Budget process underway  
for the City of Fishers

By LARRY LANNAN

[LarryInFishers.com](http://LarryInFishers.com)

The City of Fishers is beginning the process of formulating the 2019 budget, and Mayor Scott Fadness made one thing clear to the City Council Finance Committee Wednesday night: He wants to know more about what the city will project as revenue before seriously looking at the amount of spending.

But the mayor did make one thing clear, he wants to plan for the same amount of money going to non-profit groups as was spent last year — \$356,500. The mayor also said if next year's budget number comes

out favorably, he would be open to increasing that amount, but if the spending plan becomes tighter for 2019, the number could go down.

A three-person Fishers City Council committee will decide how to divide up funding for the many requests the city receives from non-profit organizations. Applications for 2019 funding were to be submitted by June 14.

Here is a list of the non-profit groups that received city funds for 2018:

- Advocates for Children and Families, dba Cherish
- Ascent 121
- Conner Prairie Museum, Inc.
- Geist Half Marathon

## Noblesville's 'berry' hot festival

Reporter photos by Stu Clampitt  
Over 90 degrees? Sunny and humid? Sounds like the perfect time to enjoy strawberry treats at St. Michael's Episcopal Church's 41st Annual Strawberry Festival in downtown Noblesville on the Square. And if you did not get there Saturday, you still have time today from 11 a.m. to 5 p.m. to enjoy all the vendors and, of course, some delicious strawberry delights. (Left) Ruth Adams (left) and Laurie Schoening are back to help make those desserts are ready when you are. Adams is in her second year working the festival, while Schoening hits 20 years with this weekend's event.

## The Myth of Perpetual Summer

Sweet tea,  
a gentle breeze  
blowing as I sit  
on our back porch  
and a novel that  
grips my heart.  
Summer has arrived  
on Twelfth Street.

A few weeks ago an advanced copy of "The Myth of Perpetual Summer" was delivered to me by the author, Susan Zinn Crandall. Susan and I have been friends since kindergarten in Mrs. Oliver's class at Conner School in 1961.

I have read every one of her books. All 12 of them. This is my favorite.

When you become so engrossed in the lives of the characters of a book that you lose all track of time and find yourself turning pages long after your bed-

From the Heart

JANET HART LEONARD

time. When you can't wait to get to the end of some 300+ pages but dread letting go of the story. When you finish the book while sitting on the bleachers at your granddaughter's softball game. Then you know you have been caught up in a great story.

The strong southern grandmother, the family with mental health issues, the brother accused of murder and the struggle to find acceptance in southern society ... they all were captured and made real in the words of Susan Crandall.

Her words may be written in black and white but there is so much color to the story.

"The Myth of Perpetual Summer"

will be released on Tuesday, June 19. Copies will be available at her book launch from 7 to 9 p.m. at the Forest Park Inn in Noblesville.

Susan has a gift for words that take you into the lives of her characters. After reading "The Myth of Perpetual Summer," my husband said she brings real depth to her characters.

Coming of age in the South. Being a part of a family that beckons the whispers of the small town folk. Taking on adult responsibility when a young girl should enjoy just being a kid. Having a mother who wants to save the world yet while trying to do so, loses her family.

Tallulah James is from a small town in Mississippi. She moves to California but after several years feels compelled to go back home

to deal with both betrayal and murder in her family. Upon her return she discovers some family secrets that have been tucked behind closed doors for years.

If you loved reading "The Help," "Fried Green Tomatoes," or "To Kill a Mockingbird," you will enjoy "The Myth of Perpetual Summer."

Just know that you will be caught up in the family secrets and complications surrounding Tallulah and her family.

And now after writing this column ... I think I need to read Susan's latest novel again. Yes, it's that good.

So grab a glass of sweet tea and get ready to enjoy the hot summer on the porch with a great novel. You won't be disappointed.

Susan, my dear forever friend, you rock as a writer!

## Carmel Clay Parks & Recreation to host annual adults-only evenings at The Waterpark

### The REPORTER

Carmel Clay Parks & Recreation (CCPR) will host the first of three Monon Mixers from 8 to 10 p.m. on Thursday, June 21 at The Waterpark in Carmel. This after-hours event is exclusively for adults 21 and over and participants are required to pre-register online in order to attend. Two additional

Monon Mixers are scheduled this summer on July 12 and Aug. 2.

Each Monon Mixer costs \$10 per person and includes adults-only access to all of The Waterpark's features including the lazy river, adventure slides and FlowRider®. Alcoholic beverages will be available for purchase from Bier Brewery, Har-

mony Winery, Mallow Run Winery and Mash-Craft Brewing. Concessions are also available for purchase.

Individuals who are not planning to drink can pick up Designated Driver wristbands at the entrance. These participants will be unable to purchase alcoholic beverages, but will receive a complimentary

soft drink from concessions during the event.

Participants can register for the Monon Mixer at [carmelclayparks.com](http://carmelclayparks.com). For more information or for questions regarding Monon Mixers, please contact Erica Foreman at [e foreman@carmelclayparks.com](mailto:e foreman@carmelclayparks.com). CCPR staff reminds attendees to please drink responsibly.

# Amphitheater construction hits overtime

By LARRY LANNAN

[LarryInFishers.com](http://LarryInFishers.com)

When the renovation of the area between City Hall and the Amphitheater, including major improvements to the Amphitheater stage itself, were approved late in 2017 and early 2018, the hope was all would be complete by June 1 of this year. But Myers Construction has encountered weather issues resulting in 25 lost construction days in 2018.

"As we looked at all the things we have contractually obligated, based on concerts and what it would cost for stage rental and things of that nature, we actually think that this is a smart return on investment to try to get this thing done, so that we don't have to continue to pay for additional manpower, additional rental equipment or even look at canceling concerts," Mayor Scott Fadness said.

The mayor says he is "hopeful" this additional funding will get the project over the hump, citing "substantial progress" in the construction work over the last two to three weeks.

The money will come from current appropriations.

However, the renova-

tion of the pavilion building, which will contain additional rest room facilities, and the area between the pavilion and City Hall, will continue to be under construction on July 13.

Photo provided by Larry Lannan

With approved overtime, the Amphitheater construction project could be completed as soon as July 13.

## Fishers Police offer summertime safety tips

### The REPORTER

As the summer gets into full swing, the Fishers Police Department would like to remind residents of some basic safety tips that will help ensure a safe and enjoyable summer.

#### Home safety tips

- Install exterior lights at all entrances. Consider motion detector lights.
- Install a wide-angle viewer on all exterior doors.
- Check who is at the door and do not open the door to anyone you don't know.
- Install good locks on all doors and windows. Use those locks.
- Be sure locks on doors

and windows can be opened quickly in case of fire.

- Leave a light on when you are not home. If you are on vacation, use a timer to control lighting.
- Don't hide keys outside.
- Remove house keys from your keychain when your car is serviced.
- Talk with trusted neighbors. Keep an eye on their house and ask them to watch yours.
- Stop mail and newspaper delivery when you are away.
- Install an alarm system that will detect entry and notify police.
- Have your lawn

mowed and snow shoveled when away.

- Close window blinds at night.
- Keep trees and bushes trimmed. Do not let plants block doors and windows.
- Something wakes you in the night.
- Someone you don't know rings your doorbell. Never open your door to a stranger. Call 911.
- An unknown car parked near your home containing one or more people.
- If something is suspicious to you, call the police at 317-773-1282 (non-emergency) or 911.

Fishers Police Chief Mitch Thompson is convinced that having a strong partnership with the police department and your neighbors will give the Fishers community its best chance in deterring and detecting criminal activity.

## When did Garfield the Cat debut in newspapers?

### The REPORTER

**1884** – The cornerstone was laid for the new Gibson County Courthouse in Princeton. Designed by the McDonald Brothers of Louisville and constructed by Joseph Miller of Washington, Ind., the finished cost was \$118,661. This is one of the many splendid county courthouses all across Indiana.

**1909** – The Cobe Cup Automobile Race was held in Crown Point. The grueling 25-mile contest was the forerunner of the Indianapolis 500. The winner was Louis Chevrolet who, with his brothers Arthur and Gaston, went on to fame in auto racing and manufacturing.

**1915** – Bosse Field was dedicated in Evansville. Named for Mayor Benjamin Bosse, it is one of the oldest baseball parks still in regular use. It was the setting for the motion picture “A League of Their Own.”

**1964** – The happy music of a steaming calliope heralded the arrival of the showboat Majestic in Madison. A project of the Indiana University Theater Department, the floating playhouse offered a taste of old-time entertainment to towns along the Ohio River. In addition to performing in “Arsenic and Old Lace” and other plays, students on board ran the box office, worked

in the kitchen, and generally kept the old boat in “ship shape.”

**1971** – The first Black Expo was held at the Indiana State Fairgrounds. Over 50,000 people attended the two-day event. There were 75 booths, entertainment by the Dells and other singing groups, and a benefit basketball game featuring stars from both the ABA and the NBA.

**1978** – Garfield the cat, a creation of Hoosier cartoonist Jim Davis, made his first appearance in 41 newspapers across the country. The famous feline is now enjoyed by readers of over 2,500 newspapers around the world.

## Noblesville High School Leo Club helps with success

### The REPORTER

The local Noblesville Lions Club held their Pork Chop BBQ on June 1 and Pancake Breakfast on June 2. The events raised a little over \$6,500 to be used in the club's local community work. The club would like to thank all those in the community that came out to support the fundraising event.

One special group the Lions want to

also thank is its own Noblesville High School Leo Club. Being members of the high school Leo Club, the students are learning leadership and community service along with having fun. The high school Leo Club is supported by the local Lions Club. Two of the Leo Club groups that helped with the BBQ on June 1 are shown in the photos.

John Smith is a Lion member, high school teacher, and the Leo Club Sponsor. John not only works on projects in the Lions Club, but also spends extra time working with the Leo Club students. A big thanks to John for his guidance and dedication.

The Lions Club organization has 46,000 clubs, and 1.4+ million members make it

the world's largest service club organization. Lion members do whatever is needed to help their local communities. Everywhere they work, they make friends. With children who need eyeglasses, with seniors who don't have enough to eat and with people they may never meet. Each Lions Club has the opportunity to sponsor a high school Leo Club.

# Indiana unemployment rate remains unchanged at 3.2 percent

## The REPORTER

Indiana's unemployment rate stands at 3.2 percent for April and remains lower than the national rate of 3.8 percent. With the exception of one month when it was equal (October 2014), Indiana's unemployment rate now has been below the U.S. rate for more than four years. The monthly unemployment rate is a U.S. Bureau of Labor Statistics (BLS) indicator that reflects the number of unemployed people seeking employment within the prior four weeks as a percentage of the labor force.

Indiana's labor force

had a net increase of 15,928 over the previous month. This was a result of a 2,659 increase in unemployed residents and an increase of 13,269 employed residents. Indiana's total labor force, which includes both Hoosiers employed and those seeking employment, stands at 3.33 million, and the state's 64.3 percent labor force participation rate remains above the national rate of 62.7 percent.

In addition, Indiana's initial unemployment insurance claims continue to be at historical lows.

[Click here](#) to learn more about how unemployment rates are calculated.

## Employment by sector

Private sector employment has grown by more than 26,600 over the year, and has increased by 1,300 over the previous month, primarily due to gains in the Financial Activities (1,300) and the Trade, Transportation and Utilities (1,100) sectors. Gains were partially offset by losses in the Leisure and Hospitality (-1,900) and the Construction (-1,000) sectors. Total private employment stands at 2,701,800 and is 12,900 above the December 2017 peak.

## TODAY'S BIBLE READING

*When he was set down on the judgment seat, his wife sent unto him, saying, Have thou nothing to do with that just man: for I have suffered many things this day in a dream because of him. But the chief priests and elders persuaded the multitude that they should ask Barabbas, and destroy Jesus. The governor answered and said unto them, Whether of the twain will ye that I release unto you? They said, Barabbas. Pilate saith unto them, What shall I do then with Jesus which is called Christ? They all say unto him, Let him be crucified. And the governor said, Why, what evil hath he done? But they cried out the more, saying, Let him be crucified.*

## Class 1A baseball state finals

Reporter photo by Kent Graham

The University baseball team finished its season as runner-up in the IHSAA Class 1A state finals Saturday at Victory Field. The Trailblazers battled Daleville to the end before falling 4-2 in nine innings.

## Trailblazers fall short, but battle to the end

By RICHIE HALL

Even though the University baseball team fell just short at Victory Field Saturday afternoon, the Trailblazers could hold their heads high after the game.

University battled Daleville to the very end in the IHSAA Class 1A state championship game, and then for a couple innings after that. The teams were tied at 2-2 after the regulation seventh inning, and the game wasn't decided until the ninth inning, when the Broncos scored twice to win the state title 4-2.

"It was great," said Trailblazers coach Chris Estep. "It was a great run. What else can you ask for? It was a great game."

"Granted, everybody wants to win," said Estep. "But in the context of everything, that's not what's important. Those guys went

out and they played their butts off. Couldn't be more proud of them. They never quit."

This was the first-ever appearance for University at the baseball state finals. Estep has been coaching the 'Blazers for the past 10 seasons, and he was aware of how far the program had come since the most humble of beginnings.

"Considering we won one game in three years when we first started, it's come a long way," said Estep. "Our seasons always seemed to end in the sectionals, and we're finishing today in the state finals. Where we were, where we've come from, it's monumental."

And the Trailblazers didn't leave Victory Field completely empty-handed. Senior Ryan Williams won the L.V. Phillips Mental Attitude Award for Class 1A

baseball, becoming the first University student-athlete to receive that prestigious honor.

"It feels great," said Williams, the Trailblazers' center fielder. "I feel good to represent my school well and to be here, to even make it to the state championship is new to us, and I'm just glad that I got to be a part of it."

University was taking on a Daleville team that has established a recent baseball tradition. The Broncos won the 1A state title in 2016, with four players from that team on this year's squad.

In fact, it was one of those experienced players that scored the first run in Saturday's game. Josh Price got Daleville on the board in the first inning; he scored on a fielder's choice from Jared Weltermire.

The Broncos held their 1-0 lead until the bottom of the fourth inning, when the 'Blazers finally got on the board. Asher Thompson drew a walk, stole second base, then was sent home by a single from Koltton Stevens.

Daleville answered right away in the top of the fifth. Max Stecher hit a lead-off double, then Ryan Hale smacked his own double to get Stecher home and the Broncos up 2-1.

University quickly tied things up in the bottom of the inning, however. Garrett Hill got on base with a one-out hit, stole second, moved to third when Brock Moore hit a sacrifice fly, then scored on an error. That made the score 2-2.

Neither team scored in the sixth and seventh innings, so it was on to extras. The 'Blazers came extremely close in the eighth inning: University went for a game-winning score with two outs, but got tagged out at home for the third out.

Daleville then took over in the ninth inning: Stecher drew a walk, stole second, and scored on Hale's RBI single. A fielder's choice moved Hale to second, and he scored on a hit from Weltermire.

Moore came in to pitch, and struck out the last two batters. He also got on base in the bottom of the ninth, reaching on error

with two outs. But a lineout to shortstop ended the game.

"Hats off to them," said Estep. "Their pitcher threw a heck of a game. He did a great job."

Evan Etchison pitched seven innings for Daleville, allowing just five hits while striking out nine. But University's Cade Carlson pitched well, too. Carlson went six innings, also giving up only five hits while tossing nine strikeouts.

The Trailblazers finished their season 28-7, which included a championship in the Pioneer Conference, their first sectional title since 2013, plus the first-ever regional and semi-state championships. University is setting itself up well for the future, as there are six freshmen on the roster, including three in the batting line-up on Saturday.

But the solid senior class will be missed, a list that includes Hill, Carlson and Williams, who will play baseball at Morehouse College, where he plans to study kinesiology and health science, while minoring in business.

Williams is the son of Rafael and Sabrina Williams and has received recognition and appreciation for multiple community service activities. Williams volunteers with Gleaners Food Bank, St. Vincent DePaul Food Pantry, Witherspoon Food Pantry and his church.

In addition, Williams participates in Jack & Jill of America, the Boys & Girls Club, Black Affinity Club and the Blaze Craze, University's athletic spirit club.

"We worked our butts off all year," said Williams. "We put in everything we had and I'm okay with that. I can live with it, even though we didn't win. It opens up the eyes to other people in the baseball world that University is here to stay."

*Noblesville Swim Club Senior Trip*

# Beginning the trip with resolve

Hi, my name is Casey Akers.  
And my name is Jack Wolfred.  
We are both incoming seniors at Noblesville High School and we are representing the Noblesville Swim Club.

Every year the senior group goes on a training trip to another state to get incoming freshman involved in the team and ready for another high school season. This year for the senior trip we went to Coronado Island in Southern California.

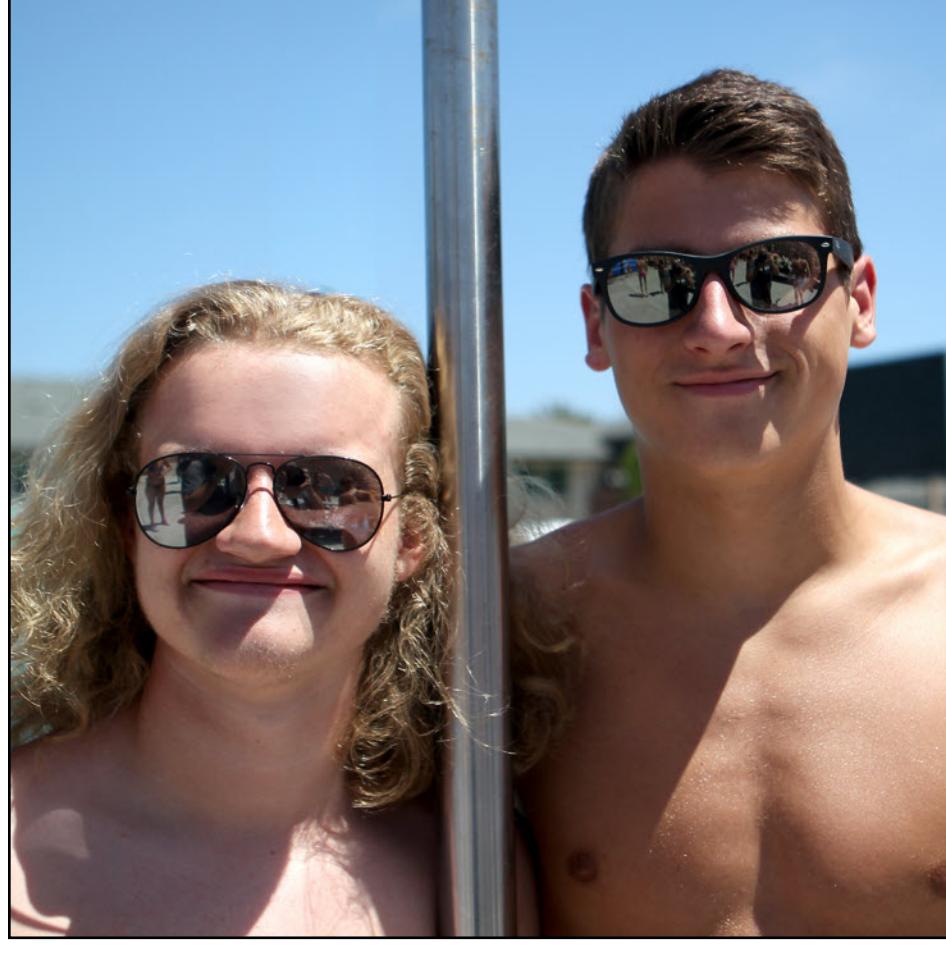

Today was the first full training day of the trip and every year we have a set of words that we focus on each day. We had the word RESOLVE today, we learned that resolve means having the commitment and perseverance to achieve your goals. One of our coaches, Aleks Fansler, told us how important teamwork is in the training of Navy SEALs, who train on Coronado Island.

Today at our practices we did a set that we have been building up throughout the season and we did some teamwork exercises that tested our mental toughness.

Today was very productive and we had a very good atmosphere for the start of the week. We look forward to more work in the pool and getting to know our teammates more and more throughout the week.

Casey Akers (left) and Jack Wolfred, incoming seniors at Noblesville High School, wrote a series of articles about the Noblesville Swim Club's annual senior trip. This year, the club's trip took the swimmers to Coronado Island in Southern California. Be sure to read the Reporter all next week to see more of their articles.

## Race fans: Finish line approaching for renewal of 2019 Month of May tickets

The final weekend has arrived for fans to renew their tickets for the 2019 Indianapolis 500 - at the lowest prices - as the deadline is today.

Fans are encouraged to renew or upgrade their Indianapolis 500 tickets at [www.ims.com/renew](http://www.ims.com/renew), by calling 317-492-8500 or by visiting the IMS Ticket Office. The renewal window will continue through this evening, approximately 500 hours from the finish time of the 102nd Indianapolis 500, won by Will Power of Team Penske.

These are the best prices of the year for renewals and upgrades, only available during the renewal window for both long-time customers and those who attended Month of May events for the first time in 2018. Prices will increase in the fall when tickets go on sale.

"The Month of May continues to generate an incredible amount of loyalty and interest from our fans, as crowds grew in 2018 at both the Indianapolis 500 and INDYCAR Grand Prix," Indianapolis Motor Speedway President J. Douglas Boles said. "The demand for 2019 tickets is nearing record levels, so we're encouraging all of our customers to renew or upgrade their

seats by this Sunday to lock in another magical May at the best prices possible."

Fans who have included tickets for other products in their 2018 order also can reorder at discounted prices during the renewal period. Those products include:

- INDYCAR Grand Prix Race Day tickets
- INDYCAR Grand Prix and Indianapolis 500 practice and qualification days
- Bronze Badges
- Indianapolis 500 Victory Celebration tickets
- Miller Lite Carb Day tickets and concert upgrades
- Firestone Legends Day concert tickets
- Snake Pit presented by Coors Light wristbands
- Parking (including ADA parking) and camping permits

Those who take advantage of the renewal period also will be first in line for ticket upgrades and are eligible for other presale offers for all IMS events.

All renewal customers can visit [www.ims.com/events/indy500/buy-tickets/renewal-faqs](http://www.ims.com/events/indy500/buy-tickets/renewal-faqs) for more information.

Fans who didn't attend IMS during this Month of May but are planning to attend in May 2019 can apply for tickets now at the lowest prices of the year. Visit [www.ims.com/events/indy500/buy-tickets/ticket-application-faqs](http://www.ims.com/events/indy500/buy-tickets/ticket-application-faqs) for more information.
