Noblesville Council approves budget

The REPORTER

The Noblesville Common Council adopted the 2018 Civil City budget at last Tuesday's meeting. The 2018 Civil City budget totals \$65,170,297, with a general fund budget of \$40,904,122.

"As a growing community, Noblesville's population increase comes with

higher public demands and expectations, which were addressed in this year's budget through more resources and personnel," said Mayor John Ditslear. "The budget also is structured so financial information is tracked and reported to help policy makers and citizens easily understand how the city is actually us-

ing its resources and allocating funding to priorities."

In 2018, public safety accounts for 65 percent of the general fund budget and 45 percent of the overall Civil City budget. It also includes the hiring of four firefighters and the purchase of a new fire engine. In addition to the

NFD personnel, the budget allows for the hiring of seven new full-time positions and converting two part-time positions into full time. The other positions include two employees in the controller's office, and street and parks

Hamilton Heights opens new 21st century learning environment

The REPORTER

Hamilton Heights High Schools' Open House and Ribbon Cutting Ceremony on Thursday celebrated the completion of a project that transformed 30,000 square feet of space in the business, agricultural, engineering, band and choir areas into 21st century learning environments.

Surrounded by school administration, faculty, students and project advisors, Hamilton Heights senior Rachel Poisson and Gwen Hunter, Hamilton Heights School Board president, snipped the ribbon to a

round of applause.

Students then guided guests through the newly renovated spaces sharing and demonstrating the many amenities and technological additions featured in each area. A highlight was the electronic ticket taker board outside business area that runs the stock exchange as well as announcements and other relevant school data throughout the day.

Attendees also included Hamilton Heights faculty, staff and students, Hamilton Heights superintendent Dr. Derek Arrowood; Peggy Jackson, Project Vision Director; Kristin McCa-

rry, Business Manager; Jarrod Mason, High School Principal; Whitney Gray, High School Assistant Principal; Craig Waltz, Band Director; Kim Kaiser, Business; Eric Fisher, Pre-Engineering/Industrial Tech; Derrick Dean, Technology/Pre-Engineering/Industrial Tech; Gwen Hunter, Doug Ozolins, Maggie Griswald Reuter, Arnett Cooper and Dr. Kevin Cavanaugh, Hamilton Heights School Board; Mark Heirbrandt, Hamilton County Commissioner; Catherine Heller, Executive

Najjar appointed to Superior Court

By FRED SWIFT
ReadTheReporter.com

David Najjar has been appointed judge of Hamilton Superior Court 5. Gov. Eric Holcomb made the appointment Friday filling a vacancy created by the retirement of Judge Wayne Sturtevant in August. For 12 years Najjar has been the county court's magistrate. Previously he served as a deputy prosecuting attorney.

A 30-year resident of Hamilton County, he lives in Carmel and graduated from Carmel High School and Indiana University. The new judge and his wife, the former Karen Phillips, have three children. He is active in Scouting and his church.

He takes office immediately,

becoming only the second judge in Superior 5 history.

Najjar will serve out the remainder of the current term which runs through Dec. 31, 2020.

He was one of 17 local attorneys who submitted applications for the post. The new judge had made an unsuccessful run for judge of Superior Court 2 last year. Jon Brown won that contest.

Local attorneys generally expressed satisfaction with Najjar's appointment, saying they believe him to be qualified and fair during his tenure as magistrate.

Fishers and affordable housing

By LARRY LANNAN
LarryInFishers.com

With Fishers continuing to grow as a suburb of Indianapolis, affordable housing will be in short supply and city officials are beginning to talk about the housing needs for workers and senior citizens. During a city council work session Oct. 16, City Planner Dale Davis laid out the issues facing the city on the housing front.

The median family income in Fishers is between \$90,000 and

\$100,000 a year. The median home price is around \$250,000.

Davis gave an example of a married couple, a firefighter and a teacher, each at roughly the midpoint of their respective careers. Their combined family income would be just over \$90,000, barely within the local median income.

Using the 30 percent of income figure for housing provided in federal guidelines, that couple should be spending no more than \$1,650 a month for a home. The mortgage on that \$250,000 house would be roughly \$1,646 a month (there are many variables such as amount of the down payment).

Judge Nation honored for education work

The REPORTER

Hamilton County Judge Steven R. Nation was awarded the 2017 Jimmie Thacker, Jr. Person of the Year award by the International Association for Truancy and Dropout Prevention (IATDP) at their 107th International Conference recently held in Indianapolis.

The International Organization brings together educators, social workers, legislators and policy makers from all over the world with a focus on gathering input for fostering change and engaging students to remain in school. Judge Nation was selected for this Award based on his continuing efforts in developing

the statewide Youth Assistance Program which brings together schools, businesses, faith-based organizations and the community to help at-risk students stay in school and out of the Juvenile Justice system through the assistance of volunteers who provide tutoring, mentoring and a coordination of services to at-risk children and their families.

"I am honored to accept this award on behalf of the Early Intervention Advocates, Superintendents, Principals, Teachers, School Counselors, Mayors, City

Nation

and County officials, and those individuals who serve as volunteers on our boards and for our programs," Nation said. "I am so proud of the Youth Assistance Program and the way it brings together the community, businesses, and faith-based organizations to provide support and encouragement to our at-risk children. This Program has been able to provide hundreds of our young people with valuable resources and an opportunity to follow their desired careers and reach the highest potential for their lives."

HSE, teachers propose contract

By LARRY LANNAN
LarryInFishers.com

When Hamilton Southeastern (HSE) Schools went to the voters in May of 2016 asking for a property tax increase to solidify the financial situation of the local schools, one argument educators made to vote yes was the issue of teacher compensation. HSE Schools Superintendent Allen Bourff often said HSE, because of the quality and reputation of the school system and the community, can recruit and retain good teachers without being at the top of the Indianapolis

suburban pay school.

Dr. Bourff said HSE just needs to be competitive by raising the compensation closer to the middle of the pack among the Indy suburbs. The referendum passed overwhelmingly.

The Hamilton Southeastern Education Association (HSEA) and Hamilton Southeastern School administrators have hammered out a new two-year contract covering calendar years 2018 and 2019 for teachers in the HSE school corporation. At the Oct. 25 school board

Blackhawk Walk raises \$10k

Sheridan Elementary students raised a record-setting \$10,243.92 during the third annual Blackhawk Walk sponsored by the Sheridan PTO. Money from the fundraiser will be used for various projects throughout the year and to assist teachers with classroom supplies. The Sheridan PTO received donations from various local businesses that were used to reward students that raised the most money for the project. Maddie Roberts and Archer Johnston won bicycles for their efforts in raising the most money. (LEFT) Sheridan Elementary School students took time during their school day to display the prizes they won for their efforts in raising money for the Blackhawk Walk. case the result of fiscal responsibility and a collective effort," said Mason, who served as the event's Master of Ceremonies, noting the time and attention to detail given by all those involved in this component of the Corporation's Project Vision from beginning to end. "Transforming the traditional classroom space into collaborative work spaces create opti-

mal educational environments and will enhance individual learning opportunities for our students well into the future." Derrick Dean said it was great to see all the support from the community who took this opportunity to check out the latest renovations. "These improvements will move us into the more current world to better help prepare our students

for their futures," Dean noted. Commissioner Mark Heirbrandt, who just returned from a trip to Washington, D.C., said he stopped by the open house because he was excited to see the updates. Heirbrandt wanted to show his support sharing that he is a big advocate of education and wants to do all he can for students in his district."

Jail funding vote comes this year

By FRED SWIFT
ReadTheReporter.com

Funding for a major expansion of the Hamilton County Jail will be requested by County Commissioners at the Dec. 6 meeting of the County Council. Commissioners recently voted to request an appropriation of \$16.7 million in order to increase jail capacity from the current 296 to about 550.

Overcrowding has been a problem at the 24-year-old jail for some time. In recent months, female inmates were moved to the Juvenile Detention Center, and juveniles were moved elsewhere on the corrections campus to give temporary relief at the jail.

But long-term with the county population soaring, commissioners say major expansion in anticipation of future needs is necessary. When the expansion was discussed earlier, council members felt building to a capacity of about 420 would be adequate.

But last Monday commissioners were given cost estimates that showed the greater expansion would only increase the cost from \$12.2 million to \$16.7 million. Believing it would be wise to plan ahead for anticipated needs, the board decided to seek the greater amount. Whatever figure is approved by council, the project is expected to be bid in January or February of next year. The current jail was completed in 1993, and since that time the juvenile center and a Community Corrections work release facility has been added on the Cumberland Road campus.

In other action at their regular meeting, commissioners approved an inter-local agreement with Carmel officials on the planned Lowes Way extension, a project that will allow direct highway access from 146th Street to southbound Keystone Parkway. Construction is expected to begin early next year.

Also approved were plans to design a roundabout at 191st Street and Grassy Branch Road in Washington Township. Compensation agreements in lieu of statutory fees were signed for 2018 compensation for the county surveyor, Kenton Ward, at \$104,000, and county clerk Tammy Baitz at \$118,000.

And commissioners approved plans for leveling an abandoned house at 5263 E. 156th St., Noblesville. Neighbors said the house is an eyesore and harbors possible illegal activities. Actual demolition will follow a 30 day warning period to the owners.

Transportation Museum loses a round in court

By LARRY LANNAN
LarryInFishers.com

Federal Judge Jane Magnus-Stinson has dismissed a lawsuit filed by the Indiana Transportation Museum against the Hoosier Heritage Port Authority. The museum alleged violations of constitutional rights in disputes with the Authority.

The two groups have been at loggerheads for a number of years over the Nickel Plate rail tracks, running from Tipton to downtown Indianapolis.

Now that the Transportation Museum has had this suit dismissed, it is not known what, if any, next steps there are for the museum as a result of the court's ruling to dismiss.

Cicero Kiwanis to honor local Veterans with breakfast

The REPORTER

The Kiwanis Club of Cicero will be honoring local veterans with a special breakfast and program on Saturday, Nov. 11 at the United Family Wesleyan Church, located at 210 Washington Ave. in Cicero. The breakfast will begin at 8:30 a.m. followed

by a special program featuring Ret. Brigadier General Don Canaday, a WWII veteran and past president of Kiwanis International. Brig. General Canaday spent 21 years on active duty with the U.S. Army and four years in the Indiana National Guard Reserve. The program con-

cludes at 10 a.m. The annual Veteran's Day breakfast celebration, now in its ninth year, is free to local veterans and their guests. Breakfast for all other visitors is \$5 per person. Members of the Hamilton Heights Key Club will be partnering with the Cicero Kiwan-

is to help with this year's breakfast. Kindly call (317) 678-0713 or email cicerokiwanis@gmail.com to reserve your space at this year's veteran appreciation breakfast.

Cicero Kiwanis Club is part of the Sycamore South Division of Indiana District of Kiwanis. Its members are vol-

unteers committed to improving the world one child and one community at a time. The Club provides scholarships to graduating High School students, grants for play and educational equipment, supports the local school corporation, local Boy and Girl Scouts, Riley Hospital for Children and much more. The Cicero Kiwanis meet Saturdays at 7:30

a.m. at the Red Bridge Park Community Building in Cicero. Drop in any Saturday to learn more about the club or call President Keith Ecker at 317-420-5542.

Area veterans encouraged to attend Veteran's Day event at Noblesville High School

The REPORTER

Noblesville High School will be hosting a Veteran's Day event from 1:15 to 2:30 p.m. on Thursday, Nov. 9 in the high school auditorium.

Local veterans are invited to attend and should plan to arrive at 1 p.m.

Mayor John Ditslear, Representative Kathy Richardson and Superintendent Dr. Beth Niedermeyer are expected to be in attendance.

In addition to honoring veterans, the event is designed to teach high school students about the impor-

tance of Veteran's Day. The program will last approximately one hour and will be followed by a reception in the cafeteria.

Other schools throughout the district will also be honoring Veteran's Day with student/family programs in November.

departments; and one employee in the clerk's office, maintenance and engineering department.

The 2018 budget is balanced and builds reserves by approximately \$5 million. It also includes \$2.6 million for road resurfacing and sidewalk/trail improvements. Hamilton County's oldest park, Forest Park, will receive two major renovations including the replacement of bathrooms and rehab of the

tennis court.

"The efficient use of tax payer dollars continues to be our top priority. The Council and Finance Committee worked closely with Jeff Spalding, our new controller, throughout this process to make sure that we were presenting a fiscally sound, conservative and transparent budget," Council President Megan Wiles said.

Noblesville seeking skating rink monitors for Federal Hill Commons' Ice Plaza

The REPORTER

Looking for a seasonal winter break job? The City of Noblesville is seeking interested applicants for temporary employment in the parks department as skating rink monitors at Federal Hill Commons' Ice Plaza. Employees will be scheduled to work up to 40 hours per week at the ice rink between the hours of 9:30 a.m. and 11 p.m. daily with the exception of holidays. The seasonal position, which will include six to eight people, runs Nov. 1 through Jan. 9, 2018, and hourly pay ranges from \$10 to \$12 depending on experience.

"As a new park amenity, the ice rink will be a fun and exciting winter activity for the Noblesville community and the skating rink monitor will be crucial to providing an enjoyable

experience for ice skaters and park visitors this winter," said Recreation Director Nichole Haberlin. "We are an active team and our openings allow others to further their experience in the recreation field and become more involved with community events and programs."

Skating rink monitors will provide customer service to guests, sell admissions and concessions,

clean the ice and monitor safety of the plaza. This position also will assist with theme night skating and fun holiday events. This temporary position is a great opportunity to earn some extra bucks during the holiday season, especially for students while on winter break.

Like mother . . . not so like daughter

From the Heart

My mom and I are alike in so many ways. The exceptions, mostly, have to do with sewing.

My mom tried to teach me to sew. My mom tried to teach me to crochet. My mom tried to teach me to embroider. My mom taught me to cook.

One out of four isn't the success rate for which she had hoped. You can lead the child to the hobby but you can't make it learn. The child has to want to learn.

I did make a babushka in my seventh grade Home Economics class. It was torture for both me and Miss Rudolph.

Mom still crochets at the age of 91. In fact she is taking orders for her sock dolls. She makes the doll and then crochets clothes for them.

She has so much detail in her designs. She will tuck a handkerchief in the pocket of a boy doll's overalls. The girl dolls are adorned with a beret or bonnet. The skirts have belts in coordinating fabric.

Growing up, Mom would have McCalls patterns spread out over fabric on the kitchen table. I loved the clothes she made me. She hoped that I would someday make clothes for

my daughter. It never happened.

Over the years she has crocheted afghans and sewn quilts. I have always marveled at her creations. However, I never had any desire to learn these things myself.

A few days ago I signed up for a Hand Lettering Art Class at the Dwelling Place in Atlanta. When I told my mom, she was so excited. She told me that I needed to learn to do something or I would be a lonely old woman.

I don't know who laughed harder, me, my mom or my granddaughter, Alecks. I guess there is still hope for me. I guess you really aren't too old to learn something new.

I will tell you that I loved the class. While I am not ready to create a fancy sign, I will be practicing what I learned. Practicing, because I have found something I truly enjoy and want to learn more.

Maybe at 91 I will be taking orders for signs. Or maybe, I will still be baking chocolate pies like my mom taught me. I guess my mom would say . . . there is still hope for me yet!

Or . . . I may get around to writing my book.

Carmel librarian chosen to receive statewide award

The REPORTER

Nancy Newport has been selected to receive the 2017 Indiana Library Federation Outstanding Librarian Award. The Outstanding Librarian Award honors and recognizes excellence and innovative leadership in the development of library service and for remarkable service to the profession.

Nancy Newport serves as the Assistant Director for the Carmel Clay Public Library (CCPL) and in 2015 and 2016 served as the Interim Director for CCPL. She has also served as the Interim Business Manager at various times between 2003 and 2012 and is the manager of the Mobile Library. After receiving her MLS from Indiana University - Bloomington, Nancy started her career as the OCLC Cataloging Supervisor and original cataloger at Purdue University in West Lafayette. She then moved to North Carolina as the OCLC/SOLINET Coordinator, Assistant Head of Cataloging at East

Carolina University where she was active in the North Carolina Library Association and the Pitt County Librarians Association. Returning to Indiana after five years, she was the Head of the INCOLSA Processing Center in Indianapolis until moving to the Indianapolis-Marion County Public Library as the Manager of the Cataloging Service Section. For 10 years, while working full-time at the above two organizations, she was also a part-time cataloger at Carmel Clay Public Library until hiring in as the Technical Services Manager at CCPL and less than a year later became the Assistant Director.

Nancy is a lifetime member of the American Library Association and has served on numerous ALA Committees, including the ALCTS Committee on Cataloging: Description & Access (CC:DA) as one of the nine voting members. Except for the five years spent in North Carolina, she has been an active member of the Indiana

Library Association (now Federation) serving on many committees including chair of the Membership Committee and also the Technical Services Division. Nancy is a member of the Public Library Association; Association of Bookmobile and Outreach Services (ABOS); and, a lifetime member of the Indiana University Alumni Association. She has also served as the President and Treasurer of the Ohio Valley Group of Technical Services Librarians (OVGTSL) and with the support of IMCPL chaired the annual conference in 2000.

As a lifetime learner, Nancy has taken classes in sign language, accounting, data processing, various computer languages, management, supervision and Russian. While in North Carolina she pursued a degree in computer science. She has attended the IMCPL Management Academy I and II and was a coach for Management Academy I. She attended

the Knowledge Management Seminar at OCLC in Dublin, Ohio, and participated in the Sara Laughlin and Associates Continuous Improvement for Libraries. She is a 2013 graduate of the Hamilton County Leadership Academy (HCLA). Nancy has written several articles for ALA and the Journal of Academic Librarianship and two books with the ALA Commercial Technical Services Committee. She has made various presentations at numerous organizations including the American Library Association, Indiana Library Federation, INCOLSA, Pitt County Librarians and the North Carolina Library Association.

For fun Nancy enjoys the outdoors, reading and quilting. She and her husband, John, enjoy reading history and visiting National Battlefields. The Newports live in Carmel.

 IN THE MATTER OF **Vestal/Kirkendall Drainage Area, Fred Hines Arm, Cranbrook Relocation**
NOTICE
 Notice is hereby given that the Hamilton County Drainage Board at its regular meeting **October 23, 2017** adopted the reconstruction report of the Surveyor and the Amended Schedule of damages and assessments including annual assessment for periodic maintenance, finding that the costs, damages and expense of the proposed improvement would be less than the benefits which will result to the owner of lands benefited thereby.
 The Board issued an order declaring the proposed improvement established. Such findings and order were marked filed and are available for inspection in the Office of the Hamilton County Surveyor.
 If judicial review of the findings and order of the Board is not requested pursuant to Article VIII of the 1965 Indiana Drainage Code as amended within twenty (20) days from the date of publication of this notice, the findings and order shall become conclusive.

ORDINANCE NO. 10-2017-01
AN ORDINANCE OF THE TOWN OF ATLANTA, INDIANA, PROHIBITING THE PLACEMENT OR DISPOSAL OF GRASS CLIPPINGS, LEAVES, TRASH OR RUBBISH IN OR UPON ANY STREET, ALLEYWAY, SIDEWALK OR PUBLIC RIGHT OF WAY WITHIN THE TOWN OF ATLANTA

WHEREAS, the Town of Atlanta ("Town") has experienced an increase in the accumulation of grass clippings, leaves, and other vegetation;

WHEREAS, public necessity, health, and safety now require that the discharge of these clippings, leaves, and other vegetation be addressed because they are considered to be sources of water pollution; and

WHEREAS, the placement and/or disposal of grass clippings, leaves, trash, or rubbish in or upon the streets, alleyways, sidewalks or public rights of way within the Town of Atlanta, Indiana, creates an impediment to the drainage and disposal of storm water within the Town to the detriment of public health, safety and welfare of the residents of the Town; and

WHEREAS, the Town, by and through its Town Council, now finds that it is in the best interests of the public health, safety, and general welfare of its citizens to prohibit the accumulation of grass clippings, leaves and other vegetation on streets, alleyways, sidewalks and in public right-of-ways.

NOW, THEREFORE, BE IT ORDAINED, by the Town Council of the Town of Atlanta, as follows:

Section 1. The foregoing Recitals are fully incorporated herein by this reference.

Section 2. It shall be unlawful for any person or entity to place or dispose of any grass clippings, leaves, trash, or rubbish in or upon the streets, alleyways, sidewalks or public rights of way within the Town of Atlanta, Indiana. Every owner or operator of any premises within the Town shall keep the alleys, street, sidewalks and public rights of way abutting on such premises free and clear of all grass clippings, leaves, trash or rubbish.

Section 3. The Town, however, may allow for exceptions to Section 2 of this Ordinance to enable the Town to collect leaves and other yard waste during the limited time frames permitted by the Town Council, as it deems necessary. The Town may also allow for exceptions to Section 93.02 in the Town Code of Ordinances to enable Town residents to maintain grass on their property in excess of 6" if the Town determines, after a reasonable inquiry, that the purpose of doing so is for baling hay. The Town retains the right to refuse exceptions to either Section 2 or Section 93.02 depending on the circumstances of each request, and in accordance with the Town Code of Ordinances and Indiana law.

Section 4. The Town, its designees or employees shall be responsible for enforcing the terms of this Ordinance and make inspections to determine violations and to take all necessary action to enforce this Ordinance. The Town, its designees or employees shall have discretion to enforce this section in accordance with the Town Code of Ordinances and Indiana law.

Section 5. This Ordinance shall be enforced in accordance with the provisions of Section 94.50 through 94.55 in the Town of Atlanta Code of Ordinances.

Section 6. This Ordinance is not intended to supersede Section 94.22 of the Town of Atlanta Code of Ordinances.

Section 7. This Ordinance shall be in full force and effect from and after the date of passage.

Diana Marie Labus Heiskell
March 4, 1947 – October 8, 2017

Diana Marie Labus Heiskell, 70, Noblesville, entered into her eternal rest with her Savior Jesus Christ on Sunday, October 8, 2017. She was born on March 4, 1947 to Roger Harry and Mildred Marie (Krukemeier) Labus in Tiffin, Ohio.

Diana was a 1965 graduate of Lancaster High School in Lancaster, Ohio, and received a BS in Elementary Education from Capital University in Columbus, Ohio, in 1969, and a Master in Education with a specialty in reading instruction from University of Louisville in 1976.

Diana was passionate for her family and married her beloved husband of 49 years, Robert Eugene (Bob) Heiskell, on July 20, 1968, at St. Peter's Lutheran Church in Lancaster. She loved and nurtured their two children, Christina Marie (Christy), born on Mother's Day in 1971, and Robert Andrew (Andy), born on Father's Day in 1973. She loved and adored their four grandchildren, Jacob Daniel (Jake) Fulton, Samuel John (Sam) Fulton, Aidan Robert Heiskell and Sydney Leigh Heiskell. She hopes to leave to them a legacy of love for Jesus Christ.

Diana loved children and volunteered as a child advocate for Compassion International, a child sponsorship organization serving children in developing countries in the name of Jesus Christ. She was privileged to teach third and fourth graders at North Elementary School in Noblesville for nineteen years, from 1984 until her retirement in 2003. Preceding that, Diana taught third, fourth and fifth graders in Louisville, Ky., at Highview Baptist Christian School and St. Matthews Elementary School. Over the years, she taught Sunday School at St. John Lutheran Church in Louisville and Christ the Savior Lutheran Church in Fishers.

Diana was an active member of Christ The Savior Lutheran Church where she served as congregational president, church council member, Worship and Arts leader, greeter coordinator, usher, lector, communion assistant and participant in the quilting ministry and Bible study. She was also active at Bethel Lutheran Church where she served as a member of the Mission Ministry, an usher, reader and taught The Truth Project classes, as well as her participation in women's Bible studies. Diana also let the ministry Operation Christmas Child to encourage folks to pack shoe boxes full of toys, school supplies and hygiene items for children in developing countries as a mission outreach of Jesus's love for all children. She loved gardening and appreciated the beauty of God's creation and felt a great respect for all animal and plant life. Diana enjoyed traveling and being outdoors to hike and enjoy nature. She was also an avid reader.

She is survived by her husband, Bob Heiskell; mother, Mildred K. Labus of Lancaster, Ohio; daughter, Christy (John) Fulton of Cicero, Ind.; son, Andy (Erin) Heiskell of Swampscott, Mass.; grandsons, Jake and Sam Fulton of Cicero, Ind., and Aidan Heiskell of Swampscott, Mass.; granddaughter, Sydney Heiskell of Swampscott, Mass.; brothers, David R. (Sally) Labus of Lancaster, Ohio, and Daniel B. (Jean) Labus of Indianapolis; brother-in-law, John (Martha) Heiskell of Sandy, Utah; mother-in-law, Edna (Cordle) Heiskell of Sandy, Utah; as well as several cousins, nieces and nephews.

Diana was preceded in death by her dear father, Roger H. Labus; her loving grandparents, William and Elizabeth (Albrecht) Labus, and Henry and Anna (Horvath) Krukemeier; father-in-law, John J. Heiskell; and uncles and aunts, Frederick and Ruth Wolfe, Walter and Marie Krukemeier, and William and Eleanor Labus.

The family and friends gathered to remember Diana's life on Sunday, October 29, 2017 at Bethel Lutheran Church, 20650 Cumberland Road, Noblesville, before the celebration of her life. The service was led by Pastor Doug Gast. Friends and family were invited to a meal at the church after the service.

Diana hopes to be remembered for her deep love for and devotion to her Savior Jesus Christ and her commitment to her devoted husband, loving parents, daughter, son and her precious, eager, fun-loving grandchildren, friends and the children whose lives she has touched.

In lieu of flowers, the family would appreciate memorial gifts be made to Compassion International, 12290 Voyager Pkwy., Colorado Springs, CO 80997; or Bethel Lutheran Church, 20650 Cumberland Road, Noblesville, IN 46062.

Randall & Roberts Funeral Homes of Noblesville has been entrusted with Diana's care.

David L. "Digger" Underwood
February 4, 1949 – October 23, 2017

David L. "Digger" Underwood, 68, Noblesville, passed away on Monday, October 23, 2017 at Richard L. Roudebush VA Medical Center in Indianapolis. He was born on February 4, 1949 to Luther and Dessie (Cooksey) Underwood in Noblesville.

Dave was in the top 10 percent of his 1968 graduating class of Noblesville High School. He proudly served his country in Special Operations of the US Air Force during the Vietnam War and at Wright Patterson Air Force Base in Ohio upon his return from Vietnam. Dave attended the Indiana Police Academy and worked as a Law Officer for Sheridan Police Department, a Deputy for Hamilton County Sheriff's Department and Noblesville Police Department, where he retired as a Detective. He proudly served as a member of the Noblesville Police Merit Board. Dave also worked for Fred's Frozen Foods for many years, Coaltrin Funeral Home and in security at Riverview Hospital. He loved a good cigar and enjoyed fishing, coin collecting, attending auctions and spending time with his family. David was honest, caring, supportive and faithful to his family and his Lord. He was a loyal and brave soldier and loved serving his community and country.

He is survived by his wife, Rita K. Underwood, whom he married in May of 1974; son, Brad Underwood (Amy); daughter, Amber Hagerty (Adam Henderson); two grandsons, Ryan Underwood (fiancée, Kcee Richardson) and Evan Hagerty; five granddaughters, Briana Jung, Mercedes Bivens (Jacob), Chloe Hagerty, Montana Underwood and Jasmine Underwood; nieces and nephew, Scott Bentley, Amy Mulvaney, Heather Reynolds and Andrea Burns; and his beloved cat, Boots.

In addition to his parents, Dave was preceded in death by his sister, Mary Alice Bentley; and nephew, Matthew Bentley.

Services were held on Saturday, October 28, 2017 at Randall & Roberts Funeral Home, 1150 Logan St., Noblesville, with visitation prior to the time of service. Pastor Dave Nicholson officiated.

Memorial contributions may be made to The Indiana Veterans' Home, 3851 N. River Road, West Lafayette, IN 47906; or to your local police Shop with a Cop program.

Sheridan selling reference works

The REPORTER

The Sheridan Public Library is weeding a lot of its reference books and offering them for sale to the public. The sale items include general knowledge encyclopedia sets (World Book, Americana, Britannica), specialty encyclopedia sets, biographic works, dictionaries, atlases, fact books, science and health works and many, many more. The library is getting rid of several hundred items.

According to library director Steve Martin, all of the items are out of date for current informational needs, but they contain information that is still valid. As an example, he says historic information about the kings and queens of England is still valid; it is just the last 20 years that is missing and that is readily available on the Internet.

The sale will be in silent auction format and the books can be seen at the library. The auction begins on Monday, Oct. 30, and bids will be taken up to closing time on Saturday,

HOUSING

"That family would be pretty close to what would be their maximum on that," Davis told council members.

Many startups that are popular in Fishers have people working there making around \$44,000 a year. Davis asked where they would live in the Fishers area.

Davis then turned to the issue of senior citizen housing. Population forecasts indicate the senior

population in the area will continue increase as Fishers grows, to over 23,000 by the year 2040.

Both young people and seniors want walkability, shops and low maintenance, so Fishers is on the right track for both groups, according to Davis.

"As you think about IKEA, you think about Top Golf, you think of all these other places that we have around Fishers, there may

be a reasonable discussion to think about – can affordable housing make sense in our city?" Fishers Mayor Scott Fadness asked members of the City Council. "I think the senior housing should not be discounted at all. I think that is going to be a huge, huge need in our city."

The mayor emphasized that to move forward on affordable housing, it will take leadership from himself and

from Page A1

members of the city council to get such projects done.

The city council members then had a general discussion of the issue, and there appeared to be support in general for an affordable housing program, particularly for seniors. Mayor Fadness said he wanted the council to receive information on the issue.

Now we will wait to see what next steps city officials choose to take.

CONTRACT

meeting. Superintendent Bourff summarized the main provisions in the new contract proposal. Those provisions include:

- In 2018, teachers will receive an average pay increase of 2.73 percent, with salaries ranging from a low of \$40,158 up to high of \$79,085.

- In 2019, the average salary increase will be 2.66 percent, with the low \$40,158 and the high \$79,751.

- There will be a group of teachers not always falling under the increases described above due to what is described as a "reset," which is an effort to increase the pay of newly hired teachers who suffered pay caps during the tough budget years.

- Health insurance premiums will not increase in 2018, but 2019 premiums will depend on what the school system experiences in health claims, as that data is not known yet.

- Teacher compensation for extracurricular activities will not change in the current 2017-2018 school

year, but the school corporation will inject \$17,500 into that money pool during the 2018-2019 school year.

- The administration PowerPoint presentation

says this contract will increase teacher compensation by just over \$6.4 million during the two-year duration of the pact.

Teachers must ratify

from Page A1

this contract. The vote will be held Nov. 1 through Nov. 3. If teachers approve, the school board will hold a ratification vote at the Nov. 8 meeting.

Hunt rushes No. 10 Carmel past Noblesville in 6A sectional win

By CRAIG ADKINS

It seemed like the late afternoon weather of a rain and sleet mix would play into the outcome of this Class 6A Sectional 4 first round match up and it may have. But, that really wasn't the case Friday night as 10th-ranked Carmel got one step closer to defending their 2016 state championship with a 25-7 win at Noblesville.

The Millers forced the Greyhounds to punt after five plays, but that's when things got a little quirky. Noblesville's Wyatt Blades reached out for Zachary Bradley's punt and the ball bounced off of his hands and scooted all the way down to the nine-yard line and was recovered by Carmel's Garrett Sharp.

One play later, tailback Camari Hunt fumbled the ball and Ryan Barnes of Noblesville pounced on it at the seven, where the Millers took over.

"Yeah, I thought Noblesville's coaches and players did a really great job, really all game long dealing with adversity and fighting through it," said Carmel head coach John Hebert, complimenting Noblesville's preparation for this sectional showdown.

"Talking with Coach Simmons, it's been an odd year for them and it's been a really odd year for us, so the start of the game was kind of a microcosm of what our season was like and quite a bit of football was played in the second quarter and it was 3-0," Hebert continued on both teams' seasons to this point.

Carmel got the first points on the board late in the first with a Matt Fortier 23-yard field goal to make it 3-0.

Noblesville caught a break midway through the second when punt returner Atticus Clouse fumbled a punt return of his own at the 38. Senior linebacker Austin Bridenthal recovered the miscue by Clouse, but the drive didn't go anywhere, forcing another Miller punt.

Just before halftime, junior tailback Camari Hunt helped increase the Greyhound lead to 10-0 with a six-yard touchdown run.

"Could have been more points on both sides and neither time established themselves. We made a lot of dumb mistakes, too, during that time," Hebert said about both teams having opportunities in the first half.

The Greyhounds got their offense established right away in the third and didn't look back.

Hunt busted through the Miller defensive line and sprinted to the end zone 68 yards later for a score. After what was a botched snap on the point-after attempt, holder Atticus Clouse was forced to scramble and converted an inside pitch to kicker Matt Fortier, just before Clouse was tackled. Fortier raced across the goal line, converting the two-point conversion for an 18-0 Carmel lead.

Carmel would put their second score in the end zone of the third on a 20-yard touchdown pass from Gabe Quigley to Atticus Clouse that upped the Greyhound margin to 25-0.

Noblesville's offense was finally able to maneuver how it wanted to all night. Grant Gremel scored on a quarterback keeper with 8:19 left to make it 25-7, which was set up by a 12-yard pass from Gremel to Zach Gruver down to the one.

"I've got to give Noblesville a lot of credit. They very easily could have had their heads down and I didn't see any of that. They came to fight and that was obvious. It was obvious to me that they're not intimidated by Carmel and we had a fight on our hands and we had to earn what we could get," said Hebert on Noblesville's efforts in the fourth quarter that would turn out to be too little, too late.

Noblesville had a couple more chances on offense to try to cut into the Carmel lead, but those plans were foiled by a

Carmel's Camari Hunt (16) makes a run while being chased by Noblesville's Jazz Terrell (8), Dylan Retherford (46) and Rylan Martin (20) during the Greyhounds-Millers sectional semi-final football game Friday at Hare Chevrolet Field. Carmel won 25-7 to advance to the Sectional 4 championship game.

Tommy Spraetz interception of a Gremel pass in the end zone for a touchback. On the Millers' final possession, they turned the ball over on downs at the Carmel 49.

It was obvious all night long that Noblesville was going to put up a fight. That's exactly what they did, aside from a couple big scoring plays in the third quarter. The Millers were in the game all night long and their effort didn't go unnoticed by anyone.

The Millers left it all out on the field and head coach Jason Simmons and his staff couldn't be more proud of their group of young men.

"No question, our kids came into this game believing that we were gonna load up and give 'em the best shot we had," said Noblesville head coach Jason Simmons on his Millers' performance Friday night.

"We're gonna take a look back at it and say that big plays got us and at some point we're going to sit down as a staff and take a look back at our season and we're gonna say big plays got us, so we have to go to work on that and we certainly will," said Simmons on his team's season and the

off-season work that his players and staff have ahead of them.

It's always tough seeing one team's season come to an end and players' high school careers coming to a close, but unfortunately, it can't last forever.

Grant Gremel helped highlight the final game of his junior season with 25 carries for 90 yards and a touchdown, while fellow junior Zach Gruver caught seven Gremel passes for 100 yards on the night.

The Millers finished a rough 2017 with a 1-9 record, saying goodbye to a great senior class, but also have a lot of underclassmen that will fill their shoes next season.

Camari Hunt led all with 185 yards on the ground on 22 carries with two touchdowns.

Carmel (6-4) extends its season to the 6A Sectional 4 championship game at home next week at Greyhound Stadium against the Lafayette Jeff Bronchos (10-0). The Bronchos ousted the 2016 5A state champion Westfield Shamrocks on Friday, 27-24.

'Hawks run through Wes-Del

Sheridan rolled into the championship game of Class 1A Sectional 44 by beating Wes-Del 35-8 in a Friday away game.

With the weather rainy and chilly, the No. 6-ranked Blackhawks decided to keep their game on the ground. That traditional running game that Sheridan fans know and love came up big, as the 'Hawks ran up 424 yards on 59 carries.

"At times we played pretty good, other times we didn't," said Sheridan coach Bud Wright. "We didn't finish a lot of things

that we should have. But we played pretty good for the weather."

Callahan scored four of the Blackhawks' five touchdowns, with Ange Gnamkey scoring one early in the second quarter on a 21-yard run. Sheridan led 7-0 after the first period, then was ahead 21-8 at

Callahan

Gnamkey

Callahan's scores were mostly short runs, with the exception of his first TD, which was a 16-yarder early in the first period. Callahan took a score in from eight yards with 4:01 left in the second quarter, then punched in two touchdowns during the middle part of the third period.

In all, Callahan gained 241 yards on 36 carries.

"He had a pretty good ball game," said Wright.

Gunnar Williams kicked all five extra points, bringing his new extra-point streak to 16 in a row.

Sheridan is now 9-2 for the season and returns to Bud Wright Stadium next Friday for the Sectional 44 championship. The 'Hawks will take on No. 4-ranked Monroe Central, a 42-12 winner over Clinton Prairie in the other semi-final.

RECORD-SETTING KICKER

Sheridan's Gunnar Williams set a new school record for consecutive extra points kicked this season. Read about the streak today on Page A11.

Tigers advance to sectional championship

By RICHIE HALL

Reporter Sports Editor

Friday's Class 6A Sectional 5 semi-final football game between Fishers and Hamilton Southeastern was throwback football at its best: A good, old-fashioned roll in the Mud...sock.

There was also much at stake, with a trip to the sectional championship game on the line. In the end, the Tigers prevailed over the host Royals 9-6 and will host Pike next Friday for the Sectional 5 title.

Unlike games in their recent past, this was a defensive showdown between the Mudsock rivals. The game was played in chilly and gloomy conditions, which added to the grittiness factor.

"Their team played well," said Fishers coach Rick Wimmer. "Our defense really played well tonight. I don't think we gave up a big play all night, except for a little bit right there at the end of the first half when they got their drive going. We did a really good job against the run, got some pressure on the quarterback at times."

The Tigers got on the board first, with Ben Norton kicking a 24-yard field goal late in the first quarter. Southeastern had to wait almost a full period to respond, but did so with a step-by-step drive that finally got it

in the end zone.

Jackson Sweeney punched the ball in from the one-yard line with 3:30 left in the second quarter. Fishers blocked the extra-point attempt, but the Royals still had the lead at halftime, 6-3.

The Tigers re-took the lead early in the third quarter. HL Lewis ran the ball into the end zone from six yards, getting his team ahead 9-6. Fishers tried to go for two, but a conversion pass fell incomplete.

After that, the defenses took over. Most of the drives for both teams ended in punts, but a big defensive stop came with 5:56 left, when the Tigers halted HSE's drive on fourth-and-1.

That gave Fishers the ball back with around 4:30 left. The Tigers converted a fourth-and-2 to keep their drive going, then Lewis' nine-yard run on third-and-9 with under a minute left finally clinched the game for Fishers.

Both teams' leading rushers worked hard to get their yards, with Lewis and Sweeney carrying the ball 22 times. Lewis finished with 81 yards, while Sweeney collected 49 yards. Lewis also had two catches for the game, the most of any Fishers player. Matt Wolff finished the game 6-of-16, collecting 75 yards.

Reporter photo by Kirk Green

Fishers quarterback Matt Wolff (8) hands off to HL Lewis during the Tigers' sectional semi-final football game at Hamilton Southeastern Friday. Fishers won the game 9-6 and will host Pike next Friday for the Sectional 5 championship.

Southeastern quarterback Kody Sparks had a solid game, going 13-for-20 on 116 yards. Ben Boysen and Jackson Lantz each made four catches. The Tigers are now 6-4 for the year, while the Royals finished their season at 3-7.

Huskies fall to Southmont

Hamilton Heights was forced to play catch-up at Southmont Friday, and eventually fell to the Mounties 35-14 in the semi-finals of Class 3A Sectional 26.

Cross

Southmont led 28-0 midway through the third quarter before the Huskies were able to get on the board. Camron Knott teamed up with Carter Compassi for a 12-yard pass play touchdown late in the period.

Neither team scored again until the final minute of the fourth quarter. The Mounties' Reese VanCleave jogged in from the one-yard line to score his third touchdown of the game. Heights finished the game strong, though, as Compassi threw a 48-yard touchdown to Michael Cross just 21 seconds later.

Owen Powell kicked both extra points for the Huskies. Compassi finished the game 10-of-16, throwing for 275 yards. Cross caught seven of those receptions, totaling 139 yards.

Unbeaten Jefferson ends Westfield's season

It was an interesting situation for Westfield Friday: The Shamrocks were coming into their Class 6A Sectional 4 game with Lafayette Jefferson as the upset-minded team.

Nance

Westfield traveled to the Bronchos' field for a date with undefeated Jeff. The 'Rocks battled through a back-and-forth game before a late touchdown lifted the Bronchos past Westfield 27-24. Jefferson remains unbeaten at 10-0, while the 'Rocks finished their season at 4-6.

Westfield answered Jeff's every score, leading to the teams finishing the first half tied at 17-17. Cameron Nance got the 'Rocks on the board with a two-yard touchdown run, then put Westfield up 14-10 with a 21-yard dash to the end zone.

Alex Bales kicked both extra points, and he was the one responsible for tying the game at halftime, as he kicked a 42-yard field goal in the half's last play.

Jefferson started the fourth quarter with a field goal to go up 20-17. The 'Rocks struck gold with a 35-yard pass play from Camden Simons to Kaleb Pettijohn, which pushed Westfield ahead 24-20.

But the Bronchos scored on an 11-yard run with 2:55 remaining, then recovered a fumble and held on for the win.

Dorian Henson was the leading rusher for the Shamrocks, with 92 yards in 15 carries.

Sheridan senior Gunnar Williams set a school record by kicking 65 consecutive extra points for the Blackhawks. Williams' streak started in his junior year and lasted through Week 9 of the regular season this year.

With school record 65 straight extra points...

Williams kicks it up a notch for Sheridan

By RICHIE HALL
Reporter Sports Editor

The act of kicking extra points in football is so common in football, that it's usually an afterthought.

Those extra points can add up, though. In the case of Sheridan senior Gunnar Williams, those kicks added up to a school record streak.

Williams kicked 65 extra points in a row for the Blackhawks in a streak that started last season and ended a couple weeks ago. Williams ran his streak up through Week 9 of this season, kicking two extra points during Sheridan's 55-13 win over South Decatur before finally missing in the second quarter.

After that, Williams started another streak, which is at 16 - and counting.

"He had a heck of a streak going, 65 in a row," said Sheridan coach Bud Wright. "That's by far the school record here. That's really a heck of a job kicking the ball."

Williams began kicking for the 'Hawks in his sophomore year, slowly taking on those duties as he became a member of the varsity team.

"My sophomore year I worked into it a little bit, so I was ready for my junior year," said Williams. "I didn't do the kickoff duties last year, just the extra points. It was something I had to adjust to, because at the beginning I wasn't too hot."

But once Williams got rolling, he became an automatic seventh point after Sheridan scored a touchdown.

"I just try to do my job," said Williams. "I didn't focus too much on what the amount was."

Williams has had quite a few opportunities to kick, since Sheridan has been scoring quite a few touchdowns this season. The 'Hawks are averaging 41.1 points per game, and have cracked the 50-point mark in six of their games. Twice Sheridan has reached 60 points, scoring 63 against Clinton Prairie and 64 against Taylor in consecutive weeks.

"I think the team's been playing great," said Williams. Sheridan is 9-2 for the season, with its only losses to very good Western Boone and Tipton teams.

Williams plays on both offense and defense for Sheridan, and does pretty well on both sides. The senior has scored eight touchdowns and also kicked a field goal. In fact, Williams is the second-leading scorer in Hamilton County with 106 points. The only player ahead of him is his Blackhawks teammate Joe Callahan, who has 164 points on 27 touchdowns and a two-point conversion.

"It's exhausting, but the opportunity is great," said Williams. "Not a lot of people get to play both sides of the ball and that just means I get more playing time. I like to benefit my team as much as possible. I try to perfect everything I do, whether it's on the offensive side, defensive side or special teams. I'm sure all the other guys could vouch for themselves on that."

As a senior, Williams said he is starting to entertain the possibility of playing in college.

"I've really considered it," said Williams. "I don't have any offers. If someone's going to pay for my college, I'll definitely take it."

Cross country state finals

Carmel, Fishers boys go 1-2 with HSE's Fendel race winner, three girls teams make top six

The boys race was true to form while the girls race had a few surprises at Saturday's IHSAA state cross country meet.

In cold conditions at the LaVern Gibson Cross Country Course in Terre Haute, Hamilton County had the top two boys teams, and three of the top six girls teams. In addition, a county runner claimed the individual boys championship.

That champion is Hamilton Southeastern's Gabe Fendel. The senior won the race in a time of 15:17.2, finishing 2.3 seconds ahead of Cathedral junior Cole Hocker. The two had been trading the post-season championships over the past couple weeks, with Hocker winning the Noblesville regional, then Fendel triumphing at the Shelbyville semi-state.

This marked the third straight top 10 finish for Fendel, who will be running at the University of Colorado next year. Fendel was the individual runner-up last season, placed ninth in 2015. Fendel was a state qualifier all four years; he finished the race his freshman year in a time of 16:38.3.

Meanwhile, the Greyhounds won the state championship trophy for the 15th time, extending their record. Carmel's victory also meant a sixth consecutive finish in the top two, only the fourth time in history that has happened. The 'Hounds had a streak of seven consecutive top two finishes from 1976-82, and six in a row between from 1984-89. Anderson won the first seven state championships that were conducted by the IHSAA, dating from 1946 to 1952.

Carmel scored 94 points, with four of

its runners finishing in the team top 20. Keelan Grant led the Greyhounds by placing 14th; he scored 10 team points for Carmel. Grant was followed by Colin Murphy in 18th place (13 points). Ben Myers and Calvin Bates were 33rd and 34th respectively, but scored 18 and 19 points. Ben Miller finished the team scoring by coming in 57th, and his 34 points clinched the deal for Carmel.

The Tigers were next in line with 152 points, returning to the runner-up spot that they held in 2015. Fishers won the state championship in 2007, in only the school's second season since re-opening.

Sam Kuhn led the Tigers by taking 15th place, which resulted in 11 team points. Ethan Meyer took 26th place, scoring 16 points. At that point Fishers was facing competition from Westview, which had two runners score low - five and eight points respectively.

But the Tigers more than made up the difference in their next three runners. William Clark scored 27 points (finishing 46th overall), making up some ground after Westview's third runner scored 33 points.

Fishers then quickly closed its scoring when Alex Meyer and Thomas Brelage finished within 1.8 seconds of each other, scoring 48 and 50 points respectively. The issue was settled once the Warriors' fourth runner scored 56 points. Overall, Alex Meyer placed 75th and Brelage was 79th.

Two more county runners competed as individuals. Guerin Catholic's Quinn Gallagher placed 16th, earning All-State

Golden Eagles fall to Penn in state championship

By JIM BELSER

Guerin Catholic rarely stumbled in the Class 3A State Final girls' soccer game against Penn. But when it did, the No. 1 nationally ranked opposition capitalized en route to 2-0 win over the Golden Eagles. As a result, undefeated Penn (23-0-1) claimed its second IHSAA championship in a row, with this one coming at the Sellick Bowl at Butler.

Guerin coach Jonathan McClure was thinking about opportunities missed and the importance of scoring early. "It was critical, it could have created a momentum shift for us," he said. "There were some things that could have been considered but they weren't."

The Golden Eagles were game Friday night in the finals, putting up a stout defensive effort. But in the end, there was a little too much offense pressure from the All-American laden Kingsmen. Guerin's strategy was apparent early, as it fell back on defense and resisted taking many offensive chances.

"Obvious they have weapons all over the field, they have pace all over the field, they have confidence," McClure said. "I think their resume being here the third year in a row started to show itself and when things didn't go their way, you know, they've been here and that's where are going,"

It worked well in the first half, as the half ended scoreless. But when the action heated up in the second, Penn found chances to squeeze into scoring position for a pair of goals seven minutes apart. Florida State bound Kristina Lynch assisted on both at the 53 and 60-minute marks.

"We let Molly loose and she made an unbelievable touch, smashing in that first goal, and now you are playing catchup with a team that hasn't lost in two years," McClure said.

Penn out shot Guerin Catholic 13-5 in the contest, as it was the aggressors on offense for most of the game. Maya Lacognato for Penn led with five shots on goal. For Guerin, Adele Stradling led with two shots on goal. Defensively for Guerin, Malorie Bestard, Nici Gordon, Evelyn Bestard, and Megan Wampler battled hard against Penn, forcing the talented Kingman to work for everything

The Guerin Catholic girls soccer team gave it a battle against No. 1-ranked Penn, but two quick scores in the second half sent the Golden Eagles to a 2-0 loss in the Class 3A state championship game. Guerin finished its season with a 16-2-1 record.

they got.

The Golden Eagles got their best chance of the night when Anna Schulthies' left footer from eight feet almost crossed the goal line, if not for a tremendous save by the Penn goalie. The shot occurred midway through the first half, and it was the best chance for either team.

Claire Gavin, in goal for Guerin, was terrific with five saves on the night, including a pair of clutch corrals of Penn chances. Her counterpart from Penn delivered two saves of her own and was an asset in the defensive passing game for the Kingsmen.

The momentum might have changed against Guerin Catholic after defender Malorie Bestard was issued a yellow card after aggressive play with two minutes left in the half. The penalty kick found its way to the midsection

of Gavin, and it gave Penn its first taste of a goal.

The Golden Eagles withstood Penn's pressure for most of the contest but in the second half, the Kingsmen finally broke through. Molly McLaughlin scored for Penn on a cross from Lynch from about 15 yards out. Lynch followed it up with another assist, finding Lacognato in front of the goal as she dribbled in from the left side of the post.

A left foot blast by Guerin's Elle Vuotto from a corner kick sailed just over the crossbar with nine minutes left. Kelsie Smith scrambled for control of the ball in front of the Penn goal minutes later, and her shot also flew over the crossbar.

Guerin Catholic finished its season with a 16-2-1 record.

CARMEL

honors. Westfield's Nick Leahy finished 37th.

In the girls race, Carmel's streak of seven straight state titles was brought to an end by its neighbor to the west: Zionsville. The Eagles won their first ever state championship in cross country by knocking off Fort Wayne Carroll, 118-129. Zionsville had three runners score in the single digits and a third score 19 points; that was enough to hold off low scores from the Chargers' fourth and fifth runners.

The Greyhounds had the runner that scored one point: Phoebe Bates. The sophomore finished in a time of 18 minutes even, and that placed her second overall. The winner was Greencastle's Emma Wilson, who flew home in a time of 17:45.9.

Maddie Dalton was next for Carmel, scoring 17 team points and placing 25th overall, putting her on the medal stand. The 'Hounds finished with 169 points, ahead of Brebeuf Jesuit's 196. The Braves had gotten the better of Carmel at the regional and semi-state, but the Greyhounds finished ahead in the state battle.

Hamilton Southeastern and Fishers were within a point of each other: The Royals reached the podium by scoring 208 points, with the Tigers taking sixth on 209 points. Lulu Black and Halle Hill were 16th and 23rd respectively for HSE, earning their medals. Deborah Shera was Fishers' highest finisher, taking 29th.

Noblesville's Abi Little placed 18th overall, giving the Indiana University-bound senior a state medal for the third year in a row. Westfield's Gabby Dilick finished 43rd.
