## Cicero receives \$500K grant for East Jackson Street project

**The REPORTER**

Indiana Governor Eric Holcomb and INDOT Commissioner Joe McGuinness have announced that 283 Indiana cities, towns and counties received a combined \$100 million in state-matching funds for local road projects through the Next Level Roads: Community Crossings Initiative. The Program is in its third year and has awarded nearly \$400 million in state matching funds to local governments for construction projects. A total of 444 communities applied for funds making this year's call for projects highly competitive.

The Town of Cicero was awarded \$538,572.67 for its East Jackson road reconstruction project that will include milling and paving of the road, new sidewalks and curbing. The Town was able to provide additional match to complete the project with new lighting and electricity components and pedestrian friendly crossings to include new bump outs. Cicero Town Council members Chris Lutz and Chad Amos have worked alongside Streets and Util-

Miller

ities Department Superintendent Pat Comer and Keith Bryant, the Town's Engineer, to develop this project. "The funding the Town of Cicero has received for our East Jackson Street road reconstruction project will help us make an impact in the safety of our roads for our residents and visitors," Town Council President Rusty Miller. "We appreciate the opportunity INDOT has provided to communities like ours across the State for projects that we may

not have been able to complete without these funds." "Infrastructure plays a vital role in taking Indiana to the Next Level, and that includes everything from our interstates down to the last mile - including our local roads, bridges and sidewalks," Holcomb said. "When it comes to building and maintaining our infrastructure, we're in this together for the benefit of all Hoosiers. I am encouraged by the immediate impact of this program and look forward to hundreds more projects funded by Community Crossings taking shape in the coming months."

## Fishers is one step closer to rebuilding two fire stations

By LARRY LANNAN | [LarryInFishers.com](http://LarryInFishers.com)

The Fishers City Council held a rare early-morning session Monday in an effort to meet the legal deadlines for issuing \$9.5 million in bonds by the end of the year, financing the replacement of two fire stations. The two stations are planned to be demolished and rebuilt at their current locations.

One set for reconstruction is the Fire Department headquarters building next to City Hall, which also contains a fire station. The other facility is located along Allisonville Road, near 106th Street and adjacent to Metropolitan Airport.

If all goes as planned, the demolition and reconstruction projects will start in 2019.

Mayor Scott Fadness tells LarryInFishers the city is in the process of finding temporary locations for each fire station while the construction is ongoing, within their current districts, to handle response times for fire crews within each fire district.

No one spoke at the public hearing and the council unanimously approved the bonds.

## Leaf pickup underway in Noblesville

**The REPORTER**

The Noblesville Street Department is in the process of its annual leaf-pickup program. There are two methods that residents may use to dispose of leaves: 1) Placing leaves in free, biodegradable bags; and 2) Raking loose leaves to the grass area next to the curb without placing leaves in the street.

"The bagged leaf method is the quickest method of pickup since bagged leaves are collected weekly," Noblesville Street Commissioner Patty Johnson said. "If residents choose to pile loose leaves, they should remain on the edge of their

property and not be in the street as this causes issues for motorists and obstructs the roadway."

There can be a waiting period of up to three weeks between loose leaf pickups because street crews make a continuous circuit of the city with the leaf vacuums and street sweepers. Bagged leaves will be picked up on the same day as residents' regular trash day but not necessarily the same time since leaves are collected by the street department and not Republic Services. Please make sure that leaves are only bagged in biodegradable or compost bags and are placed

separately from trash containers. Residents may set out as many biodegradable bags as necessary.

"Bags or loose leaves with brush, grass, litter, and/or other debris will not be picked up, as this will damage equipment. Both bagged and loose leaves are recycled into compost," Johnson said.

Biodegradable bags are available free of charge to Noblesville residents at all Noblesville fire stations, City Hall (16 S. 10th St.), Noblesville Street Department (1575 Pleasant St.) and the Hamilton County Household Hazardous Waste Center (1717

Pleasant St.).

The street department will continue to pick up leaves as weather permits. Residents are strongly encouraged to bag their leaves after Dec. 14 because loose leaves run the risk of freezing, which then makes them unable to be picked up by the leaf machines. If residents have loose leaves for pickup after Dec. 14, they will need to contact the street department and provide their address.

For more information about the leaf program, contact the Noblesville Street Department at (317) 776-6348.

# Sheriff-elect Dennis Quakenbush pledges to keep Hamilton County “safe, efficient, thriving”

**The REPORTER**

Hamilton County Sheriff-elect Dennis Quakenbush released this statement following his victory in Tuesday's general election:

“I have been honored to serve on the Hamilton County Sheriff's Department for over 16 years and, during that time, as your patrol commander for almost 8 years. With that, I am humbled to have received the news that I will be your next sheriff of Hamilton County.

“Serving under both Sheriff Doug Carter and Sheriff Mark Bowen has played a major role in preparing me to step in and continue the great progress our county has experienced. I am looking forward to building on the successful programs of the sheriff's department and leading the deputies, corrections officers and

civilian staff who have collectively made Hamilton County one of the safest counties in the United States.

“Over the past year, I have had hundreds of volunteers come forward and help the “Push For Quakenbush”. It is difficult to put into words just how much this means to my family and I. Thousands of hours have been volunteered on my behalf and I couldn't be more thankful.

“The future is bright for Hamilton County. We live in one of the best places to live in the United States and our great citizens play a great role in that. I asked, vote for me to help keep our county safe, efficient and thriving and Hamilton County listened. I do not take this responsibility lightly and once again thank those who have made this possible.”

## Alden Bacon June 3, 1935 – November 3, 2018

Alden Bacon, 83, of Cape Coral, Fla., formerly of Sheridan, passed away at his home on November 3, 2018. Born in Sheridan on June 3, 1935, he was the son of the late Gerald L. and Helen E. (Marlow) Bacon.

Alden attended Sheridan High School and would later go to work for Biddle Screw Products. While working as the production manager and supervisor at Biddle's, he relished in the fact and was always quick to point out (especially to one special employee) that he was his son in law's boss – at least while they were on the clock. After 40 years of dedicated service to the company, he took his retirement and headed for a much warmer climate. Retirement suited Alden just fine, as if the first half of his life was just a warm-up for the main event.

With his free time, he was able to focus on the things that brought joy into his life. He was able to travel whenever, however, and wherever he wanted. Cruises and fishing trips were his two favorite activities, but he also loved heading out west. And ... if his travels brought him anywhere near a casino, well ... he always made a beeline for the slot machines. Alden also had a soft spot for wild animals, especially birds. He enjoyed feeding any hungry critters that crossed his path.

Alden loved making people laugh. His amazingly quick wit and sense of humor always kept you laughing. One of his favorite gags was giving half-baked responses to questions people would ask him in passing. Whenever he was asked about what he was doing lately, his go-to response was, "I'm roofing." Alden got a lot of miles out of that one. So much so, that even though it was fictitious, it became something of a second career for him.

Alden is survived by his daughter, Shelly Schiedel (Darrell), Sheridan; two grandchildren, Christy Johnson (Devon), Westfield, and Josh Stoops, Sheridan; six great-grandchildren, Nick Dowd (fiancée, Haley Dedrick), Cora Stoops, Cameron Johnson, Sammy Johnson, Kaitlin Stoops and Adelynn Stoops; three brothers, James Bacon (Cherie) of Ohio, David Bacon (Marcia) of Alabama, and Rick Bacon (Dana), Zionsville; four sisters, Mary Lou Ashley, Sheridan, Anita Carol Gillmore, Cape Coral, Fla., Peggy Artman (Gary), Lebanon, and Cheryl Inman (Steve), Sheridan; and by his loving companion of the last nine years, Maria Bartman.

He was preceded in death by his parents; two brothers, Gordon and Gerald Wayne Bacon; and by his loving wife, Barbara L. (Rogers) Bacon on June 4, 2008. She and Alden were married on November 8, 1957.

Services will be held at 11 a.m. on Saturday morning, November 10, 2018 at Kercheval Funeral Home, 306 E. 10th St., Sheridan. Burial will follow at Crown View Cemetery in Sheridan. Alden's grandson in law, Devon Johnson will be officiating. Visitation will be from 4 to 8 p.m. on Friday, November 9, 2018 at Kercheval Funeral Home in Sheridan.

## Tigers win at Anderson, improve to 3-0

By RICHIE HALL

ANDERSON - The Fishers girls basketball team is off to its best start in four years.

The Tigers improved to 3-0 Wednesday by defeating Anderson on the road, 67-48. Fishers got off to a fast start, opened up a late lead by the third quarter and held off a late comeback by the Indians in the fourth period.

The Tigers scored the first nine points of the game, and the first seven of them were from the free throw line. Skylar Fulton got the first basket of the contest on a jumper with just over four and a half minutes left in the first quarter, and that put Fishers up 9-0.

Anderson hit back-to-back 3-pointers to cut the Tigers' lead to 9-6, but putbacks from Regan Newman and Tamia Perryman finished the period, and put Fishers up 13-6. Lydia Stullken and Katie Burton made layins to move the Tigers ahead 17-6 - an 8-0 run. All eight players that took to the court for Fishers scored on Wednesday.

"That's the thing about us," said Tigers coach Lauren Vail. "On any given night we have kids that can do that, that can help us out and come up late with points or rebounds or whatever it might be."

At halftime, Fishers led 23-14. The Tigers started the third quarter with a 17-2 run, giving them a 40-16 lead. Perryman scored six points, while Audra Emmerson added five on two nifty shots: She made a no-look flip into the basket to begin the period, then later drained a 3-pointer.

Fishers enjoyed a 48-26 lead late in the third. The Indians' Staisha Hamilton ended the quarter with a 3, and that actually began a 12-0 run for Anderson that cut the Tigers' lead to 48-38. Fulton and Burton each made layins to end the run, and that gave Fishers the momentum to stay well in front. Emmerson helped out with another 3.

"I think our kids settled down and played our style of basketball," said Vail.

Emmerson scored 16 points for the Tigers, while Perryman added 10 points and nine rebounds. Cierra Tolbert had nine points and eight rebounds, with Stullken grabbing five.

After three games on the road, Fishers will finally play at home on Saturday. The

Fishers' Cierra Tolbert scored nine points and pulled eight rebounds for the Tigers during their win at Anderson on Wednesday. Fishers won 67-48 and is now 3-0 for the season.

Tigers will host their own Fishers Classic, taking on Lake Central at 12:30 p.m. and Valparaiso at 3 p.m.

"It's nice to see teams from outside of our area," said Vail. "They always bring a little something different. Valpo's very long and Lake Central is just very disciplined and they run a lot of sets. It's good for us to play

that competition."

Football regional preview

# Carmel hosts Snider for regional rematch

Last Friday, two of Indiana's elite high school football programs added to their large sectional championship totals.

On Friday, Carmel and Fort Wayne Snider will face off for a regional championship. The No. 3-ranked Greyhounds will host the Panthers at Carmel Stadium for the Class 6A Regional 2 title, with kickoff set for 7 p.m.

Both teams are coming off high-scoring sectional championship victories. The 'Hounds picked up their record 30th sectional crown by defeating No. 8 Lafayette Jefferson 41-21 at the Bronchos' Schuemann Stadium, giving Carmel the Sectional 4 title.

Snider traveled to Homestead last Friday and beat the Spartans 49-35 for the Sectional 3 championship. The Panthers thus won their 12th consecutive sectional championship and 27th overall, tying them with Bishop Chatard for second place in the all-time sectional title list. (The Trojans beat Indian Creek 42-6 to win their 27th sectional crown.)

This year's Carmel-Snider game is a rematch of last year's Regional 2 game. The Greyhounds played at Northrop High School, and came from behind, rallying from a 21-7 deficit to stun the Panthers 22-21.

Snider is 9-2 this season, its second playing in Class 6A after being bumped up due to the IHSAA's success factor. The Panthers went through the regular season 7-2, beating Fort Wayne North Side 31-8, Concordia Lutheran 37-7, Fort Wayne South Side 55-0, Homestead 23-7, Northrop 48-21, Bishop Dwenger 21-13 and Bishop Luers 33-14.

Snider's two losses were to Carroll 38-14 and Wayne 21-7. The Panthers played all of their regular season games against Summit Conference opponents, a 10-team league. Snider tied for second with Wayne in the Summit standings; but was the only team to beat Bishop Dwenger, the league champion with an 8-1 record.

In sectional play, the Panthers avenged their loss to Carroll by beating them 49-30, then took care of Homestead 49-35.

Snider's quarterback is junior Jon Barnes Jr. He has passed the ball well, completing 106 of 175 passes for 1300 yards and 15 touchdowns. Alonzo Derrick is the Panthers' top receiver with 33 catches, including two scores, while senior Simon Dellinger has the most touchdown catches with five; he has 27 overall.

On the ground, senior Anyis Lockett has been a force. Lockett has gained 1,248 yards for the season in 207 carries, including 17

scores. Senior Tavareon Scott leads the Snider defense with 77 tackles, including 12 for a loss, and six sacks. Junior Gianini Belizaire has 15 tackles for a loss.

Carmel is also 9-2 for the year. The Greyhounds have regular-season wins over Louisville Trinity 24-21, Noblesville 34-7, Pike 28-13, Lawrence North 23-9, North Central 41-40 (in triple overtime), Ben Davis 21-7 and Lawrence Central 16-14. Carmel's losses were to Center Grove 17-7

and Warren Central 41-17; the 'Hounds finished tied for second in the Metropolitan Conference with a 5-2 record.

In the post-season, Carmel beat Westfield 28-7, then Lafayette Jeff 41-21. The Bronchos got a quick 14-0 lead on the Greyhounds in the first quarter before Carmel came back and dominated the next three quarters.

The 'Hounds have used two quarterbacks this season. Tyler Trent has completed 66

of 163 passes for 936 yards and 10 touchdowns, while Gabe Quigley is 25-of-44 for 337 yards and five TDs. Christian Williams leads the receivers with 26 catches, followed by Sam Rogers with 24. Both have caught five touchdown passes.

Zach White is Carmel's rushing leader with 949 yards in 156 carries and nine scores. Dylan Downing is next in line, with 626 yards in 108 carries and four touchdowns.

## Philly's fourth-quarter run sends Pacers to second straight loss

By GREG RAPPAPORT

Courtesy nba.com/pacers

The Pacers trailed by just seven entering the final quarter at Bankers Life Fieldhouse, but a 14-4 Philadelphia run to start the fourth proved to be Indiana's undoing on Wednesday as the Pacers fell 100-94.

"I think we just need to loosen up a little bit and go back to playing free basketball," said Victor Oladipo. "We still defended at a high level. We have to find a way to get our groove back; but we'll find a way."

Despite trailing by as much as 17 points in the fourth quarter, Indiana (7-5) had a final rally left in it with just over five minutes remaining in the game.

It started with a Bojan Bogdanovic 3-pointer, then was followed by a three from Oladipo and a layup from Domantas Sabonis to bring the deficit to single digits.

Moments later, after the 76ers (7-5) extended their lead, Bogdanovic struck again from deep, canning a three to bring the score to a 98-90 lead with two minutes left.

Oladipo had a look from the wing, a shot he's nailed in recent weeks, but the ball spun around the cup and out with just over a minute remaining, essentially ending Indiana's comeback bid on the night.

The loss overshadowed a stellar offensive night from Oladipo, who finished

with a season-best 36 points, 24 of which came in the first half.

But despite Oladipo's offensive eruption, the Pacers struggled as the team, connecting on only 8-of-31 shots from long range.

"You've got to make some shots. If you're not making shots, then they're not going to double team," said Pacers head coach Nate McMillan after the game. "If you can't create penetration and break the defense down, they don't have to leave the perimeter. So, we've got to make some shots."

The Sixers were led by the bruising pair of forwards Joel Embiid and Dario Saric, who combined for 38 points.

It was a tough night on offense for the Pacers, who failed to break 100 points for the second game in a row. The Blue & Gold shot 38.7 percent from the field, and only had three players reach double-figures for scoring.

Indiana began the night unable to get its offense started, quickly falling behind 13-2 as the 76ers built an early advantage. With the Pacers looking for a spark, their leading scorer gave them one, as Oladipo racked up 10 of Indiana's first 12 points to bring the deficit back down to single digits.

Indiana closed the first quarter on a positive note as Tyreke Evans and Sabonis each scored in the paint, slicing the score to a six-point Philly lead.

To start the second quarter, the 76ers scored two straight buckets to jump ahead by 10. With the reserves in the game, Indiana's offense started to flow, embarking on a 13-0 run to vault the Pacers into the lead.

The Sixers responded by scoring seven unanswered to retake the lead, but Oladipo again had an answer, getting two straight buckets, including a fastbreak dunk to ignite the home crowd.

Trailing by two and with the clock winding down, Oladipo went to work on Embiid, getting a floater to fall over the towering center to tie the game at 50 apiece as the teams entered the halftime locker room.

With the third quarter underway, the 76ers starting to catch fire from long range,

making two quick shots from behind the arc to move ahead. Indiana briefly took the lead when Oladipo connected on a three of his own to make it a 66-65 advantage with 3:44 left in the quarter, but the 76ers went on a run from there, opening up a 78-72 lead over the Pacers entering the fourth.

To begin the final quarter of play, Indiana found itself in danger early as baskets from Robert Covington and Embiid quickly put the Pacers behind 84-73 with 10:29 left in the game.

But danger didn't stop there. Philly continued its attack, expanding their lead when Saric and rookie Landry Shamet hit back-to-back 3-pointers.

The Pacers were unable to complete their comeback bid from there, dropping their second-straight home game.
