## No one injured in Fishers fire

**The REPORTER**

Fishers firefighters quickly attacked a single story home Tuesday afternoon just before 5 p.m. No one was injured in the blaze but fire investigators' early damage estimate is \$225,000 to the residence. In addition, neighbors on each side had damage to their homes from the wind-fed exposure.

While no one was home at the time of the fire, neighbors saw smoke and fire coming from the residence and called 911. When firefighters arrived, they were able to rescue the family pets while searching the home for victims.

Investigators remained on the scene Tuesday afternoon to determine the cause.

Firefighters remind the community to make a plan with your family in case of fire: where will you meet and what is a second way out.

27 Fishers firefighters had the fire under control in 35 minutes. There were no injuries. One dog and two cats were rescued.

## Hern should do the right thing

**By JEFF JELLISON**

*Publisher, Hamilton County Reporter*

Hamilton County Councilman Jeff Hern recently admitted his involvement in a missing campaign sign case investigated by the Hamilton County Sheriff's Department. The victim was fellow Republican councilman Rick McKinney.

The investigation, which led to misdemeanor charges filed against Hern, began in October 2016 just prior to the election when McKinney discovered four of his campaign signs missing. McKinney also found a cellphone belonging to Hern at the site of a missing sign. McKinney and Hern were both running for at-large county council seats.

Eventually, during an active criminal investigation, Hamilton County voters elected Hern, along with McKinney and Brad Beaver to fill the three at-large spots.

Some hoped Hern would bring more of a balance between the council and county commissioners, who at that time were in disagreement about a few county projects. Hern appeared to be friendly with commissioners who financially supported his campaign. One commissioner was a major campaign donor for Hern. Hern's campaign was also funded by a couple of sitting council members.

"Behind every great woman, there stands a man."

"We are also extremely fortunate to live and work in a growing and vibrant Central Indiana, and particularly the City of Fishers," Joe Bielawski said. Following Hern's admission, McKinney issued a statement calling for Hern's resignation.

McKinney's statement was then echoed by Hamilton County Democratic Chairman Joe Weingarten.

Now that the smoke has cleared and Hern has admitted his involvement, avoiding a criminal trial, should Hern resign his seat from the council?

Throughout the investigation Hern denied his involvement. Hern has not spoken publicly about the case.

Have Hern's actions affected the credibility of the county's fiscal branch, the county council? Should fellow council members collectively call for Hern's resignation?

Should the county's executive branch, the county commissioners, call for Hern's resignation?

Should Hamilton County residents, who hold their elected officials to a high standard, call for Hern's resignation?

County leaders, I often hear you speak about how great this county is.

I agree with you. It is great because we have county employees that demonstrate a great deal of professionalism, along with solid elected officials with good judgement and forward thinking.

To those county leaders, I say, "Make a statement that you will not tolerate criminal behavior related to a county election."

Jeff Hern, you admitted to a crime that was directly related to the election that earned you a council seat. Your inappropriate actions and poor judgement are not the qualities Hamilton County residents expect from an elected official.

Do the right thing.  
Resign your council seat.  
The Hamilton County Council's next meeting is this evening, June 7 at 7 p.m.

**Dr. Fink, you will be sorely missed**

By FRED SWIFT

For most folks, it's hard to imagine enjoying a visit to the dentist, well at least not dreading the thought it. That's the way it was for me when I had an appointment with Dr. Dave Fink.

Dave died last week at the age of 77. It's a big loss for the Noblesville community. He practiced in the city for nearly half a century before retiring about two years ago.

He was personable and well informed on activities in Noblesville because he had

been involved in so many of them. Even if I, as the patient, could not uphold my end of the conversation during a dental procedure, Dave could talk and I could manage an "uhuh" as he worked.

It made time in the chair go quickly.

Most folks would probably assume Dave to have been a Noblesville native, but he was here by choice, not by birth. Born in Crawfordsville, then living in the Ben Davis area of Indianapolis, he went to Wabash and IU Dental School before service in the U.S. Air Force.

He and his wife, Sandy, came to Noblesville in the 1960s. He practiced his profession in a modest facility on River Road. There were no other dentists there, just two

or three loyal assistants. On Fridays, the office was closed so Dave could go to the County Jail and treat inmates. Not just every dentist wants to do that.

But, Dave was more than just a good dentist. He was greatly involved in working in the community. A school board member for 12 years, he also served as president of the Boys and Girls Club Board and the Optimist Club. He coached youth baseball for many years and was a member of the American Legion and the 50/50 Club.

Dave Fink was the kind of guy a community needs more of. He will be greatly missed not only by his wife, three sons and grandchildren, but also by the community he served so well.

**Hamilton County summer food donation program**

**The REPORTER**

The Hamilton County Soil and Water Conservation District (SWCD) and The Farmers Bank have partnered to launch a new program that encourages the public to donate fresh produce for county food pantries.

Every Monday from June 12 through Sept. 25 (excluding Labor Day), the public may drop off produce donations to the Sheridan branch of The Farmers Bank, 987 South White Ave., between 9 a.m. and 4:30 p.m.

Every Wednesday from June 14 through Sept. 27, the public may drop off produce

donations to the Noblesville branch of The Farmers Bank, 16940 Clover Road, between 9 a.m. and 5 p.m.

All donations will stay local and be given to food pantries in Sheridan and Nobles-

ville. People are welcome to donate produce they have grown themselves or that they have purchased at farmers markets or grocery stores.

The convenient locations of both branches will make it easy for people to drop off donations while running errands or on their lunch hour. No donation is too small—even smaller donations of a few tomatoes or a few ears of corn all add up and make an impact on local food insecurity.

For more information about the summer produce donation program, call (317) 773-2181 or email [cara.culp@hamiltoncounty.in.gov](mailto:cara.culp@hamiltoncounty.in.gov).

## Delightful summer sipper ideas to serve your guests

### StatePoint

From pool parties to evenings around a bonfire, summer is the ultimate time to entertain. Artisanal cocktails make a statement at any gathering, so become the trendsetter of the season by using interesting spirits to get the party started.

The key to successfully designing a creative cocktail is simple—keep an open mind and use the best possible ingredients. Using quality spirits and seasonal ingredients will make for an intriguing and delicious drink.

Think outside the box when crafting cocktails, a hidden gem may already be in your bar collection, such as cognac liqueur. A common misconception is this spirit is only meant to be consumed during the wintertime. However, these liqueurs can be served chilled or made into refreshing cocktails.

One example is the award-winning Belle de Brillet, the original Pear Williams & Brillet Cognac Liqueur produced by the 10th generation family-owned Maison Brillet, located in the heart of the Cognac region in France. Belle de Brillet is a pear liqueur made by infusing Brillet cognac with the essence of Williams Pears, produced mainly in the east of France. The liqueur is served in an elegant pear-shaped bottle, which will add charm to your summer spread.

To best serve this luscious, yet refreshingly tart liqueur with ripe pear notes, consider these three cocktails created by NYC mixologist, Jaime Rios. Each recipe can easily be prepared ahead of time, so guests can help themselves.

# Millers defend title, Carmel wins at GCI

The Noblesville golf team defended its sectional championship Monday at Purgatory Golf Club. The No. 5-ranked Millers scored a 288 and are one of three teams to advance to the Muncie Central regional Thursday at The Players Club in Yorktown.

Everything went according to plan for the favored teams at Monday's boys golf sectionals.

At the Golf Club of Indiana, Carmel kept its tournament win streak going by finishing first at the Zionsville sectional. Over at Purgatory, Noblesville defended its sectional championship, leading three county teams to Thursday's regional.

The No. 2-ranked Greyhounds carded a team score of 290 at GCI and had the individual medalist: Nick Dentino shot a 70. The host and eighth-ranked Eagles finished second with a 297, while No. 3 Westfield finished third with 310. Those teams advance to Thursday's Lafayette Jeff regional at Battle Ground Golf Club.

Carmel's victory at GCI was the sixth in a row for the Greyhounds. The last team to finish ahead of Carmel was No. 1 Center Grove at the Metropolitan Conference championship on May 15. Since then, the 'Hounds have picked up some important tournament wins, such as the Hamilton County Tournament and the Lafayette Jeff Invitational, which just happened to take place at Battle Ground.

Carmel coach Chard Reid attributes his team's success to such things as how to approach the course and "how to play as a team instead of a group of individuals."

"Now this year we're actually playing as a team," said Reid. "It's been a really positive change for us."

Reid noted that everyone on the Greyhounds' teams has carded a score of par or better during the season. The coach said that depth relieves the pressure for the team.

"You don't feel like you have to make everything because you know you're teammates are out there playing well, too," said Reid.

Dentino achieved his two-under par 70 with help from an eagle on hole No. 2. He also had a pair of birdies.

"I felt really good out there," said Dentino. "I got off to a hot start and then I just played steady from there."

Curtis Robertson made six birdies on his way to a 73, while Clay Stirman had three birdies in shooting the same score 73. Indi-

Carmel won the Zionsville sectional Monday at the Golf Club of Indiana. The No. 2 Greyhounds carded a 290, and will play Thursday at the Lafayette Jeff regional at Battle Ground Golf Course. Westfield finished third to advance to the regional.

vidually, both finished as part of a three-way tie for fourth. Kevin Stone's 74 include a birdie, and Cole Harris' 76 included two birdies.

The Shamrocks' score of 310 placed them in third, so they will play another day. Ethan Lutz led Westfield with a 75, including two birdies. Noah Shanteau had one birdie in his round of 76.

Andrew Lewis' made two birdies while shooting a 78. Kevin Hitch's 81 included a birdie, as did Josh Kehl's 82.

"Certainly happy to be playing another round," said Shamrocks coach Josh Bryant. "We had some goals in mind today that we didn't meet. Ethan Lutz had a good day, and shot a good score to start with.

"We didn't capitalize on some opportunities today, but we do get to play another day, and your placement today, all it determines is what your tee time is Thursday," said Bryant.

Guerin Catholic finished fifth with a 332. The Golden Eagles' season may not be done yet, however. Guerin's Luke Paige will be part of a three-man playoff to determine the third individual advancing to regional this morning at GCI. Paige and two other golfers shot 82s on Monday. The playoff became necessary after a scoring error changed the original list of advancing individuals.

Paige had two birdies in his Monday round. Other Golden Eagles catching birdies were Noah Chelovitz with three (he scored 84), while Ty Gingerich (83), Keaton

Modleski (83) and Matthew Godfrey (86) each had one.

University scored 366 as a team. Thomas Tanselle led the Trailblazers with an 83, including one birdie.

Noblesville, ranked fifth in the state, ran away with its own sectional championship, scoring 288. No. 12 Hamilton Southeastern placed second with a 307, while Fishers scored 311 to earn the third-place spot. All three teams will play Thursday at the Muncie Central regional, which takes place at The Players Club in Yorktown.

The Millers had the top two individuals. Clay Merchant and Jacob Deakne both scores of three-under par 69. Merchant won a one-hole playoff to earn medalist honors.

Merchant achieved his round of 69 with an eagle on hole No. 18, in addition to four birdies. Deakne totaled five birdies on the day. Mitchell Compton made two birdies on his way to a 74; that tied him for fifth place. Parker Deakne carded a 76, including four birdies.
