### Hamilton Heights High School hosts Colts Blood Drive Wednesday

Hamilton Heights High School, in cooperation with the Indianapolis Colts, will host a county-wide blood drive from 3 to 7 p.m. Wednesday, June 27 at the high school gymnasium. Donors must be at least 16 and provide a valid ID. All donors will not only help save a life, but also receive a COLTS Limited Edition Football. Schedule your appointment at: [https://www.donorpoint.org/donor/schedules/drive\\_schedule/119950](https://www.donorpoint.org/donor/schedules/drive_schedule/119950).

The communities that make up the Hamilton Heights School District are dedicated to the students and the school and have been great donors in past drives. The blood drive coordinators and Indiana Blood Center hope to replicate past success, because each appointment commits blood or blood product to a patient in Hoosier hospitals.

Your blood donation may very well go to a child in your own community. Lend an arm, a little time, and save a life, that just may happen to live down the street. Questions about eligibility, appointments, and rescheduling may be directed to Courtney Howay ([choway@indianablood.org](mailto:choway@indianablood.org)).

## NPD hires two new officers

Photo provided

The Noblesville Police Department held a swearing-in ceremony for its two newest officers. Pictured are Noblesville Chief of Police Kevin Jowitt (left), new officers Sam Fry and Cory Munsell, along with Mayor John Ditslear (right).

On June 12, the Noblesville Police Department held a ceremony to officially swear in two of its newest police officers. The ceremony took place in the council chambers located at City Hall. In attendance for the event were families, friends, members of the community, government officials and officers of the police department. Chief Kevin Jowitt officiated the ceremony.

The newly sworn officers are Sam Fry and Cory Munsell and both were officially hired on April 23.

Fry was born in Berrien Springs, Mich. in 1985. He graduated from Delta High School in Muncie in 2004. After high school, he attended Ball State University where he earned a Bachelor of Science degree in Criminal Justice in 2009. Before accepting a job with the NPD, Fry had been

## Always look for the smiles

By JANET HART LEONARD  
We never know how much our actions affect others. I often pray that I can find the unexpected smiles throughout the day.

My grandmunchkins often remark that I don't know a stranger. I stand in line at the grocery. By the time I've checked out I have a new friend, either with the cashier or someone who is also in line.

If someone has an unhappy toddler, I try to distract their little one and then reassure the mother that it will get better and that we've all been there. If someone gives them the evil eye, I tell them that someone must have pooped in their cereal that morning. I usually get a smile out of them.

Whenever we are at a restaurant Chuck and I seem to always ask our server about how long they have worked there, where they grew up, about the school where they graduat-

ed, if they have children and so on. It amazes me the extra service and smiles we get. We just know that everyone has a story. We are interested and we care about people.

The other day I was standing in line at the Courtesy desk at Meijer when the elderly gentleman behind me asked how my day was. I smiled and told them it was a beautiful rainy day. He thanked me for smiling. I told him that it was a habit that I had.

Recently, I was shopping downtown Noblesville and when I went to pay the parking meter I noticed the car beside me had ran out of time on the meter. I popped a quarter in their meter. (I hope that's not against the law)

Now let me tell you that I believe, what goes around comes around.

I am an extrovert (no surprise) and I do not know a stranger, BUT...I hate

to walk into a room where I don't know anyone and I'm trying to find a seat. One time I had a complete stranger motion for me to come and sit by her. She said, "I saved you a seat." I smiled. She said that she hated to walk into a room of strangers so she always looks for the person who looks lost and tells them that she has saved them a seat. Now, I do the same.

Kindness is catching. Paying it forward brings you blessings you never would imagine was possible. I look for the small ways I can make a difference in the lives of strangers. It has become an everyday habit.

Last month on my way home from Tampa, the plane was full. It was a late night flight to Indy. A mother, sitting two seats in front of me, had a wiggly infant. Only a few fussy moments but I could tell she was anxious about him disturbing others.

When we got off the plane I caught up with her and told how cute and well-behaved her son was. She smiled

## Weingardt: City financial contribution to Spark!Fishers Festival will be "very minimal"

By LARRY LANNAN  
[LarryInFishers.com](http://LarryInFishers.com)

As the Spark!Fishers Festival gears up for its first celebration, June 29 & 30, City Councilman John Weingardt says the city's financial and in-kind contribution to this festival will be "very minimal."

During a podcast interview with LarryInFishers on June 20th, Weingardt explained what he means by "very minimal."

He points to the sponsorship money that, Weingardt says, "...provided substantially all the funding for this event."

Weingardt told LarryInFishers that the city will provide services to the festival such as public safety and support from the Department of Public Works.

"I don't see us (the city) having to come up with a tremendous amount of money, nowhere near what we (the city) gave the Freedom Festival," Weingardt said. "That's from what I understand, I haven't seen the numbers yet, but I think what you're going to see is a better value proposition for our taxpayers and an event that's going to be an event that will stand the test of time and be another tradition that will continue year after year."

For the 2016 and 2017 Fishers Freedom Festival, the city, each year, provided the festival with \$85,000 cash and an estimated \$45,000 in "in-kind" services.

During the podcast, Councilman Weingardt told LarryInFishers he plans to run for re-election to his council seat in next year's local election.

You can listen to the podcast with John Weingardt [at this link](#).

## Noblestories scheduled for July 15

High school memories from the 1950s and 60s will be the topic when Dottie Young and Sandy Stewart (both Noblesville High School class of 1964) take the stage for the inaugural Noblestories storyteller series at 4 p.m. Sunday, July 15 at Logan Street Sanctuary.

Young was a small town girl from Clarksville who found herself in a much larger milieu when she arrived at Noblesville High School in 1960. Stewart grew up in town so already had established relationships. Each brings a unique perspective to the Noblestories stage. Social ties, friendships, teenage hang ups are all fair game as these two lively septuagenarians play off each other in this first of our ongoing series.

Noblestories is a program of the Noblesville Preservation Alliance that gives today's residents a glimpse into Noblesville's past through the eyes of people who have lived here the longest: our senior citizens. NPA is partnering with Hamilton County Television to present and preserve these memories from Noblesville's past to help inform and enrich the lives of current and future residents.

The second in the series is currently scheduled for Oct. 14 and will feature Bob Arbuckle, of Arbuckle's Railroad place, as he celebrates his 96th birthday.

Noblestories is free and open to the public, which is encouraged to participate with questions and commentary. Logan Street Sanctuary is located at 1274 Logan St. in Noblesville.

## HCRFW to host summer party on Thursday

Republican women and men in Hamilton County are invited to attend the Hamilton County Federated Republican Women's summer party from 6 to 8 p.m. Thursday, June 28 at Blackhawk Winery, 28153 Ditch Road, Sheridan.

The Speaker will be John Miller, owner of Blackhawk winery. John will talk about how to make and select wines.

Wine tasting and dinner will be provided. Bottles of wine will be available for purchase.

The cost is \$10 for members and \$20 for non-members.

Please remember your donations for the RIGHT NOW (Republicans in Hamilton County Giving Help to Ease Needs of Women) Program.

RSVP by emailing [hamcogopwomen@gmail.com](mailto:hamcogopwomen@gmail.com) by noon on Wednesday, June 27.

## NPD

employed with the Ball State Police Department since 2009 as a police officer. During that time, he attained the rank of Corporal and was a field training officer. Fry is married and has two children. His hobbies include basketball,

softball, and golf. Munsell was born in Kokomo in 1990. He graduated from Kokomo High School in 2008. After graduating from high school, he attended Ivy Tech Community College in Indianapolis where he earned an

Associate of Applied Science degree in Criminal Justice in 2011. Before accepting a job with the NPD, Cory had been employed with the Fortville Police Department since 2014 as a police officer. He is an ILEA certified instructor in several areas, field training officer and evidence technician. Munsell is married and has no children. His hobbies include mountain biking, woodworking and firearms.

Since being hired, the officers have received in-service training and recently begun the 16-week

Field Training and Evaluation Program this week. During this phase of training, the officers will be assigned to several different Field Training Officers (FTO) who will evaluate their performance as they learn to apply their training from the academy to the day-to-day functions of being a police officer. After successful completion of the Field Training and Evaluation Program, the officers will then be certified to work by themselves in a solo-capacity role and will be assigned to a shift within the Patrol Division.

## SMILES

From Page 1

and said she hoped he did not disturb or upset anyone on the plane. She expressed how she had worked to keep him entertained. She smiled again and thanked me. I said, "You got this, pretty momma!"

A word of praise, a smile, a word of encouragement, a random act of kindness, a compliment or an affirmation of a job well done, All take such little effort yet it could make someone's day. And you know what...it often makes my day when I get such a surprised reaction...and a smile.

Kindness is intentional. I wonder what kind of world we would have if there were more intentional acts of kindness. I'll just keep wondering and looking. I've got smiles to find.

# Tenderloin Tuesdays to return in Hamilton County

The Tenderloin Tuesdays summer promotion is back with more deals on the classic Hoosier sandwich. Beginning this Tuesday, local restaurants in Hamilton County – Fishers, Westfield, Carmel and Noblesville – will offer tasty discounts every Tuesday from June 26 through the month of July. So far, nearly 30 restaurants will participate.

“Every restaurant serves a tenderloin in a unique way,” said Whitney Riggs, communications coordinator for Hamilton County Tourism. “Maybe it’s paired with a fried egg and gravy like at Grand Junction Brewing in Westfield or it’s topped with a sweet chili aioli like at Grille 39 located inside the Renaissance in Carmel. Whatever you’re hungry for, this is the time to try it.”

Tenderloin Tuesdays was implemented nine years ago by Hamilton County Tourism. New this year is the Tenderloin Tuesdays Passport where participants can eat and enter to win a T-shirt designed by Vardagen. Print the passport located at [www.tenderlointrail.com](http://www.tenderlointrail.com), dine at three area restaurants involved in the promotion and check off each one before mailing it to Hamilton County Tourism.

For a full list of participating restaurants and deals or to download the passport, click [here](#). Hamilton County restaurants can still sign up by contacting Megann Kramer at [mkramer@hamiltoncountytourism.com](mailto:mkramer@hamiltoncountytourism.com). Follow along on social media using the #TenderloinTuesday on Facebook, Twitter and Instagram. Hamilton County Tourism will be giving away gift cards to participants who post creative photos of their tenderloin. *Hamilton County Tourism Inc. is a nonprofit, destination management organization that promotes tourism growth through strategic marketing, hospitality and development initiatives providing hospitality to more than four million visitors to Hamilton County, Indiana, each year.*

## Watch fireworks at several Indiana State Park properties

The public can watch fireworks at seven Indiana State Park properties between June 23 and July 7. July 4 falls on a Wednesday in 2018. As a result, properties are hosting fireworks shows before and after the holiday. Personal fireworks are prohibited at Indiana State Parks. Properties hosting fireworks shows are:

- June 23**  
Mississinewa Lake: The show will start at dusk at the beach, but guests should arrive early. Parking is limited. Bring lawn chairs, blankets and bug spray.
- June 30**  
Patoka Lake: The 11th annual Thunder over Patoka show will take place at the

beach. Fireworks will begin at 10 p.m. Concessions will be available. Gate fees apply.

- July 2**  
Indiana Dunes State Park: The Duneland Chamber of Commerce will host the ninth annual Fireworks on the Lakefront beginning at 9:15 p.m. The public can watch from the state park. Gate fees apply.
- July 7**  
Clifty Falls State Park: The annual Clifty Falls Independence Day Celebration will feature free music from 7 to 10:30 p.m. Enjoy Madison’s fireworks, which will start between 9 and 9:15 p.m. Food will be available for purchase at the grill or buffet from 7 to 10 p.m.
- Raccoon State Recreation Area: Beach Bash and Fireworks festivities begin at 10 a.m. with a “craft blast” for children. Beach games begin at 2 p.m. At 5 p.m., the third annual Big Bang Cornhole Tournament starts at the beach hill parking lot. Music runs from 8 to 10 p.m. at the beach house. Fireworks will start at 10 p.m. Donations will be accepted at the gate.
- Versailles State Park: Fireworks are scheduled to begin at dusk at Versailles Lake. Gate fees will apply until 7 p.m. After this time, donations will be accepted.

# K9 Smoke will officially retire from ISP duty

After 9 1/2 years of dedicated police service, Indiana State Police K9 Smoke will officially retire from duty.

Smoke is an 11 1/2 year old German Shepherd who served for two years as a police dog for a department in Iowa before being purchased by the Indiana State Police. He was named after NASCAR driver and Indiana native Tony Stewart. The Tony Stewart Foundation donated the money to purchase the dog in 2008. Smoke was a nickname given to Stewart after blowing engines during his 1997 championship run. The Tony Stewart Foundation has also generously donated ballistic vests to the state police K9 program for several dogs.

Smoke has spent his nine-year state police career with his handler and best friend Master Trooper Kyle Freeman. Together Freeman and Smoke have primarily patrolled the Indianapolis area, making numerous drug arrests. During one search Smoke located more than 19 kilos of cocaine and \$500,000 cash.

Smoke was often used by our drug enforcement section during his career, helping them locate more than 100 pounds of cocaine, 70 pounds of methamphetamine, five pounds of heroin, one pound of crack cocaine, 400 pounds of marijuana and 30 doses of MDMA (ecstasy).

Master Trooper Kyle Freeman said, "I would like to thank Tony Stewart and his foundation for everything they have done. They gave me a phenomenal partner and a great friend who selflessly served the citizens of Indiana."

Smoke will enjoy his retirement with the Freeman family.

# Fishers construction updates for the week of June 25

## Spark!Fishers Invitational

The inaugural Spark!Fishers community festival is Saturday, June 30. Setup will begin at 8 a.m. on Friday, June 29. Lanes will be restricted for setup on the south side of Municipal Complex from North Street to Fishers Center Drive, and on Maple Street from North Street to 116th Street. Street parking and surface lots around the Municipal Complex will be restricted beginning at 5 a.m. on June 29 and will reopen at 11:59 p.m. on Saturday, June 30. For parking information, please visit [sparkfishers.com](http://sparkfishers.com).

On June 30, restrictions and closures will be in effect in the following locations:

### Full street closures beginning at 5 a.m.

- 116th Street between Municipal Drive and Lantern Road (reopens at 9 a.m.)
- Entire Municipal Complex (reopens at 11:59 p.m.)
- Maple from North Street to 116th Street (reopens at 11:59 p.m.)
- North Street from Lantern to Municipal (reopens at 11:59 p.m.)

### Full street closures beginning at 7 a.m.

- 116th Street between Holland Drive and Municipal Drive (reopens at 9 a.m.)
- Lantern Road between 116th Street and 126th Street (reopens at 9 a.m.)
- 126th Street between Lantern Road and Saksons Blvd (reopens at 9 a.m.)
- Saksons Blvd/Holland Drive between 126th Street and 116th Street (reopens at 9 a.m.)

### Lane restrictions beginning at 5 p.m.

- Technology Drive (reopens at 9 p.m.)

### Full street closures beginning at 6 p.m.

- Lantern Road between 116th Street and Sunblest Blvd (reopens at 10 p.m.)
- Holland Park Drive to Ellipse Parkway to Sunblest Blvd. (reopens at 10 p.m.)
- 116th Street from Lantern Road to Holland Park Drive (reopens at 10:30 p.m.)

## Allisonville Road

Allisonville Road construction is in full swing. Traffic has been shifted to the east to allow for widening on the west side. Restrictions may be in place between 8 a.m. and 4 p.m. and flaggers will be on site directing

traffic, as necessary. Through September, all southbound left turns from Allisonville Road onto 126th Street will be prohibited.

This will be an active construction site with reduced speed limits. For more info on this project, view the [Fact Sheet](#).

## 116th Street

Beginning on or after June 18, eastbound 116th Street from Allisonville Road to Fishers Pointe Blvd. will be reduced to one lane between 9 a.m. and 3 p.m. for resurfacing of the path on the south side of the roadway. Westbound 116th Street from Fishers Pointe Blvd. to Hague Road will be reduced to one lane between 9 a.m. and 3 p.m. for work on the street lights on the north side of the roadway.

There are temporary lane restrictions on in both directions of Allisonville Road south of 106th Street. Restrictions will be in place between 9 a.m. and 3 p.m. daily with arrow boards and barrels directing traffic while median work is being complete.

There will be temporary lane restrictions on Eller Road south of 106th Street for pavement restoration. Flaggers will be in place to direct traffic.

Georgia Road between 96th Street and 104th Street will be closed Tuesday, June 26 and Wednesday, June 27, weather permitting, for the installation of a storm sewer. Access into Belmont Place and Reserve at Steeplechase subdivisions will be from 96th Street.

## 116th Street & Brooks School Road

There will be lane restrictions on 116th Street and Brooks School Road this week for resurface work on both streets.

## 126th Street & Enterprise Drive

Traffic improvements are in progress at 126th Street and Enterprise Drive. State Road 37 and 126th Street (west approach) is now two through lanes and one left turn lane to northbound State Road 37. The right lane is now both a through and right turn

lane. Left turns onto Enterprise Drive from eastbound 126th Street are now prohibited. Left turns from Enterprise Drive onto eastbound 126th Street, and left turns from Reynolds Drive onto westbound 126th Street, are also prohibited. Drivers are permitted to turn left from westbound 126th Street onto Reynolds Drive. No U-turn movement is permitted at 126th Street and Parkside Drive.

## 131st Street

The intersection of 131st and Cumberland Road is currently closed for 45 days to construct a new roundabout. See the detour map [here](#).

Expect lane restrictions, weather permitting, along 131st Street between Allisonville Road and Lantern Road for the construction of the Conner Trail from Conner Prairie to the Municipal Complex. Lane restrictions will also take place on Lantern Road between 131st Street and Municipal Drive.

## Nickel Plate District

For the Tuesday evening concert on Central Green, Municipal Drive in front of City Hall will be closed for stage construction beginning at noon. Also beginning at noon, North Street and Municipal Drive will become a right turn only, and Fishers Center Drive and Municipal Drive will become a left turn only. Beginning at 5 p.m., there will be road closures on Municipal Drive at 116th Street, on Municipal Drive at Fishers Center Drive (vehicles will still be able to turn left), and on Municipal Drive at North Street (vehicles will still be able to turn right). Roads will reopen at midnight. Street parking on Municipal Drive will be restricted from 2 p.m. until midnight. Guests can access the event from Fishers Center Drive, Municipal Drive (north), and North Street. Parking is available at The Switch garage, accessed from North Street.

The Board of Works recently passed an ordinance for no parking in the Nickel Plate District between the hours of 3 a.m. and 6 a.m. See the [Parking Restrictions Map](#) for more information.

## Brooks School Road

There are temporary lane restrictions on Brooks School Road south of 116th Street while utility relocation work is performed. Flaggers are in place to help direct traffic. Road closures will begin in July for the construction of a passing blister to improve visibility and enhance motorist safety.

Brooks School Road is closed between 126th Street and 136th Street to build a sidewalk to the east side of the bridge over I-69. Detours via 136th Street, Promise

Road, and 126th Street to get around the closure. The road will reopen in early August. Questions can be directed to [indot@indot.IN.gov](mailto:indot@indot.IN.gov).

## 136th Street

136th Street is closed between Southeastern Parkway and Prairie Baptist Road for the construction of a new roundabout. See the [Detour Map](#).

## 106th Street

106th Street is closed to through traffic from Eller Road to Allisonville Road and from Allisonville Road to Hague Road for the [106th Street Infrastructure Project](#). Closures for through traffic will also take place from Hague Road to the Crosspoint Boulevard/Lantern Road roundabout. For more info on this project, view the [Fact Sheet](#).

## Interstate 69

As part of a \$92 million design-build contract, Milestone has added a third lane in each direction to the median, repaired and resurfaced existing pavement, and rehabilitated bridges and drainage structures on 15 miles of I-69 in Hamilton and Madison counties. Construction of an additional auxiliary lane between the 116th Street entrance ramp to I-69 South and the I-69 South Exit 204 ramp to 106th Street will continue through next spring.

I-69 South will be temporarily reduced to two lanes to allow space for the State Road 37 and 116th Street entrance ramps to safely merge while construction continues on the southbound auxiliary lane between the 116th Street and 106th Street ramps.

Questions about this project should be directed to INDOT via [email](mailto:email) or at 1-855-463-6848.

## State Road 37

A public meeting was held on Tuesday, May 15 from 6 to 8 p.m. at the [Delaware Township Trustee Office](#). The meeting presentation and updated information is available on the project's [new website](#). The State Road 37 improvement project is a \$124 million joint project between Fishers, Hamilton County, Noblesville, and INDOT. Questions or concerns may be directed to [SR37@rqaw.com](mailto:SR37@rqaw.com).

## Outside of Fishers

The City of Carmel has closed 116th Street between Towne Road and Ditch Road, and between Clay Center Road and Spring Mill Road, until August 8.

**1901** - Chuck Taylor was born in Azalia in Brown County. After playing basketball at Columbus High School, he went to work for the Converse Shoe Company. There he designed the "All Star," one of the most popular basketball shoes in the world.

**1924** - Six armed bandits broke into the L. S. Ayres Department Store in Indianapolis, entering through the roof of a nearby building. They disarmed the night watchmen and blew up three safes. Before most of them could escape, police arrived and recovered \$25,000 in cash, furs, and silk.

**1937** - The first Hoosier Boys State was held at Butler University. Sponsored by the American Legion, the program has become an annual event, along with the Hoosier Girls State. Delegates participate in activities designed to teach leadership skills and give practical experience in the workings of government.

**1943** - Zilthia Mae Jimison was born in Indianapolis. She attended law school and became the first African-American woman to serve on the Marion County Superior Court. She served on the Indianapolis City Council and, in 1995, was a candidate for mayor. She established the drug treatment court and was active in many civic organizations. She died in 2008.

**1950** - The United States entered the Korean War. During the three-year conflict, over 33,000 Americans were killed, including over 900 from Indiana.

**1971** - President Richard Nixon visited Jennings County to help dedicate an Indiana historical marker at the birthplace near Butlerville of his mother, Hannah Milhous Nixon. "My mother left Indiana at the age of 12," the President said, "but I can tell you Indiana never left her."

**Herbert Augustus Keeling**

February 19, 1929 - June 21, 2018

Herbert Augustus Keeling, age 89, of Westfield, Indiana, passed away on Thursday evening, June 21, 2018 at Riverview Hospital in Noblesville. Born February 19, 1929 in Indianapolis, he was the son of the late Charles Lowell and Edith Nina (Hamilton) Keeling.

After graduating with the Sheridan High School Class of 1947, Herbert continued forward with his education, earning his BS in Engineering from Rochester Institute of Technology in 1950. Upon graduating, Herbert would serve his country as a soldier with the United States Army. After his time in the military was finished, Herbert was ready to come back home and start his engineering career. His first position was with Biddle Screw Products in Sheridan. He started out as a machine operator, but would eventually start designing and aiding in the construction of new equipment to help with the manufacturing of newer products for their clients. When Herbert left Biddle's, he worked with a few other manufacturing companies before hiring on with Tuthill Pump Company. For over 21 years he worked in the Superior Linkage Division as their plant superintendent, before eventually retiring in 1991.

Retirement afforded Herbert more time to devote to some of the activities that he truly loved, and first and foremost on that list was golf. He loved playing in many different leagues throughout the years, and it really didn't even matter if the weather was good enough to play. At one point during a match, Herbert had to be forcibly dragged away from the course; refusing to stop play when a thunderstorm, and eventual tornado, blew through the area. Staying active helped keep him young at heart.

When he wasn't on the course, you could usually find him doing something around his property. He loved getting out and doing some landscaping or working in his garden; so much so, that he even constructed his own greenhouse. He also enjoyed woodworking and taking bicycle rides. Herbert knew he needed to not only keep his body active, but also his mind. He was a true fan of Reader's Digest. There was one activity however that seemed to be Herbert's favorite, and that was sitting and talking with people. New friends, old friends, lifelong buddies, it didn't matter, Herbert loved reminiscing and telling all of his old stories, whether you had heard them before or not. Making people laugh and smile meant the world to Herbert. He was known as the Candy Man and always seemed to have a pocket full of mints to share with everyone he met.

Herbert also loved traveling and visiting family. He was a snowbird, wintering in McAllen, Texas, before eventually moving to DeLand, Florida. While in Florida, he was a member of the DeLand Church of Christ. In 2018, Herbert and Mary left Florida and moved back home to Indiana.

Herbert is survived by his loving wife, Mary Helen (Fisher) Keeling. She and Herbert were high school sweethearts, reconnecting after the passing of Herbert's first wife. Mary Helen and Herbert were married on May 19, 2007. Also surviving are two sons, Jeffery Alan Keeling (Mary) of Ft. Wayne, and Kevin Walker Keeling (Tammy) of New Haven, Indiana; one daughter, Kathy Ann Stockwell (Scott) of Andersonville, TN; two step-sons, James F. Haddock (Kathleen) of Westfield, and Michael D. Stafford (Melanie) of Nineveh, Indiana; three step-daughters, Marianna Fisher of Sedona, AZ, Terri Lee Will of Houston, TX, and Pamela Sue Bevers (Warren) of Morgantown; eight grandchildren, Danny, Tracey, Tara, Krystal, Jordan, Jennifer, Cody, and Cal; eight great-grandchildren; six step-grandchildren; and 10 step-great grandchildren. Herbert truly enjoyed doing fun activities with his kids and grandkids.

He was preceded in death by his parents; brothers, Charles William "Bill", Richard Lee, John Oliver, and his twin brother Hobart Byrd Keeling; two infant sisters, Alma Louise and Marilyn Ann Keeling; and by his first wife, Roberta Ann (Walker) Keeling. Herbert and Roberta enjoyed 56 years of marriage.

Services will be held at 11 a.m. on Thursday, June 28, 2018, at Kercheval Funeral Home, 306 E. 10th Street, Sheridan. Pastor Gary Walker will be officiating. Burial with Military Honors will follow at Oak Hill Cemetery in Kirklin.

Visitation will be held from 4 to 8 p.m. on Wednesday, June 27, 2018, at Kercheval Funeral Home in Sheridan.

## Noblesville Swim Club Senior Trip

# Many best times on first day of the meet

*Editor's note: This is the sixth in a series of articles by Noblesville Swim Club seniors Casey Akers and Jack Wolfred about the club's Senior Trip to Coronado, Calif.*

It's the second day of the meet!! Today our morning started out early as we headed to the early warm up period. We had more swimmers go to the meet today and we had many fast swims. It was chillier today and we struggled to stay warm for our events. After the morning session we came back to wraps for lunch and some headed to some restaurants towards the beach. After resting we were ready to come back and kill it at finals.

We had a few swims make it back today, Cameron Kramer in the 400 individual medley and the 200 backstroke, Jared Holder and Nick Beeson in the 200 back, Sophie Resner in the 200 IM and the 100 butterfly, Sammy Huff and Jack Wolfred in the 50 breaststroke. Sammy Huff came away with a win in the 50 breast and Jared Holder got second and Cameron Kramer got sixth in the 200

Photo by Bret Richardson

The Noblesville Swim Club cheers for Caitlyn Marshall as she swims in the 200 butterfly during the first day of Noblesville's swim meet in Coronado, Calif.

back. Cameron Kramer also got fourth in the 400 IM. The team spirit was again present tonight as we got many shout outs and for our sportsmanship in cheering for other teams. We look forward to finishing out the week strong with some more amazing swims tomorrow!!

## Record-setting win on Saturday...

# AlleyCats stay perfect at Grand Park, clinch AUDL playoff berth

By RICHIE HALL

The Indy AlleyCats have made themselves right at home at Grand Park Events Center.

Indianapolis' ultimate disc team began playing at Grand Park in May, and have won all four of the games that have taken place there. The last two wins were significant, as it helped the AlleyCats finally achieve a sought-after goal.

The AlleyCats are going back to the American Ultimate Disc League (AUDL) playoffs for the first time in four years. Last Sunday at Grand Park, Indy beat its rival, the Madison Radicals, 21-20 in a game that wasn't decided until there were 11 seconds left in the fourth quarter. Travis Carpenter caught a pass from Keegan North to get the deciding score. Rick Gross then deflected away a long pass into the end zone to preserve Indy's lead.

On Saturday, the AlleyCats returned to Grand Park to host the Detroit Mechanix. Detroit is winless this season, and Indy overcame a slow start to eventually dominate the Mechanix.

The final score was 40-20; the 40 points set a new scoring record for the AlleyCats. It also improved Indy's record to 9-2 and clinched a playoff berth.

"It feels great," said AlleyCats coach

Eric Leonard. "We haven't been to the playoffs since 2014. This is my first time as a head coach in the playoffs. I'm excited. We achieved a season-long goal, and so everything from here is just extra."

The AlleyCats broke out of a 5-5 tie late in the first quarter, eventually leading 9-5 at the end of the period. Indy scored again to open the second quarter before the Mechanix got back-to-back points.

At halftime, the AlleyCats led 17-9. It was a nice advantage, but the players were dissatisfied.

"It's very easy to come into a game where we're playing against a team that hasn't won a single game yet, and we just beat our big rival in Madison here, the week before," said AlleyCats player John Jones. "It's hard to not get in the trap of, 'Oh, we beat them, we deserve to win this game.'"

"I don't think our focus was quite there," said Cameron Brock, another AlleyCat player. "We weren't super-intense. We were even commenting after the first quarter that it was really quiet on our sideline. And last week, we were loud, we were communicating with each other, and this week we just really didn't have that intensity to start off with."

## K-Town Elite Track Club runs at Indiana Youth Track Association championship

The K-Town Elite Track Club concluded its competitive season Saturday at Carmel High School's Indiana Youth Track Association Championship.

Kayla Bullock finished second in the girls' 17-18 1500 meter run in a time of 6:04.44; Hamilton Heights' Markaela Pugh placed second in the girls' 17-18 200 meter dash in 27.96 seconds, and Verity Bishop placed third in the girls' 8-and under 1500 meter run in 7:22.23.

"We have the competitive season behind us and we have two weeks to prepare for our championship season with the Junior Olympics," said club coach K.O. Jackson. "Our focus now is who is getting us to the national meet in North Carolina. That's what we train to accomplish every year."

## ALLEYCATS

From Page 8

Indy came out firing in the second half, scoring four points within the first three minutes. The AlleyCats steadily built their lead from there, with another four straight goals late in the quarter. At the end of the third period, Indy led 30-15.

"We had a pretty sloppy first half by our own standards, and then we picked it up at the second half of the game," said Jones.

"We stepped it up after the first quarter, much more intense, much more focused, and the score reflects that," said Brock. "Our other quarters were much better after the first quarter."

The AlleyCats reached the 40-point mark with 22 seconds left in the game. Colin Ringwood found Alex Henderson in the end zone for the game's final score.

Jones was the player of the game with five goals, two defensive stops (Ds) and one assist, while Brock scored six goals and made two assists. Spencer Loscar scored four goals and Henderson, all of 18 years old, had four goals, two "Ds" and one assist. Leonard was happy to see the younger players have quality minutes in the game. Seventeen different players scored at least one goal.

"It's huge for us," said Leonard. "Someone like Alex Henderson, who's just 18, coming out and lighting up the stat board, playing really solid defense, really great offense. It doesn't really help us now, but it helps us in the future. It's going to be great."

Travis Carpenter dished out five assists, while Connor Lukas, Peter Carleton and Donovan Triplett each had four. Gross, Aaron Schwartz and Kip Curtis all had three "Ds."

The AlleyCats will travel to Madison next Saturday (June 30) for a re-match with their rivals, then play at the Chicago Wildfire on July 7. Indy's final regular-season game will be at Grand Park, against the Minnesota Wind Chill on July 14.
