## Noises Off draws Westfield crowds

By **STU CLAMPITT**  
[ReadTheReporter.com](#)

Main Street Productions and Westfield Playhouse are staging the beloved farce, "Noises Off" by Michael Frayn. The Reporter had the opportunity to speak with Producer Cheryl Fesmire about this light-hearted comedy.

"Noises Off is often considered the best farce ever written," Fesmire said. "I think that's probably true."

The story is told in three acts. "The first is the rehearsal of the cast with all the things that don't go right in that," Fesmire explained. "The second act is seen from backstage. There is just mayhem and nothing goes right. In true farce style there is a lot of slamming doors, mistaken identities and disguises that don't really work. The third act is a performance after a great deal of infighting and jealousy so that doesn't go right either."

According to Fesmire, sardines are a big component of this show, which you will have to see to appreciate.

As produced, Fesmire is responsible for making sure correct information gets into the program, that things are running well and that the director, Brent Wooldrige, has everything he needs. She also helps build sets under the direction of

John Sampson.

"The challenge for this play at Main Street is to have a set that is two levels and can turn because it is a small stage," Fesmire said.

Every year Main Street Productions sends out requests for directors to submit

plays. A play-reading committee reads the plays and makes their recommendations. That is taken to the board for the final decision.

## Carmel residents concerned about zoning change

WISH-TV  
[wishtv.com](#)

Dozens of people asked questions Wednesday night about a possible development on the edge of Carmel.

Some are worried it could become a hospital, and they are worried what could come of 30 acres of undeveloped land on 96th Street and Spring Mill Road.

Smack in the middle of sleepy streets of homes and a bustling commercial district sits an area waiting for development. The company Ambrose Property Group is looking to make a splash.

But for their plan to work they need a change to Carmel's zoning.

And that's when the questions come to a roar. Ambrose held a meeting to clarify zoning questions for anyone concerned.

People in the area said they have heard St. Vincent will build a hospital, maybe even with a helipad.

That concerns some residents of possible noise issues and even safety.

They say traffic is already a problem, and they imagine it would only get worse.

"It would be backed up for miles," said William Cummings, who lives nearby by the proposed ordinance change.

## Rep. Cook, Gov. Holcomb award Westfield business

### The REPORTER

Ashpaugh Electric, Inc. on Wednesday at the Statehouse received the Governor's Half Century Business Award for its longevity and sustained investment in the community, according to State Rep. Tony Cook (R-Cicero).

Cook said Westfield-based Ashpaugh Electric provides electrical installation and repair services.

"Since 1965, Ashpaugh Electric has served Hamilton County and surrounding areas," Cook said. "Family-owned small businesses like this help cultivate strong, positive relationships within our community and support the

economy in many ways. Ashpaugh Electric is an exemplary managed and customer service oriented business that is highly respected in Hamilton County."

The Governor's Century and Half Century Business Awards honor Hoosier businesses that have remained in operation for a minimum of 100 or 50 consecutive years and have demonstrated a commitment to community service. Visit [iedc.in.gov](#) to learn more.

## Inaugural Noblesville Mayor's Youth Council accepting applications

### The REPORTER

The Inaugural Mayor's Youth Council (MYC) is seeking applicants for the 2018-2019 school year to provide Noblesville's young people a voice in government and an active role in addressing youth issues. The program is free and open to students who live in or attend school in Noblesville. This includes students who attend public schools, private schools, or homeschooled students.

The council will select two incoming eighth graders and the remaining members will be filled by high school students. Noblesville Mayor John Ditslear said the council is looking for students of outstanding character to represent the voice of young people in city government.

"Serving on the Mayor's Youth Council is a great way to start actively participating in city government at a young age," said Ditslear. "Members have an opportunity to represent both their neighborhoods and their peers while making a real impact on the issues affecting youth in the city. The Mayor's Youth Council allows teens to gain leadership experience and help make Noblesville a better place."

MYC will advise the mayor on issues relevant to youth, learn about municipal government and the importance of civic participation and discuss and educate their peers on council initiatives. Youth Council members will meet on the first

"Comedy is much harder to do effectively than drama," Fesmire said. Especially when you are running up and down stairs and doing absurd things like dropping sardines on people's heads or carrying an axe around."

Fesmire wanted to thank and make note of some of the people without whom this production would not have been possible.

"John Sampson is in charge of set design," Fesmire said. "I think he will have a much easier time of it when we get our new location. Brent Wooldridge is directing. He has directed a lot of shows and this is the second time he has worked at Westfield. I want to put in a word for the ac-

But at this meeting when it came to their questions, they were asked to write them down so they could be presented for a planning commission meeting. The crowd then shouted questions.

"I mean, how can you write an intelligent question unless you know who the end user is," said Cummings.

"They provided ab-

solutely no new information. What a sham. What a scam."

Ambrose said it's a process that could take months before any potential zoning changes and hoped the meeting would help these residents feel more comfortable.

The group wouldn't talk about any possible plan with St. Vincent.

"We're focused on the

zoning at this time," said Jon Dobosiewicz, a land use professional with the Indianapolis law firm Nelson and Frankenberger, which helped run the meeting. That answer was in response to being asked about whether now is the right time for these residents to be voicing their concerns.

**NOBLESVILLE** *from Page 1*

all their cases come from an agreement to handle Westfield Police Department's civil caseload in return for 50 percent of their collected fines.

In 2017, the City Court transitioned to a new court management system known as Odyssey. Staff went through an intensive two-week training as they implemented the crossover between court operating systems. The new program allows the court to be more efficient, more cost effective and be able to handle a larger case load at a faster pace.

In addition, defendants and their attorneys can locate their case online when and where it's most convenient – which is just one example of the city's concerted efforts to bring about greater transparency at the local level.

**City Clerk**

The business of running a city requires the collaboration of lots of individuals, including elected officials, who attend lots of meetings. Lots and lots of meetings. And from those meetings eventually come ordinances, resolutions, contracts and a slew of other public

documents. Who can keep it all straight?

Answer: The city clerk – which, like the city judge, also is an elected position.

Clerk Evelyn Lees began her first term in 2016 after Noblesville transitioned to a second class city and replaced the Clerk-Treasurer Office where Lees had served as deputy clerk-treasurer. That dual role is now split between the clerk and a controller appointed by Mayor Ditslear to serve as the city's chief financial officer.

With the help of Deputy Clerk Jacque Thompson, Lees prepares agendas, takes minutes and keeps all records for the Common Council, all eight council committees, and the Board of Public Works and Safety. The clerk also advertises public meetings, posts legal notices and assists the public with requests for information.

In other words, the clerk's administration helps bring about even greater transparency.

It's a tremendous responsibility, with scheduling, advertising, attending and recording minutes for public and executive session

meetings – about 12 in any given month – and they do a fantastic job while supporting the city and serving the public.

The office also oversees the records of Riverside Cemetery located at the corner of Maple Avenue and 5th Street. Recently, Lees led an effort to research and record infant burials from 1953 to 1975, some of which were unmarked, and to enhance this area with new fencing and signage. Thanks to the work of the Clerk's Office, Street Department and local artist Rick Hefflin, the infants interred within Bablyland will forever be memorialized.

It's this type of project that exemplifies how our public servants go above and beyond their regular duties, and reflects well upon the love and dedication all our employees and elected officials show our community.

On Saturday, April 7, the White River Township Volunteer Fire Department held their annual Dan's Fish Fry. White River Township Trustee Jamie Rulon told The Reporter that 559 meals were served to citizens and community leaders.

"I had a great time seeing old friends and making new ones while helping out our neighbors in White River Township," Atlanta Clerk-Treasurer and Jackson Township Trustee candidate Robyn Cook told The Reporter.

Servers included Rulon, Cook, Hamilton County Council candidate Mark Hall, Mr. Muffin's Trains owners Steve Nelson and Liz Foley Nelson, who is a candidate for Jackson Township Board.

ask for," Hall said. "Influence in lives and culture happens when you first serve someone else."

Rulon made and donated a quilt to the fire department. Rulon told The Reporter her quilt celebrates fire departments in a very "old-school" way with embroidered symbols related to firefighters dating back to the 1900s. Her quilt will be displayed in the fire-

house.

"It was great to see so many members of the community come out and support our fire department. We appreciate their generosity and dedication to helping our department grow and move toward the future," Rulon said.

Funds raised at the fish fry help pay for fire department expenses not covered by the township.

# HSE Schools realize energy savings from 2016 to 2017

By **LARRY LANNAN**  
[LarryInFishers.com](http://LarryInFishers.com)

Hamilton Southeastern (HSE) Schools reduced energy costs 6 percent from 2016 to 2017. That's what Bob Rice, the school district's energy manager, told the HSE School Board Wednesday night. That means the school corporation spent \$244,000 less

comparing 2016 to 2017. When adjusted for weather, the savings are even higher.

"We've also reduced the amount of CO2 that we are putting into the atmosphere by 3,800 pounds," Rice told the board. "HSE would have had to plant 19,000 trees to make that same impact on the environment."

Rice added the school system's energy savings

from 2016 to 2017 would be the same as taking 600 cars off the road.

In 2018, Rice says the local school district is on track for a 5 percent energy savings compared to 2017. The energy consumption is going down, even as the student population grows. These savings were realized despite a utility rate increase.

**Monon Greenway repaving to begin**

**The REPORTER**

In addition to the Monon Boulevard expansion project in the Midtown and Arts & Design District

area, the Monon Greenway from 96th Street to Gradle Drive will undergo some repairs and resurfacing this year. It will also have some

new bollards installed, but none of these improvements will affect the footprint of the greenway in this section.

Plans have been created that will result in the least negative impact to the public. The detours created to accommodate this project result in a possible two-mile addition, depending on your exact route. A temporary sidewalk will be installed along 96th Street to connect the existing sidewalk with the detour. Signs will be posted to help direct greenway users along the detour. The route, if you are northbound, will be from the Monon, west along 96th Street, north on College Avenue to 106th Street, east on 106th Street to Monon. Reverse this route for southbound greenway traffic.

The project will begin on or after April 16 and is anticipated to last approximately one month. It will be completed in phases with two short phases at the beginning and end and one longer one in the middle. Phase 3 information and map will be coming soon. If you have questions about the project, please call 317-573-4044.

### The REPORTER

Last year, more than 15.4 million Americans were victims of identity theft. To help fight fraud, a handful of community groups are joining together for a document-shredding, electronics-recycling, bulk-item and drug-disposal event from 10 a.m. to 1 p.m. on Saturday, April 21 in the parking lot of Creekside Middle School, located on the southeast corner of West 126th Street and Shelborne Road.

The event is sponsored by a team of organizations including AARP, Carmel Utilities, Carmel Police Department, Crime Stoppers of Central Indiana, Technology Recyclers, Shred-it and WISH-TV. AARP Indiana will be handing out information about their free Fraud Watch Network.

### Shredding

Identity theft is one of the fastest growing crimes today and most identity information is still obtained through hard copy paper sources. Shredding significantly reduces your risk when disposing of confidential information. It is recommended that

you shred any documents that include a signature, account number, Social Security number, medical or legal information. The professional shredding is sponsored by Shred-it to benefit Crime Stoppers of Central Indiana. A donation is requested of \$5 per bankers sized box or equivalent.

### Recycling

The recycling drop-off event will be managed by Technology Recyclers. The following items will be accepted: All computers, servers, peripherals, wiring, cable, battery backups, monitors, TVs (\$10 charge per monitor or TV); all electronics, phones, stereos, headsets, DVD players, any small appliance; IT equipment including hubs, switches, servers, routers, racks etc.; office equipment including fax machines, copiers phone systems, industrial electronics, test equipment, medical equipment and large appliances including refrigerators and freezers.

### Prescription drugs

Properly removing unused and expired medicines from the home helps protect the environment and

our community by keeping them out of our water supply and reducing accidental poisoning and prescription drug abuse. Uniformed officers will be accepting pharmaceuticals for proper disposal.

### Bulk items

As part of the City trash program with Republic Services, drop-off of bulky items will be available free of charge to trash customers. (This is for City trash customers only; an ID or utility bill is required.) Examples of items to drop off include lawn equipment, carpet, furniture, grills (no propane tanks), water heaters, swing sets, mattresses, etc. Space is limited and on a first come, first served basis. No electronic waste in bulk item disposal. Those items are accepted in electronics recycling.

### Items not accepted

No paints, light bulbs, tires, landscape waste, toxic or household hazardous waste.

### Future event date

10 a.m. to 1 p.m. on Saturday, Oct. 20, 2018, at Creekside Middle School

# Bring in spring at Carmel's Gallery Walk

## The REPORTER

Bring in spring with April's free Make and Take Project with The Art Lab. During the Second Saturday Gallery Walk, participants will be able to make tissue paper flowers and bouquets. The Gallery Walk, sponsored by IU Health North Hospital, takes place from 5 to 9 p.m. Dine at one of your favorite local eateries then stroll through the beautiful new exhibits at nine different galleries. Begin your evening by picking up a Scavenger Hunt Clue Sheet at All Things Carmel for your chance to win great prizes.

Special gallery exhibits will be featured throughout the Gallery Walk including:

- Indiana Artisan Greg Adams is energetic and entertaining as he creates exceptional furniture from willow branches. Watch him and learn about his creative process during his demonstration, *Stick Art: Making Rustic Furniture*, a demonstration at the Indiana Artisan store during the Gallery Walk. Visit the store to see his artful tables, sturdy benches, attractive stools and one-of-a-kind décor. (111 W. Main St., #120)

- Anna Afshar and Freddie Kelvin of Art on Main Gallery and Gifts are featuring their *Time to Escape* show throughout the month of April. Afshar will be doing life portrait sessions throughout the day on Saturday, April 14. The cost is \$50 per 30 minute portrait. The artist reception will take place from 6 to 9 p.m. on Friday, April 20. (111 W. Main St., #140)

- Carmel Clay Historical Society's first exhibit of the year, *The Great War*, commemorates the WWI Centennial and includes artifacts, stories and photographs from their collection combined with traveling exhibits from the Indiana Historical Society and the Indiana State Museum. More than 120 Carmel men and women joined the service during WWI. They invite you to explore the roots of World War I, America's entrance into the war, Indiana's participation in and contributions to the war effort, the role of Hoosier women both at home and abroad and more.

- The Olive Mill of Carmel will be celebrating their fifth anniversary from 10 a.m. to 9 p.m. on Saturday, April 14. They will have special treats and savings throughout the day.

Enter to win a gift basket of their products valued at over \$100.

- No Label at the Table is proud to provide another opportunity for employment to someone on the autism spectrum. On April 14, they will introduce a new artist with bright prints. Jimmy Kiefel is a young artist who enjoys combining bold colors and images from nature to create a series of artworks that range from vibrant to subtle. Jimmy works with felt tip pens and acrylic paint on paper using collage, handmade stencils, mono-print and block printing methods. This current display at No Label at the Table is Jimmy's first exhibition in a gallery. Jimmy is 18 years old and a Carmel resident since 2011. His interests are reading, trains, music from the 70s to 80s, swimming and cooking.

- Join Hoosier Salon on Saturday, April 14 for the opening of *Rural Light: Three Interpretations* featuring the work of Carol Strock Wasson, Ginny Takacs and Mark Vander Vinne. Three great artists and great friends – each is passionate about capturing rural landscapes in their own unique way. Through their individual interpretation, you can witness distinctive vision and understanding. This is a great opportunity to witness and appreciate amazing artwork by three Hoosier artists that live outside of Central Indiana. Help celebrate their talent and hard work. (22 N. Range Line Road)

- The art students from Towne Meadow Elementary will present *Collaborations* at the Carmel Arts Council Children's Art Gallery. The kindergarten through fifth grade art students used Q-tips dipped in paint to construct their concept of Henri Rousseau's famous *The Sleeping Gypsy*. The finished work has over 150,000 dots of color. A glass mosaic work entitled *The Plight of the Honey Bee* was constructed by third, fourth and fifth grade art students. These students learned how important the honey bee is to the environment and the work has over 4,000 pieces of hand cut glass. The fifth grade art students studied the famous wildlife conservationist Jane Goodall and then worked together by using Q-tips dipped in paint to create their impression of Goodall. There are over 63,000 dots in the completed artwork. During April, the Gallery Annex will continue to feature artwork from Carmel, Clay and Creekside Middle School and Carmel High School. The Community Art Exhibit will showcase pieces of art from the Carmel Clay Historical Society. The CCHS maintains a small but diverse collection of art that features local artists as well as artwork depicting areas in Carmel. (40 W. Main St.)

- CCA Gallery is featuring the photography of CCA President Gail Wiener and Elaine C. Wolfe's paintings. Elaine is CCA's longest active member at 38 years. Spring will open with an artists' reception during the Gallery Walk from 6 to 8:30 p.m. (111 W. Main St., #135)

Activities taking place during the April Gallery Walk include:

### Judith Lynn "Tiny" Buzan December 20, 1941 – April 11, 2018

Judith Lynn "Tiny" Buzan, 76, passed away peacefully at her home in Sheridan, surrounded by her loving family and her dog Max on Wednesday morning, April 11, 2018. Born in Frankfort, Ind., on December 20, 1941, she was the daughter of the late Willard "Bud" and Irene (Purcifull) "Short" Harshman.

Judy was very proud to be part of the Kirklin H.S. Class of 1959, the very last graduating class from Kirklin High School before it became part of the consolidated Clinton Central School System. Taking care of her family was the single most important thing in Judy's life, and that care came in many different forms. For many years she helped her late husband, "Warnie" Buzan, take care of the family farm. She absolutely loved taking care of all the farm animals. Cooking was by far her favorite way to take care of her family, and one in which she took great pride. If you worked at the Buzan farm, you were family, relation or not, and that meant you were going to get fed like family. For more years than anyone can remember, she cooked the daily meals for everyone working around the farm. Taking care of the farm and her family kept her very busy, but there was always enough time to spare for a good hand of poker or a game of solitaire. Judy also worked for Leatherite in Carmel for 15 years before retiring in 2000.

A loving farm wife, mother and grandmother, Judy was also quite the jokester. She is survived by her son, Bryan Keith Buzan (Sandy), Sheridan; her daughter, Tammy Lynn Forbush (Hoppy), Sheridan; three grandchildren, Morgan Jo Forbush-Bess (Jade), Sheridan, Lindsay Jay Forbush-Gilbert (Will), Carmel, and William Brandon Forbush, Greencastle; two great-grandchildren, Jayden and Madox Gilbert; one sister, Diane Royer (Bonnie), Michigantown; and her cousin, Danny Goodnight, Gulf Shores, Ala. She and Danny were more like brother and sister than cousins. Judy is also survived by her canine BFF, Max.

She was preceded in death by her parents; her fat cat, Bubba; and by her loving husband, Warren L. "Warnie" Buzan on September 8, 2001. She and Warnie were married on November 20, 1964.

Services will be held at 2:30 p.m. on Saturday, April 14, 2018, at Kercheval Funeral Home, 306 E. 10th St., Sheridan, with visitation from 11 a.m. until the time of service. Pastor George Cooper will officiate. Burial will follow at Crown View Cemetery in Sheridan. Memorial contributions may be presented to the American Cancer Society.

### Lois May Shaw March 1, 1938 – April 10, 2018

Lois May Shaw, 80, Westfield, passed away on Tuesday, April 10, 2018 at Riverview Hospital in Noblesville. She was born on March 1, 1938 to Earl and Versie (Stephenson) McCoskey in Eagletown.

Lois managed a photo lab and spent many hours gardening in her younger years. Lois enjoyed Wii Bowling, reading and working on puzzles. She treasured spending time with her grandchildren and family. Lois liked listening to Susan Boyle's music.

She is survived by her daughters, Jacque (Lynn) Jewell, Joyce (Brett) Hamilton, Julia (Don) McGinty; sisters, Louise (Bill) Myers, Linda Delashmint, Lorena (Vern) Dudley; grandchildren, Cody Shaw, Cyle and Matilyn Letzinger, and Moriah, Cayd and Coltin Hamilton; and great-grandchild, Liaam Virt.

# Early home run sends Millers past 'Rocks

It only took two at-bats for the Noblesville baseball team to get the winning runs as the Millers opened a Hoosier Crossroads Conference series with Westfield Thursday at the Shamrocks' field.

Noblesville scored two runs in the first inning and eventually won the game 3-1. The series will shift to the Millers' Don Dunker Field tonight, with the first pitch at 6 p.m.

The game began with Tyler Owens drawing a walk. Mark Goudy stepped up to the plate next, and hit a 1-0 pitch into center field for a home run, putting Noblesville up 2-0 right away.

Westfield got a run back in the bottom of the first inning, when Kyle Pepiot hit a left field double to score Matt Meyer. But the Millers scored again in the second inning when Cooper Miles got home on an error.

That would finish the scoring, although DJ Owens threatened in the fifth inning by hitting a triple. DJ Owens finished the game 2-for-4, the only player on either team to have multiple hits.

"I thought we came out and ambushed a couple pitches early in the game," said Noblesville coach Justin Keever. "The pitcher changed his approach and we didn't do the things consistently throughout the ball game to be consistent. They had to make those three runs hold up. Now give them credit, they kept making pitches and their defense made some plays, so not taking any credit away from them. But at the same time, I thought our approaches could be better."

Clay Holzworth pitched a fine game, striking out 11 in six innings of work. Kade Gorman came in for the seventh inning and got the save.

"Clay was a bulldog tonight," said Keever. "He battled there, kind of struggled finding his footing on the mound. Anytime you go on the road there, especially for the pitcher, it's a new hill you're not used to, and you got to find a way to get comfortable and he did that. Threw a lot of strikes and I thought defensively we played pretty well behind him as well. Kade Gorman comes in and does a really nice job as well."

Westfield's Zach Zaborowski threw four

and a third innings, with six strikeouts.

"Zab had a quality outing, definitely a step in the right direction for him," said 'Rocks coach Ryan Bunnell. "We still gave too much away from the mound but we did a lot of good things too. We couldn't find the timely hit tonight and misplayed a few balls that was the difference. We are still learning to compete with the game. Better tonight but not good enough. We will keep working."

Noblesville is now 5-4 for the season, while Westfield is 2-3. Both teams are 2-2 in conference play.

# Tigers overwhelm Royals in Mudsock Series opener

By RICH TORRES

FISHERS – Before the season started, Fishers head coach Matthew Cherry was asked to pinpoint his baseball team's strength heading into the spring.

Pitching was going to be a catalyst for the Class 4A No. 3 Tigers, Cherry noted, but he was quick to emphasize hitting first and foremost, calling his lineup a potential threat to any team.

On Thursday night, rival Hamilton Southeastern found out why.

Down 2-1 early to the visiting Royals (3-5), the Tigers' bats came to life in the bottom of the third inning, striking for 10 runs en route to a 16-3 run-rule victory to take the first in the three-game Hoosier Crossroads Conference series.

The Tigers (7-3, 3-1 HCC) finished the Mudsock series opener with eight extra-base hits, three home runs and 12 hits overall. Navy commit Matthew Wolff capped the onslaught by crushing a walk-off grand slam over the left-field fence in the bottom of the fifth.

Wolff led the hit parade by going 3-for-4 with a double and seven RBI. The five-hole hitter's two-out bomb was his first home run of the season.

"This is what our guys are capable of. We've done it a few times this year already," Cherry said. "Our guys are swinging really well right now."

The defending HCC champion Tigers entered the game hitting .298 and reached double-digit runs scored twice before, but their win against HSE was the first by run-rule this season.

Fishers improved to 3-1 in the HCC. Last week, the Tigers won the first two against Noblesville, but a 6-3 loss in the series finale versus the Millers last Friday didn't sit well.

"That loss kind of fueled the fire," Fishers senior Luke Albright said. "It fueled the fire for this series. It's our biggest rival, and we wanted to come out and bring everything we got. When you're so confident, and then you lose a tough one (to Noblesville), it's disappointing, but you come back the next day and go after it."

Albright did his part, earning the win with a three-hit performance through five innings. The Kent State recruit struck out five, walked three and retired five straight between the first and third innings.

HSE led 1-0 in the first inning after a two-out RBI double by Greyson Droste. The Royals (1-3 HCC) built a 2-1 lead in the top of the third behind an RBI-double by Matt Buckingham.

Jack DeWolf drove in the Royals' final run in the top of the fourth, brining Jacob Daftari home after he reached with a leadoff double.

But the Royals had no answer for the Tigers' mammoth bottom of the third.

Kiel Brenzewski, a Navy commit, tied the game 2-2 with a double to deep left field, scoring Craig Yoho, who finished 1-for-2 with a double.

A two-run one-out double by Wolff kept the rally going as the Tigers loaded the bases twice and chased HSE starter Tyler Schweitzer after two and one third innings.

"We wanted to get to their bullpen as soon as possible and we did that," Albright said.

A bases-loaded RBI bunt by Nick Lukac stirred the rivals as Wolff scored on a close call at the plate from third base. A two-run double by Ben Burton in the next at-bat paired with a throwing error – the Royals' second miscue in the inning – increased the lead to 9-2.

Lukac crossed home plate on the errant throw, which sailed into the Tigers dugout. Burton, who reached third on the play, was later awarded home for an unorthodox inside-the-park home run.

"That 10-run inning, we have the call at the plate. He was out. I'm going to say it.

From Page 9

He was out, and then you have a play in right (with a dropped ball). If you make plays, you get out of innings," Royals' head coach Scott Henson said. "That's something we're having a hard time with right now. It's something we need to get better at, and we will."

A home run by J.J. Woolwine, who went 2-for-4, followed by Grant Richardson's third homer of the year with two-outs closed out the frame. The Tigers sent 13 batters to the plate in the third. Fishers' one through five hitters went 10-for-16 in the game with seven extra-base hits.

"You can't give them extra opportunities. You can't fall behind. They are a good hitting team when they have the count in their favor, which is true of any team," Henson said. "If you don't ahead, you don't get outs when you're given them, in this league and this level, it's not going to go well for you."

Cole Graverson settled down in the

bottom of the fourth to sit the Tigers down in order after surrendering both home runs in the third. The sophomore lefty went two and one third innings and retired five straight before Drew Switzer relieved him in the fifth.

From there, the Tigers' hitters strung together one more surge.

"We've seen this coming in our last couple of games. We've put a lot of hits together, and I think we were just waiting for one big inning," Wolff said. "It was just awesome to see."

Richardson, who went 2-for-3 with three runs scored, walked on four straight pitches to load the bases in the bottom of the fifth, and Brenczewski drew another two-out walk for an RBI to bring up Wolff.

From there, the senior third baseman added the fireworks.

"I think it speaks a lot to the HCC that we're ready. We're back and we don't have to rebuild. We just reload," said Wolff, who leads the Tigers with 15 RBIs on the season. "They're a great team. We just came out and hit really well today and played some really good baseball. We just have to come out and do that every day."

The Tigers travel to HSE today for Game 2 at 6 p.m. before returning home on Saturday for the finale at noon.

"I still think we got some left in the tank," Wolff said.

# Huskies hold off Fishers comeback, win 8-7

In a wild all-county softball game, Hamilton Heights held off a furious Fishers rally to win 8-7 Thursday at the Huskies' field.

Heights scored one run in the first inning, with Hayley Greene's left field single getting Bayleigh Runner home. The Huskies then poured in six runs in the second inning on five base hits.

"We had a great start to our game tonight on both offense and defense," said Huskies coach Landi Lockwood.

The score stayed 7-0 until the top of the sixth inning, when Fishers tied it up. But the Huskies were able to get another run in the bottom of the sixth and held on in the seventh for the win.

Heights' Runner, Greene and Jesse Nomdo all had two hits. Taylor Ewing, Greene, Kelsey Albright and Nomdo each hit one double. Kristi Gordon and Olivia Latimer both got two hits for the Tigers.

Albright went five and one-third innings for the win.

"We held our composure, scored another run in the sixth and fought off another Fishers rally in the top of the seventh. Kelsie Albright did a great job on the mound with her first start this season with Adyson Baber doing a nice job in relief. We had one rough inning on defense but put together a pretty solid night. Taylor Ewing and Bayleigh runner had a couple of game changing plays that kept us in the game."

The Huskies host Delta at 10 a.m. Satur-

day morning. Fishers travels to Hamilton Southeastern tonight for the Mudssock game, with the first pitch set for 6 p.m.

## Royals overwhelmed by No. 1 New Pal

Hamilton Southeastern ran into a buzzsaw at New Palestine Thursday, as the Class 3A No. 1 Dragons beat the Royals 19-8 in five innings.

Southeastern scored the first two runs of the game when Jordan Rager's left field single sent Abby Taylor and Lillian Leiner home. The Royals' lead didn't last long, as New Palestine scored four runs in the bottom of the first, then poured in nine runs in the second inning.

Southeastern scored three runs each in the third and fourth innings. Nicole Lang hit a two-run home run to score herself and Libby Ratliff in the third inning, and that was followed by an Ahliza Moore RBI single to send Kaelin Wincek home.

In the fourth inning, Wincek cracked a three-run homer; Rager and Ratliff also scored. The Royals cut the Dragons' lead to 16-8 with that, but New Pal scored three runs in the bottom of the inning, and two strikeouts ended the game in the top of the fifth.

Rager, Ratliff and Wincek all finished the game with two hits; Wincek's were her

homer and a double in the third inning. The Royals are 3-3 and will host Fishers at 6 p.m. tonight in the Mudssock game.
