The County Line

Downtown Noblesville getting ready for Christmas lighting program

By FRED SWIFT

Downtown Noblesville is preparing for one of its biggest events of the year: the Christmas lighting program. Decorations are now going up in advance of the November 25 event. The actual ceremony will be held again this year in the atrium of the Government and Judicial Center. There will be carols, storytelling and speakers. Ice sculptures will be found on the Courthouse Square and Santa arrives in town that night to begin meeting youngsters. The Christmas parade follows on Sunday.

When the 11 Indiana members of the Electoral College meet next month, Hamilton County Republican Chairwoman Laura Campbell will be one of those members

voting to officially elect Donald Trump as President. Contrary to popular opinion, Trump was not elected on Nov. 8. Voters simply chose electors who will gather on Dec. 19 to actually elect the president.

I was grateful to the Daughters of the American Revolution for presenting Hamilton County with the portrait of Alexander Hamilton which is now hung in the historic Courthouse. I had suggested to county commissioners several years ago that they have Hamilton's image displayed in a public place. I never cease to be amazed at the number of folks who don't know who the county is named for. Hamilton, sometimes a little overlooked in history, was a truly great participant in our country's founding.

Is there a place in the Trump administration for Carmel Mayor Jim Brainard? Maybe, maybe not, but don't be surprised if something develops. The mayor has gotten good reviews on remaking a relatively average looking commu-

nity into a state-of-the-art "edge city," as he calls it. He has ruffled feathers, but like him or not, he's pushed on with projects that can set an example for other communities. They say he has 'vision.'

The heroin epidemic continues to grow as a major health and social problem in central Indiana. But, few officials want to give specific figures on the number of cases locally. We know that several young men died of heroin overdose last year. Sure would be helpful if police, schools or health agencies would put out some information on what they are doing to combat this problem in Hamilton County, and what success, if any, has been made.

Although there was almost no publicity on it, the Bands of America Grand National Championship was won last weekend by the Carmel HS band. The band has been nationally ranked for years and has won the championship previously.

It's a plan – make it work

By MARY SUE ROWLAND

When all else fails, check the Plan.

All cities in Hamilton County have a Master Plan to help guide the City Officials all kinds of decisions as they work at making their community the best. Between Noblesville, Westfield and Carmel, the big three, the cities are loaded with recognitions from all sources. Well deserved, and intended to show that lots of people are watching their progress and measuring their results. It has been said many times that Carmel has gone beyond most people's dream of building a city that works for its citizens. Whether it is roads, the arts district, diverse housing, shopping, schools, golf and city wide beautification, it is all hard to beat. An NFL team might be nice but unlikely. In 1924, Carmel installed one of the first traffic signal in the United States and it has been first and fast ever since. The cost of living in Carmel is 14.6% higher than Westfield. Keep in mind that Carmel was Voted number one "Best Places to live in America" by Money Magazine. To be the best does have a price. With the highest population in the county at 85,000 plus the word seems to be out.

Did you know in Noblesville the average age is 33 years old? The average home costs \$170,000 and the population is 59,000 plus with Westfield coming in at 30,000 plus making Noblesville and Westfield behind Carmel and Fishers.

# Miller Ambassadors visit Noblesville High School

Noblesville Schools' 2016-2017 Miller Ambassadors class visited Noblesville High School today to see how Noblesville students are exploring their learning passions through hundreds of cocurricular and extracurricular elective options.

Participants heard from Heidi Karst, principal of Stony Creek Elementary, Ryan Rich, principal of East Middle School, Stacey Swan, principal of West Middle School, Jeff Bryant, principal of Noblesville High School and Jeff Bragg, district director of operations.

The highlight of the session included a tour of the high school with a focus on options for students. The Ambassadors visited the band, choir, strength and conditioning, culinary arts and hands-on STEM Project Lead the Way classes to see just a few examples of choices for students. The advanced culinary arts class also served breakfast to visitors.

The group took away some key facts including:

- Middle school elective opportunities have doubled in just the last 5 years
- Noblesville is one of the only districts in the state with Project Lead the Way hands-on STEM curriculum offered in all grades K-12
- Noblesville elementary schools have up to 16 clubs at each school spanning 29 different categories including yoga and robotics
- NHS has 13 bands, 9 choirs, 25 athletic teams and over 40 clubs
- Noblesville has the largest high school strength and conditioning program in the nation with almost 700 students participating
- The NHS Family and Consumer Sciences department has doubled in the last 4 years due to increased student

interest in culinary arts and fashion/textiles

The Miller Ambassadors program is an engaging, year-long learning experience for select Noblesville community leaders and school district parents to enjoy a deeper understanding of Noblesville Schools. Program participants are exposed to all facets of running a district, including business management, academic programs, student services, operations and more.

- Class members have the opportunity to:
- Gain first-hand knowledge regarding the functioning of Noblesville Schools
- Experience the engaging learning style we use with students
- Participate in an extended dialogue with leadership on education issues
- Develop an understanding of how Noblesville Schools has created a unique culture of educational excellence that is studied by other high-performing school districts

Ambassador graduates are partners in sharing Noblesville Schools' vision throughout the community and will be invited to continue to engage with the district through future project team and input gathering opportunities.

ROWLAND

From Page 1

Most everyone remembers when Fishers, Carmel and Westfield had maybe 3,000 people each and Noblesville was the center of the county with all of the important business and commerce with over 5,000 citizens.

Times have certainly changed since the early 50's in each of our Hamilton County Towns. Not to forget the towns to the north where the pioneers settled and started working toward the future of the county. What has made these cities and towns great? Planning and getting it right. You be the judge.

# INDOT is ready for winter. Are you?

As part of Winter Weather Preparedness Week this Nov. 13 through 19, the Indiana Department of Transportation on Monday [detailed its preparations for the upcoming winter season](#). INDOT today encourages the motoring public to prepare themselves for safe winter travel.

**Prepare Your Vehicle**

The time to get your car ready for winter is before the snow starts flying! Use this handy checklist to make sure you check out all the important parts!

- Check and add anti-freeze
- Top out window washer fluid
- Replace worn wiper blades
- Check tire tread & air pressure
- Test anti-lock brakes
- Check battery & make sure terminals are free of corrosion
- Check exhaust system, heater & defroster
- Change oil at 3,000-5,000 miles

**Prepare For Emergencies**

Assemble an Emergency Kit as a precaution against breakdowns and slide-offs. Always keep these things handy in your vehicle:

- First aid kit
- Blankets and extra warm clothing
- High-calorie food and water
- Crucial medications
- Cell phone charger
- Road salt, sand or kitty litter for tire traction
- Small shovel or ice scraper
- Jumper cables
- Flashlight with extra batteries
- Matches, candle and small can for drinking melted snow

In addition, keep your cell phone charged and with you and the vehicle with at least a half tank of gas.

**Personalized traffic alerts**

When yellow plow trucks are deployed, INDOT winter operations staff will again update the TrafficWise traveler information service with road conditions for interstates, U.S. highways and state roads. For road conditions, crashes and construction information, dial 1-800-261-ROAD (7623) or 511 from a mobile phone.

New for this winter, INDOT’s

TrafficWise website now includes a “Personalize your 511” feature. Users can sign up for email or text-message alerts for specific routes, such as commutes to and from work, or larger areas drawn on the map. Visit the following website, <http://indot.carsprogram.org/#favorites> and create a free account.

INDOT reminds motorists it is illegal to type, transmit, or read e-mail or text messages on a communication device while driving in Indiana.

**Avoid mailbox damage**

While weather still allows, homes and businesses are reminded to prepare roadside mailboxes now ahead of snow plowing. INDOT snowfighters are careful to avoid mailboxes, but despite their best efforts, the weight of snow rolling off the plow sometimes damages mailboxes with weak supports. INDOT offers property owners these tips to help reduce the risk of mailbox damage:

- Avoid plastic mailboxes, which may shatter in cold weather.
- Install mailboxes as far from the edge of the road as the carrier can reach from a vehicle.
- Inspect existing mailboxes and replace deteriorated posts, mountings or footers.
- Place reflective tape to help snowfighters see the mailbox at night.

INDOT is not able to repair damaged mailboxes. Property owners that follow the tips above and still suffer mailbox damage should change locations or install a snow shield or wooden protectors available through local hardware stores.

**Frost on bridges**

With overnight temperatures dipping, the risks increase for frost and freezing fog on bridges. Bridge decks are cooled by air above and beneath and are the first to freeze.

To prevent icy bridges, INDOT’s yellow trucks spray bridge decks with a brine solution of 23 percent salt and 77 percent water. In some locations the brine is made by recycling water used to wash INDOT trucks.

When air temperatures approach or dip below 32 degrees, INDOT advises drivers to reduce speeds and minimize lane changes while crossing bridges.

## Riverview Health to host open house for new weight loss program

Riverview Health is hosting an open house to educate the public about a new weight loss program called Body Knowledge. The open house will be at its Rehab & Fitness facility in Noblesville from 4 to 6:30 p.m. on Tuesday, Dec. 13.

The innovative Body Knowledge program features the BOD POD, which provides precise body composition measurements including body fat percentage and fat-free mass. After receiving a BOD POD measurement, participants can enroll in one of four Body Knowledge programs in which a registered dietitian helps incorporate BOD POD results into setting and achieving personalized goals. Programs range from four weeks to six months in length.

The Body Knowledge Open House is free and open to the public. It’ll be held at Riverview Health Rehab & Fitness at 601 Westfield Road, Noblesville. Attendees will be entered into a drawing to win a free BOD POD initial assessment. Call 317.776.7225 or visit [riverview.org/classes](http://riverview.org/classes) for more information.

# Carmel City Center hosts Winter Wonderland Saturday

Carmel City Center will be transformed into a "Winter Wonderland" by the Carmel High School Art Club on Saturday, Nov. 19. The painting will take place from 9:30 a.m. to 11:30 a.m. Students from the CHS Art Club will paint the windows of participating businesses at Carmel City Center in festive winter themes for all to enjoy during the holiday season. This project was coordinated by the CHS Art Club teacher sponsor Jen Bubp.

Visit Carmel City Center the following Monday, Nov. 21, as we kick off the Shop & Dine Local Passport Event and support small businesses this holiday season. For seven days, visitors can shop, dine and save at participating businesses Nov. 21-27 with the passport book. The Shop & Dine Local Passport Book is full of special offers and promotions from women's and men's fashion, home, gifts, kids wear, unique dining and dessert options, spa, hair, wellness services and more. Three lucky winners will be chosen to win a \$50 gift certificate to a Carmel City Center business after visiting four shops. Simply visit a shop, get a sticker in your passport and turn in the completed passport book to Hubbard & Cravens or Endeavor Boutique by Sunday, Nov. 27. No purchase necessary.

This promotional event also falls during the national initiative to "Shop Small" during Small Business Saturday on Saturday, Nov. 26. As a development focused on locally owned small businesses, visitors can show their support in a big way at Carmel City Center. "Small Business Saturday" was founded by American Express in 2010 to help small businesses get more exposure during one of the biggest shopping weekends of the year. Since its inception, Small Business Saturday has helped many independent small businesses raise awareness for shopping locally.

Pick up a Shop & Dine Local Passport at Hubbard & Cravens, located at 703 Veterans Way, or Endeavor Boutique, located in the Nash building at 846 S. Rangeline Road in Carmel. Click [here](#) to view and download the passport.

Participating businesses include: 14 Districts Weekend, Addendum, Bath Junkie, beauty+grace, The Bike Line, blue bar, Carmel Tailoring, divvy, Endeavor Boutique, Fishman Fine Jewelers, House of Z, Hubbard & Cravens, InCycle, J.Benzal Menswear, Matt the Miller's Tavern, Megan Danielle Skincare, Pure Concepts Salon, United Fidelity Bank and The Yoga Studio.

Football semi-state...

# Westfield hosts Snider for 5A state berth

By **RICHIE HALL**  
Reporter Sports Editor

In order to get to the Class 5A football state finals, Westfield will have to beat the defending champion tonight.

The Shamrocks host Fort Wayne Snider, which comes down to Riverview Health Stadium for what should be an epic IHSAA north semi-state clash. Kickoff is 7:30 p.m. to accommodate the travel time from Fort Wayne.

Snider is on an 18-game win streak. The Panthers' last defeat was on Oct. 9, 2015 when they fell to Bishop Dwenger 20-17 in Week 8 of the regular season. Snider then blasted Fort Wayne South in the regular-season finale, cruised its way to the 5A championship, and won a firefight with New Palestine, 64-61 to claim the state trophy.

This season, the Panthers are 12-0. Playing an all-Summit Conference regular season, Snider won all of those games, and has easily taken all three of its post-season contests. The Panthers beat Concord 56-3 and Goshen 56-16 to win the sectional, and Mishawaka 31-7 for the regional.

"Snider is just like us only bigger and faster," said Westfield coach Jake Gilbert. "They are a running team with two good backs and a huge offensive line."

Gilbert noted that the Panthers have a "superstar" wide receiver who has committed to Penn State. That receiver is Mac Hippenhammer, who easily leads Snider in receptions with 44. He has compiled 608 yards for the season and has scored seven touchdowns.

The Panthers' main quarterback is junior Michael Hauptert. He is passing over 60 percent, with 88 completions in 145 attempts for 1206 yards and 16 touchdowns. Senior Money Woods is Snider's leading rusher, with 1188 yards in 169 carries, including 15 touchdowns. Junior Christian Covington has found the end zone 14 times, with 985 yards in 123 carries.

Defensively, junior Austin France leads the Panthers in tackling with 85 total, including 50 solo. Snider's kicker, senior Paul Buisman, has 13 field goals and 103 total points; Gilbert calls him "outstanding."

"They give up less than two touchdowns per game defensively," said Gilbert. "They are really big right up the middle and fast on the perimeter of the defense. They run a 4-2-5 like us. Coach (Kurt) Tippman does a great job."

This will be the third time in the last four years that Snider and Westfield have met in the regional round. The Panthers won the 2014 battle 32-24, with the

Shamrocks winning 36-7 in 2013.

"We have split with Snider the two times we played them," said Gilbert. "I would expect some great football from two teams that really know how to win. Once you get this far everyone is playing at a very high level. We will need our senior class to come through and will have to make the plays that are there to be made as opposed to hurting ourselves. Snider thrives on others' mistakes and are a big play waiting to happen. We can't give them that kind of momentum without making them earn it."

The Shamrocks are 10-2 for the season, with only two one-point losses separating them from a perfect record. Westfield has had a similarly stress-free path through the post-season, beating Lafayette Jeff 38-14 and McCutcheon 34-7 in the sectional, and Kokomo 45-7 in the regional.

The Shamrocks' senior quarterback Andrew Sweet is 85-of-158 passing, with 1241 yards and 12 touchdowns to his credit. Senior Evan Manley is his top receiver, with 27 catches for 587 yards, including nine touchdowns.

Westfield's leading rusher is junior Nate Froelich, who has gained 1087 yards and 15 touchdowns in 193 carries. Senior Johnny Swidan has 743 yards and 10 touchdowns in 147 carries.

Senior Hank Grenda leads Westfield's defense, with 94 total tackles. He has 24 solo and 70 assists. Senior Chris Zolto has the most solo tackles with 26. Senior Byron Hubbard has by far the most sacks, with seven. Senior Will Harrison has kicked 11 field goals.

*Sanqunetti sets two school records...*

## Heights girls swimmers get season’s first dual win

The Hamilton Heights girls swim team won its first meet of the year Thursday, beating Lebanon 95-50.

The Huskies (1-1) only had eight swimmers on their team (against 16 swimmers for Lebanon), but got the win thanks to several first places. Lauren Sears and Rachel Sanqunetti each won two individual races, while Claire Sloderbeck and Tiffany Williams both had a first-place finish as well.

All three Heights relays took first place; swimming on the relays were Sanqunetti, Sloderbeck, Sears, Williams, Ryleigh Poe, Madi Hasler and Gen Trese. Sanqunetti swam on the medley and 400 freestyle relay; she also won the individual medley and butterfly events, breaking the school record in both.

Trese, Poe, Sloderbeck and Williams all had second-place finishes in their individual swims.

## Four county wrestlers are state-ranked

With wrestling about to get underway, four Hamilton County athletes are already getting some attention, as they all have spots on the MyHouse Individual Rankings, as shown on IndianaMat.com.

Hamilton Heights senior Clayton Cowan is rated fourth at 145 pounds. Cowan qualified for the IHSAA state meet last season, and also won that weight class at the Elwood sectional. Cowan was second at the Pendleton Heights regional, then placed fourth at the New Castle semi-state to make it to the big meet.

Carmel junior Jack Eiteljorge comes into the season ranked 11th at 152 pounds. Eiteljorge won the 145-pound sectional championship at Frankfort, then triumphed at the North Montgomery regional.

Two county wrestlers are ranked at 285 pounds. Carmel junior Jack Williams is rated 13th; he won the Frankfort sectional at heavyweight last year, then finished third at the regional. Westfield senior Austin Dollens is ranked 15th; he placed third at the Frankfort sectional, but then won the North Montgomery regional and placed fourth at the New Castle semi-state to qualify for state.

## Carmel takes on Penn in semi-state

Carmel will get a semi-state re-match with Penn tonight, when the Kingsmen travel down to Carmel Stadium for the Class 6A north semi-state.

The kickoff is scheduled for 7:30 p.m. Penn is undefeated at 12-0, including a perfect 5-0 in the north division of the Northern Indiana Conference. In the tournament, the Kingsmen won the sectional by beating Valparaiso 35-7 and La Porte 42-21, and the regional over Crown Point 23-0.

The Greyhounds are 8-4, but have won their last four games. After a victory over Lawrence Central in the last week of the regular season, Carmel won a tough

sectional over Hamilton Southeastern 17-14 and Fishers 23-10, and cruised past Homestead 42-7 in the regional.

Greyhounds quarterback Jake McDonald is 155-of-233 through the air, meaning he has completed 66.5 percent of his passes. McDonald has compiled 2018 yards and 29 touchdowns. Jalen Walker has the most catches with 61, for 760 yards and 14 touchdowns. Ethan Merriweather has 36 catches for 654 yards and 10 touchdowns, while Kurt Rafdal has 33 receptions, totaling 366 yards and a touchdown.

Jerome Halsell is Carmel's leading rusher, with 913 yards and seven touchdowns in 171 carries.

## Harlem Globetrotters coming to Indianapolis Jan. 14

As the Harlem Globetrotters prepare to bring their 2017 World Tour to Bankers Life Fieldhouse in Indianapolis at noon on Saturday, Jan. 14, the iconic team took a timeout for Guinness World Records Day. Only one year after setting seven official Guinness World Records titles, the Globetrotters broke a single-day total of nine records this year, including the longest basketball hook-shot.

Tickets to the see the Globetrotters in Indianapolis start at \$26.00 and are officially on sale now at [harlemglobetrotters.com](http://harlemglobetrotters.com), the Bankers Life Fieldhouse Box Office, [BankersLifeFieldhouse.com](http://BankersLifeFieldhouse.com), all Ticketmaster outlets or by phone at (800) 745-3000.

The records were broken at the AT&T Center, home of the San Antonio Spurs, during the 12th annual Guinness World Records Day, a global celebration of record breaking launched to celebrate the day the Guinness World Records book sold its 100 millionth copy. Since 2000, the Globetrotters now own 15 current Guinness World Records.

"We are the original trick shot artists, so it is great to reclaim our records and reestablish our dominance," said Harlem Globetrotters star Big Easy Lofton. "We

have been training hard so to have a day where we push the limits and try some fun yet challenging shots, is pretty cool. I mean, how many people can say they're a Guinness World Records title holder? We can't wait to put smiles on people's faces as we demonstrate our skills and talents on the upcoming world tour."

Among the nine Guinness World Records titles which were set by the Globetrotters, four of them reclaimed records that were originally held by the team and then broken by Dude Perfect. The Globetrotters reclaimed the records of longest basketball hook shot, longest basketball shot blindfolded, most basketball 3-pointers made by a pair in one minute, and longest blindfolded basketball hook shot.

Here's a full look at the records set by the Globetrotters:

- Longest basketball hook shot – Big Easy Lofton (72 feet, 6.25 inches)
- Longest basketball shot blindfolded – Ant Atkinson (73 feet, 10 inches)
- Most basketball 3-pointers in one minute (single ball) – Ant Atkinson and Cheese Chisholm (10 each)
- Farthest basketball shot made while sitting on the court – Thunder Law (58 feet, 9.25 inches)

- Most bounced basketball 3-pointers in one minute – Zeus McClurkin (5)
- Most basketball 3-pointers made by a pair in one minute – Ant Atkinson and Cheese Chisholm (22 each)
- Farthest basketball shot under-one-leg – Thunder Law (52 feet, 5.5 inches)
- Longest blindfolded basketball hook shot – Big Easy Lofton (58 feet, 2.5 inches)
- Most basketball slam dunks in one minute (individual) – Zeus McClurkin (16)

The Globetrotters will tip off their 2017 World Tour on Dec. 26 and will play in over 250 North American markets as well as 30 countries worldwide. Tickets are now available at [harlemglobetrotters.com](http://harlemglobetrotters.com).

#### About The Owner Rorie Anderson

I've owned the store since 2008, but the store has been around for 25-30 years. We've become known as a place to buy a unique gift for just about anyone in any price range. We offer clothing as well as gifts and home decor. Many of our customers appreciate the fact that we offer complimentary gift wrapping!

I had never worked in retail before. In fact, I had not worked full time since 1987 when I became a mom. As I looked to redecorate my master bedroom in order to sell my house, I came to Linden Tree to look for inspiration. The store had recently become available to purchase. Rather than buy a picture for my bedroom, I called my husband to come look at the store. We decided to buy the store and hold off on the selling of our home!

I love what I do. Everytime I think I've figured something out, times change and we must evolve some more. Our tag line now is "colorful living & giving." We try to be a "happy" place with our merchandise, color, music, and personalities.
