Online threat prompts increased police presence at Noblesville football game . . .

Congresswoman Brooks conducts school safety listening session

By **DAVID WILLIAMS**
WISH-TV | wistv.com

Children across Indiana are back in school, and security is top of mind.

Congresswoman Susan Brooks (R-Ind.) had a school safety roundtable Friday with area school principals, board members, school safety specialists and law enforcement at Noblesville City Hall.

Brooks said, "We must make school safety a top priority in our communities."

She said the listening session allowed her to hear some concerns about school security. She said the session also was designed to be an honest conversation with leaders about what they want from federal, state and local officials.

On May 25 at Noblesville West Middle School, a boy who is a student shot another student and a teacher inside a classroom. Fear continues to linger three months later. A threat deemed not credible on Friday night brought an extra police presence to the No-

blesville High School football game, the school said on Twitter.

Brooks met with Noblesville Schools Superintendent Beth Niedermeyer, principals, board members, law enforcement and safety specialists in her district. The congresswoman said school officials work with students on active-shooter drills, but they need to do a better job of keeping parents informed.

"In educating the parents on what would happen in the event of an emergency, whether it's a shooter or maybe even a weather incident . . . They need to and are all trying to bring parents and the school community more into the training and understanding."

She said the leaders told her more schools want resource officers.

"All of them would love to have school resource officers," Brooks said. "Many of them do, but not all do. Some have relationships with local law enforcement, and that is their school resource officer in the more rural and smaller communities."

Reporter photos by Jeff Jellison
(From left) Hamilton Heights School Board President Arnett Cooper, Hamilton Heights Superintendent Dr. Derek Arrowood and Sheridan Superintendent Dr. Doug Miller attended a school safety listening session conducted by Congresswoman Susan Brooks on Friday.

Noblesville Schools responds to safety threat
An increased police presence at Noblesville High School's home football game on Friday night was due to a threat made on social media.
Noblesville Schools issued the following statement on Twitter just prior to the start of the Millers' first home football game:
"A threat regarding tonight's football game was made on social media. Noblesville Police have investigated and deemed the threat not credible. We will have increased police presence onsite at tonight's game."
No further statement was made by school or police officials.

Also, Brooks said, school leaders told her they want more mental health resources.

"They said increased depression anxiety challenges among the student body," Brooks said. "And they want to have trained professionals, if a school will

pay for it or a school district will pay for it, or have relationships with mental health providers to try to help our students."

Brooks said she's gathering support in Washington, D.C., for a bill called the Jake Laird Law. It's an Indiana law named after an

Indianapolis police officer who was killed in 2004 by a man who was struggling with mental illness. It would give grants to states so they can put "red flag" laws in place, which allow police to seize guns from people determined to be a danger to themselves or others.

Congresswoman Brooks is also the founder and co-chair of the Congressional School Safety Caucus, and she continues to meet with local school and law enforcement leaders to discuss innovative and new methods of securing schools.

\$24.3M Levinson project to add mixed-use space, parking garage to downtown Noblesville

The REPORTER

Noblesville officials and Rebar Development will present The Levinson, a \$24.3 million mixed-use project, to the Noblesville Common Council on Tuesday, Aug. 28. The Levinson will be an architecturally significant building in the heart of downtown that will provide commercial space, modern apartment homes and a parking garage in downtown Noblesville.

"We are proud to present The Levinson to the Council and have worked to ensure the project will meet many of the objectives in the PLANoblesville Comprehensive Plan," said Rebar Development President Shelby Bowen. "The Levinson will attract and retain millennials, empty-nesters, high-earning and workforce professionals to downtown — serving as an economic driver for Noblesville restaurants and businesses."

The proposed project includes 73 market-rate and 10 affordable-rate studio and one- and two-bedroom modern apartments with a rooftop deck and contemporary amenities. Additionally, the 2,000-square-foot lobby along Eighth Street will include a public exhibit of downtown Noblesville's rich history. Along Ninth Street, 5,100 square feet of commercial space will be available for re-

Artistic rendering provided
The Levinson, complete with a 337-space parking garage, will be the first new apartment building in downtown Noblesville in more than a century.

tail, office, or a restaurant.

"Rebar's plans create the first new apartment building downtown in more than a century and it will help bring urban density to our square to support our local businesses, restaurants and shops," said Noblesville Mayor John Ditslear. "Not only will it add to the local landmarks in our city, but it will attract additional downtown development interest and set a high bar for quality. It also provides No-

blesville's first parking structure in downtown."

The project also includes a four-level, 337-space parking garage. A minimum of 237 spaces will be available for paid public parking.

"We have long believed a public parking garage is an essential component to address current — perceived and

Sandquist named new director of Fishers Parks

The REPORTER

The City of Fishers announced Friday that Tony Elliott will be leaving his job as Parks & Recreation Director, and his second-in-command, Sarah Sandquist, will assume the top job. Elliott is leaving Fishers to take a job as Parks & Recreation Director in Santa Cruz, Calif.

Sandquist

Sandquist joined the Fishers Parks operation in February of this year. During her time as Parks Department Assistant Director, she has managed internal administrative operations locally and led department initiatives.

"Sarah has showcased strong leadership and tremendous strengths with department organization and strategy since joining our team," said Mayor Scott Faddess in a city news release. "She was integral in organizing and executing our inaugural Spark!Fishers festival this past summer, and has helped to implement a diverse lineup of recreation activities and events for our community over the past six months."

real – parking challenges. Through this public-private project, we will expand our downtown parking capacity inventory by 167 spots – more than doubling the number of current off-street public parking options,” said Noblesville Chamber of Commerce President Bob DuBois, who also leads the parking task force committee. “Surface parking lots, while functional, are not the best land use strategies to sustain and enhance a vibrant downtown. We are excited to see a creative reuse of these valuable parcels. This is a win for Noblesville now and Noblesville’s future.”

As part of the developer’s agreement, the city will use an economic development bond to fund \$16 million, including \$13.2 million for the public parking garage. The city is expected to garner nearly \$185,000 annually for 25 years generated in TIF by \$8.8 million in new assessed value for the project, in addition to revenue from parking permits and hourly fees.

The Levinson is named after one of the pioneer families in Noblesville. Nationally-known attorney S. O. Levinson donated his family’s former homestead to the city in 1938. A por-

Reporter photo by Jeff Jellison

A proposed \$24.3 million project to be located north of Maple Avenue between Eighth and Ninth streets would include a parking garage, and commercial and residential space. The location is currently a parking lot along with the Ayers Real Estate and Holt Legal Group building. If approved, the public / private partnership could begin construction in March.

tion of the land was used as the former City Hall site before becoming a public parking lot.

“As the family’s success and contributions were a source of pride in our community long ago, so too will this building named after them. The look and name pays homage to downtown’s history as we prepare for the next 150 years,” Ditslear said.

In July, Ditslear and Council President Chris Jensen announced the city’s Noblesville NOW capital improvement

plan with the 10 priority projects for 2018-2023. The Levinson is part of the downtown development portion to introduce multi-family apartments. Other priorities include relieving traffic congestion, improving connectivity via roads and trails, and addressing the needs of public safety.

If approved by council, construction is expected to start in March with plans for the garage to be completed and open by January 2020. The apartments are anticipated to open in the fall of 2020.

SANDQUIST

from Page 1

This is an exciting time for our Parks & Recreation department, with a new website and the AgriPark and Geist Waterfront Park on the horizon. I look forward to where this new chapter of leadership takes us.”

Before coming to Fishers, Sandquist worked as

manager of a full-service community center in the Parks Department in Kirkland, Wash. She has 15 years of experience in the field of Parks and Recreation.

“It is an honor to be selected to continue to serve Fishers in this new role. Our parks, recreation activ-

ities, and events are essential to building community and a sense of place,” said Sandquist. “I look forward to collaborating with the community and continuing to grow our opportunities.”

Sarah Sandquist’s official start date for her new job is Aug. 31.

City Council moves to support local Rotary Club with CarmelFest

The REPORTER

In a show of support for the Rotary Club of Carmel and its year-long work of planning and putting on the annual CarmelFest July 4th Celebration, the Carmel City Council has agreed to sponsor a special claim for \$7,500 to help with the finances of putting on one of the City's biggest events of the year.

Rotary Club of Carmel supplies and oversees an incredible army of 300 volunteers for the two-day event, which the non-profit organization has run since 2004. However, a combination of factors this year led to financial losses for

Rotary, prompting them to request some assistance.

The extreme heat in July had an impact on the number of families who came to CarmelFest and spent time enjoying the rides, games and attractions, including a new teen area known as the Extreme-Zone. In most years, Rotary reimburses the City \$7,500 for expenses related to the annual fireworks show — money typically raised by the sale of "Spark buttons" and corporate sponsorships.

"It was a tough year for crowds, thanks to the heat, but our Rotary Club still worked hard and tried to grow and improve the

event," said City Council President Kevin Rider. "We want to show that we not only appreciate their efforts, we also don't want a challenging year to jeopardize the future of their involvement in this celebration that has become part of the fabric of our community."

The claim, which will be voted on later this month, serves to waive that reimbursement for one year so that the Club can avoid having to divert member dues and donations to make up for their loss and continue its work on the next CarmelFest. The money will come from the City Council budget.

Noblesville Police Department now accepting 2019 pre-applications

The REPORTER

The Noblesville Police Department is accepting pre-applications for the 2019 Applicant Screening Process. Citizens can apply by visiting the [City of Noblesville's website](#) and clicking on the [Human Resources tab](#). The process is scheduled to take approximately five months to complete and will include the following components:

1. Pre-application screening
2. Physical fitness assessment
3. Written examination
4. Oral interview and writing exercise
5. Complete personal history statement
6. Polygraph examination
7. Background investigation
8. Psychological examination
9. Complete physical examination / drug test
10. Approval of Police Merit Commission

Basic minimum requirements include:

1. Must be a U.S. citizen.

2. Must have successfully received a high school diploma or GED equivalent.

3. Must be at least 21 years of age, and have not reached 36 years of age by date of hire.

4. Must possess a valid driver's license to operate a motor vehicle.

5. No felony or domestic violence convictions.

6. No Operating While Intoxicated convictions.

7. No dishonorable discharge from the military.

Noblesville has a population of approximately 60,000, covering approximately 32 square miles. The Noblesville Police Department has 86 sworn officers and has many specialized units to include SWAT, motorcycle, FTO, crisis negotiations, K-9, boat patrol, honor guard, dive, crime scene technicians, bicycle patrol, accident reconstructionist, school resource officer and many more.

The Noblesville Police Department offers an excellent benefit package which includes the following:

1. Competitive salary starting at \$53,331.20 after one-year probationary period and a salary of \$62,379.20 after completion of the fourth year.

2. 80 to 90 percent of medical, dental and vision premiums paid

3. \$800 annual clothing allowance

4. Take-home vehicle

5. Pay and vacation incentives for experienced law enforcement officers (call for details)

6. Lifetime pension after 20 years of service (1977 Police Officers' & Firefighters' Pension Fund)

The Noblesville Police Department is an Equal Opportunity Employer and provides equal employment, training and promotion opportunities to all qualified persons without regard to sex, race, religion, disability, or national origin.

Anyone requesting additional information is encouraged to contact Recruiting Officer Lt. Bruce Barnes by calling 317-770-5751 or at bbarnes@noblesville.in.us.

- Amber Huff Willis

Do you have enough savings for planned and unplanned expenses?

StatePoint

Nearly half of consumers have encountered an emergency expense in the past year, but when it comes to financially preparing for the unexpected, many fall short, according to CIT Bank's new Summer Savings Survey conducted by The Harris Poll. What's more, the survey also found that many consumers don't have the savings to afford the planned expense of the vacations they take.

"More than one in four consumers don't save anything for unexpected events such as a home repair or health expense," says Ravi Kumar, head of Internet Banking for CIT Bank. "Over another quarter report saving less than 5 percent of their monthly household income for emergencies."

How are consumers making ends meet? Family and credit cards top the list of resources Americans rely on for financial support during emergencies. As for the planned expense of a vacation, approximately one in three (29 percent) report taking extreme actions to pay their way, including taking out a bank loan, going into debt, cleaning out a savings ac-

count, borrowing money or maxing out a credit card.

"Americans can do more to ensure their lifestyles and savings priorities are aligned," says Kumar. "But saving wisely is key."

To plan the monthly amount that you'll need to save for peace of mind, utilize free resources, such as CIT Bank's online calculators at bankoncit.com/calculators. Then, consider looking for an account that will make your savings work harder and offer some flexibility. For example, with a Money Market Account from CIT Bank, consumers can earn interest on their savings while maintaining the option to make withdrawals at any time. With no monthly maintenance fees, a minimum account balance requirement, and transaction capabilities, consumers can save without sacrificing their earnings throughout the process.

Do you have enough savings for planned and unplanned expenses? When it comes to happy occasions, like vacations, as well as the unexpected, being prepared can safeguard you against zeroing out your account or going into debt.

Florida Road closure in Fishers

Effective on or after Tuesday, Sept. 4, Florida Road between Luxhaven Road and Martha Street will be closed for the rehabilitation of Bridge 192 (Florida Road over Fall Creek). The road is scheduled to be closed to all thru traffic and tentatively will open back up to traffic on or before Nov. 3.

Florida Road is currently under partial closure due to the Florida Road realignment project at 113th Street. This detour will remain in place.

In addition to the detour already in place, local traffic between the bridge and 113th Street will not be able to travel south on Florida Road, but will be required to use the signed detour through Intracoastal to access 113th Street. No thru traffic will be permitted through Intracoastal; only access to Luxhaven and Geist Park will be provided.

Helping non-profits get Hoosier authors as guest speakers

The REPORTER

Non-profits interested in bringing an award-winning Indiana author to their community to speak to a public audience can apply for funds to cover speaking fees as part of Indiana Humanities' Novel Conversations Speakers Program.

The program, open to public libraries, schools, churches, museums, community centers, prisons and other nonprofit organizations, is funded by a \$22,500 grant from the Glick Fund, a fund of the Central Indiana Community Foundation.

The speakers program features current and past recipients of the Eugene & Marilyn Glick Indiana Authors Award. This year's participants are:

- Sandy Eisenberg Sasso, 2018 Regional Author Winner
- Azareen Van der Vliet Oloomi, 2018 Emerging Author Finalist
- Lori Rader-Day, 2017 Regional Author Winner
- Bryan Furuness, 2017 Emerging Author Finalist
- John David Anderson, 2017 Genre Excellence Winner
- Philip Gulley, 2016 Regional Author Winner
- Sarah Gerkensmeyer, 2016 Emerging Author Winner
- Bill Kenley, 2016 Emerging Author Finalist
- Edward Kelsey Moore, 2016 Emerging Author Finalist
- Adrian Matejka, 2015 Regional Author Winner
- Laura Bates, 2015 Emerging Author Finalist
- Michael Shelden, 2014 National Author Winner
- Ray Boomhower, 2010 Regional Author Winner

Indiana Humanities will select up to 25 host organizations and match them to their preferred authors

through an application process. Application guidelines and author bios are available at IndianaHumanities.org/ncspeaker-program. The deadline to apply is Oct. 12.

In addition to paying the speakers' fees, Indiana Humanities will provide participating organizations with resources such as a communications toolkit, press release template and event banner. Participating organizations are responsible for working with authors to schedule engagements and cover any travel expenses. Author events must be completed by June 30, 2019.

"Year after year we hear from librarians, teachers and other community leaders who value this program because it provides them with a unique opportunity to engage residents in insightful discussions about reading and writing," said Keira Amstutz, president and CEO of Indiana Humanities. "We're thrilled to celebrate Indiana's rich literary history and thankful to The Glick Fund for its support."

Indiana Humanities' Novel Conversations program is a free statewide lending library offering sets of books, primarily fiction and biographies, to reading and discussion groups at libraries, senior centers, schools and other places throughout the state. Indiana

Humanities makes available 750 titles by more than 500 authors, including dozens of Hoosier writers. All of the authors taking part in this year's speakers program are represented in the Novel Conversations library.

Any Indiana resident with a book club can participate in Novel Conversations for free. Books are shipped via the Indiana State Library's INfo Express service to libraries around the state, or picked up and returned at Indiana Humanities' headquarters in Indianapolis. Residents of areas outside library districts may be eligible for free direct shipping. All books must be reserved in advance online by visiting indianahumanities.org/novelconversations.

About the Eugene & Marilyn Glick Indiana Authors Award

The Eugene & Marilyn Glick Indiana Authors Award, a program of the Indianapolis Public Library Foundation, recognizes the contributions of Indiana authors to the literary landscape in Indiana and across the nation. Funded by The Glick Fund, a fund of Central Indiana Community Foundation, its goal is to elevate the written arts in Indiana, inspiring Hoosiers' love of reading and drawing greater attention to "home-grown" literary achievement.

TODAY'S BIBLE READING

Now there was there nigh unto the mountains a great herd of swine feeding. And all the devils besought him, saying, Send us into the swine, that we may enter into them. And forthwith Jesus gave them leave. And the unclean spirits went out, and entered into the swine: and the herd ran violently down a steep place into the sea, (they were about two thousand;) and were choked in the sea. And they that fed the swine fled, and told it in the city, and in the country. And they went out to see what it was that was done.

Mark 5:11-14 (KJV)

Richard L. Harvey

January 6, 1936 – August 21, 2018

Richard L. Harvey passed away peacefully on Aug. 21, 2018 after a five-year struggle with kidney disease. His loving family was at his side. He was 82 years old and was born on Jan. 6, 1936 in Indianapolis.

He graduated from Arsenal Tech High School then attended Butler University. He was an Army Veteran serving from 1953 to 1959, with most of that time in Okinawa. His work life was in sales of industrial material handling products.

Music was a very important part of Richard's life. He was a 25+ year member of the Indianapolis Chapter of Barbershop Harmony Society, and he sang with the men's chorus. He also sang in The Sharpshooters quartet which performed all around the Midwest. He was a faithful member of the Fishers United Methodist Church and previously sang in the choir.

Richard is survived by his wife of 31 years, Sue; his daughters, Susan Parsons, Fishers; and Carol and John Ray, and grandchildren, Devon and Dylan Ray, all of Noblesville.

He was predeceased by his parents, Lester and Kathryn Harvey; sisters, Nancy Ann Harvey and Sally Hunt; and extended family.

A memorial service will be held at 7 p.m. on Aug. 30, 2018 at Fishers United Methodist Church, 9691 E. 116th St., with a calling from 5 to 7 p.m.

Memorial gifts for Richard can be made to the church.

Condolences: randallroberts.com

Kenneth Jay Baker

July 19, 1940 – August 23, 2018

Kenneth Jay Baker, 78, Westfield, passed away on Thursday, August 23, 2018 at St. Vincent Hospice in Indianapolis. He was born on July 19, 1940 to Minor and Bernice (Murphy) Baker in Michigan City, Ind.

Kenneth grew up in Lebanon, Ind. He enjoyed racing go karts, scouts, wrestling, basketball, football and baseball. He graduated from Lebanon High School. Kenneth proudly served in the United States Army during the Vietnam War. He enjoyed hunting, fishing, boating, Indy 500 races and NASCAR racing. Kenneth was involved in Westfield Youth Sports, Inc., as well as any sport or activity that his children or grandchildren were involved with. He enjoyed building things, collecting neon signs and attending auctions. Kenneth cherished the holidays with his family.

He is survived by his wife of 50 years, Dorothy Baker; daughters, Tracey (Scott) Townsend and Stacey Jones; son, Kerry Baker; grandchildren, Tanner, Ashley, Shane, Mackenzie and Kristin; sister, Mina (Sam) Payne; and several nieces and nephews.

In addition to his parents, he was preceded in death by his granddaughter, Brittney Sue Jones; and sister, Janet Kelso.

Services will be held at 2 p.m. on Tuesday, August 28, 2018 at Randall & Roberts Funeral Center, 1685 Westfield Road, Noblesville, with Don Campbell officiating. Visitation will be from noon to the time of service at the funeral home. Burial will be at Hamilton Memorial Park Cemetery in Westfield.

Memorial contributions may be made to American Cancer Society, 5635 W. 96th St., Suite 100, Indianapolis, IN 46278.

Condolences: randallroberts.com

Friday night football - Week 2

Turnovers prove costly for Millers as No. 2 Greyhounds cruise to win

By CRAIG ADKINS

It started early on and proved to become often as the Noblesville offense coughed up the football on Friday night for a total of five giveaways. Those miscues wound up turning into a pair of Carmel touchdowns that helped the Class 6A No. 2 Greyhounds cruise past the host Millers 34-7 at Beaver Materials Field.

Carmel received the opening kickoff and methodically drove down the field in nine plays and 80 yards to put their first points on the scoreboard. Senior quarterback Tyler Trent capped off the drive with a 13-yard touchdown pass to senior Schuyler Bradley that took 5:06 off the clock for an early 7-0 Hounds lead.

Trent and the Carmel offense kept the momentum from their Week 1 win over Louisville Trinity last week and kept it going on the road at Noblesville.

"We're trying to establish our identity right now, just like Justin is and Noblesville," Carmel head coach John Hebert on his team through two games. "Their identity is that they're a very tough defensive team. They've got a great defensive line and linebackers and they're very gritty. And we think that our identity is going to be based on being able to run the ball," Hebert continuing on the identities of both teams two games in.

After forcing the Millers the punt, the Greyhounds showed the Millers more of their running game. Junior tailback Dylan Downing was the horse they went with for the second drive in a row, when he found the end zone from five yards out that now had Carmel up two scores.

Carmel had a chance to tack on a field goal, but Matt Fortier's 24-yard attempt from the left hash sailed wide left. But three plays later, Noblesville quarterback Grant Gremel's threw a pass that was intended for sophomore Zach Blevins, but tipped off his hands and into those of Tommy Spraez for a 35-yard interception return TD, giving the Greyhounds a three-score lead of 21-0.

The offensive frustrations continued for Noblesville, but it wouldn't last long. Gremel fumbled at his own 27 with the Hounds' Ryan Tilev pouncing on it.

Reporter photo by Kent Graham

Carmel's Dylan Downing (2) rushed for 98 yards and a touchdown during the Greyhounds' 31-7 win at Noblesville's Beaver Materials Field on Friday.

Moments later, Noblesville senior cornerback Zach Gruver would pick off a pass that was tipped. Off-setting penalties still gave the Millers possession, but clear back at their own five.

The first play of the drive, Noblesville senior tailback Luke Blevins busted outside, sprinting down the left sideline 95 yards for the Millers' lone touchdown of the night to trail 21-7 at halftime.

After the two teams traded punts a few times in the third, Carmel figured out that it was time to put the clamps on this game and put it out of reach for the Millers.

Senior tailback Camari Hunt, the other

half of the two-headed Carmel backfield, was able to flex his rushing game for the fourth Greyhound score. Hunt scored from three yards away, untouched for a 28-7 advantage.

A couple plays later on Noblesville's next drive, Gremel fumbled again when the ball was snapped over his head near the goal line, forcing him to bat the ball back out to the 12-yard line, where it was recovered by Carmel's Matt Boyer.

Two plays into the short drive for the Greyhounds, junior QB Gabe Quigley tossed a jump ball into the endzone to Rhett Williams for an eight-yard TD for what made the final count of 34-7.

Gremel seemed to be playing with a sense of urgency in the fourth and down four scores. The senior QB threw a long ball down the middle on the first play of the next series, but fell short of his receiver and was

picked off by junior Carmel safety Garrett Sharp at the 36. Sharp collected his second theft of a Gremel pass the next Miller offensive possession, sealing the deal and allowing Carmel to continue to run the clock out.

The Carmel defense was on a mission, stemming from last week's huge come from behind win over Trinity, and was completely on point all night long.

"You know, I think this group really likes each other. That's what we've concluded," Hebert complimenting his defense.

"We've got a lot of guys back from last year, but there's a chemistry between them and they hold each other accountable," said Hebert again, commending his defense.

By looking at the score, it seems like it was a completely dominant win for the

GREYHOUNDS

From Page 7

Carmel Greyhounds. Noblesville played a decent game, but just couldn't get things to go their way a majority of the night.

They would show signs of good things on offense and then they would commit turnovers, preventing continuity with the offense.

"So, for us, we've been trying to find the right formula combination up front and I think it's taking some time, but I think we're finally at a much better place on the offensive line," said first-year Noblesville head coach Justin Roden on his team showing spurts of what they're capable of offensively.

Roden continued to talk on how his Millers wore down mentally and physically throughout the game, which is a tremendous attribute to Carmel's team as a whole.

"When you play a team like Carmel, who is blessed with the skill level they have and the coaching that they do, the slightest mistake and the slightest letdown results in big plays and they wore us down a little bit," said Roden of Carmel.

"They're physically bigger than us. We work hard in the weight room and our kids work hard in practice, but I think kind of there in the fourth quarter, emotionally we were just exhausted and kind of faded," Roden continued on the size and strength of Carmel.

The lone bright spot for the Millers' offense was Luke Blevins' 147 yards rushing on 16 carries and a 95-yard TD.

Noblesville (0-2) looks to pick up the pieces and find a way to win as they hit the road to Fishers (1-1) to open up HCC play next week. Fishers notched their first win last night at home over Pike, 31-14.

Dylan Downing led the Hounds on the ground with 17 rushes for 77 yards and a score and Camari Hunt added 64 yards on 11 carries and a TD. Quarterbacks Tyler Trent and Gabe Quigley both threw touchdown passes and the Greyhound defense

Noblesville's Luke Blevins (right) breaks away from a tackle during the Miller's game with Carmel. Blevins scored a 95-yard rushing touchdown for Noblesville in the second quarter. Pictured for Carmel is Garrett Sharp.

caused five Noblesville turnovers on the night

Class 6A No. 2 Carmel (2-0) stays on the road next week to start their MIC schedule. They'll face a struggling, tough Center Grove (0-2) that lost on Friday at 5A No. 2 New Palestine, 31-9.

Carmel's Sam Rodgers hauls in pass as Noblesville's Zach Gruver (6) and Aidan Richardson (24) close in on making a tackle.

Sheridan senior Nick Burnell (25) carries the football as senior Luke Chesney (56) and freshman Evan Bourdon (34) run alongside him during the Blackhawks' game at Clinton Central on Friday. Sheridan won 27-0 to get its first victory of the season.

Blackhawks pick up victory in conference opener

Sheridan picked up its first win of the season on Friday, going on the road to beat rival Clinton Central 27-0.

The victory is also significant in that this game was the first Hoosier Heartland Conference contest for the Blackhawks. Sheridan won an undefeated HHC championship last year.

The 'Hawks scored their first touchdown early in the first quarter on a three-yard run from James Manis. In the second quarter, Sheridan quarterback Drake Delph connected with Caine Spencer for a 17-yard touchdown pass. Delph then threw a two-point conversion pass to Nick Burnell, and the Blackhawks had a 14-0 lead.

Burnell scored two rushing touchdowns in the fourth quarter, both from four yards. Manis made an extra point kick after Burnell's second score.

"I'm happy with the win," said Sheridan coach Bud Wright. "I was happy with the way we moved the ball."

However, Wright was not happy with the penalties. The Blackhawks committed 11 of them, costing them 117 yards.

"We just didn't click very good," said Wright. "We dominated as far as the stats were concerned, but we just made too many mistakes."

Cameron Hovey was Sheridan's leading rusher, with 146 yards on 26 carries. Delph completed six of 10 passes for 98 yards, with Burnell catching three of them for 42 yards.

The Blackhawks are now 1-1 for the season and host Tri-Central next Friday in another conference game.

Golden Eagles retain Bishop's Cup with big win at LCC

Guerin Catholic dominated Lafayette Central Catholic 40-7 Friday at the Knights' field, which means the Golden Eagles will keep the Bishop's Cup for another year.

Guerin led 27-0 at halftime. Dylan Crossen scored GC's first touchdown on a 28-yard run, then Christian Gelov and Josh Osborn teamed up for a 19-yard passing score. Nathan Friedman made the extra point kick after the second TD.

In the second period, Crossen struck again, this time running in from 10 yards with 1:10 left in the half. Gelov then got his second touchdown of the night seconds later, sending a three-yard pass to Nick Demas. Crossen then ran in a two-point conversion attempt.

Crossen scored again late in the third quarter on a five-yard run, and Cam Murray completed the Golden Eagles' scoring with a 28-yard touchdown run early in the fourth. Crossen totaled 144 yards on 22 carries, including the three TDs, while Murray totaled 67 yards in 11 rushes.

Gelov completed seven of 18 passes for 111 yards. Bernie McGuinness caught three of those receptions, totaling 60 yards.

The Bishop's Cup victory marked Guerin Catholic's first win of this season. The Golden Eagles are 1-1 and return home next Friday to take on Heritage Christian in their first Circle City Conference game of the year.

Huskies fall to Chargers, 19-7

Hamilton Heights dropped a 19-7 game at North Montgomery on Friday.

The Huskies' lone touchdown came in the second quarter, when Chris Franklin caught a five-yard pass from Carter Campassi. Michael Lecher made the extra point kick. That gave Heights a 7-0 lead, but the Chargers scored two touchdowns in the third quarter to take the lead.

DeShawn King led the Huskies' rushing

with 86 yards in 15 carries. Cordell Cowan gained 50 yards in 17 rushes. Campassi had an efficient passing night, completing six of 10 attempts for 78 yards.

Tad DeFoe and Isiah Campbell each made three catches.

Heights is now 0-2 for the season and returns to the Husky Dome this Friday to play West Lafayette. This game will have a 7:30 p.m. start.

Hawks pull away from Westfield in the fourth

By JIM BELSER

Westfield allowed Class 5A No. 4-ranked Decatur Central to break away midway through the fourth quarter after a tight game, falling 35-21 at home Friday night.

Tied at 21 through three quarters, Decatur Central's Kenny Tracy burst through the right side of the Westfield defense for a 69-yard touchdown run and a 28-21 Hawks lead with 4:42 to play.

Westfield went four and out on its last possession and the Hawks tallied one last score in the waning seconds, taking advantage of favorable field position.

"We had plenty of opportunity to win but we had too many big errors happen," Westfield coach Jake Gilbert said. "A turnover margin like that isn't going to win us games."

The Hawks capitalized twice on turnovers for touchdowns, while Westfield came up empty apart from a two-point safety from a blocked punt in the end zone.

Camden Simons was 11 for 24 for 146 yards and one touchdown. Pat Beam had three of those receptions for 40 yards. On defense for the Shamrocks, senior Colin Caldwell led with six solo tackles and four assists. Field goal kicker Alex Bales made two field goals, including a 47 yarder against the wind.

On third down at Westfield's own 15, cornerback Owen McGraw of Westfield broke up a potential TD, stretching out to knock down a pass in the endzone. Still tied 21-21, Decatur Central went for it on fourth down but a mishandled snap forced quarterback Harrington Parker to run out of the pocket for a small gain to finish out the third quarter.

Ian Watson of Westfield intercepted Harrington at the 50 seconds earlier. But in an unlikely play, Watson was stripped of the ball on the runback by the Hawks who returned it to the Shamrocks 14, setting up

Reporter photo by Richie Hall

Westfield's Nathan Nguyen (26) looks for an opening during the Shamrocks' game with Decatur Central Friday at Riverview Health Stadium. The Hawks scored two late touchdowns to beat Westfield 35-21.

Owen's touch down saving defensive play.

Two turnovers by Westfield turned into quick scores for Decatur in the first half.

Both came in the second quarter as the Shamrocks gave up a fumble to the Hawks with 8:17 left in the half. And quarterback Camden Simons was picked off for a 52-yard touchdown return by Hawks cornerback Jason Allen.

Before the pick off, Decatur scored from four yards out following a Hawks offensive drive which included a Westfield penalty and the fumble, allowing the Hawks to take a 14-10 lead with 7:25 to go.

Westfield put the first points on the board at 6:50 in the first quarter. Dane Wheeler pulled in a 16-yard reception from Simons after the Shamrocks struggled in the early going against the Hawks defense. The gain was close enough to allow Westfield kicker Alex Bales to put it in through the uprights from 47 yards against a strong breeze.

Decatur countered with a 22-yard TD pass hauled in by the Hawks Allen, giving

the visitors a 7-3 lead. The Shamrocks recaptured the lead 10-7 on a Simons to Eli Patchett 11-yard touchdown pass coming out of the backfield to start the second quarter.

"We blocked a punt, had an interception, all in all I am happy with where we are at, we just need to get better fundamentally. But kudos to them, they are a good team and deserved the win," Gilbert said.

After the Decatur touchdown interception that stretched the Hawks' lead 21-10, the Shamrocks were able to take advantage of a shanked Hawks punt to move closer to the goal as the first half ended. Bales once again came through, adding some much-needed points with a 23-yard field goal with 47 seconds left.

Westfield is 1-1 and next faces Zionsville at home after opening the season with a 28-16 win over Harrison.

Tigers cruise past Pike for first win of the season

Fishers grabbed its first win of the season on Friday, taking care of Pike 31-14 in its home opener at Reynolds Tigers Stadium.

"We're happy to win," said Fishers coach Rick Wimmer. "We lost last week, didn't look very good and this was a huge win for us. It was kind of a game that we really felt like we needed to get."

Fishers put this game away early, scoring two touchdowns in the first two minutes of the game. Mason McCartney caught a 12-yard pass from Jon Vore to get the Tigers on the board, then HL Lewis ran the ball in from 33 yards seconds later. Jack Phillips kicked the extra point after the second score, and Fishers led 13-0 - with 10 minutes left in the first quarter.

Lewis found the end zone again towards the end of the period, as his six-yard run gave the Tigers their third touchdown of the game. Lewis then successfully converted a two-point run attempt, and Fishers was up 21-0.

"I was pleased with our offensive line, very pleased with our defense, compared to what we did last week. We didn't tackle well at all last week. I thought we tackled really well tonight."

The Red Devils got on the board with a touchdown towards the middle of the second quarter, but Lewis stopped any comeback possibilities by making a 69-yard TD run late in that period. That gave the Tigers a 28-7 lead. Fishers then cruised through the second half, allowing Pike only a third-quarter touchdown.

Phillips kicked the extra point after Lewis' second-quarter score, then booted a 25-yard field goal in the fourth quarter.

Lewis carried the ball 20 times, gaining 164 yards. Dylan Scalley helped out with 56

Southeastern falls to North Central, 31-13

Hamilton Southeastern dropped its first game of the season on Friday, falling to North Central 31-13 at Reynolds Royals Stadium.

The Class 6A No. 10 Royals scored the first touchdown of the game on a pass from Kody Sparks to Deandre Rhoads in the first quarter. The Panthers answered with a touchdown, and the period ended with a 7-7 tie.

North Central scored again before halftime to lead 14-7. Southeastern opened the third quarter with a Matt Harris touchdown, putting the Royals ahead 14-13 with 8:51 left. But the Panthers scored two more TDs in the third and not permit HSE another score.

"I think we just wore out in the fourth quarter," said Royals coach Adam Morris. "Defensively, I thought we played hard. Just got gassed at the end of the game. Offensively, we had some series where we were going up-tempo and some good things happened. But just too many three and outs, too many incompletions."

Despite the loss, Morris saw several good things from his team.

"When we needed a stop defensively, we got one," said Morris, who also liked that his kids kept fighting in the game.

Southeastern is 1-1 and will begin Hoosier Crossroads Conference play next week at Avon.

Stats were unavailable at press time and will be published in a later edition.

Hamilton Southeastern coach Adam Morris addresses his team after the Royals fell to North Central 31-13 in their home opener. Morris told his players that he was no less proud to be a Royal than he was last Friday.

Sports roundup: Fishers boys soccer wins all-county game with GC

Fishers beat Guerin Catholic 2-1 in an all-county game Thursday at the Golden Eagles' field.

Class 3A No. 18 Guerin led 1-0 at halftime before the 3A No. 20 Tigers rallied in the second half. Quinn Manford and Cam O'Connor scored one goal each for Fishers. Daniel Cloran scored for the Golden Eagles.

BOYS TENNIS

Westfield beat No. 25-ranked Brownsburg Thursday by a score of 3-2.

The No. 27-ranked Shamrocks were led by No. 2 singles Quentin Markle who improved his record to 5-1 on the year. No. 3 singles player Connor Housefield played some of his best tennis of the year won his match 6-1, 6-1. With the meet tied at 2-2, seniors WeiBin Cheah and Alex Mullet fought back from being down 2-5 in the second set to eventually

win the set 7-6 and clinch to overall team victory.

"It was a great overall team effort," said Westfield coach Tony Peters.

GIRLS GOLF

University lost a close match to Park Tudor 200-206 Thursday at Wood Wind.

The Trailblazers were lead by Becky Williams with a one-over par 37. The team heads to the Ulen Invitational today in Lebanon for its last 18-hole tournament before sectionals.

VOLLEYBALL

University defeated Faith Christian in four sets on Friday, 25-17, 26-24, 18-25, 25-19. Stella Behforouz led the team to victory with a 14-point serving run to close out the second set. Behforouz also led the team in kills.
