# County earns state award for Energy Savings Solar Project

# Fishers begins first phase of track-to-trail campaign

**The REPORTER**

The Association of Indiana Counties (AIC) has awarded Hamilton County the 2018 County Achievement Award for its Energy Savings Solar Project which creates an estimated gross savings of \$25 million on county government energy bills over the life of the contract.

The project involved converting many of the county buildings from electric to gas heat as well as the installation of solar panels. The program utilizes the Guaranteed Energy Savings Contract process which is allowed by state law. This allows the county to receive rebates involving over-produced electricity from its energy provider over a 30-year span.

The award was announced Tuesday evening during the AIC Annual Conference in Marion County. Counties that win this award are chosen by a committee comprised of elected county officials from across the state.

Mayor Scott Fadness said his 2019 budget plan will fund the first phase of the Nickel Plate Trail, and feedback sessions are planned to get ideas from the public on the details. Fadness told

the Fishers City Council on Monday night that the first phase will encompass the trail from 106th Street to 126th Street.

The Fishers Nickel Plate Trail Master Planning Committee, chaired by City Councilman John Weingardt and local resident Amanda Welu, is looking for public comments on what to do with the public space that is part of the planned trail.

"We are encouraging our residents to be bold, be original and be heard," said Weingardt in a city news release. "It is a blank slate right now, and I can't wait to see what this community working together can dream."

The Track-To-Trail campaign is asking for comments on a kick-off weekend that includes:

# First Heart of the GOP Award presented at 2018 fall dinner . . .

# Hamilton County honors Susan Armstrong

By **STU CLAMPITT**  
[ReadTheReporter.com](http://ReadTheReporter.com)

On Wednesday, Sept. 12, the Hamilton County GOP fall dinner was held at the 502 East Event Center, 502 E. Carmel Drive, Carmel. At that dinner, Hamilton County Republican Party Chairman Laura Campbell presented a new award commemorating a lifetime of service by Susan Armstrong. Just under 400 people attended the dinner and presentation.

The first Susan Armstrong Heart of the GOP award was presented to Sheryl and Bill Clifford.

"Susan was a long-time precinct committeeman and volunteer," Campbell told The Reporter. "For years she went door-to-door and made phone calls for candidates. She absolutely loved grass roots work. Even if the candidates she supported in the primary didn't win, she would still put the same effort into helping elect our nominees in the fall elections."

Armstrong had a heart condition and she struggled for a number of years until she finally decided she wanted to be put on the heart transplant list. She received a heart transplant the week before the 2016 state GOP convention.

"Even before she got her heart transplant, when she was too tired to go door-

to-door she still made phone calls and would sit outside polling places," Campbell said. "This spring she was actively working and volunteered at our office quite a bit. She really did a lot. She loved to work in politics."

Susan passed away very suddenly the day before the May primary this year. Campbell said it was both shocking and unexpected.

# Atlanta New Earth Festival will bring increased traffic

**The REPORTER**

The Atlanta New Earth Festival takes place this weekend, Sept. 22 and 23, bringing with it an influx of traffic and visitors to northern Hamilton County.

Most streets in Atlanta close on 8 a.m. to 6 p.m. on Saturday and again from 8 a.m. to 5 p.m. on Sunday. Vendors begin setting up on Friday.

Travelers in the northern part of the county, especially on State Road 19 and 296th Street (County Road 600 South in Tipton County) should expect increased traffic and possible congestion throughout the weekend.

The Hamilton County Sheriff's Office will have deputies assisting with traffic and parking as well as security throughout the event.

# Clay Parks & Recreation programs encourage family participation

**The REPORTER**

Now that the family is settling into a fall routine, it's a good time to think about carving out a few hours for special time with those people you live with. Carmel Clay Parks & Recreation (CCPR) has a number of unique programs that promote a family experience now through December.

While hundreds of programs for every age, level and ability are offered each sea-

son, CCPR is particularly excited to offer opportunities for families to engage, connect and play together. Among the exciting and unique programs offered:

- Family night hikes are scheduled for Oct. 15-19 and a family "Take a Hike" is scheduled for Nov. 17.
- Family Archery Day is an adaptive program set for Oct. 6, perfect for a family who has members with disabilities.

- Part of the My Parks series, Indiana's prairie past will be revealed during a free guided walk from 6 to 7 p.m. on Thursday, Sept. 27 at West Park. While this program is recommended for those over 16, it's a great activity for families with teenagers for whom family time becomes a challenge.
- Volunteer as a family. CCPR has numerous opportunities to volunteer, and it

loves putting family groups to work.

CCPR offers three ways to register for classes: Online at [carmelclayparks.com](http://carmelclayparks.com), by visiting the Monon Community Center, or printing a registration form from the website and mailing it in.

For information about volunteering, contact Rachael Fleck, Volunteer Project Coordinator, at [rfleck@carmelclayparks.com](mailto:rfleck@carmelclayparks.com) or 317-573-4043.

### About the Association of Indiana Counties, Inc.

The Association of Indiana Counties, Inc. is a non-profit organization that was established in 1957 for the betterment of county government. The various functions of the AIC include lobbying the Indiana General Assembly on behalf of counties, serving as liaison among counties, state and federal agencies as well as providing technical assistance and training to county officials and employees.

## HEART OF GOP from Page 1

“We were looking for a way to honor Susan’s memory and that’s why we decided to give a Susan Armstrong Heart of the GOP Award to people who are committed to the grassroots efforts of the party and went above and beyond in their commitment,” Campbell said. “In 2016, I brought back the Chairman Award which was given to volunteers who showed commitment to the party by going above and beyond. In 2016, Denise Moe received it and Victoria Spartz received it last year.

When asked for their thoughts about receiving this award, both Sheryl and Bill Clifford chose to speak about Armstrong. They made it very clear to The Reporter that they want the focus to be on her lifetime of work for the party and the community.

“Susan loved being a Republican and knew her district in and out as all precinct committeepersons should,” Sheryl Clifford said. “She and Jack [Susan’s husband] loved the Republican Party. We could sit and hear stories for hours with Susan. We both loved working events with Susan. Bill and I were shocked and honored to be chosen as the first to receive her award. I had tears of joy and sorrow when receiving the award. Susan will be missed in

### Letter from Jack Armstrong to the Hamilton County Republican Party

Thank you for the honoring Susan by providing Susan Armstrong “Heart of GOP” Award to the Cliffords Wednesday evening. I believe that not only would Susan feel honored by naming the award after her, but she would be extremely pleased that the first award went to the Cliffords. Like Susan, the Cliffords are special people and very dedicated to the GOP.

Susan was the Woodgate Precinct Committeeperson for approximately 20 years. Susan made phone calls and contacts to her precinct voters at election time and often got high voter turnout. Susan was well liked

in her precinct. The last time someone ran against Susan for Committeeperson, she received about 88 percent of the vote.

As many HCRP members know, Susan struggled with heart disease for a long time, undergoing two open heart surgeries to include the transplant. Despite this, Susan never gave up on herself and remained active in the HCRP. Susan loved her friends in the HCRP.

Again, thank you.  
Kind regards,

## TRACK-TO-TRAIL from Page 1

- Movies in the Park at the Amp: 7 to 10 p.m., Friday, Sept. 28
- Fishers Farmers Market: 8 a.m. to noon, Saturday, Sept. 29
- Brooks School Park: Noon to 3 p.m., Sunday, Sept. 30

The kick-off weekend starts a month-long period where the committee will be seeking public input.

Focus groups with educators, students, entrepreneurs, artists and public safety officials will be a part of the process. Neighborhoods and businesses along the trail will also be asked for their ideas. Throughout

the month, people will be able to submit their suggestions online or through the mail. This phase of the master plan will conclude with a Community Conversation from 7 to 9 p.m. on Tuesday, Oct. 30 at Delaware Township Community Building.

“There are 4.5 miles of future trail in Fishers. Our goal is to create a one-of-a-kind experience, a new kind of public space that happens to have a trail running through it,” said Amanda Welu, Co-Chair and Owner of DELV Design.

The committee has been meeting since May.

# Major traffic restrictions in Noblesville

**The REPORTER**

Effective on or after Monday, Oct. 1, traffic will be restricted along Logan Street in Noblesville between State Road 19 and 8th Street.

One lane in each direction will be provided. The designated westbound right turn lane on the bridge will become a combined thru and right turn lane, the eastbound thru lane will

be shifted north, and the south side of the structure will be under construction. This phase of construction is expected to be in place through May 2019.

The northbound lane of SR 19 between SR 32 and Logan Street will be closed the duration of the project (until August 2019). The detour for SR 19 uses SR 32, SR 38 and Logan Street.

The Riverwalk between SR 32 and the pedestrian bridge over the White River will be closed the duration of the project (until August 2019). The detour for the Riverwalk uses SR 32 and 8th Street.

The White River, just upstream and downstream of the Logan Street bridge, will be closed, and portage will be required. River traffic will be required to exit

the river on the east bank upstream of the bridge, follow the designated path, and then enter the river just downstream of the bridge. This closure is expected

to be in place through July 2019.

Please use caution when traveling through this area.

These closures are in place for the rehabilitation

and widening of the Logan Street bridge over the White River. This project is expected to be complete in August 2019. [Click here](#) for more information.

# Reader calls for passage of concealed carry reciprocity

Dear Editor,

I was excited to see progress on a national reciprocity law this past December when the U.S. House passed H.R. 38. Should this bill become law, it will have no impact on who can and cannot carry a loaded handgun in Indiana because Indiana already recognizes the license to carry permits issued by all other states (IC 35-47-2-21).

Concealed Carry Reciprocity should become law, just as all states already have reciprocity with the privilege to drive a vehicle.

This law does not change any federal laws or requirements on a proper person eligible to possess or receive a firearm. This law does not change the places where a firearm can or cannot be carried in our state. This law does not eliminate the background check system when purchasing firearms.

This law would simply require all states to recognize Indiana's license to carry a firearm just as Indiana already recognizes all other states.

This law would however help increase the safety of our police, first re-

sponders, children and citizens because it works to improve reporting of mental health and criminal history records to the National Instant Criminal Background Check System (NICS). It further works to establish a domestic abuse and violence prevention initiative and requires better reporting of felony convictions and domestic violence records.

These more accurate and up to date records will help with everyone's safety.

I have contacted Senator Young and Senator Donnelly and urged them to vote for and promote the passage of this bill. It will not force our state to do anything we are not already doing but it will help improve the national background check system and allow fellow Hoosiers to travel the country with the freedoms we recognize here in our great state.

Respectfully,  
**Jeremy Hunt**

# Fishers second graders call for ghost bike memorial sign

## WISH-TV | [wishtv.com](http://wishtv.com)

A second grade class at Brooks School Elementary is calling on the city of Fishers to help teach its residents about the ghost bike memorial at Brooks School Road and 126th Street.

The ghost bike memorial is an old bicycle painted completely white and placed near an intersection where a cyclist was killed or severely injured while riding. Ghost bike memorials are all across the world, and cyclists in Fishers estimate there are about a dozen in Central Indiana.

The ghost bike memorial south of 126th Street is for Robert Lackey, 61, who was hit and killed on his bicycle on June 30.

David Baldock teaches second grade at Brooks School Elementary School and was working on a series of lessons about symbols. He had taught the class about flags, road signs and other symbols, but admitted he didn't know the meaning behind the white bicycle he passed every day on his way into the building. He said it wasn't until a WISH-TV story explained its meaning, that the bike's purpose became clear.

"It was a symbol that was in front of our school," Baldock said, "so it natural-

ly lent itself to our inquiry about symbols."

When he brought up the white bicycle in class, his second graders had a variety of answers for why they thought it was placed on the roadside.

"I thought it was for sale," said 8-year-old Luke McGrath.

"I just thought it was decoration. I didn't even know until we all found out," said 7-year-old Elizabeth Mac. "We were very surprised that somebody died there."

As the students learned the signs meaning, Luke McGrath said they felt like they needed to share it with more people.

"The bike tells you that someone died there and to drive carefully but no one knows what that means, so we should do something about it," said McGrath.

With Baldock's help, the students wrote a letter to Fishers Mayor Scott Fadness, asking for the city to put a special sign in front of the memorial.

It reads:

*"Mayor Fadness,  
 How are you? I go to Brooks School Elementary. There is a bike in front of my school because a biker got hit by a car.*

*We, (Mr. Baldock's 2nd*

*grade class), want to put a sign up to tell people what the bike means and remind them to drive carefully!!!*

*Can we please put a sign up?*

*Thank you,  
 Luke McGrath, on behalf of Mr. Baldock's 2nd grade class"*

Baldock said he sent off the letter, feeling proud of his students for taking action on something they cared about. He was surprised to get a response from Mayor Fadness himself, asking if he could visit the class and discuss community symbols.

"I couldn't believe it. I was ecstatic. I was on the phone with him in a matter of minutes," said Baldock. "The next day when I told the kids they were jumping through the roof."

Baldock says Mayor Fadness is expected to visit on Tuesday, Oct. 23.

"I felt really good and I was really surprised," said McGrath.

"From this whole experience I'm glad they've embraced the action component of the inquiry," said Baldock. "Any time in an educational process or any process we're hoping they're action-oriented or action-minded enough to make things happen."

# Carmel's 21<sup>st</sup> annual Arts Festival coming on the 22<sup>nd</sup>

## The REPORTER

They will come from as far away as California, Florida, Georgia, Texas and Minnesota ... and from as close as Carmel. But by the time they set up their booths on Main Street and Range Line Road, they will have collectively traveled more than 113,000 miles just to display their art (and maybe sell a few things) at the Carmel International Arts Festival scheduled for the weekend of Sept. 22 to 23 in the Arts & Design District.

The festival will take place from 10 a.m. to 6 p.m. on Saturday, Sept. 22 and from 11 a.m. to 5 p.m. on Sunday, Sept. 23. The event is free and open to the public.

There will also be a street party and concert featuring The Wright Brothers on Saturday night. Sponsored by White Claw Hard Seltzer, ART ROCKS! is a family friendly event from 7:30 to 10:30 p.m. on Saturday, Sept. 22 that will take place at Main Street and North Range Line Road. The event will feature food and beverage vendors.

This year's event marks the 21st annual International Arts Festival, an event that has grown over the years to claim the honor of being the second biggest festival in Carmel's busy festival calendar, behind only CarmelFest. The Arts Festival - presented this year by Current Publishing - typically draws thousands to the event that also features music, food, an interactive children's area and much more.

But in the end, it's really all about the art. Festival organizers invited 150 artists to the International Arts Festival this year, but it's not a simple process. Artists must apply to be accepted, submitting samples of their work in order to be considered.

"We have always taken seriously our role of selecting the best artists we can find because we know that it's the beauty of the art that keeps people coming back to Carmel for this annual event," said Dawn Fraley, chairman of the event.

### Parking

Free parking is available at Carmel High School with a free shuttle service. There is street parking throughout the neighborhoods. Bike parking (Pedal & Park) will be provided in an area on 2nd Avenue NW between Scotty's Brewhouse and Bub's Burgers and Ice Cream.

There are underground public parking garages located at the base of Sophia

Square (entrance off of 1st Avenue NW, south of 1st Street NW) and at the Indiana Design Center, 200 S. Range Line Road. Check out the map of the festival at [carmelartsfestival.org/map](http://carmelartsfestival.org/map).

### Road closures

Effective 4:30 p.m. Friday through 9 p.m. Sunday, the following streets will be closed.

- Main Street from 3rd Avenue SW/NW to 1st Avenue SE/NE
- Range Line Road from 1st Street NE/NW to just north of 3rd Street SE/SW

### Artists, awards and activities

For a list of the artists, visit [carmelartsfestival.org/artists](http://carmelartsfestival.org/artists). You can also check out some of the new artists featured on [facebook.com/CARMEIntArtsFestival](http://facebook.com/CARMEIntArtsFestival).

The Festival will award more than \$6,000 in cash prizes to selected artists. That includes a Best of Show award, Mayor's Choice award and prizes handed out in specific media categories. The list of media you will find includes 2D Art, 3D Functional Art, Ceramics, Fiber, Glass, Jewelry, Painting, Photography, Watercolor and Wood.

In addition to the artist booths, the International Arts Festival will feature these special events:

- Paint by numbers: New this year, Carmel High School students will have community paint-by-number canvases for festival goers to put their mark on a project.
- Guerin Catholic High School Live Mural painting: New this year, students have designed and will be painting live a mural in the lower level of the Indiana Design Center parking garage.
- Young@Art: Children's patriotic-art projects honoring military. In conjunction with Andretti Motorsports, Primrose School will be organizing art projects for children ages 2 to 12, with each designed to be sent to our military and veterans as an appreciation for their service.
- Herron School of Art Emerging Artists Show: A new event in 2018 featuring juried Herron student works including, paintings, photography, art furniture and small sculptures at the Indiana Design Center first floor showroom.
- High School Art Show: A special juried high school curated art show at Hoosier Salon with students selected from Carmel High School and University High

School. Scholarships will be awarded to winning artists.

• Microsoft Digital art classes: First year sponsor of the CIAF, Microsoft will offer digital art classes and a virtual reality experience on the second floor of the Indiana Design Center during the festival hours. [Click here](#) to see the full schedule.

– Minecraft: Go behind the scenes to learn how to code, program and play in your own gaming world. You'll use fun, interactive coding to learn how creativity and problem solving come together to make something all your own. The workshop designed for ages 8 and older.

– Create Digital Art With Fresh Paint: In this free hands-on two-hour camp, students ages 8 to 12 will learn to create and share their own digital art with the Fresh Paint app for Windows 10. They'll explore the basics of Fresh Paint, using lifelike oil and watercolors, pastels and more to craft their own creations. They'll also get a sneak peek of advanced digital art skills like mixing paint and layering media. Activities will focus on learning through experience and peer-to-peer learning, and themes may be based on upcoming seasons and special events.

– Create Magical Moments with Photos: Discover how to create magical videos including mixed reality and 3D using Photos, one of the exciting new apps included with Windows 10. With Photos, it is easy to turn treasured memories into your own personal videos, with music, captions, 3D effects and more. You'll learn to use Photos to organize your media files into albums, remix albums into videos and drop in music, transitions and 3D and other special effects. You'll also learn to use Photos to edit and improve videos you've already made, and export and share your personally produced videos with family and friends.

– Create new perspectives in Virtual Reality: Start from scratch in Paint 3D or pull from the Remix 3D catalog to see 3D objects in your real world through Mixed Reality Viewer. Find a new angle for the stories you share. This activity is first-come, first-served. No reservations are being taken. Patrons 18 years of age or older can participate in the experience. Patrons ages 8 to 17 can participate with parental or guardian consent.

## Sheridan Friends of the Library to hold book giveaway Saturday

### The REPORTER

Just like your garden in the backyard, once in a while libraries have to undergo a weeding project. It's not like the library wants to discard books, but the fact is that many of the titles purchased are not destined to become timeless classics, never to be discarded.

Over the past couple of months, Sheridan Public Library Assistant Director Kim Riley has been busy pulling older titles off the shelves and deleting them from the collection. As you can see from the accompanying picture, Director Steve Martin is surrounded by stacks of withdrawn books. Most of these titles were of small consequence in the realm of things monographic but they did serve a purpose with our reading public for a few years. And like a lot of libraries, the Sheridan Public Library tends to wait a few years before getting down to the nitty-gritty of a major weed of the collections.

Two results have emerged from this situation

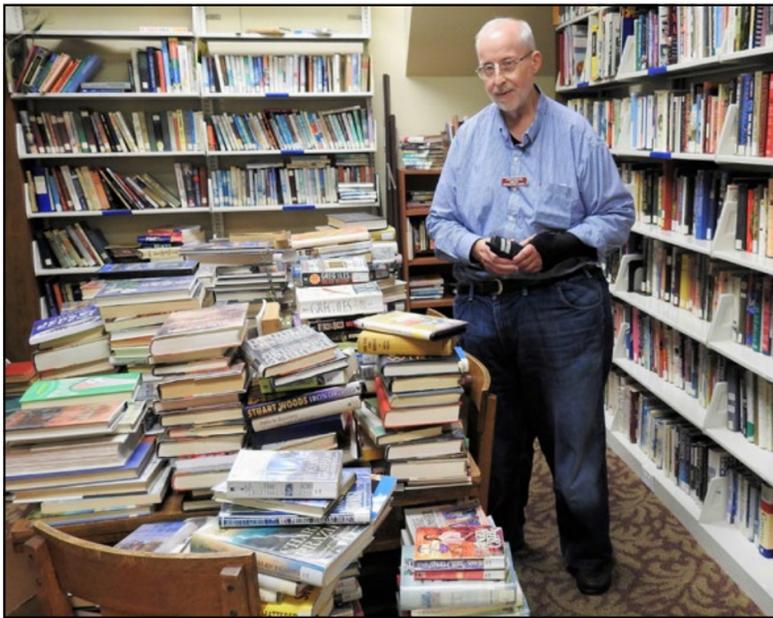

Photo provided

Sheridan Public Library Director Steve Martin is surrounded by withdrawn books that the Friends of the Library are helping him get rid of during a free book giveaway on Saturday, Sept. 22.

here at the Sheridan Public Library. First, there are now some bare spots on the shelves, and second, there is a book sale room that is overflowing. Most of them will not be able to be sold, so they will be given away.

The Friends of the Li-

brary will welcome the public to the library from 9 a.m. to 1 p.m. on Saturday, Sept. 22, and is encouraging you to take home as many books as you want. It is a first-come, first-served event, so early birds will have the advantage. And

best of all, it's free. Bring your own bags and boxes and stuff them full.

The Sheridan Public Library is located at 103 W. 1st St. in beautiful uptown Sheridan, just on the country side of Hamilton County.

### Lane restrictions on Strawtown Avenue

Effective on or after Monday, Sept. 24, Strawtown Avenue just east of Joyce Avenue will be restricted for bridge preservation. One lane of traffic, alternating in each direction, will be maintained for the majority of the work, while intermittent temporary closures (5 to 10 minutes) may be required.

Traffic control will be in place during lane restrictions from the hours of 9 a.m. to 3 p.m. Lane restrictions should be expected for five days. Please use caution when traveling through this area.

### INDOT continuing bridge surface maintenance on 116th Street

INDOT has announced plans to complete bridge deck maintenance on the 116th Street bridge over Interstate 69 beginning at 2 a.m. on Thursday, Sept. 20.

INDOT crews will begin lane restrictions on the westbound turn lanes to I-69 South on the bridge deck only. Westbound traffic will still have access to I-69 South after crossing the bridge.

The eastbound lanes of 116th Street over I-69 will be restricted to one lane after the completion of the westbound lanes. Traffic will have access to I-69 North.

Crews anticipate having all lanes reopened to traffic by 11 a.m.

# TODAY'S BIBLE READING

And when he was entered into the house from the people, his disciples asked him concerning the parable. And he saith unto them, Are ye so without understanding also? Do ye not perceive, that whatsoever thing from without entereth into the man, it cannot defile him; Because it entereth not into his heart, but into the belly, and goeth out into the draught, purging all meats? And he said, That which cometh out of the man, that defileth the man. For from within, out of the heart of men, proceed evil thoughts, adulteries, fornications, murders, Thefts, covetousness, wickedness, deceit, lasciviousness, an evil eye, blasphemy, pride, foolishness: All these evil things come from within, and defile the man.

Mark 7:17-23 (KJV)

## Joseph C. Grisanti Jr. January 30, 1948 – September 18, 2018

Joseph C. Grisanti Jr., 70, Noblesville, passed away on Tuesday, September 18, 2018 at Riverview Health in Noblesville. He was born on January 30, 1948 to Joseph and Dorothy (Pope) Grisanti in Buffalo, N.Y.

Joseph retired after 20 years in the United States Navy, serving two tours in Vietnam. He worked as a Union Carpenter for Indianapolis Carpenters Local #60, South Bend Carpenters Local #13 and North Carolina Carpenters Local #312. He loved following the Buffalo Bills and Notre Dame football teams. Joseph loved Star Wars, read a lot and was an expert at Jeopardy, playing with his wife every night. He had an awesome sense of humor and enjoyed the company of the many hummingbirds that traveled to his house. Joseph loved his family, especially his grandbabies.

He is survived by his wife, Pamela (Sneed) Grisanti; daughter, Patricia (Donnie) Johnston; son, Joseph (Laura) Grisanti III; step-son, Grant (Carmen) McEntire; eight grandchildren, Annie (Stephen) Slack, Tiffany Grisanti, Lauren Clark, Cadence Oyler, Gabby McEntire, Briar Johnston, Angela-lynn (Bryant) Zissler and Dallas C. Johnston; four great-grandchildren, Mia Slack, Kaylee Slack, Aaliya Zissler and Avery Zissler; and his dog, Frankie.

In addition to his parents, Joseph was preceded in death by his dog, Pepper. Services will be held at 1 p.m. on Saturday, September 22, 2018 at Randall & Roberts Funeral Home, 1150 Logan St., Noblesville, with visitation from 11 a.m. to the time of service. Burial will be at Crownland Cemetery in Noblesville.

# Carmel wins four-set match over Millers

By RICHIE HALL

The Carmel volleyball team won a county showdown with Noblesville Wednesday at the Eric Clark Activity Center.

After dropping the first set, the Greyhounds swept the next three to take the match, 21-25, 25-11, 25-19, 25-19. The victory improves Carmel to 17-8 for the season.

"The girls really buckled down," said Greyhounds coach Reynae Pierce. "Made a couple lineup changes, but the girls buckled down and just put their heads down, got to work and got the job done."

The first set was close, with neither team leading by more than two points until the Millers took a 6-4 lead. Noblesville eventually led 13-9 after Izabella Hines teamed up with Lexie Almodovar for a block, then Hines tipped a net shot over. Carmel got as close as 22-21, but the Millers ran off the next three points. Hines and Rose Crist teamed up for back-to-back blocks, then Almodovar finished the set with an ace.

The 'Hounds dominated the second set, running off nine straight points from 2-2 to take an 11-2 lead. Elana Brueggemann put down four kills during that run alone, with Anne Lesure serving an ace, and Kamryn Kichefski hitting a kill as well. The Millers battled in the middle of the set, with Almodovar hitting back-to-back kills at one point. But Carmel used a five-point run to go ahead 23-9, and Brueggemann closed it with a kill.

Two early runs gave the Greyhounds control of the third set. Down 4-3, Carmel scored five straight points to go up 8-4, then the 'Hounds ran off six points in a row to lead 14-6. Gabby Smith had two kills in the run.

Noblesville closed things up late in the set with a four-point run to cut the Greyhounds' lead to 18-14. Ava Nichols served two aces in the run. Another run got the Millers within 22-18, with Almodovar hitting an ace. But Carmel hung on to win the set.

The fourth set was a little closer, until Carmel scored four straight points to lead 21-15. Lesure helped out with an ace. She

dished out 24 assists for the match, and served three aces.

Brueggemann finished the game with 15 kills and four blocks.

"She stepped it up and turned it on," said Pierce. "They're a fun group to watch for sure, and they make coaching fun."

Smith hit 11 kills. Lauren Van Remortel handed out 17 assists, Sophie Oliphant collected 16 digs, Morgan Millay had 11 digs and Kelise Twyner made one block.

Almodovar hit 19 kills for Noblesville, also making 12 digs and serving three aces. Nichols handed out 32 assists.

"We started out the match well, first set, we were passing at a really high rate," said Millers coach Steve Hawthorne. "Second set, we made a couple of errors and honestly, right now that's one of the things we're

struggling with. We make a few errors and they tend to lead to a lot more errors. As long as things are going well, we do well. So it's just something that we're going to have to continuously work on in practice and hopefully find some consistency at the end."

Noblesville is 7-13 and plays a Hoosier Crossroads Conference match tonight at Franklin Central. Carmel hosts Pike on Monday in a Metropolitan Conference match.

Girls soccer

# Millers, Royals get wins, set up HCC title showdown

The Hoosier Crossroads Conference girls soccer championship will come down to one game next week.

Noblesville and Hamilton Southeastern both won their HCC games Wednesday to set up this showdown. The Class 3A No. 3 Millers took care of Franklin Central 2-0 at their White River Elementary School field, while the 3A No. 1 Royals beat Zionsville 4-2 in a home game.

Noblesville scored both of its goals in the first half. Carly Hudnall got the first score six minutes into the game, then Sydney Anderson found the back of the net in the 19th minute. With the win, the Millers improved to 5-0-1 in the conference and are now 8-1-3 overall.

Southeastern scored three goals in the first 12 minutes of the game. Claire Wilkinson got the first two, assisted by

Olivia Smith and Ava Keaffaber. Layla Brown put the third goal in, with Taylor Pozzebun assisting.

The Royals played their second team for a majority of the first half, and did give up a goal to make the halftime score 3-1. The starters came back for the second half, and got HSE's fourth goal about 15 minutes into the half, with Brown scoring on a Keaffaber assist. Zionsville scored its second goal on a free kick with 40 seconds left.

Southeastern's co-players of the game were Brown and Wilkinson.

The Royals are 6-0 in the HCC and 12-1-1 overall. Southeastern will travel to Noblesville for what is now the conference championship game, which takes place next Wednesday, Sept. 26.

Fishers finished up HCC play on Wednesday with a 1-0 win over Avon.

The 3A No. 11 Tigers scored their goal in the game's 41st minute, with Maya Turner finding the back of the net. Fishers completed conference play with a 3-3-1 record, and is 6-3-1 overall.

Guerin Catholic, ranked No. 17 in 3A, played to a 0-0 tie with 2A No. 2 Cathedral on Wednesday.

Bailey Cappella recorded the clean sheet for the Golden Eagles, who are 4-4-2 for the season.

## Boys tennis

### Huskies drop tough match to Western

The Hamilton Heights boys tennis team dropped a 5-0 dual meet to Western in a Wednesday Hoosier Conference meet.

The closest match came from No. 3 singles Ben Wolfgang, who won the first set in a tiebreak 7-4, lost the second set 6-4, then fell in a third set super tiebreak 10-8.

"We fought hard against a tough Western team," said Huskies coach Justin Davis. "I was very happy with the way our team played and acted, both on and off the court."

Davis mentioned the efforts of Wolfgang and No. 2 singles player JP Echison, who lost 6-0, 6-4.

"Even though every player on my team deserves credit, I want to mention the efforts from my No. 2 and No. 3 singles: JP and Ben," said Davis. "JP lost big in the first set, but was in the entire second set until the very end. As for Ben, he pulled away with the first set in a long battle. He

kept fighting through the second set and through the super tiebreak, barely losing both of those. Being our third match in three days, I'm impressed with how conditioned, both physically and mentally, my team is; they just keep pushing through regardless of how tired they get."

Heights will play a dual match at Lebanon on Saturday morning.

Hamilton Southeastern, ranked No. 16 in the state, lost a 3-2 dual meet to No. 11 Cathedral on Wednesday.

The Royals' wins came from their doubles teams. No. 1 Matthew Parker and Matt Meyer won their match 6-1, 6-2, while No. 2 Mahek Chougule and McGuire Wolfe were victorious 6-2, 6-2.

Southeastern is now 9-5 for the season and plays Park Tudor on Monday in their regular-season finale.

## Football previews

### Homecomings for Millers, 'Hawks, Royals highlight Week 6 games

It's Homecoming week at Noblesville, and the Millers will host the Hoosier Crossroads Conference newcomer for the big football game.

Noblesville welcomes Franklin Central to Beaver Materials Field on Friday night. Due to Homecoming, the game will kick off at 7:30 p.m., a half-hour later than usual. The Millers will attempt to pull back to .500 with the win, as they are 2-3, but are 2-1 in the conference.

The Flashes are 1-4, but have played about as difficult a schedule as any team in Indiana. Franklin Central opened its season with a 14-0 loss to Decatur Central, then beat Roncalli 14-7 in Week 2.

That brought the Flashes to HCC play, where they lost to unbeaten Brownsburg 37-7, Zionsville 44-19 and Avon 48-0. Noblesville coach Justin Roden said his team saw Franklin Central over the summer

and is aware of how good the Flashes are.

"Our kids know how good they are up front," said Roden. "They know how good their running backs are. They know it's a downhill type of football team."

The Franklin Central quarterback is senior Dylan Bishop, who has thrown for 528 yards and two touchdowns so far. Senior Malieki Parks is the leading rusher, with 228 yards in 59 carries and two TDs. Parks has also caught 12 receptions, just behind senior Sam Diehl's 14 catches. Junior Nicholas Luedeman leads the FC defense with 39 tackles, while senior Steven Edwards has eight tackles for a loss and seven sacks.

"We worked really hard today at trying to match their physicality," said Roden. "It's a downhill football team. They've got a good defense. They play really physical. They're kind of like us in the fact that they might not have the same type of athletes that some other schools do, but they play really, really hard."

Noblesville's senior quarterback Grant Gremel has thrown for 311 yards and two touchdowns, while senior Luke Blevins has gained 278 yards on the ground, including one TD. Blevins also has six receptions, including a touchdown, with senior Wyatt Blades also making six catches. Senior Eddie Dziennik leads the defense with 56 total tackles, senior Dalton Davis has seven tackles for a loss, and senior Zac Tuinei has made two sacks.

SHERIDAN-TAYLOR Sheridan is also having its Homecoming this week, and the Blackhawks are hoping to keep their perfect Hoosier Heartland Conference season rolling. Sheridan plays Taylor Friday at Bud Wright Stadium.

The Titans are 2-3 overall and 1-3 in HCC play. After winning its first two games of the season (over North White 21-7 and Tri-Central 34-7), Taylor has lost to Carroll 28-27, Eastern 62-6 and Clinton Central 40-10.

"They lost their last three, but they got some athletes and they got good speed," said Blackhawks coach Bud Wright.

The Titans have used a freshman quarterback, Trower Davis, to great effect. He has thrown for 264 yards and three touchdowns. Senior Anthony Townsend is Taylor's leading rusher, with 651 yards and seven TDs to his credit. Sophomore Jayden Davis leads the receivers with 17 catches and two scores. On defense, senior Drew Smith has made 74 tackles, with senior Richard Taper getting six tackles for a loss.

Sheridan, 4-0 in the conference and 4-1 overall, has been doing well with its passing game this year. Senior Drake Delph has completed 21 of 37 throws for 433 yards and nine touchdowns. Senior Jesse Kolb has made 11 of those catches, seven of them for TDs.

From Page 9

Of course, the Blackhawks still use their famed running game to great effect. Senior James Manis has 464 yards rushing, followed by sophomore Cameron Hovey (393 yards) and senior Nick Burnell (389 yards). Manis has seven touchdowns, while Hovey and Burnell have three.

Burnell is also leading the defense with 54 tackles, while Kolb has 50. Manis and senior Tre' Mullins both have two tackles for a loss, with Manis making five sacks.

### SOUTHEASTERN-ZIONSVILLE

The third Homecoming game of the week is at Hamilton Southeastern, where the Royals will host Zionsville in Hoosier Crossroads Conference action.

The Eagles are 2-1 in the conference and 3-2 overall. Zionsville has won its last two games over Franklin Central 44-19 and Noblesville 24-0, after dropping its HCC opener to Westfield 41-28. In its first two games, the Eagles lost to Pike 27-19 and beat Lebanon 56-6.

"We have a lot of respect for their program," said Royals coach Adam Morris. "Offensively, the quarterback is a really good player. The two receivers, Tommy Fossett, Jordan Hull, are unbelievable players. I've always been impressed with them up front the last two years. They have some big kids who have good feet and do some good things."

Senior Josh Wagner is the Zionsville quarterback, and he has been very efficient, completing 78 of 119 passes for 952 yards and 12 touchdowns. The afore-mentioned receivers have made the majority of the catches, with Fossett getting 32 receptions, including five TDs, and Hull making 27 catches, including eight scores.

Junior Gus Baumgartner leads the Eagles' rushing category with 469 yards and two touchdowns. On defense, four players have at least 50 tackles, led by senior Brock Torrance's 61. Senior Drew Baker has seven

tackles for a loss, while senior Evan Price has made three sacks.

Southeastern is 1-2 in HCC play and 2-3 overall. Senior Kody Sparks has thrown for 668 yards and two touchdowns as the Royals' quarterback. Senior Matt Harris has been a force on the ground with 487 yards rushing and seven TDs. Junior Ben Boysen has 28 catches to his credit. Seniors Anthony Eggers and Anthony Cassiere each have 42 tackles, with senior Isaac Abeo making four tackles for a loss.

### FISHERS-AVON

Fishers travels to Avon on Friday to take on Hendricks County's other tough football team. Kickoff is 7 p.m.

The Orioles are 4-1, with that one loss to rival Brownsburg, 21-7 in Week 4. Avon has beaten Plainfield 44-13, Ben Davis 41-36, Hamilton Southeastern 29-6 and Franklin Central 48-0, making it 2-1 in HCC play.

Fishers played Brownsburg last week, and Tigers coach Rick Wimmer sees the similarities between the Bulldogs and the Orioles.

"Avon's not much different," said Wimmer. "They're very athletic, probably more athletic than Brownsburg. They've got a very good defense as well. In terms of the production of their defense, very similar to Brownsburg."

Wimmer noted that Avon and Brownsburg are first and second in the HCC in terms of defensive scoring.

"They're as stingy as Brownsburg," said Wimmer. "We've got our work cut out for us this week. Hopefully the work against a very good team last week will help prepare us for this week."

Sophomore Henry Hesson is the Orioles' quarterback, and has thrown for 898 yards and eight touchdowns. Senior Jalen Peterson leads the reception count with 20 catches.

Senior Sampson James has dominated

on the ground, with 726 yards and seven touchdowns. On defense, junior Tyler Anderson has made 45 tackles, while senior Trey Howe has gotten six tackles for a loss and three sacks.

The Tigers are 0-3 in the conference and 1-4 overall. Junior Marcus Roux had a solid outing last week against the Bulldogs, throwing for 169 yards and a touchdown. Senior Collin Statz caught the TD pass, one of five catches for 115 yards.

### WESTFIELD-BROWNSBURG

Westfield travels to Brownsburg on Friday to get their chance against the Class 6A No. 2 Bulldogs.

Brownsburg is a perfect 5-0 for the season, and 3-0 in the HCC. So far, the Bulldogs have beaten Bloomington South 44-13, Cathedral 37-26, Franklin Central 37-7, Avon 21-7 and Fishers 27-20.

"They're outstanding defensively," said Shamrocks coach Jake Gilbert. "Offensively, they have a couple just really dynamic guys. Their tailback is outstanding. He's a returning starter and he ran the ball for 250 yards this past week. Bryce Kirtz at wide receiver is going to Northwestern and he's explosive. They've got big linemen and outstanding tailbacks, so they're really hard to defend."

Sophomore Ben Easters is the Brownsburg quarterback, and he has thrown for 712 yards and 11 touchdowns. Kirtz has 23 of those receptions, including five TDs. Junior Donny Marcus is the outstanding tailback, and has totaled 817 yards and six scores. On defense, senior Lawson Aiken has 9.5 tackles for a loss and four sacks.

Westfield heads into Brownsburg with a 2-1 HCC record and at 3-2 overall. Junior Camden Simons has had a solid season at quarterback, passing at a 68-of-113 clip for 808 yards and four touchdowns. Junior Eli Patchett leads the rushing with 324 yards and five TDs.

Junior Dane Wheeler has made 20 catches. Senior Colin Caldwell leads the defense with 34 tackles, while senior Ryan Mahoney has four tackles for a loss.

### HEIGHTS-TWIN LAKES

Hamilton Heights will travel to Monticello to take on Twin Lakes. The Friday game will start at 7:30 p.m.

The Indians are 2-3 for the season, with wins over Northwestern 45-6 and Benton Central 56-0, and losses to Western 48-6, Tipton 56-35 and Rensselaer Central 56-14. While both Twin Lakes and the Huskies are members of the Hoosier Conference, they play in different divisions, so this game does not count as a conference game.

Heights coach Jon Kirschner told HCTV exactly what fans were going to see out of the Indians.

"You're going to see Wing-T," said

Kirschner. "You're going to see some quick kids run the ball. You're going to see a decent offensive line. You're going to see 3-4 defense. Realistically, it's going to look like an old-school 5-2. They're well-coached. He's got a good program. They know their stuff, they're going to execute, they're going to play hard."

Twin Lakes quarterback Danny Bennett has thrown for 182 yards and four touchdowns. Senior Zion Cosgray is the leading rusher, with 593 yards and six TDs to his credit. Senior Graham Howe has 46 tackles to lead the defense.

The Huskies are 1-4. Senior Carter Campassi is Heights' quarterback, with 376 yards and three touchdowns to his credit. Junior Deshawn King leads the ground game with 386 yards rushing, while seniors Tad Defoe and Isiah Campbell are the top receivers with 14 and 13 catches respectively, including one touchdown for Defoe.

Senior Kray Leiminger has 41 tackles on defense, with junior Cole Portwood making four tackles for a loss. Senior Luke Herr has three sacks.

### GUERIN CATHOLIC-BISHOP CHATARD

Guerin Catholic will travel to Bishop Chatard on Friday for Circle City Conference date with the undefeated Trojans.

Chatard is 5-0 with victories over Brebeuf Jesuit 38-7, Lawrence Central 34-20, Roncalli 21-13, Cathedral 17-14 and Southport 45-26. The Trojans are 2-0 in conference play, while this game will be the first CCC contest for the Golden Eagles this season.

"They've changed their scheme a little bit in the last couple years, but they're still a power run football team when you get right down to it," said Guerin Catholic coach Tom Dilley. "But they throw the ball really well, too. They're really good at taking what's available. They're really good at taking what you give them. And they're good up front, as they've been for years."

Senior Mark Nondorf is the Chatard quarterback, and has thrown for 780 yards and four touchdowns. Junior Daylen Taylor has dominated the ground game with 782 yards and 11 TDs, while junior Andrew Sowinski and senior Jack Kassenbrock each have made 16 catches. Kassenbrock has two touchdowns and Sowinski one.

Junior Christian Gelov has done well as the Golden Eagles' quarterback, with 536 yards and five touchdowns. Senior Dylan Crossen has rushed for 601 yards and nine scores, while junior Bernie McGuinness has 10 catches.

Senior Charles Bock leads the defense with 48 tackles and three sacks, while senior Hank Bates has made five tackles for a loss.
