Delaware Township honored as Indiana "Township of the Year"

By **LARRY LANNAN**
LarryInFishers.com

Delaware Township was honored recently by the Indiana Townships Association as the "Township of the Year."

Delaware Township Trustee Debbie Driskell says the association cited the township's many accomplishments over a number of years, and cited the No More Secrets campaign aimed at preventing child sexual abuse, in announcing the award.

Driskell

When Ms. Driskell accepted the award, she asked her staff and township board to join her onstage.

"There is no way that we could have won this award without the backing of the township board and my supportive staff who is always willing to go above and beyond to assist members of the public," said Driskell.

Shari Knox takes helm of Fishers Arts Council

The REPORTER

Shari Knox has been selected as the new president of the Fishers Arts Council (FAC), an arts group that has been promoting spaces for public art and local artists in the city and in the private sector since 1995.

The Fishers resident has been on the board for three years, most recently as its vice president. Her goal is to ensure that the FAC remains vibrant and reflects the needs of both the community and artists to add more visual and performing arts in Fishers. Knox sees the need for art in public venues and in business venues as well.

Knox is also involved with the following groups: Association of Junior Leagues International and Junior League of Indianapolis, 500 Parade Association, Fishers Citizens Government Academy, Fishers Police Department Citizens Academy

Noblesville Family Halloween Party adding new twists to holiday fun

The REPORTER

The Noblesville Parks and Recreation Department is currently making plans for its annual Family Halloween Party, which include a few new twists this year. The free event will take place from 6:30 to 8:30 p.m. on Friday, Oct. 26 at its new location, Federal Hill Commons, 175 W. Logan St.

Area businesses are invited to participate in the Trick-or-Treat Village with a Halloween-decorated booth and a game or activity for children ages three and up. Businesses are able to participate for free, but must register by emailing amink@noblesville.in.us or calling 317-770-5750.

"Participating is a great way for your office to show off your Halloween spirit and help provide a safe and fun trick-or-treat opportunity for residents," said Recreation Program Coordinator Amber Mink.

The costume contest also is getting an update this year with an online photo

Peterson will run in Noblesville Council caucus

The REPORTER

Darren Peterson announced earlier this month that he will run in the 2019 Noblesville Common Council At-Large race.

Because Mary Sue Rowland has stepped down, her seat is now open and Peterson has filed to run in the caucus to fill the spot.

"Mary Sue Rowland was an incredible champion of Noblesville and the Arts Community, first as Mayor and most recently as Council Member," said Peterson. "I am thankful for her 19 years of tenacious public service. Mary Sue's passion is her legacy and can be seen in her many accomplishments."

Senator Donnelly supports Hamilton County in developing Community Opioid Prevention Effort

The REPORTER

U.S. Senator Joe Donnelly has announced that, with his support, the Hamilton County Council on Alcohol and Other Drugs (HCCAD) has been awarded grant funding from the Department of Justice's (DOJ) Bureau of Justice Assistance Comprehensive Opioid Abuse Site-Based Program.

The \$490,343 award will help HCCAD develop and implement its Community

Opioid Prevention Effort (COPE), a wide-ranging initiative that seeks to expand existing services for those suffering from substance use disorder, while expanding and enhancing prevention education, community

effort to fight the opioid epidemic, and I'm pleased this grant funding is coming to Hamilton County. The opioid

abuse epidemic is a public health crisis that devastates families and communities, and it will take all of us working together to successfully combat it. I'm confident that COPE will be able to use these funds to help more Hoosiers who need assistance."

Shredding, recycling, drug disposal day in Carmel

The REPORTER

Last year, more than 15.4 million Americans were victims of identity theft. That's about one person every two seconds. To help fight fraud, a handful of community groups are joining together for a document shredding, electron-

ics recycling, bulk item disposal and drug disposal event from 10 a.m. to 1 p.m. on Saturday, Oct. 20 in the parking lot of Creekside Middle School, located on the southeast corner of West 126th Street and Shelborne Road in Carmel.

This event is sponsored

by a team of organizations including AARP, Carmel Utilities, Carmel Police Department, Crime Stoppers of Central Indiana, Technology Recyclers, Shred-it and WISH-TV. AARP Indiana will hand out information about their free Fraud Watch Network.

Survivors can experience multiple effects from domestic abuse. These can be physical, mental, emotional and spiritual. Some of these effects include depression, anxiety, poor health, PTSD, low self-esteem and a feeling of hopelessness. competition. Categories include Most Creative, Cutest, Scariest and Family. Those interested in entering the photo contest must submit their entries electronically by noon on Monday, Oct. 22. Photo contest entries may be submitted via email to amink@noblesville.in.us or by sending a direct message to the Noblesville Parks and Recreation [Facebook page](#).

Public voting will run from 8 a.m. on Tuesday, Oct. 23 through noon on Friday, Oct. 26 on the Noblesville Parks & Rec-

reation [Facebook page](#). The photos with the most “likes” will be awarded and announced at the Halloween party. Winners must be present to win.

“With a new location and home for the costume contest, parks and recreation staff is confident this Halloween party will be better than ever,” said Mink. “We are excited to bring the event to Federal Hill Commons, where we will have more space for an extended Trick-or-Treat Village, which allows more businesses to join in on the Halloween fun. We

also can’t wait to see all of the costume contest pictures submitted and the amazing outfits.”

The annual Family Halloween Party is sponsored by Tenth Street Photography and the Hamilton County Council on Alcohol and Other Drugs.

The official trick-or-treat hours in the City of Noblesville will be from 5:30 to 8:30 p.m. on Wednesday, Oct. 31. The Noblesville Police Department will have extra patrols out that evening to provide additional security.

The professional shredding is sponsored by Shred-it to benefit Crime Stoppers of Central Indiana. A donation is requested of \$5 per bankers-sized box or equivalent.

Recycling

The recycling drop-off event will be managed by Technology Recyclers. The following items will be accepted: All computers, servers, peripherals, wiring, cable, battery backups, monitors, TVs (\$10 charge per monitor or TV); all electronics, phones, stereos, headsets, DVD players,

any small appliance; IT equipment including hubs, switches, servers, routers, racks, etc.; office equipment including fax machines, copiers, phone systems, industrial electronics, test equipment, medical equipment and large appliances including refrigerators and freezers.

Prescription Drugs

Properly removing unused and expired medicines from the home helps protect the environment and the community by keeping them out of the water supply and reducing accidental poisoning and prescription drug abuse. Uniformed officers will accept pharmaceuticals for proper disposal.

Bulk Items

As part of the City of

Carmel trash program with Republic Services, drop-off of bulk items will be available free of charge to trash customers. (This is for City trash customers only; an ID or utility bill required.) Examples of items to drop off include lawn equipment, carpet, furniture, grills (but no propane tanks), water heaters, swing sets, mattresses, etc. Space is limited and on a first come, first served basis. Please no liquids, toxic, landscape waste or tires. No electronic waste in bulk item disposal. Those items are accepted in electronics recycling.

Items Not Accepted

No paints, light bulbs, tires, landscape waste, toxic or household hazardous waste.

He’s been involved with developing arts leadership, serving on civic boards and advocating for business opportunities. Currently, Peterson is president of Nickel Plate Arts, treasurer of Noblesville Main Street, an active board member of Keep Noblesville Beautiful and a member of all four Hamilton County Business Chambers of Commerce.

Peterson has been the driving force behind creating and executing several successful events and projects in Noblesville. His most recent and visible impact on the community was in the spring of 2018: He conceptualized and carried

out the artwork covering two crosswalks at Forest Park, in a partnership with Noblesville Parks, Nickel Plate Arts and Keep Noblesville Beautiful.

Other events include: Noblesville Main Street’s Thursday market, which evolved into Meals from the Market, a great example of alley and lost space activation; CanStruction, a non-perishable food sculpture event that has donated over 20,000 cans to local food pantries in the last five years, and he has been instrumental in transforming the annual Duck Race into a Festival celebrating the White River.

As a Noblesville Councilperson, Peterson says he will be an active and vocal advocate for histor-

Don't fall for recurring phone scams

The REPORTER

Scammers are active again in Hamilton County, as seems to be the recurring case every few months.

In this latest edition, potential victims are told they missed jury duty in federal court. The perpetrator is falsely identifying himself as a member of the Sheriff's Office Investigations Division, using names of actual employees. The story will most likely change as soon as the scammer knows the story is out.

As a reminder, the Hamilton County Sheriff's Office does not call threatening to arrest an individual for missing jury duty, failing to pay taxes, or for other reasons. If a call similar to one of these is received, hang up the telephone without continuing a conversation with the caller.

Never be tempted to send payment for a warrant by prepaid card or wire transfer. Body attachment warrants, tax warrants and other government transactions should only be handled by contacting the correct office or court directly.

Scammers will often stress urgency with the threat of dire consequences. This should be a good clue to investigate the call further by contacting dispatch so an officer can handle the matter.

Do not be convinced by Caller ID as software is available to easily fake a telephone number. The best practice is to contact the office by researching the correct number and using it.

To report becoming a victim of a telephone scam or fraud, contact Hamilton County Public Safety Communications at 317-773-1282.

significant increase in Opioid related deaths and non-fatal incidents. In 2017, Hamilton County had a total of 289 opioid-related events, such as EMS runs, ER department visits for an opioid overdose, or an opioid-related death. During last year, we documented 36 opioid poisoning deaths. We are fortunate to receive this valuable grant to help combat the opioid epidemic in our community. We plan to develop and implement an Opioid Quick Response Team to establish a front-line response to opioid overdoses. The Team will serve the community through immediate intervention at on-scene overdoses, conduct follow up visits, provide recovery support and other community resources to the individuals and their families. Ultimately we hope to engage these individuals in treatment services."

Keep campaign signs out of rights-of-way

The REPORTER

As the Nov. 6 election approaches, the Indiana Department of Transportation reminds Hoosiers that campaign signs are prohibited from state rights-of-way according to Indiana Code 9-21-4-6. INDOT personnel are required by state law to remove all unauthorized signs within the state rights-of-way.

Areas that should remain sign-free include:

- Intersections;
- Interchanges;
- Rights-of-way that run parallel to highways.

Where the right-of-way is not clearly marked, boundaries may be estimated as the fence line, the back of the ditch or behind utility poles.

INDOT personnel will remove campaign signs and other illegal signs from right-of-way – pursuant to code – as they are encountered in normal highway maintenance activities. Crews may also remove a specific sign if it presents an immediate safety risk, such as being too close to the roadway or creating a sight obstruction. Campaign signs placed off the right-of-way will not be removed.

Removed signs will be taken to the nearest INDOT facility. Campaign signs may be claimed by the owner between 7:30 a.m. and 3:30 p.m. Monday through Friday, except for holidays.

INDOT urges drivers to slow down and stay alert near crews.

To report signs placed in the right-of-way, contact INDOT customer service at indot4u.com or call 1-855-463-6848.

Nickel Plate Express to partner with Heights FFA

The REPORTER

This October, Nickel Plate Express and the Hamilton Heights High School FFA chapter will work together on the Pumpkin Express, an excursion that will benefit the two non-profit organizations.

A celebration of fall in Indiana, the Pumpkin Express will take families to the pumpkin patch aboard Nickel Plate Express' historic 1956 train. Excursions will board in Atlanta at noon and 3 p.m. on Saturdays and Sundays in October. The train will then travel to the Hamilton Heights pumpkin patch where the FFA fall festival awaits.

All fall festival activities, such as hay rides and pony rides, are complimentary for guests. Passengers are encouraged to bring cash for purchasing pumpkins, as all pumpkin proceeds benefit the FFA.

“The Hamilton Heights school corporation and FFA club have been great to work with,” says Nickel Plate Express Executive Director Deanna Holt. “FFA adviser Emily Carson and her students have aided in planning an event that will be special for Hamilton County families. We look forward to continuing this partnership in the years to come.”

Pumpkin Express rides begin this Saturday, Oct. 6. Tickets are available at

TODAY'S BIBLE READING

And there was a cloud that overshadowed them: and a voice came out of the cloud, saying, This is my beloved Son: hear him. And suddenly, when they had looked round about, they saw no man any more, save Jesus only with themselves. And as they came down from the mountain, he charged them that they should tell no man what things they had seen, till the Son of man were risen from the dead. And they kept that saying with themselves, questioning one with another what the rising from the dead should mean. And they asked him, saying, Why say the scribes that Elias must first come? And he answered and told them, Elias verily cometh first, and restoreth all things; and how it is written of the Son of man, that he must suffer many things, and be set at nought. But I say unto you, That Elias is indeed come, and they have done unto him whatsoever they listed, as it is written of him.

Opal Ann Wyatt

November 1, 1937 – October 1, 2018

Opal Ann Wyatt, 80, Westfield, passed away on Monday, October 1, 2018 at Riverwalk Village in Noblesville. She was born on November 1, 1937 to Joe and Eva (Langford) Robinson in Jamesport, Mo.

Opal worked as a hairdresser and then became a teacher for Westfield School Corporation. She was a life-long member of Eastern Star and loved cooking, baking and entertaining. Opal married Benjamin Wyatt on January 14, 1967.

She is survived by her daughter, Kimberly Ann (Shane) Geberin; brother, Joe Robinson; and grandson, Peyton Geberin. Opal always said her grandson was the gem of her life.

In addition to her parents, she was preceded in death by her husband, Benjamin, on January 22, 2003; sister, Eula Robinson; and brother, Bernard Robinson.

Per Opal's request, there will be no services. A celebration of life will be held at a later date where family and friends can gather and share their memories of Opal.

Randall and Roberts Funeral Homes has been entrusted with Opal's care.

Ascension St. Vincent

St. Vincent to adopt Ascension into name

The REPORTER

St. Vincent will add Ascension to its name as part of a national effort to make it clearer and easier for patients to access the care they need and to navigate their health. In moving toward a unified name, St. Vincent will change its name to Ascension St. Vincent and adopt the Ascension logo.

By creating more consistent names for its facilities and services across the country, Ascension will better connect every aspect of care and innovation across its hospitals and other sites of care.

Since 1999, St. Vincent has been part of Ascension, the nation's leading non-profit health system, with 2,600 sites of care and 34,000 providers in 21 states and Washington, D.C.

“We have established a strong reputation for exceptional care at St. Vincent and connecting our care across states allows us to think bigger and create a national reputation of excellence in the compassionate care we provide close to home,” said St. Vincent CEO and Ascension Indiana Ministry Market Executive Jonathan Nalli. “Adding the Ascension name to our own reflects the strength of being part of this national network.”

Patients will continue to see the doctor they know and trust, but that physician is connected to other experts and specialists across the state and across the country, all dedicated to providing care specific to their individual needs.

Innovations made possible through St. Vincent's work as part of Ascension will enable patients and their families to connect with their caregivers when, where and how they need it. With Ascension, St. Vincent will also continue to develop ways to improve communication and convenient access to care through accessible locations as well as through phones and computers.

“The patients and families we serve have high expectations for excellent, personalized care delivered easily and conveniently,” said Ascension Chief Marketing and Communications Officer Nick Ragone. “By creating consistent names across Ascension facilities and services nationwide, we're making it easier for patients to access the care they need and expanding our efforts to deliver high-quality, affordable care for everyone with special attention to those most in need.”

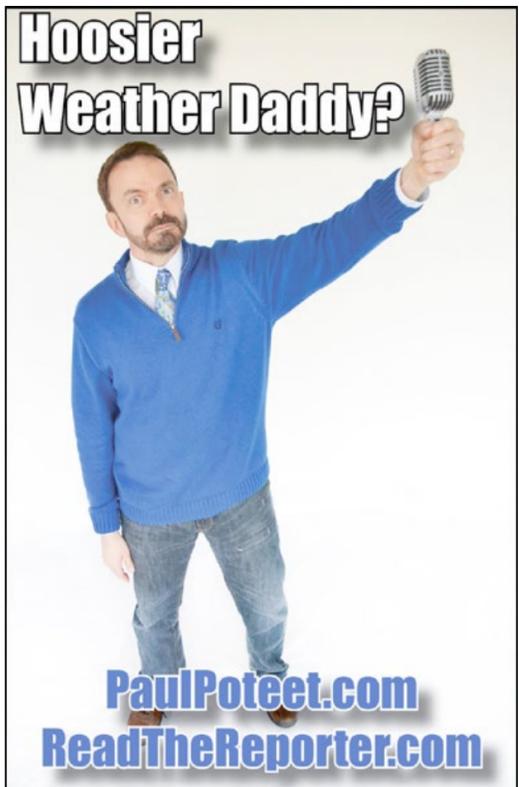

St. Vincent joins Ascension systems in three other states in beginning the move to a unified name, which will take place within the next year. Last October, Ascension's sites of care in Kansas, Texas, Alabama, Florida and New York adopted the Ascension name.

About Ascension St. Vincent

In Indiana, Ascension St. Vincent operates 24 hospitals in addition to a comprehensive network of affiliated joint ventures, medical practices and clinics serving central and southern Indiana and employs more than 15,000 associates.

Across the state, St. Vincent provided more than \$323 million in community benefit and care of persons living in poverty in fiscal year 2017.

Serving Indiana for 145 years, Ascension is a faith-based healthcare organization committed to delivering compassionate, personalized care to all, with special attention to persons living in poverty and those most vulnerable. Ascension, the largest non-profit health system in the U.S. and the world's largest Catholic health system, operates more than 2,600 sites of care – including 151 hospitals and more than 50 senior living facilities – in 21 states and the District of Columbia. NOTICE OF PUBLIC HEARING Noblesville Common Council Noblesville, Indiana

The Noblesville Common Council will hold a public hearing on the 23rd day of October 2018. This hearing is to consider annexation into the city limits of Noblesville as per property described in Exhibit “A” and the full adjacent rights-of-way along Presley Drive, State Road No. 32 (Conner Street) and Promise Road. The property is located east of Presley Drive, north of State Road No. 32, and east and west of Promise Road. The hearing will be conducted at 7:00 p.m. in the Council Chambers at the Noblesville City Hall, 16 South 10th Street.

Current zoning of the subject property is “R1 Low Density Single-Family Residential” and shall remain zoned “R1 Low Density Single-Family Residential”. In addition to the legal descriptions provided in Exhibit “A”, there is attached Exhibit “B” which is a summary of the fiscal plan. This is the City's plan for extending services to the newly annexed area. The City will provide, upon request, a copy of the fiscal plan in its entirety after the plan's adoption. This may be obtained in the Office of the Department of Planning at 16 South 10th Street Suite 150, Noblesville, IN 46060.

Questions or comments may be directed to Joyceann Yelton at the Noblesville Department of Planning at 16 South 10th Street Suite 150, Noblesville, IN 46060, 317-776-6325 during the hours of 8:00 a.m. to 4:30 p.m., Monday through Friday.

Girls soccer sectionals

Millers win the '1 vs. 2' battle over Royals, will play Tigers next

By RICHIE HALL

Anyone who doesn't pay attention to Indiana high school soccer will have a hard time accepting the fact that the top two girls teams in the state could play each other in the first round of a sectional.

Those who do pay attention know that it is a possibility, especially in the Class 3A Sectional 8 at Noblesville's White River Elementary School field. The Millers are ranked No. 2 and they played No. 1 Hamilton Southeastern Tuesday in the first round.

The two teams had just played each other to a tie last week. But there's no tying in soccer once the post-season begins. Someone must win, and Noblesville won on Tuesday, beating the Royals 2-1. The Millers advanced to Thursday's semi-finals, where they will play No. 9-ranked Fishers. The Tigers easily won their first-round game 8-0 over Anderson.

"Fishers is a very good team and they're playing well as of late," said Millers coach Mike Brady. "So again, we're going to have to regain our focus. I told them to enjoy this evening, we all will, because that's an accomplishment when you can beat Southeastern. We played them just last week to a 1-1 draw, so we know what we just accomplished, but again, the glass half-empty is that it's the first sectional game. There's a long road to state right now."

The first half of the Noblesville-Southeastern game ended in a 0-0 tie. The Royals had six shots to the Millers' one. Southeastern's final shot of the half was on goal, but Noblesville goalkeeper Makenna Mundy deflected it away.

Hamilton Southeastern's Molly Harris (7) and Noblesville's Carly Hudnall (6) both scored goals for their respective teams during their sectional game at the White River Elementary School field on Tuesday. Noblesville won 2-1 to advance to Thursday's semi-finals, where it will play Fishers.

The Millers got the first shot of the second half, which went over the net. But a couple minutes later, Noblesville made

its move: Makenna Maloy passed the ball to Jenna Chatterton, who raced down the field, set herself up in the goal box and angled the ball in to the left side of the net. The Millers had a 1-0 lead with 34:59 left to play.

Noblesville got its second goal at the 26:14 mark of the second half. Carly Hudnall booted the ball into the right side of the net from about 12 yards out. Now the Millers were up 2-0.

"The whole season, we've been working towards this," said Hudnall. "I think it was just all of our hard work paid off. I think all of our hearts were really happy, because losing conference kind of brought our self-esteem down a little bit. But I think that was motivation towards scoring. Win or lose, we were going to be in it together. And I'm glad we're in it together winning."

"I think we're now 9-1-5, and many of those ties, those were goals we didn't get," said Brady. "And now is the time of year we talked about, there's no tie anymore in the post-season. We have to finish those chances that we get, because against teams the quality of Southeastern and Fishers, you're not going to get that many chances. And both of them stepped up and those were both very nice shots."

Southeastern's scored its goal five minutes after Hudnall scored, when Molly

Harris put in a free kick from about 20 yards out. The Royals were within a goal, but Noblesville was able to hang on for the game's final 20 minutes. Mundy made another huge save with 7:13 left when she stopped a rocket of a shot on goal.

Southeastern finished its season with a 12-2-2 record.

"I can't tell you how much I loved this team and the individuals on it," said HSE coach Greg Davidson. "I am devastated for them and the missed opportunity to move on and see how far they could have gotten in the tournament."

In Tuesday's first game, Fishers beat Anderson 8-0. The Indians had won just one game coming into the sectional and put on a courageous effort, but were simply out-matched by the Tigers' depth and skill.

"Anderson had some nice players," said Fishers coach Ben Beasley. "They played really hard, they came out early. It took us a couple minutes to get into the flow of play, but I really appreciate the way that team played, that program played."

Lauryn Arnett scored two goals for the Tigers, one in each half. Six other Fishers players had one goal: Delaney Whelan, Kaysey Castro, Ellen Stump, Maya Turner, Erin Brown and Isabelle Streeter. The Tigers are now 9-3-1 for the season.

Huskies dominate New Castle, advance to play Delta

By RICH TORRES

ARCADIA – Hamilton Heights' senior Elaina Page had two objectives entering her senior soccer season.

She checked off the first one more than a month ago. As for the second, Page and the Class 2A Huskies inched one step closer with a dominating 9-1 win over New Castle in the first round of Sectional 24.

Page finished with two assists and two goals, including an ankle-breaking shimmy for her 28th goal on the year, to lead the Huskies (12-6) into Thursday night's sectional semifinal against Delta (6-8) at 7 p.m.

Junior Caitlin Hartwick had two goals for the Huskies as seven Hamilton Heights' players recorded at least one goal on Tuesday at home.

Last season, Page racked up 14 goals in 19 matches. Focused on topping that total this fall, she surpassed it on Sept. 6 with a two-goal performance. Her multi-goal effort against New Castle marked her 10th this season.

"Everyone definitely felt it tonight. Everything just flowed together. It was

awesome," Page said. "I'm trying to create a lot. I want to win sectional really bad. That's always been a goal of mine."

The Huskies shared her ambition and peppered the Trojans (4-12) with 48 shots and 29 shots on goal overall. Hamilton Heights built a 3-1 lead by halftime and outscored New Castle 6-0 behind 25 shots in the final 40 minutes.

Makena Trew put the Huskies ahead 1-0 with her eighth goal, coming off an assist from Emma Hall in the 12th minute. Page made it 2-0 less than two minutes later before a Katy Beery goal in the 20th minute pushed the margin 3-0.

"This was a team we've never seen before, so we didn't know what to expect," Huskies head coach Travis Kauffman said. "In those situations, you play against yourself. You play your game, and I was proud how the offense kept creating. We talked all year about being creative and working for goals and opportunities. I think that showed."

New Castle erased Hamilton Heights' shutout bid with a goal in the 38th minute as Lauren Ayers snuck the ball past goalkeeper

Alyssa Irwin, who had one save. Freshman Jenn Houser registered one save in relief for the Huskies.

Trojans' keeper Olivia Carnes logged 17 saves and fended off a pair of hard shots from Page early on in the first half, while the crossbar deflected three more potential Huskies' goals in the match.

"We've talked all year about winning the second half, and we had a 10-15 minute let down late in the second half where we took it easy," Kauffman said. "We lost a lot of the aggressiveness, so at halftime that's what we talked about, winning the second half regardless of the score or what the other team is doing."

The Huskies went to work immediately with four goals through the first 13 minutes in the second half.

A tip save on a Beery shot on goal was cleaned up by Hall to push the Huskies' lead to 4-1 in the 44th minute. Page connected with Emily Stirn for another goal and a 5-1 advantage, while Kyndall Ferguson's seventh goal this season increased the lead 7-1 during the 53rd minute.

Page scored her second goal during the 50th minute with a devastating move down the left sideline, splitting two defenders before working past another Trojan and finally the goalkeeper to put Hamilton Heights up 6-1.

"She's been a phenomenal scorer for us this year, and she's humble," Kauffman said.

"She wants to get assists and play for the team, but we're setup where she's that target and makes stuff happen. If ever, they don't let her make stuff happen, that's when she picks up her assists."

Page's two assists gives her nine this year. Stirn added an assist for her seventh in 18 matches. Cacy Weaver and Jenna Peterson both had one assist with each going to Hartwick for the Huskies' final two goals.

Hamilton Heights is chasing its first sectional title since 2014, 10th all-time and potential first in 2A. The Huskies won four straight sectional championships in Class A from 2011-14.

If the Huskies win one more game, they could get a rematch with defending sectional champion Yorktown, who beat Hamilton Heights 3-2 in the semifinals last year. Yorktown (9-6) faces Jay County (9-3-2) in the first semifinal on Thursday at 5 p.m.

The Huskies lost to Yorktown 6-4 during the regular season, but once again face an unfamiliar foe in Delta, which lost three straight prior to the postseason.

"We've never played (Delta) either, and that's why I'm glad we didn't get the bye. When you do, you sit for too long," Kauffman said. "You want to get some game speed and minutes under you. It helps, and a win like this boosts your confidence. Practice gets better because you can see what you're capable of and you get to plan and say that's what we want to do again."

NOBLESVILLE SCHOOLS

REFERENDUM 2018

Strong Schools, Strong Community

Strong schools make for a strong community. The ability to attract new businesses to Noblesville, prepare our future workforce, and achieve a high quality of living as a community are all directly related to the strength of our school system.

The 2016 referendum was about maintaining the status quo and was a reduction in the tax rate. The 2018 referendum is about enhanced mental health, increased safety and retaining top-quality staff. It's about keeping our schools and our community strong.

Due to the teacher shortage and recent pay increases by neighbor districts, our teachers are leaving for positions that can pay \$5,000-\$15,000 more.

Since 2009, Noblesville Schools has lost \$46.5 million in funding.

The 2018 referendum will replace the 2016 referendum and will provide funding through 2026.

53% of the additional funding would be spent on mental health & safety, while 47% would be spent on staff pay.

The current referendum rate is 18.9 cents and the new proposed rate is 37 cents.

This referendum would raise an additional \$6.25 million/year for Noblesville Schools.

For more info visit noblesvilleschools.org

MENTAL HEALTH

Enhanced focus including student screenings & more counselors

1

SAFETY

Expanded protections including more police officers & safety equipment

2

STAFF PAY

Pay competitively with neighbor district to keep good teachers & staff

3

How Much Will This Referendum Cost Taxpayers?

A median Noblesville home valued at \$206,000 currently pays \$192/year for the 2016 referendum. The new 2018 rate would cost this home \$376/year. That's an additional \$184/year—an additional \$15/month—for enhanced student mental health, school safety and teacher pay.

Guerin Catholic, Carmel advance to semi-final showdown

Guerin Catholic and Carmel advanced to a semi-final showdown after winning their first-round games Tuesday at Class 3A Sectional 10, which is being hosted by the Golden Eagles.

No. 19-ranked Guerin won the night's first game, cruising past Pike 7-0. Katie Koger scored the Golden Eagles' first goal just four minutes into the game. Ava Schlichte and Alyssa Ferry each added goals for GC, then Emersen Jennings and Blake Kimmel scored in the later stages of the first half, giving the Golden Eagles a 5-0 halftime lead.

Koger and Anna Schultheis each scored second-half goals to get Guerin Catholic to the final margin. Bailey Cappella and the Golden Eagles' defense recorded the shutout. Guerin is now 5-7-2 for the season.

Next up, the No. 4-ranked Greyhounds took care of Brebeuf Jesuit 3-0. Kelsie James scored two goals in the first half. The first score was in the third minute off a cross in front of the goal box, with Morgan Parker

and Elyse Reed teaming up for a double assist. James then scored in the 14th minute off a short pass by Ashley Witucki.

Witucki would score in the second half on a cross from the left flank. Cassidy Eckstein and Naomi Mann made the double assist. Erin Baker had four goalkeeper saves.

"This is the time of the season, starting the IHSAA 'One and Done' state tournament, that tests the mental toughness of teams," said Carmel coach Frank Dixon. "I happy to say we passed our first test with a big win over Brebeuf Jesuit. The girls started the game on fire with a goal at the 2:56 mark after just missing a great chance a minute earlier. We then had a 30 minute weather delay at the 10:30 mark which we followed with a goal at 13:39. Since we have only allowed four goals this year, we then played with the confidence of a team that believes it will win."

The Greyhounds are 14-1-2 for the season.

Big second half sends Trailblazers past Tri-Central

Class 1A No. 10 University started out Sectional 37 play Tuesday night with a 6-1 victory over Tri-Central.

While the Trailblazers dominated the ball for the whole 80 minutes, it took a while for that advantage to show on the score line. University actually trailed early on, when Tri-Central scored on a counterattack over the top, but the Trailblazers were only behind for a little bit, as they answered two minutes later when senior midfielder Lily Snyder struck a goal from outside the box.

University had the territorial advantage throughout the first half, but generated few clear-cut chances. The best opportunity to take the lead before half-time was in the 37th minute, when senior midfielder Lucy Snyder hit the crossbar.

The Trailblazers attacked with purpose in the second half, though, and two minutes in, nearly took the lead when

senior forward Halle Von Ah's shot hit the post. University had a couple other point-blank opportunities early in the half, but couldn't gain the advantage until Lily Snyder opened the floodgates in the 59th minute, when her second goal put the Trailblazers ahead for the first time.

Tessa Hudson scored from outside the box five minutes later before Von Ah finally got her goal with a cool finish in the 66th minute. University's scoring flurry continued, though, with Lucy Snyder scoring back-to-back goals in the game's 69th and 70th minutes, cementing a dominant spell where the Trailblazers went from being tied to ahead by five in just 11 minutes.

The Trailblazers, the defending Sectional 37 champions, return to action Thursday night when they face host Sheridan at 7 p.m.

Boys soccer sectionals

Royals, Millers win first-round game, will face off today

The Hamilton Southeastern and Noblesville boys soccer teams advanced to a Class 3A Sectional 8 semi-final showdown after winning first-round games on Monday at the Royals' field.

No. 4 ranked Southeastern beat Anderson 7-0 in the opener. Southeastern scored twice in the first half, with Bryce Wetzel hitting a long shot goal off a Jacob White assist, then Zaden Eby-Holmes scored the second goal, with Sean Williams making the assist.

In the second half, Harsahil Gandham headed in HSE's

third goal, with Brendan Hench providing the assist. Ryan Otte also scored off a header, from a Brock Hatfield corner kick. For the Royals' fifth goal, Luke Dawdy sent a cross to Haris Mizuta and he headed the ball to White, who made a tap-in goal.

Parker Gopsill scored Southeastern's sixth goal, then Chase Hatfield got the seventh goal, with Mizuta making the assist.

Next up were the No. 19-ranked Millers, who beat Pendleton Heights 4-1. Noblesville scored first, with Colin

Todd finding the back of the net. The Arabians answered on a penalty kick just before halftime.

But Noblesville scored three goals in the second half to take control of the game. Spencer Holland scored in the 45th minute, Palmer Ault followed with a goal five minutes later, and Ryan Cassidy put the fourth goal in during the 65th minute.

The Royals and the Millers will play their semi-final tonight at 5:30 p.m. That will be followed by the second semi-final, between Fishers and Muncie Central.

Carmel advances to Pike semi-finals, Huskies fall to Tigers

Carmel advanced to the semi-finals at the Class 3A Sectional 10 at Pike on Tuesday after getting past the host Red Devils in penalty kicks.

The game was tied at 3-3 after regulation and overtime. The No. 15-ranked Greyhounds won the PK round 4-2 (making the official final score 4-3), this after a back-and-forth regulation.

Junior Griffin Lee scored the game-tying goal in the closing minutes of regulation. Seniors Graham Rieg and Sam Hildebrand both scored one goal, with junior Noah Green handing out two assists and senior Ethan Yauger providing one assist.

"I couldn't be more proud of the effort the team put forth tonight and the mettle they exhibited," said Carmel coach Shane Schmidt. "After going up 2-0, then going

down 2-3, the guys kept working and fighting. Now we have a quick turnaround to play Brebeuf tomorrow night."

The 'Hounds will play Brebeuf Jesuit at 7 p.m. in the second semi-final. The Braves beat Westfield 2-0 in a Monday first round game.

The first semi-final will feature No. 2 Zionsville and No. 7 North Central. The Panthers held off Guerin Catholic in the other Tuesday game, also winning that one in penalty kicks 7-6 (the official score is 1-0).

Hamilton Heights lost a tough game at Class 2A Sectional 25 on Tuesday, falling to host Lebanon in penalty kicks 8-7, after regulation and overtime ended in a 1-1 tie. (The official final score is 2-1.)

The Huskies scored with two minutes to go in the first half when Luke Vanderwall hit the back of the net on a shot from 25 to 30 yards out. The Tigers scored the equalizer with four minutes left in the second half on a free kick from 19 yards. With one minute to go in regulation, Heights was called for a foul and got a PK change, but Lebanon's goalkeeper made a big save.

After the overtime, the game went to penalty kicks. After the first five kicks, it was tied at 5-5, then went back and forth until the Tigers won 8-7.

"Player of the game goes to Zach Clark for an excellent game," said Heights coach Derrick Dean. "He came back and cleared his head after the stopped PK in regulation to bury his overtime PK. This is one great group of boys that played with all their heart.

Shame to see their season come to an end. The sectional final game was definitely played tonight."

On Saturday, **Sheridan** finished its regular season with a 4-0 win over Anderson Prep Academy.

The Blackhawks scored all four of their goals in the first half. Junior Jacob Leonard scored the first goal of his high school playing career, then Caleb Duke, Kyle Eden and Will Zachery all scored one goal each.

Sheridan goalkeeper Nick Roberts had 12 saves and earned his fifth shutout of the season.

The 'Hawks are 6-5-1 and play Class 1A No. 3 Heritage Christian at 7 p.m. tonight in the sectional semi-finals.

Second-ranked Trailblazers easily win opener

Senior midfielder Ethan Bandick bagged a hat trick as Class 1A No. 2 University got off to a strong start in its Sectional 40 title defense Monday night, defeating International 6-0 at Heritage Christian.

The Trailblazers (11-3-2) got ahead early, scoring in the sixth minute when senior forward Sam Gailey played a pass square for senior midfielder Ethan Bandick near the top of the penalty area. Bandick dribbled a couple defenders, then finished past the goalkeeper for the 1-0 lead.

University continued to carry play, but had to wait until the 24th minute to extend the advantage. Bandick was the instigator again, dribbling the Gryphons back line before squaring for senior forward Dawson Estep, who stabbed home past the International goalkeeper.

The Trailblazers didn't take long to add a pair of insurance goals — Bandick took on half the Gryphons squad en route to a 26th-minute goal from the edge of the

area, then four minutes later, senior midfielder/defender Quentin Barry followed up his own shot off the post with a cool finish to make it 4-0 to the defending sectional champion.

That margin held through halftime, though it wasn't for a lack of trying, as Gailey was through 1v1 with the goalkeeper in the 38th minute, but saw his shot saved.

The pressure continued in the second half, as sophomore forward Roman Sally and senior forward Michael Bounsall each had efforts saved from close range in the 45th minute, with Bounsall looking to follow up on Sally's initial effort, before Bandick fired a long-range shot just over the bar one minute later.

University finally got that 5-0 lead in the 48th minute, and it came from a set piece. Gailey won a corner kick after nutmegging an International defender, then took the corner

himself, sending a perfect ball in to the back post that Bounsall rose to head into the back of the net.

The Trailblazers kept their foot on the gas and nearly extended their lead in the 53rd minute. Gailey flicked a back-heel pass to Bandick, whose shot on target was expertly saved. University kept the pressure on closing down the match and got the score to the 6-0 final in the 66th minute, when Bandick completed his hat trick by getting the last touch on a scrappy corner kick goal.

University's sectional title defense will continue Wednesday night at 5 p.m., taking on Park Tudor in the first semi-final. The Panthers won the initial meeting between the squads in August, 6-2. The hosts, No. 3 Heritage Christian, will play Sheridan in the other semi.

Park Tudor beat Shortridge 3-1 in the other Monday night game.
