$8 million investment could bring 87 jobs . . .

Toyota building facility in Hamilton County

The REPORTER

Governor Eric J. Holcomb and Westfield Mayor Andy Cook joined executives from Bastian Solutions, a global systems integrator and consulting firm that was recently acquired by Toyota Advanced Logistics, a subsidiary of Japan-based Toyota Industries Corporation, Monday as the company announced plans to build a new manufacturing center in Hamilton County, creating up to 87 new, high-wage jobs by 2020.

"Indiana's pro-business reputation continues to be heard loud and clear across the globe," Gov. Holcomb said. "That is the message we heard in Japan last month while meeting with top businesses like Toyota Industries, and I am excited to join Bastian Solutions today as we celebrate the continued impact that global firms have on the state's economy and Hoosier jobs."

The company, which provides material handling and robotic automation for large scale product distribution, will invest more than $8 million to construct a 90,000-square-foot manufacturing center near 196th Street and U.S. Highway 31 in Westfield. The facility will house 10,000 square feet of office space as well as the company's growing advanced manufacturing operations, which will utilize the Toyota Production System to reduce waste in the production environment and ensure quality and efficiency throughout the manufacturing process. With construction expected to begin in November, Bastian Solutions plans to begin operations early next year, shipping its first round of products in June.

Bastian Solutions employs more than 600 associates worldwide, including 200 associates across its Indiana manufacturing and sales offices in Evansville, Fort Wayne, Greenfield and its corporate headquarters in Indianapolis. With its growth, the company will begin to hire for manufacturing and engineering positions for its Westfield site at the beginning of 2018. Interested applicants may **apply online**.

"Toyota Advanced Logistics and Bastian Solutions are honored to join the Westfield community, and we look forward to building a state-of-the-art manufacturing facility that will not only provide jobs but also become a catalyst for the local economy," said Michael Romano, president of Toyota Advanced Logistics. "Toyota has a long history in Indiana, and we hope to utilize that experience to continue growing, innovating and making the state a globally recognized center for advanced manufacturing."

Founded in 1952, Bastian Solutions has grown from a Midwest company into a global corporation with 20 U.S. offices and international locations in Australia, Brazil, Canada, India, Mexico and Spain. As an independent material handling and robotics-system integrator, the company provides automated solutions for distribution, manufacturing and order fulfillment centers around the world for its customers like Amway, Boeing, Newegg, Best Buy, PUMA and Roche Diagnostics.

Noblesville Police Department needs votes in K-9 Grant contest

The REPORTER

The Noblesville Police Department has been nominated for the Aftermath K-9 Grant. The five departments across the country with the most votes will be awarded grants ranging from $1,000 to $5,000. The voting period is open now and runs through Tuesday, Nov. 7. Individuals may vote once per day. Votes will be tallied after Nov. 7 and the winning law enforcement agencies will be announced on Nov. 10.

To vote, visit **aftermath.com/k9-grant**. It takes less than two minutes to complete the form – which asks for nominated police department, your name and email address.

"Our K-9 Unit is a vital function in our role as law enforcement professionals and this unit provides weekly, if

Fishers Council, Judge get pay raise

By LARRY LANNAN
LarryLannan.com

After a lot of discussions, the Fishers City Council voted to give itself a three percent pay raise in 2018 in an 8–1 vote, with Councilwoman Selina Stoller the lone dissenting vote. Fishers City Judge Daniel Henke will also see a three percent increase in his pay next year.

Most city employees will see a five percent raise, including two elected officials – Mayor Scott Fadness and City Clerk Jennifer Kehl. Council members also gave final approval to the entire 2018 spending plan for the city, totaling more than $103 million.

Spartz named to Senate committees

The REPORTER

State Sen. Victoria Spartz (R-Noblesville) has been appointed by Senate President Pro Tem David Long (R-Fort Wayne) to serve on four committees during the 2018 legislative session.

Spartz will be a member of the Senate Committees on **Education and Career Development**, **Environmental Affairs**, **Insurance and Financial Institutions** and **Pensions and Labor**.

"I am ready to get to work and serve on these committees during the upcoming session," Spartz said. "Each committee handles topics that are important to me and those in my district, and I will work hard to address the issues facing our community and state."

Spartz

Welcome to Sheridan

The REPORTER

The Town of Sheridan would like to add welcome signs to the entry ways of the town. The town had been contemplating this adventure, so when this subject was entertained at a recent CHANGE/Sheridan Active Living meeting, sponsored by Purdue Extension Office, a small committee was assigned to design a contest for said sign.

The welcome sign design will become the property of the Town of Sheridan. The sign will inform and celebrate the town by being decorative, informative and provide a visual identity for the town.

Entry forms and an official list of the rules may be obtained from the Town of Sheridan's Clerk Office at 506 S. Main St., or online at **sheridan.org** under the Events tab. Each entry must be accompanied by an entry form.

A cash prize will be awarded to the winning design. The contest begins immediately and designs are due back by 4 p.m. on Friday, Dec. 1. No digital submissions will be accepted. There will be no entry fee and participation

Join the free fun in Noblesville this Halloween

The REPORTER

Fall is officially here and the City of Noblesville is pleased to announce its upcoming free Halloween activities later this month.

Family Halloween Party

The Noblesville Parks and Recreation Department and the Hamilton County Council on Alcohol and Other Drugs invites families to enjoy its annual Halloween party outdoors from 6:30 to 8:30 p.m. Friday, Oct. 27 at Forest Park Shelter No. 5. Guests are invited to come dressed in their favorite Halloween costume – and for that evening's weather – while trick-or-treating at local vendor booths. If you are a local business and would like to be involved in the Trick-or-Treat village, please email **lsteele@noblesville.in.us**.

Also, there will be plenty of outdoor activities including hayrides, refreshments, costume contest, music, dancing and the Noblesville Police Department's Trunk-or-Treat. Tenth Street Photography will be hosting a photo booth.

Witches Brew

New this year, the Noblesville Parks Department is hosting "Witches Brew," presented by Nameless Catering, from 7 to

is open to all.

The winning entry will be announced at the Town of Sheridan council meeting at 7 p.m. on Monday, Jan. 22, 2018, at the Sheridan Town Hall, 506 S. Main St.

The contest is sponsored by Town of Sheridan, Sheridan Main Street, Inc., CHANGE/Active Living Workshop and Hamilton County Commissioner Mark Heirbrandt.

Climatologist: *La Niña* could bring slightly cooler temps, wetter winter

The REPORTER

Depending on the severity of La Niña, most of Indiana could be in store for a slightly cooler and wetter winter, says Petra Zimmermann, who teaches climatology at Ball State and faculty director of the university's meteorology and climatology laboratory.

La Niña is defined as cooler than normal sea-surface temperatures in the central and eastern tropical Pacific that impact global weather patterns, she said.

Recent readings of the Southern Oscillation Index (SOI) and Multivariate ENSO Index (MEI) indicate the Pacific Ocean moving into a La Nina event. A La Niña generally sends the polar front jet stream into a wavier pattern, with dips and valleys called ridges and troughs. This affects tracks of storms and whether or not cold Canadian air plunges toward the equator.

"The response in Indiana should be more muted than in some other parts of the nation," Zimmermann said. "Generally, one can expect slightly cooler and wetter winter conditions, but again, that depends on the severity of the La Nina. Assuming a mild or moderate La Niña, I predict low-to-medium chances of slightly cooler temperatures, particularly for the northern two-thirds of the state. However, given Indiana's fickle response to La Niña in the past, there's a reasonable chance that temperatures could be average or even somewhat above average."

Slightly above-average precipitation is possible for December through February, she said.

"Should the cooler temperatures pan out, much of this could fall as snow," Zimmermann said. "The southern half of Indiana will even be more likely to see increased precipitation, though the somewhat warmer conditions farther south might yield more rain or possibly even more ice events."

*Prof. Zimmermann may be reached at **pazimmermann@bsu.edu**.*

from Page 1

not daily, dividends to our efforts in combating crime here in the City of Noblesville," NPD Officer Brandon Brooks said. "Our community is very supportive of our police and we ask for a couple minutes out of your day for the next few weeks to vote for our department to earn a financial grant."

The Noblesville Police Department has three K-9 teams with uniquely trained dogs for drug detection and criminal apprehension. Two K-9 units are assigned to the patrol division and the other works with the Problem Oriented Policing Unit.

The K-9 grant is provided by Aftermath, specialists in trauma cleaning and biohazard removal. Funds can be used in a variety of ways: creation of a K-9 unit, canine acquisition, maintenance, purchase of safety equipment, and/or officer training.

The official trick-or-treat hours in the City of Noblesville will be from 5:30 to 8:30 p.m. Tuesday, Oct. 31. The Noblesville Police Department will have extra patrols out that evening to provide additional security. Motorists are asked to use extra care while driving that night.

Investment

from Page 1

credits and up to $88,750 in training grants based on the company's job creation plans. These incentives are performance based, meaning until Hoosiers are hired, the company is not eligible to claim incentives. The Westfield City Council will consider additional incentives.

"Westfield is excited to welcome this new partnership in the growth of our community," said Westfield Mayor Cook. "We are grateful for this opportunity to bring high-wage jobs to our community, and to be a part of Indiana's continued economic development. I would like to thank our local partners who worked for many years on this project, such as Holladay Properties, Site Solutions and American Structurepoint."

Today's announcement follows Governor Holcomb's international trade mission to Japan, where he worked to advance Indiana's economic and cultural partnerships with the state's largest foreign investor and met with executives from Toyota Industries Corporation, which acquired Bastian Solutions in early 2017. Among all U.S. states, Indiana is home to the largest amount of Japanese investment per capita with 280 Japan-based companies that employ more than 58,000 Hoosiers.

About Bastian Solutions

Bastian Solutions is a material handling system integrator, providing automated solutions for distribution, manufacturing and order fulfillment centers around the world. The company specializes in material handling system design, consulting, project management, software and controls. Today, the company engineers and manufactures many of its own products including ZiPline Conveyor, Rogue Composite Pallets, mobile robots, and Exacta Supply Chain Software. For more information, visit **BastianSolutions.com**.

About IEDC

The Indiana Economic Development Corporation (IEDC) leads the state of Indiana's economic development efforts, helping businesses launch, grow and locate in the state. Governed by a 15-member board chaired by Governor Eric J. Holcomb, the IEDC manages many initiatives, including performance-based tax credits, workforce training grants, innovation and entrepreneurship resources, public infrastructure assistance, and talent attraction and retention efforts. For more information about the IEDC, visit **iedc.in.gov**.

Aetna Medicare is a PDP, HMO, PPO plan with a Medicare contract. Our SNPs also have contracts with State Medicaid programs. Enrollment in our plans depends on contract renewal. Our dual-eligible Special Needs Plan is available to anyone who has both Medical Assistance from the state and Medicare. See Evidence of Coverage for a complete description of plan benefits, exclusions, limitations and conditions of coverage. Plan features and availability may vary by service area. This information is not a complete description of benefits. Contact the plan for more information. Limitations, copayments, and restrictions may apply. Benefits, premium and/or co-payments/co-insurance may change on January 1 of each year. Members who get “extra help” are not required to fill prescriptions at preferred network pharmacies in order to get Low Income Subsidy (LIS) copays. You must continue to pay your Medicare Part B premium. The Part B premium is covered for full-dual members. Premiums, co-pays, co-insurance, and deductibles may vary based on the level of Extra Help you receive. Please contact the plan for further details. Other pharmacies, physicians and/or providers are available in our network. The formulary, pharmacy network, and/or provider network may change at any time. You will receive notice when necessary. A sales person will be present with information and applications. For accommodation of persons with special needs at sales meetings, call 1-844-846-7985 and TTY 711. Participating physicians, hospitals and other health care providers are independent contractors and are neither agents nor employees of Aetna. The availability of any particular provider cannot be guaranteed, and provider network composition is subject to change. Aetna Resources For Living℠ is the brand name used for products and services offered through the Aetna group of subsidiary companies. All persons eligible for Medicare may receive a $10 reward card with no enrollment obligation. Non Aetna Medicare Advantage members must attend a sales meeting, schedule an appointment, or request an information kit to receive the offer. Current Aetna Medicare Advantage members, must call the number in the advertisement and participate in the member survey to receive the offer. Not to exceed more than one $10 reward card per person. Offer valid while supplies last.

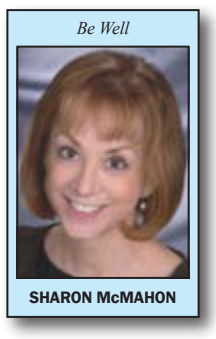
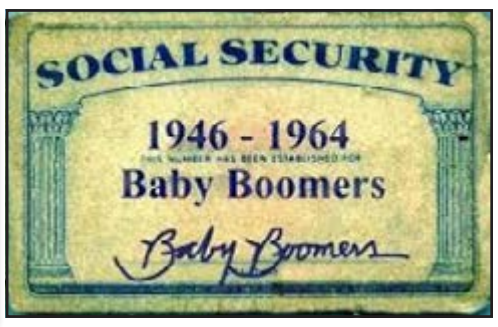
Stay active, Baby Boomers





"I intend to live forever or die trying."

–Groucho Marx

Baby Boomers – the term assigned to the temporary increase in the birth rate after World War II, Baby Boomers were born between the years 1946 and 1964 and began turning 65 in 2011. By 2030, one in five Americans will be a senior citizen. Exercise programs for adults 50 and older are becoming more available, as baby boomers usher in their retirement years by keeping physically active and fit. As a group, boomers are the wealthiest, most active and the most physically fit generation to date, with the tendency to think of themselves as different from those that had come before them. With Baby Boomers reaching retirement age, why should their fitness accomplishments be any different?

Fitness trainers and health professionals are developing programs to cater to this aging yet on-the-go generation with programs that include everything from mild, non-impact aerobics, to strength training, to yoga as well as the more extreme triathlon training. This range of training programs can extend longevity and help boomers maintain mobility while slowing the onset of age-related illnesses. The many benefits of regular exercise – weight maintenance, improved immune function and heart health, and enhanced flexibility and sleep – are even more important as one ages. Clearly, committing to a routine of physical activity is one of the healthiest decisions boomers can make. Some guidelines* before baby boomers engage a workout program for safety and effectiveness:

• Get medical clearance from your doctor before starting an exercise program, especially if there is a pre-existing condition.

• Never continue an exercise activity if something feels wrong such as sharp pain, dizziness or shortness of breath.

• Start slowly, especially if you're just beginning an exercise regimen; it's best to build up your fitness program a little at a time. Even breaking workouts into short increments several times a day is much better than doing nothing.

Fellow Boomers, don't let a few gray hairs or those aches and pains cause you to give up of feeling better, looking better and spending more time with your loved ones. And those of you who are the son or daughter of a Boomer, or those who have a special Boomer in your life . . . encourage that person to live life fully and as actively as possible.

**Part II of "Baby Boomers" will address special nutritional guidelines for Boomers.*

Sharon McMahon, CNWC

The opinions expressed in this article are not intended to replace advice of your personal physician or licensed health professional. Please consult your physician for any issues you may have related to nutrition or fitness activity.

Birding Crash Course at Cool Creek Park next month

The REPORTER

Indiana Audubon Society is holding a special beginning birding workshop in partnership with Hamilton County Parks at Cool Creek Park and Nature Center on Saturday, Nov. 18. The workshop begins at 9 a.m. and will be both inside and outside during the three-hour course. The workshop will be led by Indiana Audubon Executive Director Brad Bumgardner and takes place in the Nature Center auditorium.

The Indiana Birding: Crash Course is an introductory and interactive series being offered statewide to introduce nature enthusiasts to bird watching. The workshop will include a look at birding opportunities around the state, a look at the history of birding, important bird areas in Indiana, purchasing and using binoculars and an introduction to the common birds of Indiana.

Registration for the workshop is $15 with discounts available to Indiana Audubon Society members. Registration is in the events page at **indianaaudubon.org/events**.

For more information about the workshop, call Brad Bumgardner at (219) 928-6905. Cool Creek Park is located at **2000 E. 151st St., Carmel**. To learn more about the Indiana Audubon Society and to search for programs near you, visit them on the web at **indianaaudubon.org**.

TODAY'S BIBLE VERSE

Then came his disciples, and said unto him, Knowest thou that the Pharisees were offended, after they heard this saying?But he answered and said, Every plant, which my heavenly Father hath not planted, shall be rooted up.

Matthew 15:12-13 (KJV)

Mildred Mae Krampe

May 18, 1923 – October 13, 2017

Mildred Mae Krampe, 94, entered her heavenly home on Friday, October 13, 2017 following a courageous battle with breast cancer and dementia. She was born on May 18, 1923 to Walter and Marie (Wrich) Japp in Kennard, Neb.

Mildred was attending business college in Omaha, Neb. at the time the United States entered World War II. Anxious to assist with the war effort, she boarded a train for Washington, D.C., where she became a secretary in the Pentagon. While in Washington, she met a handsome young officer, Donald Krampe, who became her husband of 51 years, before his death in 1999.

She is survived by four children, Steve (Carolyn) Krampe, Karen (Bruce) Madinger, Richard (Bonnie) Krampe and Jane (Rob) Gottsch; grandchildren, Nathan, Amanda, Hilary, Grant, Noah and Emma; great-grandchildren, Jaylin, Micah and Isaac; a brother, Walter (JoAnn) Japp; and sister-in-law and brother-in-law, Margaret and Jim Rosser.

Services will be held at 11 a.m. on Wednesday, October 18, 2017 at Cornerstone Lutheran Church, 4850 E. Main St., Carmel, with visitation beginning at 10 a.m. immediately prior to the service.

Memorial contributions may be made to Cornerstone Lutheran Church, 4850 E. Main St., Carmel, IN 46033.

Phyllis Joan Vanderwielen

February 10, 1929 – October 16, 2017

Phyllis Joan Vanderwielen, 88, Cicero, passed away on Monday, October 16, 2017 at Harbor Manor in Noblesville. She was born on February 10, 1929 to Hiram and Loma (Pearson) Brooks in Stockwell, Ind. She descended from five Pilgrims and several American Patriots serving during the Revolutionary and Civil wars. She met, fell in love, and married Cecil Vanderwielen on February 1, 1952 in Lafayette, Ind.

Short in stature, but strong in will, Phyllis earned the name 'Blackie' for her deep brown eyes, black hair and stern command of the family. She was denied a college education by her father but made sure her three children attended and graduated from Purdue. Phyllis was a two-time victor over cancer but lost the battle a final time. She retired as a branch manager with Purdue National Bank in Lafayette and then managed a resort in Florida until relocating to Hamilton County to be near her family.

She is survived by her children, Rick (Nancy), Jim (Cindy) and Judi (Roy) Johnson; a sister, Thelma Morgan; six grandchildren; and six great-grandchildren. Her husband, Cecil preceded her in death on July 22, 2016.

Services will be held at 1 p.m. on Thursday, October 19, 2017 at Randall & Roberts Funeral Center, 1685 Westfield Road in Noblesville, with visitation beginning at 11 a.m. Burial will be at 11 a.m. on Friday, October 20 at Spring Vale Cemetery in Lafayette.

Condolences: www.randallroberts.com

Arrangements

Girls basketball

Games start the week of Oct. 30

Get ready for what promises to be another eventful girls basketball season in Hamilton County.

The first day of official practices for girls basketball took place on Monday. Games can begin the week of Oct. 30, and all nine county schools are indeed scheduled to take to the court for their first games that week.

Hamilton Heights and Westfield will be the first teams out of the gate, playing on Wednesday, Nov. 1. The Shamrocks host Lapel, while the Huskies travel to Brownsburg.

On Thursday, Nov. 2, four teams will open their seasons. Fishers will be at home, taking on Center Grove in what will be the first game for Lauren Vail as head coach of the Tigers.

The other three teams will be on the road. Carmel will jump into its season with a big game: The Greyhounds travel to Lawrence Central for Metropolitan Conference action. Noblesville will be right up the road, opening its season at Lawrence North. University will be heading down south to take on Eminence.

Sheridan will also be taking a road trip to begin its season. On Friday, Nov. 3, the Blackhawks are scheduled to travel up north to Kokomo.

Guerin Catholic and Hamilton Southeastern will start their seasons on Saturday, Nov. 4. The Royals will play two games at the Fishers Classic, while the Golden Eagles head south to take on Bloomington North.

Here is a complete list of schedules for county schools.

Kirk Green/File photo

Carmel is the defending Sectional 8 champion in girls basketball from last season. The Greyhounds are one of four Hamilton County teams that will begin their season on Thursday, Nov. 2. All nine county teams are scheduled to start their season the week of Oct. 30.

Football sectional previews...

Huskies travel to North Montgomery

By RICHIE HALL
Reporter Sports Editor

The football sectionals are a little different from the other sports when it comes to who a team's opponents are.

In most of those other sports, a team usually plays most, if not all, of their potential sectional foes during the regular season. Sometimes that happens in football, too: Sheridan and Guerin Catholic will be facing teams that are conference opponents and yearly rivals.

As for Hamilton Heights? The Huskies will travel to North Montgomery for their first-round game in Class 3A Sectional 26. Heights has only played the Chargers once in recent history, on Oct. 28, 2011 in a sectional semi-final game. The Huskies won 30-7.

"The sectional's been like that for us for a while," said Heights coach Mitch Street. "It seems like we've been flip-flopping north and south, and we just don't have opponents that we've seen very much of for whatever reason, however they decide to align.

"It does make it challenging. You've got to do your homework. You got to try to dig at other opponents and try to get as much as you can, and then try to figure out what you can about the team. That's not always easy to do. Similarly, I think they're in the same boat as well. We don't have a lot of common opponents or anything like that."

So, the Huskies have to do the best they can with film. What they're seeing is a 3-6 North Montgomery team. The Chargers began their season with a 37-29 win over Benton Central, then dropped four in a row. North fell to Owen Valley 30-27, then lost its first three Sagamore Conference games to rival Southmont 34-20, Lebanon 63-27

Golden Eagles get re-match with Brebeuf Jesuit

There is no mystery behind Brebeuf Jesuit, the team that Guerin Catholic will host on Friday in first-round play of Class 3A Sectional 26.

The No. 8 Braves have been a regular opponent for the Golden Eagles ever since they started playing football full-time in 2006 - in fact, Brebeuf was Guerin's first ever win, 42-39, back on Aug. 25 of that year.

The two teams are now rivals in the Circle City Conference, and the Braves won the last meeting, back on Sept. 30 by the score of 21-7. Brebeuf is on a three-game win streak, with wins over Hamilton Southeastern 30-0 and Westfield 28-24 to finish its season.

"What's happened in the past, we can't worry about," said Guerin Catholic coach Tom Dilley. "We learned some things. They're a good football team. We're excited to play them."

Overall, the Braves are 5-4. Their other two wins were to Arsenal Tech 37-0 and Culver Academy 17-14, with losses to Bishop Chatard 27-17, Cardinal Ritter 21-14, Zionsville 21-18 and Roncalli 45-18.

Senior Derrick Ozobu, who should be a familiar name to Hamilton County football fans by now, has thrown 13 touchdown passes while compiling 1559 yards over the air. Ozobu has also rushed for four touchdowns. Freshman Isaiah Martin is the leading rusher with 306 yards, and senior Jacob Pressler has 58 catches, including eight scores.

"We approach it just like any other week," said Dilley. "The fact that we have played these guys within a few weeks prior to that certainly helps you put together your scouting and your game plan to some degree. But you still break down the new film that you have and put together your best plan and try to make sure your guys know what they're doing and go out and have some fun."

County sectional schedule

Hamilton Heights at North Montgomery, 7 p.m. Friday
Brebeuf Jesuit at Guerin Catholic, 7 p.m. Friday
Tri-Central at Sheridan, 7 p.m. Friday
Westfield at Lafayette Jefferson, 7 p.m. Oct. 27
Carmel at Noblesville, 7 p.m. Oct. 27
Fishers at Hamilton Southeastern, 7 p.m. Oct. 27

'Hawks host Trojans in Wright's 600th game

Sheridan will get a re-match with a conference rival Friday, as the No. 6 Blackhawks play their first-round game in Class 1A Sectional 44 with Tri-Central at Bud Wright Stadium.

The two teams met at the Trojans' field on Sept. 1, with Sheridan winning 28-6. That was the second step for the 'Hawks on their way to an undefeated championship in the Hoosier Heartland Conference.

"They're quick on the offensive line and defensive line," said Wright. "They've got some quickness. They got some quick backs and they really play hard. They go after people."

Tri-Central finished the regular season 4-5. The Trojans began their season with wins over Delphi 16-14 and Taylor 37-21 before their loss to Sheridan. That defeat was the first of four in a row; next were Clinton Prairie 48-34, Monroe Central 56-6 and Carroll 28-8.

After that, Tri-Central beat Eastern 14-9, lost to Lapel 42-20 and defeated Clinton Central 48-26.

Sheridan finished its season 7-2, and Wright said his team has come a long way since its meeting with the Trojans in Week 3. The coach said his team is "using our weapons a lot better and I think we've stepped up our play up tremendously. I think we're much quicker than we were in Week 3 as far as doing things. I think we've been coming along pretty good."

This game will be the 600th IHSAA game for Wright in his 53-season coaching career. Wright was 1-3 in his initial season at Mt. Ayr High School, and since has gone 407-188 as the coach of the Blackhawks.

HUSKIES

From Page 9

and Western Boone 56-17.

Since then, the Chargers have alternated wins and losses, beating Crawfordsville 26-0, falling to Tri-West 59-9, defeating Frankfort 35-6, losing to Danville 34-0. North finished 2-5 in Sagamore play.

Street calls North Montgomery a "blue-collar football team" physical team that's big and strong up front, on both sides of the football. The Chargers' quarterback is a senior, Collin Knecht. He's had a decent season, throwing for 1334 yards and 10 touchdowns.

Knecht has also rushed for 10 touchdowns, with 455 yards total. Junior Bryce Claycomb is just ahead of him on the ground with 459 yards. Sophomore Kade Koble has the most receptions with 26.
