New bike share stations now open in Downtown Noblesville

The REPORTER

The City of Noblesville has partnered with Zagster, Inc. to launch a new bike-share program that will provide all Noblesville residents and visitors with a convenient, affordable and healthy way to get around town. As of this past Friday, 10 cruiser bikes are now available between the city's two stations for members to use for on-demand, local trips.

"With our trail inventory ever increasing, it's natural for the city to assist people in being active and outdoors," said Noblesville Mayor John Ditslear. "I'm excited to get the Noblesville Bike Share rolling down the right path by opening our first two bike share stations in downtown Noblesville today. These will allow residents and guests to take better advantage of the natural assets of our parks and the White River."

Niedermeyer presents Noblesville State of Schools

The REPORTER

Noblesville Schools Superintendent Dr. Beth Niedermeyer presented the 2018 State of the Schools last Wednesday to business and community leaders at the Noblesville Chamber luncheon at Harbour Trees Golf Club.

The presentation highlighted the district's academic achievements as well as their efforts regarding school safety, workforce development and diversity. Additionally, several new initiatives on the horizon were announced, including:

 Facility updates at all 10 schools including new paving, roofing, playground equipment, HVAC systems and lighting.

• The upcoming development of sponsorship packages offering local businesses and organizations the opportunity to support education in Noblesville while taking advantage of significant visibility opportunities with a respected brand.

• The formation of a community-wide planning committee to prepare celebrations and outreach for the district's 150th anniversary in 2019-2020.

Hamilton County Parks earns Historic Bridges Project Award

The REPORTER

Hamilton County Parks and Recreation was recently presented the Indiana Park and Recreation Association's (IPRA) prestigious Excellence in Landscape Design award, recognizing the park department's efforts to salvage, restore and install historic bridges over White River in northern Hamilton County.

The challenging project required the painstaking removal, transportation and restoration of two decommissioned bridges from Washington and Wayne counties and joining them with a re-created bridge from Hamilton County. The unique, three-section span now serves as a grand pedestrian walkway, connecting White River Campground to Strawtown Koteewi Park and its 800 acres of recreational and

educational adventures.

Director of Parks Al Patterson noted, "Hamilton County, the State of Indiana, Washington and Wayne counties and our project contractors joined forces and resources to accomplish this innovative engineering feat. The completed span, 15 years in the making, not only enhances accessibility and safety for its users, it also preserves key pieces of Indiana transportation history."

The Historic Bridges Project has been nominated to receive additional recognition from other professional organizations, as well.

CITY of FISHERS

Entrepreneurs and innovators welcomed 24,500

square feet of new space dedicated to supporting collaboration and innovation for the Internet of Things at the grand opening of the Indiana IoT Lab last Wednesday. More than 50 members and nine dedicated suite members will call the Lab home as the premier destination for design thinking, cloud computing, edge technology and software development. The Internet of Things industry is esti-

mated to grow to a \$457 billion industry by 2021.

"At the heart of Indiana's economy sits the three major industries of manufacturing, logistics and agriculture that are on the cusp of being completely transformed by technology," said Fishers Mayor Scott Fadness. "It's critical that we arm our companies and engage our entrepreneurs in this transformation. The Indiana IoT Lab here in Fishers, provides a first step in that direction and its impact will be felt throughout our state."

> As members from a variety of industry sectors begin collaborating, entrepreneurs will have access to a supportive ecosystem from all aspects of the IoT industry, from ideation to security, to data, to prototyping. The unique integration of expertise with the atmosphere of a co-working space is intended to bring entrepreneurs and intrapreneurs from all industries and backgrounds to

"We expect to see a wide range of members at The Indiana IoT Lab," said Indiana IoT Lab Founder and CEO of Launch Fishers, John Wechsler. "From the entrepreneur with a backpack and an idea to corporate innovation teams looking to add an entrepreneurial edge, we will support the entire range of IoT innovators."

"I'm delighted to have the opportunity to work closely with Launch Fishers and the IoT Lab to continue encouraging and engaging Hoosier women who are pursuing technology endeavors in the state."

Led by the City of Fishers and Launch Fishers, the IoT Lab is the first of its kind for public-private partnerships intended to bring

IoT innovation to entrepreneurs. The Lab, a partnership between Launch Fishers and the City of Fishers, was established to meet today's business and consumer demands. The City of Fishers supports the project through lease payments for the building. BIKE SHARE

grab a bike and go. Riders can view stations and bikes in the free Zagster app, available on the App Store and Google Play, or online at bike.zagster. com/noblesville. One tap in the app automatically unlocks the ring lock on the rear wheel, allowing a rider to get rolling in seconds. After the rider returns the bike to a designated Zagster bike station, the rental ends and the bike is available for the next person to enjoy.

Unlike traditional bike shares, in which riders must drop off bikes at designated stations for every stop, the built-in lock on every Zagster bike gives users the freedom to ride as long as they want, wherever they want. This hybrid model, which blends the ability to lock anywhere for mid-trip stops with fixed station locations for beginning and ending rides, allows users to plan their trips around their destinations - and not around station locations.

"This is just the beginning as Noblesville is working on bike share connectivity throughout Hamilton County. In May, we will open our third bike station at the Midland Trace Trailhead on Hazel Dell Parkway," Ditslear said.

Creating the Noblesville Bike Share program came from the collaboration and hard work from a number of city departments, Huntington University Ph.D. candidate Charlotte Arnos, and partnerships with Zagster, Hamilton County Tourism and BorgWarner.

Carmel City Center announces new businesses

The REPORTER

Carmel City Center has a lineup of new businesses coming this summer. Along with The Cake Bake Shop opening this fall, Carmel City Center will welcome Oliver's Twist, Be. You. Tiful Nails and Addendum Gallery will move from their current location in Carmel City Center to a larger space in the new Baldwin & Chambers Building.

Oliver's Twist, a paper and gift store, is relocating to the Baldwin & Chambers Building in Carmel City Center this summer. Whether you're planning your wedding, a special occasion, shopping for a unique gift or shopping for yourself, Oliver's Twist offers a wide range of made in America items including greeting cards, boxed stationery, journals, wrapping paper and much more.

"I love the community feel of Carmel City Center and think Oliver's Twist will be a great addition to the current merchants,"

said owner Kristyn Davidson. Oliver's Twist will bring their exclusive line of letterpress wedding invitations, Bella Figura, along with Linnea's Lights and Rifle Paper Co., among others. Hours of operation will be 10 a.m. to 5 p.m. Monday through Saturday.

Be. You. Tiful Nails will join current merchants Endeavor Boutique, Graeter's Ice Cream and the SEP Product Design Studio in the Nash Building along Range Line Road this summer. A full service nail salon geared towards customer service and providing clients with a friendly, relaxed environment to escape and be pampered will have eight manicure stations and eight pedicure stations with a variety of menu options to choose from. Services include pedicures, manicures, acrylic nails, dipping powder nails and eyebrow waxing. Be.You.Tiful Nails will offer polish brands, OPI. Essie. DND and SNS Dipping Powder. Hours of operation will be 9:30 a.m. to 7 p.m. Monday through Saturday and 11 a.m. to 5:30 p.m. Sunday.

Addendum Gallery, Indiana's premier home and lifestyle store, is doubling their square footage and expanding into a larger space in the new Baldwin & Chambers Building this summer. Entering its 15th year in Carmel, Addendum is proud to be the only MacKenzie-Childs retailer in Indiana and the first Michael Aram Fine Jewelry retailer. In addition to the current offerings, the new location of Addendum will bring with it more space for many more home collections including AERIN, Georg Jensen, celebrity favorite Dean Davidson Jewelry, Annie Glass, Baobob candles and the first Indiana shop-in-shop from Uno de 50 Jewelry.

"We are very excited to welcome Oliver's Twist and Be. You. Tiful Nails to the Carmel City Center community. Both are great additions to the selection of businesses already at Carmel City Center. The expansion of Addendum is also very exciting and we look forward to having even more unique items available to us that only Addendum can provide," said Melissa Averitt, senior vice president at Pedcor Companies.

Carmel City Center is located at the southwest corner of City Center Drive and Range Line Road. Surface parking is available on plaza level (accessible from City Center Drive), in the underground garage (accessible from Range Line Road as well as City Center Drive) and in the Veterans Way garage.

Fishers grants exemption to Fall Creek Township for new nature park

By LARRY LANNAN LarryInFishers.com

The Fishers City Council unanimously approved an exemption from Uniform Development Ordinances last Wednesday night, clearing the way for a gravel parking lot with access to a natural area park planned in Fall Creek Township. Township Trustee Doug Allman explained plans for the park for council members. The exemp-

tion will allow access to the gravel parking area from Southeastern Parkway, with the details of exactly where that will be located yet to be worked out.

Councilwoman Cecilia Coble asked about Americans with Disability Act (ADA) access and she was told in this situation, there is no legal requirement to provide such access, but the township will investigate what can be done under the circumstances.

Missing Carmel man Finding faith on the side of the road

Faith in humanity. We hope for it in a world that broadcasts anything but that, on a daily basis.

This week as I read a post on Facebook, written by my friend

Tamara Bentler, I found what seems so rare these

A good Samaritan.

Tamara was traveling from Stuart, Florida, to Charleston, South Carolina, when she felt her car starting to bump along. Ugh, flat tire. She pulled onto the side of the road on an exit ramp near Jacksonville. Her car was packed to the max as she is moving to Texas after visiting her son, who is in the Navy. She unloaded her trunk.

She tried for an hour to reach AAA and then was told it would be another three hours for them to

JANET HART LEONARD

rescue (?) her. By then, it would be dark. Here she was all by herself, except for her dog. She bowed her head and prayed.

She looked and while wiping a few tears, she saw in the dis-

tance, a crotch rocket coming her way. The man, who was riding it, looked to be in his late twenties. As he approached my friend, he said, "Well I never take this exit but something told me to do so." Hmmm.

He began to change her tire. During their conversation he shared with her that he was in the Navy. He told her that this must be a God thing, him taking the exit and finding her stranded. He told her that he was raised in a Christian home but had drifted away from his faith. Tamara told him that we all

drift away at times during our journey. God doesn't.

He shared with her that God must have been watching over her as she could have easily wrecked her car, going at the speed she was going on the highway. She could have been stranded alone for all those hours and who knows what else might

have happened. As he changed her tire a bolt snapped. He was concerned as to what to do so he called his dad. Tamara had a chance to thank his dad for raising such a kind son. The dad told her that his son makes him proud every day.

Her good Samaritan helped her pack up her trunk and then followed her to a hotel just off the exit ramp. He noticed that her spare was then flat but the rim didn't even have a scratch.

As Tamara gathered her luggage and let her dog out, the young man handed her a key. He had

paid for her room. He carried her luggage into the room and when she turned around to thank him, he was gone. She glanced over at a few green bills laying on the table by the door. She chased him to the elevator to return the money. He smiled and said, "I only hope someone would help my mom if she were ever stranded. If I had more cash, I would have left it." And with that said, the elevator doors closed.

Perhaps humanity has more faith than we realize. Perhaps it is when we drift that we truly find God. Perhaps angels arrive on crotch rockets. Perhaps that young man found his faith on the side of the road that day. Perhaps we all need reminded that God never drifts away ... we do.

Perhaps ... it wasn't just a tire that was changed

Three candidates attend Lincoln Day Dinner together

The Hamilton County Republican Committee achieved what few others have done when all three candidates for the GOP nomination for U.S. Senate were assembled at a Lincoln Day

Dinner forum this week. The annual dinner honoring the first Republican president was held Thursday night at the 502 East Event Center in Carmel.

The Indiana Debate Commission has tried to get the three senatorial candidates to appear together, but were unable to do so

when Rep. Todd Rokita refused to ioin with the other candidates, Rep. Luke Messer and Mike Braun The forum

was not billed as

a debate although the format resembled one. The senatorial race for the nomination will be decided in the

May 8 primary election. Candidates made opening statements and then answered questions centered on who would be best to successfully challenge incumbent Democrat Sen. Joe Donnelly. Braun,

not considered a leader in

the race at present, tried to contrast himself from the others by saying he was an "outsider" not tied to the establishment.

The hopefuls all pointed out how another Republican senator could potentially make the difference on legislation favored by the Trump administration. The Senate is currently controlled by a thin 51-49 GOP majority.

About 400 Republican faithful attended the dinner party. Capturing as much attention as the forum was the one-on-one campaigning by local candidates seeking support in the all-important GOP primary.

Candidates for county sheriff, Superior Court judge, county council and various other offices roamed the banquet hall seeking to meet, greet and win over party workers and leaders.

Lincoln Day is something of a kick-off of the local campaign in election years. The party's hardcore supporters and donors attend often wanting to see the candidates in person. All current officeholders and candidates who attended were introduced to the crowd. The dinner party is sponsored by the GOP Central Committee chaired by Laura Campbell.

First in a series on the work of Noblesville's city departments . . .

Know your city: Noblesville's HR and IT departments

worked for the City of Noblesville for nearly two years, I am continually impressed by the hard work and dedication of my fellow city employees. Some of

them are well known for the work they do out-andabout in the community. But a vast majority are the unsung heroes who help make our great city the vibrant community that it is today.

Starting now and for the months ahead, I will focus each of my columns in the Hamilton County Reporter on the work of an individual department or two. The reason? To share with readers and local residents in particular what it takes to keep our community of 62,000 going strong.

Human Resources

Like any organization, whether it's a Fortune 500 business, non-profit service provider or a municipality – it's the people themselves who ultimately determine our success.

You may be surprised to learn that it takes 369 full-time staff to conduct the business of our city. You may be even more surprised to learn that all of our personnel matters for these 369 workers are managed by a Human Resources Department of only three employees. And they do a magnificent job!

Appointed by Mayor John Ditslear in 2003, Human Resources Director Holly Ramon and her two staff members oversee all personnel policies, procedures and compliance

with local, state and federal employment regulations. They also manage recruitment and hiring, personnel records, employee performance evaluations, health insurance coverage, workers compensation and the city's deferred compensation plan.

Just like in the private sector, the challenge for our city is hiring and retaining the right people. Each job applicant HR considers to fill a position goes through specialized testing as well as a thorough interview process. In 2017, HR facilitated the hiring of 34 fulltime and 66 part-time and seasonal employees. And as they do every year, HR worked alongside each department director to manage the employee review process to help encourage performance excellence.

Also in 2017, HR led the research, analysis, selection and roll-out of a new deferred compensation provider, helped the Controller's office launch a new employee payroll and HR software program and improved internal communication by deploying informational screens in city facilities to keep workers informed and engaged.

In addition, HR was instrumental in an important part of the budget process, which for 2018 resulted in a 5 percent increase in pay for full-time employees, but coupled with a modest increase in the share employees pay for health insurance benefits, which reduced the net increase for the overall city budget.

And each June, HR rolls out administration's Employee Appreciation Week to celebrate the contributions of each and every worker. But HR is very much deserving of our appreciation for all that they do - so the rest of us can focus on our own duties and responsibilities.

Information Technology

While people are the No. 1 key to success for a city, we also need the right tools in place to do an effective and efficient job and to ensure we are able to respond to the needs of citizens. That's where the seven employees of our Information Technology Department come in.

Misty Shearer began her career with the Street Department in 1998 before transferring to IT in 2004. She was appointed by Mayor Ditslear as IT Director in 2013.

Working behind the scenes, the IT Department's success is rarely seen by the public as they maintain all of the city's networks, websites, computers, servers, phones, cameras and WiFi for

different buildings throughout Noblesville. But when the system goes down, that's when you really find out how vitally important their function is. Thankfully, with our IT Department, that doesn't happen often.

IT also assists our public safety departments with laptops, software and equipment upgrades, requiring IT staff to be on call - day or night and all year round. This roundthe-clock service ensures our police officers and firefighters can respond to citizen emergencies no matter what.

In 2017, IT installed new laptops in 70 police vehicles and all fire apparatus. At the same time, they facilitated the city's dispatch software conversion, a complicated process to ensure all Hamilton County emergency responders are fully connected for better communication and collaboration

Thanks to the hard work of our IT Department, their efforts and the technologies they deploy, the City of Noblesville can remain connected with the people we serve.

Want to read more about the work of Noblesville's HR, IT and our other departments? Check out the 2017 Annual Report, which can be found at bit.ly/2pjsmYz. I look forward to sharing more behind-the-scenes glimpses into the public servants who work for the City of Noblesville.

Public Notices

NOTICE OF PUBLIC HEARING ON ADDITIONAL APPROPRIATION Notice is hereby given that the City of Noblesville Common Council will hole public hearing during its regular meeting at 7:00 p.m. on April 10, 2018, in the Council Chambers at City Hall, 16 South 10th Street, Noblesville, Indiana.

The purpose of the public hearing is to consider the restoration of appropriation authority for nine hundred thirty-eight thousand, three nundred eleven dollars (\$938,311.00) in contingency reserve funds for capital expenditures that was reduced by the State Department of Local Government Finance in the City's official 2018 budget order, due to a technical nisunderstanding of the reserve balance available in the City's Cumulative Capital Development Fund. The appropriation will restore the appropriation authority for the contingency reserve to the same level included in the 2018 nnual budget that was adopted by the Common Council.

The foregoing appropriation is in addition to all appropriations provided for in he existing budget and tax levy.

Taxpayers of the City of Noblesville appearing at the hearing shall have a

right to be heard in respect of this additional appropriation. Dated this 28th day of March, 2018.

School Performanc

3/22/2<u>018</u> 1t

This month The Hamilton County Reporter is publishing Annual Performance Reports (APRs).

To the right you will find an explanation of the data you find see on Pages A7-A10.

This week we offer you the report for Westfield Washington, Hamilton Heights. Sheridan and Noblesville Schools.

These reports do not only detail performance for the 2016-17 school year, but show a comparison all the way back to the 2013-14 school year, allowing parents and readers the opportunity to see how local schools perform over time.

Last Monday provided data for Carmel and Hamilton Southeastern schools, which can be found on our website at ReadTheReporter.com/Archive by clicking on the link for the March 19 weekly edition.

As noted in the state explanation to the right and at the bottom of each page of the APRs, in 2014-15 Indiana transitioned to new, more rigorous college-and-career ready standards and a new statewide assessment to measure these standards. Therefore, results are not comparable to previous data.

Publishing APRs for every school corporation in Hamilton County is just one more way we can show our readers we really are Hamilton County's Hometown Newspaper.

The APR is a report on the performance of schools and school corporations (districts) in your area. The goal is to provide information regarding the progress schools are making to help students become college-and-career ready. Where possible, this report contains three years of data to show trends – not just this year's results. In addition, the State Average is also shown for comparison purposes. There are additional indicators that are available on the Indiana Department of Education's Web site (compass.doe.in.gov), including data broken out by different student subgroups, such as race, gender, income level and special education.

The data in this report have been supplied by the Indiana Department of Education and local school corporations. The eport provides the most recent data available

Indiana educators and citizens have developed higher academic standards for all students. These standards are necessary to prepare Indiana students to be successful in life, whether they go directly to higher education or to the workplace. The scores for ISTEP+ are listed under each school to reflect student progress toward those standards. Note: In 2014-15 India. transitioned to a new, more rigorous college-and-career ready standards and a new statewide assessment to measure these standards. Therefore ISTEP results are not comparable to previous data. For high schools, you also will see

graduation rates and the percentage of graduates who plan to go on to college.

Other important data are provided, such as average attendance rates and indicators of school safety, including expulsions and suspensions. Also included is information about your school corporation, such as how much teachers are paid; and the percentage of corporation students who are in special education classes or gifted and talented classes.

Mission: Provide rigorous and engaging experiences to prepare all children-socially, emotionally, and academically-for their future.

Vision: To be an exemplary learning organization focused on collaboration, innovation, and continuous growth

* In 2014-15 Indiana transitioned to new, more rigorous college-and-career ready standards and a new statewide assessment to measure these standards. Therefore, results are not comparable to previous data.

Number of In School Suspensions MISSION STATEMENT

fiscal year

We create high leverage, high impact learning opportunities for all students. VISION STATEMENT

All students develop skills and attitudes resulting in academic achievement, career success, and exemplary citizenship. BELIEFS OF THE SHERIDAN COMMUNITY SCHOOLS BOARD OF SCHOOL TRUSTEES

Students are our first priority. Our schools are the focal point of this community. This community's investment in our schools is vital to the continued vitality of this community. Everyone in the community has a role in educating our children. Our students deserve world-class opportunities. Schools must provide a safe and nurturing environment. Everyone in our

instructional expenditure categories and the other expenditure categories as described in IC 20-42.5-3-4 for the next

community deserves to be treated with respect.
Successful investment in the future respects the past
Sheridan Community Schools shall strive to maintain the current levels between the expenditures for the student

NOTICE OF HEARING ON PROPOSED SIXTH AMENDMENT TO
LEASE
NOBLESVILLE SCHOOLS
You are hereby notified that a public hearing will be held before the Board of School Trustees (the "Board") of Noblesville Schools (the "School Corporation") on April 26, 2018 at the hour of 5:00 p.m. (Local Time) at the Educational Services Center, 18025 River Road, Noblesville, Indiana, upon a proposed Sixth Amendment to Lease (the "Sixth Amendment") to be entered into between Noblesville High School Building Corporation (the "Building Corporation") as Noblesville High School Building Corporation (the "Building Corporation"), as lessor, and the School Corporation, as lessee.

The proposed Sixth Amendment upon which the hearing will be held amends the existing Lease Agreement originally dated March 30, 1993, as amended (as amended, the "Original Lease", and together with the Sixth Amendment, the 'Lease"). The Sixth Amendment extends the term of the Original Lease and ncreases the rent payable thereunder in exchange for the renovation of and mprovements to the property subject to the Lease (the "Leased Premises"). The Sixth Amendment extends the term of the Original Lease to June 30, 2039 and ncreases the annual Lease rental by a maximum of \$2,150,000, payable on June 30 and December 31 beginning with the completion of the renovation of and mprovements to the Leased Premises or December 31, 2019.

As additional rental, the School Corporation shall maintain insurance on the eased Premises as required in the Lease, shall pay all taxes and assessments against such Leased Premises, as well as the cost of alterations and repairs, and shall pay rebate amounts to the United States Treasury, if necessary. After the sale by the Building Corporation of its bonds (the "Bonds") to pay for the cost of the renovation and improvements, including any other expenses incidental thereto, the increased annual Lease rental stated above shall be reduced to an amount equal to the multiple of \$1,000 next higher than the sum of principal and interest due on the Bonds in each twelve-month period ending on January 15 plus \$5,000, bayable in equal semiannual installments.

The Lease gives an option to the School Corporation to purchase the Leased Premises on any Lease rental payment date.

The Leased Premises is Noblesville High School located at 18111 Cumberland Road, Noblesville, Indiana in the School Corporation.

The plans and specifications, including the estimates for the cost of the renovation and improvement, as well as a copy of the proposed Sixth Amendment are available for inspection by the public on all business days, during business hours, at the Educational Services Center, 18025 River Avenue, Noblesville,

At such hearing all persons interested shall have a right to be heard upon the necessity for the execution of the Sixth Amendment, and upon whether the increased Lease rental provided for therein to be paid to the Building Corporation is a fair and reasonable rental for the renovations to the Leased Premises. Such hearing may be adjourned to a later date or dates, and following such hearing the Board may either authorize the execution of the Sixth Amendment as originally agreed upon or may make modifications therein as may be agreed upon with the

Building Corporation.

Dated this 22nd day of March, 2018.

Notice of Adoption of Preliminary Determination

Notice is hereby given pursuant to Indiana Code 6-1.1-20-3.1 that the Board of chool Trustees (the "Board") of Noblesville Schools (the "School Corporation") did, on March 20, 2018, make a preliminary determination to issue bonds and enter into a lease (the "Lease") for the renovation of and improvements to Hazel Dell, Hinkle Creek, Noble Crossing, North, Promise Road, Stony Creek and White River Elementary Schools; Noblesville East and Noblesville West Middle Schools; and Noblesville High School (the "Projects"). The Lease will have a term of twenty-two (22) years with a maximum annual Lease rental of \$2,150,000. The maximum annual Lease rental has been estimated based upon an estimated principal amount of bonds of \$15,000,000, estimated interest rates anging from 2.00% to 5.00%, and total estimated interest costs of \$8,383,500.

As required by Indiana Code 6-1.1-20-3.1(b)(1), the following information was

available to the public at the public hearings on the preliminary determination:

(i) the School Corporation's current and projected annual debt service payments divided by the net assessed value of taxable property within the School Corporation, which is 0.6677%; and (ii) the sum of the School Corporation's outstanding long term debt plus the outstanding long term debt of other taxing units that include any other territory of the School Corporation divided by the net

thins that include any other territory of the School Corporation divided by the let assessed value of taxable property within the School Corporation, which is 6.63% The School Corporation's current debt service levy is \$20,790,894 and the current rate is \$0.6677. After the School Corporation enters into the proposed Lease and the bonds are issued, the debt service levy will increase by a maximum of \$2,150,000 and the debt service rate will increase by a maximum of \$0.0728. However, as existing obligations mature, the anticipated net increase to the debt service fund tay rate will be \$0.00. service fund tax rate will be \$0.00.

you're on the other team.

Carmel had to play the role of "the other team" Saturday night at Bankers Life Fieldhouse. The Grevhounds held a huge early lead before Warren Central started chipping away at it in the third quarter. The No. 1-ranked Warriors then blasted through the fourth to claim the Class 4A boys basketball state championship, beating the No. 10 Greyhounds 54-48.

The fact that Warren Central won the game was not improbable. The Warriors finished the season a perfect 32-0, the first unbeaten team since the 2008-09 season saw two teams unbeaten (Bloomington South in 4A and Princeton in 3A). Warren also became the first team to sweep state in both girls and boys basketball since Oregon-Davis did so

Mulloy also made another layin midway through the period; he had 10 points by the 2:26 mark of the second.

"I think in the first few minutes, you're in a tough environment, you're in a new place, and our guys just had to settle in," said Carmel coach Ryan Osborn. "And once they settled in and they felt comfortable with what we were doing, that's when they got really good defensively."

The Warriors got back within single digits with a quick 7-0 run. David Tate's Central ahead 33-32 early in two layins bookended a 3pointer by Joe Rush. Tate set a new 4A record for highest free throw percentage: Tate converted 13 of 14 attempts, 92.9 percent.

Mulloy scored 21 points for the Greyhounds and also pulled eight rebounds.

Jenkins and Gill both scored eight points, with Gill and Owens each grabbing six rebounds. Tate led all scorers with 22 points, while Cushingberry added 10 points.

"I thought our guys battled," said Osborn. "I thought they competed. I'm proud of them. I couldn't be more proud of them to be in this situation and give themselves a chance. Warren made the plays. They're a good team. They're undefeated for a reason and they played a tough schedule. You got to give a lot credit to them."

"Obviously we wanted to win this last one, but I couldn't be happier for these guys and myself," said Whack. "We went through ries. We lost a couple close games."

But Whack said the team decided to stick together just "do what we do," he said. If the Greyhounds made a team effort, they thought they could go far.

HSE girls win Hoosier State Relays Large School meet

The Hamilton Southeastern girls track and field team is ranked No. 1 in the state, and on Saturday, the Royals lived up to that ranking.

Southeastern won the Large School division of the Hoosier State Relays, which took place at Indiana University. The Royals ran away with the meet by scoring 72 points, well ahead of runner-up Warren 44 points.

Southeastern won two events. Camille Christopher zoomed to a new school record of 7.56 seconds while winning the 60 dash. Christopher later joined Tierra Sydnor, Mia Mackenzie and Olivia Burgess to place first in the 4x200 relay, in a time of 1:43.29.

The Royals picked up 14 points in the pole vault, with Kennedy Drish and Jessica Bray taking second and third respectively. Burgess and Sydnor also ran on HSE's third-place 4x400 relay, joining Madisyn Etherege and Mya Hammons.

Carmel took third as a team with 43 points. Kara Deady soared to a win in the pole vault, with a leap of 12 feet, 6 inches. The Greyhounds also got a secondplace finish out of their distance medley team of Maddie Dalton, Sydney Haines, Izza Khurram and Phoebe Bates, while Dalton, Haines and Bates joined Anna Morozov to take third in the 4x800.

Noblesville placed ninth with 28 points. The Millers' and Bella Sharples-Gordon took second in the 4x800, then later finished third in the distance medley.

Westfield scored eight points to tie for 18th place as a team. Gabby Dilick placed third in the 3200 run.

In the large school boys meet, Westfield finished second as a team. The Shamrocks scored 49 points, behind only Avon's 66 points.

The 'Rocks were led by Peyton Haack, who won two events. Haack took the 60 dash in a time of 8.00 seconds. which ties a meet record. He then joined Dainon Wray, Alex Kukura and Charlie Miller to win the 4x200 relay in 1:30.01. Haack placed second in the pole vault as

The Hamilton Southeastern girls track and field team won the Hoosier State Relays' Large School meet Saturday relay team of Aubrie Deal, Abi Little, Maria Anderson at Indiana University. The No. 1-ranked Royals scored 72 team points and won two events.

Carmel won two events on its way to a third-place finish of 47 points. The Greyhounds team of Jimmy Snyder, Spencer Gudgel, Trey Harris and Eli Konow won the 4x800 relay in 7:56.45. Gudgel, Harris and Konow then joined Alex Brown-Baez to take the 4x400 relay, clocking in at 3:23.37.

Hamilton Southeastern tied for 10th place with 20 points. The Royals had two runner-up finishes: Madison Norris was second in the 60 hurdles and Chase Maxey took the silver in the long jump.

Noblesville scored 8.5 points to finish in 21st place. The Millers' distance medley team of Zach Freeman, Bryce Gatewood, Andrew Anderson and Blake Hipkiss placed sixth in that event, while Andrew Herman tied for sixth in the long jump.

Hamilton Heights and Guerin Catholic participated in the Small School meet. The Huskies' best finish was in the girls 4x800 relay, with the team of Maria Mitchell, Abigail Roth, Morgan Guthrie and Abby Christiansen placing fourth. Quinn Gallagher took fourth in the boys 3200 run for the Golden Eagles' best finish.

Softball

Huskies start season with two wins

The Hamilton Heights softball team got its 2018 season off to a strong start, winning its first two games.

The Huskies got down early in its season-opening game with Zionsville last Monday, but got right back up.

The Eagles scored four runs in the top of the first inning, but the Huskies answered in the bottom of the first, scoring four of their own to tie the game. Eventually, Heights won 6-5.

Adyson Baber and Jessica Kaurich each hit home runs in the first inning to get the Huskies back even with Zionsville. Heights added two more runs in the third inning and held the lead for the remainder of the game. Huskies coach Landi Lockwood credited her tem with keeping its composure in the first inning.

"Our defense was a little rough but we made plays and got ourselves out of tough situations when it counted," said Lockwood.

Baber wound up 3-for-3 in the game, hitting two home runs. She also pitched all seven innings for the win.

"Baber had a good game tonight on the mound and at the plate," said Lockwood. "For it being our first game, overall I'm pretty pleased with what I saw in how the girls handled themselves and in the potential we have."

Heights came from behind again on Thursday to score its second straight win, beating Frankton 8-5.

The Huskies were down 3-1 after four innings, but poured in five runs in the top of the fifth and never trailed again. Baber had a powerful night, going 3-for-4, including a home run, batting in three runs and scoring two.

Hayley Greene hit a triple and scored twice. Kaurich batted in two runs, while Taylor Ewing went 2-for-4 at the plate. Baber went four innings for the pitching win.

"We had another night tonight where we were down early but the girls kept their composure and chipped their way into the lead," said Lockwood. "Baber had another good night tonight on the mound and hitting."

On Friday, Heights lost its first game of the season, falling at Lapel 10-7.

Bayleigh Runner scored three runs for the Huskies, while five different Heights players had two hits. Aliyah Dorsey batted in two runs with her two hits and Hayley Greene hit a double.

"We started the game and finished the game strong but we had a couple of innings in the middle where we let up," said Lockwood. "Lapel took advantage, went on a hitting streak scoring several runs. We scored three runs in the seventh to give ourselves a chance but couldn't make the comeback."

Heights is now 2-1 and is off until April 5, when it plays at Anderson.

'Rocks drop first two games

Westfield lost its seasonopening game last Monday, falling to Monrovia 3-1.

The Shamrocks scored their run in the bottom of the first inning. Ashley Swartout hit a single to get on base, then was moved to second after Emily Revercomb reached on error. Another error scored Swartout, with Dory Thompson reaching first on a bunt.

Avery Wagner pitched four innings for Westfield, with Emily Caulfield throwing the other three. Caulfield struck out three and Wagner struck out two; issued any walks.

On Thursday, Westfield bottom of the fourth inning, but rallied big time, cutting the Titans' lead to 10-6. Taylor eventually won the breaks. They made some this week. game 12-6.

Westfield scored two runs with two outs in the fourth. With runners on second and third base, Regan Nickel hit a ground ball and reached first on an error. That would allow Sami Stegner and Corinne Molter to score.
