Riverview Health Foundation has successful fundraising year

Riverview Health Foundation and its Board of Directors recently presented Riverview Health with a check for \$520,000 to support the purchase of a new large-bore MRI machine, Infusion Center expansion and renovation, and several other projects. Since Riverview Health Foundation was founded, the total amount of gifts exceeds \$12,500,000.

“2016 has been a wonderful year of celebrating the 40th anniversary of Riverview Health Foundation. In addition to raising funds from our generous donors, we held several events throughout the year, including our Women of Vision luncheon, Heartfelt Thanks Golf Outing and the Fire & Ice Gala in September that helped us surpass \$500,000 in our gift to Riverview Health,” said Megan Wiles, Riverview Health Foundation executive director. “We’re so grateful for our community members and generous donors who have helped improve local healthcare services at Riverview Health for the past 40 years.”

Members of the community also joined in on the celebration by making a gift of \$40 (or in increments of \$40) to Riverview Health Foundation throughout the year. To make a gift, visit riverview.org/donate.

Noblesville trash and Christmas tree pick up schedule not affected by holidays

Because of the upcoming holidays landing on the weekend, there will be no delays during this year’s holiday season. Republic Services will work Monday through Friday with their regular trash and recycling pick up schedule the weeks after Christmas and New Year’s.

In addition, Republic Services will collect Christmas trees from Monday, Dec. 26 until Friday, Jan. 13, 2017. Please note that trees *must* be cut into sections of no more than four feet per section and placed inside the trash cart so that the automated arm of the trucks will be able to place them in the truck. Trees will be collected on the same day and in the same location as residents’ trash/recycle collection.

For questions, contact Republic Services at (317) 917-7300.

Second year in a row...

NHS named to AP Honor Roll

Noblesville Schools announced today that Noblesville High School (NHS) has been named to the national College Board Advanced Placement (AP) Honor Roll for the second year in a row. They are one of only ten schools in the state to receive the honor.

The honor roll recognizes schools that have increased student participation in AP coursework while improving high AP exam performance levels, a challenging combination to attain. The ranking is based on 2014-2016 NHS data.

NHS has seen an impressive rise in their AP statistics, almost tripling their number of student AP Scholars over the last four years while administering approximately 300 more AP exams in 2016 than they did in 2014.

The College Board is a not-for-profit organization that promotes college readiness through the SAT and Advanced Placement Program.

Noblesville High School was named to the national College Board Advanced Placement Honor Roll for the second year in a row.

Red Cross encourages adding ‘give blood’ to holiday checklist

As freezing temperatures and harsh weather grip much of the nation, the American Red Cross urges eligible donors to make an appointment to give blood or platelets to help meet the constant need for blood this winter.

Millions of people are expected to take to the roads, rail and air to celebrate the season, which can cause fewer donors to be available and lead to a decline in blood and platelet donations. In addition, severe winter weather and seasonal illnesses can temporarily prevent some from giving.

Donors with all blood types are needed now to help patients.

As a special thank you for taking the time to donate, those who come out to give Dec. 22 through Jan. 8 will receive a long-sleeved Red Cross T-shirt, while supplies last.

“Many of us celebrate this time of year with loved ones, but patients may spend the holidays and ring in the new year from a hospital room,” said Rodney Wilson, communications manager for the Red Cross.

Letter to the Editor

Noblesville Main Street is crucial to a viable downtown

Dear Editor,

I would like to call attention to a very important organization and how residents of Noblesville can become more active in preserving a precious jewel in our county. One of the ways that a jewel becomes more precious and more sought after occurs when there are few to be found. This is the case with our beautiful and exceptional downtown Noblesville.

As a lifelong resident I spent many early years riding my bike to friends' homes in Noblesville (much less traffic in those days!) shopping with my mother at J. C. Penneys, Willits, Mister Ed's, and even the Craycraft's Department Store downtown and I treasure those memories. I loved going to the Western Auto Store and the bank with my Dad on Saturday mornings, meeting friends as a teenager at Weldy's Drug Store, shopping for shoes at Armstrong's and just enjoying living in a small town "where everybody knows your name" and (perhaps foolishly) few people locked their doors. As the retired president/CEO of the Noblesville Chamber of Commerce – another organization which works tirelessly on behalf of businesses in Noblesville – I know how important economic viability is to our downtown Square and that it takes an interest, an investment, and participation by us all to make keep Noblesville special and unique.

Time marches on, but the efforts of local organizations like Noblesville Main Street – and others – have been crucial to the commitment of a viable, fun, and safe downtown for residents and visitors alike. As I am completing a term on the board of directors of Noblesville Main Street, I would like to take an opportunity as the organization wraps up their "Community Cares" campaign, to ask that you consider donating to this important effort to keep our Noblesville downtown the crown jewel of Hamilton County. Noblesville Main Street, led by executive director Chris Owens and assisted by the board of directors, staff and volunteers, has been essential in preserving and promoting our downtown area. In particular, Mr. Owens in my opinion is one of the most dedicated leaders in the non-profit organization industry that I have witnessed in my 30-year career in nonprofit management. Kudos to him and all those who work to make Noblesville a very special place. Please support their efforts and find out more about Noblesville Main Street and how you can help at www.noblesvillemainstreet.org.

RED CROSS

From Page 1

Indiana-Ohio Blood Services Region. "Blood and platelet donors can bring joy to patients and their families by giving blood or platelets to help ensure patients receive the lifesaving treatments they need."

Here are upcoming blood donation opportunities in Hamilton County, and in nearby locations in Marion County:

Carmel
12/28/2016: 2 p.m. - 7 p.m., 502 East Event Centre, 502 East Carmel Drive
Fishers
1/7/2017: 12 p.m. - 4 p.m., Kroger, 11700 Olio Road
Indianapolis
12/23/2016: 11 a.m. - 4 p.m., Lowes, 8002 North Shadeland
12/27/2016: 11 a.m. - 3 p.m., Granite City Food and Brewery, 150 West 96th Street
1/4/2017: 10 a.m. - 3 p.m., St. Vincent Hospital, 2000 West 86th Street
1/13/2017: 10 a.m. - 2 p.m., St. Vincent Heart Center, 10580 North Meridian
1/13/2017: 12 p.m. - 4 p.m., Penske Automotive Group, 4140 East 96th St

How to donate blood
Simply download the [American Red Cross Blood Donor App](#), visit redcrossblood.org or call 1-800-RED CROSS (1-800-733-2767) to make an appointment or for more information. All blood types are needed to ensure a reliable supply for patients. A blood donor card or driver's license or two other forms of identification are required at check-in. Individuals who are 17 years of age in most states (16 with parental consent where allowed by state law), weigh at least 110 pounds and are in generally good health may be eligible to donate blood. High school students and other donors 18 years of age and younger also have to meet certain height and weight requirements.

Blood donors can now save time at their next donation by using RapidPass to complete their pre-donation reading and health history questionnaire online, on the day of their donation, prior to arriving at the blood drive. To get started and learn more, visit redcrossblood.org/RapidPass and follow the instructions on the site.

Volunteers needed
Another way to support the lifesaving mission of the Red Cross is to become a volunteer transportation specialist and deliver blood products to area hospitals. Volunteer transportation specialists play a very important role in ensuring an ample blood supply for patients in need by transporting blood and blood products. For more information and to apply for a volunteer transportation specialist position visit redcross.org.

Emogene “Jean” Ledford

June 11, 1929 - December 18, 2016

Emogene "Jean" Ledford, 87, of Noblesville, passed away on the early morning of Sunday, December 18, 2016 at her home. She was born on June 11, 1929 to Robert and Fannie (Kerr) Rice in Sparta, Tennessee.

For 15 years, Jean worked at Firestone as a machine operator, then as a cook for Noblesville Nursing Home for many years, and finally at King Systems. She was a member of the Baptist Church, and known for her cooking. Jean enjoyed raising flowers, crafts, garage sales, and shopping; she was a "professional shopper". Singing, reading, and studying her Bible were also some of her joys. Jean's house was where everyone gathered, and she was "Mom" and "Granny" to many; she loved people.

Jean is survived by her children, Donna (John) Hancock, Jeff (Nancy) Ledford, and Debbie (Bruce) McIntyre; six grandchildren, Tracey (Chad) Presley, Kate Hancock, Jake Hancock, James (Kasey) Ledford, Samantha Holdgrafer, and Nate Rood; nine great-grandchildren, Kaley Presley, Tori Presley, Ayden Hancock, Wyatt Ledford, Creek Ledford, Chett Ledford, Trotter Ledford, Shelby DeStefano, and Keagan DeStefano; sister, Ann Smith; several sisters-in-law; several brothers-in-law; and several nieces & nephews.

In addition to her parents, she was preceded in death by her husband, James David Ledford; sister, Pattie Jo Rice; as well as her father- & mother-in-law, William and Clara Bell Ledford.

Services will be held at 1:00 pm on Thursday, December 22, 2016 at Randall & Roberts Funeral Center, 1685 Westfield Road in Noblesville, with visitation from 11:00 am to the time of service. Pastor Chad Thomas will officiate. Burial will be at Crownland Cemetery in Noblesville.

Due to allergies, the family respectfully asks that no poinsettias be given.

Memorial contributions may be made to Leukemia & Lymphoma Society, Indiana Chapter, 9075 North Meridian Street, Suite 150, Indianapolis, IN 46260; or American Heart Association, Memorials and Tributes Lockbox, 3816 Paysphere Circle, Chicago, IL 60674.

Condolences: www.randallroberts.com

DAILY BIBLE VERSE

And it came to pass, when Jesus had made an end of commanding his twelve disciples, he departed thence to teach and to preach in their cities.

- Matthew 11:1

50 Years Ago

News: The “organization man” has surrounded himself with innumerable tools in his steady march toward new frontiers. One of these tools is helping a Noblesville child continue her education. Susan Kay Duncan, 11-year-old, daughter of Arthur Roy Duncan, Noblesville High School Teacher, was seriously injured in a two-car accident Oct. 26 that claimed the life of her mother. Now in her second month in Riverview Hospital, where her mother was employed as a registered nurse, Susan is in daily contact with her 5th grade North Elementary School classroom by special telephone.

Sports: Carmel defeated Noblesville and Sheridan dropped a pair of matches in Hamilton County prep wrestling competition. At Noblesville Tuesday evening, Carmel rolled over the host Millers, 33-13, and also grabbed a 32-11 victory in the B-team meet.

Tips on how to save yourself or a friend...

Seconds count in ice rescues

In a demonstration earlier this week, the Indiana State Police Dive Team provided some tips for rescuing yourself in the event of falling through the ice on a lake or pond, and tips for rescuing another person if you see them fall through the ice.

Before you go onto any ice for activities:

- Check with local bait shops, lakeside resorts, or DNR officers, as they will have a good idea of regional ice conditions.
- Leave a copy of your plans with a responsible person and include information on destination, planned activities, route of travel, and expected time of return.
- Prepare a safety kit to assist you and/or others in the event of an emergency. This kit should include, at a minimum, a personal flotation device, ice picks specifically designed for self rescue, sounding device such as a whistle, a rescue rope bag, a flashlight, and a cell phone.
- Check the ice thickness yourself, using an ice auger or other device. A minimum of 4' of clear ice is required for any activities, if the ice is not clear it typically means it has had warmer water run through it causing it to weaken.
- Once on the ice, wear your personal flotation device at all times! (PFD)

Photo provided

Trooper Mike Taylor, Indiana State Police Diver, was part of a ice rescue demonstration earlier this week.

- If you fall through the ice:

 - Do not panic!
 - Begin to control your breathing and turn toward the direction from which you came. The ice is typically thicker the direction you came from, and you're likely closer to get back to shore.
- Place your arms on top of the ice or, if you have ice picks, place the spikes of the ice picks into the top of the ice.

As you pull yourself onto the top of the ice with your arms or ice picks, vigorously kick your feet to assist in pushing your body up onto the ice.
- Once completely out of the water, keep your body flat on the ice and roll away from the ice hole towards the shore, you may have to roll or crawl all the way off the ice.

When you are safely off the ice and out of immediate danger, take necessary precautions to avoid hypothermia.

- To assist with the rescue of another person who has fallen through the ice:
- Do not run onto the ice towards the hole where the victim is located! This typically leads to a second victim in the water.
 - Remember Preach, Reach, Throw, Row, Do not Go
 - PREACH** – While you are calling 911, talk to the victim. Encourage self-rescue using the techniques above, and let the victim know that you have called for help and that it is on the way.
 - REACH** – Do not leave the safety of the shore and do not use only your hands/arms during a reaching rescue! Use anything available to extend your reach to the victim, such as rope, stick/branch, jumper cables, handle of a garden tool, etc. If the victim is pulling you onto the ice, let go of the object used for the reaching rescue.
 - THROW** – Use a rescue rope bag, dock line, or anything that will float to throw to the victim. You may have to improvise; keeping in mind even simple things like an empty one-gallon milk container can provide enough additional buoyancy for a victim to keep their head out of the water. If the victim is losing the ability to grasp onto objects, try to have them tie the rope or line around them.
 - ROW** – Look around the immediate area, sometimes small boats are left around ponds all year long. Push the small boat out in front of you to the victim. The victim may be able to hold onto the boat as they are pulled from the ice hole, or you can enter the boat and assist them into the boat. If there is an opportunity to fasten a rope to the boat before it is taken onto the ice, this will assist other people present on shore pulling the boat safely off the ice.
 - DO NOT GO** – Unless all other techniques have failed and trained rescuers are not available do not go onto the ice to conduct a rescue. On ice, rescues by untrained and unequipped persons can quickly lead to additional victims.

It is a very sad situation when a pet or other animal ventures out onto the ice. Do not go onto the ice to rescue an animal.

These demonstrations were performed by certified scuba divers in a controlled environment. If you are ever unsure if ice is safe enough to be on then stay off.

Fourth quarter 3's keep Sheridan in it...

Chargers hold off big ‘Hawks comeback

Sheridan nearly made a comeback against North Montgomery Wednesday night at Hobbs Gymnasium, but the Chargers held off the Blackhawks 50-49.

Sheridan led 9-8 after the first quarter, but North barreled through the second period to take a 26-13 lead. The Blackhawks hung around, keeping within 38-26 at the end of the third quarter.

Sheridan's comeback began with some timely 3-point shooting. Jack Waitt and Cameron Weitzel both drained two 3s; Waitt's downtown shot gave Sheridan a 48-46 lead with 1:40 left in the game. The Chargers tied the game with two free throws.

The 'Hawks led 49-48 with 28.2 seconds left after Weitzel hit a free throw, but North Montgomery made a layin with 12.5 seconds left, and that proved to be the winning basket.

"If we can play a game like we did that last 10 minutes, I will take our chances in any game the rest of the way," said Sheridan coach Chris Schrank.

Weitzel led the Blackhawks scoring with 10 points. Drake Delph and Sean Weitzel both had eight points. Delph also grabbed nine rebounds, with Tanner Swindle pulling down seven, and Sean Weitzel and Aiden Roaten each getting five. Delph handed out five assists while Roaten had two blocks.

Sheridan is now 4-4 for the season, and plays at Lapel on Thursday.

Reporter photos by Richie Hall

Rotterman to Gunn for the winning dunk...

Royals get out of Pendleton with victory

Hamilton Southeastern held off a Pendleton Heights comeback Wednesday, hanging on to beat the Arabians 65-64 in an away game.

The Royals broke an 18-18 first quarter tie with a tremendous second quarter, only allowing Pendleton one point while taking a 36-19 lead into halftime. Southeastern led by as much as 16 points in the fourth period, but the Arabians shot 10-of-11 in the fourth quarter to grab a 64-63 lead with 10 seconds to go. Conner Rotterman found Zach Gunn, who made the game-winning dunk.

Gunn scored 19 points and grabbed nine rebounds, while Rotterman scored 16 points

Smith Birchfield

Etherington grabbed eight rebounds, with Chaz Birchfield pulling down five. Etherington also handed out five assists, while Rotterman and Smith both dished out three.

Southeastern is now 6-1 for the season, and will play at the Fort Wayne Holiday Hoops Tournament next Thursday and Friday, Dec. 29-30.

University plays at Bankers Life Fieldhouse

UHS boys beat Seton Catholic, clinch spot in PAAC championship

The University Trailblazers held Seton Catholic scoreless for nearly nine minutes in the second half to key a 59-45 win at Bankers Life Fieldhouse in a game that earned University a spot in the Pioneer Academic Athletic Conference championship game in February.

University entered the game allowing just 40.14 points a game (14th best in Indiana), but allowed 21 second quarter points to the Cardinals. After sprinting to a 25-12 lead early in the second quarter behind strong inside play from Emerson Halbleib and David Howard, the Trailblazers needed a Halbleib bucket on an inbounds play with 0.9 seconds left in the half to pull even 30-30.

"Defensively we went from a really bad first half to a great second half. We needed a challenge like that and it was nice to close it out down the stretch against a well coached team that plays hard and made some tough shots," said University Coach Brandon Lafferman.

"We had some guys really step up in the second half, especially Tyler Wott and Josh Watson. Both of those guys were amazing." Wott entered the game in the third quarter and the 6-0 senior had a team high six defensive rebounds and two steals.

Wott's buzzer beating first career three pointer gave University a 47-40 lead after the third period. "That was a huge momentum shot by Wott, being up seven instead of four," Lafferman continued. "I'm really proud of him."

Watson had a team high 17 points, including four of six three pointers. His three pointer with 1:44 left in the third quarter put University on top for good 42-40. Watson scored five consecutive points in the decisive fourth quarter to cap a 17-0 University run the gave the Blazers a 54-40 lead with 3:00 remaining.

"We played much more man to man defense in the second half," said Lafferman. "After Zach Hodgins got in foul trouble, Watson stepped in and held Webster scoreless." Billie Webster III hit his 19.8 ppg scoring average for Seton Catholic, however Hodgins and Watson combined to hold Webster to just two second half points after the Cardinals senior had 17 in the first half.

"Emerson (Halbleib) played awesome tonight. He controlled the paint in the second half and kept them from getting to the rim," said Lafferman.

Halbleib finished with 15 points, seven rebounds and four blocked shots.

Halbleib Wott

Howard had 12 points and a team-high eight rebounds for University.

University improves to 7-1 overall and 3-0 in the PAAC East. Seton Catholic falls to 3-4, 1-1 in the PAAC East. The Trailblazers will host the PAAC championship game February 11 against the PAAC West champion. Crispus Attucks currently leads the PAAC West with a 2-0 mark.

The Trailblazers are next in action next week as they seek to defend their championship in the Vincennes Lincoln McDonald's Holiday Hoops Classic. After two years with pool play, the tournament returns to a straight eight team bracket.

University opens against the host Vincennes Lincoln at 8:00 p.m. Thursday December 29. The Alices were the only team to defeat University last year, taking a 55-50 win in pool play. The Blazers will play two games on Friday December 30. Facing either Crispus Attucks or North Knox, before playing one of Indianapolis Howe, Eastern Greene, Guerin Catholic or Southridge in their final game.

Throwback Thursday tonight for Indy Fuel

The Indy Fuel head into their holiday break with a game tonight against the Brampton Beast at Indiana Farmers Coliseum.

Doors open at 6 p.m., with the game starting at 7:05 p.m. Tickets are available now at IndyFuelHockey.com or at the Indiana Farmers Coliseum box office, as well as at all Ticketmaster outlets. Get your tickets now and avoid long lines at the box office.

Get ready to turn back the clock and take a stroll through the eras on the Fuel's version of Throwback Thursday. Each period represents a different decade (1st – 70's, 2nd – 80's, 3rd – 90's), with the music, games and Nitro's dance moves following suit.

Fans are invited to join in the fun, as prizes will be given to the grooviest, most radical and dopest costumes and vintage hockey jerseys.

Teddy Bear Toss Ticket Exchange: Fans who couldn't make it to Saturday's game can exchange their unused ticket for a complementary ticket of equal value to Thursday's contest. Seat location subject to availability.

IUPUI Charity Drive: The IUPUI Bachelors School of Social Work Student Association will collecting donations for the homeless in the lobby prior to the game. They are looking for hygienic supplies, new and gently used winter clothes, blankets and more.

Matchup: The Fuel and Beast meet up for a pre-holiday break doubleheader at Indiana Farmers Coliseum. After beginning their season series at the Powerade Centre back on Dec. 7 (a 6-3 Brampton victory), the two clubs round out their five game set with four straight in Indianapolis. In addition to the two games on the schedule this week, Indy and Brampton will face off on Jan. 1 and Feb. 12.

The Beast have won each of the first two games of the all-time series between the two teams, including a 3-1 triumph in Indy on March 19, 2016.

Broadcast Info: Voice of the Fuel Terry Ficorelli will bring you the call for both games this week live on CBS Sports 1430 AM, on CBSSports1430.com and on your smartphone with the free TuneIn Radio app. Fans can also stream every ECHL game online with ECHL.TV.
