## County, Riverview partner on new morgue

### The REPORTER

Hamilton County Coroner John Chalfin announced this past Friday that construction of a new morgue will begin mid-March. The project is a cooperative effort between Hamilton County and Riverview Health.

Chalfin stated that the current morgue facility built in the mid 1980's, operated by Riverview Health, used by the Coroner's Office, can no longer effectively serve the needs of his office and the hospital. "As the population increases, the need for additional morgue space increases for both the hospital and the county. The morgue expansion ensures that we can better serve the deceased and their families," said Chalfin.

The cost of the morgue expansion is just over \$1 million. Riverview Health is contributing \$500,000 and the county will pay the remaining \$567,539. "A joint facility is a significant cost saving for both organizations," continued Chalfin.

During the announcement the Coroner praised Hamilton County Commissioner Steve Dillinger and council member Steve Schwartz for their work in developing the project.

American Structurepoint will provide architecture and engineering services for the project and Mayer Najem Construction will serve as the project contractor.

## Republicans open Westfield HQ

Reporter photo by Jeff Jellison

Last Wednesday, The Hamilton County GOP held an open house and ribbon cutting for their new headquarters at 209 E. 175th St., Westfield. Attendees were able to tour the new space, which includes a larger office area, kitchen area and a large meeting room. Party members told the Reporter that this new location offers more flexibility and additional room for events. Party members cutting the ribbon included (from left) Adrienne Rogers, Kim Good, Jeff Heinzman, Jim Ake, Laura Campbell, Terry Anker and Jack Russell. ## Noblesville says new network keeps you safer

### The REPORTER

The City of Noblesville has become the first in Indiana to subscribe its public safety departments to FirstNet, a new lifesaving communications platform. With this move, all of the city's police, fire and EMS personnel have access to advanced technologies that will help them keep themselves and those they serve in Noblesville safer.

"We are proud to be the anchor tenant in Indiana and one of the first cities nationwide for this cutting-edge public safety communications platform," said Noblesville Mayor John Ditslear. "We want to lead in technology and public safety, and this move allows us to do both and provide better service to our first responders, residents and guests in times of need."

FirstNet is the country's first and only nationwide public safety communications platform dedicated to first responders. Built by AT&T, in public-private partnership with the First Responder Network Authority, it will give communications capabilities a major boost, providing a reliable, "always on" connection.

"By becoming the first community in Indiana to officially sign on to FirstNet,

For the first time in nearly 60 years, central Indiana is getting a new reservoir less than a quarter-mile away from Geist Reservoir.

Citizens Energy Group is hard at work on the "Citizens Reservoir Project," turning the current Irving Materials Inc. limestone plant just south of 113th Street and Olio Road into a fully functioning water storage reservoir.

Dan Considine, spokesperson for Citizens Energy, says the group purchased the property two years ago and expect the stone excavations to finish in late 2019. He

# Coalition still working hard for Sheridan

### The REPORTER

The Sheridan Coalition Committee has become an important part of the Sheridan community and yet probably most residents have never even heard of it. One of its major achievements has been to persuade Dollar General to add a fresh foods section to their store to help fill the food void created when Railer's went out of business.

The Coalition was the brain child of Gloria Del Greco, a NEP Community Wellness Coordinator for the Purdue Extension Service. Her office is in Noblesville. Purdue established the Community Wellness Coordinator positions in December of 2015 to help communities make the healthy choice the easy choice.

When Sheridan lost their grocery store and no longer had easy access to fresh produce, it became a priority community known as a "food desert". In partnership with Lisa Samuels, Gloria created a coalition of community members to address Sheridan's nutritional needs.

As Gloria relates, "We started meeting in April of

2016, determining who we should talk to help the community and then we started conducting community assessments. We conducted assessments with community members-at-large; school sector members; work site sector members; community institutions; and health care sectors. After completing the surveys, the coalition came up with a Community Action Plan and then determined what initiatives the Coalition would like to work on."

Gloria and Lisa have spent the last year and a half working through these initiatives. One of the most exciting and most needed initiatives was the introduction of fresh produce into the Dollar General store on the west edge of town. When Railer's IGA discontinued business, the availability of fresh produce and meats in the Sheridan community disappeared entirely.

The Coalition has also held an Active Living Workshop, which inspired more potential initiatives. One of these was the community sign competition which just recently culminated with the award for

best sign design being won by Parvin Gillim. The new sign announcing the community's presence will be constructed along State Road 38 as the highway enters the community.

The Coalition has also looked at ways to assist the Sheridan Main Street Committee with more community awareness and is excited to see the banners that Main

Street was able to secure for Sheridan. In addition, community members with transportation issues are excited about the senior bus service that is being brought to Sheridan in partnership with Janus and Shepherd's Center. And looking forward to 2018, the Coalition is hoping to be able to get a community garden started wherein community

members could be given a small plot to raise their own vegetables.

The past couple of years have seen the Sheridan Coalition Committee accomplish a lot of good things for the community.

According to Steve Martin at the library, "Gloria has taken the leading role for many of the things this community needs to

accomplish, and her accomplishments also speak well to the role Purdue Extension Services can play in a community. Gloria does not live here but she has kind of taken on Sheridan as a personal mission in her life and for that many of us are thankful. And we thank Purdue, too, for letting us have her talents to make our community a better place to live."

## Spark!Fishers to debut as new summer festival

By LARRY LANNAN  
[LarryInFishers.com](http://LarryInFishers.com)

Since 1989, The Fishers Freedom Festival has been the local community summer celebration. With the Freedom Festival organization pulling out, the new Spark!Fishers festival is set to launch in 2018.

The new event will be held Friday, June 29 and

Saturday, June 30. All the details are not yet available, but a group of over 80 people have formed seven committees to begin work on Spark!Fishers.

The Honorary Chairpersons for the new festival reads like a Who's Who of Fishers. They include Mayor Scott Fadden, Hamilton Southeastern School Superintendent

Allan Bourff, Conner Prairie CEO Norman Burns and recently-retired HSE Sports Executive Director Lynda Carlino.

The new festival will have a 5K run, parade and fireworks display. Spark!Fishers will also include a June 29 concert featuring a yet-to-be-named act with a national profile.

## Winter Reading Club at Sheridan Library

### The REPORTER

The Sheridan Public Library is once again offering customers a chance to sign up for the Winter Reading Club. According to director Steve Martin, "We have not done the club for the last couple of years because we have had the Bicentennial Reading Club going on year-round. We decided to go back to the old format this year because the bicentennial has been celebrated and a winter club has always been a popular activity for our adult readers in the past."

Customers are encouraged to sign up for participation if they have not already done so and become eligible for weekly prize baskets. Each week readers can earn up to three entries - one for each book read up to a total of three - for the weekly drawing held each Saturday morning. The weekly drawing is for a themed gift basket, with the themes changing each week.

Club participants who read a total of 10 books or more over the entire 10-week time period of the

club will be entered into a drawing for a \$25 gift card at the end of the club.

The Winter Reading Club ends on Saturday, March 17 and new participants may sign up any time. The library is open from 10 a.m. to 7 p.m. Monday through Thursday, from 10 a.m. to 5:30 p.m. on Friday and from 9 a.m. to 1 p.m. Saturday. The Sheridan Public Library is located at 103 W. First St. in beautiful uptown Sheridan, just on the country side of Hamilton County.

# IMCU contributes \$2,529 to Noblesville High School

## The REPORTER

Indiana Members Credit Union (IMCU) recently presented a check for \$2,529 to Noblesville High School as part of an ongoing school spirit debit card program. The partnership allows Noblesville fans the opportunity to show their school spirit and support the athletic program by signing up for a Noblesville Millers themed debit card. Every time the card is used as a signature based transaction, Noblesville athletics benefits. The more cards that are in use, the larger the contribution. Since beginning the program in 2012, Noblesville High School has earned \$13,329 through this IMCU giveback program.

Thea Tye, IMCU's Noblesville Branch Manager, and Thorpe Miller,

AVP, Sales and Marketing, IMCU, presented the check to Leah Wooldridge, Athletic Director, Noblesville High School, and Tony Oilar, Assistant Athletic Director, Noblesville High School, at the boys varsity basketball game on Jan. 26.

The card is available for issue to members at the IMCU Noblesville Branch, 9710 Butterfly Drive, as well as IMCU's other 25 Central Indiana locations. The IMCU Noblesville Millers debit card is free to members with IMCU's free checking account and can be issued immediately through IMCU's Instant Issue program, which allows members to receive their debit card on the spot. Help support Noblesville Athletics and visit the IMCU Noblesville branch or [imcu.com](http://imcu.com) for details.

# Deaf pianist plays Beethoven at Westfield Playhouse

By **STU CLAMPITT**  
[ReadTheReporter.com](#)

Main Street Productions (Westfield Playhouse) is partnering with the ALS Association Indiana Chapter for a production of 33 Variations, a play by Moises Kaufman. The play is in part about Ludwig van Beethoven, a composer who went deaf beginning in his late 20s. In an interesting twist, the local pianist who will perform selections from Beethoven's music, Kyle Thomas, has been deaf since birth.

"Our pianist is legally deaf," said Jan Jamison, director of this production of 33 Variations. "He's been deaf since birth. You ought to hear him play. Ever since I've known this young man I've thought, 'How does he do this?' He's taught himself piano and had lessons and it is just amazing. He knows his cues because he reads lips so well, so he knows when to start to play. It's just phenomenal to me. Kyle is amazing!"

Jamison told The Reporter she thinks this production has a great deal to offer. There is a partnership with the ALS Association, a wonderful story and a great musician who cannot hear how good he really is.

"People need to come just to hear him play something," Jamison said about Thomas. "It's just incredible. I can't say enough about him. It just made me tear up the first time I heard him play."

Moises Kaufman is the author of 33 Variations and his main character is suffering from ALS. Amyotrophic lateral sclerosis (ALS), also known as Lou Gehrig's disease, is a specific disease which causes the death of neurons controlling voluntary muscles.

"It is a story about a present-day musicologist," Jamison said. "The play is set in 2009. She is writing

a monograph on her theories, thoughts and research on why Beethoven wrote 33 variations on a very mediocre waltz that was written by Anton Diabelli. She has been diagnosed with ALS, so she is fighting a losing battle against time. She needs to get this done and satisfy her curiosity on why such a great musician would ever have done this."

The play moves back and forth between 2009 and 1823-1824 when Beethoven was writing these 33 variations while he was becoming deaf.

According to Westfield Playhouse's promotional material, the play is about a mother coming to terms with her daughter and a composer coming to terms

with his genius. And, even though they're separated by 200 years, these two people share an obsession that might, even just for a moment, make time stand still. It is an American play about passion, parenthood and the moments of beauty that can transform a life.

Westfield Playhouse Board President John C. Sampson said he finds the ALS partnership to be an important part of this production. According to Sampson, \$2 of every ticket sold will be donated to the ALS Association.

Westfield Playhouse is located at 1836 W. State Road 32. Call (317) 402-3341 or visit [westfieldplayhouse.org](http://westfieldplayhouse.org) for more information.

**NETWORK**

The City of Noblesville has shown tremendous leadership in public safety," said AT&T Indiana President Bill Soards.

By subscribing to FirstNet, Noblesville's public safety departments stay connected to critical information, and FirstNet helps ensure its personnel can easily and quickly communicate with one another. The communications platform provides Noblesville with another tool to be prepared no matter the everyday situation or event our public safety may face.

"Communication networks become congested in disasters, emergencies or even large city events or concerts at Ruoff Home Mortgage Music Center. With FirstNet, first responders and other public safety personnel will access one highly secure, nationwide, interoperable communications platform that will support voice, data, text and video communications," Noblesville Police Chief Kevin Jowitt said.

Noblesville's decision to join FirstNet was based on the following three benefits/critical factors:

- **Groundbreaking access** – FirstNet is the only platform that gives first responders priority and preemption. This means Noblesville's public safety

employees will never have to compete for a connection on a congested network.

Instead, the city's communications are prioritized, helping employees stay connected to the information they need, so they can keep themselves and those they serve safe and secure.

- **Robust technology** – FirstNet enables Noblesville's first responders to use data in new ways, and it gives them the flexibility to choose the right data plans for the right job, including

unlimited, pooled and machine-to-machine options.

- **System reliability** – AT&T will build FirstNet to the high standards required by the First Responder Network Authority. In addition, AT&T has a fleet of deployables to provide coverage support as needed.

"The amount of connectivity and its reliability is absolutely mission critical. Our communication needs extend beyond phones to connecting our computers to our dispatch center, our

EKG Monitors to the hospital and many other devices that have a direct impact on firefighter and citizen safety and healthcare outcomes. These must remain connected, especially during major events which is historically when cellular systems have been overloaded," Noblesville Fire Chief Greg Wyant said.

When a major event occurs, it's important to share data with other responders. As more agencies join FirstNet – across the State of Indiana and across the nation – it will drive a greater level of interoperability for public safety. This will help Noblesville communicate with ease across agencies, jurisdictions and even state lines.

"Emergencies can truly happen anywhere, so first responders everywhere deserve access to reliable communications capabilities that help them keep themselves and those they protect safer," said Indiana Integrated Public Safety Commission Executive Director David Vice.

"FirstNet is the exclusive communications platform built with AT&T for public safety, inspired by public safety – there is no substitution for this network that they fought for," said First Responder Network Authority CEO Mike Poth.

**NOTICE TO BIDDERS**  
 Notice is hereby given that Hamilton Heights School Corporation ("Owner"), by and through its Board is requesting sealed bids for furnishing all labor, services, supplies, materials, tools, equipment, and transportation necessary for the Hamilton Heights High School Interior Finishes Renovation.  
 Multiple Lump Sum bids will be considered for the Work:  
 BC 1-Resilient Base and Carpet Flooring  
 BC 2-Painting  
**The sealed bids will be received until, February 14th, at 3:00 p.m. (EST). Bids must be delivered to:**  
**Ms. Peggy Jackson, Associate Superintendent**  
**Hamilton Heights School Corporation**  
**410 W. Main Street**  
**Arcadia, Indiana 46030**  
 All Bids received at such place, date, and time will be opened and read aloud in public at the address listed above immediately after the posted time. All bids received after such time will not be considered and returned to the respective bidder unopened.  
 All work for the complete construction of the Project shall be performed under one or more prime contracts with the Owner. The form of the contract is set forth in the Bidding Documents. Two copies of bid forms shall be submitted on forms provided in the Bidding Documents and project manual, and shall be properly executed in accordance with the current edition of the Indiana State Board of Accounts Form 96 - "Contractor's Bid for Public Works." Bidders must complete the entire bid forms including a statement of experience, proposed plan or plans for performing the work, the equipment the Bidder has available for performance of the work, non-collusion affidavit, and financial statement complying with Form 96. Bidders must include a satisfactory Bid Bond or certified check pursuant to Ind. Code 36-1-12-4.5, payable to the Hamilton Heights School Corporation. Bid Security shall be in the amount of not less than 10% of the Bidder's total contract price. Should a successful Bidder within ten (10) days after written notice of acceptance of bid withdraw its bid, fail to provide the required payment and performance bonds, or execute a satisfactory contract, the Owner may then declare that Bid Security forfeited as liquidated damages, not as a penalty.  
 Wage rates shall not apply to this Project. All Contractors and Sub-Contractors shall comply with all applicable laws including but not limited to the requirements of Ind. Code 5-16-13 et seq, and as detailed in the Bidding Documents. Contractor must also be able to meet all requirements found in applicable public works and contract statutes.

Costs associated with digital and printed plans and specifications obtained from Eastern Engineering Supply Inc. are and will be incurred by and at the expense of the contractor and are non-refundable.  
 Prior to approval and execution of the Owner's contract, the Contractor(s) who is the successful Bidder shall furnish an approved Performance and Labor and Materials Payment Bond in the amount of 100% of the contract amount, which shall cover the faithful performance of the contract and the payment of all obligations arising hereunder. Performance and payment bonds shall remain in full force and effect for a period of one year after the Owner's acceptance of the work and Owner's final settlement with the successful Bidder.  
 The Owner expects to award the contract(s) for the work to the lowest, responsible and responsive Bidder(s). The Owner reserves the right to hold bids, including any alternates, for up to 60 days from the date of the bid opening. The Owner reserves in its sole discretion the right to reject any and all bids, is not obligated to accept the lowest or any other bid, and may waive any irregularities, discrepancies, omissions, variances or informalities in the bidding procedure.  
 A pre-bid meeting for discussion of the Project, reviewing the scope of work, project specifications and drawings, bid documents, the bidding qualifying requirements and other important matters will be held at Hamilton Heights High School, 25802 SR 19, Arcadia, Indiana 46030 on Thursday, February 1, 2018 at 3:30 p.m. (EST). # Judge Gail Bardach seeks re-election

## The REPORTER

Judge Gail Bardach, Hamilton Superior Court 6, is seeking re-election in the May 8 Republican primary. Bardach has served as Judge of Superior Court 6 for 11 years. Prior to 2007, she served as Judge of the Carmel City Court for almost 14 years.

In her current position, Bardach has presided over thousands of criminal, civil and traffic cases each year. In 2010, Bardach developed the Hamilton County Drug Court. She continues to preside over that specialized docket of Superior Court 6, which seeks to reduce the recidivism of nonviolent, but seriously drug addicted, criminal offenders. As Drug Court Judge, Bardach leads a team of 16 professionals in the justice and treatment communities, to help recovering addicts remain drug free and otherwise out of the criminal justice system and to be-

come productive and contributing members of our communities.

Bardach has additionally chaired the statewide Indiana Judicial Conference Community Relations Committee and currently chairs the statewide Indiana Judicial Conference Court Alcohol and Drug Programs Committee. She is also a member of the statewide Indiana Judicial Conference Problem-Solving Courts Committee, the National Association of Drug Court Professionals, the Hamilton County Community Corrections Advisory Board, the Indiana Judges Association and the Hamilton County Bar Association.

Bardach said, "I am looking forward to continuing to serve the people of Hamilton County, as I have for the past 25 years. I've

Bardach

dedicated my career to serving our community and I'm excited for the opportunity to preside over Superior Court 6 for the next six years."

Bardach graduated *summa cum laude* from the Indiana University McKinney School of Law and earned her undergraduate degree at Indiana University (Bloomington). Prior to becoming a judge, she served as Assistant United States Attorney for the Southern District of Indiana and as a Deputy Prosecuting Attorney in Marion County.

Bardach has been married to her husband Lee for 44 years, and they together have raised three grown children: Jeff, Carey and Evan, who are all pursuing and fulfilling their professional careers in journalism, education and the law.

# Remembering Judge Ardery . . .

# Politics, favorite topic for many this spring

I am told that many of our Reporter readers are interested in local politics. We are now entering a new election season with the primary only a little over three months away.

The Republican primary is of great importance in Hamilton County because our 50 local elective officeholders are usually chosen in the primary. Democrats rarely are successful in the November general election.

The last Democrat to win a countywide election was Charles W. Ardery who was elected 60 years ago as judge of the Hamilton Circuit Court. Charlie is now 87 and a resident of the Robin Run Village, a retirement community in northwest Indianapolis.

He was elected in 1958 at the age of 35 in a stunning upset over the GOP candidate Warren Day. Charlie was a popular member of the local Jaycees, a prominent organization at the time. He also worked hard, really hard, to win election, getting some Republicans to jump the fence, and had the good fortune of running in a year when there was a nationwide trend favoring Democrats.

The judge served one six-year term and did not seek re-election. He moved to Indianapolis where he practiced law for many

The County Line

FRED SWIFT

years. Charlie had grown up in a rural area near Westfield learning an appreciation for the law and politics from his mother, Phoebe Jane Ardery, a lawyer and red-hot

Democrat herself.

While speaking of strong Democrats, current County Chairman Joe Weingarten is among those who are considering changing the name of the party's annual Jefferson-Jackson Day Dinner. It seems some in the party feel that in our age of political correctness the Democrats should not have their traditional political gala named for slave owners as were both Thomas Jefferson and Andrew Jackson.

Actually, former President Jefferson is considered to have been a Democratic Republican in the days before parties were operating under their current names. By President Jackson's time in the 1820s-30s the name became simply Democrat. Jackson took a hit just last year when federal officials decided to take his portrait off the \$20 bill sometime in the near future because of some of his actions against American Indians as well as his record as a slave owner.

Meanwhile, Republicans are planning their annual gala, the Lincoln Day Dinner, which will be held

this year in a new location at the 502 East banquet center in Carmel. They are planning on having the five candidates for U.S. Senate as honored guests at the March 22 event. One of the five will be chosen in the May 8 primary to challenge incumbent Sen. Joe Donnelly in November.

The county GOP has also moved their headquarters from Fishers to Westfield where they have more office and meeting space as they prepare for the 2018 election cycle. They plan to gear up for a tough general election campaign as Hamilton County is seen as an increasingly important player statewide.

Also, county election officials are planning to continue to have early voting centers which presumably help encourage greater voter participation. The voting centers were well received in the 2016 election when locations were established at the Carmel Library and Fishers City Hall. This year there is consideration of another site in Westfield.

Hours and exact locations will be announced later. The general idea is to give voters an opportunity to cast their ballot during evening hours and weekends at locations closer to the homes of many citizens. Early voting will also continue to be offered at the Government and Judicial Center in Noblesville.

# Roberts running for House District 29

## The REPORTER

Tracy Roberts, a Hoosier native and graphic designer, has announced her candidacy for Indiana House Representative in the 29th District.

The 29th District has been held by the same Representative for more than 20 years. Roberts will bring a new perspective and balance to the State House.

"I want to show my children that civic involvement is essential in developing strong communities," Roberts says. "For them, and for all our children, a good quality of life shouldn't be a partisan issue. I will work hard to make sure everyone's voice is heard - not just those of the lucky few."

She is running on a

platform that emphasizes quality early education, effective healthcare and increased economic incentives for emerging industries like clean energy.

"It's an exciting time for local politics. I believe we can become a stronger Indiana and I want to be a part of the change." Tracy is the Club Chair of the Hamilton County Democratic Party.

# New directors appointed for two county agencies

By FRED SWIFT  
[ReadTheReporter.com](#)

Shane Booker has been appointed executive director of the Hamilton County Emergency Management Agency effective Feb. 12. Booker has been with the EMA for the past three years. He takes over from acting director Carl Erickson.

Booker has 20 years' experience in public safety including law enforcement. He is a graduate of the University of Indianapolis and has most recently been managing projects for the county EMA. Emergency Management, the outgrowth of Civil Defense which

was formed in 1950, is responsible for coordinating fire, police and other public services in response to community emergencies including flood, fire, tornado, dangerous chemical spills or other natural or man-made disasters.

Emergency Management is housed in secure facilities at the county sheriff's department, 18100 Cumberland Road, Noblesville.

County officials have also announced the appointment of Monica Greer as director of the Council on Alcohol and Other Drugs. She will assume her duties in March replacing George Kristo who served 22 years in

the position.

Greer has been a probation officer with the Hamilton County Probation Department the past four years. Originally from Yorktown, the Noblesville resident is a graduate of Ball State University.

The Council on Alcohol and Other Drugs works to discourage the use of alcohol and illegal drugs by local young people. The council sponsors various projects and provides financial assistance to DARE, MADD and other groups attempting to curb illegal substances.

The council offices are located in the county Government and Judicial Center in Noblesville.

# Hamilton County Soil and Water receives \$38K Clean Water Indiana grant

## The REPORTER

Hamilton County Soil and Water Conservation District is pleased to announce it has received funding to continue their urban agriculture program via a \$38,000 Clean Water Indiana Grant through the Indiana State Department of Agriculture.

The Urban Agriculture program was started in 2016 and supported through 2017 with grants from the National Association of Soil and Water Conservation Districts and Legacy Fund - a Central Indiana Community Foundation affiliate. The program builds on the success of the urban conservation program and supports backyard and community gardens across Hamilton County. Technical assistance is provided to help county

residents start new vegetable and fruit gardens and improve their existing gardens. Comprehensive education and outreach programs are focused on alleviating food insecurity in the county and connecting residents with local food. Donations of fresh vegetables to local food pantries are supported by pairing businesses, community gardens and service organizations with food pantries. The Hamilton County Garden Network was created to support and connect the growing number of community gardens across the county.

"The urban agriculture program has really developed and gained steam over the last year and a half and this grant will help us keep moving forward and continue pro-

viding valuable assistance to Hamilton County residents," said Claire Lane, Urban Conservationist.

More information about the services provided by the Soil and Water Conservation District, including info on the Urban Agriculture program and Hamilton County Garden Network can be found online at [hamiltonswcd.org](#). # Who we are meant to be

If you have not seen the movie. "The Greatest Showman" I would say to you, do not walk, but run, to your nearest theater. Be ready to engage your soul to the music and story of what may become one of the favorite movies of your lifetime.

From the first few beats of the music, your entire being will be grabbed. There is no viewer discretion. It is one for all ages.

Can you tell I loved the movie? I say that with the most passion the word "love," for a movie, invokes.

It is a beautiful story of love and redemption. The marginalized people are celebrated. Happy day! Hallelujah!

Anyone who has ever been made to feel "less than" will be moved. Words that have cut you to the quick of your soul will be heard again. Those words will be sung again into existence only this time they will make you stronger.

"This is Me" is sung by Keala Settle, who plays the bearded lady. Every time I listen to the soundtrack (which is a lot) I feel as though I have been to church.

The storyline of this movie is told not only in the words spoken but the lyrics of the songs. Music speaks to the heart. Music speaks to the soul.

Anyone who has ever been broken by being made to feel less than. Anyone who has the scars of ugly words that were cast upon them. Anyone who has been afraid to step out of the darkness of their past. Anyone who has watched someone struggle with being different. You all need to see this movie.

Who amongst us has not felt this way? Maybe not to the degree the "different" people of the circus felt, but exclusion hurts to any degree. Even

From the Heart

JANET HART LEONARD

P.T. Barnum was made to feel less than because of his being raised poor.

Sometimes the actions and the voices from our past are stirred up and then spill over into how we feel and respond in our present. They are captured in a vat of hurt and shame. What do we do with them? Brokenness. Ugliness. Cruel words. We become slaves to the opinions of others.

Then in a moment of recognition we look into the mirror of our soul and we realize . . . WE ARE

WHO WE ARE MEANT TO BE.

We are stronger because of being broken. Our hurt or our shame no longer keeps us hidden. We become a light escaping from the darkness. Our hearts are softer and we can feel empathy because we have been there. Our scars become a tattoo of beauty that the world needs to see. The words no longer beat us down but lift us up to where we are meant to be.

Our battle cry becomes "We are Glorious!" We become brave. Yes, we are who we are meant to be and then . . . we can make a difference in the lives of others.

# Fishers police warn drivers about lost license plate scheme

WISH-TV  
wistv.com

Fishers Police are working to warn the community after a “suspicious incident” near a busy intersection recently. Two men are accused of trying to get a woman who was driving alone to pull over. They told her she had lost her license plate.

It happened around 6 p.m. Sunday, Jan. 28 near 116th Street and Allisonville Road. Police described this as a dangerous situation. They want to talk to the two men involved to find out their intent.

The woman told police that as she turned onto Allisonville Road, two men pulled up next to her and started honking their horn, trying to get her to roll the window down.

“The men indicated to her that she had lost her license plate and asked for her to pull over. She immediately questioned them and when she did so, the male passenger held up a license plate indicating that it belonged to her. Fortunately for her, she knew

Weger

her license plate number, and she knew this was not her license plate,” said Sgt. Tom Weger with the Fishers Police Department.

Police say the woman did the right thing by driving away, and they say when something like this happens, officers need to be made aware right away.

“So that we can locate these individuals and determine what their intent was,” said Sgt. Weger. “This is definitely a 911 situation.”

Officers only have a vague description of the car the men were driving. They tell us it was a light blue pickup truck.

“There is a good possibility that someone may have seen this interaction. Maybe they could provide us with a better description of the pickup truck or of the men. Or maybe they too were approached and just didn’t think to call us,” said Sgt. Weger.

Investigators are asking anyone with additional information on this case to give them a call at 317-595-3300. If this happens to you, call 911.

# OurHealth set to take over Fishers municipal employee health clinic

By LARRY LANNAN  
LarryInFishers.com

The City of Fishers is preparing to welcome a new vendor providing medical services to municipal employees. During the month of March, a company named OurHealth will be moving into the space for the city employee clinic in the Meyer Najem building downtown.

The Fishers facility will be the seventh OurHealth clinic in the Indianapolis metropolitan area.

“We were attracted by the innovative approach OurHealth takes to customize its healthcare service for individual clients and for their proven record of positively impacting patient health,” said Fishers Mayor Scott Fadness in a news release. “The OurHealth team has an entrepreneurial drive, and we see them as the latest innovator to join our community.”

OurHealth says its clinics rely heavily on technology and individual em-

ployee attention to specific health issues.

The firm claims its customers see an average savings of 20 percent on healthcare costs, mostly in the form of reduced emergency room visits, savings on specialty referrals and reduced lab and medication costs. Its client list includes OneAmerica, Genesys (formerly InterActive Intelligence), Ice Miller LLP, the Indianapolis Airport Authority, the City of Indianapolis and the City of Charlotte.

During 2017, the company says its patients lost a combined 33,000 pounds, 76,000 points of bad cholesterol and 2,000 points on A1c levels (the leading indicator for diabetes).

In late November, the Fishers Board of Public Works and Safety terminated the city’s contract with QuadMed, the firm that had handled the city employee health clinic since 2008. Mayor Scott Fadness said that contract was ending due to “performance issues.”

# Pancakes serve a good cause in Noblesville

The REPORTER

The Boys & Girls Club, in partnership with the Noblesville Sunrisers Kiwanis Club, will host its annual Pancake Breakfast from 8 a.m. to noon on Saturday, Feb. 10 at the Community Center, located at 1700 Conner St., Door 4.

Tickets to the pancake and sausage breakfast are \$5 and can be purchased in advance at the Community Center, at the Boys & Girls Club, or at the door the day of the event. The Noblesville Sunrisers Kiwanis Club members will be on-site that morning to assist in preparing breakfast for

those in attendance. Each year, over 1,000 people attend this fundraising event to benefit BGCN’s sports programming.

“The Pancake Breakfast marks the midway point in our basketball season, and pairing it with Picture Day always makes for a packed house and exciting day for the kids,” said Tony Eslamirad, Sports Director at the Boys & Girls Club. “Each year, the kids seem to get more and more excited about selling the most tickets and the potential to win the team prize of getting a limo ride to a Pacers game!”

In addition to the Pancake Breakfast, BGCN will also be hosting an open house from 9 to 11 a.m. for the public to get a look inside the new Tom & Soni Sheehan Boys & Girls Club of Noblesville. Guided tours will be available, or guests are welcome to explore the many new rooms the Club has to offer such as the strength and training room, the music room

and the cafeterium. Open house guests are asked to enter the Club at Door 1 on the southwest corner of the new Club.

For more information about the breakfast and to purchase tickets, please contact Tony Eslamirad at 317-773-4372 or by email at [teslamirad@bgcn.org](mailto:teslamirad@bgcn.org). For more information on the open house, please contact Abby Rinehart at [arinehart@bgcn.org](mailto:arinehart@bgcn.org).

# Noblesville Schools offers transportation tour

The REPORTER

Noblesville Schools is inviting the community to join them at 9:30 a.m. on Friday, Feb. 23 for a dedication and tour of their new transportation center. The new center is located at 19790 Hague Road adjacent to West Middle School. It replaces the previous location on Field Drive near Noblesville High School.

“Our former transportation center was built in 1978 when Noblesville Schools served approximately 4,000 students and couldn’t provide the space we need

today to serve over 10,000 students,” said Beth Niedermeyer, superintendent of Noblesville Schools. “Our new facility significantly increases capacity, providing room we need for our bus fleet, maintenance bays, office management, meeting space, driver parking and storage.”

Transportation staff relocated to the new Hague Road location in January and bus routes have been running from there since school resumed following winter break.

The new location was chosen because of its acces-

sibility for bus routes and its infrastructure design. It was also a cost savings for the district because they already owned the land. The location next to West Middle School will also help address the parking shortage at that school, providing West event visitors additional parking options.

The design was crafted with the community in mind, incorporating a maximum set-back off the road and landscaping buffers to address any sight or noise concerns from neighbors. Traffic impact was explored with the City of Noblesville

and the Indiana Department of Transportation with no noted concerns.

The \$10.5 million cost of the construction project was financed through construction bonds, with no increased tax burden for residents and no referendum dollars being spent on the project.

The effort initially kicked off in July 2016 with a public project and preliminary determination hearing. A video of the public hearing on the center can be found at [noblesvilleschools.org](http://noblesvilleschools.org) under the school board tab.

# RESERVOIR

says the quarry has been in operation since 1956, and crews have dug 250 feet into the earth on the 88-acre plot. That’s perfect for the city’s newest reservoir, he said.

“It’s quite a simple solution to a really important issue,” said Considine. “We’re essentially going to let a very large quarry fill with water, and we’re going to build some pumps that will pump it into Geist, and it’ll flow downstream over the dam and into our treatment plant.”

Considine says 60 percent of the water supply for Indianapolis comes from the Central Canal channel, fueled by Fall Creek and the White River. If problems arose in Central Canal or if Indianapolis experienced a serious drought, the city’s water supply would take a noticeable hit.

Building an additional reservoir costs around \$500 million, Considine says, but simply filling an out-of-use quarry and building pumps will cost from \$20 million

to \$30 million.

“It’s a really great cost-effective way to ensure water supply for Indianapolis,” he said. “We’re not on Lake Michigan. We’re not on Lake Erie. We’re not on the Ohio River. . . We really have to be smart and really plan well to make sure this area has the water it needs for economic growth and population growth.”

When the quarry is full, Considine says it’ll hold about 3.5 billion gallons — half of what

Geist Reservoir currently holds, but with a much smaller footprint.

However, that capacity means locals won’t be able to enjoy a day out on Citizens Reservoir. It will be fenced in with no boating, swimming or fishing allowed.

“It wouldn’t be advisable to have a house with a dock, where at the end of the dock, your water is 250 feet deep,” Considine says. “That wouldn’t be wise.”

The reservoir is expected to be complete by 2020.

### Girls basketball sectionals

# Huskies win championship in overtime

Hamilton Heights girls basketball coach Keegan Cherry could have said the exact same thing on Jan. 18 as he did on Saturday, Feb. 3: "It was a hard-fought victory over a really good Yorktown team."

The two teams played each other to double overtime in January, and met again Saturday for the Class 3A Sectional 24 championship at Blackford. This game "only" went to one overtime, but the result was the same. A win for the Huskies.

Heights beat the Tigers 41-36, thus winning its first sectional title since 2013. The Huskies had to hold off a comeback by Yorktown in order to get the victory, as they led 18-11 at halftime.

Yorktown pressed Heights early, but the Huskies were able to break the press and get up to that early lead. Kayla Kirtley had seven points in the first half, while Bayleigh Runner scored six.

The Tigers worked their way back into the game in the second half, eventually tying it up at 33-all by the end of regulation. Yorktown freshman guard Carley Culbertson scored 23 points in the second half.

"She made a bunch of tough shots," said Cherry.

Heights was able to make the shots it needed as well, including a big 3-pointer from Lauryn Wiley. Once the Huskies got into

the overtime, they started pressing and that helped them take control, forcing Yorktown into turnovers. "The press kind of bothered them late," said Cherry. "Really proud of the seniors, couldn't be happier for them."

Kirtley, one of the seniors, finished the game with 13 points, in addition to nine rebounds and two blocked shots. Runner added nine points, while Ana Collar pulled 10 rebounds to go with eight points.

Heights is now 19-7 for the season and will travel to the Columbia City regional next Saturday, Feb. 10. The Huskies will play Marion in the 10 a.m. semi-final game, with Fairfield and No. 9 Concordia Lutheran playing the second semi-final at noon.

Hamilton Heights advanced to the championship game with a 57-45 win over Jay County on Friday, Feb. 2.

The Huskies slowly pulled away from a good Patriots team. Heights led 12-7 after the first quarter and 26-15 at halftime.

"We were really good that first half," said Cherry. "Jay County's really good."

Cherry said his team guarded the Patriots in different ways - straight up, man-to-man - and did a great job defensively.

"The girls executed the game plan perfectly," said Cherry. "The mentality that they showed tonight

is what it takes to win championships."

The Huskies were led in scoring by Kirtley, whose 17 points included three 3-pointers. Runner finished the game with 10 points and dished out six assists. Collar pulled 10 rebounds to go along with eight points and four steals. Lexi Branham added eight points, plus five steals and four assists.

Wiley's eight points and Dissett's six completed the Huskies

scoring. Cherry was also pleased with the team's rebounding, noting that Jay County is a good team on the boards.

"We did a good job on the backboard, too," said Cherry. "They offensive rebound well as a team. They crash hard."

Heights cruised in its first-round game on Wednesday, Jan. 31, taking care of Blackford 65-26.

The Huskies were in control from the beginning, leading 19-8

after the first quarter and 32-16 at halftime. Heights never allowed the Bruins to score more than eight points in a period, while landing three of its players in double figures for the game.

Kirtley led the Huskies with 15 points, while Runner added 13 and Branham scored 12. Collar collected six rebounds, with Runner pulling five. Branham made seven steals and dished out five assists, while Runner had five steals for the game.

## Hot start leads Carmel to third straight title

By RICHIE HALL

Carmel had one goal in mind as the girls basketball Class 4A Sectional 8 championship began Saturday, Feb. 3 at Fishers: Let it fly.

The Greyhounds got off to an aggressive start, and that carried them to a third consecutive sectional title. Carmel, the second-ranked team in 4A, beat Hamilton Southeastern 68-48 to win Sectional 8 and qualify once again for the Kokomo regional.

The 'Hounds led 23-6 after the first quarter, with their two sharpshooters leading the way: Tomi Taiwo drained four 3-pointers in that period alone, while Amy Dilk threw in three triples.

"We wanted to play a real aggressive, physical game," said Carmel coach Tod Windlan. "We told our kids, our good shooters, 'When you're open, let it fly and shoot it with confidence.'"

That confidence carried through into the second quarter, in which the Greyhounds led 33-9 at one point. Reagan Hune added five points in that period, while Taiwo hit another '3,' bringing her total to five. After receiving a scare from Noblesville in Friday's semi-finals, Carmel wasn't about to let Saturday be a repeat.

"Yesterday, it was a battle for sure, and today we learned our lesson," said Taiwo. "We ran over sets again and we figured out what we needed to do to come out with a win and obviously make it easier for ourselves. And we made our shots."

The Royals finished the second quarter on a 7-0 run, cutting Carmel's lead to 33-16 at halftime. Molly Walton helped HSE out with four points, a free throw and

a 3-pointer. But the 'Hounds opened the second half on an 10-0 run. Taiwo scored seven of those points, starting with her sixth 3-pointer of the game. She was the game's leading scorer with 26 points.

Jasmine McWilliams scored the other three points, on a free throw and a layin. After that, Carmel continued to roll, enjoying its largest lead of the game in the third quarter at 51-22.

"That team's good and we had them down close to 30 at one point," said Windlan, who credited assistant coach Craig Brunner with a good scouting report. "We really played well on both ends, and I thought we were the aggressor on both ends."

The Royals made a push in the fourth quarter, scoring eight unanswered points to get to with 56-41. Amaya Hamilton scored six points of that run, while Walton's quick steal turned into two more points. Southeastern was still within 58-43 with 3:38 left to go, but Carmel

wouldn't allow them to get closer. The Greyhounds scored their last eight points from the free-throw line, going 8-of-8 in the final three minutes.

"It's definitely been like a journey, but doing it with the team I have has been awesome, and being able to play with the seniors

that I have has just been great," said Blake Smith. She led the way on the boards, with seven rebounds. McWilliams collected six and Dilk had five.

Dilk also added 18 points and dished out nine assists. She did all this with

The Golden Bears led 16-8 after the first quarter and 31-14. The Blackhawks hung tough in the third period, scoring 19 points, but Monroe Central wouldn't allow them to get any closer, outscoring Sheridan 17-4 in the fourth.

Senior Audrey Reed finished her career with 15 points; she is a 1,000-point scorer for the Blackhawks. Nixon Williams made three 3-pointers for nine points and also led the rebounding with five.

Sheridan finished its season with a 13-9 record.

# Host Trailblazers cruise to Sectional 58 championship

Senior guard Natalie Nickless served as a steadying force, then sophomore forward Lindsey Syrek put the game away after the break, as University captured its first sectional championship in six years, defeating Bethesda Christian 74-55 in the Class 1A Sectional 58 title game Saturday, Feb. 3 at the U Center.

Both teams looked anxious in the opening minutes, and the Patriots (18-6) took the early lead — the Trailblazers (18-7) didn't take their first lead until 4:07 into the game, when Nickless hit a 3-pointer to give University a 7-6 edge. That advantage was short-lived, though, and after trailing 15-12 at the quarter mark, University would not re-take the lead until its lone senior was involved once more. Nickless scored to tie the game up at 17-17, assisted a junior Haley Tomlinson bucket to give University the lead, then hit a 3 to push that lead to five, at 22-17.

The Patriots had a response, though, and clawed the game back to 22-22 midway through the second quarter — but it was Nickless ready to make the next move, finishing off an assist from junior guard Lily Snyder to put University ahead, 24-22. The

Trailblazers never relinquished that lead.

Nickless scored 15 of her 20 points in the first half, many at key times. She gave University its first lead, assisted on the bucket to put them back ahead, then scored the points that put her team ahead for good. When University pushed its first-half lead to its greatest margin, 10 points at 34-24, it was again off a Nickless bucket.

Bethesda Christian closed the gap to 34-27 at the break with a 3-pointer in the closing seconds of the second quarter, but never got closer, as the Trailblazers finally were able to consistently establish Syrek in the post, who scored 16 of her team-high 22 points in the second half to pull away from the Patriots.

With the arrow in their favor coming out of the break, the Trailblazers got the ball to Syrek on the opening possession to lead 36-27. She hit two free throws the next time down the floor and, then followed it up with another bucket a few minutes later to run University's lead to 43-31. Lily Snyder closed the third quarter strong with a trio of buckets, including two 3-pointers, as University won the third quarter 19-8

to lead 53-35 through three. Lily Snyder finished with 16 points, two off her season high.

University salted the game away in the fourth quarter, never letting the lead get smaller than 13, at 54-41. That's when junior forward Lucy Snyder hit one of her two made field goals all night — but it was a key one, as it halted a quick 5-0 Bethesda Christian run and gave the Trailblazers some breathing room. Syrek scored three on an and-1

on University's next possession, then junior guard Haley Tomlinson broke out to help salt the game away, going 5-for-7 from the line late to clinch the win. The lead was at its largest when Syrek hit a free throw to put University up 69-45 with 2:23 to play before junior guard Brooke Andrus added an exclamation point from the free throw line late.

For the first time since 2012, University is headed back to the regional at Southwestern

(Shelbyville), and the Trailblazers will face their toughest test of the season, playing No. 4 Jac-Cen-Del in the regional semi-final that will tip at noon. No. 3 Tindley looms as a likely opponent if University can pull off the upset.

In earlier games, University defeated Indianapolis Metropolitan 90-23 in the Tuesday, Jan. 30 first round, then beat Indiana Deaf, 63-50 in the Friday, Feb. 2 semi-finals.

# Golden Eagles beat Brebeuf, fall to Cardinal Ritter in semi-finals

The Guerin Catholic girls basketball team started its sectional quest with a remarkable defensive effort.

The Golden Eagles overwhelmed Class 3A Sectional 27 host Brebeuf Jesuit 39-10 Wednesday, Jan. 31. It was the first time in three years that Guerin had won a sectional game, while those 10 points was GC's best defensive effort since it held Indianapolis Marshall to eight points last season.

The Golden Eagles scored the first five points of the game, all credited to Nicole Cunningham. The sophomore opened things

up with a 3-pointer, then made one foul shot at the 4:31 mark, and another with 2:33 to go.

The Braves got on the board with a pair of free throws at the 2:17 mark, then a layin cut Guerin Catholic's lead to 5-4. But Sydney Geis answered that with a 3-pointer, and that turned out to be the beginning of a 14-0 GC run that finished the first period and extended well into the second quarter.

"We were trying to get the ball inside, quite frankly," said Guerin coach Dave Roth. "But we had to take

what we could get, and we knew that the girl that we wanted to take that outside shot was either Sydney or Nicole. Nicole had already taken a couple and was feeling like it's time to drive.

"Sydney's 3 helped get the team from the bench standpoint into the game a little bit more, which I think helped get the defensive movement going, because we were a little bit slow on our feet defensively prior to that."

Grace Hackett had back-to-back baskets in the second quarter as part of that run. Brebeuf made one

basket in the period, but Guerin Catholic led 23-6 at halftime.

The Golden Eagles shut out the Braves in the third period, while scoring nine more points in that quarter to lead 32-6. Cunningham hit her second 3 of the game in the period's final minute, then opened the fourth quarter with another 3. She would finish as the leading scorer with 13 points, totaling three 3-pointers.

Roth said that his team "played really well" defensively.

"I think we still have the habit sometimes of looking to the inside on the strong side and trying to dig down on that, and that's not what we're trying to do," said Roth. "The bottom line for us is, we need to stay disciplined and cover the girl that we're trying to cover, and if we do that, then we're a really good defensive team."

Geis finished with eight points, while Hackett had six. Olivia Labus led the boards with seven rebounds, in addition to scoring six

points. Hackett made four steals.

Guerin Catholic's season came to an end at Brebeuf Jesuit Friday, Feb. 2, as the Golden Eagles fell to Cardinal Ritter 49-39 in a semi-final game.

Guerin led 23-20 at halftime, but the Raiders out-scored the Golden Eagles

29-16 in the second half. Geis and Cunningham both scored 15 points for Guerin Catholic, with Geis making 11 of 13 free throw attempts. Danielle Mason and Labus both pulled six rebounds.

The Golden Eagles finished their season with a 6-18 record.

"It was just a tweak," said Dilk. "I just wanted to be able to play with my team and I just knew I had to gut it out. That's why I did it. I'm just proud of my team."

"Amy's just a warrior," said Windlan. "That knee's swollen and not real good and stuff. But she just got

the heart. She wants to win. Reagan and Tomi, I thought were outstanding and Jasmine started going to the glass really hard, rebounding for us."

McWilliams and Hune both finished with 10 points.

Malea Jackson scored 14 points to lead the Royals, while Hamilton added 13 and Walton scored 12. Walton also pulled five

rebounds for HSE, which finished its season 16-8.

Carmel, meanwhile, is now 24-2; that sets a new school record for wins in a season. Next up is Zionsville, the 10th-ranked team in 4A, in the noon semi-final of the Kokomo regional on Saturday, Feb. 10. The first semi-final will see Fort Wayne Carroll take on Fort Wayne South.

## Fishers tops Westfield in OT

Basketball is a game of runs, and that was demonstrated perfectly Thursday, Feb. 1 at the Tiger Den between Fishers and Westfield.

The Tigers got the final run of the game, outscoring the Shamrocks 14-7 in an overtime period to win 63-56. The terrific 3-point shooting of Jeremy Szilagyi and free-throw shooting of Willie Jackson helped propel the Tigers to a Hoosier Crossroads Conference win as well as their first overtime victory of the season after two OT losses.

"There were two games that were played out there," said Fishers coach Matt Moore. "That first stretch for us where we were really hitting offensively. And they made a run and I thought we did a good job of just staying composed and had poise."

The Tigers led 15-10 after the first quarter, with Szilagyi draining three 3-pointers on his way to 11 points in the period. Fishers then jumped ahead 31-26 at halftime; Szilagyi threw in two more triples and had 19 points.

Westfield's Caleb Welch quickly tied the game at the beginning of the third quarter, with a basket and a 3-pointer. The Tigers responded with a 9-0 run to go up 40-31. Four different players scored for Fishers, including three points (layin and free throw) for Willie Jackson.

A '3' from Zach Banks ended the run, but the Tigers led 44-34 with 1:07 left in the third. It was time for the 'Rocks to start their roll in the fourth quarter, and they did. Actually, Westfield's run began early, with two free throws from Banks with 5.4 seconds left in the third.

Josh Van Dyke then nailed back-to-back 3s in the

early stages of the fourth, getting the Shamrocks within 44-42. Banks then tied the game on another 3, at 45-all.

Chris Chin pushed Westfield ahead 49-47 with his basket off a steal, and Josiah Matthews answered with two free throws with 1:17 left. That was the final score of regulation, which ended in a 49-49 tie.

Chin's 3-pointer put the Shamrocks ahead 52-51 early in the overtime, but Szilagyi answered with a jumper - his 23rd point of the game - and Fishers was up 53-52. The Tigers would steadily increase their lead during the extra period, with Jackson getting it done from the line. Jackson went 8-for-8 during the game's final 45 seconds.

Szilagyi's 23 points led

all scorers, while Jackson finished with 13. Brendhan Russom and Jordan Jones also had some big baskets during the late stages of the game; they finished with eight and six points respectively.

Banks scored 22 points for Westfield, including four 3-pointers. Van Dyke totaled 15 points and three 3s, while Chin had 12 points.

The Tigers are now 2-3 in HCC play and 8-8 overall. They are back in action Tuesday, Feb. 6 at Anderson, with games at Pendleton Heights Friday, Feb. 9 and Franklin Central Saturday, Feb. 10.

The Shamrocks are 1-4 in the conference and 6-9 overall; they host Harrison on Tuesday, Hamilton Heights Friday and Hamilton Southeastern Saturday.

## Millers battle before falling to MV

Noblesville fought to the end before falling to Mount Vernon 52-45 in a road game on Saturday, Feb. 3.

The Millers trailed 25-19 at halftime, but were still within 38-34 after three quarters, and had a couple chances in the fourth period. Jordan Schmidt led the way with 16 points,

including five 3-pointers. Schmidt started the game hot with three of his triples in the first period, and threw in two more in the third.

Xavier Hines added 14 points, including four 3-pointers. Ryan Barnes

scored nine points and collected nine rebounds. Schmidt also handed out five assists.

"I was very proud of how our team kept fighting despite being down much of the second half," said Noblesville coach Brian McCauley. "We put ourselves in position to tie the game with a three-pointer with 31 seconds left and the score 43-46. Jordan Schmidt shot well and had a career high 16 points and Xavier Hines made some critical shots to give our team an opportunity to tie the game with under one minute. We'll keep working to find a way to finish games."

The Millers are 8-9 and continue their road trip by playing at Brownsburg Friday, Feb. 9 in a Hoosier Crossroads Conference game. Noblesville returns home to The Mill on Saturday, Feb. 10 to host Arsenal Tech.

## Huskies dominate Twin Lakes

Hamilton Heights dominated Twin Lakes 73-47 in a Saturday, Feb. 3 game at the Husky Dome.

Heights trailed 17-12 after the first quarter, but turned it on in the middle periods, outscoring the Indians 47-16. Three Huskies reached double figure scoring.

Gus Etchison led with 20 points, with Camron Knott adding 14, including two 3-pointers. Drayden Thomas scored 10 points. Tyler Wiltermood led the boards with nine rebounds, while Etchison and Hudson Hochstedler both pulled five rebounds.

The Huskies are now 9-7 and riding a five-game win streak. Heights will play at the Husky Dome again on Tuesday, Feb. 6, taking on Frankton. Heights then plays two games on the road, at Westfield Friday, Feb. 9 and at Frankfort on Saturday, Feb. 10.

## 'Hawks fall to Rossville in HHC finale

Sheridan dropped its final Hoosier Heartland Conference game of the season on Thursday, Feb. 1, falling to Rossville 43-38 at Hobbs Memorial Gymnasium.

The Hornets led 13-9 after the first quarter, but the Blackhawks had pulled to within 19-18 at halftime. Rossville pulled away in the fourth period to clinch the game.

Ange Gnamkey scored nine points for Sheridan, and also collected 11 rebounds and blocked three shots. Nick Burnell had nine rebounds.

The 'Hawks are 4-2 in the conference. Clinton Prairie leads the league at 5-0, while the Hornets are 5-1.

Sheridan won on the road at North Miami 53-46 Saturday, Feb. 3. Gnamkey scored 15 points, with Jack Waitt adding nine points and Burnell seven. Burnell pulled 11 rebounds, while Waitt and Gnamkey both corralled five. Drake Delph had four steals.

The Blackhawks host Carroll on Friday, Feb. 9 to finish HHC play, then travel to Lebanon on Saturday, Feb. 10.

## Girls basketball sectional at Fishers

# Greyhounds hold off Millers in semi-finals

Sectional games tend to bring out the best in basketball teams, and that was true about the Carmel-Noblesville girls game at Class 4A Sectional 8 in Fishers Friday, Feb. 2.

The Millers threw everything they could at the Greyhounds before Carmel was able to escape with a 50-45 victory. Noblesville came to play from the beginning, jumping out to a 6-2 lead after Mallory Johnson hit a pair of free throws, and Emily Kiser and Maddie Knight made layins. Jumpers from Reagan Hune and Blake Smith brought Carmel back to tie at 6-6, and the game was on.

No lead was safe. Amy Dilk's basket got Carmel up 12-10 late in the first period, but the Millers scored seven unanswered points in a run that extended into the second quarter. Johnson hit a 3-pointer and Kiser scored on a floater to end the first period, then Abby Haley added a couple free throws in the first minute of the second.

The Greyhounds answered with an 8-0 run of their own to go up 20-17. Dilk made the first of two free throws, missed the second, but Tomi Taiwo was there to get the rebound back in the basket. Taiwo was fouled on the shot, and made the free throw for a 3-point play.

Seconds later, Dilk made a layin to put Carmel in front, then Smith drained a couple free throws. On it went, until Dilk's 3-pointer gave the 'Hounds a 25-22 lead, and that would be the halftime score.

"We knew it'd be a battle," said Carmel coach Tod Windlan.

"Sectional game like that, it's going to be a tough battle. Our kids have been in some really tough games this year. I knew they'd find a way to try and win it. We did."

Things looked precarious for the Greyhounds in the third quarter when, after the teams had been trading leads for the entire period, Dilk took a hard fall on to her knee. She had to leave the game and then briefly left the gym for treatment.

Carmel led 34-32 at the time. Noblesville the last five points of the quarter, including a 3-pointer from Johnson. Olivia Morales' jump shot gave the Millers a 37-34 lead.

The 'Hounds got the first points of the fourth period, two free throws by Jasmine McWilliams to get within 37-36. Dilk was back in the game to start the fourth, and she made her presence known - her 3-pointer put Carmel back up 39-37.

"It was a valiant effort to come back after it didn't look like she was coming back," said Windlan. "She's a very competitive kid. She willed us to victory tonight."

Kiser answered with a '3' to give the Millers a 40-39 advantage, but Carmel went on a 6-0 run to take the lead for good. Dilk scored four of those points, with a McWilliams layin in between. After that it was free throw time, and the Greyhounds made 5-of-6 over the last 35 seconds of the game.

Dilk finished the game with 23 points, including three 3-pointers, five rebounds, five steals and

four assists. McWilliams had a solid game with 12 points and five rebounds. Carmel had 37 boards on the game, with Smith pulling nine, Taiwo collecting seven and Hune grabbing six.

Kiser, who is headed to the University of Michigan, finished her career as a Miller in a familiar fashion: A double-double of 18 points and 15 rebounds. She also made two 3-pointers. Johnson's 11 points included three 3s. Haley dished out four assists and Madison Whetro made two blocked shots.

"I thought we played extremely well," said Noblesville coach Donna Buckley. "So proud of our kids. They played their butts off and did everything we asked of them. They've been such a joy to coach."

Noblesville finished its season 15-8; the Millers had come into the sectional semi-finals on an eight-game winning streak.

"The switch just flipped and since December 2, this is only our third loss," said Buckley. "We were undefeated in January. We played as well as anybody in the state."

"We played one of the toughest schedules in the state and just had a great year."

In its first-round game on Tuesday, Jan. 30, Noblesville beat Anderson 72-44.

Noblesville set the tone early, scoring the game's first seven points. Kiser scored the first basket with a layin, then drained a pair of free throws. Kiser's points sandwiched a 3-pointer by Knight.

Knight wound up with 10

points in the first quarter, a majority of the 19-10 lead that the Millers held at the period's end. Noblesville kept its lead between six and nine points in the second quarter, with Kiser adding eight points, while Johnson and Whetro both hit 3s.

Still, Anderson was within 33-26 at halftime, then made two foul shots to open the third quarter. But the Millers took off on a 12-0 run after that to jump ahead 45-28, and held a comfortable lead for the remainder of the game.

"We couldn't put them away, and the start of the second half, we

were able to come out and really just put them away and not let them hang around very much," said Buckley. "So that was huge for us."

"This time we wanted to take care of business and I thought we did that," said Buckley.

Kiser wound up with 30 points and 11 rebounds for another double-double; she was 10-of-11 from the free-throw line and all over the stat line with eight assists, four steals and two blocked shots. Knight scored 20 points and Johnson added 12; both hit two 3-pointers.

# Royals beat Tigers to reach final, Parrish scores 31

Hamilton Southeastern rolled into the championship game of Class 4A Sectional 8 Friday, Feb. 2 by beating host Fishers 60-35 at the Tiger Den.

The Royals led 14-7 after the first quarter, with Malea Jackson making two 3-pointers. The Tigers came back at the beginning of the second period, using a 8-0 run to take a 15-14 lead. Ali Gerka hit a 3-pointer of her own, then Cierra Tolbert added a free throw and a putback to get Fishers within one. Kenedi London's jumper put the Tigers ahead.

Sydney Parrish got Southeastern back in front with a 3-pointer, but a rebound basket by Tamia Perryman - who played incredibly tough throughout the game - tied things up again at 17-all. Parrish put the Royals back in front with another 3, and HSE never trailed again.

"Towards the end of the first half, our movements were starting to get lethargic and we needed to have a quicker burst to try to get

ourselves open to get ourselves in position to get ahead and get shots," said HSE coach Chris Huppenthal.

Southeastern led 26-21 at halftime. At that point Parrish had 12 points, and it would turn out she was just getting started. The sophomore added eight more points in the third quarter, helping the Royals to a 38-28 lead. Amaya Hamilton's late 3-pointer pushed HSE's lead to 10 points for the first time in the game.

"We thought there were some opportunities to try and get Amaya the ball and get her some touches in the second half, and we were able to get her some and she capitalized on them," said Huppenthal. "For the most part, all our kids were involved."

The Royals continued to surge in the fourth period, outscoring Fishers 22-7. Parrish went on a 7-0 run all by herself early in the period, making her fourth '3' of the game in between two other baskets. When was all said and done, Parrish fin-

ished the game with 31 points.

"Sydney's a special player, and she definitely stepped up tonight," said Fishers coach Lauren Vail. "Special players do that in big games, and that's what she did."

Parrish wound up with a double-double by grabbing 10 rebounds and also made two blocked shots. Hamilton and Molly Walton both corralled eight rebounds, with Hamilton blocking two shots as well. Walton dished out seven assists.

"Molly's one of those kids who doesn't give us a lot of points at times, but she does so many little things for us," said Huppenthal.

"They did a great job of mixing it up on us," said Vail. "They played a box-and-1, they played a 3-2, they played a 2-3, they played man. And we just could never get in a rhythm. Credit to Coach Huppenthal on that, for mixing it up and really keeping us on our toes."

Perryman finished the game with nine points and

eight rebounds, while Gerka scored eight points. Toni Grace scored six points.

Fishers finished its season 13-12 in Vail's first year as head coach.

"I'm just so proud of our kids," said Vail. "Getting a new head coach with about a month to go before the season starts, and not just a new head coach to them, someone who's never been a head coach before. I had familiarity in the program, but I've never done this either. We did this together and learned and grew, and they allowed me to grow."

"Every time I challenged them with something, they responded. The seniors were great leaders. That's what I just told them in that locker room. They showed those younger kids how to lead and they showed those younger kids how to love each other and be great teammates and that's what I'm really proud of them for."

Fishers beat Westfield 41-36 in a sectional first-round game on Tuesday, Jan. 30.

The two teams were tied at 12-12 after the first quarter, then Fishers edged out to a 24-22 lead by halftime. Skylar Fulton hit two 3-pointers in the second period, while London helped out with five in the first quarter. Ashtin

DeCraene also scored five points in the first for Westfield.

Meanwhile, free throws were also key: The Shamrocks' Sophia Kreg went 4-for-4 in the first period, then Grace made all four of her foul shots in the second. Grace added four straight points for Fishers to close out the third quarter, with a layin and two more free throws.

That run helped the Tigers achieve some separation, as Westfield had gotten to within 27-26 midway through the period. Cierra Tolbert made a free throw, then Grace's run pushed Fishers ahead 32-26 at the end of the third.

Ryann Bunting opened the fourth quarter with a 3-pointer, and Kreg drained another pair of free throws to get the 'Rocks within 34-31. But Grace stepped up again, with two more foul shots (sensing a theme here?), and Fishers' lead never dropped below four points after that.

Vail believes that experience helped her team get through the fourth quarter. She noted that earlier in the year, Fishers would've folded in that situation.

"And quite honestly, against Westfield the first time, we did," said Vail. "It was a very similar game. We were up late in the

fourth and we had some breakaways the first time, and we turned the basketball over. And tonight we found ways to hold on to it."

The free-throw shooting also was key: The Tigers went 9-of-12 from the line in the fourth period.

"That's going to win you some ball games if you're going to hit free throws like that down the stretch," said Vail.

Grace scored 14 points, including an incredible 12-of-13 performance from the line. Fulton finished with seven points, and London's six points were accompanied by seven rebounds. Lydia Stullken corralled six rebounds, with Grace and Perryman both grabbing five.

DeCraene finished with nine points for Westfield, while Kreg scored eight. Bunting made two 3-pointers for six points. Kreg and Annabelle O'Hair both pulled seven rebounds.

"I felt like defensively, we did everything that we had prepared and prepped for," said Westfield coach Ginny Smith. "Actually, we did an amazing job defensively." The coach was proud of the fact that her team had just held Fishers - "a really good basketball team" - to just 41 points.

Westfield finished its season with a 14-9 record.
