Ring in the holidays with...

New Christmas traditions in downtown Cicero

Families in Cicero look forward every year to celebrating Christmas traditions, and downtown Cicero is definitely the place to be on Saturday, Dec. 3.

The community will be ringing in the holidays with events occurring all day. Families can start the day with Breakfast with Santa at Red Bridge Park, visit the Holiday Market Place at the library, and watch the annual Kiwanis Christmas Parade in the afternoon. Businesses around town will also be decorating storefronts for the holidays, and don't forget to patronize downtown restaurants like 10 West, Erika's Place, DeLullo's, Pizza House, LaCascada, Pizza King, and Big Dog's.

Exciting new traditions will begin this year with the inaugural Christmas Tree Lighting Festival to be held at the Pocket

Park and on Jackson Street that same day. From 4:30 to 6:30 p.m. several free events will be featured. Games with prizes will be located at Cicero Pool and Spa and Booker Realty; Red Bridge Realty will have a hot chocolate station; and Sweet Inspirations Bakery will be hosting a cookie decorating station at the Cicero Town Hall. Families are invited to visit Old Saint Nick at Santa Land located in the Pocket Park adjacent to Town Hall. Parents are welcome to take photos of their children with Santa free of charge, and kids will be leaving with a treat in hand.

But the highpoint of the day, the inaugural Christmas Tree Lighting will occur at 6:45 p.m. A huge tree, donated by Cicero residents, Dave and Becky Benefiel, will be positioned in the Pocket Park and illuminated with pomp and circumstance by

three of the area's kids. A contest is being held to determine who will light the tree. Students from Kindergarten through fifth grade are welcome to enter by submitting a short essay outlining what "Christmas Means to Me". Entry forms must be submitted by Friday, Nov. 18.

Event chair, Lesley Amos is bubbling with excitement as plans come together for the Tree Lighting Festival and is still looking for business or private sponsors to help defray costs. "We want this to be a kid-friendly, family event that becomes part of the community's celebration of Christmas," she said. For additional information on sponsorships, please contact her by email at lesley.amos@comcast.net or by phone at 317-606-6221.

Four plus Six equals Ten

By JANET HART LEONARD

Emily asked almost four year old

Leah who is her favorite teacher. She expected her answer to be one of the teachers at her Kiddie Academy Preschool. Her answer...Grand Chuck! She said she knew that he used to be a favorite.

Leah was just shy of two years old when Grand Chuck came into her life. Aiden was three years old. They will never remember a time when Grand Chuck wasn't a part of their lives.

And what about the older four? Matt was sixteen. Alecks was thirteen. Abby was ten and Jake was eight. They see him as very much a part of their lives. He's been known to show up at their ball games when I've had to work. He has taught Matt how to golf and loves that he now has a passion for the game. Grand Chuck has chauffeured them to various places. He's always asking them "how's school?" Then he asks specific questions. He talks math and college choices with Aleksa, soccer with Abby.

Naloxone (Narcan™) is an opiate antidote which reverses an opioid overdose in much the same manner as an EpiPen (epinephrine injection) reverses an allergic reaction. Opioids include heroin, fentanyl, and prescription pain pills like OxyContin, Percocet, Methadone and Vicodin.

Questions and requests for information should be directed to the Hamilton County Health Department.

Indiana Members Credit Union (IMCU) recently presented a check for \$2,841 to Westfield High School as part of an ongoing school spirit debit card program. The partnership allows Westfield fans the opportunity to show their school spirit and support the athletic program by signing up for a Rocks themed debit card. Every time the card is used Westfield athletics benefits. The more cards that are in use, the larger the

contribution. Since beginning the program in 2013, Westfield High School has earned \$6,316 through this IMCU giveback program.

Gina Terril, Senior Business Development Officer, IMCU, presented the check to Bill Davis, Athletic Director, Westfield High School, at a recent football game.

The card is available for issue to members at the IMCU Westfield Branch,

4005 Westfield Road, as well as IMCU's other 24 Central Indiana locations. The IMCU Westfield Rocks debit card is free to members with IMCU's free checking account and can be issued immediately through IMCU's Instant Issue program, which allows members to receive their debit card on the spot. Help support Westfield High School and visit the IMCU Westfield Branch or imcu.com for details.

and football with Jake. Why? Because he cares.

A few times I've seen my husband carrying on a conversation via text messaging. He will then give me a bit of news that Matt told him. I smile and say, "well I think you are quite special to him, Grand Chuck". He says, "maybe so"...and then he smiles.

I checked on seventeen year old Natalie this past week when she had her wisdom teeth removed. She really suffered with puffy cheeks and pain. In one of her texts she said "Thank you, Love you!" It made my day to read such a sweet text. I hope to someday see her perform on Broadway. She dances with so much grace and passion. Yes, I'm a bit proud.

Emma and Will come over and hang out with me even when Chuck isn't at the house in Tampa. Emma even asked me to show her how to make meringue for a chocolate pie. She accomplished the curls and peaks. I know Will's favorite place is Disney World. His favorite food? Mac and Cheese.

Jesse is the oldest grandchild. At twenty-two, he is living the sweet life in New York. When we visited him in March he was excited for us to meet his girlfriend and we were excited to meet her. I hope she liked us because we sure liked her.

You see Chuck and I know that 4+6=10. WE have ten grandchildren.

As I am writing my column we are in Tampa for a ten day visit. Natalie requested my green beans for her birthday dinner. Her Dad, Scott, said, "Jan, you have only been part of this family a short time and your recipes are already a legend in OUR family." I think my heart did somersaults as I passed the mashed potatoes and meatloaf.

And so our families continue to blend. It's about soccer, football, college visits, green beans, meringue, Disney, dancing, golf, the cello, music production and all the things that make up the world of the TEN grandchildren we call OURS.

Yes, Four plus Six does equal Ten. Blend well and mix with love.

Carmel Link 2.0 project updates

Here are updates on Carmel road projects. For complete details, go to www.CarmelLink.com

NEW PROJECTS

West Carmel Drive Path Project Construction underway in October

A small portion of path is being added to benefit Carmel's active transportation plan. The path will link existing paths along the north edge of West Carmel Drive from a location near Runyon Equipment Rental to about North Clark Street. This portion of the city's path project is expected to conclude mid-December. One west bound traffic lane will remain closed for construction safety during the duration of this project.

116th Street and Hazel Dell Parkway Preliminary work on 2017 project

Trees have been removed and utilities are being relocated out of the impacted zone of construction for this future new roundabout. This preliminary work should not interfere with connectivity for the time the utilities are being relocated. Exact date of round about construction still to be determined but will take place in 2017.

UPDATES ON EXISTING PROJECTS

126th Street Improvements Construction underway

Road improvements are underway, including multiuse paths, and storm water management along 126th Street between Range Line Road and Keystone Parkway. Westbound traffic will be maintained for the duration of the project. For some of the winter months, eastbound connectivity will be re-established until spring construction resumes. Utilities continue to be relocated and work on eight-foot multiuse paths and infrastructure will transform this into a two-lane boulevard section of 126th Street. A roundabout will be installed at Kinzer Avenue, shifted to the south from the center line. This roundabout will have a stub street heading south for anticipated future connection to Carmel Drive. The 126th Street project is anticipated to last until summer of 2017.

UPDATED Carmel Drive and Range Line Road Construction underway

Construction continues and is on track for this new roundabout, curbs and sidewalks. The intersection is expected to be completed on or before Nov. 18. Despite the closure, access to local businesses in the area has remained open throughout the duration of the project.

UPDATED 116th Street & Gray Road Construction underway

Construction continues and is on track for completion on or near Nov. 18. Due to the climate, landscaping on this project will begin in the spring of 2017 with completion no later than July 1, 2017.

UPDATED City Center Drive and Pennsylvania Street Construction underway

Work began on this intersection Oct. 10 and the new roundabout is expected to be completed before Thanksgiving. The existing T-intersection will be fully reconstructed to a multi-lane roundabout. The reconstruction will include new full-depth pavement, curb and gutter, an enclosed storm water system, shared-use path and sidewalk with new curb ramps. The private drive for the hotel, on the west side of the roundabout, will be reconstructed. Along with the drive reconstruction, a portion of the hotel parking lot will be reconfigured to operate effectively with the new roundabout. Access to the businesses within the project limits will be maintained at all times. Access to the Hotels will be main-

tained from both the north (through a temporary drive), and from the existing drive to the south.

UPDATED Carey Road and 136th Street Construction underway

Work has begun on this new single lane roundabout and is on track for the expected completion before Thanksgiving.

UPDATED Spring Mill Road Improvements Construction underway

Construction has begun on Spring Mill Road from Main Street to Williams Creek, south of Dorset Road. This will be a full closure until mid-December, weather permitting.

UPDATED Carey Road and Hawthorne Drive Construction underway

Work on this intersection began Sept. 26 for the construction of a new single lane roundabout. Work is on track for completion on or before Nov. 18.

UPDATED Emerson Road storm water improvement Construction continues

Storm water improvements continue to be made in the Emerson Road area. The storm sewer installation will continue along the southern portion of Emerson as well as 350 feet of York Drive from Emerson, and the length of Park Lane. Local traffic will be maintained. Weather permitting, this project should be completed by Thanksgiving.

Two county churches to collect gifts for Operation Christmas Child

Several local locations will serve as collection sites this year for the Samaritan’s Purse project Operation Christmas Child—the world’s largest Christmas project of its kind.

During National Collection Week, Nov. 14 – 21, Noblesville residents will donate shoeboxes—filled with school supplies, hygiene items, notes of encouragement and fun toys, such as a doll or soccer ball—for Operation Christmas Child to deliver to children in need around the world. This year, Noblesville and surrounding cities residents hope to contribute more than 44,000 shoebox gifts toward the 2016 global goal of reaching 12 million children.

“The shoebox gifts donated by Noblesville volunteers at these drop-off locations will shine a light of hope to children living in poverty overseas,” said volunteer Amber Best. “Anyone is welcome to pack a shoebox and help a child facing difficult circumstances to feel loved and not forgotten.”

There are two local collection sites, at which the community can donate items at the following times:

Christ’s Community Church 13097 Allisonville Road, Fishers

Mon, Nov. 14: 4 p.m. - 6:30 p.m.

Sun, Nov. 20: 12:30 p.m. - 3 p.m.
Mon, Nov. 21: 10 a.m. - 1:30 p.m.

For more information on how to participate in Operation Christmas Child, call (937) 374-0761 or visit samaritanspurse.org/occ. By going online to give the suggested donation of \$7 per shoebox gift, participants can follow their box to discover where in the world it will be delivered. They can also pack a shoebox gift online and even upload a photo and note of encouragement.

Operation Christmas Child is a project of Samaritan’s Purse, an international Christian relief and evangelism organization headed by Franklin Graham. The mission of Operation Christmas Child is to demonstrate God’s love in a tangible way to children in need around the world, and together with the local church worldwide, to share the Good News of Jesus Christ. Since 1993, Operation Christmas Child has collected and delivered more than 135 million gift-filled shoeboxes to children in more than 150 countries and territories. For many of these children, the gift-filled shoebox is the first gift they have ever received.

Kroger “Share Your Feast” is underway

“Share Your Feast,” the largest annual food drive for the Central Division of the Kroger Company, is underway. The division is nationally recognized for helping feed the hungry in each community served by Kroger. Each of the division’s 136 stores – Kroger, Pay Less and Owen’s – participate in the drive.

Shoppers are invited to purchase pre-bagged food, donate non-perishable items or make cash donations at any Kroger check lane. Together, the contributions will provide meals for the hungry across the division. In 2015, Kroger shoppers contributed a total of \$280,690. Those donations became 842,070 meals.

Kroger makes it easy for customers to support the “Share Your Feast” campaign.

Each store creates collection bins for the pre-bagged foods. The bags are available in \$3, \$5, and \$10 sizes. Since the stores choose to serve a regional food bank or local food pantry, every donation stays in the community where it is received.

Kroger Central Division President Katie Wolfram said, “Kroger is dedicated to providing a better quality of life in the communities we serve. For us, no cause is more important than hunger relief. Hunger is all around us. Often closer than we realize. So, our support of “Share Your Feast” is truly heart-warming. The generosity of our customers and our associates will ensure more of our neighbors have hot meals through the holidays and beyond.”

I-69 lane closures next week for 106th Street bridge construction

Walsh Construction Company plans to temporarily close up to three lanes of Interstate 69 for overnight work next week at the 106th Street interchange (Exit 204) bridges being built in Fishers. Closures are scheduled to begin at 10 p.m. on the dates below and end before 6 a.m. the next day.

Monday, Nov. 7 - Up to three lanes of northbound and southbound I-69 will be closed near mile 204, and up to two lanes of

the northbound Exit 205 ramp to 116th Street and State Road 37 will be closed.

Tuesday, Nov. 8 - Up to three lanes of northbound and southbound I-69 will be closed near mile 204. One right lane of southbound I-69 will be closed near Exit 205 for overhead sign installation.

Wednesday, Nov. 9 - Up to three lanes of northbound and southbound I-69 will be closed near mile 204.

Thursday, Nov. 10 - Up to three lanes of northbound and southbound I-69 will be closed near mile 204.

Work is dependent on favorable weather, and construction schedules are subject to change.

Crews will be installing overhead signs, painting bridge beams and sealing bridge decks. Specific closure schedules will be announced as work progresses.

Motorists are reminded that the speed limit near the construction zone is reduced to 55 mph and may be reduced to 45 mph during overnight working hours. Motorists are advised to pay attention to work zone warning signs, follow posted speed limits, avoid distractions, and drive sensibly near construction zones. For more information about safe driving in highway construction zones, go to the following website: <http://www.in.gov/indot/2356.htm>.

With a 15-0 fourth-quarter run...

Huskies get Cherry's first victory

By **RICHIE HALL**
Reporter Sports Editor

It may have been a little more stressful than he wanted it to be, but Keegan Cherry will probably always remember how he won his first game as the Hamilton Heights girls basketball coach.

The Huskies trailed for most of their Saturday contest with Danville at the Husky Dome, but caught fire in the fourth quarter. Trailing 35-26 early in the period, Heights rolled through a run of 15 unanswered points, giving the Huskies a 41-35 lead.

Heights eventually won 45-41, thanks to some clutch foul shooting by the Huskies in the game's final minute.

"That's what we're going to have to do," said Cherry. "Our margin for error is slim. So anytime we get a chance to get some free ones at the foul line, we're going to have to convert."

Heights began its surge when Lauryn Wiley hit a jump shot, then Ana Collar scored two consecutive baskets, the first one off a rebound by Kayla Kirtley. That made the score 35-32, and Kirtley soon tied it up by hitting a 3-pointer.

In the meantime, Heights was playing solid defense. For example, when the Warriors were trying to inbound the ball, Ashton Runner deflected the inbound right into the hands of Sydney Griffey, and the Huskies were off and running.

"Those are situations that we work on every day in practice," said Cherry. "We pride ourselves in being the tougher and smarter team for 32 minutes."

Collar made a layin to get the Huskies ahead 37-35, after which Danville called timeout with 2:45 left. Kirtley added to the lead with another layin, and after getting the ball back the Huskies drained the clock down to 1:12 before calling a timeout.

Heights ran off another 30 seconds, although the clock was stopped a few times as the Warriors began fouling. Bayleigh Runner was sent to the free-throw line with 41.6 seconds left after Danville collected its seventh team foul, putting the Huskies in a 1-and-1 situation. Bayleigh made both her free throws, and the 15-0 run was complete.

Danville stayed in the game by making two clutch shots of their own: Lexi Ruggles drained a pair of 3-pointers. But after each shot, Heights' Kayla Kirtley answered with two free throws, again in 1-and-1 situations.

Cherry told the girls after the game that he couldn't be more proud of them.

"Everybody that played in that game had a significant role," said Cherry. "Without one or the other, the outcome of that ball game's probably different."

Prior to the fourth quarter, the Huskies held the lead two other times: At the beginning of the game, when Collar scored the first basket, and early in the third period, when Kirtley's 3-pointer got Heights ahead

Hamilton Heights' Kayla Kirtley, shown here during the Huskies' earlier game with Brownsburg, scored 14 points and made four clutch free throws in the final 20.1 seconds to help Heights beat Danville 45-41 on Saturday at the Husky Dome.

22-21. Both times, Danville answered with 7-0 runs, and were able to keep the lead until the Huskies made their move in the fourth quarter.									
Kirtley led Heights with 14 points, while Collar added 10.

Pacers roll to win over Bulls

By WHEAT HOTCHKISS

Courtesy nba.com/pacers

After a 125-107 loss in Milwaukee on Thursday night, Pacers head coach Nate McMillan and the team's veterans talked at length about the team needing to play with more fire, particularly on the defensive end.

They lit a match and it quickly grew into a raging bonfire on Saturday night, as Indiana (3-3) rolled to a 111-94 win over the Chicago Bulls (3-3) at Bankers Life Fieldhouse. The victory avenged a 17-point loss to the Bulls in Chicago just a week earlier.

Defense had been an issue for the Pacers in the early part of the season, but it was anything but at the start of Saturday's game. Though Indiana allowed the Bulls to shoot over 52 percent in a 118-101 loss a week earlier in Chicago, the Blue & Gold stifled their Central Division rivals in the early stages of Saturday's contest, holding Chicago to 6-of-20 shooting (30 percent) and forcing seven turnovers in the first quarter alone.

"We really focused and emphasized having each others' back defensively and playing hard," All-Star forward Paul George said. "I thought we did both of those tonight."

On the other end, the Pacers got it going quickly offensively. Indiana raced out to an

18-6 lead in the opening minutes and finished the opening period shooting 58.3 percent from the field. George led the charge, connecting on all four of his attempts (including a pair of 3-pointers) as Indiana opened up a 31-15 lead.

The Pacers didn't take their foot off the gas in the second quarter. Monta Ellis ignited the offense, repeatedly setting up teammates for open shots or easy buckets at the rim, and Indiana led by as many as 21 points in the first half.

The offense sputtered for a short stretch after halftime, as the home team managed just six points over the first 6:31 of the third quarter. But the Bulls couldn't mount a serious threat, never managing to cut the deficit any lower than 14 points. Indiana closed the period with a 9-2 run, stretching the lead back to 24.

The only question in the fourth quarter was how much the Pacers would win by. C.J. Miles did his part to maintain the cushion, knocking down three 3-pointers in the early minutes of the frame. Jeff Teague added five points in the period and the Pacers' reserves brought the win home as Indiana improved to 3-0 so far this season at Bankers Life Fieldhouse.
