Republicans gather in Carmel

Photo provided by Denise Moe

The Carmel Clay Republican Club held its annual pork roast last Tuesday. Approximately 150 people were in attendance. The guest speaker for the evening was Maureen Braun, wife of Republican U.S. Senate candidate Mike Braun. In addition, special guests included State Sen. Mike Delph and State Rep. Donna Schaibley. (From left) Carmel City Council President Kevin Rider, Hamilton County Republican Chairwoman Laura Campbell and Noblesville attorney Ray Adler.

Sheridan Town Board votes unanimously to establish town court

By **JEFF JELLISON**
 Publisher

The Sheridan Town Board last Monday unanimously passed an ordinance to establish a Town Court. The ordinance indicates the Court would have exclusive jurisdiction of Sheridan ordinances and jurisdiction of all misdemeanors, infractions and ordinances described in any interlocal agreement. The northwestern Hamilton County town with a population of approximately 2,700 people will elect a judge in the November 2019 election, and court would begin in January of 2020.

The larger cities of Fishers, Noblesville and Carmel are the only other communities in the county that currently have their own municipal courts.

Hamilton County Chief Deputy Prosecutor Andre Miksha told the Reporter his office only provides a Deputy Prosecutor to Car-

mel City Court. Miksha explained, of the municipal courts, Carmel is the only court that hears misdemeanor cases. Those charged with a misdemeanor in Noblesville and Fishers appear at a court located in the Hamilton County Judicial Center. Miksha also said, "When infraction defendants plead not guilty in Fishers and Noblesville, those cases are transferred to one of the Superior Courts."

When asked about how the town would fund the court, including a judge salary, Sheridan Police Chief Bob Shock said, "I don't have the answer yet. The Town is just in the starting stages of the court."

Hamilton County Elections Administrator Kathy Richardson said whoever the residents of Sheridan elect as a judge, the person must be registered to vote in a county and be an attorney in good standing admitted to the practice of law in Indiana.

State Road 32 reconstruction project being planned for downtown Westfield

The **REPORTER**

Last Tuesday, the City of Westfield and the Indiana Department of Transportation (INDOT) announced a major reconstruction of State Road 32 in downtown Westfield. The \$15 million project is a 50-50 cost split between the city and the state. The Westfield City Council approved an interlocal agreement paving the way for the collaboration. "Partnering with the state on this work is a huge win for our city," said Westfield Mayor Andy Cook. "Anyone coming in to Westfield knows that something needs to be done to State Road 32. It simply cannot safely and efficiently handle the traffic of a growing community."

"INDOT's position has always been to work in collaboration with local communities when it comes to the future of the way people and goods move on our state roads," said Todd May, District Deputy Commissioner for the Greenfield District of INDOT, who will be the state's primary point of contact for this project. "Mayor Cook and his team in Westfield are excellent partners. We look forward to working with them in developing the next phase of safe, efficient and effective transportation in this vibrant and growing community."

Cook

The State Road 32 proj-

ect will address congestion and capacity concerns along the SR 32 corridor from Shamrock Boulevard to East Street. The design process will look at all possible alternatives to provide efficient traffic flow through downtown Westfield. As part of the project, the City and INDOT will assess options to determine the best solution for all stakeholders. The Grand Junction Task Group, a volunteer citizens group, included the road improvement as an integral part of its master plan designed over the last 10 years.

"Improving the acces-

sibility to downtown Westfield is the first big step as we build the Grand Junction District—the new heart of the city," said Teresa Skelton, Executive Director of the Downtown Westfield Association. "Public and private sector developments are in the works but getting this commitment from the city and state is critical. This is exciting for our community."

The City and INDOT, in a collaborative Request for Proposals process, selected American Structurepoint for Engineering and Design services. A topographic survey and traffic data collection will begin this fall, followed by roadway design. Construction is expected to begin in late 2022 with a completion date in early 2024.

WTHR among litigants . . .

HSE school district, Fishers football coach now facing lawsuits

The **REPORTER**

The Indianapolis Star reported last Thursday that a former Fishers High School student has filed a lawsuit against Fishers varsity football coach Rick Wimmer and the Hamilton Southeastern School District.

The original article indicated Jayden Bond and his mother, Joniece Brooks, are the complainants in the federal lawsuit. Both allege Wimmer of "knowingly and intentionally touching Bond in a rude, insolent or angry manner when Bond was late for class. The report also indicates Wimmer kicked Bond off the football team. The lawsuit alleges Wimmer's actions were racially discriminatory. A statement issued by the Hamilton Southeastern School District reads, "We are aware of a civil complaint regarding allegations from 2016 involving a teacher and a former student. The allegations were thoroughly investigated by HSE as well as law enforcement. We addressed the allegations. Law enforcement did not pursue any action. We are reviewing the civil complaint with legal counsel and do not plan to discuss the pending litigation outside of the court process."

According to the Star,

the lawsuit seeks monetary damages and training for employees.

On Friday, the Hamilton County Reporter has learned Indianapolis television station WTHR Channel 13 filed a lawsuit against the Hamilton Southeastern School District.

According to court documents on June 8, 2018, lawyers for WTHR filed the suit after a year-long investigation conducted by veteran reporter Bob Segall.

Visit tinyurl.com/WTHR-HSE-lawsuit to read a copy of the lawsuit.

Segall's investigation focused on Indiana public school teachers and staff being suspended, placed on administrative leave, moved or resigning with little to no information being provided to the public to explain the changes.

A part of Segall's investigation included the suspension of Fishers High School football coach Rick Wimmer.

Segall and WTHR allege the Hamilton Southeastern School District, after several requests, refused to produce a factual basis for Wimmer's suspension and to provide access to certain information in Wimmer's personnel file; information Segall and WTHR believes is public.

Husky Fall Resource Festival set for next Tuesday

The **REPORTER**

The community is invited to attend the third annual Husky Fall Family Resource Night from 5 to 7 p.m. on Tuesday, Oct. 23 at the Hamilton Heights Primary School cafeteria.

The family-friendly event will feature over 30 tables hosted by members of the community to share of their time and resources to support social-emotional learning, mental health, medical care, special education resources, community classes and much more.

Attendees of all ages are encouraged to wear their costumes to treat-or-treat at each table. There will also be face painting and crafts, give-a-ways, special guest storytellers and free books.

Members of the Kiwanis' K-Kids Club will be collecting non-perishable food donations for Thanksgiving baskets during the festival. The list of items being collected include cans of French style green beans, stuffing mix, instant mashed potatoes, muffin mix, French-fried

Photo provided

Husky Fall Family Resource Night is designed for families to enjoy a fun-filled evening and learn about giving support and/or programs and services available through community partners.

onions, brownie mix, cans of pumpkin, cans of turkey gravy, cans of cranberry sauce and cans of cream of mushroom soup. The event, sponsored by Hamilton Heights Youth Assistance Program, is free and open to the public. Hamilton Heights Primary School is located at 25350 State Road 19, Arcadia.

Cicero kicks off Façade Improvement Project

The REPORTER

The Town of Cicero held a ribbon cutting to kick off the start of the Town's Façade Improvement Project last Tuesday. The Town received a Main Street Revitalization Program (MSRP) grant through the Indiana Office of Community and Rural Affairs (OCRA) for \$403,000, along with a Historic Preservation Grant in the amount of \$142,216 to complete a Façade Improvement project. This project includes 13 buildings along West Jackson Street from State Road 19 to Main Street.

In attendance for this ceremony was OCRA, town officials, business owners, the Town of Cicero's Indiana Main Street organization Our Town Cicero and area residents.

"This project demonstrates how key partnerships and continual collaborations can help come together to revitalize a downtown and enhance economic development," said Jodi Golden, OCRA Executive Director.

Community members gathered on Tuesday for a ribbon cutting to kick off the Town of Cicero's Façade Improvement Project.

Buildings included in the project

1 W. Jackson St.	90 W. Jackson St.
10 W. Jackson St.	99 W. Jackson St.
30 W. Jackson St.	109 W. Jackson St.
40 W. Jackson St.	110 W. Jackson St.
47 W. Jackson St.	120 W. Jackson St.
60 W. Jackson St.	220 W. Jackson St.
64 W. Jackson St.	

"I applaud the leadership team in the Town of Cicero for the dedication and commitment shown throughout this process and ensuring these improvements move forward."

Town Council President Rusty Miller also cut the ribbon, adding, "This project has been a great partnership with the Town of Cicero, the State through their grant programs, Our Town Cicero, and the 13 building owners who committed matching funds for their projects. These improvements will help the community in its revitalization efforts of the downtown area and will continue the Town's efforts in enhancing its quality of place and economic development within Cicero."

Cicero's grant administrator for this project is Tina Henderson with Mendenhall and Associates, the architect for the project is R & B Architects located in Indianapolis, and the project contractor is RenCon Services based in Pendleton. RenCon has set up a project

headquarters located in the gravel lot at 150 W. Jackson St., which is where the former town offices were located. Details on the project, including updates, before and after photos, progress reports, etc., will be made through Cicero's website beginning the week of Oct. 15.

The businesses will remain open during project construction, so please continue to enjoy the wonderful restaurants and shops located in downtown Cicero.

"A priority for us is to make sure that all businesses are able to remain open during construction," said Lance Stephenson with RenCon Services. "A plan has been developed and we will work with the Town and the building owners to communicate progress and updates to the public during construction."

The project is anticipated to begin this week and will end in May 2019.

For more information on the Town of Cicero and the Façade Improvement Project, visit cicero.in.org.

Donations needed for Fishers police officer Binh Dennis

By LARRY LANNAN
LarryInFishers.com

Fishers Police Officer Binh Dennis remains in critical condition following an off-duty motorcycle accident in Brown County.

The officer's medical team has performed multiple surgeries to save his life and provide him the highest possible quality of life in the future. Officer Dennis has proven to be a fighter, and local police officials say there are many reasons to believe that someday he will be able to turn this tragedy into triumph.

Binh's road to recovery is going to be very long with many ups and downs. This life-changing incident has and will continue to take a financial toll on the Dennis family. Binh's family has established a fundraiser allowing people to make monetary donations which will help ease the financial burden during Binh's recovery. You may make a donation a tinyurl.com/Donate-Binh-Dennis.

Police officials warn that there are scam artists taking advantage of this situation, therefore they recommend using the link above to make any donation to the Dennis family.

Noblesville School Board candidate Durm injured vacationing in Mexico

The REPORTER

Noblesville School Board candidate Brian Durm was injured while vacationing with his family in Cancun, Mexico.

According to a GoFundMe page established to assist with medical expenses, Durm fell, causing a tremendous amount of trauma to his head, lungs, spinal column as well as breaking his arm.

The page stated, "The damage to Brian's head is quite severe, so much so that he needed the pressure drained from brain to survive. His left orbital bone is completely fractured and there is fear of him losing his vision."

The page indicated Durm spent a week in a hospital in Cancun until he was transported via medevac to an Indianapolis Neurological Intensive Care Unit.

To learn more about Durm or to donate to his medical expenses, visit tinyurl.com/GoFundMe-Durm.

Christ's Community Church, Mended Hearts donate AED to Atlanta Fire Department

Photo provided by Jennifer Farley

On Saturday, Oct. 6, Mended Hearts partnered with Christ's Community Church, 13097 Allisonville Road, Fishers, for a health fair and fundraiser. At that event, the church donated an automated external defibrillator (AED) to Mended Hearts in appreciation for their work in making the health fair a success. Then, on Saturday, Oct. 13, the Atlanta Volunteer Fire Department received that same AED as part of Mended Hearts' program of donating AEDs to Hamilton County non-profits. Chief Jerry Liston told The Reporter his department is very grateful to Linda Mason from Mended Hearts for selecting Atlanta to receive this gift. (From left) Josh Johnson, Kevin Sloderbeck, Sara Johnson, Fred Farley, Atlanta Fire Department Chief Jerry Liston, Hamilton County Mended Hearts President Marv Norman, Mended Hearts Assistant Regional Director Linda Mason, Bob Poplin of Christ's Community Church and Gerald Siler.

Bringing nature to preschoolers at Westfield Washington Schools

The REPORTER

Westfield Washington Township (WWT) is collaborating with Westfield Washington Schools (WWS) to bring nature and parks into the preschool classrooms. Preschool students are not yet old enough to take a field trip to MacGregor Park, so the township decided to bring the field trip to them.

Kristy White, Director of Education for the township, will visit the eight All Aboard classes once a month through the school year. Kristy has over 10 years of experience teaching preschool enrichment programs at the township.

“We hope to bring na-

ture-related themes into the All Aboard program as well as other preschool related topics,” said White.

Research has shown that introducing young children to nature can promote creativity, reduce anxiety and increase their interest in the environment. The township’s goal is to work with WWS to help build an environmental education program that will get children excited about nature and outdoor space so as they get older they will be interested in visiting passive nature parks such as MacGregor Park.

“Strong partners like Westfield Washington Township allow us to

broaden our students’ educational experience beyond the classroom,” said Marci Derado, Director of Student Support Programs for Westfield Washington Schools. “Plus, the students have really enjoyed the interactive and engaging presentations from the township staff! Developing multi-municipality relationships such as this is important to WWT and we hope to expand the program in the future to include more elementary-aged students.”

For more information on Westfield Washington Township, please visit westfieldwashingtonwp.us.

The goal is to encourage excitement about nature and the environment.

German craftsmanship comes to Carmel

By **STU CLAMPITT**
ReadTheReporter.com

For 20 years Carmel had an event called Holiday at the Square. Last year the event moved to Holiday at Center Green to be a part of Christkindlmarkt, a traditional German festival. And what German festival could be complete without ceramic beer steins?

When Christkindlmarkt CEO and Market Master Maria Murphy traveled to first Germany looking for authentic crafts items to sell at Carmel’s first Christkindlmarkt, she commissioned a limited-edition ceramic stein created by Zöller und Born in Hilscheid, Germany, with relief carvings celebrating the city and the festival. This year Murphy returned to Germany to commission a new stein for Christkindlmarkt, and The Reporter had the opportunity to talk to Herr Burkhard Zöller about the history of his craft.

Zöller’s steins are all bas-relief, a form of carving in which the images appear slightly raised from a flat background to give a three-dimensional effect to the art.

“The first stein we did for them was for the Carmel Christmas market,” Herr Zöller told The Reporter. “It was a relief of the Carmel Christmas market with different buildings in your city. And now, the second stein for this year is the brand-new relief stein for Indiana.”

Zöller explained the process for creating these hand-crafted steins usually involves working from photographs provided by the customer, which was also true for both Christkindlmarkt steins.

“Our master-sculptor, Deitmar, has been doing this job for about 40 years,”

Photo provided

This commemorative Indiana stein was handcrafted at Zöller & Born in Hilscheid, Germany, and will be available at this year’s Christkindlmarkt.

Zöller said. “When he gets the images from the customer he is able to model that into clay on a clay mold. All of what we are doing is done by hand initially. Everything is done here in our own factory. First of all, the molding. Preparing that. From this very first mold we make a mother mold. From this mother mold we are able to make a mold out of plastic. And from this plastic mold we can do the forms for manufacturing.”

Last year the Carmel stein was limited to a run of 400. This year’s Indiana stein will also be limited to 400 pieces.

“These 400 are split between four different colors,” Zöller explained. “It is always the same body – the same mold – and we do it

in old blue, in a nature version that’s a little bit lighter, in a multi-colored version and in a rustic version. In each version we manufacture 100 pieces, so it is a very limited item. Carmel intends to also sell it for the next few years and the total edition will be limited to 5,000 worldwide.”

Zöller und Born has been in this business since the 1950s.

“My father and his partner founded the company in 1956 manufacturing beer steins,” Zöller said. “I was also founded in 1956, so I am as old as the company.”

Zöller und Born does not solely create limited-edition steins. They manufacture ceramic steins for various cities in Germany and throughout the world in sizes of 1/8 liter,

1/4 liter and 1/2 liter. The Carmel steins are limited editions to make them of interest to both Christkindlmarkt visitors and to collectors or ceramic art.

“There are only two small family-owned companies which are still manufacturing traditional hand-painted ceramic steins with the relief carvings here in Germany,” Zöller said. “Years before we had about 20 companies in the area. These relief steins are only manufactured in our area.”

The reason ceramic steins only coming from one area is due to the availability of the raw material, which only exists in the Westerwald. Thus the industry only exists there as well.

This German-built Glühwein Pyramid is the largest of its kind in the United States today.

Carmel Christkindlmarkt gets new attraction

The REPORTER

Carmel Christkindlmarkt will gain a new attraction this year with the Glühwein Pyramid. On Friday, the pyramid arrived for assembly at the site of Christkindlmarkt, 10 Center Green, between the Palladium and the Tarkington Theater.

The new Glühwein Pyramid is a new feature that will literally “stand tall” at the Carmel Christkindlmarkt, which will open its second season of holiday fun at Carmel’s Center Green on Saturday, Nov. 17.

This new German-built Glühwein Pyramid stands 33-feet tall and will serve as the primary point for a variety of flavors of Glühwein, the popular German sweet wine, at the market. The pyramid has never been seen before and will be the largest of its kind in America. It will weigh in at an estimated 10 tons and have more than 3,000 lights.

More than just a “pyramid,” it will serve a definite purpose: With more than a dozen taps, it will feature a variety of flavors, plus a children’s punch and a non-alcohol option – along

with two special imported craft beers.

Carmel Christkindlmarkt has partnered with Steinbach to bring this beautiful installation to Carmel for the 2018 Christkindlmarkt. Steinbach is a celebrated German company that is well known for their world-famous nutcrackers and handmade

William Allen "Bill" Pannell

April 8, 1959 – October 6, 2018

William Allen "Bill" Pannell, 59, Fishers, passed away on Saturday, October 6, 2018 at Community Hospital North in Indianapolis. He was born on April 8, 1959 to William and Shirley (Schuble) Pannell in Louisville, Ky.

Bill proudly served in the United States Army Special Forces for 24 years. He worked for AutoZone and was a member of the American Legion. Bill loved working on guns, enjoyed cars and enjoyed going to the symphony.

He is survived by his wife, Rene L. Pannell; mother, Shirley Pannell; daughter, Crystal L. Pannell (Khuram Shahzad); siblings, Rhonda Coffey (Mark), Ronald Pannell and Holly Gritton (Mark); and several nieces and nephews. Bill was preceded in death by his father, William H. Pannell.

Visitation was held on Wednesday, October 10, 2018 at Randall & Roberts Fishers Mortuary, 12010 Allisonville Road, Fishers. Graveside services followed at Highland Cemetery in Fishers shortly after the visitation.

In lieu of flowers, memorial contributions may be made to the American Cancer Society, 5635 W. 96th St., Suite 100, Indianapolis, IN 46278.

Loren Dale Musgrove

November 5, 1940 – October 6, 2018

Loren Dale Musgrove, 77, Muncie, passed away on Saturday, October 6, 2018 at Community North Hospital in Indianapolis. Born November 5, 1940 in Newton, Ill., he was the son of the late Virgil and Ruby (Jones) Musgrove.

After attending Newton High School, he proudly served his country in the United States Army Airborne Division. Loren worked for Carrier Building Services for 30 years, retiring in 2004. He was a member of the Plumbers and Pipe Fitters Union Local 440 from 1969 to 2018, and a lifetime member of the NRA. In addition to his work with Carrier, Loren also raised Belgian draft horses. Between work and his horses he had little free time, but when Loren could find the time he enjoyed going camping and trying to get in some hunting and fishing. He also had a true passion for shooting sports. He was a superior marksman in both his military career and in civilian life, winning the 1999 State Championship for shooting skeet. For Loren it was more than a hobby, it was also a chance for him to have special connection with his grandchildren. He loved talking about guns and shooting with them. His grandchildren were his life. If there was something going on in their lives, you better believe that Grandpa was going to be a part of it.

Loren is survived by his loving wife, Margaret (Stewart) Musgrove. She and Loren were married on August 31, 2004. Also surviving are his son, Dale E. Musgrove (Karen K.), Sheridan; his daughter, Jamie Sue Hottinger, Indianapolis; two step-sons, Keith Stewart (Robin), Williamston, Mich., and Mark Stewart (Lisa) of Bargersville, Ind.; step-daughter, Carol Longenecker (Kent), Sheridan; 11 grandchildren, Meegan Clifton (Lloyd), Elizabeth Lehman (Ryan), Emily Musgrove, Dale Musgrove, Steven Longenecker (Stacee), Kathie Ravenscroft (Julian), Ruth Cooper (Joel), Tom Stewart, Bethany Pendell (David), Emily Stewart and Nathan Stewart; five great-grandchildren; and two sisters, Beulah Shadle, Effingham, Ill., and Doreen Clow (David), Washington Court House, Ohio.

He was preceded in death by his parents; one brother, Vernon Musgrove, and one sister, Louise Powers.

Services were held on Thursday, October 11, 2018 at Kercheval Funeral Home, 306 E. 10th St., Sheridan, with visitation prior to the time of service. Graveside services were held on Sunday, October 14, 2018 at Mound Cemetery in Willow Hill, Ill.

Memorial contributions may be presented to either the Multiple Myeloma Research Foundation or to the American Cancer Society.

Ned E. Startzman

May 13, 1928 – October 10, 2018

Ned E. Startzman, 90, Noblesville, passed away on Wednesday, October 10, 2018 at Bridgewater Healthcare Center in Carmel. He was born on May 13, 1928 to Everett and Helen (Ridge) Startzman in Arcadia.

Ned proudly served in the United States Army. He was a bookkeeper for Hoosier Dairy, Renner's Trucking and Dodd's Townhouse. Ned was a member of Holy Rosary Catholic Church in Indianapolis.

He is survived by his sister, Dixie Huffman; brother, Larry (Geraldine) Startzman; sister, Susann (Jim) Macy; brother, Lyman (Patricia) Startzman; several nieces and nephews; as well as many great- and great-great nieces and nephews; and special friends, Donita Smith, Eric Slaughter and Henry Amour.

In addition to his parents, he was preceded in death by his sister, Jacquelyn Akers; and special friend, John Huffman.

A Latin Mass will be held at 1 p.m. on Saturday, October 20, 2018 at Sacred Heart of Jesus Catholic Church, 410 S. Pearl St., Cicero, with Father Andrew DeKeyser officiating. Visitation will be from 4 to 8 p.m. on Friday, October 19, 2018 at Randall & Roberts Funeral Home, 1150 Logan St. in Noblesville. Burial will be at Arcadia Cemetery in Arcadia.

Memorial contributions may be made to Our Lady of the Most Holy Rosary Church, 520 Stevens St., Indianapolis, IN 46203.

Condolences: randallroberts.com

Frederick Eugene "Fred" Delph

September 12, 1945 – October 7, 2018

Frederick Eugene "Fred" Delph, 73, Sheridan, passed away Sunday evening, October 7, 2018 surrounded by his loving family at Riverview Health in Noblesville. Born September 12, 1945 in Ekin, Ind., he was the son of the late Luther K. Delph, Jr. and Norma Jean (Tudor) Delph.

After graduating from Tipton High School with the Class of 1964, Fred entered the workforce. He worked as a machinist for Firestone, FMC in Tipton for 18 years, and for Biddle's in Sheridan; retiring in 2008 after 23 years with the company. Fred also worked as a self-employed carpenter and roofer. For several years he worked with his brother Stan doing construction projects. One of the many projects he helped with over the years was the construction of the Ekin Odd Fellows Lodge building. Fred was a member of the Odd Fellows Lodge in Ekin, as well as a member of the East Union Christian Church.

Fred leapt at just about every opportunity he had to go camping. It gave him some time to get in a little hunting and fishing, but more importantly, it gave him the chance to showcase his collection of very unique signs that would hang from the back of his camper; JUST ASK DAN.

Fred was also an Indianapolis Colts fan, as long as they were winning. He loved to race stock cars and was a huge Jeff Gordon fan. NASCAR just wasn't the same for Fred when the #24 car quit racing.

Family played a very important role in Fred's life. He spent many years coaching little league when his boys were young and a lifetime following his children's, grandchildren's, nieces' and nephews' activities. That was no small task.

Fred is survived by his loving wife Judith "Judy" (Duchemin) Payne-Delph. She and Fred were married on November 25, 1991. Also surviving are his two sons, Bill Delph, Atlanta, and Dan Delph (Robbi), Tipton; two step-sons, Johnny Payne (Lori) and Brian Payne (Elizabeth), both of Sheridan; step daughter, Angie Barnard (Phil), Beech Grove; nine grandchildren, Derrick, Dawn, Jennifer, Isabel, Jackson, Kasey, Brody, Riley and Samuel; 11 great-grandchildren; one sister, Diana Gunkel (David "Skip"), Tipton; brother-in-law, Larry Starrett, Cicero; and his sister-in-law, Shirley Delph, Arcadia. "Mr. Fred" (as he was affectionately known to his nursing staff) is also survived by his granddogs, whom he loved very much.

He was preceded in death by his parents; two brothers, Stan J. and Jimmy Allen Delph; and two sisters, Judy Pearson and Wanda Starrett.

Services were held on Saturday, October 13, 2018 at Kercheval Funeral Home, 306 E. 10th St., Sheridan, with visitation prior to the time of service. Burial followed at East Union Cemetery in northern Hamilton County. Pastor George Cooper officiated.

Memorial contributions may be presented to the American Cancer Society.

Edwin Gene Gilliatt

February 15, 1936 – October 7, 2018

Edwin Gene Gilliatt, 82, Fishers, passed away on Sunday, October 7, 2018 at Community Hospital North in Indianapolis. He was born on February 15, 1936 to Fred and Ocie (Hollen) Gilliatt in Taswell, Ind.

Gene proudly served his country in the United States Army and was a lifetime member of the American Legion. He received a Bachelor of Accounting degree from Butler University and retired in 1998 after 30 years as a CPA for the IRS. Gene had a passion for attending worship, was a past member of Fairview General Baptist Church and a current member of ITOWN Church.

He loved being out in nature, especially in Southern Indiana, and loved gardening and planting trees on the acres he owned. Gene was proud of the restoration of a historic home that is on a mural in the Dubois County Museum. He loved working crossword puzzles, enjoyed researching family ancestry, and loved storytelling. He was very involved with his grandkids and always attended their activities.

Gene is survived by his wife of 62 years, Jeanie Austin Gilliatt; daughters, Lola (Richard) Wiebe and LaVon (Michael) Wade; sisters, Helen Atwood and Lillie Mae (Nova) Newton; five grandchildren, Brian (Michelle) Wiebe, Diana Wiebe, and Abigail, Brooke and Jenna Wade; great-granddaughter, Nicolette Wiebe; and best friend, James Enlow.

In addition to his parents, he was preceded in death by his baby brother, Carrol Gilliatt, brothers, Nova Gilliatt and Orel Gilliatt; and sister, Claris Bowles.

Services were held on Saturday, October 13, 2018 at Fairview General Baptist Church, 5560 W. Patoka School Road, Eckerty, Ind., with visitation one hour prior to the service. Rev. Al Madden officiated. Burial with military rites followed at Birdseye Cemetery in Birdseye, Ind. Following the graveside service, a meal was provided at the Fairview General Baptist Church.

Gene's family has entrusted his care to Randall and Roberts Funeral Homes in Fishers.

Memorial contributions may be made to Fairview General Baptist Church, 5560 W. Patoka School Road, Eckerty, IN 47116; or ITOWN Church (directed to the new building fund), 9959 E. 126th St., Fishers, IN 46038.

Sharon Rose King

December 22, 1930 – October 9, 2018

Sharon Rose King, 87, Noblesville, passed away on Tuesday, October 9, 2018 at Community Hospital North in Indianapolis. She was born on December 22, 1930 to Arthur and Clementine (Thompkins) Avery in Noblesville.

Sharon was a graduate of Noblesville High School and worked in customer service for PSI Energy. She was a member of Bethel A.M.E. Church.

Sharon is survived by her daughter, Terri (Jeffrey) Woodard; son, Steve (Valerie) King; sister, Marva Mitchell; three grandchildren; and one great-grandchild.

In addition to her parents, she was preceded in death by her husband, Donald King; daughter, Debra King; and brother, Bruce Avery.

Services were held on Monday, October 15, 2018 at Randall & Roberts Funeral Home, 1150 Logan St., Noblesville, with visitation prior to the time of service. Rev. Mallory H. Tarrance officiated. Burial was at Riverside Cemetery in Noblesville.

Memorial contributions may be made to Bethel A.M.E. Church, 17777 Little Chicago Road, Noblesville, IN 46062.

Condolences: randallroberts.com

Sharon Ann Marsh

November 8, 1943 – October 10, 2018

Sharon Ann Marsh, 74, Mechanicsburg, passed away Wednesday, October 10, 2018 at her home. She was born November 8, 1943 in Rockport, Ky., to the late Glenn and Rosie (Vernon) Robinson.

Growing up in New Castle, Sharon attended Weir Elementary and New Castle Chrysler High School. She married Rusty Marsh on March 20, 1961 and they had four children. Sharon retired from the United States

Postal Service in Anderson. They moved their family to Mechanicsburg and started Marsh Deer Processing which they still own and operate, now known as Maddie Moo's Custom Meats. She loved cooking wild game and was known for cooking turtle. Sharon loved spending time with her family and was known as "Big Momma."

She is survived by her husband of 57 years, Rusty Marsh, Mechanicsburg; children, Larry (Lynn) Marsh, Sulphur Springs, Brian (Anita) Marsh, Middletown, Mila (Chris) Weber, Mechanicsburg, Kevin (Corie) Marsh, Markleville; grandchildren, Marissa Weber, Terra Weber, Makayla Swinford, Sky Marsh, Maddie Marsh; great-grandchildren, Aubrey and Weston; sister, Christine McShirley, Bluffton; and several nieces and nephews.

In addition to her parents, she was preceded in death by her step-mother, Mary Lou Robinson, and siblings, Gene Fred, Henrietta Ward and Charlie Robinson.

Services will be at 1 p.m. Tuesday, October 16, 2018 at Hinsey-Brown Funeral Service in New Castle with Rev. Dr. Charles R. Shumate officiating. Burial will follow in Mechanicsburg Cemetery. Visitation was held on Monday, October 15 at the funeral home.

You may express condolences or share a memory of Sharon at hinsey-brown.com.

Linda Lou McGhee

February 22, 1943 – October 8, 2018

Linda Lou McGhee, 75, Noblesville, passed away on Monday, October 8, 2018 at her home. She was born on February 22, 1943 to Ethmer and Blanche Kiger.

For over 25 years, Linda worked as a medical secretary, starting out as a typist at Riverview. She loved to travel and enjoyed playing cards with friends. Linda loved her dogs and bird watching. She was a member of First Christian Church for many years.

Linda is survived by her son, Edward McGhee; daughter, Nicole McGhee; sister, Louise Kunkle; brother, Paul Kiger; grandchildren, Jessica Stephenson and Kaitlyn Pin-gree; several nieces and nephews.

In addition to her parents, she was preceded in death by her husband, Andrew John McGhee; brother, Duane Kiger; and grandson, Scott McGhee.

Visitation was held on Sunday, October 14, 2018 at Randall & Roberts Funeral Center, 1685 Westfield Road, Noblesville. Burial was at Crownland Cemetery in Noblesville.

Condolences: randallroberts.com

David Chandler Parkes

January 3, 1947 – October 5, 2018

David Chandler Parkes, 71, Fishers, passed away Friday, October 5, 2018. He was born on January 3, 1947 in Washington, D.C., to Lester Chandler and Florence Elizabeth Foot Parkes.

After graduating high school, David attended Indiana Wesleyan University where he received the Master of Arts, with emphasis on Pastoral Care, graduating with a 3.8 grade point average.

He continued his education at Kernersville Wesleyan College where he received the Bachelor of Arts in Biblical Literature.

Dave was a pastor for more than 30 years but considered all the work he did a ministry. After a long career in church ministry, he began working as a funeral prearrangement specialist for local mortuaries, including Shirley Brothers Mortuaries in Fishers, Miller-Moster-Robbins Funeral Home in Connorsville, Randall and Roberts Funeral Homes in Noblesville, and in September 2018, he began working at Seals Funeral Home in Fortville.

As a Certified Chaplain with the Indiana Sheriff’s Chaplaincy Conference, Dave co-founded the Hamilton County Sheriff’s Chaplaincy, where he found great joy as a volunteer for many years, providing pastoral care for families and individuals in crisis.

In 2018, Dave began working as a funeral coordinator and minister at Grace Church in Noblesville and created resources and processes that are now being used to coordinate his own funeral.

David adored his wife, Judy, with whom he celebrated 50 years of marriage in June of this year. Family gatherings with his children and grandchildren were among his most treasured memories. He never missed his kids’ or grandkids’ special programs, games, plays or musicals.

David was a gentle giant, who spent his life caring for people. He never met a stranger and loved hearing others’ stories as much as he loved telling stories.

Dave had a disarming sense of humor and loved to laugh, tell stories and quote funny movies. But most every conversation with him eventually led back to the one thing he cared about most: his abiding faith in God. His life had been transformed by Eternal Love, and he wanted everyone he met to experience that unconditional love.

Always quick to offer help to anyone who had a need, Dave had an innate gift for comforting people during the darkest moments of their lives. He was captivating and compassionate toward anyone and everyone, always making room in his heart for more friends. He was accomplished, educated, and had a vast amount of experience in ministry and funeral work, but he rarely spoke of his own accomplishments. He chose, instead, to shine a light on others.

In addition to his parents, David was preceded in death by his infant son, Edwin Chandler Parkes, who was born on October 19, 1970, and lived for only one week.

Survivors include his loving wife of 50 years, Julian Dian “Judy” Dalton Parkes; daughters, Emily (Scott) Sutherland and Melody (Craig) Boyer; grandchildren, Jackson Sutherland, Riley Sutherland, Ashton Boyer, Avery Boyer, Eli Boyer and Izzy Boyer; sisters, Grace (Scott) Cross and Carol (Bill) Nace.

Family and friends gathered on Wednesday, October 10, 2018 at Grace Church, 5504 E. 146th St., Noblesville, IN 46060, where the Funeral Service followed.

A private burial took place on Thursday, October 11, in Highland Cemetery, Fishers.

In lieu of flowers, donations can be made to ministries that were close to Dave’s heart: Grace Church’s Japan SEND Trip, 5504 E. 146th St., Noblesville, IN 46060, or Lamplighter Ministries, 1950 E. Greyhound Pass, Suite 18-201, Carmel, IN 46033. Envelopes will be available at the service.

Bussell Family Funerals, Carmel-Westfield is privileged to assist the family with arrangements.

Jayson Clyde Caldwell II

November 7, 1979 – October 6, 2018

Jayson Clyde Caldwell II, 38, Noblesville, passed away on Saturday, October 6, 2018 in Westfield. He was born on November 7, 1979 in Marion.

Jayson worked as a heating and cooling service technician. He was a huge Colts fan and a Michael Jordan fan. Jayson was a big teddy bear who was very loving and would do anything for anyone. He really loved his kids. Jayson was loved greatly and will be missed by all!

He is survived by his mother, Becky Salazar Krieger; father, Jayson (Rita) Caldwell; children, Claudia Caldwell, Corey Caldwell, Zoey Caldwell and Bailey Caldwell; siblings, James (Amber) Caldwell, Sunshine (Eric) Whitlow, Candie (Matt) Hazelwood, Courtney Ooley, Randi (Christian) DesJardin, Travis (Kandyce) Hall, Justin (Emily) Hall, Sabrina Kinkead, Samuel Kinkead, Daniel Kinkead and Sandy (Mike) Calhoun; fiancée, Melinda Colyer; grandmother, Barbara Ann Caldwell; and several nieces and nephews.

Jayson was preceded in death by his brother, Corey Caldwell; grandparents, Joan and Dario Salazar; grandfather, J.C. Caldwell; aunt, Gloria Taylor; brother-in-law, Stephen Ooley; and nephew, Caleb Whitlow.

Visitation was held on Friday, October 12, 2018 at Randall & Roberts Funeral Home, 1150 Logan St., Noblesville. Services were held on Saturday, October 13, 2018 at the funeral home, with Pastor Don Bartemus officiating. Burial was at Crownland Cemetery in Noblesville.

Memorial contributions may be made to any heroin addiction program.

Condolences: randallroberts.com

Jack Gerald Badger

June 29, 1937 – October 9, 2018

Jack Gerald Badger, 81, went to his eternal home on October 9, 2018, after a five-year illness with Primary Progressive Aphasia. He was born on June 29, 1937 in South Bend, Ind., and was the son of Harry T. Badger and Marjorie (La-Mar) Badger, both deceased.

He married his high school sweetheart, Ila (Reeve) Badger in 1959. His two sons, David Reeve Badger and Mark Thomas Badger preceded him in death. He is survived by his wife of 59 years and two daughters, Cheryl Kazmierzak and husband, Roy, and Lisa Badger. He was the proud grandfather of Kyle Hans Bush and Ashley Laca and husband, Michael. Jack was also a great-grandfather to twins, Brynn Noel Laca and Jax Conrad Laca. He has two surviving brothers, Robert Badger (Liliane) of Virginia, and Rob Lane (Gina) of South Carolina.

Jack graduated from John Adams High School in South Bend (’55), Ball State University (’60) and from the Harvard Business Program for Management Development (’79). He was a member of the Sigma Phi Epsilon Fraternity and Blue Key Honorary Fraternity. Jack started his career in education, then worked for 3M Co. in Minnesota. In 1968 he was hired by Steel Parts Corp. in Tipton and retired as Vice President of Marketing after 34 years.

In 1968 Jack moved his family to a little town in Indiana called Carmel, population 3,500. Carmel was immediately his beloved hometown. Jack was always a proud ambassador and promoter of Carmel. After family and faith, the three words that best described Jack were integrity, loyalty and service. God blessed Jack with many talents and abundant energy and he loved using them at home and through volunteering for worthy organizations including, but not limited to, the Carmel High School Athletic Program, CarmelFest Spark Buttons, he served on the Carmel Redevelopment Authority, the Indiana Donor Network, the Board of Donate Life Indiana, the Center for the Performing Arts, Woodland Springs Homeowners Association, and the Carmel United Methodist Church; but the project that was dearest to his heart was being the Development Chairman of the Carmel Dads’ Club Mark Badger Memorial Park that was named in honor of his son.

With heartfelt gratitude our family wants to thank our friends, our church family and the Carmel community for your outpouring of love, support and prayers. And special thanks to Anna Howard, Managing Attorney, who guided us through this journey, and Dr. William Arnold and Dr. David Spangler for their compassionate care of Jack. We are blessed.

Services will be held at Carmel United Methodist Church where Jack was an active member for 50 years. Visitation will be from 4 to 7 p.m. on Thursday, October 18, and a service will be held at 1:30 p.m. on Friday, October 19.

If desired, in lieu of flowers a contribution to the Carmel Dads’ Club would honor Jack and be greatly appreciated by the youth of Carmel. Please visit flannerbuchanan.com to sign the online guest register.

Arrangements were entrusted to Flanner Buchanan – Carmel.

Earn your amateur radio license

The REPORTER

A free all-day amateur radio license class will be given on Saturday, Oct. 27 at the Hamilton County Emergency Operations Center, 18100 Cumberland Road, Noblesville. Attendees should enter the main doors at the Sheriff’s Office (located near the flags).

The class will start at 8 a.m. and review the information needed to pass the entry-level Technician Class license which will be given at 4:30 p.m. The test will consist of 35 multiple-choice questions and will be graded by ARRL Volunteer Examiners on site. While the class is free, there is a \$15 administrative fee for the exam and license processing by the ARRL, the National Association of Amateur Radio. Two forms of identification (one with photo) will be required.

The class will be conducted by instructors from the Hamilton County Radio Amateur Civil Emergency Service and the Central Indiana Amateur Radio Association. Participants are requested to review the ARRL Technician License Manual and take free online exams at these websites before the class to be familiar with the materials presented: arrl-examreview.appspot.com, eham.net/exams, or qrz.com/hamtest.

Topics covered will include: FCC Rules, descriptions, and definitions for the Amateur Radio Service, operator and station license responsibilities; operating procedures; radio wave characteristics and propagation

modes; amateur radio practices and station equipment and set-up; electrical principles; common transmitter and receiver problems; amateur satellite operation; operating activities; non-voice and digital communications; antennas and installation, electrical safety; AC and DC power circuits and more.

When severe weather is forecast to impact Hamilton County, the meteorologists of the National Weather Service, local television stations and the Hamilton County Emergency Operations Center rely on a trained cadre of severe storm spotters to provide the “ground truth” of dangerous, damaging weather phenomena. Many of them are first responders and licensed radio amateurs transmitting real-time observations directly to the Emergency Operations Center using their base, mobile, or hand-held VHF and UHF radios.

Currently licensed amateur radio operators wishing to upgrade to General or Amateur Extra Class are welcome to test during the 4:30 exam session. Information will also be available about volunteer opportunities with RACES, Emergency Management and joining the Central Indiana Amateur Radio Club.

For more information or to register, contact Joe March, RACES Coordinator for the Hamilton County Emergency Management Agency by emailing Joe.March@hamiltoncounty.in.gov or by calling 317-224-9433.

Help put AEDs in Indiana State Police patrol cars . . .

Participate in Bolt for the Heart Fun Run in Carmel

The REPORTER

Are you looking for a fun way to get some exercise and help put an Automatic External Defibrillator (AED) in Indiana State Police patrol cars? The “Bolt for the Heart” 5K fundraising event is held at 9 a.m. every year on Thanksgiving Day on the Center Green in Carmel.

If you can't make the Thanksgiving Day run in Carmel, you can sign up to do the 5K Virtual Run, which you can do anytime and anywhere between now and Thanksgiving. You receive a medal and runner's bib for signing up for the run, with options to buy shirts and hats.

For a local option, you can join Pendleton Troopers as they run 3.1 laps around Baker Park between 7 and 10 a.m. on Saturday, Oct. 20. A trooper will be present on the east side of Baker Park from 7 to 10 a.m. to answer any questions about AEDs.

If you don't want to run but would still

like to help out, you can do so by making a donation of any amount. To register and do a Virtual Run or to make a donation in any amount, visit boltfortheheart.com. All funds raised from the run or donations will go towards the purchase of additional AEDs for law enforcement.

The self-paced 5K run is a great way to put down the electronics and do something fun as a family, all while supporting a worthy cause that could save a life.

Lt. Tony Delello, commander of the Pendleton State Police Post said, “We are grateful for the partnership with Bolt for the Heart and appreciate the community support to raise funds for this life saving equipment. We know everyone has busy schedules, so if you can't join us on the run date, we hope you'll consider a donation of any amount to help reach our goal.”

About Bolt for the Heart

Bolt for the Heart is a non-profit or-

ganization serving Indiana. Heart Reach Carmel was established in 2010 by Pierre Twer and friends and is an extension of Heart Reach Michiana, which was founded by Dr. Walt Halloran and friends in 2004. Heart Reach was established to keep monies raised locally to stay locally and impact the community close to home.

About AEDs

An AED is a portable Automated External Defibrillator used to restart someone's heart in the event of sudden cardiac arrest (SCA). Each year sudden cardiac arrest kills 335,000 people of all ages and fitness levels without warning. Ninety-five percent of those who suffer from a SCA die because CPR and defibrillation usually occur too late, if at all.

If the first person on the scene knew CPR and applied an Automated External Defibrillator within five minutes, the AHA

estimates that at least 40,000 more lives per year could be saved. Calling 911 and performing CPR are not enough. Most victims need an electric shock called defibrillation to restore the heart to a regular rhythm. By placing these devices in the hands of first responders and trained individuals in public locations, the chances of survival are increased.

About BFTH's partnership with ISP

Since 2015, Bolt for the Heart has partnered with the Indiana State Police with the stated goal of placing an AED in ISP patrol cars. Thus far more than 200 AEDs have been purchased and placed into service with the Indiana State Police. In 2017, 3,000 participants help donate 97 AEDs to Indiana State Troopers. The goal for 2018 is to raise \$200,000 to purchase 134 AEDs to “finish the job” by putting an AED in every State Police patrol car.

HSE school board reviews local ISTEP data

By LARRY LANNAN

LarryInFishers.com

The State of Indiana released ISTEP data to local school corporations recently, and Hamilton Southeastern (HSE) Schools Assistant Superintendent Jan Combs reviewed highlights of those numbers with the school board last Wednesday night.

When breaking down the math, Combs said there are six examples where HSE Schools as a whole saw an increase in test performance, but the entire state's scores went down. Examples were English Language Arts among fourth graders, grade four math, English Language Arts in grade six, math in grade six and English Language Arts in grade seven, as well as math in grade seven.

There was one example where state scores increased and HSE as a school district went down, and that was in math for eighth graders.

Combs cited one area of concern in the ISTEP results for 10th-grade students

A Look At Hamilton County ISTEP Results	
Math & English Language Arts	
Grade 3-8	Percent Pass
Carmel Clay Schools	79.6%
Hamilton Southeastern Schools	73.5%
Noblesville Schools	68.0%
Westfield-Washington Schools	66.8%
Hamilton Heights School Corp	56.2%
Sheridan Community Schools	52.5%
Math & English Language Arts	
Grade 10	Percent Pass
Carmel Clay Schools	70.3%
Hamilton Southeastern Schools	56.3%
Westfield-Washington Schools	51.0%
Noblesville Schools	46.5%
Sheridan Community Schools	37.9%
Hamilton Heights School Corp	31.8%

Graphic provided

in both math and English Language Arts – state scores were down, HSE district scores also were down, but the HSE students dropped more than the state. Administrators are looking at what changes, if any, need to be made in analyzing these test scores.

Dr. Combs did a deep dive into test performance gaps by analyzing data into racial groups, including white, black, Asian, Hispanic and multi-racial. The data shows there continues to be academic gaps among some of the groups, but some are shrinking. She emphasized that there are still gaps, and there is still work to do in order to further reduce

these gaps.

Superintendent Allen Bourff performed a demonstration for board members on how new data mining programs can be used to find specific numbers.

Combs reminded board members this will be the final time schools will receive ISTEP test scores. The next set of results will come from the new ILEARN test.

HSE adopts \$242.8M 2019 spending plan

By LARRY LANNAN

LarryInFishers.com

The Hamilton Southeastern School Board held a public hearing in September on its \$242.8 million 2019 budget, and no one chose to speak.

Last Wednesday night, board members unanimously approved the 2019 budget blueprint.

HSE Chief Financial Officer Mike Reuter told the board rules are changing on how school boards choose to spend their money. For example, what was

once called the General Fund is now known as the Education Fund.

School boards across the state will have much more flexibility on how they spend money within those funds, according to Reuter. Boards may move money between these various funds more easily under revised state statutes.

All the numbers are not yet in from the county, but Reuter says his projections show the HSE school tax rate will likely go down by about 1 cent per \$100 of assessed value in 2019.

Early voting numbers second only to 2016

The REPORTER

Hamilton County Elections Administrator Kathy Richardson reported 584 people voted on the first day of early voting.

This year's count exceeds the first day of early voting in the 2014 midterm

election, which recorded only 61 total votes.

Also, according to Richardson, the 584 votes filed last Wednesday ranks second to the first day of early voting during the 2016 presidential election, which tallied 898.

Public Notices

NOTICE TO PROPERTY OWNERS OF PUBLIC HEARING

Board of Zoning Appeals City of Noblesville, Indiana

This notice is to inform you of a Public Hearing that will be held by the Noblesville Board of Zoning Appeals on the 5th day of November, 2018. This hearing, to discuss application **BZNA 0169-2018 / BZNA 01842018 / BZNA 0185-2018 / BZNA 0186-2018**, will begin at 6:00 p.m. in the Common Council Chambers, Noblesville City Hall at 16 South 10th Street. The application submitted by Nathan & Meghan Stallings (property owner/applicant) requests that approval be granted to a Variance of Use application pursuant to UDO § 8.B.2.B and Appendix C to permit an event barn in the R1 (Low Density Single Family Residential) zoning district; Variance of Development Standards application pursuant to UDO § 10 to waive parking lot design and improvement standards for the proposed parking area and driveway; Variance of Development Standards application pursuant to UDO § 12 to waive landscaping requirements; and Variance of Development Standards application pursuant to UDO § 9.B.2.C.3 to exceed the maximum combined square footage of all accessory structures for a 15.84 acre property (4,000 square feet allowed; 7,000 SF requested) on the property located at 20468 Cumberland Road.

Written suggestions or objections relative to the application above may be filed with the Department of Planning and Development, at or before such meeting, and will be heard by the Noblesville Board of Zoning Appeals. Interested persons desiring to present their views, either in writing or verbally, will have an opportunity to be heard at the above-mentioned time and place.

This hearing may be continued from time to time as found necessary by the Noblesville Board of Zoning Appeals. A copy of the proposal is on file in the Department of Planning and Development at 16 South 10th Street, Suite 150 and may be reviewed during regular office hours: 8:00 a.m. to 4:30 p.m. A copy of the file may also be viewed on the Department of Planning website, <http://www.cityofnoblesville.org/planning>, by clicking the Boards & Committees button, clicking the icon on the map relating to this location and selecting the application materials link.

HSE Schools, Conner Prairie enter into 5-year contract for teacher-in-residence

By LARRY LANNAN

LarryInFishers.com

The Hamilton Southeastern (HSE) School Board last Wednesday night formally approved a five-year contract with Conner Prairie, allowing a teacher-in-residence to conduct special lessons for fourth-grade students in all 12 HSE district elementary schools.

The contract was many months in the making, with several proposals sent back and forth between the school board and the Conner Prairie board.

Fishers Mayor Scott Fadness was on hand for the

contract vote, calling himself more of a cheerleader on the sidelines on this project, urging both sides to get this agreement.

“Integrating our community into the classroom, and our classroom into the community, is something that is a differentiator among school districts,” Fadness told school board members. The mayor said this contract is one more step in working with teachers and HSE administrators, and he says many more actions along these lines are coming.

HSE teacher Amy Murch will be the first

teacher-in-residence at Conner Prairie.

“I'll mention Amy Murch because she has literally been working side-by-side with our educators and with your [HSE's] staff and developed a dynamic curriculum,” said Conner Prairie CEO Norman Burns. “We think this will be one-of-a-kind, a national model, not only for museums but also for school systems.”

HSE officials say lessons will focus on scientific concepts of simple machines and the influence it had on transportation and life in during 1830s in Indiana. Students will be able to

investigate different transportation systems and identify concepts of force that affect their motion. They will also be constructing boats to float in the White River and designing interview questions for the interpreters in Prairie Town about what simple machines they use in their daily life.

Mayor Fadness told the board this is one step toward creating his vision of a City Wide Campus.

“The next thing is to broaden the scale of this to allow the entire business community to be a part moving forward,” Fadness said.

Church Church Hittle + Antrim partners with HCLA

The REPORTER

The Hamilton County Leadership Academy (HCLA) has announced an expanded partnership with long-time program supporter Church Church Hittle + Antrim for the 2018-2019 program year. Church Church Hittle + Antrim will serve as the presenting sponsor for all Backstage Pass events. In addition, the firm will sponsor a class session for current participants and provide table sponsorships for the Holiday Luncheon in December and the sixth annual Leadership Summit in June.

HCLA's Backstage Pass Series presented by Church Church Hittle + Antrim, was developed to provide the more than 700

HCLA alumni with opportunities to gain exclusive access to venues, locations, businesses and cultural landmarks throughout Hamilton County. Most recently, alumni were treated to a staff-led tour of IKEA and lunch prepared by IKEA's head chef. In October, Dave Colt, co-founder and head brewer at Sun King will welcome alumni to the new Sun King Spirits in Carmel. Past events have included Cabela's, Federal Hill Commons, Grand Park, Klipsch and the RPM Collection.

“We look forward to expanding our involvement with the Hamilton County Leadership Academy this year,” remarked David Day, Partner at Church Church Hittle + Antrim.

“We have long believed in the mission of HCLA and we see a bright future ahead. It was important to our firm, including more than 15 HCLA alumni who work here, to demonstrate our commitment to HCLA through this investment.”

In addition to supporting HCLA's programming and curriculum, Church Church Hittle + Antrim will be actively engaged through board service and committee work as well as presenting at select curriculum days.

“Church Church Hittle + Antrim has been a great supporter and advocate of the Hamilton County Leadership Academy over the years,” said John Robbins, Executive Director of the Hamilton County Lead-

ership Academy. “Doug Church, one of the founders of the firm was also a co-founder of HCLA in 1991. He is deeply passionate about Hamilton County and our mission to help leaders make an impact in the community. We are proud to expand our partnership with CCHA in 2018. Their support of our Backstage Pass series will help to raise the profile of these unique events, further engaging our alumni and showcasing amazing places throughout the county.”

HCLA welcomed its 28th class of community leaders in August at the Waycross Camp & Conference Center in Morgantown, Ind., and will conclude at Strawtown Ko-teewi Park on June 6.

Thanks for reading The Hamilton County Reporter

Words not spoken

I've never been a woman of few words. I've just hoped and prayed that the words were wise.

I have found that sometimes the best words are no words. That isn't easy for some like me.

The most difficult time to be quiet is when I want to respond in defense of my decisions or arguing my case. Just a few wrong words can destroy a relationship. So not worth it.

I value relationships more than I value being right or getting in my two cents worth.

Maybe my time and hurt and a tad bit of wisdom has brought me to a place of ... no, not going there. No way. Not worth it.

On occasion, taking the emotion out of what someone has said and realizing where they are coming from is wise. Their feelings need validated, even if I do not agree with them.

Oh yes, sometimes my mouth has worked faster than my brain and it has created issues. Sometimes a repair in a relationship was possible, sometimes not. I pray for discernment on a regular basis.

The pain of regret is deep. I have choked on words I wanted to eat.

Words need to be timely and well thought out if there is an argument. Rash words spoken in a moment of heat cannot be erased from the memory. I've heard them. I remember them.

Weighing out the value of your words is a lot of effort at times.

Don't hit SEND when you are angry and you are texting or emailing. Wait a day. Then hit DELETE.

You cannot erase hurtful or angry words once they have been seen.

The closer the relationship the more time before responding is needed. A response is not always needed. Discernment. Discernment. Discernment.

I have much more to say ... another time. My thoughts are short this week. Sometimes I say it best when I say nothing at all.

Sheridan Elementary students learn about pioneer life, farming

The REPORTER

Last Wednesday, the Sheridan Historical Society greeted 100 fourth graders to learn local history in Sheridan Veterans Park, an annual initiative to build knowledge about settlement years. Students from Sheridan Elementary School learned about farming equipment used in early years.

Mary Stone, dressed in a period costume, welcomed them to Boxley Cabin – the 1828 home of Virginia-born abolitionist George Boxley. Boxley escaped jail after he was accused of efforts to free slaves and later ran a farm and school he established in the then-wilderness. His cabin was restored in 2008 and is on the National Register of Historic Places.

Groups visited the new site of the Sheridan Historical Society Museum now under development at 315 S. Main St. Students also took a tour at the Sheridan Public Library, and they learned about metal detectors to search for artifacts.

Participating as special guides were Sheridan Historical Society President Ron Stone, Mary Stone as a cabin tour guide, Edgar Spear, Linda McClay, Phillip Pearson, Jim Pickett and Donna Jessup.

Dressed in period clothing, Mary Stone greeted students at Boxley Cabin, the 1828 home of abolitionist George Boxley.

Fill your life with more living

"We are always getting ready to live, but not really living."
– Ralph Waldo Emerson

I usually come up with a famous quote quite readily when preparing my articles. This time, however, was more challenging. And the primary reason for that is that I would like to address something very solemn, and that is the recent death of a friend. Her name is Dianne, and she died very suddenly of a massive heart attack at the age of 58 years. It was shocking to her family and her friends who had no idea of something like this happening.

SHARON McMAHON
Be Well

My articles are composed to help inform my readers about ways to incorporate good nutrition and physical fitness into their lives with a "real world" focus. Another of those "real world" events is sudden death due to heart attack, and women are primary targets unfortunately.

- Cardiovascular diseases and stroke cause one in three women's deaths each year, killing approximately one woman every 80 seconds.*

- An estimated 44 million women in the U.S. are affected by cardiovascular diseases.*

- 90 percent of women have one or more risk factors for heart disease or stroke.*

Obviously, any one of us at any time could suffer a massive heart attack. It happens. My friend was a person who ate well, did not smoke, and was very active. And while it is very important to know your risk factors, make sure that you do not indulge in a lifestyle that encourages heart disease, and work with your physician to uncover any hidden risk factors of which you make not be aware, there is something that is also extremely important for your health and

well-being.

My friend Dianne and her husband led a very fun and active lifestyle, visiting five continents and almost all 50 states. Most of us, including me, cannot claim that. And that is really the essence of my topic this week. Although Dianne had no obvious risk factors she indeed did suffer a massive heart attack.

You may know someone who has had a similar experience; always sad and devastating for those left behind. Our zest for living, enjoying experiences such as travel, gardening, volunteering, whatever you may enjoy, is truly living, and isn't that what we all wish for ourselves and our loved ones? Although Dianne was only 58 years old, she packed a lot of living into her years, enjoyed herself, and brought joy to others – a legacy for which we could all strive.

Sharon McMahon, CNWC

A tale of two mothers

Two moms sat on a park bench sharing their stories.

From the age of 6, Sarah had been in 18 different foster homes. The longest she had ever been with the same family was one year. She aged out of that system – a system that promised to provide safety but harnessed abuse. She created an adoption plan for her two small children before they were lost to the very system that failed her. Sarah knew her history of generational poverty and dysfunction was too great a burden to overcome on her own. She was overwhelmed and living in a domestic violence shelter. She was fighting depression from layers of shame of a childhood you don't find on Nick at Nite. She wanted more for the babies she loved.

Then it was my turn.

I grew up in a supportive, loving home with both parents present and involved. I didn't have much but my basic needs were always met. I had spent a lifetime taking for granted how that security shaped my life. In that moment, I was overcome with the knowledge of the privileges my life had provided. I was deeply shaken by the lack hers had afforded and the fact that neither I, nor she, had done anything to deserve either.

I was face to face with the truth and ugliness of

the inequality. I had always felt safe. I had always felt loved. There was always food in my home. There had been programs in her life, one after another, that failed her. The more I learned how those systems work, the more they seemed almost designed to. We had both made some dumb choices, but my world seemed to protect me from mine. That same world seemed to unfairly point to hers as some kind of character flaw. I could be focused on thriving. She had been focused on surviving.

That moment on that park bench and my relationship with Sarah changed the trajectory of my life. When I started working in social work, I knew loving a sweet, young, innocent child would be the easy part. I had no idea I'd fall in love with their mommas too. As I listened to Sarah, I allowed her story to shape my own. In working with many other families with similar stories since, I realized a lot about myself. I had some preconceived notions about mommas like her. Turns out I was wrong.

As I sat in my minivan, I had a choice. I could continue with the narrative I had known and the bias I held, or I could hear her. I could take that pang of guilt I felt and vigorously defend myself from the discomfort of the

situation or I could believe her truth. Her experience was nothing like my own but it was real just the same.

I was completely ignorant to the complexities of generational poverty in America. I spent the next several years getting a crash course. When we allow ourselves to be in community with others, when we are in proximity to those that are unlike us in some way, we see just how much in common we have. We see the reality of the world.

Sarah, like me, had the same hopes and dreams for her children. She had the same need to feel heard and be valued by another. She worked every bit as hard as I did. Yet her world and mine seemed to span the width of a continent.

There in that park, I asked myself how I could fight the inequities that made this her reality. I asked what I could do to diminish that feeling of other and replace it with a sense of belonging and worth. I decided then I'd attempt to use my voice to bring light to and amplify hers.

We have to be willing to redefine our narratives if we are to make changes. Examine our hearts. Set aside our preconceived notions. We must listen with the intent of understanding so we can learn and grow with one another. We must humble ourselves enough to believe people when they tell us their experience, even if it is not our own. The world desperately needs us to.

Clerk of the Hamilton Circuit Court
10/11/2018, 10/8/2018, 10/15/2018

NOTICE OF HEARING
Notice is hereby given that the Town Council of the Town of Sheridan, Indiana will convene on Monday, October 22, 2018, at 7:00 P.M. at the Sheridan Town Hall, 506 S. Main Street, Sheridan, Indiana 46069, to conduct a public hearing.
The purpose of the hearing is so that users of the Sheridan Municipal Sewage Works Utility ("Sewage Works"), owners of property served or to be served by the Sewage Works, and other interested persons may be heard concerning the proposed changes to the rates and charges for the Sewage Works contained in Sheridan Municipal Code § 50.072 as outlined below:
§ 50.072 BASE MONTHLY RATE; VOLUMETRIC CHARGE
(A) The sewage rates and charges shall be based on the quantity of water used on or in the property or premises subject to such rates and charges, as the same is measured by the water meter there in use, plus a base charge based on the size of the water meter installed, except as herein otherwise provided. For the purpose of billing and collecting the charges for sewage service, the water meters shall be read monthly and the users shall be billed each month (or period equaling a month).
(B) The water usage schedule on which the amount of said rates and charges shall be determined is as follows:
(1) All users, treatment rate per 1,000 gallons of usage per month: \$9.14, plus
(2) Monthly base rate as follows:

Table with 2 columns: Water Meter (Inches) and Rate Effective as of Closing. Rows include 5/8 to 3/4, 1, 1-1/4, 1-1/2, 2, 3, 4, 6.

(C) For users of the sewage works that are unmetered water users or where accurate meter readings are not available, the monthly charge shall be determined by equivalent single family dwelling units, except as herein provided. Sewage service bills shall be rendered once each month (or period equaling a month). The service on which the rates and charges shall be determined are as follows:
Unmetered Monthly Rates Based on Equivalent Single Family Dwelling Unit: \$60.09
(D) For the services rendered to the Town, the Town shall be subject to the same rates and charges herein provided, or to charges and rates established in harmony therewith.
(E) In order to recover the cost of monitoring industrial wages, the Town shall charge the user not less than the cost thereof. This charge will be reviewed on the same basis as all other rates and charges in this chapter.
Sheridan Town Council
10/10/2018

ORDINANCE NO. 2018-10

AN ORDINANCE ESTABLISHING A TOWN COURT
WHEREAS, Indiana law provides for the establishment of a Town Court;
WHEREAS, the Town of Sheridan would benefit from the establishment of a Town Court to hear and dispose of various matters, including ordinance violations, misdemeanors, and infractions;
WHEREAS, it is in the best interests of the residents of the Town to establish a Town Court; and
NOW, THEREFORE, BE IT ORDAINED by the Town Council of the Town of Sheridan, Indiana, that:
1. Establishment of a Town Court
There is established, pursuant to Indiana Code § 33-35-1-1, the Town Court of Sheridan, Indiana, which shall come into existence on January 1, 2020.
2. Appointment and Election of Judge: Term and Bond.
a. The Judge of the Town Court shall be elected at the municipal election in November 2019.
b. The term of the judge elected shall be four years beginning at 12:00 noon on January 1, 2020, and continuing until a successor is elected. Before beginning the duties of office, the judge shall take and subscribe to the same oath of office as judges of circuit courts and, in the manner prescribed by Ind. Code § 5-4-1, execute a bond in the penal sum of \$5,000, conditioned upon the faithful performance of the duties of the judge's office with good and sufficient surety. The bond must be approved by the Town Council and filed in the office of the Clerk-Treasurer.
c. The judge must be an attorney in good standing admitted to practice law in the State of Indiana.
3. Powers and Duties of Judge.
a. The judge shall have all powers outlined in Ind. Code § 33-35-21, including adopting rules for conducting the business of the court. The judge has all power incident to a court of record in relation to the attendance of witnesses, the punishment of contempt, the enforcement of its orders, and the issuing of commissions to take depositions in cases pending in the court. The judge may administer oaths and give all necessary certificates for the authentication of the records and proceedings.
b. If the judge is temporarily unable to act, he or she shall appoint a reputable practicing attorney to preside in his or her absence. The special judge shall have all the powers and rights, and shall perform all the duties, of the judge of the court as fully as the regular judge appointing the special judge.
4. Compensation of Judge.
The judge is entitled to receive compensation as prescribed by the Town Council.
5. Court Jurisdiction.
The Town Court shall have exclusive jurisdiction of all violations of the ordinances of the Town. The Town Court shall also have jurisdiction of all misdemeanors, infractions, and all other ordinance violations described in any interlocal agreement.
6. Court Sessions.
The judge shall hold sessions of the Town Court as the business of the court demands, at a place to be provided and designated by the Town Council.
7. Court Seal.
The judge shall provide, at the expense of the Town, a seal for the court that must contain on the face thereof the words: "Town Court of Sheridan, Indiana." A description of the seal, together with an impression of it, shall be affixed to the records of the court.
8. Town Court Officers.
The clerk is an officer of the Town Court. The judge may act as clerk and perform all duties of the clerk of the court or appoint a clerk of the court. If the judge does not act as a clerk of the court or appoint a clerk of the court, the Town Clerk-Treasurer elected under Ind Code § 3-10-6 or Ind. Code § 3-10-7 shall perform the duties of the clerk of the Town Court. The clerk may not receive any fees or compensation other than the clerk's salary.
9. Service of Process.
The town marshal or a deputy marshal shall serve all process issuing from the Town Court.
10. Books, Dockets, Papers, and Printed Blanks.
The judge shall provide, at the expense of the Town, all books, dockets, papers, and printed blanks necessary for the discharge of the duties of the court.
11. Judgments, Orders and Proceedings.
All judgments, decrees, and proceedings of the court have the same force as those of the circuit court. A judgment becomes a lien on real estate when a transcript of the judgment is filed with the clerk of the circuit court.
12. Appeals.
An appeal from a judgment of the court may be taken to the superior, circuit, or probate court of the county within 30 days after the rendition of the judgment and tried de novo.
ADOPTED AND PASSED THIS 8th DAY OF October, 2018 BY THE SHERIDAN TOWN COUNCIL, HAMILTON COUNTY, INDIANA.
10/10/2018

High school football - Week 9

Millers play tough before falling to Orioles

By RICH TORRES
For a second straight week, the Class 6A Noblesville Millers had a top team on the ropes. Unfortunately, once again, they couldn't find enough points to put them away.

After losing a 7-0 first-quarter lead against Brownsburg last weekend, the Millers built another early 7-0 margin against Avon on Friday night before going scoreless in the second half to lose 14-7.

"It's interesting. This team beat us last year by 50 points. They destroyed us, and we're playing with the best teams in the state of Indiana," Noblesville head coach Justin Roden said. "We're playing with them, but we're not finishing."

The Millers offense started off promising with a two-play scoring drive in the first quarter that was setup by the defense's first of three fumble recoveries. However, a rhythm was never found as Noblesville didn't cross the 50-yard line again until its final drive in the fourth quarter.

The defense did its part by holding the Orioles to a pair of touchdowns and below its points per game allowed average of 15.1. Avon was scoring 31.4 points a game, but without four-star Indiana University recruit Sampson James at running back, who was resting a nagging injury, the Orioles' offense stalled.

On 14 possessions, the Orioles were limited to two successful drives while punting five times and turning the ball over four times with three fumbles.

Skylar Tolliver scooped up a fumble on second-and-7 in the first quarter to put the Millers in the red

zone at Avon's 14, which quarterback Grant Gremel punctuated with a 15-yard touchdown pass to Zach Gruver.

Up 7-0, the Millers tried to push the issue with second place in the Hoosier Crossroads Conference on the line, but a fake-punt reverse backfired for negative 17 yards late in the first quarter.

The play handed the ball over to Avon at the Millers 29. Four snaps later the Orioles (7-2, 5-2 HCC) tied the game 7-7 with a second-quarter touchdown run by quarterback Henry Hesson.

Hesson rushed for 60 yards on 21 carries and passed for 187 yards on 13 of 29 completions with a game-winning touchdown on Avon's final drive in the fourth quarter.

"My call on the reverse was a bad call at midfield," Roden said. "It was bad call, but I was trying to be aggressive. We're struggling so badly offensively, I wanted to take a chance on special teams, hoping that we can get that spark and make something happen."

Noblesville produced 17 yards from scrimmage compared to Avon's 296, but the defense made the Orioles work.

In the third quarter, Avon reached the Millers 38, but a fumble recovery by Zac Tuinei halted the potential scoring drive. Gruver recovered another fumble early in the fourth quarter to give the Millers first-and-10 from their own 30, but Noblesville was forced to punt. The Millers punted 11 times in the game.

Key sacks stymied the Orioles, including one by Kenja Jenkins and

Reporter photo by Kent Graham

Noblesville's Kenja Jenkins (42) and Dalton Davis (56) make a tackle during the Millers' game with Avon Friday at Beaver Materials Field. Noblesville gave the Orioles a tough test before falling 14-7.

another by Eddie Dziennik. Gruver added a would-be interception in the fourth quarter against Hesson on third-and-10 from Avon's 42, but a defensive holding call supplied an Orioles' first down.

The field-goal blocking team pressured Avon's placekicker Nick Bandy into missing three attempts. A bad snap erased a 28-yard try and Bandy went wide on a 38-yarder after an Avon five-minute, 17-second drive in the third quarter.

A tipped field goal in the fourth quarter stopped another long Avon drive that spanned 50 yards and

chewed up 3:44 off the clock.

The Millers' defense appeared to put the game on its shoulders in the second half when Jenkins picked off Hesson on second-and-10 from Avon's 38. Jenkins grabbed the pass in stride and ran back 35 yards for a touchdown, but the officials called Noblesville for an illegal block in the back.

"The referring was very upsetting to me personally. I thought the penalty they called on the interception for a touchdown was a huge play in the game," Roden said. "The interception late in the game,

again, was a big call. "Whether they're right or wrong, you don't want referees to be a factor in the game, and it's not why we lost, but I felt tonight they were a major factor."

The Millers defense refused to break until Hesson and Wallace Stovall began to connect in the second half. With only 10 yards passing in the first two quarters, Hesson completed 12 of 22 passes down the stretch, including six completions to Stovall.

Huskies show grit, poise in win over Twin Lakes

Hamilton Heights football coach Jon Kirschner said that his team's motto is "Husky Grit."

"Even on kickoff, we yell 'Husky grit,'" said the coach. "Our guy says 'Husky' and then everybody else yells 'Grit.'"

That show of grit combined with a few other intangibles on Friday night, such as poise and discipline. All of it came together for the Huskies in a 21-20 win over Twin Lakes in Heights' Senior Night game. It was also the seventh-place game in the Hoosier Conference playoffs.

Heights is a team that has never stopped fighting despite being about as banged up as a football team can be. Kirschner said of the 57 players on the roster, the Huskies average "maybe 37 in pads each day." But Heights kept fighting, and got a well-deserved win out of it.

"We're not the biggest, baddest dudes," said Kirschner. "Don't have to be. When we show poise and we're disciplined with what we do when time is needed, we're victorious. And that's what we did tonight. Did we make mistakes? Sure we did. That's life. At the end of the day, we stepped up, defense, offense, special teams stepped up when it was needed the most."

Heights trailed 14-0 with 7:44 left in the second quarter, but roared back to tie the game in a span of 100 seconds. Tad Defoe made a 53-yard run to the end zone to get the Huskies on the board, then Isiah Campbell ran in from 25 yards a little over a minute later. Michael Lecher made both extra point kicks.

The Indians got back in front late in the third by punching the ball in from the 1-yard line. But a two-point conversion attempt failed,

giving Heights an opening.

The Huskies found it in the first play of the fourth quarter. Kaleb Schakel ran the ball in from the 8-yard line to tie the game at 20-20. Then Lecher stepped up and made his third extra point kick of the night. Heights had the lead by one point.

Twin Lakes got the ball close to the end zone with around five minutes left in the fourth quarter, but the Huskies' defense made big stops, culminating with senior Austin Stepp grabbing an interception. After that, Heights kept the ball on the ground, making solid runs and working the clock in a judicious manner until it finally hit zero.

Schakel finished the game with 102 yards rushing, with Campbell gaining 60 yards. Quarterback Isaac Wilson was 3-of-11 passing, with Camron Knott catching two of those passes.

The Huskies finished the

Hamilton Heights students braved the cold and the rain, and gotten something to cheer about when the Huskies beat Twin Lakes 21-20 on Friday in their Senior Night game.

regular season 2-7. Next up is a trip to North Montgomery next Friday for the first round of play in Class 3A Sectional 26. This will be a rematch of a first-round sectional game from last year, which Heights won 37-23.

'Hounds stand firm in second half to beat Bears

By JIM BELSER
Carmel withstood a strong second half passing performance by Lawrence Central quarterback John Lewis to edge the Bears 16-14 at home Friday night.

Both teams endured cold, rainy conditions, putting a damper on offensive execution for the pair as the Metropolitan Interscholastic rivals prepare for sectionals, which begin on Oct. 26 after a bye for Class 6A teams next week. Carmel (7-2, 5-2 MIC) ends the 2018 season in a three-way tie for second in the MIC behind undefeated Warren Central.

"I am proud of the way we played tonight," Carmel coach John Hebert said. "We overcame some defensive mistakes, but Lawrence Central is a highly capable team, and our offense made the plays when we had to, overall it was a good team win."

Despite the close score, the Greyhounds kept the drama at an even keel, though the visitors seemed one big play away from stealing a victory.

Thanks to an energetic

Carmel defense, that play never came. Up just 9-7 in the fourth quarter from Spencer Hanna field goals, Carmel put together a drive that ended in a 6-yard touchdown run by Zach White with 10:50 left in the game to go up 16-7.

A trick play by Lawrence Central (3-6, 3-4 MIC) in its last possession moved the ball to the Carmel 34. A sideline catch by Bears star Kirk Pinkston at the one yard line set up a touchdown pass on the following play for Lawrence Central, closing the score 16-14 with 2:43 left.

After Carmel secured the ball on the outside kick, Carmel quarterback Tyler Trent sealed the victory with a nifty 12-yard play action run for a first down, allowing the Greyhounds to down the ball until the clock ran out.

Carmel got a huge night from sophomore running back Zach White, who finished with 191 yards on 35 carries and a touchdown. Trent added 105 yards on 13 carries.

"Everybody loves him," Hebert said. "He is so tough

and hard-nosed, everyone gets excited when he has the ball. He brings energy that the offense feeds off of."

In the third quarter, Lawrence Central turned away three straight rushing attempts by Carmel from

the one-yard line. But Hanna of Carmel drilled a 29-yard field goal to add his third of the game, making it 9-7 Carmel. A 47-yard touchdown pass to Pinkston

Shamrocks finish strong in win over Flashes

Westfield finished its regular season with a bang, taking care of Franklin Central 44-16 in a rainy Hoosier Crossroads Conference and Senior Night game Friday at Riverview Health Field.

The Shamrocks were out in front early, starting with two rushing touchdowns in the first quarter. Camden Simons took the ball in from 17 yards, then freshman Micah Hauser punched it in from the 1-yard line.

The Flashes opened the second quarter with a field goal, but Westfield dominated the period after that. Simons added two more touchdowns, the first on a 33-yard run, the second a six-yard jog into the end zone. In between, the Shamrocks got two points for a safety after an FC punt was snapped out of the end zone. The halftime score was 30-3.

Franklin Central cut the 'Rocks lead to 30-9 with a 51-yard passing touchdown in the third quarter. Westfield got things going again in the fourth, with Trevor Lickfeldt and Jack Pfeiffer both running the ball in; Lickfeldt from three yards, Pfeiffer from 13.

Sean Sullivan made all four extra point kicks in the first half, with Alex Bales making both attempts in the second half.

Eli Patchett led the ground game with 95 yards rushing, while Simons gained 76 yards. Simons also completed 8 of 12 passes in the game, with eight different Shamrocks making at least one reception. On defense, Owen McGraw had 10 total tackles (five solo and five assists), with Eric Kriskovich getting nine total stops (one solo, eight assists). Ryan Mahoney had three tackles for a loss.

Westfield finished HCC play 3-4 and the regular season 4-5. The Shamrocks will travel to Carmel on Oct. 26 for first-round play in Class 6A Sectional 4. The two teams have not played each other since the sectional in 2009.

The rain couldn't stop Westfield on Friday, as the Shamrocks took care of Franklin Central 44-16 in their Hoosier Crossroads Conference and regular-season finale.

Trip to Tri-Central next for Sheridan...

Heritage Christian ends Sheridan's win streak

Sheridan's winning streak came to an end on Friday, as the Blackhawks dropped a 27-14 game at Heritage Christian.

Both of Sheridan's touchdowns came in the first half on runs by senior quarterback Drake Delph. The first was a 12-yard run in the first quarter, while the second was an 11-yard score midway through the second. Cameron Hovey made both extra point kicks. The 'Hawks led 14-13 at halftime, but the Eagles would not permit them any points in the second half.

James Manis led Sheridan's rushing with 72 yards. Delph had an efficient passing night, completing 7 of 10 throws for 75 yards. Nick Burnell

Reporter photo by Kirk Green

Sheridan coach Bud Wright and quarterback Drake Delph go over a play during the Blackhawks' game at Heritage Christian on Friday. Delph completed 7 of 10 passes for 75 yards.

Delph caught four passes, with Jesse Kolb getting the other three receptions. The Blackhawks finished their regular season 7-2. They travel to Tri-Central next Friday in first round play of Sectional 44.

Royals nearly upset undefeated Bulldogs

Hamilton Southeastern gave a good fight to Brownsburg on Friday before falling to the undefeated Bulldogs 10-9 at Reynolds Royals Stadium.

Both teams scored their points in the first and fourth quarters. Mitch Hebenstreit kicked a 35-yard field goal to start, after which Brownsburg's Donny Marcus scored on a 10-yard rushing touchdown.

The Royals scored a huge touchdown in the fourth quarter, when DeAndre Rhodes caught a 75-yard pass from Andrew Hobson. But the Bulldogs held on for the win.

Matt Harris led the Southeastern rushing with 81 yards, including a 36-yard run during the game. Hobson was 6-of-24 for 105 yards, with Jackson Lantz making three catches. Brownsburg's victory gave it an undefeated

Hoosier Crossroads Conference championship at 7-0, and moved the Bulldogs to 9-0 for the regular season. The Royals finished HCC play at 2-5, and were 3-6 for the regular season. Southeastern will host North Central on Oct. 26 in the semi-finals of 6A Sectional 5.

'HOUNDS

notched a score for Lawrence Central in the third. Summing up the season, Herbert sees more to come from the Greyhounds.

"Our goal is not to win every game necessarily, we have learned a lot from our losses. This team is tight and focused, there is a good energy to this team," Hebert said.

With White and the offensive line - featuring Matt Kleppinger, Caleb Shaffer, Sloan Goldblatt, Dominick Cate and Thor Kracht - Carmel controlled LC in the trenches much of the game. On defense, Carmel corralled the Bears into an inept first half of offense.

Mishandled snaps and overthrown passes plagued the LC offense in the first half - a swarming Greyhound defense took care of the rest, holding the Bears to just 58 total yards on offense.

The conditions hampered Carmel's offensive as well. Carmel quarterback Tyler Trent was just 1-of-12 passing in the first half as a cold, steady rain held sway. Points would have to come in increments for Carmel. Four straight rushes by White aided by favorable field position placed the Greyhounds at the Bears 22-yard line in the first quarter. Carmel field goal kicker Spencer Hanna rewarded his teammates with a 35-yard field goal with 3:56 left in the opening quarter.

In the second quarter, Hanna put the Greyhounds on the

Golden Eagles fall to Roncalli, host Crawfordsville next

Guerin Catholic dropped its regular-season and Circle City Conference finale to Roncalli 20-10 Friday at the Eagles Nest.

The Rebels steadily took control of the game, leading 14-0 at halftime and 20-0 after three quarters. The Golden Eagles got on the board 19 seconds into the fourth period with a safety.

A couple minutes later, Patrick Hagel caught a 19-yard pass from Christian Gelov, then Gelov threw a conversion pass to Jagger Albert. That cut Roncalli's lead to 10, but the Rebels were able to hang on.

Gelov completed 7 of 24 passes for 113 yards; Hagel had four of those receptions for 82 yards plus the touchdown. Albert led the way on the ground with 58 rushing yards.

Reporter photo by Richie Hall

Guerin Catholic managers and players try to keep warm during Friday's game with Roncalli at the Eagles Nest.

Guerin Catholic finished home next week, this time in conference play 0-3 and the first round of 3A Sectional 26. Guerin Golden Eagles will play their third consecutive game at the Eagles Nest next Friday.

Tigers edged by Zionsville in tough battle

Fishers had Zionsville on the ropes on Friday before falling to the Eagles 13-12 in the Tigers' Hoosier Crossroads Conference and regular-season finale.

The Eagles got on the board first with a first-quarter touchdown. Fishers worked its way back to a 6-6 tie in the third quarter thanks to field goals from Jack Phillips, who hit a 29-yarder in the beginning of the second quarter and a 35-yard kick late in the third period. Zionsville scored on a long running

touchdown in the fourth. The Tigers answered with a 5-yard run by Dylan Scally with 19 seconds left, but the Eagles held on for the win.

Scally rushed for 152 yards on 35 carries, while Matt Noble added 55 yards. Lucas Prewitt completed 8 of 20 passes for 109 yards, with Collin Statz making four receptions.

Fishers finished HCC play 2-5 and the regular season 3-6. The Tigers will play at Pike on Oct. 26 in the semi-finals of 6A Sectional 5.

MILLERS

From Page A11

The duo hooked up with three pitch-and-catches on Avon's final possession. The last one traveled 7 yards for the go-ahead touchdown with 49.7 second remaining.

The Millers marched four yards on four plays in the final minute behind Gremel's longest pass of the night at 34 yards to Jack Knight, but a sack by Caden Hubner for a 23-yard loss ran off the clock.

Gremel finished with 66 yards passing on 7 of 21 completions, but the running

game had negative 49 yards on 30 carries.

“More than anything else, our kids need to learn the next two weeks, if we're going to find a way to win, then we can do something special,” Roden said. “We're in the games. Losing 14-7 to Avon isn't anything you can hang your head on, but at the same time I don't want to lose close. I'd rather get blown out.”

The Millers (4-5, 5-2 HCC) have lost two consecutive games by 10 points or

less and are averaging 10.0 points scored per game.

“We are improving. The program went 1-9 last year to now 4-5. We're really battling,” Roden said. “We can easily be on the other end. We could be 6-3. We could be 7-2. I'd love to hit the reset button on some of those early-season games when we were figuring some stuff out.”

Noblesville is off next week before opening Sectional 4 at Lafayette Jeff (8-1) on Oct. 26.

Tigers power their way to volleyball sectional title

By RICHIE HALL

The sensational offense of the Fishers volleyball team gave the Tigers a sectional championship on Saturday.

Fishers beat Noblesville in straight sets, 25-10, 25-13, 25-20, to win Class 4A Sectional 8 at Westfield. It's the second sectional championship for the Tigers' volleyball program, with the first coming back in 2010. Fishers will play Zionsville in the semi-finals of the Noblesville regional on Saturday.

"I'm thrilled," said Tigers coach Steven Peek. The coach said his team has "been just playing their hearts out and practicing hard," and deserved to win the title.

In the semi-finals, Fishers beat Westfield in four sets, while the Millers held off Carmel in five sets.

Fishers rampaged through the first two sets, getting out to a big lead in the first set. The Millers led 6-4 in the second set, but the Tigers won 12 of the next 14 points to take

a 16-8 lead. Audrey Haworth and Camryn Haworth both hit two kills, while Rose Duffy served back-to-back aces. Haley Soper was part of two blocks during the run.

The Tigers made one more run from 18-11, taking seven of the next nine points to win the set. Camryn Haworth served three aces in a row to begin the run, and Audrey Haworth finished the set with a kill.

The third set was tighter. Fishers led 18-14 before Noblesville won six of the next seven points to lead 20-19. Lexie Almodovar had a kill and an ace during the run, with Rose Crist also putting down a kill. But Fishers won the final six points of the match; Jada Allen gave the Tigers match point on a successful block, then hit a kill to finish the match.

Audrey Haworth led the hitting with 14 kills, while Camryn Haworth spiked 12 kills. Allen had seven kills, with Soper hitting three, Bryn Roberts two and Duffy

one. Duffy handed out 32 assists, although Peek noted that "three or four" players had assists as well.

"And a couple others that maybe didn't get assists because they didn't get a kill, but they're setting up their teammates," said Peek.

The coach said the Tigers have been working on having more people than just Duffy be responsible for creating the swings in the offense. "And then when we start doing that, that's where our offense looks really, really, really good," said Peek.

Fishers had 11 aces as a team, with Camryn Haworth serving five. On defense, libero Emma Rosenberg collected 16 digs, with Duffy making seven and Audrey Haworth having four. Allen, Audrey Haworth and Soper all had four blocks, while Camryn Haworth had three.

As for Noblesville, Almodovar put down 10 kills, and also had six

Reporter photo by Richie Hall

The Fishers volleyball team won the Class 4A Sectional 8 at Westfield on Saturday. The Tigers beat the host Shamrocks in the semi-finals and Noblesville in the championship, making this the second sectional title in school history for Fishers.

digs and one ace. Ava Nichols handed out 20 assists for the Millers, who finished the season 12-23.

"I think a lot of people didn't expect us to get this far," said Noblesville coach Steve Hawthorne. "We expended a lot of energy in the Carmel game. Carmel's a great team. We executed well and took care of business there. We're still a little bit young. Our nerves really showed in this championship match and we'll be back here next year."

Fishers sweeps cross country regional at Delta

Fishers scored a cross country sweep at the Muncie Sports Complex on Saturday.

The Tigers won both the boys and girls championships at the Delta regional. It was the first ever regional title for the girls, and the third for the boys. Both teams will also race in the New Haven semi-state next Saturday, as will Hamilton Southeastern, who was the runner-up in both the boys and girls races.

Fishers' girls edged out the Royals by six points, 30-36. The Tigers had four runners place in the top 10, with freshman Vera Schafer placing third and Abigail Carter fifth. Teresa Kraft took sixth, Elizabeth Barrett was seventh and Debbie Shera ninth.

Southeastern was led by Lulu Black, the individual runner-up. Lilly Cummins took fourth, Halle Hill was eighth and Maddie Mirro

finished 10th. The Fishers boys landed four runners in the top five on their way to scoring 24 points. Alex Meyer was the runner-up, with Drew Smith taking third, Ethan Meyer fourth and Jared Halamka fifth.

Southeastern's boys scored 57 points. Eric Swinson finished sixth and Eric Carothers placed ninth.

Over at Noblesville's Chinquapin Ridge Cross Country Course at White River Elementary School, three Hamilton County boys teams and two girls teams finished in the top five and qualified for the Shelbyville semi-state, as did a handful of individuals.

In the boys race, Carmel placed second with 51 points, just behind champion Cathedral's 41. Westfield took fourth with 127 and the Millers finished fifth with 140, getting past Brebeuf Jesuit by one point for the

Photos provided

The Fishers cross country teams both won regional championships at Delta on Saturday.

final qualifying spot.

The Greyhounds had three top 10 individuals: Grant Moon placed sixth, Cameron Harless was ninth and Patrick Campbell finished 10th.

Westfield was led by Samuel Novak's 19th place finish, while Travis Hickner took 17th for Noblesville.

Two Guerin Catholic individuals also qualified for the semi-state round. Quinn Gallagher was the individual runner-up, while Joseph Barrett finished 37th.

In the girls race, Noblesville was the team runner-up, finishing with 74 points. Brebeuf Jesuit won the regional trophy with 60

points, including the top two runners. Carmel finished fourth with 90 points.

Sophie Reichard placed ninth for the Millers, while Jamie Klavon was 11th for the Greyhounds.

Four county runners qualified as individuals: Guerin Catholic's Elizabeth

Schroeder placed fourth, while teammate Isabelle Museck took 29th and will join her at semi-state. Hamilton Heights' Maria Mitchell advanced with a sixth-place finish, while Westfield's Christyann Delahunty took 27th and also will run at semi-state.
