townhouse, multiplex and live/work units.
- “Our vision for development should be similar to financial portfolios. We cannot simply put all of our eggs in one basket. We have to be diversified. We need to offer a variety of housing types just like our commercial side needs to have a variety of industrial, commercial and retail,” said Ditslear. “The more options we have, the more attractive and accommodating we can be for everyone. Noblesville must continue to attract people at all stages of their lives, and provide options for them to grow with the community throughout their lifetimes.”
- Of the 3,894 lots approved in Noblesville, only 25 percent are currently under construction or completed. The current inventory of single-family detached

housing and lots (both unsold units and vacant developed lots) could be absorbed in just under two years. At that rate of absorption, there is another 6+ years of platted lot inventory that may or may not reflect future demand.

- Current development patterns in Noblesville are considered “low density suburban” – approximately 4 units per acre. The next level, “medium density suburban,” would consist of 11 units per acre. Density is often associated with overcrowding, monotony, lack of privacy and not enough green space; however, density is not bad if you have the standards in place that demands the quality product and guarantees the desired outcome.
- “Our housing types don’t have to suffer aesthetically in order to remain diverse,” said Reed. “The City must continue to focus on quality construction and use our architectural and development standards to ensure a high aesthetic appeal.”
- A short-term solution to diversifying the city’s market is to increase the variety of alternative housing types targeted to both renters and owners. This solution would not eliminate current products residents are familiar with but shift to types that are lower or nonexistent in our inventory.

Change Your Clock- Change Your Battery®

Daylight-saving time ends at 2 a.m. Sunday, Nov. 6. The Carmel Fire Department encourages residents to change the batteries in their own smoke alarms and carbon monoxide detectors, test the alarms and remind friends, family, neighbors and fellow community members to do the same. With the peak time for home fire fatalities occurring between 11 p.m. and 7 a.m. when most families are sleeping, this simple step can help save their lives and the lives of those around them. A working smoke detector is your first line of defense in a fire. Tragically, fire can kill selectively. Those most at risk include:

Children – On average, home fires kill 500 children ages 14 and under each year. Roughly three-quarters of child fire fatalities under age 15 occurred in homes without working smoke alarms.

Seniors – Adults 75 and older are 2.8 times more likely to die in a home fire.

Low-Income Households – Many low-income families are unable to afford batteries for their smoke alarms. These same households often rely on poorly installed, maintained or misused portable or area heating equipment – a main cause of fatal home fires.

The most commonly cited cause of non-working smoke alarms is worn or missing batteries. Smoke alarm maintenance is a simple, effective way to reduce home fire deaths. Children and senior citizens are most at risk, and a working smoke alarm can give them the extra seconds they need to get out safely.

Changing smoke alarm batteries at least once a year, testing those alarms and reminding others to do the same are some of the simplest, most effective ways to reduce these tragic deaths and injuries. Additionally, the International Association of Fire Chiefs recommends that smoke alarms in homes should be replaced every 10 years and having both ionization and photoelectric smoke alarms are best to alert people to all types of home fires. If both types of smoke alarms or a combination alarm are not available, the Carmel Fire Department recommends photoelectric alarms with a 10-year lithium battery. The battery in this alarm never needs changed and the alarm needs to be replaced every ten years. Likewise, carbon monoxide detectors

need to be replaced every seven to eight years. If you need assistance changing or testing your smoke alarms and carbon monoxide detectors, please contact your local fire department.

Twenty-nine years ago, Energizer and the International Association of Fire Chiefs recognized a disturbing trend that many home fire fatalities were taking place in homes without working smoke alarms. Please do your part in checking, changing, and testing your smoke detectors.

Ann Elizabeth Clymer

May 13, 1959 - October 29, 2016

Ann Elizabeth Clymer, 57, passed away Saturday, October 29, 2016. One of GOD's most beautiful creations was taken peacefully in her home. Ann was born on May 13, 1959 to William and Judith (Hunt) Simpson in Indianapolis, Indiana.

Prior to her illness, she worked at the Hamilton County Recorder's Office. Ann was a loving and devoted wife, mother, grandmother and friend.

Ann is survived by her husband, Gary Clymer; Son, Daniel (wife Valerie) Clymer; Daughter, Jennifer Clymer; Grandson, Wyatt Clymer; Father and Mother, William and Judith Simpson; Sister, Lisa Millikan; and Niece, Lauren Fuller.

Visitation will be from 6:00 pm to 8:00 pm Friday, November 11, 2016 at Randall & Roberts Fishers Mortuary, 12010 Allisonville Road, in Fishers. Calling will be from 10:00 am to 11:00 am Saturday, November 12, 2016, followed by Mass, at Sacred Heart of Jesus Catholic Church, 410 South Pearl Street in Cicero.

In lieu of flowers, memorial contributions may be made to Sacred Heart of Jesus Catholic Church, PO Box 889, Cicero, IN 46034; or St. Jude Children's Research Hospital, PO Box 1000, Dept. 142, Memphis, TN 38148-0142.

The last three years of her life, Ann battled a terrible disease. Her courage, strength and determination was an inspiration to her family, friends and care givers. Ann loved people. Her beautiful smile and warm enthusiastic greeting touched everyone she met. Ann will be eternally loved and missed.

Condolences: www.randallroberts.com

DeVern Frederick Fromke

July 28, 1923 - October 28, 2016

DeVern Frederick Fromke, 93, of Noblesville, passed away on Friday, October 28, 2016. He was born on July 28, 1923 to Oscar F. and Huldah K. (Lind) Fromke in Ortley, SD.

DeVern graduated from Seattle Pacific College and served in the ministry for 70 years. He traveled extensively as a teacher and author. His life work was God-centered and people focused. He was well loved and will be missed by many.

He is survived by his son, DeVon Fromke and his daughter in law, Patricia Fromke; grandchildren, David, Kyle and Laura Fromke; sister, Ellen Stock; and brother, Dr. Vincent Fromke.

DeVern was preceded in death by his first wife, Juanita (Jones) Fromke; and second wife, Ruth (Cowart) Fromke.

A memorial service will be held at 4:00 pm on Monday, November 14, 2016 at Grace Church with visitation beginning at 3:00 pm.

Condolences: www.randallroberts.com

John Timothy ‘Tim’ Russell

June 3, 1948 - October 31, 2016

John Timothy ‘Tim’ Russell, 68, of Noblesville decided to fly home Monday, October 31, 2016, following the return from a wonderful trip to the East Coast with his high school sweetheart and beautiful wife of 42 years, Diana (Beason)-his best friend for 50 years. Tim was born June 3, 1948, to Luther and Arlene (McQueary) Russell in Liberty, Kentucky. Following Noblesville High School and Ball State University he worked for himself as an electrician and enjoyed his lifelong dream of being a private pilot, flying his own plane.

Tim was an incredible and dedicated father to his two children, John Zachary Russell and Abigail (Paul) Moore. His pride reached new heights with his promotion to “Papa” as he was over the moon for his two grandchildren, Arlie Mable Moore and Hunter Westerfield Moore.

In addition to his wife, children, and grandchildren, Tim is survived by three siblings-Paul Russell of Diamondhead, Mississippi; Judy Smith of Plymouth; and Connie Snethen of Sheridan-and a tried and true list of wonderful and eternal friends.

He was preceded in death by his parents and his beloved and sorely missed older brother, Ron Russell.

Tim was known for his friendly ability to strike up a conversation with most anyone and would never hesitate to lend a hand to a friend or neighbor.

A celebration service will be held at 4:00 pm, Monday, November 7, 2016, at his home at 607 Sly Run Overlook in Noblesville. Visitors are invited to gather to pay their respects to the family from 3:00 pm until the time of the service.

In lieu of flowers, his family has requested contributions be made in his memory to the Alzheimer’s Association (alz.org).

Condolences: randallroberts.com

Jon BROWN for Judge

Paid for by the committee to elect Jon Brown.

"People rarely step foot in a courtroom, but when they do, they want to know the person sitting as judge will listen to what they have to say, treat them with respect, and make decisions that are fair and in compliance with Indiana law."

Jon Brown

When asked why he was running for judge, Jon had this to say:

"I have spent my legal career helping real Hoosiers with real problems. I have a strong work ethic and appreciate the difficulties and problems people face on a day-to-day basis. I have been blessed to practice law in courtrooms across the state for nearly twenty years and I look forward to putting my experience to use serving the taxpayers of Hamilton County"

Jon's Pledge

I can promise to the taxpayers of Hamilton County I will listen to what people have to say, treat all litigants with respect, and make decisions that are fair to the parties and adhere to Indiana law to the best of my ability.

My Story

A graduate of Indiana University, Jon moved to Noblesville in January 1997, and has been practicing law in Indiana since being admitted to the bar in 1998. Jon is experienced in the areas of civil litigation, bankruptcy, foreclosure defense, criminal law, and family law. Jon's career in public service got its start while serving as a public defender in Hancock County from 1999 to 2006.

Jon continues to serve his community, and can be found at times serving as Judge Pro Tem in the Fishers City Court, Superior Courts 2 and 4, and the Hamilton Circuit Court.

Thank you for your support and I hope I can earn your vote on Nov 8th.

Four in a row for the ‘Rocks...

Westfield dominates Mavs for sectional title

Reporter photo by Brian Reddick

The Westfield football team beat McCutcheon 34-7 to win its fourth consecutive sectional championship Friday at Riverview Health Stadium. The Shamrocks will host Kokomo next Friday for the regional title.

By **RICHIE HALL**
Reporter Sports Editor

Even if the Westfield football team made winning its fourth consecutive sectional championship look easy on Friday, Shamrocks coach Jake Gilbert understands that it's not as easy as it looks.

"I don't take for granted winning a sectional," said Gilbert. "It's a hard thing to do."

Westfield definitely played hard at Riverview Health Stadium, and that effort gave the 'Rocks another Class 5A Sectional 11 trophy, 34-7 over McCutcheon. The victory sends the Shamrocks to the regional, in which they will host Kokomo next week. The Wildkats beat Muncie Central 48-33 to win their sectional.

Westfield got on the board with 3:29 left in the first quarter, with senior quarterback Andrew Sweet rushing in for a touchdown from the 25 yard line. The 'Rocks then scored early in the second quarter, when Nate Froelich powered in 17 yards to the end zone - while dragging several Maverick players with him. Froelich gave all credit to Westfield's offensive line.

"It's hard to run bad behind a great O-line," said Froelich.

"I was really proud that they were able to get in there and control the line of scrimmage," said Gilbert. "Our defensive line was awesome, and our linebacker play was awesome."

After Justin Frey intercepted a McCutcheon pass, Westfield added three

more points when Will Harrison booted a 50-yard field goal. That was all of the first-half scoring, and the 'Rocks led 17-0.

Westfield scored a pair of third-quarter touchdowns, both on the run. Froelich took the ball in from the nine-yard line with 9:30 remaining in the period, and Michael Brown finished a nice scoring drive by running in for a two-yard touchdown with 17 seconds left in the third.

Harrison kicked all of the extra points following each touchdown. Miles Clinkenbeard got the Shamrocks' final

points of the game, kicking a 25-yard field goal midway through the fourth quarter.

Westfield's rushing ate up 317 yards, with Froelich gaining 103 and Johnny Swidan compiling 75 yards. Sweet was 4-of-7 passing for 46 yards, with each completion going to a different receiver. Defensively, the Shamrocks allowed the Mavericks just 70 yards in combined offense, and didn't allow them past midfield until late in the game.

The victory makes Westfield's record 9-2, and also marks the school's ninth sectional championship in football.

Record 28th championship...

Carmel beats Fishers, defends sectional

Reporter photo by Kirk Green

The Carmel football team beat Fishers 23-10 Friday at Carmel Stadium to win its fourth sectional championship in a row. This is also the state-record 28th sectional title for the Greyhounds, who travel to Homestead next Friday for the regional.

After a back-and-forth first half, Carmel took control of the Class 6A Sectional 4 championship Friday evening, and came away with a 23-10 victory over Fishers at Carmel Stadium.

The win marked the fourth consecutive sectional title for the Greyhounds, and is also their 28th sectional championship overall - a record number. Carmel will travel to Homestead next week to play in the regional.

"It feels great, it really does," said Greyhounds coach John Hebert. "Just proud of the kids. We lost a few games early on. The kids kept working hard, and they have a great attitude. They're very, very coachable. We point out a lot of areas where we need to improve, and they respond. And

so we've just been really making steady progress, and we're finally seeing some great results."

The Tigers took the first lead of the game when Ben Norton kicked a 33-yard field goal midway through the first quarter. Carmel responded 38 seconds into the second period when Jake McDonald connected with Bryce Sharp for a five-yard touchdown pass.

Fishers came back with a five-yard TD pass of its own, with Matt Wolff finding Michael Johnson for the score. But the 'Hounds answered again, with Ethan Merriweather catching a two-yard scoring pass from McDonald with 1:44 left in the half.

Carmel added two points in the third quarter by making a safety. In the fourth quarter, Jalen Walker took a 41-yard punt return into the end zone, marking Carmel's third touchdown of the night. Connor Coghlan kicked all three extra points.

Hebert said Carmel's defense "really played well" in the second half. "And offensively, we controlled the clock. We got a lot of first downs, we kept their offense off the field."

McDonald had a highly efficient night, completing 13 of 16 passes for 163 yards and the two touchdowns. Kurt Rafdal had

four catches for 68 yards, with Walker making four receptions for 46 yards. Jerome Halsell led Carmel's rushing with 91 yards in 20 attempts.

Wolff finished the game 7-of-13 for 54 yards. Jon Vore also had a few snaps at quarterback, going 5-for-12 and gaining 48 yards. Will Syrus (47 yards) and Trevor Newman (38 yards) both had four catches. Michael Noble led the rushing with 48 yards in 10 carries.

Carmel is now 7-4 for the year, while Fishers ended its season 4-7.

Girls basketball previews

Lloyd, solid sophomores lead HSE

By **RICHIE HALL**
Reporter Sports Editor

With a deep roster and a good group of young-but-experienced players, the Hamilton Southeastern girls basketball should get back above the .500 mark this season.

The Royals finished last year right at that mark, with an 11-11 record overall and a finish of 3-3 in the Hoosier Crossroads Conference. While HSE graduated six seniors from last year's team, it also has a veteran point guard to lead the team, and a solid sophomore class that gained playing time last year as freshmen.

The veteran is senior Bre Lloyd, who begins her third year as the Royals' starting point guard today when Southeastern plays in the Southport Classic. Lloyd returns 13.4 points per game from last season - easily leading the team - and is also first in assists (3.6) and steals (1.6) per game. Lloyd also returns as the second-leading rebounder with 3.0 per contest.

The leading rebounder from last season is 6-2 Amaya Hamilton, who grabbed 5.2 boards per game. She also contributed to the scoring with 6.1 points, while another sophomore Malea Jackson, brings back 4.0 points. Other returning sophomores are Molly Walton and Tayah Irvin.

"At times last season, the Lady Royals had four freshmen on the floor," said Royals coach Chris Huppenthal. "The bad part of playing kids that young is their inexperience, but the good part of playing youth is they gain experience through the competition."

Lloyd is one of five seniors on this year's varsity roster; the others are Maranda Barksdale, Haydn Braun, Olivia Kegley and Kiki Sundling. Sarah Howard and Shelby Ford are juniors.

"Malea Jackson, Hadyn Braun, Tayah Irvin, Sarah Howard and Molly Walton help to solidify a deep backcourt while Amaya Hamilton, Olivia Kegley, Kiki Sundling and Shelby Ford make for what could be a promising frontline," said Huppenthal.

"The addition of freshman Sydney Parrish will add depth to many areas," said Huppenthal. "Maranda Barksdale could also push for playing time. There will be much competition for playing time this year and that should make for some very competitive practices."

Southeastern will play Ben Davis at 10 a.m. today in the first game at Southport, then take on the host Cardinals at 7 p.m. The Royals then play their first home game Tuesday, hosting New Castle, then have their own Southeastern Classic next Saturday, Nov. 12.

Southeastern varsity roster
Seniors: Maranda Barksdale, Haydn Braun, Olivia Kegley, Bre Lloyd, Kiki Sundling.
Juniors: Shelby Ford, Sarah Howard.
Sophomores: Amaya Hamilton, Tayah Irvin, Malea Jackson, Molly Walton.
Freshman: Sydney Parrish.

New coach, new conference...

Balanced Golden Eagles will play tough

By RICHIE HALL
Reporter Sports Editor

There will be several changes for this year's Guerin Catholic girls basketball team. The Golden Eagles have a new coach, Dave Roth. The team is playing in the inaugural season of the Circle City Conference. And Guerin also graduated four experienced seniors that accounted for 36.2 points per game.

"We lost a lot of scoring and a lot of overall basketball knowledge with last year's senior class," said Roth. "This year we have a really good balance of mixed skill sets in players 1-10 and we will need them to all to step up and put the ball in the basket."

There are some good returning players for GC, including five seniors. Grace Demas is the leading returning scorer with 3.2 points per game, while Kate Anderson is the leader in rebounding with 4.2 boards per contest. Demas averaged 3.2 rebounds last season as well.

Erin Fuller and Maura Murphy are two returning seniors, and juniors Sydney Geis and Danielle Mason also saw some minutes last year. Three more juniors who will take on bigger roles this year are Carly Hammons, Maggie Stordy and Grace Hackett.

Sophomore Hanna Bills and freshman Nicole Cunningham are newcomers to the team. Bills will split time between varsity and junior varsity, with Cunningham playing on all three GC teams: Varsity, JV and freshman.

The Golden Eagles begin their season tonight at Zionsville, then play their first Circle City game next Saturday, Nov. 12 at Roncalli. Guerin's home opener is Nov. 16 against Connersville.

Roth said this year the Golden Eagles will have their hardest schedule the team has ever had "so getting our heads wrapped around competing on every play will be essential to our success," the coach said.

Guerin roster
Varsity
Seniors: Kate Anderson, Grace Demas, Sarah Eberhart, Erin Fuller, Maura Murphy.
Juniors: Sophia Fernandez, Lexi Foerder, Sydney Geis, Grace Hackett, Carly Hammons, Isabella Maginn, Danielle Mason, Meredith Sell.
Sophomores: Hanna Bills, Maggie Stordy.
Freshman: Nicole Cunningham.
Junior varsity
Juniors: Sophia Fernandez, Lexi Foerder, Isabella Maginn, Meredith Sell.
Sophomores: Hanna Bills, Emma Eberhart, Anya Glodowski, Molly Spitznogle, Teresa Stein, Sarah VanMeter, Fiona Weber, Emma Youngman.
Freshman: Nicole Cunningham.
