Gaylor Electric spreads holiday cheer on the Reindeer Ride Express

STATEMENT
from Page 1

The REPORTER

Gaylor Electric and Nickel Plate Express are ready for the holiday season, thanks to a string of 2,200 holiday lights.

A sponsor of the 2018 Reindeer Ride Express, Gaylor Electric donated and installed over 2,200 LED Christmas lights along the exterior of the Nickel Plate Express train. A team of 20 Gaylor volunteers that included employees, spouses and children decorated the train early in November. The Gaylor team returned to the train Tuesday to test the lights before the official lighting ceremony on Friday, Nov. 23. The LED Christmas lights adorn all four Santa Fe passenger cars, the F9 locomotive and boxcar.

"We are very honored to be a part of the lighting of the Reindeer Ride Express," said Gaylor Electric Service Manager Kevin Scheid. "Our volunteers worked alongside Nickel Plate Express, stringing lights across the train to prepare it for the upcoming holiday season. We look forward

to all the fun and joy that this project will bring to the community!”

The Gaylor Electric team began prepping for the festive undertaking in August, before the historic equipment had even arrived in Hamilton County. The electrical contractor utilized diagrams of the train to determine light placement, quantity and wattage. The Gaylor Electric team has extensive experience installing all types of lighting, but this was their first time installing holiday lighting on a train. By prepping and testing the lighting in their prefabrication shop, Gaylor reduced time spent working outside and ensured the safety of the installation team.

"I am confident our illuminated train will be a gorgeous sight as it rolls through northern Hamilton County this season," said Nickel Plate Express Executive Director Deanna Holt. "Gaylor Electric has been incredible to work with. They have been prepared and professional every step of the way. We are grateful for their sponsorship."

that attended the community forum on Saturday afternoon, and for the Noblesville Diversity Coalition and NHS student leaders for organizing it so quickly.

"Noblesville is our home. It is home to more than 65,000 residents. We have different backgrounds, different languages, different religious beliefs and different skin colors. Our differences do not divide us, but make our community stronger and richer. We all call Noblesville home. We all want the best for our children and to live in a safe, nurturing environment.

“As the district holds its own discussions with students, it is important for every family in Noblesville to have their own conversations with their children about diversity and inclusion. This conversation will continue so we can make real, meaningful change and ensure this type of incident never happens again.”

Westfield poker tournament pays out big

Congratulations to Donna Schroder on winning the \$10,000 First Prize in the 2018 Fall Lions for Sight Poker Tournament. Schroder bested a field of near 300 for the win in the Texas Hold'em Poker Tournament. Westfield Lions Club Treasurer Keith Sandborn, Poker Co-chair Brian Abraham and Past President Gary Smith presented the \$10,000 check to a smiling Donna Schroder.

The REPORTER

The Westfield Lions Club held its semi-annual Texas Hold 'Em "Poker for Sight" Tournament on Friday, Nov. 16 and Saturday, Nov. 17 at the Hamilton County Fairgrounds. The tournament had over 270 players participate in three qualifying sessions.

The Club paid out \$25,000 in prize money with first place paying \$10,000. Prior to each of the three qualifying sessions, the Westfield Lions presented checks to organizations the Club supports. The players were able to see and hear about how the proceeds from the tournament benefit the local community as well as organizations working in the United States and internationally.

The Westfield Lions Club presented Carrie Larrison, Chairperson for the Open Doors of Westfield's Thanksgiving Food Giveaway, a check for \$500. Each year the Westfield Lions Club supports this project that feeds more than 250 area families at Thanksgiving. Open

Doors puts together food baskets that contain all the items and ingredients for a Thanksgiving dinner. Lions Mike Birk, tournament chair, and Keith Sanborn, Club treasurer, presented the check.

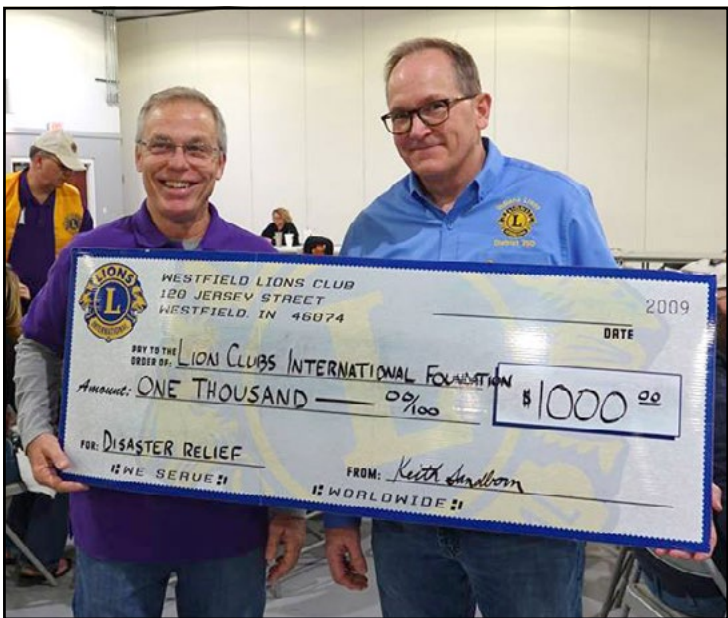

The Westfield Lions Club also presented Jan Skinner, Executive Director of the Westfield Education Foundation, a \$4,000 check. Presenting the check were Lions Bob Benson and Don Russel. Both of these Lions are spouses of retired Westfield Washington School teachers. Each year the Westfield Lions Club donates \$4,000 to the WEF to go toward grants for Westfield Washington school teachers. The grants help fund creative projects that enhance the learning experience for students.

The Westfield Lions Club is a big supporter of Westfield Washington Schools each year. Its support includes providing student scholarships, paying for Westfield High School students to attend the Hoosier Girls State leadership conference, paying for Westfield Middle

School students to attend the annual class trip to Washington, D.C., donating Webster Dictionaries to every third-grade student, sponsoring the WHS LEO Club, and various other donations for special events the students participate in.

The third check was presented to Lions Clubs International Foundation (LCIF) for \$1,000. This check will go toward LCIF's disaster relief efforts around the world, including the recent hurricanes in the southeastern United States. Dan Wilcox, District 25-D's Vice District Governor, accepted the check on behalf of LCIF. Presenting the check was Jeff Larrison, Westfield Lions Club secretary. In addition to disaster relief efforts, LCIF provides grants and donations to assist in efforts to address issues involving diabetes, hunger, the environment and childhood cancer around the world.

Brooks leads call to pass reforms to Congressional Accountability Act of 1944

The REPORTER

This week, Congresswoman Susan W. Brooks (R-Ind.-05), Chairwoman of the House Committee on Ethics, and Ranking Member Ted Deutch (D-Fla.-22), along with the entire Committee membership sent a letter to leaders in the House of Representatives and Senate urging passage of legislation to reform the Congressional Accountability Act (CAA). This bill would strengthen workplace rights and protections for employees in the legislative branch and also hold Members and

Senators accountable for their own personal conduct.

The Committee wrote, "Members and employees alike should be able to work free from sexual harassment or discrimination of any kind. The American public must also have confidence that we in Congress not only view these issues with the seriousness they demand – but that we are taking action. Reforms to the Congressio-

Brooks

nal Accountability Act of 1994 are sorely needed to protect the integrity of and public confidence in Congress, to ensure that the legislative branch remains a place where men and women want to serve, and to improve accountability on these vital issues. The reforms we have advocated have overwhelming bipartisan support in the House..."

TODAY'S BIBLE READING

After two days was the feast of the passover, and of unleavened bread: and the chief priests and the scribes sought how they might take him by craft, and put him to death. But they said, Not on the feast day, lest there be an uproar of the people. And being in Bethany in the house of Simon the leper, as he sat at meat, there came a woman having an alabaster box of ointment of spikenard very precious; and she brake the box, and poured it on his head. And there were some that had indignation within themselves, and said, Why was this waste of the ointment made? For it might have been sold for more than three hundred pence, and have been given to the poor. And they murmured against her. And Jesus said, Let her alone; why trouble ye her? she hath wrought a good work on me. For ye have the poor with you always, and whensoever ye will ye may do them good: but me ye have not always. She hath done what she could: she is come aforehand to anoint my body to the burying. Verily I say unto you, Wheresoever this gospel shall be preached throughout the whole world, this also that she hath done shall be spoken of for a memorial of her.

Mark 14:1-9 (KJV)

Virginia Maude (Goff) Paddack
August 14, 1935 – November 17, 2018

Virginia Maude (Goff) Paddack, 83, Benton, Ky., and formerly of both Byrdstown, Tenn., and Sheridan, passed away on Saturday morning, November 17, 2018 in Calvert City, Ky. Born August 14, 1935 in Boxley, Ind., she was the daughter of the late Clarence Vernon and Donna (Burtron) Goff-Lee.

She attended Sheridan High School and would go on to become a licensed cosmetologist. For over 20 years, Virginia owned and operated her own beauty shop out of her home in Big Springs. She and her late husband Kermit attended the Big Springs Community Church and she was a member of the K.V. Elliott Sheridan Legion Auxiliary.

Virginia was a very humble person, never wanting to be a bother or a burden to anyone else. In addition to her responsibilities with her clients, she helped her husband Kermit with the family farm in Big Springs for many years. She had quite a soft spot in her heart for animals. She loved taking care of the family's dairy herd, milking by hand for countless years before Kermit "moved her up in the world," converting their operation over to electric milkers. If Virginia wasn't at the shop or out in the barn, you could usually find her over on the softball diamond with the Big Springs women's softball league. She loved traveling the state to play ball every chance she had. When things slowed down enough that she could catch her breath, she loved to do a little bit of fishin' and spend some time in the kitchen making a batch of her legendary candy. She also never missed a chance to spend some quality time with her family. Her grandkids were her pride and joy. They could do no wrong.

She is survived by her three sons, Clement J "CJ" Paddack (Barbara Jean), Benton, Ky., Brian Gene Paddack (Brenda), Big Springs, and Dale Dean Paddack (Penney), Byrdstown, Tenn.; one daughter, Alese Lynn Ufkes, Big Springs; 16 grandchildren; 28 great-grandchildren with one more on the way; one step-brother, Gary Rock (Brenda), Greenfield; and two sisters-in-law, Lora Goff, Sheridan, and Luella Goff, Sumpter, S.C.

She was preceded in death by her parents; step-mother, Olean Randall; two brothers, Rollie V. Goff and William K. Goff; and by the love of her life, Kermit Eugene Paddack on April 27, 2011. She and Kermit were married on July 22, 1950. Virginia was also preceded in death by her canine BFF with a lion haircut, her red chow Muggins. That dog got away with more than the kids and grandkids ever thought about. When it was time to hit the road on any kind of trip, Muggins had his own seat in the vehicle. That special seat nearly roasted him alive on the first outing in the new family van. Nobody realized that the van had heated seats, let alone that his seat was set to high.

Services will be held at 11 a.m. on Saturday, November 24, 2018 at Kercheval Funeral Home, 306 E. 10th St., Sheridan. Burial will follow at Crown View Cemetery in Sheridan. Visitation will be held from 4 to 8 p.m. on Friday, November 23, 2018 at Kercheval Funeral Home in Sheridan.

Greyhounds cruise by Millers with flurry of 3s

By CRAIG ADKINS
NOBLESVILLE - The first quarter between the Greyhounds and host Millers was what the game was anticipated to be throughout, but Carmel had other ideas in mind.

Carmel scorched the nets from 3-point land for a majority of the game as the Greyhounds cruised to a 74-44 win on Tuesday night over the Millers at The Mill.

Right away, Noblesville sophomore Emily Wood converted an and-1 and junior Anna Kiser dropped in a layup for an early Miller 5-0 lead.

The 'Hounds came right back with a 10-0 run that forced a Noblesville timeout, seven of those coming from senior Macy Berglund.

A couple more buckets by Wood and Kiser and it was cut back to a 10-9 Carmel lead, but that only fueled the fire for Carmel's offense to take off from there.

The Greyhounds would go on a 22-9 run to end the first half. Much of the second period was highlighted by a pair of treys off the bench from sophomore Tally Seitz and sixth consecutive points from Berglund helped Carmel storm out to a 42-22 halftime lead.

"We were lucky we got to play all 10 of our girls tonight and kind of see what a difference they can make when they come in," said Erin Trimpe, Carmel acting head coach.

"It also helps when you hit shots. We haven't done that in a while and we came out today and were knocking down some pretty good shots and that really helped the flow of offense and defense," Trimpe continued on her team's ability to get it done at both ends of the floor.

She was right. Carmel had little to no trouble making everything happen offensively that they wanted. They would continue to shoot lights out from outside, finishing 12-of-33 for 36 percent from downtown.

"We're really fortunate that some of our shooters are young and so they've had a couple rough games, but we've told them in practice and games to just let it fly and

eventually we'll knock it down," Trimpe referring to the numerous attempts taken from the perimeter by her team.

"They shot the ball really well. It didn't even matter who was out there. We had a box-and-1 on their stud freshman (Clarke). She didn't play much in the first half and they were still on fire," Noblesville head coach Donna Buckley on Carmel's hot shooting from three-point range.

The Millers just couldn't get into a rhythm on either end of the court. They shot just 14-of-41 for 34 percent overall from the floor and got out-rebounded by a margin of 40-21.

Carmel kept widening the gap, which was aided by 6'0 frosh Kate Clarke sinking two from outside to make it 50-24 late in the third.

The Greyhounds continued to run, which would eventually wear down the Millers.

"We obviously aren't very deep with injuries and things we've got going on and I thought we were just exhausted. They just kept coming at us and we didn't have any

Carmel holds off Zionsville in season opener

By **RICHIE HALL**
CARMEL - Opening night for Hamilton County boys basketball featured a matchup of two highly-ranked teams Tuesday at the Eric Clark Activity Center.

Mulloy

Carmel, ranked No. 2 in the Associated Press' Class 4A pre-season poll, hosted 4A No. 3 Zionsville. The game was worthy of the ranking of both teams, with the Greyhounds winning 66-61.

Carmel, last year's 4A state runner-up, emerged from a back-and-forth first quarter to hold a comfortable lead during the middle periods, then held off a run by the Eagles in the fourth quarter.

"It's a really good team," said Carmel coach Ryan Osborn of Zionsville. "They return some good players from last year."

The first basket of the Greyhounds' season went to senior Luke Heady, who hit a 3-pointer about a minute into the game. Zionsville held the lead for most of the first period, going up 14-10 after Purdue recruit,

senior Isaiah Thompson nailed a 3. "He's a dynamic scorer and can create his own shot," said Osborn. "If he gets hot deep, he can be a tough guard, too." Eagles senior Nathan Childress scored seven points in the first period, although Carmel came back to lead 15-14 by the end of the quarter. Back-to-back layins by Heady and senior Andrew Owens gave the 'Hounds the lead. Earlier, junior Robert Fry came off the bench to score five points, including a 3-pointer.

With the score 17-17 in the second period, Carmel took control with a 9-0 run. Senior John Michael Mulloy, who officially signed with Butler early in the week, scored the majority of points in the run with seven, including 5 of 6 free throws.

Osborn said his team settled for 3-pointers early, but then began screening Mulloy into the post, and that got him more touches, and more involved in the offense.

"We had to be more patient, but when we were more patient, he got more touches and a lot of times in good scoring positions," said Osborn. "He did a great job of just sticking with it and didn't get frustrated, didn't force shots, didn't force plays. He was a good leader for us tonight."

The non-Mulloy points of that run were

scored by a freshman, Pete Suder. The 6-foot-2 Suder got his first-ever points with a layin midway through the quarter. He scored again late to give the 'Hounds a 28-19 lead.

"Suder's good," said Osborn. "And he's a good player, and he's a great kid. Fits in with our guys right away. He does little things well and complements everybody."

Childress answered Suder's layin with a basket, but senior Karsten Windlan gave Carmel the last word by hitting a 3 right before the buzzer, putting the Greyhounds ahead 31-21.

Zionsville chipped away at Carmel's lead in the third period, but the 'Hounds were still up 44-38 going into the fourth. Carmel surged ahead 58-46 with 3:10 left in the game before Zionsville made one last push, a 13-5 run to get within 63-59. Senior Brandon Vernon hit a 3-pointer for the last points of that run.

But Carmel held on thanks to its defense. Fry made one more free throw, then Suder made a nice play, evading a handful of Zionsville defenders to make a huge layin that sealed the game.

Four Greyhounds finished the night in double figures. Mulloy scored 15 points and also pulled 12 rebounds, giving him the first

of what will likely be many double-doubles for the season. Mulloy also dished out four assists.

Suder scored 14 points, Heady had 13 (including 6 of 8 from the free throw line in the final 3:10 of the game), and Windlan scored 12.

Carmel will play its next game on Friday, Nov. 30, when it hosts Lawrence Central for the first Metropolitan Conference game for both teams.

Heights' Jared Holder to swim for Ball State Cardinals

Jared Holder, Hamilton Heights' senior, has signed a letter of intent to swim for the Ball State University Cardinals in Muncie, Indiana this fall. The Cardinals are a Division I school and part of the Mid-American Conference (MAC). He is the son of Amy and Ric Holder.

Holder, who aspires to own his own business, was drawn to Ball State because of its strong telecommunications program, beautiful campus, and the opportunity to swim for a Division I athletic institution. He is especially excited about training and swimming under the program's new swimming and diving head coach J. Agnew.

Holder, a four-year varsity swimmer, credits Hamilton Heights Boys Assistant Swim Coach for the boy's team, Justin Davis, as being a major influence in his development as a strong swimmer, capable of successfully competing at the Division I level. Holder, named Hamilton Heights Boys MVP for the past three years, currently holds three school records for the 50 and 100 freestyle and 100 backstroke. He holds three conference titles and is the Hoosier Conference record holder in the 100 backstroke. He has participated at the state level the past two years with his best finish last year placing third in the 100 backstroke and 10th in the 50 freestyle.

"Jared has been so much fun to watch the past four years," said Kurt Ogden, Hamilton Heights Athletic Director. "He makes swimming look so easy. His commitment to the sport has shown as he
