Noblesville has new leadership at White River, North elementaries

The REPORTER

Noblesville Schools announced Tuesday that it has appointed new administrative leaders at White River Elementary and North Elementary schools.

Calie VanDermark has been named the new principal at White River, replacing Rebecca Dicus, who is taking a position as curriculum director with the Hamilton Boone Madison County Cooperative. VanDermark served most recently as the assistant principal at North Elementary. Prior to that she was a teacher at White River Elementary and has also served as a U.S. Marine. She holds a master's degree in educational leadership from Indiana University.

"I am humbled and honored to be returning to White River," said VanDermark. "As a former teacher there, I know firsthand the innovative and joyful learning that is the

fabric of the school. I look forward to reconnecting with staff and parents, and building meaningful relationships within the White River community."

Angie Gingerich will be stepping into VanDermark's assistant principal position at North Elementary. Gingerich brings 18 years of experience in education to the role, serving as a Noblesville Schools teacher, instructional coach and coordinator of the Miller Explorers before/after school care program. She holds a master's degree from Ball State University and a principal licensure from Purdue University.

White River and North parents will receive more information about opportunities over the summer to meet their new leaders, and both VanDermark and Gingerich will be working to ensure a smooth transition for staff and students.

Angie Gingerich (left) and Calie VanDermark have joined the administrations of North Elementary and White River Elementary schools, respectively. Photo provided

New art in Fishers Nickel Plate District

By **LARRY LANNAN**
LarryInFishers.com

On a warm summer night, you will always find a large crowd around Handel's Ice Cream along 116th Street in Fishers. Those crowds will now have a colorful piece of art to view as they wait in line for their ice cream.

Artist Craig Martin has been working on a mural covering the east side of the Handel's Ice Cream building. Friday morning, a ribbon-cutting ceremony was held to celebrate the new piece of art.

Martin says he sees walls often that could use a mural, but for a city to recognize that is "incredible."

"It was an incredible leap of faith to say 'go!'" Martin told the crowd assembled.

It took a number of people to allow this mural project to become a reality, Martin said, including the City of Fishers, the Fishers Arts Council, the owners of Handel's Ice Cream and the building owner.

Carmel seeks to fill Home Place advisory board

The REPORTER

The City of Carmel is seeking interested persons and nominations for a new, temporary Advisory Board required in the ordinance that outlines what must take place when Home Place joined the City of Carmel. The board will advise the city should excess money remain in a special property tax fund designated to be invested in the Home Place area.

In addition to three members specifically identified in the ordinance, there are four "citizen members" who need to own property and live in the Home Place. Mayor Jim Brainard will

appoint two members and two others are appointed by the County Commissioners.

The Advisory Board's seven members are listed below:

- Township trustee;
- The member of the Hamilton County Council that represents the largest number of residents living in Home Place;
- Carmel City Engineer;
- Two citizen members appointed by the mayor; and
- Two citizen members appointed by the Hamilton County Commissioners.

See Board . . . Page 3

Noblesville, INDOT make traffic changes

The REPORTER

Motorists in Noblesville should be aware of several changes made to the city traffic code and lowered speed limits by the State of Indiana on local highways. New signage will provide reminders to motorists in the areas affected.

The Noblesville Common Council recently approved ordinance No. 10-04-18, which transforms the intersection of Summer Road and 156th Street from a two-way to a four-way stop.

"Traffic at the approaches are imbalanced

with the east and north approaches being essentially equal and the west and south approaches also equal. This imbalance can create confusion as to which approach should stop," City Engineer John Beery said.

The other change in ordinance No. 10-04-18 was prohibiting on-road parking on both sides of Endeavor Drive and Cumberland Pointe Boulevard. Typically, street parking is not allowed in commercial areas, which is where these streets are located.

TRAFFIC

from Page 1

At the state level, the Indiana Department of Transportation has recommended the lowering of two speed zones on state roads within Noblesville:

- After completing a series of speed studies on State Road 32 from Westfield to Noblesville, INDOT officials determined to eliminate the 50 mph speed zone starting at Oakmont Drive and continuing west to Shady Nook Drive

in Westfield. This stretch of SR 32 will be lowered to 45 mph – essentially extending the existing zone from River Road to Shady Nook.

- INDOT also is lowering the speed limit off State Road 38 from State Road 32 to Little Chicago Road from 45 mph to 40 mph. In the past year, INDOT has received numerous requests for speed, signal and safety studies in

this area. A recently completed speed studies in the residential section between Hague and Little Chicago roads revealed that a good chunk of vehicles traveled at or below the existing 45 mph speed limit. These results coupled with the residential drive density, built environment and perceived safety concerns from the motoring public led to the lowering of the speed limit.

Noblesville FOP to hold 5K to benefit West Middle School

The REPORTER

The Noblesville Fraternal Order of Police and the Noblesville Police Auxiliary have announced a charity 5K Fun Run which will take place on Saturday, June 23 at Forest Park in Noblesville. The organizations will donate all net proceeds from the event to the Noblesville West Middle School PTO to support all of the students affected by the events that unfolded on May 25.

Participants will run and walk along a 5K course on scenic Forest Park trails, featuring appearances by Noblesville's first responders and K9 officers. The course will begin outside of Shelter 1 of Forest Park and travel through the trails encompassing the park. The race will finish inside Forest Park and include family friendly activities including several inflatables from KidZone to celebrate the #NoblesvilleStrong community.

The 5K, an officially timed event, will begin at 8:30 a.m. Along with the 5K, participants and families will have the opportunity to "Race a K9" in a 100-yard dash where they will strive to beat NPD's fastest four-legged officers, as well as race an officer in full uniform – that's 30 pounds of gear.

All finishers will receive a commemorative Run with the Cops medal and T-shirt. Sign up by Friday, June 9 and receive a discounted price of \$29 (adult) for the 5K. Space is limited so participants are encouraged to sign up early. Registration and event information is avail-

able at korgeo.com/signup?eid=41.

"The Noblesville FOP Lodge 198 is proud to unite our community members in support of the brave students at Noblesville West Middle School. Through the events that unfolded on May 25, the Noblesville community has wrapped their collective arms around the students and staff of Noblesville Schools, and continually amaze us with their efforts to support Ella Whistler and Jason Seaman. We want to embrace all of the students, staff and families of West Middle School through those that know them best, the parents

and teachers of the Noblesville West Middle School Parent-Teacher Organization," said Sgt. Jamie Aloisio, President, Noblesville FOP Lodge 198.

The members of the Noblesville FOP are pleased to join alongside the Noblesville Middle School PTO to support the students, staff and families of Noblesville West Middle School.

For more information, please visit [Facebook.com/NoblesvilleFOP](https://www.facebook.com/NoblesvilleFOP).

About Noblesville FOP Lodge 198

The Noblesville FOP Lodge 198 was chartered in February 1997 by members of the Noblesville Police Department. It has two core functions: Service to the community through charitable contributions and programs; and, support for the proud men and women serving the Noblesville community everyday as members of the Noblesville Police Department.

BOARD

from Page 1

These are voluntary positions; no salaries will be paid. The Advisory Board will only serve until all of the property taxes impounded in the fund are spent.

Interested persons

should email their resume and cover letter explaining why they want to serve on the Home Place Advisory Board to Sharon Kibbe at skibbe@carmel.in.gov by Monday, June 25.

Brooks supports passage of violence reduction legislation

The REPORTER

The House of Representatives recently passed H.R. 3249, the Project Safe Neighborhoods Grant Program Authorization Act, which authorizes \$50 mil-

lion annually from fiscal year 2019 until fiscal year 2021 for the Project Safe Neighborhoods program.

Congresswoman Susan W. Brooks (R-IN05) provided the following

statement in support of its passage:

"As former U.S. Attorney for the Southern District of Indiana, I oversaw the implementation of Project Safe Neighborhoods

and led efforts with law enforcement, prosecutors, community leaders and neighborhoods to reduce gun violence and gun-related crimes. The Project Safe Neighborhoods Block Grant Program supports strategies to reduce violent crimes, such as enforcing gun laws, and prioritizing efforts combating gang-re-

lated activities; developing evidence-based prevention initiatives, such as juvenile justice projects; and collecting data on program outcomes. I am proud Congress worked to pass this critical piece of legislation and encourage the President to sign this crime-reduction tool swiftly into law."

TODAY'S BIBLE READING

Now Peter sat without in the palace: and a damsel came unto him, saying, Thou also wast with Jesus of Galilee. But he denied before them all, saying, I know not what thou sayest. And when he was gone out into the porch, another maid saw him, and said unto them that were there, This fellow was also with Jesus of Nazareth. And again he denied with an oath, I do not know the man. And after a while came unto him they that stood by, and said to Peter, Surely thou also art one of them; for thy speech bewrayeth thee. Then began he to curse and to swear, saying, I know not the man. And immediately the cock crew. And Peter remembered the word of Jesus, which said unto him, Before the cock crew, thou shalt deny me thrice. And he went out, and wept bitterly.

Edward Jones
MAKING SENSE OF INVESTING

Don't let your investments go on 'vacation'

Summer is here – and so is vacation season. Americans spend a lot on their summer getaways – more than \$100 billion in 2017 alone, as reported in Travel and Leisure magazine. When you hit the road, you will enjoy getting away from your regular tasks, but there's one part of your life that should never take a break – your investments.

To keep your investments working consistently and efficiently for you, consider these suggestions:

Match the right investment with the right "job." You hire an electrician to install a light fixture, you employ a plumber to clear a clogged drain, and you would not expect either one to work on the other's project.

In a way, this view of a division of labor is similar to how you might look at different investments. In general, you purchase stocks with the hope of achieving the growth necessary to help you meet long-term goals, such as a comfortable retirement. On the other hand, when you purchase certain fixed-rate investments such as certificates of deposit (CDs) or money market accounts, you know they

COREY SYLVESTER
Cicero Edward Jones

won't provide as much growth potential, but are available to fund a short-term goal – such as a dream vacation.

Evaluate investments' performance relative to your goals. Some people think the only way to evaluate their investments' performance is to track them against a well-known market index, such as the S&P 500. However, using an index as a measuring stick has some drawbacks, one of which is the lack of a personal connection to your situation.

Look at it this way: In many types of organizations, you typically go through performance reviews, where your work is assessed in terms of how well it helped you move toward your goals – and you can follow the same process with your investments. Specifically, you can measure their performance by how effective they are in helping you move toward your financial objectives. For example, if you need your portfolio to provide you with a certain rate of return to meet specific retirement goals at a designated age, but you find that you are not currently on track toward meeting these goals, you may need to adjust

your investment mix to potentially provide you with a higher return.

Be aware, though, that seeking higher return potential will likely mean taking on more risk. You may want to consult with a financial professional to make sure you find a risk/reward ratio suitable for your goals and risk tolerance.

Look for hard-working investments. Some investments work especially hard. Some stocks, or investments containing stocks, pay dividends. Instead of taking the dividends, you can choose to reinvest them, purchasing even more shares – and increased share ownership is one key to helping build financial resources for the long term. Dividend reinvestment is typically automatic, so once you have chosen this option, there's really no extra work on your part. (Keep in mind, though, that companies are not obligated to pay dividends, and they can be reduced or eliminated at any time.)

In the investing arena, as in many endeavors, hard work can be rewarding. So look for opportunities to keep your investments gainfully employed throughout your life.

NOBLESVILLE, CARMEL, WESTFIELD, SHERIDAN, HAMILTON HEIGHTS, FISHERS, UNIVERSITY, GUERIN CATHOLIC, HAMILTON SOUTHEASTERN

State boys golf meet begins Tuesday...

Eleven ranked teams to play at Prairie View

Prairie View Golf Club in Carmel is getting ready to host the IHSAA boys golf state finals for the fourth year.

The state meet will again be a 36-hole event, with 15 teams and 25 individuals playing 18 holes on both Tuesday and Wednesday. Anything can happen at this meet, and it usually does, considering how much talent there is.

Hamilton County will have three teams at the meet. Second-ranked Carmel won the Lafayette Jefferson regional with a team score of 294, the second best of all the regional scores from around the state. Top-ranked and defending champion Center Grove won the Providence regional with a score of 290.

Eleven of the top 20 ranked team in the season's final coaches poll will be at state. Third-ranked Zionsville and No. 8 Brebeuf Jesuit also qualified from the Lafayette Jeff regional. Then there's the Muncie Central regional. Thirteenth-ranked Cathedral won there, with No. 18 Hamilton Southeastern and No. 6 Noblesville also qualifying.

No. 5-ranked Penn won the Warsaw regional, with seventh-ranked Bishop Dwenger coming in third. No. 9 Evansville North triumphed at the Washington regional, and No. 10 Floyd Central joined Center Grove in qualifying out of Providence.

The best individual score also came out of Lafayette Jeff. Guerin Catholic's Ty Gingerich carded a 66, easily winning medalist honors and becoming the Golden Eagles' first-ever regional golf champion. The only other golfer to break 70 in the regional was Center Grove's Noah Gillard, who carded a 69 in winning at Providence.

The IHSAA announced tee times for Tuesday's first round on Friday. Gingerich will start from the first tee at 8:09 a.m.

Noblesville will begin its state tournament from the 10th tee and will be grouped with Brebeuf Jesuit and Culver Academies. Each player will go off between 9:03 and 9:39 a.m.

Back at the first tee, Southeastern's golfers will start between 9:12 and 9:48 a.m. The Royals will play with Penn and Evans-

ville North.

Carmel, last year's state runner-up, begins from the first tee, with its golfers going off between 9:57 and 10:33 a.m. The Greyhounds will play with Center Grove and Cathedral; the Irish have four golfers that live in Hamilton County.

Westfield's Andrew Lewis will also play as an individual. He will start from the 10th tee at 9:57 a.m.

Here is a complete list of qualifying teams and individuals that will compete at state.

LAFAYETTE JEFFERSON

Teams: Carmel 294, Zionsville 298, Brebeuf Jesuit 298.

Three basketball players to play in Class Basketball All-Star Classic

Three Hamilton County basketball players will participate in the Indiana Class Basketball All-Star Classic next weekend at Anderson University.

Noblesville's Jordan Gadis will play on Team Red in the Future Boys (freshmen and sophomores) game, which tips off at 8 p.m. on Friday, June 15.

Two more players will compete in the Junior Boys game, which starts at 6:30 p.m. on Saturday, June 16. Westfield's Zach Banks will play for Team White, while Noblesville's Xavier Hines will play for Team Red.

This will be the 10th year for the All-Star Classic.

Dilk scores 25 in first All-Stars game

Hamilton County's girls basketball All-Stars were a major factor in the Indiana All-Stars' game with the Kentucky All-Stars Friday night at Bellarmine University.

Carmel's Amy Dilk, this year's Miss Basketball, played like it. She scored 25

points to lead the Indiana team, draining five 3-pointers along the way. Dilk also grabbed six rebounds, made two steals and dished out one assist.

Noblesville's Emily Kiser started the game, pulling five rebounds. She scored two points, handed out one assist and made one blocked shot. Carmel's Tomi Taiwo came off the bench to score eight points, including a 3-pointer, and also had one rebound and one assist.

The Kentucky All-Stars beat Indiana 92-87. The Indiana All-Stars will have a chance to even the core tonight when the two teams play at Bankers Life Fieldhouse today. Tipoff is at 5 p.m.

Riley Vitales commits to Huntington University

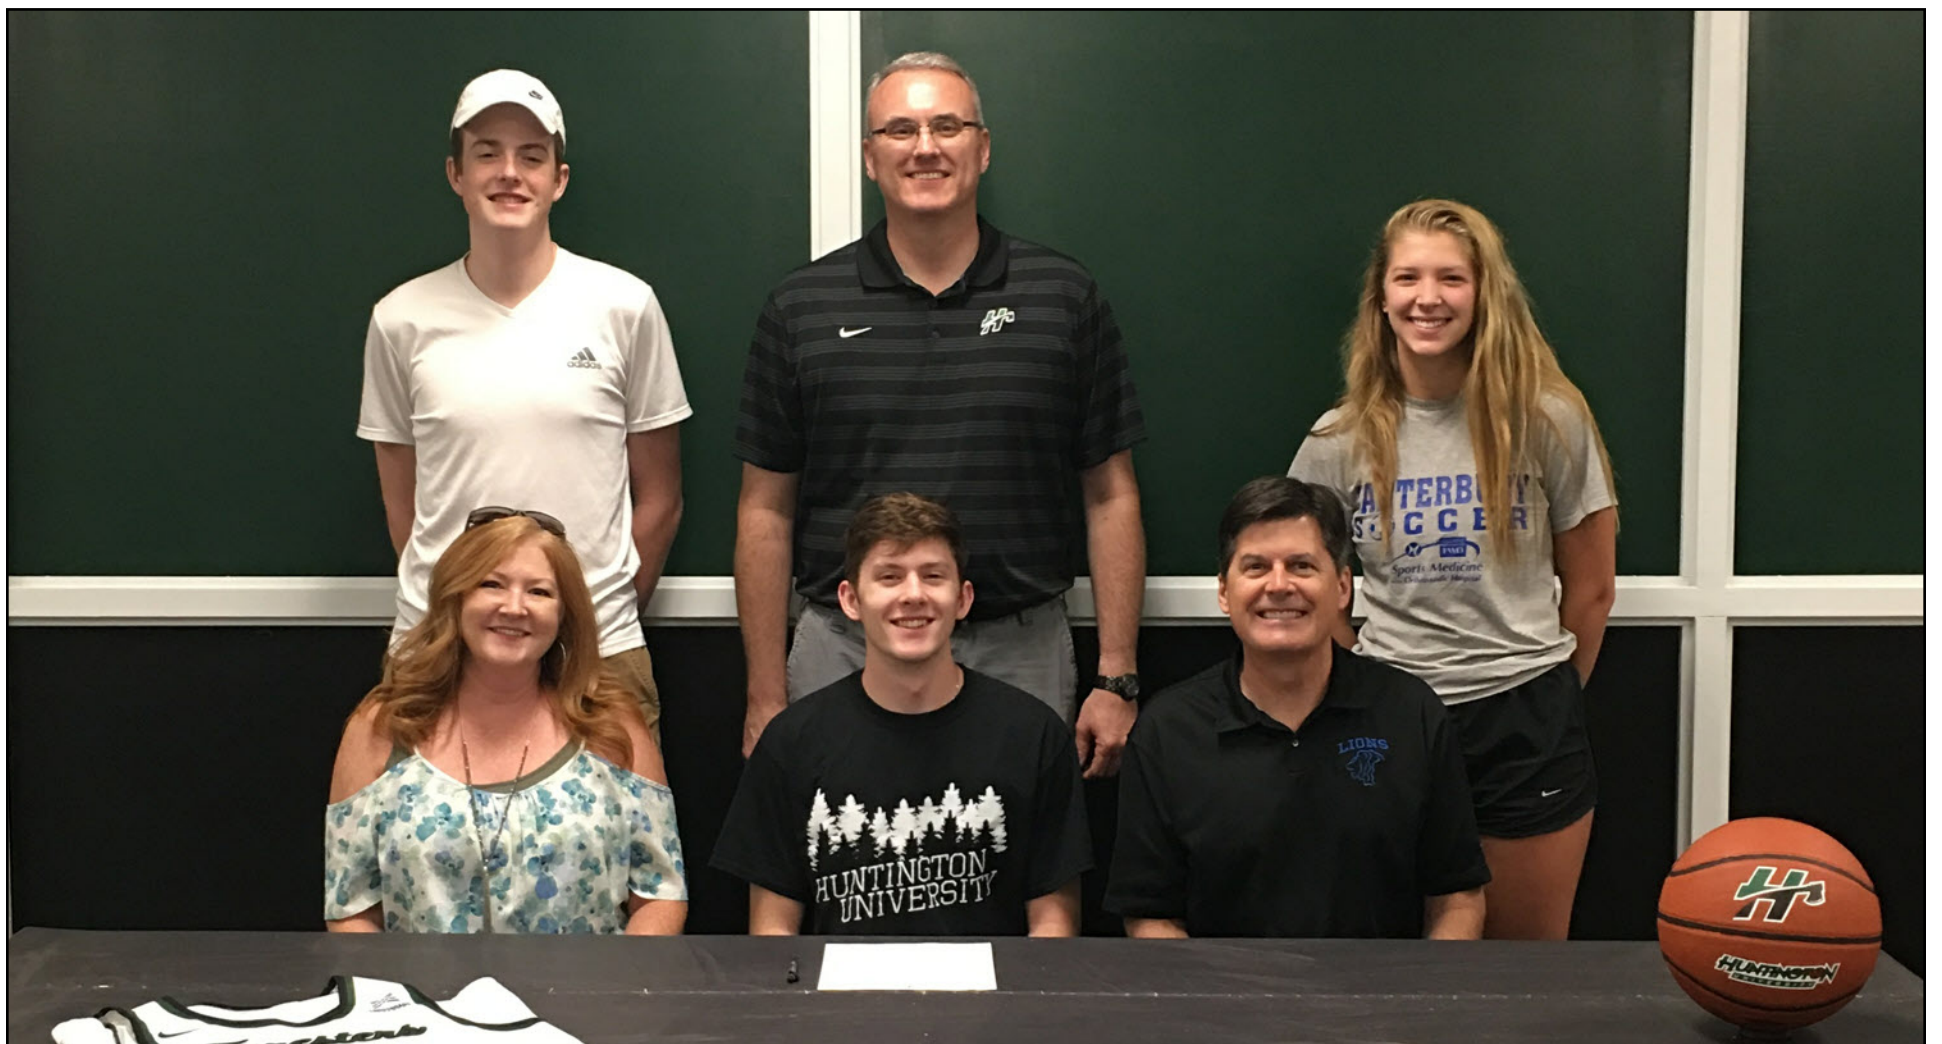

Photo provided

The Huntington University men's basketball program announced the signing of Northside Lions high school standout Riley Vitales as its most recent recruit for 2018-19. Vitales is a member of the Lions' 1,000-point club having totaled 1,176 points during his four-year career. As a senior, the 6-2 guard averaged just shy of 16 points per contest to go along with collecting 5.2 rebounds, 3.6 assists and 3.3 steals each night. The last two years Vitales was named an Indiana Homeschool All-Star. This past season he was also tabbed a Midwest Regional Championships Honorable Mention pick and as a junior, he earned Second Team All-Conference honors in addition to claiming a spot on the First Team All-Defense Team and receiving Academic All-Conference praises. "We are glad Riley is going to be a Forester," said HU Coach Ty Platt. "He is an athletic guard that can score, plays with a lot of confidence and will do whatever it takes to make his team better. Riley is also a very good student and a quality young man. He will be a great addition to our team and campus." Riley is the son of Ron and Tracy Vitales of Noblesville. The Huntington University Foresters compete in 17 intercollegiate sports for men and women. In the past decade, Huntington has produced 38 NAIA All-America honors and 274 All-America Scholar Athlete honors. Huntington University is a comprehensive Christian college of the liberal arts offering graduate and undergraduate programs in more than 70 academic concentrations. *U.S. News & World Report* ranks Huntington among the best colleges in the Midwest.
