# Supt. Niedermeyer presents Noblesville State of Schools

**The REPORTER**

Noblesville Schools Superintendent Dr. Beth Niedermeyer presented the 2018 State of the Schools Wednesday to business and community leaders at the Noblesville Chamber luncheon at Harbour Trees Golf Club.

The presentation highlighted the district's academic achievements as well as their efforts regarding school safety, workforce development and diversity. Additionally, several new initiatives on the horizon were announced, including:

- Facility updates at all 10 schools including new paving, roofing, playground equipment, HVAC systems and lighting.
- The upcoming development of sponsorship packages offering local businesses and organizations the opportunity to support education in Noblesville while taking advantage of significant visibility opportunities with a respected brand.
- The formation of a community-wide planning committee to prepare celebrations and outreach for the district's 150th anniversary

# Westfield to celebrate Green Day

**The REPORTER**

The City of Westfield's celebration of Earth Day and Arbor Day have combined into its new "Green Day" event to be held on Saturday, April 21 at Freedom Trail Park. Attendees can learn helpful tips about prairies and also volunteer to maintain the prairie land at the park.

Cook

A Tree Seedling Giveaway will be held from 10 a.m. to 2 p.m. with 600 seedlings containing five varieties of tree available on a first-come, first-served basis (while supplies last). Two workshops about native tall prairie grasses will be held at 10:30 a.m. and 12:30 p.m. with prairie maintenance volunteer opportunities immediately following.

"Last year, we launched 'Westfield Green' to encourage environmental

# Noblesville student wins national award for poetry

Photo provided

Noblesville High School junior Abigail Hanson has won a National Gold Medal in the Scholastic Writing Contest for her poem "Atalanta in the Orchard," pictured at right Hanson is one of only two students in Indiana to receive the prestigious award and will be honored at a national ceremony at Carnegie Hall in New York City.

Last night,  
i dreamt that i saw you  
in the orchard where we had  
our first kiss. We were running  
through the rows, past the Cameo,  
the Golden Delicious, the Swiss Gourmet;  
the ghosts of your fingers were laced  
in mine. These jeweled orbs, so perfectly  
blood red, had just hints of brown spots  
expanding on the peels. Still, we could  
pretend they were immaculate. The  
light filtering through the trees was  
like stars, ancient constellations,  
just me and you,  
in Eden.

ii.

You picked  
an apple off the tree and  
bit it, then kissed me: the  
the sugary collision of  
tongues and teeth.  
Then you left,  
and I was alone in  
a labyrinth of trees,  
blood running down my  
lip. There were no stars. "The  
first bite of an apple," they  
say, "is always  
the sweetest."

# Letter warns Fishers school of planned shooting

By **LARRY LANNAN**

# Noblesville announces Federal Hill Commons Concert Series lineups

**The REPORTER**

Looking for fun, free live music in Noblesville this summer? The Noblesville Parks & Recreation Department has you covered. In addition to the previously announced Thursday night Summer Concert Series taking place at Dillon Park and Forest Park, the city is excited to announce the Federal Hill Commons concert line up for the season. Expanding on the inaugural 2017 season, this year will include two different free concert series, Concerts at the Commons and Flashback Fridays. Shows in each series will take place from 7 to 10 p.m. at First Merchants Pavilion.

"With the success of last year's inaugural season, Federal Hill Commons hosted

# Carmel City Center announces new businesses

**The REPORTER**

Carmel City Center has a lineup of new businesses coming this summer. Along with The Cake Bake Shop opening this fall, Carmel City Center will welcome Oliver's Twist, Be.You.Tiful Nails and Addendum Gallery will move from their current location in Carmel City Center to a larger space in the new Baldwin & Chambers Building.

Oliver's Twist, a paper and gift store, is relocating to the Baldwin & Chambers Building in Carmel City Center this summer. Whether you're planning your wedding, a special occasion, shopping for a unique gift or shopping for yourself,

Oliver's Twist offers a wide range of made in America items including greeting cards, boxed stationery, journals, wrapping paper and much more.

"I love the community feel of Carmel City Center and think Oliver's Twist will be a great addition to the current merchants," said owner Kristyn Davidson. Oliver's Twist will bring their exclusive line of letterpress wedding invitations, Bella Figura, along with Linnea's Lights and Rifle Paper Co., among others. Hours of operation will be 10 a.m. to 5 p.m. Monday through Saturday.

Be.You.Tiful Nails will join current

merchants Endeavor Boutique, Graeter's Ice Cream and the SEP Product Design Studio in the Nash Building along Range Line Road this summer. A full service nail salon geared towards customer service and providing clients with a friendly, relaxed environment to escape and be pampered will have eight manicure stations and eight pedicure stations with a variety of menu options to choose from. Services include manicures, pedicures, acrylic nails, dipping powder nails and eyebrow waxing. Be.You.Tiful Nails will offer polish

## Severe weather preparedness: Practicing thunderstorm safety

### The REPORTER

Hamilton County Emergency Management continues this week's series of severe weather preparedness by focusing on thunderstorm safety. In Indiana, more homes are damaged annually by severe thunderstorms rather than tornadoes. In some cases, severe thunderstorms can produce straight-line winds resulting in significant destruction.

Know the difference between a watch and a warning. A Severe Thunderstorm Watch means conditions are favorable for severe thunderstorms to develop, but there is not an imminent threat. A Severe Thunderstorm Warning means a severe thunderstorm has been detected and an imminent threat to life and property has developed.

**Severe Thunderstorm Watch** – Issued when conditions are favorable for the development of severe thunderstorms, people located in and around the watch area should keep an eye to the sky and listen to their NOAA weather radio all hazards or tune to local broadcast media for further weather information. The watch is intended to give you time to prepare, time to

review safety rules.

**Severe Thunderstorm Warning** – Issued when a severe thunderstorm has been detected by National Weather Service Doppler radar or a reliable report has been received. A warning is usually issued for portions of one or two counties, for an hour or less. If the warning includes your neighborhood or workplace, you should take immediate action to protect your life and the lives of others. Severe thunderstorms can produce large hail and damaging winds. Tornadoes can, and occasionally do, accompany severe thunderstorms. Treat this warning the same as you would a tornado warning by taking the proper safety precautions.

• The best defense against thunderstorms is to stay inside a sturdy building or shelter that can protect you from deadly lightning, large hail, damaging winds, flooding rain and tornadoes. Fortunately, thunderstorms typically do

not last very long and will most often pass by your location in less than one hour.

• Once in a shelter, stay away from windows and avoid electrical equipment and plumbing. Remember to bring pets inside. If there is time, secure loose objects outside as these objects often become dangerous flying debris in high winds.

• Postpone outdoor activities until the storms have passed.

• If caught outside, take shelter in a sturdy enclosed building or hard top automobile immediately. Avoid open spaces, isolated objects, high ground, and metallic objects.

• Get out of boats and away from bodies of water. Remember, if you can hear thunder, you are close enough to the storm to be struck by lightning.

If a tornado is spotted, act quickly and move to the lowest level basement of your shelter, putting as many walls between yourself and the outside as possible.

It is important to have a plan of action in place before threatening weather develops. Make sure you and your family know what to do when severe weather is approaching. Identify the best possible place to seek shelter. Basements are great for this, but if you are in a home without a basement, you should find a room that is as close to the center of your home with as many walls between you and the outside and on the lowest level. Bathrooms or closets are usually a good choice and make sure everyone knows where to go. Sometimes, during a severe weather event, it can be very loud, and the loss of power will likely occur. It is best to sit down with younger children and explain to them, before the event, what could happen. Include your pets to ensure sure they are safe and protected.

Hamilton County Emergency Management encourages the public, businesses and schools to prepare now for severe weather. Additional resources are available on Emergency Management's website at [hamiltoncounty.in.gov/em](http://hamiltoncounty.in.gov/em) or at [ready.gov](http://ready.gov).

## NOBLESVILLE

from Page 1

in 2019-2020.

• The upcoming launch of a Noblesville Schools promotional products e-store that will offer a wide variety of clothing and spirit items available all year for order online. The district is currently in talks to partner with local promotional product vendor T&T Promotions and the store is expected to be live this summer.

• A collaboration between North Elementary and the City of Noblesville to introduce a community garden space to Noblesville this spring/summer.

Noblesville Schools' Teachers of the Year were

recognized at the event, as were students from Stony Creek Elementary, Noblesville East Middle School, Noblesville West Middle School and Noblesville High School. Students were invited to participate in the event to give attendees a better understanding of the academic accomplishments happening in Noblesville Schools every day.

Guests also received updates on district finances, transportation, before/after school programming, physical and emotional health initiatives, community outreach and the Noblesville Schools Education Foundation.

## GREEN DAY

from Page 1

awareness," said Westfield Mayor Andy Cook. "This event is a continuation of that initiative to involve the community in our environmental efforts."

Representatives from area organizations will also have informational booths at the event, including Westfield Storm Water, Westfield Community Events & Engagement, Westfield Parks Department, Hamilton County Parks and Recreation,

Westfield Farmers Market, Westfield Green Together, Hoosier Environmental Council and Hamilton County Soil and Water-Urban Conservationist.

Westfield was named a 2017 Aim Green Community of the Year and has been recognized annually as a Tree City USA since 2007.

Fall Creek Township Trustee Doug Allman explains the natural area plans to the Fishers city council.

### Fishers grants exemption to Fall Creek Township for new nature park

By LARRY LANNAN  
LarryInFishers.com

The Fishers City Council unanimously approved an exemption from Uniform Development Ordinances Wednesday night, clearing the way for a gravel parking lot with access to a natural area park planned in Fall Creek Township. Township Trustee Doug Allman explained plans for the park for council members. The exemption will

allow access to the gravel parking area from Southeastern Parkway, with the details of exactly where that will be located yet to be worked out.

Councilwoman Cecilia Coble asked about Americans with Disability Act (ADA) access and she was told in this situation, there is no legal requirement to provide such access, but the township will investigate what can be done under the circumstances.

### SUMMER CONCERTS

from Page 1

a Grand Opening concert and Tribute Concert Series, where more than 10,000 attendees enjoyed live music at the new venue," said Noblesville Parks Director Brandon Bennett. "We are excited to expand our free shows this year to give the community more opportunities to enjoy Federal Hill Commons throughout the summer."

#### Concerts at the Commons

Concerts at the Commons presented by Myers Construction Management, Inc., will take place on five Saturdays between May 19 and Aug. 18. From regional and national bands to local favorites, the series will include a variety of music genres and artists for all ages to enjoy. Concerts at the Commons also are sponsored by ZPL 99.5 and Indiana American Water.

- May 19: Rod Tuffcurls + The Benchpress with Ripple Effect
- June 2: 16 Candles with Cosmic Situation
- June 30: Separate Ways with Edward Zlaty's "The Cause"
- July 7: Karen Waldrup with Emily Rhodes
- Aug. 18: Flying Toast-

ers with Sam King

#### Flashback Fridays

Federal Hill Commons also will host four Flashback Fridays between Aug. 10 and Sept. 28. Each concert will pay homage to a specific decade of music from the '50s/'60s up to the '90s. Flashback Fridays are sponsored by USI Consultants, Indiana American Water and Aspen Creek Grill - Noblesville.

- Aug. 10: Classic Rock Experience with Meraki

The Band

- Aug. 24: The Four Freshmen with Edward Zlaty's "GMH Jazz Orchestra"

- Sept. 14: Mike and Joe
- Sept. 28: Hairbanger's Ball with Ripple Effect

"Through our three concert series, Noblesville residents have the opportunity to be outside in one of our fantastic public parks enjoying free live music on three different evenings. While each series provides different genres, the atmo-

sphere and energy of each show will provide a great experience for all," Assistant Parks Director Mike Hoffmeister said.

For more information about Federal Hill Commons' events, visit [federal-hillcommons.com](http://federal-hillcommons.com). There are still opportunities to get involved with the concerts. Those interested in becoming a sponsor and supporting the free events may contact Kristi Spehler at (317) 776-6350 or [kspehler@noblesville.in.us](mailto:kspehler@noblesville.in.us).

brands, OPI, Essie, DND and SNS Dipping Powder. Hours of operation will be 9:30 a.m. to 7 p.m. Monday through Saturday and 11 a.m. to 5:30 p.m. Sunday.

Addendum Gallery, Indiana's premier home and lifestyle store, is doubling their square footage and expanding into a larger space in the new Baldwin & Chambers Building this summer. Entering their 15th year in Carmel, Addendum is proud to be the only MacKenzie-Childs retailer in Indiana and the first Michael Aram Fine Jewelry retailer. In addition to the current offerings, the new location of Addendum will bring with it more space for many more home collections including AER-IN, Georg Jensen, celebrity favorite Dean Davidson Jewelry, Annie Glass, Bao-bob candles and the first Indiana shop-in-shop from

Uno de 50 Jewelry.

"We are very excited to welcome Oliver's Twist and Be.You.Tiful Nails to the Carmel City Center community. Both are great additions to the selection of businesses already at Carmel City Center. The expansion of Addendum is also very exciting and we look forward to having even more unique items available to us that only Addendum can provide," said Melissa Averitt, senior vice president at Pedcor Companies.

Carmel City Center is located at the southwest corner of City Center Drive and Range Line Road. Surface parking is available on plaza level (accessible from City Center Drive), in the underground garage (accessible from Range Line Road as well as City Center Drive) and in the Veterans Way garage.

# Cicero Kiwanis visit new greenhouse at Hamilton Heights

Photo provided

Members of the Cicero Kiwanis Club were treated to a tour of recently renovated areas of the high school after a club meeting. Hamilton Heights Superintendent, Dr. Derek Arrowood (center) is pictured sharing details of the new, state-of-the-art, on-site greenhouse that is nearing completion. The over 2,000 square-foot greenhouse will serve as a hands-on tool for students interested in careers in agriculture, horticulture, plant biotechnology and genetic engineering fields. A community open house to showcase the high school's newest amenity is being planned for May.

Graphic provided

Work on 171<sup>st</sup> Street is expected to be finished by Thursday, April 5.

## Noblesville to address 171<sup>st</sup> Street, Little Chicago Road repairs in coming weeks

### The REPORTER

Noblesville will begin reconstruction of two necessary road projects in the coming weeks. The projects come in conjunction with the timing of two major sequences: 1) Asphalt plants are now opening for the season; and 2) Spring break for Noblesville Schools.

The first project is the repair of 171st Street (between Cherry Tree Road and Willowview Road). The Noblesville Street Department has been making temporary repairs to the roadway throughout the winter until this more permanent repair could be made.

Crews will mobilize to

171st Street on Wednesday, March 28 to begin the complete reconstruction of the roadway. Weather permitting, the project is anticipated to be completed by Thursday, April 5. The road will be closed to through traffic for the duration of the project. Access to Willow Lake subdivision will come from Willowview Road and access to Cherry Tree Meadows subdivision will come from Cherry Tree Road. Residents within the closure area will have access maintained from the east from Cherry Tree Road.

Road closure signs have been placed and letters to affected homeowners have

been mailed.

The second project for the city is the permanent culvert repair on Little Chicago Road. On Feb. 23, the city made an emergency repair to the road between State Road 38 and Buttonwood Drive. At the time, a temporary patch was constructed and it was determined the culvert needed replaced along with a permanent repair of the roadway.

Work on Little Chicago Road will cause a complete closure for one day. Work is anticipated during the week of April 2. Road closure signs will be placed near the work site ahead of construction.

# Indiana American Water offers tips to save water during Fix a Leak Week

## The REPORTER

Indiana American Water announced Tuesday that it is partnering with the U.S. Environmental Protection Agency to promote **Fix a Leak Week**, which runs March 19-25. The national campaign, part of the EPA's WaterSense program, raises awareness about small leaks and other water waste that might be occurring within homes. Across the U.S., EPA estimates that U.S. households waste more than 1 trillion gallons of water due to leaks and that the average household could cut 10 percent off their water bill by spending a couple of hours every few months checking for and repairing these leaks.

As a Fix a Leak Week partner, Indiana American Water is offering advice to

reduce the amount of water lost to household leaks. "Even the smallest leaks can waste thousands of gallons per year, resulting in a large impact on your water bill," said Indiana American Water President Deborah Dewey. "For the customers we serve in Indiana, up to 2.7 billion gallons of water are being lost to leaks annually. Fortunately, most common leaks can be easily corrected by maintaining and repairing fixtures and appliances on a regular basis."

On an institutional level, Indiana American Water is committed to fixing leaks by replacing or upgrading water infrastructure in order to provide clean, safe, reliable water to customers, and has invested more than \$179 million in infrastructure improvements over the past two years.

Indiana American Water has produced a **helpful infographic** and a **downloadable leak detection kit** to assist customers in locating and fixing common, and some not-so-common, indoor and outdoor water leaks.

Indiana American Water conducts ongoing customer education about **wise water use** to help preserve water supplies and recommends using the following tips to address costly household leaks:

- While not using any water, check your water meter before and after a two-hour period. If the meter registers any changes during this time, you most likely have a leak.

- Regularly check your toilet, faucets, and pipes for leaks. If you find a leak, have it fixed as soon as possible.

sible.

- Reduce faucet leaks by checking faucet washers and gaskets for wear and replace them, or, if necessary, replace the faucet with a WaterSense-labeled model.

- Leaky toilets are most often the result of a worn toilet flapper. Replacing the rubber flapper is a quick fix that could save a home up to 200 gallons of water per day.

- For a leaky garden hose, replace the nylon or rubber hose washer and ensure a tight connection to the spigot using pipe tape and a wrench.

- Check your garden and lawn irrigation system for leaks, or hire a certified WaterSense expert to check it for you.

See Water . . . Page 7

# Letter guidelines this election season

## The REPORTER

The Hamilton County Reporter, your hometown newspaper, is always willing to publish Letters to the Editor in our pages. But with the approach of the May 8 Primary Election, we are establishing some guidelines to keep things fair and balanced.

Letters to the Editor addressing new topics about the upcoming election or the policies of individual candidates will be accepted until the end of business on Friday, April 27 and will be published on Saturday, April 28.

Letters in response to new topics published in our April 28 edition will be accepted until Tuesday, May 1 and will be published in our May 2 edition.

These deadlines will give candidates and their supporters the opportunity to reply to letters sent the last week of April.

Please send your letters to [News@ReadTheReporter.com](mailto:News@ReadTheReporter.com).

Letters to the Editor do not represent the opinions of The Reporter or our staff.

# One reader's opinion on Sheriff criteria

Dear Editor:

As Hamilton County citizens and voters, we are potential employers to our next Hamilton County Sheriff. That makes the Hamilton County Sheriff's candidates our applicants for the position we have available.

As an employer, what is the first thing you do when preparing to interview a potential employee? You research said employee's experience and qualifications in order to compare all prospective candidates for the available position.

As a citizen who will vote for the next Sheriff in 2018, I decided to do just that and conducted some research based on the published facts from each candidate's websites.

I've compiled the data and entered that information into a spreadsheet to compare each "applicant" and determine

who will logically be the most capable person to do the job I am hiring him for, the day he enters that office.

I'm a spreadsheet person, I weigh facts, figures and data to come to an educated decision.

Note that I am not taking into consideration any information regarding what the candidates have stated they will do. I take "campaign promises" with a grain of salt, as I've learned promises of what they will do, do not always come to fruition. At this point in the job search, I am not as interested in what they say they will do, as I am in what they have done.

Below are my findings. The results make it quite clear which candidate is most qualified and which candidate is least qualified.

**Clyde F. Ranney**  
April 14, 1935 – March 19, 2018

Clyde F. Ranney, 82, Noblesville, passed away on Monday, March 19, 2018 at Riverview Health. He was born on April 14, 1935 to Ralph and Ruby Ranney in Lebanon.

Clyde proudly served his country in the United States Army, and retired from Firestone after 29 years as a machinist. He was a past member of Lebanon First Baptist Church and enjoyed hunting, fishing and Harley Davidson motorcycles. Clyde also loved German Shepherd dogs, watching Western movies and working in his garden.

He is survived by his wife of 58 years, Patsy Ranney; children, Sherry (Patrick) O'Brian, Jeanne (Teddy) Tittle, Gary Ranney and Angela "Angie" (Ron) Casey; siblings, Charles (Judy) Ranney, Winnie Mae Powell, Myrtle Robertson and Charlene Fisher; 12 grandchildren; and seven great-grandchildren.

In addition to his parents, Clyde was preceded in death by his son, Larry F. Ranney; grandson, Shane Tittle; and siblings, Carolyn Ranney, Ronnie Ranney, Robert Ranney, Harold Ranney, and Anabelle McClaine.

Services will be held at 1 p.m. on Saturday, March 24, 2018 at Randall & Roberts Funeral Center, 1685 Westfield Road, Noblesville, with visitation from 11 a.m. to the time of service. Burial will be at Cicero Cemetery in Cicero.

Memorial contributions may be made to Parkinson's Awareness Association of Central Indiana Inc., 6847 Hillside Court, Indianapolis, IN 46250; or Humane Society for Hamilton County, 1721 Pleasant St., Suite B, Noblesville, IN 46060.

## TODAY'S BIBLE READING

*And the second is like unto it, Thou shalt love thy neighbour as thyself. On these two commandments hang all the law and the prophets. While the Pharisees were gathered together, Jesus asked them, Saying, What think ye of Christ? whose son is he? They say unto him, The son of David. He saith unto them, How then doth David in spirit call him Lord, saying, The LORD said unto my Lord, Sit thou on my right hand, till I make thine enemies thy footstool? If David then call him Lord, how is he his son? And no man was able to answer him a word, neither durst any man from that day forth ask him any more questions.*

Matthew 22:39-46 (KJV)

## United Way challenges you to do something positive

### The REPORTER

United Way of Central Indiana has been making the community a stronger, more vibrant place to live for 100 years. In commemoration of this milestone and local community spirit, area businesses, residents and community leaders are participating in **Hand Raisers for 100** – one hour of service, on one day, as part of one big celebration.

United Way invites every person to find just one hour on Thursday, April

19 to do something that makes a positive impact on a person, a place or within the community. Examples could include helping an elderly neighbor, reading to a child, cleaning up a neighborhood park, organizing a food drive with your fellow employees, volunteering at a local nonprofit, or simply donating supplies to a teacher for United Way's initiative, "Restock the Classroom."

Join a dynamic blend of community leaders, volun-

teers, advocates and supporters who are hyper-focused on increasing the support for United Way during this milestone year. United Way makes volunteering fun, easy and accessible. Most importantly, United Way provides a meaningful, engaging volunteer experience for everyone.

Don't forget to share your "hour of impact" through social media on April 19. Use the hashtag #uwci100 and tag United Way (@uwci).

# Buying tires for your car? What to consider

## StatePoint

Purchasing new tires for your car can be frustrating: an average of two hours is spent researching tires and 89 percent of all consumers experience some sort of buyer's remorse, according to a consumer study by Cooper Tires.

To help, the experts at Cooper Tires are offering easy ways to identify when you need new tires, as well as tips on what to consider in the tire buying process.

### The Penny Test

Tire tread should be more than 2/32 of an inch deep. Check by inserting a U.S. penny into the tread with Lincoln's head facing down. If the top of Lincoln's head is covered by tread, there's at least a minimum acceptable amount of tread. If the top of his head is visible at any point, it's time to replace your tires.

Even before tread is worn, regularly inspect tires for cuts, cracks, splits, punctures, bulges and uneven wear patterns. Also, replace all tires, (including full-size spares) that are 10 or more years older than their date of manufacture, or follow the vehicle manufacturer's recommendations.

## Know the Right Size

Like with shoes, buying the proper tire size is critical. Consult the information placard found on the driver's side doorjamb, glove box, fuel door or vehicle manufacturer's manual, which also contains technical specifications relating to your tire, including load carrying capacity, speed rating and recommended inflation pressures. For maximum safety and performance, follow these recommendations carefully.

If you don't have this information handy, consult a tire professional to have all your questions answered, and check out the three-step tire guide from Cooper Tires, which can help you narrow down the choices by car/minivan, SUV/CUV or truck. You can find this guide at [us.coopertire.com](http://us.coopertire.com).

### Other Considerations

There are many factors to consider when selecting tires to fit your needs, including the following:

- Do you need dedicated winter tires, dedicated summer tires or all-season tires? Think about where you travel over the course of the year.
- Do you have a long

Photo provided

commute or take long road trips? Consider expected mileage, ride comfort, fuel efficiency and if the tires are quiet.

• Do you have a sports car or do a lot of spirited driving? You may need tires that focus on handling and are developed for high-performance cars.

• Do you drive in rain? Consider the tires' wet braking distance.

• Do you drive off-road? If you spend a significant amount of time on mud tackling adventures, dedicated off-road tires may be your best bet.

### At the Store

Be sure to ask what services are included in the quoted price. And remember, if your selected tires are not immediately

available, you can often have them ordered. It may be helpful to call ahead if you know what you need. To find a retailer near you, visit [us.coopertire.com/find-a-store](http://us.coopertire.com/find-a-store).

### Final Thoughts

Not all tire damage that can lead to tire failure is outwardly visible. Used tires, should be considered dangerous. Buy and install only new tires. Whenever possible, replace all tires at the same time. However, if you can only purchase two, the new pair should always be installed on the rear axle.

Your tires are the only parts of your car that connect to the road. Select tires carefully, then properly maintain and inspect them over time.

# WATER

• If you notice a soft, wet spot on your lawn or hear water running outside the house, the service line to your house may be leaking.

• Consider installing water and energy-efficient appliances. The EPA reports that certified Energy Star washing machines use up to 35 percent less water per

load. Water-saving shower heads, toilets and faucet aerators also help cut your water usage.

### About Indiana American Water

Indiana American Water, a subsidiary of American Water, is the largest investor-owned water util-

ity in the state, providing high-quality and reliable water and/or wastewater services to approximately 1.3 million people. With a history dating back to 1886, American Water is the largest and most geographically diverse U.S. publicly-traded water and wastewater utility compa-

ny. The company employs more than 6,900 dedicated professionals who provide regulated and market-based drinking water, wastewater and other related services to an estimated 15 million people in 47 states and Ontario, Canada. More information can be found by visiting [amwater.com](http://amwater.com).

### Public Notices

#### NOTICE TO TAXPAYERS OF ADDITIONAL APPROPRIATIONS

Notice is hereby given to the taxpayers of Hamilton County, Indiana ("County") that the County Council of the County will meet in the first floor public meeting room of the Hamilton County Government and Judicial Center, 1 Hamilton County Square, Noblesville, Indiana, at the hour of 7:00 p.m. (Local Time) on April 4, 2018, to conduct two public hearings. The first public hearing shall concern the additional appropriation of the bond proceeds which the County Council has determined to issue and an additional appropriation of segregated funds of the County for the hereinafter defined Project. The County Council considers necessary an appropriation of bond proceeds in an amount not to exceed \$12,000,000 on account of the construction of a building addition to the existing County Government and Judicial Center, including underground parking, together with all necessary appurtenances, related improvements and equipment ("Project"), and the incidental expenses in connection therewith and on account of the issuance of bonds. The funds to meet such additional appropriation are to be provided by the issuance and sale of bonds by the County.

The County Council shall also consider an appropriation of segregated funds on hand of the General Fund of the County for the Project in an amount \$10,680,000 and an appropriation of segregated funds on hand of the Cumulative Courthouse Fund of the County for the Project in an amount \$1,227,057.

The foregoing appropriations are in addition to all appropriations provided for in the existing budget and tax levy.

Taxpayers of the County appearing at said meeting shall have the right to be heard in respect to said additional appropriations.

Dated this 22nd day of March, 2018.

### NOTICE OF HEARING ON PROPOSED SIXTH AMENDMENT TO LEASE NOBLESVILLE SCHOOLS

You are hereby notified that a public hearing will be held before the Board of School Trustees (the "Board") of Noblesville Schools (the "School Corporation") on April 26, 2018 at the hour of 5:00 p.m. (Local Time) at the Educational Services Center, 18025 River Road, Noblesville, Indiana, upon a proposed Sixth Amendment to Lease (the "Sixth Amendment") to be entered into between Noblesville High School Building Corporation (the "Building Corporation"), as lessor, and the School Corporation, as lessee.

The proposed Sixth Amendment upon which the hearing will be held amends the existing Lease Agreement originally dated March 30, 1993, as amended (as amended, the "Original Lease"), and together with the Sixth Amendment, the "Lease". The Sixth Amendment extends the term of the Original Lease and increases the rent payable thereunder in exchange for the renovation of and improvements to the property subject to the Lease (the "Leased Premises"). The Sixth Amendment extends the term of the Original Lease to June 30, 2039 and increases the annual Lease rental by a maximum of \$2,150,000, payable on June 30 and December 31 beginning with the completion of the renovation of and improvements to the Leased Premises or December 31, 2019.

As additional rental, the School Corporation shall maintain insurance on the Leased Premises as required in the Lease, shall pay all taxes and assessments against such Leased Premises, as well as the cost of alterations and repairs, and shall pay rebate amounts to the United States Treasury, if necessary. After the sale by the Building Corporation of its bonds (the "Bonds") to pay for the cost of the renovation and improvements, including any other expenses incidental thereto, the increased annual Lease rental stated above shall be reduced to an amount equal to the multiple of \$1,000 net higher than the sum of principal and interest due on the Bonds in each twelve-month period ending on January 15 plus \$5,000, payable in equal semiannual installments.

The Lease gives an option to the School Corporation to purchase the Leased Premises on any Lease rental payment date.

The Leased Premises is Noblesville High School located at 18111 Cumberland Road, Noblesville, Indiana in the School Corporation.

The plans and specifications, including the estimates for the cost of the renovation and improvement, as well as a copy of the proposed Sixth Amendment, are available for inspection by the public on all business days, during business hours, at the Educational Services Center, 18025 River Avenue, Noblesville, Indiana.

At such hearing all persons interested shall have a right to be heard upon the necessity for the execution of the Sixth Amendment, and upon whether the increased Lease rental provided for therein to be paid to the Building Corporation is a fair and reasonable rental for the renovations to the Leased Premises. Such hearing may be adjourned to a later date or dates, and following such hearing the Board may either authorize the execution of the Sixth Amendment as originally agreed upon or may make modifications therein as may be agreed upon with the Building Corporation.

Dated this 22nd day of March, 2018.

Secretary, Board of School Trustees  
Noblesville Schools  
3/22/2018 1t

RL1295

### Notice of Adoption of Preliminary Determination

Notice is hereby given pursuant to Indiana Code 6-1.1-20-3.1 that the Board of School Trustees (the "Board") of Noblesville Schools (the "School Corporation") did, on March 20, 2018, make a preliminary determination to issue bonds and enter into a lease (the "Lease") for the renovation of and improvements to Hazel Dell, Hinkle Creek, Noble Crossing, North, Promise Road, Stony Creek and White River Elementary Schools; Noblesville East and Noblesville West Middle Schools; and Noblesville High School (the "Projects"). The Lease will have a term of twenty-two (22) years with a maximum annual Lease rental of \$2,150,000. The maximum annual Lease rental has been estimated based upon an estimated principal amount of bonds of \$15,000,000, estimated interest rates ranging from 2.00% to 5.00%, and total estimated interest costs of \$8,383,500.

As required by Indiana Code 6-1.1-20-3.1(b)(1), the following information was available to the public at the public hearings on the preliminary determination: (i) the School Corporation's current and projected annual debt service payments divided by the net assessed value of taxable property within the School Corporation, which is 0.6677%; and (ii) the sum of the School Corporation's outstanding long term debt plus the outstanding long term debt of other taxing units that include any other territory of the School Corporation divided by the net assessed value of taxable property within the School Corporation, which is 6.63%.

The School Corporation's current debt service levy is \$20,790,894 and the current rate is \$0.6677. After the School Corporation enters into the proposed Lease and the bonds are issued, the debt service levy will increase by a maximum of \$2,150,000 and the debt service rate will increase by a maximum of \$0.0728. However, as existing obligations mature, the anticipated net increase to the debt service fund tax rate will be \$0.00.

The estimated amount of the School Corporation's debt service levy and rate that will result during the following 10 years if the School Corporation enters into the lease and issues the bonds, after considering any changes that will occur to the debt service levy and rate during that period on account of any outstanding bonds or lease obligations that will mature or terminate during that period:

Year	Estimated Total Debt Service Levy	Estimated Total Debt Service Rate
2019	20,564,963	0.6676
2020	17,459,500	0.5576
2021	15,870,052	0.5012
2022	14,931,013	0.4711
2023	14,218,652	0.4491
2024	14,289,732	0.4511
2025	14,364,512	0.4533
2026	11,680,502	0.3620
2027	9,155,726	0.2764
2028	9,207,264	0.2782

The purpose of the Lease and the bonds is to provide for the Projects. Any owners of real property within the School Corporation or registered voters residing within the School Corporation who want to initiate a petition and remonstrance process against the proposed Lease payments or the issuance of the bonds must file a petition that complies with IC 6-1.1-20-3.1 subdivisions (4) and (5) not later than 30 days after the first publication of this notice.

Dated March 22, 2018.

/s/ Julia Kozicki  
Secretary, Board of School Trustees  
Noblesville Schools

## Baseball previews

# Experienced Millers will take on tough schedule

By RICHIE HALL

Reporter Sports Editor

An experienced group of Millers will be taking to the field Monday for the Noblesville baseball team.

That experience will be necessary, as Millers coach Justin Keever notes that his team will be ready "to tackle the toughest schedule in Indiana."

The Opening Day lineup will be familiar to fans of the Millers, who are ranked No. 9 in the Class 4A pre-season coaches poll. Seven starters return for Noblesville, including three pitchers: Senior Tyler Owens and juniors Clay Holzworth and Reese Sharp.

"The Millers return a pitching staff that pitched 83 percent of the innings in 2017," said Keever.

Owens was named to the All-Hoosier Crossroads Conference team last year as a pitcher. He finished his junior season 6-4 with 32 strikeouts and a 2.56 earned-run average. Sharp led Noblesville in strikeouts last season with 46, while Holzworth had a solid 2.94 ERA.

In addition, Keever has a trio of pitchers, senior right-hander Ryan Plummer, junior left-hander Zach Gruver and sophomore right-hander Connor Vanosdol who will "look to come in and provide depth to the experienced staff."

On the offensive side, the Millers have some solid young hitters returning. Junior DJ Owens brings back the most Noblesville hits with 24, while Sharp had 18 runs batted in and three home runs last season.

Keever said that his expected position starters include sophomore newcomer Ethan Imel as the catcher, with senior Jacob Thieman at first base. DJ Owens and Tyler Owens will split time at second, with senior Jackson Ramey at third. Sophomore Cooper Miles, who played the majority of varsity games last year as a freshman, is slated for shortstop. Goudy and Sharp will be designated hitters.

The outfield will see some rotation. Sharp and junior Zac Tuinei will split at left field, with Tyler Owens trading center field

Kent Graham/File photo

Noblesville senior Tyler Owens is one of three starting pitchers that is returning to the Millers lineup this season. Owens was named to the All-Hoosier Crossroads Conference team last year, finishing his junior season with 32 strikeouts and a 2.56 earned-run average.

duties with fellow seniors Mark Goudy and Bryce Randolph. Tuinei and Randolph are slated for right field action. Keever said that the seniors Thieman, Randolph and Ramey served as reliable back-ups in 2017.

Noblesville will have a tough schedule right out of the gate. The Millers will host Cathedral on Monday; the Irish are tied for No. 1 in the 4A pre-season poll. Who is the other No. 1? Fishers, the team that

Noblesville will play in its first HCC series of the season, April 5-7.

In between, the Millers take their annual trip to Tennessee, where they will play some of the best teams the Volunteer State has to offer. That includes a March 30 date with Farragut, one of the traditional powerhouses in Tennessee. Noblesville returns home April 3 with a home game against Frankfort before its series with the Tigers.

Other games of note include HCC series with No. 4 Zionsville (April 17-19), No. 5 Hamilton Southeastern (May 3-5), a game with Class 2A No. 1 Wapahani (May 1), and its game with Carmel, which will be played

at Victory Field on April 27 as part of the Victory Field Classic.

### Noblesville roster

**Seniors:** Kade Gorman, Mark Goudy, AJ Gray, Tyler Owens, Ryan Plummer, Jackson Ramey, Bryce Randolph, Jacob Thieman.

**Juniors:** Zach Gruver, Clay Holzworth, Cade Nelis, DJ Owens, Matt Peek, Reese Sharp, Zac Tuinei, Brady Walden.

**Sophomores:** Ethan Imel, Cooper Miles, Camden Nagel, Connor Vanosdol, Alex Zavac.

## Watching CHS basketball evolve over a half-century

Is there another state basketball championship this week for Carmel's storied history of athletic achievements? Maybe, we will see Saturday night when the CHS team takes on undefeated and top ranked Warren Central, a school that's never been to the state finals. I don't write sports, I'm just a fan who's followed the fortunes of Carmel basketball for half a century. There have been big changes for the sport in general and Carmel in particular. It used to be that CHS was always the

underdog and many folks liked the Greyhounds in a tourney situation. Now, lots of folks outside the community will root for ABC, anyone but Carmel. That's to be expected when they win so often.

High school basketball in Indiana is not what it once was. Class basketball, so many other high school sports and technology that offers so much in home entertainment, have all combined to reduce interest and attendance in what made Indiana famous for its basketball.

Time was when tourney season arrived store windows were decorated, community-wide pep rallies were held, and conversation at the lunch counter or the street corner inevitably turned to basketball. Nevertheless, it's still a big deal, an especially big deal for participating teams and their schools. On Saturday, Carmel will make its seventh appearance in the basketball championship round dating back to 1925 when the finals had 16 teams. Back then, Carmel was a tiny school playing with the giants.

Now Carmel is a giant playing with the other giants. The school has won 139 championships covering nearly every sport. That's more than twice the number of any other school. As the largest school in the state, perhaps it is logical that they should win so much.

In basketball, Carmel didn't even win a sectional for 41 years after 1925. Those years belonged to Sheridan and later Noblesville. But, beginning in 1966 as the Carmel grew larger their teams became an almost perennial threat in the highly competitive arena of Indiana high school roundball. The Greyhounds went to the finals in 1970, 1977, 1993, 2012 and 2013 and won three times.

It's been fun to watch. Can they do it again this year? Maybe, maybe not, but win or lose, next year looks good for CHS with the number of returning team members they have and the momentum they have built this year.

### The County Line

# Carmel's Mulloy among boys Junior All-Stars

Mulloy

Carmel's John Michael Mulloy is among the 24 players that have been selected for the IndyStar Indiana boys Junior All-Stars for 2018.

Mulloy, a 6-10 Butler commit who will play with the Greyhounds in Saturday's Class 4A state championship game with Warren Central, is among the six players in the Central group. Mulloy is averaging 15.0 points and 8.2 rebounds per game for Carmel this season.

Other Central group players are Manuel Brown of Seccina, Luke Bumbalough of New Castle, Connor Jones of Danville, Dawand Jones of Ben Davis and Sam Skaggs of Logansport.

Players in the core group include Keion

Brooks Jr. of Fort Wayne North, Armaan Franklin of Cathedral, Mason Gillis of New Castle, Trayce Jackson-Davis of Center Grove, Brandon Newman of Valparaiso and Isaiah Thompson of Zionsville.

The North group players are Noah Applegate of Penn, Ali Ali of East Noble, Ethan Brittain-Watts of Culver Military Academy, Elijah Hales of Westview, Colin Kenney of Marquette Catholic and Craig Young Jr. of Fort Wayne Wayne.

The South group players are Cameron Alford of Brownsburg, David Bell of Warren Central, Cobie Barnes of Floyd Central, Jared Hankins of Lawrence North, Alex Hemenway of Castle and Zach Kuhn of Shelbyville.

Matt English of Beech Grove will be the head coach for the boys Junior All-Stars. English will be assisted by Scott McClelland of Morristown and Rob Yoder of Westview.

The Junior All-Stars will play two games against the Kentucky Junior All-Stars on June 1 and June 2. The Junior All-Stars

also will play one game against the Indiana All-Star senior girls on June 6. The June 1 game will be in Kentucky at a site to be announced. The June 2 game will be in Indiana at a site to be announced. The June 6 game also will be at a site to be announced. All three games will be doubleheaders with the 2018 Indiana girls Junior All-Stars, who were chosen and announced in late February.

The players listed as core group players will play in all three games. The players listed as South group will join the Core group and play against the Kentucky Juniors in Kentucky (on June 1). The Central group and North group also will join the Core group and play one time each -- either against Kentucky Juniors in Indiana (on June 2) or against the Indiana Seniors (on June 6). The night and opponent for the Central and North groups will be determined later.

The Indiana senior All-Stars will play the Kentucky senior All-Stars on June 8 at Bellarmine University's Knights Hall in

Louisville. The Indiana senior All-Stars will play Kentucky's seniors again on June 9 in Bankers Life Fieldhouse in Indianapolis. Those home-and-home events also will be girls-boys doubleheaders.

The Junior All-Star team is determined by the 20-member Indiana Basketball Coaches Association all-state panel in conjunction with its selection of the IBCA/Subway Underclass All-State Team. The selection process allows all IBCA-member head coaches to nominate players through the IBCA all-state process. Representatives from 16 regional areas from across the state, three district representatives from the three IHSA districts (one each from District 1, District 2 and District 3) and the committee chair then meet to review the nominations, vote and finalize the selections.

The IBCA/Subway boys basketball Senior All-State and Underclass All-State teams for 2018 will be released later this week.

y - clinched division

# Pelicans win re-scheduled game over Pacers

By KYLE GRAND

Courtesy nba.com/pacers

The Pacers and Pelicans took the court in New Orleans to play their game makeup after the originally scheduled contest was postponed due to a leak in the roof, and the Pelicans came out victorious, winning 96-92.

Wednesday night's game came down to the wire. Facing an 87-84 deficit, a Victor Oladipo airborne block led to a Darren Collison three-point play on the other end to tie things with 1:49 to play in the contest.

The Pelicans answered with an E'Twaun Moore jumper and a dagger fadeaway from Antony Davis to take a four-point lead with 53.7 seconds left, a lead which the Pacers could not overcome.

The Pacers' poor shooting proved costly in this one, as the visitors shot just 37 percent from the floor.

In the opening quarter, it was a slow start offensively for both teams. At the quarter's halfway point, the score was

3-11, with the Pacers shooting just 27 percent (3-of-11).

"I just thought that we didn't really do a good job of executing," Pacers head coach Nate McMillan said. "We didn't show any poise out there tonight. We were playing too fast. Everybody was taking quick shots and just settling for...I don't know. Once again, we just get out there and throw the ball toward the basket and not executing offensively."

The offense found a spark in Trevor Booker. Booker came off the bench near the end of the first quarter and scored eight points. Heading into the second period, the Pacers led 25-24.

Indiana opened up a four-point lead in the second, but New Orleans quickly answered with five straight to take a 36-35 lead with 6:46 left in the half.

The game remained close for the rest of the quarter. After the Pelicans grabbed a 46-42 advantage with just under three minutes to go, the Pacers ripped off six straight make it a 48-46 contest. New Orleans ended the quarter with

a quick 5-2 spurt to take a 51-50 lead into the locker room.

The lead continued to shift back and forth into the third quarter. Indiana was finally able to gain some momentum after back-to-back Cory Joseph buckets gave the Pacers a 67-61 lead at the 2:27 mark.

Indiana was unable to extend its lead the rest of the quarter and went into the fourth ahead 69-67.

A Myles Turner tough three-point play put the Pacers up five early in the fourth, but New Orleans responded with eight straight to lead 77-74 with 7:31 to play. The Pacers never quite could gain firm control the rest of the way en route to the loss.

Oladipo scored 21 points and grabbed 8 board for Indiana. Myles Turner finished with a double-double of 13 points and 10 rebounds.

Davis was a force for the home team scoring 28 points to go along with 13 rebounds and five blocks. Moore scored 23 points.
