New mixed-use destination campus to enhance vibrancy of Nickel Plate District . . .

Fishers eyes \$157M downtown development

The REPORTER

Browning Investments, along with City of Fishers' Mayor Scott Fadness, announced on Dec. 4 a major downtown development along the north and south sides of 116th Street in the Nickel Plate District.

The mixed-use development will feature residential, retail, a high-end boutique hotel and will be anchored by a six-story office building. Browning's engagement provides for a coordinated delivery of all projects and the associated mix of uses on both sides of 116th Street.

The development follows the master plan for the Nickel Plate District's downtown vision. The industrial-inspired campus, bound by Nickel Plate Rail Road, North Street, Maple Street and South Street, will further establish downtown Fishers as a heavy employment node where residents can live, work and play in close proximity.

"Browning is thrilled to be the master developer of this truly transformative project," said John Hirschman, Browning's president and CEO. "This is a complex in-fill redevelopment spanning a major thoroughfare, and its design and mix of uses reflects years of planning and a commitment to the vision for the City of Fishers."

The north side of the development will be built

by Browning and CRG Residential, featuring a five-story apartment building with 241 units, 10 townhomes, office and retail units along 116th, North, and Maple streets, and a public parking garage featuring resident amenities on the roof. The development will incorporate the proposed Nickel Plate Trail and relocate the existing Pocket Park into a plaza gathering space.

The iconic downtown buildings along the north side of 116th Street which are currently home to Nickel Plate Bar & Grill, Roman and Leo, Fishers Barber Shop, the former Vardagen and Sure Shot Coffee store, and State Farm Insurance are to be preserved with the exteriors and landscaping rehabilitated.

"We had a unique opportunity in downtown Fishers to bridge our past, with institutions such as Archer's and Nickel Plate Bar and Grill, with our vision for the future," said Fishers Mayor Scott Fadness. "Jamie Browning and team took that opportunity and delivered a great vision for the future of our vibrant downtown."

The south side of the development will be anchored by a landmark 168,000-square foot, six-story office building with ground floor retail space alongside a 110-

Artistic rendering provided by the City of Fishers

Should it be approved, a six-story office building will anchor the south side of the planned development.

room high-end boutique hotel and a parking garage.

First Internet Bank, currently headquartered in a 52,000-square foot building at 11201 USA Parkway in Fishers, plans to relocate to the office building on the south side of 116th Street. First Internet Bank has a long history of trailblazing an otherwise traditional industry since its founding in 1999. The firm has received numerous accolades at the local, state and national level for its services and workplace environment. Its parent company, First Internet

Celebrate St. Nikolaus Day at Carmel Christkindlmarkt

The REPORTER

St. Nikolaus will be at the Carmel Christkindlmarkt from 5 to 8 p.m. on Thursday, Dec. 6.

This event is in partnership with the IUPUI Max Kade German-American Center and the Indiana German Heritage Society. It is sponsored by Wunderbar Together, Germany and the U.S.; and Wallington Asset Management.

Order of Events

5 to 5:30 p.m.: Processional of St. Nikolaus and Ruprecht
5:30 to 6 p.m.: Short program on the stage
6 to 7:30 p.m.: St. Nikolaus greets children in the Kinderecke
7:30 to 8 p.m.: Children's activities in the Kinderecke

In some areas in Germany when St. Nikolaus visits, children don't sit on his lap and tell him what they would like for Christmas but rather they prepare to honor him. Some children sing a song, do a

dance or even count or say the ABCs. He will then instruct his helper Ruprecht to give the child a gift.

Children will have an opportunity to present their talents to St. Nikolaus from 6 to 7:30 p.m. in the Kinderecke.

Carmel Clay students download app to report bullying, safety issues

By **TIM McNICHOLAS**
WISH-TV | wistv.com

Leaders of Carmel Clay Schools are asking students to help make schools safer by heading to an app store.

The district started using a two-way anonymous reporting app Monday called **STOPit**. It allows students to anonymously report anything from bullying to violence or threats.

The app lets kids send in tips, photos and videos. School leaders said they can still message with the tipster through the app for more information.

David Woodward, the district's director of student services, said the school's response will depend on the nature of the incident. For a mental health issue, the school might involve their counselors or social workers.

"If it's something out in the community, we might need law enforcement intervention," Woodward said.

The schools also use resource officers supervised by Carmel Police Depart-

ment Sgt. DJ Schoeff. He said the district already had an anonymous reporting system but the two-way communication feature will help officers.

"Students are the number one key to our school safety," Schoeff said. "They have the eyes and the ears far more than we do as adults."

"We've had a few alerts that have come through already."

On the **STOPit** app, each school gives each student a unique login code. School leaders said many students carry phones with them during the day and are allowed to use them at certain times.

"This is a great way for our students to have some input in their own safety," Schoeff said.

With **STOPit**, students have the ability to access two important features:

- **Report** can be used by students to report incidents to school administrators, SROs and the Director of

Sheriff's deputies investigating suspicious incident

The REPORTER

Hamilton County Sheriff's Office detectives are investigating a suspicious incident that occurred on Monday, Dec. 3 in the 20200 block of Cumberland Road. According to investigators, a student waiting for a bus was approached around 6:45 a.m. and was encouraged by a stranger to enter a SUV to be taken to school.

Information provided by detectives indicates the student was wait-

ing at the end of the driveway when a white Ford Explorer pulled up. The driver of the Explorer, described as a dark-skinned, balding, mid-30-year-old African-American male wearing glasses and a shaggy beard, told the student that the bus driver had sent him back to pick up the student due to missing the bus. The student did not believe the story and returned to the house while the SUV drove away. The vehicle was described as an older model white Explorer with

a dent in the tailgate and possibly a missing or inoperable center brake light. The father of the student verified the description of the Explorer.

As always, area residents are encouraged to report any suspicious activity. No similar incidents have been reported to local law enforcement but officials want residents to be aware. Anyone with additional information should contact Hamilton County Public Safety Communications at 317-773-1282.

Merry Christmas!

Student Services anonymously. Students can report as much detail as they would like and can even include photos, screenshots and videos. The report is received in real-time, allowing school personnel to quickly respond and begin taking the appropriate action.

• **Get Help** can be used to access local resources such as law enforcement,

mental health centers, crisis hotlines and additional resources.

WISH-TV asked administrators how much money Carmel Clay Schools will spend on the app, but the district did not provide an answer.

Noblesville Schools started using a similar app called **Speak Up** in the 2017-2018 school year. The district said within the first

seven months users made more than 200 reports ranging from cyberbullying to sexual harassment.

Students can download the free app from the Apple App Store or through Google Play. Once downloaded, they will need to enter their unique school code. To learn more about the STOPit app, [click here](#) to read FAQs and [watch this short video](#).

FISHERS DEVELOPMENT

from Page 1

Bancorp was named to Fortune magazine's 2018 list of 100 Fastest-Growing Companies – the only Indianapolis-area company to be recognized. First Internet Bank currently employs just under 200 at its existing Fishers headquarters.

“Locating our company where our employees want to live, work and play is an important factor in our talent strategy,” said David Becker, founder, president and CEO of First Internet Bank. “And the fact that Fishers is known for being a smart, entrepreneurial city is a terrific complement to our brand and our award-winning corporate culture.”

“We are fortunate in that we continue to have opportunities to grow the momentum downtown is experiencing right now,” said Fadness. “To have a Fishers-grown business,

First Internet Bank, be a component of this landmark project brings our vision closer to completion. David Becker has been a trailblazer in the tech industry for years and continues to build on our vision for a smart, vibrant and entrepreneurial city, and we are lucky to have him and the entire First Internet Bank family continue to be part of Fishers' future.”

Construction is slated to begin in spring 2019 with demolition and infrastructure improvements to address drainage and relocate utilities on South Street. Improvements to sidewalks and an extension of South Street from Fishers Point Boulevard to Lantern Road will be incorporated into the project with additional right-turn only lanes to be installed at South Street and Lantern Road and at Lantern Road and 116th Street. The proj-

ect is scheduled for completion by fall 2021.

The City of Fishers will propose support for the project to the Fishers City Council at the December City Council meeting. The city intends to construct a 750-space public parking garage on the south side and 256-space public parking garage on the north side as part of the development that will include reserved parking from 7 a.m. to 6 p.m. Monday through Friday for tenants. Public, unreserved spaces will be available for retail parking during hours of operation. Additional incentives to be presented at the City Council meeting include fee waivers, land costs and transfer of two city-owned parcels to First Internet Bank, and hardscape investments. In the event the project does not proceed, all land will transfer back to the City of Fishers.

Mr. G's made a generous donation to the Noblesville Fire Department's Annual Toy and Food Drive earlier this month.

Donations needed for NFD Christmas Food and Toy Drive

The REPORTER

The Noblesville Fire Department is preparing for its final week of collecting donations for this year's Christmas Food and Toy Drive, which will take place on Saturday, Dec. 15.

"We are grateful to those that have already contributed," NFD Assistant Chief Matt Mitchell said. "The community has responded as it does every year to ensure local families have a joyous holiday season. While we believe we have enough toys for the 110 less-fortunate families in Noblesville, we are in need of canned goods and food items."

The fire department is

Donation Drop-off Locations

- Station 1 – 135 S. 9th St. Downtown at Ninth Street and Maple Avenue
- Station 2 – 400 S. Harbour Drive..... South Harbour
- Station 3 – 2101 Greenfield Ave..... The Wellingtons
- Station 4 – 20777 Hague Road North and East Harbour
- Station 5 – 10170 E. 191st St..... The Meadows
- Station 6 – 16800 Hazel Dell Road..... Hazel Dell
- Station 7 – 15251 Olio Road..... Behind Ruoff Home Mortgage Music Center
- Noblesville City Hall (16 S. 10th St.)..... Downtown at 10th and Conner streets

accepting canned goods, non-perishable food items, monetary donations (checks are preferred – made payable to the Noblesville Fire Department Legacy Fund), and new, unwrapped toys through Monday, Dec. 10. Donations may be dropped off at any of the Noblesville Fire Stations or at No-

blesville City Hall, 16 S. 10th St.

This year marks the 41st anniversary since the program started. The fire department has partnered with Kroger for food needs and Meijer for toys. For more information, contact the Noblesville Fire Department at 317-776-6336, extension 1400.

Westfield High School LEO Club spearheads "12 Days of Giving"

The REPORTER
 The Westfield High School LEO Club is conducting a "12 Days of Giving" project that will support the Open Doors of Westfield Food Pantry. Students, teachers, administrators and the community can support the project by dropping off donations at Westfield High School. The collection box for the donations is just inside the main entrance, next to the Athletics Department office.

Anyone that would like to make a donation but is unable to deliver it to the high school can contact the Westfield Lions Club at (317) 804-1875 and a Lion will pick up your donation. Also, even if you cannot deliver the donated item(s) specified for a specific date, the LEOs will still accept it any time during the project.

The WHS LEO Club is a service club made up of students that participate in various service projects in the Westfield community. The WHS LEOs have been serving Westfield for nine years and are currently made up of more than 25 students.

For more information on the WHS LEO Club, please contact the Club's sponsor, Victor McCarty, at vrockmccarty@gmail.com. For more information on the Westfield Lions Club, or to find out how to become a member, go to westfieldlions.org.

Public Notice

NOTICE OF PUBLIC HEARING ON ADDITIONAL APPROPRIATIONS
 Notice is hereby given that the City of Noblesville Common Council will hold a public hearing during its regular meeting at 7:00 p.m. on December 18, 2018, in the Council Chambers at City Hall, 16 South 10th Street, Noblesville, Indiana.

The purpose of the public hearing is to consider additional appropriation authority in the Promotional Fund and a reduction of appropriation authority in the General Fund. The additional appropriation will be equal to the amount of the reduction in appropriations, resulting in a fiscally neutral transaction and improved accounting accuracy.

The foregoing appropriations are in addition to all appropriations provided for in the existing budget and tax levy.

Taxpayers of the City of Noblesville appearing at the hearing shall have a right to be heard in respect to this additional appropriation.

Dated this 5th day of December, 2018.

Noblesville FOP hosts annual Shop with a Cop event

The REPORTER

The 21st annual Shop with a Cop program, led by the Noblesville Fraternal Order of Police Lodge No. 198, was held Saturday, Dec. 1 at the Noblesville Meijer store, 17000 Mercantile Blvd. This program provides underprivileged children in Noblesville and Noblesville Township with warm clothing to help them get through the winter months.

NPD Deputy Chief Jon Williams, who has coordinated the program every year since it began, said the Shop with a Cop participants – infants to 16-year-olds – come from a holiday assistance list given to the Noblesville FOP by Nancy Chance of Good Samaritan Network or from recommendations of police officers. This year, the event assisted 69 children.

“It’s an opportunity to see in real time a positive impact in the community,” said Williams. “All of our officers have been called to negative situations. As police officers, our goal is to make the world a better place. For this one- to two-hour time frame, we can see on the faces of families that officers are making a difference that lasts a lot longer than this singular event.”

The children selected to participate in the program went shopping with their parent/guardian as well as uniformed Noblesville police officers and their family members to pick out winter clothes including coats, gloves, shirts, pants, boots, underwear and pajamas. Because the event is held before the holidays, each child is given the opportunity to select a toy as well.

“Year after year, the turnout is tremendous. Officers see it as another way to give back to the community and look forward to the event,” said Lodge President Sgt. James Aloisio. “It’s also been great for our

families to see us interact with the public. So many shoppers have come up and thanked us for our service. Noblesville is such a supportive community and it’s wonderful that our families can see that since they aren’t with us every day.”

To assist the annual Shop with a Cop program, those who would like to donate are asked to make checks payable to “NFOP Lodge #198” and write “Shop with a Cop” in the check’s memo line. Checks should be mailed to: Shop With A Cop; Noblesville FOP 198; P.O. Box 2013; Noblesville, IN 46061-2013.

Please note that donations to this program are tax deductible as a charitable contribution and 100 percent of the money raised goes toward supporting this program. For more information, call (317) 770-5754 or email jwilliams@noblesville.in.us or jaloisio@noblesville.in.us.

Sheridan ushers in Christmas with song

Reporter photo by Kirk Green

Sheridan area residents gathered to sing Christmas carols before the community's Christmas tree lighting this past Saturday as part of Sheridan's Christmas on Main Street festivities.

Boys & Girls Club of Noblesville thanks community for support

Dear Editor,

This time of year during the holiday season, generous hearts can be found around every corner. For this year's #GivingTuesday campaign, the Boys & Girls Club was lucky enough to be able to find over 100 of those hearts to help raise over \$5,268.

The most generous heart of all, Mr. George Kristo, matched every single one of those donations dollar for dollar. George's generosity and selflessness are just two of the reasons he is a leader and champion for the youth in our community. The success of our first #GivingTuesday campaign in the new Club building would not be possible without him.

It's hard to believe that we will have been in the new Tom & Soni Sheehan Club for an entire year this coming January! What's not hard to believe is that our membership continues to grow. Within the first 11 months inside the new Club, we have reached some new heights. A total of 1,802 different members have participated in our programs since the move to the new Club facility. Also, 682 boys and girls have joined the Club as first-time members since the new Club opened in January.

Over 320 members are visiting the Club each day after school for only \$55 per year, while the actual cost to the Club is \$555 per child, leaving a gap of \$500. The community support that helps bridge that gap is not only creating new and exciting after school opportunities for children in our own backyard, but it helps provide a home away from home that's safe and committed to their Great Futures.

A recent study by the University of Michigan found that every \$1 invested in a Boys & Girls Club returns \$9.60 in current and future earnings and cost-savings to the community it serves. It is our goal to continue to provide safe, affordable after school programs to local youth, but it would not be possible without the community's continued support.

Learn more about becoming a helping heart to over 2,300 local youth BGCNL.org or call the Club directly at 317-773-4372.

With gratitude for our community's generosity,
Becky Terry
 Executive Director
 Boys & Girls Club of Noblesville

Breathe Easy still at work for smoke-free policies

Dear Editor:

I am excited about the opportunity I have had this past year with Breathe Easy Hamilton County.

Let me tell you a little bit more about our organization. Breathe Easy Hamilton County is a grant-funded program through the Indiana State Department of Health and our lead agency is the Good Samaritan Network in Fishers. Breathe Easy Hamilton County works in Hamilton County to prevent youth from ever starting to use tobacco by collaborating with schools, clubs and organizations to educate youth about the dangers of tobacco use. We do this by giving presentations, working community events and hosting programs throughout the county.

We also help youth and adults in their cessation efforts by promoting the state's free cessation service (1-800-QUIT-NOW) to doctors, businesses, organizations and individuals in hopes to reduce the use of tobacco in Hamilton County.

Lastly, we work with city and county officials and the public to educate them on the need for a comprehensive smoke-free air policy in Hamilton County. What we mean by a comprehensive policy is a policy that protects everyone, in every indoor building in Hamilton County and includes both smoking and vaping. There are 22 communities that have passed policies; five have been comprehensive and include e-cigarettes. Coordinators across the state are working to change and update policies to include e-cigarettes.

Breathe Easy Hamilton County's Alliance meets once a month to help set goals, give input and support these grant deliverables.

In 2019 we are looking to add 15 new members to our Alliance. Our meetings will be moved around to ensure we are covering all the county.

We'd like to invite you to our final meeting for 2018. We are having a luncheon to celebrate all the successes we have made in Hamilton County. We'd love to have you join us.

The Breathe Easy Celebration Luncheon will be held at noon on Thursday, Dec. 13 in the Community Room of the Westfield Washington Public Library, 333 W. Hoover St.

Please RSVP by Thursday, Dec. 6 to slondon@tpc@gsnlive.org.

Reader questions coverage of new Noblesville business

Dear Editor:

This letter is in response to the recent article about the opening of the Vape and Wellness store in Noblesville. While I support the growing presence of small businesses in Hamilton County, I am disappointed that the Reporter highlighted a business that associates vaping products with health and wellness without also discussing the dangers of vaping.

Even though the FDA is now regulating e-liquid manufacturing, it doesn't mean that vape products are harmless. The vast majority of e-cigarettes and other vaping products contain nicotine, which is a very addictive drug and detrimental to the developing brain up to age 25.

While the use of combustible cigarettes continues to decrease, the use of electronic cigarettes among youth and young adults has increased and become the most commonly used form of tobacco among middle and high school students. Part of this growth is due to the perception that e-cigarettes are safer than traditional cigarettes. The long-term health effects of e-cigarettes haven't been able to be evaluated, and there is evidence that e-cigarette aerosol (not harmless vapor) contains heavy metals and chemicals linked to lung disease.

Most people's fear of smoking is the risk of lung cancer but in reality more people die from the effects of smoking on the heart and vasculature in general. Nicotine vasoconstricts the vessels and decreases blood flow to all organs. Nicotine reduces the amount of oxygen carried to the heart, increases heart rate, increases blood pressure, increases the chance of blood clots forming and harms the blood vessels; therefore, increases the chances of heart attacks and strokes.

Vaping does not take away any of these risks as the amount of nicotine consumed seems to be increased – most likely due to the fact that people have the misconception that what they are doing is safe. A store "Vape and Wellness" only adds to this misconception.

As a nurse in a cardiac unit caring for the multitude of patients suffering from the effects of nicotine, and as a mother raising three teenage daughters during this epidemic/outbreak of vaping, please help. "Safer" doesn't mean safe, and it's the responsibility of the Reporter to educate its audience and community on both sides of an issue.

Johnnie L. Cox

December 29, 1945 – December 3, 2018

Johnnie L. Cox, 72, Noblesville, passed away on Monday, December 3, 2018 at Riverview Health. She was born on December 29, 1945 to Millard and Edna (Eckles) Winfrey in Saint Charles, Lee County, Va.

Johnnie worked in packaging for Western Electric, as a machine operator for MSW and also worked as a janitor for the Hamilton County Courthouse.

She is survived by her husband, Douglas Cox, whom she married in 2001; daughters, Michelle Smith, Melissa Pennington and Donna Glover; stepson, Troy (Davetta) Cox; sisters, Patricia Miles, Nancy Miles and Kathy Gibson; seven grandchildren; three great-grandchildren, and her special friend, Kathy Craft-Ryan.

In addition to her parents, Johnnie was preceded in death by her daughter, Dawn Campbell; and her sister, Linda Gibson.

Services will be held at 2 p.m. on Thursday, December 6, 2018 at Randall & Roberts Funeral Home, 1150 Logan St., Noblesville, with visitation from noon to the time of service. Rev. Harrell T. Wilson will officiate. Burial will be at Crownland Cemetery in Noblesville.

Susana Rose Wilczek

February 20, 1940 – December 2, 2018

Susana Rose Wilczek, 78, Indianapolis, passed away on Sunday, December 2, 2018 at Hamilton Trace of Fishers. She was born on February 20, 1940 to Marco and Anna (Eurich) Spisich in New Brighton, Pa.

Sue graduated from Duquesne University of the Holy Spirit. She was a high school business teacher in New Brighton, Pa., and also worked part-time in the food industry. Sue was a member of Holy Spirit Parish at Geist Catholic Church where she was active in the women's choir, soup kitchen and Bible study.

She is survived by her daughter, Paula (Mike) Klipsch; sons, Mark Wilczek and Rich (Angelita) Wilczek; three grandchildren, Ryan, Matthew and Erin Klipsch; and her dearest friend of 75 years,

Pauline DeLuca.

In addition to her parents, Sue was preceded in death by her husband, George E. Wilczek in 2015.

Visitation will be from 4 to 7 p.m. on Sunday, December 9, 2018 at Holy Spirit Parish at Geist Catholic Church, 10350 Glaser Way, Fishers. Mass of Christian Burial will be held at 11 a.m. on Monday, December 10, 2018 at the church, with an additional visitation from 10 to 11 a.m. Rev. Dan Gartland will officiate. Burial will be in Our Lady of Peace Cemetery in Indianapolis.

Memorial contributions may be made to Holy Spirit Parish at Geist Catholic Church, 10350 Glaser Way, Fishers, IN 46037; or Purdue Center for Cancer Research, c/o Purdue Foundation, 403 W. Wood St., West Lafayette, IN 47907.

TODAY'S BIBLE READING

Now at that feast he released unto them one prisoner, whomsoever they desired. And there was one named Barabbas, which lay bound with them that had made insurrection with him, who had committed murder in the insurrection. And the multitude crying aloud began to desire him to do as he had ever done unto them. But Pilate answered them, saying, Will ye that I release unto you the King of the Jews? For he knew that the chief priests had delivered him for envy. But the chief priests moved the people, that he should rather release Barabbas unto them.

Mark 15:6-11 (KJV)

Stuart M. Neal

December 10, 1933 – November 29, 2018

Stuart M. Neal, 84, formerly of Sheridan, passed away at Sanders Glen in Westfield on Thursday afternoon, November 29, 2018. Born in Hamilton County at the family home place on December 10, 1933, he was the son of the late Glen S. and Maude M. (Millikan) Neal. Stuart loved that he was born and raised on the family homestead and felt very lucky to be able to return to that same home and spend the majority of his adult life.

After graduating with the Westfield High School Class of 1952, Stuart enrolled at Purdue University, earning a degree in electrical engineering in 1956. Following his studies at Purdue, Stuart went to work for Motorola at their facilities in Chicago. He was with the company only a short time before leaving to serve his country with the U.S. Army. Stuart spent most of his military career at Cape Canaveral, but also served for a short time in Alabama.

After leaving the service, Stuart took a position with GM/Delco Electronics in Kokomo. GM seemed to be a perfect fit for Stuart. He would spend the next 45 years with the company, helping to develop GM's electronic fuel injection system. Stuart retired from GM in 1998, giving him more time to devote to his other hobbies and interests.

Although Stuart was an electrical engineer by trade, he was fascinated with the mechanics of how things worked. He, along with his sister and brother-in-law, would frequent tractor shows whenever they got the chance. He had a genuine respect and admiration for their construction and for the way the entire piece of machinery functioned. His analytical mind loved the challenge of trying to decipher how something worked and how to fix it when it broke. For the most part, if it was broken, Stuart could probably fix it.

Another passion that Stuart had was researching local history and genealogy. He was a member of both the Westfield and Sheridan Historical Societies. During his tenure with both organizations, he was an integral part of their researching efforts, as well as teaching countless individuals how to properly track down their own family histories. Stuart was very independent and seemed to be constantly on the go. He was a fixture at many of the local libraries. Affectionately known as the man with the walker, he was always quick to point out that he DID NOT need any assistance, and that he would be just fine.

Stuart was a member of the Eagle Creek Evangelical Friends Meeting, where he served as the head usher and clerk, as well as numerous other positions within the church, for many years.

Family, and that includes his church family, were a very important part of Stuart's life. He was as loyal a friend as you would ever want to know. He very humbly put his own life on hold to take care of his aging parents.

Stuart is survived by his sister, Mary E. Reynolds, Westfield; his nieces and nephews, Sue Anne Spaethe (Jim), Bruce N. Brown, Mark M. Cox (Lynn), Robin M. Reynolds (Debbie), Randy J. Reynolds (Barbara), Mary Ann Davis (Steven) and Laura J. Ridge (Randall); and by the local history librarians of Hamilton County and the surrounding areas, who will miss his visits.

He was preceded in death by his parents; his sister, Wilma L. Cox; nephew, Craig M. Cox; and by his brother-in-law, Darrell Reynolds.

Services will be held at 10 a.m. on Thursday, December 6, 2018 at the Eagle Creek Friends Church, 18103 Eagletown Road, Westfield. Burial with Military Honors will follow at Crown View Cemetery in Sheridan. Pastor Steve Pedigo will be officiating. Visitation will be held from 4 to 8 p.m. on Wednesday, December 5, 2018 at Eagle Creek Friends Church.

In lieu of flowers, Memorial Contributions may be presented to either the Eagle Creek Friends Church, or to Gideon's International.

Carroll Lavon Reddick

April 30, 1938 – November 26, 2018

Carroll Lavon Reddick, 80, passed away peacefully on Monday morning, November 26, 2018, surrounded by his loving family at his home in Carthage, Ind. Born in Boone County, Ind., on April 30, 1938, he was the son of the late Clarence and Edna (Wills) Reddick.

Carroll graduated from Sheridan High School on January 20, 1956, and not too long after that, he was aboard the USS Randolph CVA 15 Attack Cruiser, serving his country with the U.S. Navy during the Lebanese Crisis as a fuel man for the aircraft. When his service in the Navy came to an end, Carroll hired on with Western Electric as a material handler for seven years before hiring on with the GM/Allison Transmission Plant in Indianapolis. Carroll dedicated 27 years of service as a transmission mechanic and inspector with Allison before taking his retirement in 1993.

He was a member of the Sheridan First Christian Church, the Terhune Odd Fellows Lodge, and a retired member of the UAW Local 933.

Carroll had many interests in life. Perhaps all the years he spent at Allison around all of the large equipment, or possibly his years in the Navy working around the aircraft, drew Carroll toward operating heavy equipment. He loved to farm, but even more than that, he loved operating large pieces of machinery out in the fields. There was planting season, harvest season, and when the weather changed over to what most people consider cold and horrible, he was like a kid on Christmas, because that meant the beginning of snow plow season. This gave Carroll the chance to hop in a Hancock County plow truck, turn on some old time country music, put on his trademark ball cap, and move snow to his heart's content. He loved helping others and plowing snow, whether it was for the county, or digging out his neighbors with his own equipment. It was one of the ways he got to look out for the people he cared about.

Carroll was also a huge sports fan. He closely followed his Pacers and Colts, but college basketball was where the thrill was at for him. He was a world class statistician. It was a familiar sight to find him on the floor in front of the TV keeping track of every players' stats. From the Sheridan Blackhawks to the pros, Carroll had stats on everybody. And when March Madness rolled around, Carroll was in his element. If there was a bracket to fill out, he had his hands, not to mention his stat book, all over it. Carroll was also a racing fan. He loved following NASCAR and Dale Earnhardt's early years. For many seasons, Carroll had the honor of holding the coveted position that many race fans dream about doing at some point in their lives, working as a "Yellow Shirt" at the Indianapolis Motor Speedway. This gave him yet another chance to trade stories and talk about stats with fans from all over the world.

Whenever he got the chance, he loved heading up to Michigan in the fall to go fishing for coho salmon.

As Carroll's health started to fail, instead of heading out into the fields, he put his love of statistics to good use, monitoring crop production while watching everything through his window. And when he just wanted to relax and enjoy some television, nothing fit the bill like RFD TV. He loved watching Larry's Country Diner and the Country Family Reunion.

Carroll is survived by his loving wife, Donna Sue (Purcell) Reddick. She and Carroll were married on September 25, 1965. Also surviving are his three daughters, Kristina Louise Wine (Stan), Greenfield, Michelle René Wheatley (Stephen), and Tresha Marie Reddick, both of Sparta, Tenn.; three grandchildren, Courtney René Wheatley, Clarksville, Tenn., Patrick Elijah Wheatley and Laura Meredith Willard, both of Sparta, Tenn.; three brothers, Donald Gene Reddick (Maxine), Lyle Richard Reddick (Pat) and William Lynn Reddick, all of Noblesville; six sisters, Virginia Ruth Miller, Sheridan, Mary Rose Martin, Indianapolis, Marcella Ann Edwards (John), New Palestine, Nancy Sue Morris (Darrell), Noblesville, Linda Lou Lewis (Jim), Westfield, and Beverly Irene Teuscher, Kokomo. Carroll is also survived by his two canine BFFs, his Jack Russell, Buckwheat and his Chihuahua, Kneena. Both of them were by his side until the very end.

He was preceded in death by his parents, his daughter, Janet Lyn; three brothers; one sister; and by his first wife, Sharon Ann (Unger) Reddick on August 14, 1964.

Services with Military Honors will be held at 1 p.m. on Saturday, December 8, 2018 at Kercheval Funeral Home, 306 E. 10th St., Sheridan, with visitation from 11 a.m. until the time of service. Burial will follow at Middlefork Cemetery in Clinton County. Pastor Fred Girdwood of Shiloh Christian Church in Greenfield will be officiating.

In lieu of flowers, memorial contributions may be presented to Kercheval Funeral Home, P.O. Box 42, Sheridan, IN 46069, for the benefit of the Reddick Family.

Arrangements

Calling: 11 a.m. to 1 p.m., Dec. 8
Service: 1 p.m., Dec. 8

NOBLESVILLE, CARMEL, WESTFIELD, SHERIDAN, HAMILTON HEIGHTS, FISHERS, UNIVERSITY, GUERIN CATHOLIC, HAMILTON SOUTHEASTERN

Girls basketball

'Hounds pull away from 'Rocks in the fourth

In a Tuesday all-county girls basketball game, Carmel pulled away from Westfield in the fourth quarter to win 55-40 at The Rock.

The Shamrocks were in charge in the first quarter, leading 12-6 by the end of the period. Five different Westfield players scored, with Ashtin DeCraene hitting a 3-pointer. Gigi Eldredge had three points as well.

"They're a really good team that does a lot of good things and they really came out and their defensive intensity really threw us off," said Carmel acting coach Erin Trimpe. "I was really impressed with the defense that they played and the way that they played."

The Greyhounds took the lead back by halftime, where they led 20-19. Reagan Hune, Sophie Bair and Bridget Dunn all had four points in the second quarter. The game continued to be close in the third period, which finished with Carmel ahead 33-29. Kate Clarke, Hune and Dunn each had a 3 in that quarter, while Jade Shipley added seven points for the 'Rocks, including a 3-pointer.

The 'Hounds broke away in the later stages of the fourth quarter, where they outscored Westfield 22-11. Hune scored nine points in the fourth; she led all scorers with 20 points, also collecting seven rebounds and making four steals.

"We started executing a little bit better and making them run," said Trimpe. "A lot of our shots were layups in transition and we had preached to them to keep running and keep pushing."

Mackenzie Wood added 10 points and also had seven rebounds. Dunn and Macy Berglund both pulled six rebounds. Dunn dished out five assists and Bair handed out four assists.

Ava Henson scored 14 points and collected five rebounds for Westfield. Shipley finished the game with nine points, while Gigi Eldredge had three blocked shots.

"We play hard," said Shamrocks coach

Ginny Smith. "We play super hard. We defend and we defend well most nights. It just boils down to if we can start to transfer some of that focus, energy and effort that we put in on the defensive end to the offensive end of the game, and until we do that, it's going to be a struggle for us."

Carmel is 4-5 and will return to the Eric Clark Activity Center on Friday to host Class 4A No. 8 Brownsburg on Friday. The Bulldogs are 9-2 for the season.

Westfield is 8-3 and will welcome Zionsville on Friday for a Hoosier Crossroads Conference game. The Eagles are 6-3 and currently 2-0 in the conference. The 'Rocks are 1-1 in HCC play.

Royals sail past Arabians

Hamilton Southeastern sailed past Pendleton Heights 69-35 in a Tuesday home game.

The Royals put this one away early, leading 16-5 after the first quarter and 42-16 at halftime. Sydney Parrish scored 28 points, made four 3-pointers and earned a double-double by grabbing 15 rebounds.

Nine different Royals scored, including nine points from Jackie Maulucci. Molly Walton grabbed six rebounds and handed out six assists, while Lydia Self collected five rebounds.

Southeastern is 11-1 and plays a Hoosier Crossroads Conference game at Avon on Friday.
