Noblesville Christmas Parade returns to Nov. 25

The REPORTER

Mayor John Ditslear has announced that this year's Christmas parade will be held on Nov. 25, the Sunday following Thanksgiving. The 40th annual Christmas Parade will begin at 2 p.m. The event was previously announced for Dec. 1.

"After additional consideration, scheduling the parade in December was not fair to those who were counting on the parade taking place the weekend after Thanksgiving as has been our tradition," Ditslear said. "I hope the move back to its November date will allow more participants and spectators out to kick off the holiday season in Noblesville."

The parade starts at 16th and Harrison streets and will travel south on 16th Street to Logan Street, west on Logan to Ninth Street, north on Ninth to Monument Street, and east on Monument to 16th Street where it will end. The last entry in the parade will be Santa Claus himself, making his debut for the season.

Early bird registration is \$10 per entry and will be accepted until Friday, Nov. 9. Regular registration is \$20 per entry and will be accepted through Wednesday, Nov. 21. The city is waiving the entry fee to all non-profits organizations that want to participate.

Click here to view and print the parade entry form. Please make checks payable to Noblesville Christmas Parade. Completed forms may be mailed with payment to Noblesville Christmas Parade Coordinator, Noblesville City Hall, 16 S. 10th St., Noblesville, IN 46060. Forms also may be emailed to

File photo

Santa and Mrs. Claus will once again make their debut during the annual Noblesville Christmas Parade, taking place this year on Sunday, Nov. 25.

mhoffmeister@noblesville.in.us.

Check-in will take place starting at 12:30 p.m. on Nov. 25. Participants are asked to enter the parking lot by turning onto North 17th Street from Conner Street and make the bend to the left on Wayne Street (one way west). This is the only en-

try point for the parade route. Volunteers will be onsite to help stage vehicles to exit the parking lot's north entrance.

For questions or more information, contact Mike Hoffmeister at 317-776-6350 or mhoffmeister@noblesville.in.us.

Cicero Kiwanis to honor local Veterans with breakfast

The REPORTER

The Kiwanis Club of Cicero will honor local veterans with a special breakfast and program on Saturday, Nov. 10 at the Cicero United Wesleyan Church, 210 Washington Ave. The breakfast will begin at 8:30 a.m., followed by a special program featuring Arnett (Arnie) Cooper, a veteran of the United States Air Force. The program will conclude at 10 a.m.

Cooper

The Kiwanis Club of Cicero is honored to have Cooper, a 1963 graduate of Jackson Central High School and life-long resident of northern Hamilton County, as its guest speaker at this year's breakfast. Cooper worked as a skilled tradesman at Chrysler in Kokomo retiring after more than 40 years of dedicated service. He remains active in the community and is a member of the Hamilton Heights School board, currently serving as president of the five-member board. His wife of more than 50 years, Vicki, is also a graduate of Jackson Central High School. They have two children, both Hamilton Heights graduates, and two grandchildren.

The annual Veteran's breakfast celebration, now in its 10th year, is free to local veterans and their guests. Breakfast for all other visitors is \$5 per person. Members

Carmel historical group outlines upcoming plans

The Carmel Clay Historical Society, promising a newly energized approach to meet community demands, has announced new officers and plans for the coming year. Deborah Gangstad has been appointed executive director of the organization. A former school teacher in Carmel, she is a lifelong resident and daughter of Betty Clark and the late Eric Clark.

FRED SWIFT
The County Line

At the annual meeting of the society on Sunday, Mrs. Gangstad announced new part time members of her staff. Jessica Fischer is archives manager, Amy Grove

has been named museum director, and Andy Wright is historical researcher. The staff will maintain regular hours at the Monon Depot Museum, home of the society.

Upcoming plans include the popular Holiday Home Tour, set for Dec. 1, a depot exhibit in early 2019 on the history of Carmel High School radio station WHJE, the sale of personalized sidewalks bricks for the downtown area, and the opening of a community archives, commissioned by city government to give the public easier access to photos, clippings, etc. of local interest.

The depot office at 211 First Street S.W., is now open from 10 a.m. to 4 p.m. Monday through Friday. The depot faces the new Monon Boulevard and trail which was formerly the Monon Railroad right-of-way.

At the annual meeting last Sunday, new officers and board members were elected. Beginning Jan. 1, Sharon Kibbe will take over as president of the board from Dan McFeely. Also at the meeting, a video featuring the life and times of well-known Carmel educator Dale Graham was shown. Copies of the video will soon be available for purchase at the depot along with the commemorative bricks.

Howard Kenley represented best of 'old Noblesville'

By FRED SWIFT
Editorial

Noblesville lost a great one when Howard Kenley passed away Tuesday at the age of 99.

He was a member of what is aptly known as the Greatest Generation. He not only experienced the Great Depression and fought valiantly in World War II, but came home to build a thriving grocery business, persevere through the loss of his first wife, raise a family that eventually included eight children who became productive citizens, and contribute greatly to his community.

Howard was physically active from his days as a high school athlete to the age of 95 when he was still playing golf. All the while he maintained a steady, low key demeanor, assisting where he could without seeking the spotlight.

The community should not be unduly saddened, but rather grateful for Howard's long and productive life here. He represented the best of what many local folks like to refer to as 'the old Noblesville.'

Kenley

Republican candidates appearing Sunday in Noblesville

The REPORTER

U.S. Senate candidate Mike Braun, Governor Eric Holcomb and Indiana Republicans are holding eight rallies as part of the final weekend of the Right Track Results Tour, making stops across Central and Northern Indiana.

"From the beginning, the Right Track Results Tour has been about the results Hoosiers are seeing from the Courthouse, Statehouse and White House," said Kyle Hupfer, chairman of the Indiana Republican Party. "With more than 30 stops across 29 counties on this tour, we're seeing that Mike Braun and Hoosier Republicans have momentum on our side going into Election Day. With the proven results we're seeing, it's crystal clear why we need to

keep Indiana on the right track and continue to put America back on the right track!"

The tour's final weekend includes stops today in Greenwood, Indianapolis, Whitestown, Lafayette and Lowell. Sunday's stops will be in Mishawaka, Warsaw and Noblesville.

Candidates and guests at all stops include Braun, Governor Holcomb, Indiana Secretary of State Connie Lawson, Indiana Auditor Tera Klutz and Indiana Treasurer Kelly Mitchell.

Senator Todd Young will join the tour for stops in Greenwood and Indianapolis. Congresswoman Jackie Walorski, 4th District Congressional candidate Jim Baird, Congresswoman Susan Brooks and Congressman Trey Hollingsworth will join at stops in their districts.

Rally in Hamilton County

Featuring Governor Eric Holcomb, U.S. Senate candidate Mike Braun, Congresswoman Susan Brooks, Secretary of State Connie Lawson, Auditor Tera Klutz and Treasurer Kelly Mitchell

When: 5:30 to 6:45 p.m. on Sunday, Nov. 4

Where: Hamilton County Fairgrounds, 2003 Pleasant St., Noblesville. Please enter through the Clover Road entrance. The event will take place at the Gazebo.

About the Cicero Kiwanis Club

Cicero Kiwanis Club is part of the Sycamore South Division of Indiana District of Kiwanis. Its members are volunteers committed to improving the world one child and one community at a time. The Club provides scholarships to graduating High School students, grants for play and educa-

tional equipment, supports the local school corporation, local Boy and Girl Scouts, Riley Hospital for Children and much more. The Cicero Kiwanis meet Saturdays at 7:30 a.m. at the Red Bridge Park Community Building in Cicero. Drop in any Saturday to learn more about the club or call President Robin Mills at (317) 450-4042.

Hamilton County Soil and Water receives \$46,850 Clean Water Indiana Grant

The REPORTER

Hamilton County Soil and Water Conservation District (SWCD) is pleased to announce it has received funding to continue its Heartland Backyard Conservation Program with a \$46,850 Clean Water Indiana Grant through the Indiana State Department of Agriculture (ISDA).

Through a 2016 Clean Water Indiana Grant, SWCD partnered with Marion, Madison, and Hancock counties to form the Heartland Backyard Conservation Program. This program focuses on residential and other urban properties to implement conservation practices that promote clean water, reduce runoff, use native species, remove invasive species and support soil health. Property owners are able to apply for a small grant that supports installation of conservation practices outlined in a District provided conservation plan for their property. These plans often use conservation to solve existing issues like drainage or erosion but can also simply improve properties in relation to clean water, wildlife habitat, etc. In the last three years,

HAMILTON COUNTY Soil & Water

Hamilton County property owners have been paid over \$59,000 in cost share funds. An additional \$5,800 is set to pay out before the end of 2018 when the initial grant expires.

The new grant will allow Hamilton and Madison counties to continue this partnership with additional funds for cost share projects. The grant also allocates funds for development of an educational brochure and workshop on successful installation of native prairie plants. The next cost share application deadline will be March 8, 2019.

"The Heartland program has been very successful and I think the ISDA's continued support of the program confirms that," said Rodney Rulon, SWCD District Board Chairman. "We're

very happy we can continue providing high quality technical services and cost share to county residents through this program."

County residents/landowners can learn more about the Heartland program and other services the District provides by visiting hamiltonswcd.org. Landowners can also call 317-773-2181 or email claire.lane@hamiltoncounty.in.gov to learn more and request a site visit.

The Clean Water Indiana program is administered by the Indiana State Department of Agriculture and provides grants for conservation projects and capacity building through Indiana's Soil and Water Conservation Districts. More information is available at in.gov/isda/2379.

WalkerHughes Insurance of Carmel joins Frankenmuth Insurance Agency Network

The REPORTER

Frankenmuth Insurance of Michigan is proud to announce the appointment of WalkerHughes Insurance of Carmel to its agent network. WalkerHughes Insurance joins an elite group of independent insurance agencies from 15 states who proudly feature Frankenmuth Insurance as one of its commercial insurance carriers.

“Frankenmuth Insurance is very selective in its appointment process,” said John Benson, CEO of Frankenmuth Insurance. “WalkerHughes Insurance exemplifies all the qualities we seek when

we look to partner with an agency, and we are very excited to begin working with Ralph Walker, Benjamin Schoettmer and their staff.”

For more information about WalkerHughes Insurance, visit walkerhughes.com.

About Frankenmuth Insurance

Frankenmuth Insurance has been providing peace of mind for families and businesses for 150 years. Because insurance is both complicated and critical to people’s lives, we work exclusively with independent agents to provide business, home, auto, life insurance and

surety bonds. With more than 700 employees, we are headquartered in Frankenmuth, Michigan, and offer insurance products in 15 states. Frankenmuth Insurance is financially sound, with more than \$1.5 billion in assets and an A.M. Best rating of “A” (Excellent).

Meeting Notice

The Cicero Town Council will hold its regularly-scheduled meeting at 7 p.m. on Tuesday, Nov. 20, 2018. However, the meeting will be held at Red Bridge Community Building in Red Bridge Park, 331 E. Jackson St., Cicero. At that meeting there will be a public hearing on stormwater rates and the Council will accept bids for lift station upgrades.

NOBLESVILLE SCHOOLS

REFERENDUM 2018

Strong Schools, Strong Community

Strong schools make for a strong community. The ability to attract new businesses to Noblesville, prepare our future workforce, and achieve a high quality of living as a community are all directly related to the strength of our school system.

The 2016 referendum was about maintaining the status quo and was a reduction in the tax rate. The 2018 referendum is about enhanced mental health, increased safety and retaining top-quality staff. It's about keeping our schools and our community strong.

Due to the teacher shortage and recent pay increases by neighbor districts, our teachers are leaving for positions that can pay \$5,000-\$15,000 more.

Since 2009, Noblesville Schools has lost \$46.5 million in funding.

The 2018 referendum will replace the 2016 referendum and will provide funding through 2026.

53% of the additional funding would be spent on mental health & safety, while 47% would be spent on staff pay.

The current referendum rate is 18.9 cents and the new proposed rate is 37 cents.

This referendum would raise an additional \$6.25 million/year for Noblesville Schools.

For more info visit noblesvilleschools.org

MENTAL HEALTH

Enhanced focus including student screenings & more counselors

1

SAFETY

Expanded protections including more police officers & safety equipment

2

STAFF PAY

Pay competitively with neighbor district to keep good teachers & staff

3

How Much Will This Referendum Cost Taxpayers?

A median Noblesville home valued at \$206,000 currently pays \$192/year for the 2016 referendum. The new 2018 rate would cost this home \$376/year. That's an additional \$184/year—an additional \$15/month—for enhanced student mental health, school safety and teacher pay.

Westfield School Board candidates respond to Ken Alexander's letter

Dear Editor:

We, Rebecca Ogle, Bill Anderson and Birch Dalton, unequivocally rebuke [Ken Alexander's letter to the editor](#). We are the only candidates speaking out in concern about the dashboards, so we shall respond here. All information provided was given to us by either the school (current) and from the State Department of Education website. We have been absolutely transparent, and have represented the facts as we have been able to obtain from current documents published by the State.

If Ken would have talked to one of us, he would have known that the financial dashboards, which are the most current numbers provided by OUR school to the State, were first given to Birch Dalton by several school employees. This was after all the Instructional Assistants were cut, and school principal budgets were cut 50 percent or more. These are the same dashboards handed out when those cuts were made, so were they not good back in May 2018 also? Further, if telling the truth is nasty, then Ken Alexander has a real problem. It should be noted the current board was of 2014 vintage, so they own the 2016 numbers. Also, Birch Dalton met with the author of House Bill 1315 to discuss the bill in detail. Unless Ken Alexander has done so as well, we doubt he has any real basis on speaking to it.

It is clear our current board worried about the implications when they cut IAs' and principal's budgets. However, their rationale is unclear as it relates to the increases in administrative overhead. What does Ken plan to do if taxpayers don't renew a \$7,000,000 voter-dependent operating referendum? Does Ken Alexander know how much money we have in our rainy-day fund through this budget cycle? We are aware of the PROPOSED financial indicators that will come out next year. When asked, the current administration was not able to provide updated numbers. The numbers from the State are the ONLY numbers available.

We all want to believe what Ken believes. We want to believe all is well with the Westfield school system. We love Westfield and moved here for the schools just like Ken. We want Westfield Schools to be the best in the county ... the best in the State.

However, unlike Ken, we cannot ignore what the State of Indiana has [documented in their current School Dashboards](#).

According to the current Indiana State dashboards, [Westfield Schools are in financial distress](#).

And, HB 1315 gives the State of Indiana the ability to take over a school system in financial distress in the same manner in which [Gary and Muncie were taken over](#).

How do we know this? Birch has talked with the author of HB 1315 who is deadly serious about school systems "getting their house in order." The State of Indiana does not want to take over the Westfield school system. Nobody wants them to do this.

Westfield Schools are taking action in order to stay ahead of any possible Corrective Action Plans (CAPs) imposed by the State. The actions, to this point, include cuts to "in-classroom" resources (Instructional Assistants and the budgets of school principals). At the same time, we have seen an increase in "non-classroom resources" (administration). This is not good. These actions will result in lowered classroom performance due to fewer classroom resources. This makes it more difficult to keep up academically with our neighboring school systems as we have seen in the most recent [Indy Star article about ISTEP grades](#).

These measures result in lower teacher morale and difficulty in attracting and retaining the best teachers. How do we know this? We have talked with MANY school employees over the past couple of months and they have told us as much. Taking corrective action ahead of the State of Indiana imposing any CAPs is a good thing as long as those measures are focused on "non-classroom" resources.

We urge Ken to talk with Westfield school employees like we have and hear what they have to say and then revisit his letter.

Noblesville Fire helps educate kids, public about dangers of carbon monoxide

The REPORTER

On Oct. 6, the Noblesville Fire Department collaborated on a safety event with LaPorte County-based Lindsey O'Brien Kesling (LOK) Wishing Tree Foundation. LOK Founder Dot Kesling lived in Noblesville from 1976 to 1982 and attended Noblesville High School, later moving to La Porte to raise a family.

Dot Kesling's daughter Lindsey died in 2010 at the young age of 22 from accidental carbon monoxide (CO) poisoning. Since that time, Kesling and the organization founded in her daughter's memory have worked tirelessly to garner support from legislators at the state level to adopt CO protection, as Indiana is one of just a few states that has no such requirements. While statewide legislation is the real goal, Kesling meanwhile has been encouraging communities to adopt local ordinances and to host CO awareness events to protect their citizens.

In May 2017, Lindsey O'Brien Kesling's hometown of La Porte became the first city in Indiana to adopt a local CO ordinance. Several other cities and counties are in various stages of adopting ordinances. Kesling appealed to the Hamilton County Commissioners in the spring, but so far they have not taken action on passing a local ordinance. Kesling encourages citizens to attend their meetings and/or contact the commissioners to encourage its adoption.

Between 2010 and 2017, Hamilton County grew 17.1 percent, the fastest growing county in the state, far outpacing the state's overall population growth of 2.7 percent. These new citizens could well be moving into new homes with no CO alarm installed since it is not required by law.

"We need citizens to awaken to the threat this silent killer poses and take civic action to protect themselves by insisting that the

state update their archaic building code (still operating from a 2005 code -- you can't even get a hard copy and it's dangerous.) The state has assembled the Indiana Residential Code Committee to review the code and attempt to update it. For years they have intentionally refused to add CO protection because of several special interest groups, such as the Indiana Builders Association and the Indiana Apartment Association. The governor needs to ensure the group adds carbon monoxide protection to the state building code, since they've refused to pass a statewide law. This is not a partisan issue, as states blue and red have passed some sort of protection. CO is the number one poison killer and Hoosiers deserve the same protection. Meanwhile, they need to ensure that their own homes and those of friends and neighbors are safe by installing CO alarms," states Kesling.

LOK Wishing Tree Foundation's CO outreach would not be possible without the partnership of fire departments as well as volunteers.

"We are thankful to the Noblesville Fire Department for providing the venue and the support for this inaugural CO awareness event," Kesling said.

Kesling also thanks Brad Beaver, Owner of Beaver Heating and Air Conditioning, a classmate of Kesling's at Noblesville High School who volunteered at the event. Beaver said, "The CO safety coloring page was a big hit with the kids. The event was well attended."

Beaver and other volunteers made sure attendees were offered life-saving information about CO, coupons to save on select CO alarms, and a few dozen alarms were given away free to families in need.

To learn more about the organization or about the dangers of carbon monoxide, visit lok.wishingtree.org.

Photo provided Kids learned about carbon monoxide safety at an event last month sponsored by the Noblesville Fire Department and LOK Wishing Tree Foundation.

Mary Ann Hess

November 8, 1955 – October 31, 2018

Mary Ann Hess, 62, Noblesville, passed away on Wednesday, October 31, 2018 at Riverview Health in Noblesville. She was born on November 8, 1955 to Hubert and Mary Neiswinger in Noblesville.

Mary Ann was a member of Bethel Missionary Baptist Church for 25 years. She was a homemaker. Mary Ann was an avid reader, enjoyed doing puzzles and word searches, and loved to cook. She was a Sunday school teacher for many years. Mary Ann loved working with kids and volunteered her time to help the elderly. She had an open heart for anyone.

She is survived by her son, Jack Hess, Jr.; sisters, Ruth Biddle and Helen Miller; brother, Fred (Gail) Neiswinger; several nieces

and nephews.

In addition to her parents, she was preceded in death by her husband, Jack Hess, Sr.; and sister, Alice Neiswinger.

Services will be held at 6 p.m. on Monday, November 5, 2018 at Bethel Missionary Baptist Church, 11818 E. State Road 32, Noblesville, with Pastor Mark Lowe and Pastor Bryan Marler officiating. Visitation will be from 4 p.m. to the time of service at the church. Cremation will follow the service.

Memorial contributions may be made to Bethel Missionary Baptist Church, 11818 E. State Road 32, Noblesville, IN 46060.

TODAY'S BIBLE READING

And they send unto him certain of the Pharisees and of the Herodians, to catch him in his words. And when they were come, they say unto him, Master, we know that thou art true, and carest for no man: for thou regardest not the person of men, but teachest the way of God in truth: Is it lawful to give tribute to Caesar, or not? Shall we give, or shall we not give? But he, knowing their hypocrisy, said unto them, Why tempt ye me? bring me a penny, that I may see it. And they brought it. And he saith unto them, Whose is this image and superscription? And they said unto him, Caesar's. And Jesus answering said unto them, Render to Caesar the things that are Caesar's, and to God the things that are God's. And they marvelled at him.

Mark 12:13-17 (KJV)

Mary Catherine (Vissing) Young

January 26, 1926 – October 25, 2018

Mary Catherine (Vissing) Young, 92, Noblesville, originally of Jeffersonville, Ind., entered eternal life peacefully on October 25, 2018 at 3 a.m., only two days after her 70th wedding anniversary. Her husband, Robert G. Young, Sr. preceded her in passing, after 57 years of marriage, on May 5, 2005. Those of "The Greatest Generation" survived The Great Depression and World War II, and those struggles were the learning tools of their lives. The rationing, patriotism, service, fighting for the greater good, and the never-give-up-even-against-the-worst-odds attitude molded her character and tenacity to stay any course.

Mary was a natural-born nurse, but her daddy would not let her join the service as a nurse. She was a mother, teacher, taskmaster and disciplinarian who was not timid about wielding a stick, or anything resembling a stick when needed. She loved all her children dearly: Sandra (and Tom) Wire, Noblesville; Robert G. Young Jr. (and Debbie), California; Stephen A. Young, Carmel; and Sharon (and John) Hampton, Noblesville; her grandchildren: Mary (and Jeff) Passage, Noblesville, Tom (and Karen) Wire, Jr. Noblesville, Jerry (Gerald and Katy) Wire, Seattle, Wash., Robert G. Young, III (and Hulya), Jessica Young and husband (David Minchaca) of California, and Christine Greene of Idaho, John (and Angela) Hampton, Jr. Noblesville, Anthony (and Lyndsay) Hampton, York, Pa., and Matthew (and Sydney) Hampton, Key West, Fla.; great-grandchildren: Nathan and Ally (twins), and Tricia; Jack and Chloe, Seattle; Taylan of California, Alex of Idaho, and Spencer, Sawyer, Sydney and Sloane of York, Pa. Honorable mentions are: "Family Adopted" Brazilian foreign exchange students, Cris (and Igor) Mizumoto and son Lucas, Daniel (and Camilla) Watanabe, Natalia Martins, and two step-grandchildren Lisa and Matt Schemenauer. Pets: Bookie, Snoopy, Jody, Joe Bird, Chippy and Coco.

Mary Catherine and Bob successfully worked together as husband and wife in the family business of Young Packing Company, making it a great place to work for the employees. Past employees still remark about it being the best place they ever worked, with a wonderful family atmosphere. Mary never said, "I can't". She could do the work of two men with one arm tied behind her back.

Mary was a can-do person with many skills and talents, which she applied to her love of golf, fishing, bridge, bunko and games of all sorts. She enjoyed sewing, gardening and entertaining, as she was a gracious hostess. She had a natural gift of rhythm along with great legs and once was invited to audition for the Rockettes. (Her daddy wouldn't let her do that either.) She was a great dancer and constant toe-tapper. She loved doing for others, having lots of fun, and insisted on lots of laughter. She liked to share her stories of her childhood which were always compelling stories of mayhem. She once shot a policeman (friend of the family) in the nose. Kids told her the gun wasn't loaded. She took it and safely aimed at the ground and pulled the trigger. The BB hit a rock and ricocheted hitting the policeman. You can't make this stuff up.

Mary Catherine's time in Noblesville included being active in Tri Kappa, and volunteering, with two more notable performances. One in the Annual Tri Kappa "Haunted House," where she was known for her gruesome and scary displays of horror thanks to her "real" props, including bloody aprons from the packing plant. She had a love of the theatrical and never was shy in the limelight. The second notable mention is still talked about 50 years later. Mary was a basketball star at Jeff High and the team captain. With this prowess she ruled on the floor playing "Donkey Basketball." Riding her donkey down the floor, she made a fantastic one armed hook shot behind her back while holding on to the donkey reigns. As the ball entered the hoop, the crowd rose to their feet and erupted in a roar, cheering the sheer beauty of the perfect shot – nothing but net. It was the talk of the town for years.

While at Jeff High she was crowned Miss Jeff High, as her natural beauty and warm smile were a winning combination. Her enthusiasm for life was contagious and she was willing to infect everyone. Always encouraging others to do their best, with a smile and pat on the back, and if necessary a kick in the rear.

She was a member of St. Rose of Lima in Franklin, Ind., and Our Lady of Grace in Noblesville, being a faithful Catholic from a large family in Jeffersonville. She was predeceased by her parents, William H. and Marietta Vissing, Sr., and her five siblings, brothers: William H. Vissing, Jr., Augustus "Gus" Vissing and Vincent Vissing, and sisters: Rita Ann Gavin, and Rose Marie Scott; and also infant grandchildren: Alex and Stephanie Young.

Two services are scheduled. The first at St. Augustine's in Jeffersonville with a Mass of Christian Burial at 10 a.m. on Saturday, Nov. 24, with a meal following. The second will be a Memorial Mass at 10 a.m. on Friday, Dec. 28 at Our Lady of Grace in Noblesville, with a meal following.

Mary will be greatly missed by her family and all who grew to love her. The family wishes to thank all caregivers who generously served her needs at Westbrooke, Prairie Lakes, and The Lodge. Special thanks to Dr. Dwyer and those at Harbor Manor in her final months.

Arrangements entrusted to A.R.N. Funeral & Cremation Services. Friends may leave a memory or message of condolence by visiting the online obituary at armortuary.com.

Panthers overwhelm Tigers for Sectional 5 championship

By RICHIE HALL
FISHERS - Fishers' football season came to an end on Friday, as the Tigers lost the Class 6A Sectional 5 championship game to North Central 42-7 at Reynolds Tigers Stadium.

The Panthers are ranked No. 4 in 6A, and they played like a top-level team in winning their first sectional title since 1993. North Central is now 9-2 for the season and hosts No. 1 Warren Central next week for the Regional championship.

"They've had a great year and they were a lot better than we were tonight," said Fishers coach Rick Wimmer. "I was a little disappointed we didn't play a little better, but you got to give them a lot of that credit."

The Panthers wasted no time in getting on the board: Quarterback Liam Thompson threw a pass to Richard Hamilton on the second play of the game, and Hamilton took it in to the end zone for a 51-yard touchdown reception. That gave North Central a 7-0 lead just 59 seconds into the game.

The Tigers held NC to a three-and-out in its next possession, and then recovered a fumble late in the first quarter. That gave Fishers excellent field position, and they took the ball to the five-yard line. Fishers attempted a field goal, but the Panthers blocked the kick, and North Central's Michael Brown scooped it up and took it 75 yards for a touchdown.

"They busted out a kickoff return on us, then got it going pretty quickly offensively," said Wimmer. "Then we missed a scoring opportunity, had a chance to tie it up or at least get to 7-3, and they turn it around and make it a 14-point game pretty quick. That was a tough part right there."

The Panthers led 28-0 at halftime, after Thompson made two more long touchdown passes in the second quarter. In the third period, Thompson ran in for an eight-yard TD with 5:08 left in the quarter, then Daniel Smith scored on a 20-yard touchdown run early in the fourth period. Scott Hoeg made all six extra point kicks.

Fishers got on the board midway through the fourth quarter, when Collin Statz caught a 22-yard touchdowns pass from Marcus Roux. Jack Phillips made the extra point

Reporter photos by Kirk Green

Fishers quarterback Marcus Roux threw a fourth-quarter touchdown pass during the Tigers' Sectional 5 championship game with North Central Friday at Reynolds Tigers Stadium.

kick. North Central took over and ran the ball and the clock out from there.

Roux finished the game completing 10 of 24 passes for 83 yards, with Statz collecting six receptions for 49 yards and the score.

North Central's defense held Fishers to 71 yards rushing; Roux had the most yardage, 24 in eight carries.

The Tigers finished the season 4-6, but still performed admirably despite dealing

with injuries throughout the season. "I was proud of the way our kids hung together," said Wimmer.

Carmel wins 30th football sectional title...

Greyhounds come back to dominate Bronchos

After getting a first-quarter shock from Lafayette Jefferson, Carmel came back to dominate the next three quarters.

The No. 3 Greyhounds recovered from a two-touchdown deficit to beat the No. 8 Bronchos 41-21 to win the Class 6A Sectional 4 championship Friday night at Jeff's Schuemann Stadium. The victory marks the 30th sectional title for Carmel, making the Greyhounds the first football program in IHSAA history to reach that mark. Carmel will host Fort Wayne Snider next Friday for the Regional 2 title.

The Bronchos quickly went up 14-0 thanks to two long touchdown passes by

quarterback Maximus Grimes. The sophomore hit Brian Jenkins for a 50-yard score, then connected with Derrick Matthews two minutes later on a 67-yard TD throw.

The 'Hounds were able to get some momentum after scoring with 33 seconds left in the first period. Gabe Quigley ran the ball in for a three-yard touchdown, and Spencer Hanna's kick cut Jefferson's lead to 14-7.

That was the start of 35 unanswered points for Carmel. Quigley's 35-yard pass to Sam Rogers tied the game in the middle of the second quarter, then Zach White rumbled into the end zone with 1:22 left in

the half. Hanna made both kicks, and the Greyhounds led 21-14 at the break.

Neither team scored in the third period, but Carmel made up for that early in the fourth. Haakon Van Beynen took a 17-yard Quigley pass in to score with 10:36 left. Thirty seconds later, Joey Schmidt nabbed a 37-yard interception return and took it in to score. Hanna again made both kicks, giving him a 5-for-5 effort.

The Bronchos got one more score when

Grimes caught a 32-yard touchdown throw from Grimes with 1:07 left. But the Greyhounds answered that immediately, as Schmidt took a 44-yard kickoff return into the end zone.

Quigley had a remarkable night, completing 11 of 13 passes for 146 yards and the two TDs. Rogers had four catches. White finished the game with 20 carries totaling 111 yards.

Carmel is now 9-2 for the season.

Collins' jumper, Turner's block secure Pacers win over Bulls

By KYLE GRAND

The Pacers came out on top in a back-and-forth affair against the Bulls, winning 107-105 in Chicago.

The game came down to the final few minutes. The Bulls led by seven midway through the fourth quarter, but the Pacers answered with a 7-0 run to tie things up at 99 with 4:33 left. After a Bulls timeout, Indiana regained the lead and was up 105-101, but the Bulls weren't done.

Darren Collison fouled Antonio Blakeney behind the 3-point line. Blakeney made the shot and the ensuing free throw to tie the contest with 30.5 remaining.

Nate McMillan drew up a beautiful play and that found Collison open in the left corner. After a pump fake that sent a defender flying, Collison got a little closer and made amends for the previous play, draining a jumper to put Indiana up two with 18.5 seconds left.

On the Bulls' final possession, Zach LaVine missed a jump shot, and the ball came to Justin Holiday. He missed an open 3-pointer, which bounced to Blakeney. Blakeney tried to get a shot up but Myles Turner was right there and firmly denied him for his sixth and most important block of the game.

"That's what we wanted him to do is to

defend the basket," Pacers head coach Nate McMillan said. "Tonight, he had to come out and defend the perimeter. Their guards are scorers, and those guys have the ability to shoot behind that 3-point line, and they were knocking down some shots. We stayed with our defense trying to pressure those guys, keeping our 'biggs' up, and he had the game-winning block at the end there."

The finish may have been strong, but the Pacers' start was less than stellar and led to the team finding itself in a hole early. Chicago jumped out to a 23-9 lead with 5:45 to play in the opening quarter. When the period was over, the Pacers were still down double digits, trailing 37-22.

Early in the second quarter the Bulls' lead grew to 18, but from that point Indiana responded and took over the game. The visitors went on a 28-8 over a period of 7:05 to tie things up at 50 with just over three minutes to play in the half.

The Pacers took their first lead of the game, 57-55 with 40.0 seconds to go and were able hold onto that advantage heading

into the locker room.

In the third, both teams continued to battle and were tied at 70 at the quarter's midway point. Indiana would eventually build an eight-point lead and take a seven-point advantage, 87-80, into the final period.

But the lead wouldn't last long as Chicago got off to a great start in the fourth. The Bulls regained the lead, 94-92, thanks to a Blakeney jumper with 7:58 left in the game. From there, the Pacers made just enough plays to secure the win.

"The great thing about this team is that we respond well," Pacers guard Victor Oladipo said. "We get on each other, we get upset at each other, we challenge each other, but at the end of the day we're still a family."

Oladipo finished the half with 25 points and 14 rebounds. In addition to his six blocks, Turner had 18 points and three rebounds.

The Bulls were led by 22 points from Blakeney. LaVine added 20 points, six rebounds and five assists.
