What does it take to plan and execute the perfect crime? Main Street Productions will explore that idea when they stage Warren Manzi's *Perfect Crime* starting Friday, Feb. 8 and

running for three weeks at Westfield Playhouse, 1836 W. State Road 32, Westfield.

Director Cheryl Fesmire has worked in local theater for 10 years and has been a part of Westfield Playhouse productions in various capacities at least eight times.

*Perfect Crime* is Fesmire's third time in the director's role in Westfield.

"This show has run off-Broadway for 37 years now," Fesmire said. "It is not your typical thriller mystery. It is very different. It really is about, 'Can you commit a perfect crime?' It

looks as if the psychiatrist is a killer."

The play takes place entirely in the home this psychiatrist shares with her husband. Fesmire did want to be very careful not to give away anything that

## Noblesville firefighter Joel Musselman retires after 34 years of service

**The REPORTER**

Feb. 1 was the last day of duty for Captain Joel Musselman, who is retiring after 34 years of service. Musselman was hired as a firefighter for the City of Noblesville in 1985 at the age of 30.

His 34 years of service made him the longest active member of the Noblesville Fire Department. Captain Musselman has seen tremendous change in the city he serves over the course of his career.

Musselman was born and raised in Noblesville. He and his wife Darlene have raised two children, Sam and Shelby, both of whom attended Noblesville High School. When he was hired, nearly 14,000 people called Noblesville home. Today's population is approximately 62,000.

Captain Musselman was a member of the Dive

Team, HazMat Team and Rescue Team as well as an active member of Firefighters Local 4416. Captain Musselman was an instructor and led numerous fire ground trainings for Noblesville as well as surrounding communities.

Captain Musselman has spent the last several years as the Station Captain at Station 75. When asked what he planned to do now, Musselman stated he wants to spend his time traveling and perhaps take up a second career as a professional surfer.

Fire Chief Greg Wyant said, "Captain Musselman has served the citizens and visitors of Noblesville for 34 years and has done so with a Coke in his hand and a big smile on his face. He is truly one of the nicest people anyone could ever meet and we will greatly miss him."

## Heights Middle School to unveil new gym

**The REPORTER**

The greater northern Hamilton County community is invited to attend a special ribbon cutting and dedication ceremony at 11 a.m. on Saturday, Feb. 9 at Hamilton Heights Middle School West Gym. Heights Middle School is located at 420 W. North St., Arcadia.

Hamilton Heights Middle School students, faculty, staff, board members and project professionals are excited to share in the completion of the first of several recent construction projects and enhancements at the middle school.

The short dedication will begin with a ribbon cutting ceremony led by Hamilton Heights Middle School Principal Bret Bailey in celebration of the newly renovated areas.

"We thought this dedi-

cation would be a nice addition to the Junior Varsity County Wrestling Tournament, which we are hosting this year," said Corey Kiger, Hamilton Heights Middle School Assistant Principal and JV Wrestling Tournament Director. "This will offer district families, members of our community and visitors from inside and outside the county the opportunity to see the recent upgrades and hear about what else is on slate for this building which has served the corporation well for more than 60 years."

Dori Hochstedler, Project Vision Director, Hamilton Heights School Corporation, is excited to share the progress that has been taking place inside the school building which has

## Misery loves company

"Do not let the behavior of others destroy your inner peace." – Dalai Lama

Have you ever had certain people in your life that just seem to go out of their way to irritate you?

Do you find that they provoke you to impatience and put you in a bad mood?

Do they get under your skin like a splinter and just annoy the goodness right out of your day?

Well, I have a few of them. And no, they do not read my column.

I can't imagine the energy that some people put into their day to complicate the lives of others.

It's true what they say, misery loves company.

Here are my thoughts ...

They can invite you into their misery but you don't have to accept the invitation.

You can smile and walk away from their cutting re-

marks and bitter actions and be the better person.

If you sling dirt with a pig you will both get dirty but only one of you will enjoy it.

If you stir manure, the stink will follow you.

Some of the happiest people I know have survived the attack of the harshest criticism. They have learned that the words may hurt but they don't have to carry and show the scars caused by them.

It's sad that some people carry so much bitterness that they feel the need to heap it upon others.

Just because you have the ability or power to make others feel "less than" does not mean that you should do it.

Character is shown in the simple words of appreciation. Lack of character is

## Two die in single vehicle crash Friday night

**The REPORTER**

The Hamilton County Sheriff's Office is investigating a single vehicle crash which resulted in the deaths of two individuals late Friday night.

First responders were dispatched to the 26600 block of southbound U.S. 31 in northern Hamilton County shortly after 11 p.m. on Friday on the report of a vehicle in a field. Callers reported one of the people involved in the crash was trapped in the vehicle while another was

thrown from the car.

The preliminary investigation indicates a 2005 red Chevrolet Cobalt was southbound on U.S. 31 north of 266th Street when, for unknown reasons, it left the right side of the roadway and struck a tree approximately 1,500 feet north of the intersection.

The driver of the vehicle, identified as Coltin D. Heath-Brumfiel, 23, Kokomo, was ejected from the vehicle during the crash. He was pronounced dead at

the scene. It is unknown if he was wearing a seat belt at the time of the crash. The passenger, Meghann K. Clement, 25, Kokomo, was trapped in the vehicle as a result of the crash. She was also pronounced dead at the scene. Reports indicate Clement was wearing a seat belt during the incident.

Witnesses of the crash told deputies the Cobalt changed lanes and fishtailed before leaving the roadway and striking the tree.

Toxicology tests were

performed to determine if alcohol or other substances contributed to the fatal crash; however, test results are pending.

The incident is under investigation by the Hamilton County Sheriff's Office Crash Team. Anyone with information pertaining to the crash is asked to contact the team through Hamilton County Public Safety Communications at 317-773-1282.

The Sheriff's Office was assisted by Sheridan Police and Fire departments.

I was born and raised right here in Noblesville. I grew up in a home without domestic violence or assault - it wasn't something I saw, or even heard about.

But when I was introduced to Prevail of Central Indiana, I was shocked by the number of individuals who are affected by domestic violence. In 2018 alone, Prevail helped more than 4,000 clients in Hamilton County. (Nearly 80 percent of clients are women and children.)

Prevail is strictly confidential, and since their core values include integrity and respect, they provide their services at no charge. Domestic violence and abuse are hard topics to discuss, so you don't often hear about them. But at Tom Wood Volkswagen in Noblesville, we're breaking the taboo and raising awareness for Prevail, an organization that helps families in Hamilton County.

# House supports Goodrich's bill to boost state's workforce

**The REPORTER**

The Indiana House of Representatives on Tuesday voted in favor of legislation to continue strengthening Indiana's workforce pipeline co-authored by State Rep. Chuck Goodrich (R-Noblesville).

Goodrich said **House Bill 1002** would meet the changing needs of Indiana's employers by reallocating existing state funds to proven workforce programs so Hoosiers can increase their certifications, earn stackable credentials and secure higher-paying jobs in high-demand fields.

"A skilled workforce helps fuel Indiana's economy," Goodrich said. "As an employer, I understand the value of workforce training to companies large and small, and I know firsthand how skilling up can lead to a higher paying job in an in-demand field."

According to Goodrich, the legislation would also prioritize career and technical education and provide additional flexibility for schools to partner with employers to establish more work-based learning opportunities. To explore and learn more about opportunities after high school, Hoosier freshman and sophomores could enroll in a CTE or college preparatory course funded through career coaching grants.

"The Career Coaching Grant Fund Program would bring schools and companies together to educate students on various career opportunities available without a four-year college degree," Goodrich said. "Reaching the next generation earlier in their schooling would prepare them to learn valuable skills needed to be successful after graduation."

# How HSE Schools makes weather-related decisions

By LARRY LANNAN  
[LarryInFishers.com](http://LarryInFishers.com)

Many families within the Hamilton Southeastern School District often ask – how does the administration decide whether to call off school or impose a two-hour delay on bad weather days? Superintendent Allen Bourff reviewed that policy for school board members Wednesday night.

Unless a decision is made the day before, Hamilton County school superintendents talk to each other through text messaging around 4:10 a.m. that day, and compare notes on what each has been observing or seeing within their school district boundaries.

Each Hamilton County superintendent is also on

contact with their respective transportation director. The transportation chiefs use their network of bus drivers to evaluate the condition of the roads.

The Hamilton County Highway Department, as well as city road crews, the Sheriff's Department and city police are all contacted for their perspective. The National Weather Service and local television meteorologists have information the school districts evaluate in making this decision.

"Sometimes it's an easy call and sometimes it's not," Dr. Bourff said. "It's never a call that's going to be a good one as far as everyone is concerned."

The condition of the roads and the overall weather is evaluated in making a deci-

sion. The general temperature threshold for closing school is a wind chill factor of 19 degrees below zero and lower.

"When the (wind chill) is 19 degrees below zero, it becomes dangerous for students to stand outside for lengths of time five minutes or more," Bourff told the board. "The 19 below zero is not a hard and fast rule. If the buses are sluggish, if we are experiencing difficulty in the buildings, we can deviate from that."

Road conditions can vary widely within the Hamilton Southeastern School District boundaries. For example, Bourff said weather conditions can be quite different on Lantern Road and 116th Street in Fishers compared to the Durbin area in Wayne Township.

# Key House committee advances Cook's bill to ease teacher workloads

**The REPORTER**

The House Education Committee unanimously supported legislation authored by State Rep. Tony Cook (R-Cicero) focused on reducing some requirements put on Indiana's teachers.

Educators are currently required to attend professional development programs, training and additional schooling to continue teaching. According to Cook, many requirements are outdated or duplicative. House Bill 1400 calls for a study committee to examine these requirements before 2020 and determine ways to eliminate, reduce or stream-

line them.

"We expect a lot from our teachers; they not only educate but also mentor and even counsel students," said Cook, a former school superintendent and vice chair of the House Education Committee. "We need to review professional development programs to determine what should be renewed and how we can eliminate unnecessary requirements. This would allow teachers to spend more time in the classroom working with their students."

Cook

Cook said interim study committees are assigned and meet after the legislative session, which ends in the spring.

The proposal now moves to the full House of Representatives for consideration. Visit [iga.in.gov](http://iga.in.gov) for more information.

State Rep. Tony Cook (R-Cicero) represents House District 32, which includes all of Tipton County and portions of Hamilton, Madison, Delaware, Howard and Grant counties.

# Indiana American Water accepting applications for 2019 Environmental Grant Program

**The REPORTER**

Indiana American Water announced Friday that it is accepting applications for its 2019 Environmental Grant Program.

Established in 2005, the company's Environmental Grant Program offers funds for innovative, commu-

nity-based environmental projects that improve, restore or protect the watersheds, surface water and/or groundwater supplies through partnerships.

Several grants for a combined total of approximately \$10,000 will be awarded in 2019.

The program is designed to support diverse types of activities, such as watershed cleanups, reforestation efforts, biodiversity projects, streamside buffer restoration projects, wellhead protection initiatives, hazardous waste collection efforts and surface or groundwater protection education.

"Ensuring we have clean water now and in the future is an important issue we can all do something about," said Indiana American Water President Deborah Dewey. "This program encourages municipalities, schools, environmental organizations and civic groups to apply for a grant that will benefit their watersheds and the communities we serve all across the state."

To qualify, proposed

projects must:

- Address a source water or watershed protection need in the community

- Be completed between May 1, 2019 and November 30, 2019

- Be a new or innovative program for the community, or serve as a significant expansion to an existing program

- Be carried out by a formal or informal partnership between two or more organizations

- Provide evidence of sustainability (continued existence after the grant monies are utilized)

- Be located within one of Indiana American Water's service areas across the state

Information and application requirements can be found online on the [Environmental Grant section](#) of the company website.

Applications must be postmarked by March 29 and mailed to Indiana American Water, 153 N. Emerson Ave., Greenwood, IN 46143, ATTN: Joe Loughmiller. Award recipients will

be notified by April 26.

Projects will be judged based on criteria that include clarity of project goals and projected impact, strength of collaboration with other community and/or municipal organizations, and evidence that the project will provide sustainable environmental results after Indiana American Water's funding ends.

In 2018, a total of four projects throughout Indiana American Water's service areas received grants totaling nearly \$13,000. The projects included creating a storm water community watch program in Terre Haute to enhance the city's response time and reduce or prevent pollutants from entering local waterways; expanding the Wonders on the Wabash program in Tippecanoe County; developing an educational water station for use at the My Little Farm interactive exhibit at the Floyd County 4-H Fair; and engaging Shelbyville High School students in a tree planting and maintenance project.

“Our responsibility to collect, hold and disperse unclaimed property sets us apart from attorneys general across the rest of the United States,” Hill said. “We take this role very seriously and work aggressively every single day to return unclaimed property to its rightful owners.”

To reach owners of unclaimed property, the Office of the Attorney General uses mailings, social media, online and print advertisements, and local media coverage. Staff members

crisscrossing the state in the Attorney General's Mobile Operations Center (MOC) also help constituents search for unclaimed money. During 2018, in fact, staff members with the MOC helped Hoosiers find \$430,030 in unclaimed money on the Unclaimed Property Division's online database.

In the spring of 2018, the Unclaimed Property Division (UPD) upgraded to a more streamlined claiming process to make the experience more efficient for claimants. Internally, the changes have enabled the claim review process to go paperless, allowing for a more fluid and

Hill

trackable system. Unclaimed property refers to any financial asset with no activity by its owner for an extended period of time. This includes unclaimed wages or commissions; savings and checking accounts; stock dividends; insurance proceeds; underlying shares; customer deposits or overpayments; certificates of deposit; credit balances; refunds; money orders; and safe deposit box contents. Organizations holding potential unclaimed property are expected to make every possible effort to contact the owner before reporting the assets to the state in which the owner was last known to reside.

In 2018, the UPD received \$126 million in unclaimed property – \$29 million more than the amount received in 2017.

# Vendors wanted for Red Geranium Artisan Market

**The REPORTER**

First Presbyterian Church of Noblesville is seeking vendors for the fourth annual Red Geranium Artisan Market from 9 a.m. to 3 p.m. on Saturday, Aug. 17. The church is looking for unique, handmade items such as fine art, antiques, furniture, boutique clothing, children's clothing, photography, jewelry, wood and glass craft, pottery, garden art, repurposed and upcycled creations, fresh flowers or local produce, food truck vendors and more.

The market features over 30 different 10-foot by 10-foot booths located both inside and outside the historic First Presbyterian Church of Noblesville, 1207 Conner St., Noblesville. The market will also have food trucks, grilled food, a bake sale and live music. The proceeds from the \$45 booth rental will be used to support local, state, national and international mission projects.

For more information, please visit [facebook.com/RedGeraniumMarket](http://facebook.com/RedGeraniumMarket), [fpc-noblesville.org](mailto:fpc-noblesville.org), or email [aublej@comcast.net](mailto:aublej@comcast.net) for an application.

# Application deadline for Next Level Trails is Feb. 15

**The REPORTER**

Eligible applicants for the initial round of the Next Level Trails grant program have until Feb. 15 to apply through the DNR.

Grants will invest \$90 million in state funding to help develop regionally and locally significant trails across Indiana. Announced

by Gov. Eric J. Holcomb in December 2018, the Next Level Trails grant program is the largest infusion of state trail funding in Indiana's history.

Eligible applicants include units of government or 501(c)(3) nonprofit organizations. Applicants should be the entity that

would own, develop and/or manage the trail. The grant requires a minimum 20 percent project match, which can include monetary contributions, land value and in-kind donations of materials and labor.

Complete information is available on [DNR's website](http://DNR's website).

# TODAY'S BIBLE READING

*But woe unto you that are rich! for ye have received your consolation. Woe unto you that are full! for ye shall hunger. Woe unto you that laugh now! for ye shall mourn and weep. Woe unto you, when all men shall speak well of you! for so did their fathers to the false prophets. But I say unto you which hear, Love your enemies, do good to them which hate you, Bless them that curse you, and pray for them which despitefully use you. And unto him that smiteth thee on the one cheek offer also the other; and him that taketh away thy cloak forbid not to take thy coat also. Give to every man that asketh of thee; and of him that taketh away thy goods ask them not again. And as ye would that men should do to you, do ye also to them likewise. For if ye love them which love you, what thank have ye? for sinners also love those that love them. And if ye do good to them which do good to you, what thank have ye? for sinners also do even the same.*

The Hamilton Southeastern girls basketball team beat Carmel 47-34 on Saturday to win its first sectional championship since 2007. The Royals are now 23-1 and will play at the Kokomo regional next Saturday.

# Defense leads Royals to long-awaited championship

By **RICHIE HALL**

**FISHERS** - Defense wins championships, and Hamilton Southeastern's defense brought it a long, long awaited girls basketball sectional championship on Saturday night.

The Class 4A No. 1 Royals won their first sectional since 2007 (and fourth overall) by beating Carmel 47-34 in front of a large and screaming crowd at the Southeastern gym. With the victory, the Royals earned a trip to play in the Kokomo regional next Saturday.

It's worth the wait of one more week for a process that began last summer.

"We started back in June," said Southeastern coach Chris Huppenthal. "I told our kids, we weren't going to win a sectional championship in February, we were going to win it starting right now. And from Day 1 in June, when we got together in the

summer, these kids had a goal to focus. And we told our kids in the locker room before we came out that we had a passion and we had a commitment to come out here to play with some fire, to play with some enthusiasm. That's what our kids did. Played with a lot of energy."

That energy and passion began spilling out with under two minutes left in the game, when the Royals players realized that they were going to win.

"It just means everything," said senior Malea Jackson. "This is what we've been working towards since the end of last season. This is our one goal that we've been going for. It's just a great feeling, I can't even put it into words. We've become such a family and to win this together, it's just the best feeling in the world."

Carmel was the three-time defending sectional champion coming into the game,

so the Greyhounds weren't going down without a fight. They kept it close with the Royals in the first quarter, which ended with a layin by senior Reagan Hune and Carmel leading 10-8. Junior Sydney Parrish scored six of HSE's points.

Southeastern started the second period with an 8-0 run, and it would never trail again. Jackson hit a 3-pointer, then senior Amaya Hamilton added five more points, a layin and a 3. Senior Macy Berglund ended the run with a pair of free throws, but that was followed by another Royals run: Junior Jackie Maulucci made a 3-pointer and a free throw, and Jackson threw in another 3 to put Southeastern up 23-12.

Baskets by sophomore Bridget Dunn and Hune cut the Royals' lead to 23-16 by halftime. The third quarter was a defensive affair, with Southeastern scoring five points and Carmel four. Jackson hit a 3 and Parrish made a jumper, while Berglund hit two free throws and Hune made a layin.

"That's the only thing we work on in practice: Defense, defense, defense. Defense wins championships. We get offense based on the defense," said Jackson.

A putback by Hamilton began the fourth quarter, and that pushed the Royals' lead to 30-20. Carmel made one last stand, with Dunn draining a 3 and Hune scoring again, cutting the HSE lead to 30-25. But Southeastern made yet another 7-0 run to jump ahead 37-25; Parrish added another five points.

Two more Hune baskets got Carmel within 37-29, but the Royals would finish the game out from the free throw line, going 10 of 12 from the line in the final two and a half minutes.

Parrish scored 16 points, with Jackson adding 13, including three 3-pointers. Parrish had a fine defensive game with nine rebounds and two blocked shots. Hamilton had five rebounds. Tayah Irvin had another solid defensive game.

Hune scored 14 points for Carmel, which finished its season 14-11. Hune and Mackenzie Wood both pulled four rebounds.

"They played so hard," said Greyhounds coach Erin Trimpe. "We had a game plan and in the first half, we really fought

defensively. We executed it. But Hamilton Southeastern, they're so good. They're so solid in their sets and what they're running. They didn't panic when we got a couple stops. You have to give them a lot of credit for the way they handled themselves tonight."

The Royals will play the winner of the DeKalb sectional in the first semi-final at Kokomo next Saturday morning. The DeKalb championship will be decided on Monday between Fort Wayne Northrop and Fort Wayne Carroll. Homestead and Zionsville will play in the second semi-final, each team having won their respective sectional on Saturday.

Southeastern is 23-1 for the season, the most wins for the Royals since 2007.

# Trailblazers fight off Bethesda to reach championship game

The University girls advanced to Monday's Sectional 58 championship with a hard-fought 59-40 win over Bethesda Christian.

The Trailblazers dominated the paint against the Patriots. 6-2 Junior Lindsey Syrek scored a season high 27 points and pulled down 15 rebounds while Jhordan McGuire scored 11 points on a variety of inside moves. Lily Snyder had nine points including seven for eight at the foul line.

McGuire scored eight of University's first 10 points as the Trailblazers held a tight lead throughout most of the first quarter and led 13-11 after the opening period. A pair of Syrek baskets gave University a 17-13 before five points from Bethesda Christian's

Maddi Fulks gave the Patriot their last lead at 18-17.

Brooke Andrus hit a three pointer from the right wing to put University back in front before Fulks tied the game at 20. Fulks had 19 first-half points and finished with 25 to lead the Patriots.

University took the lead for good when Maddi Sears fed Syrek for a layin and a 22-20 lead with 2:55 left. Haley Tomlinson found Lily Snyder for a fast break basket and a 24-20 lead. After a Patriots basket, University scored the last six points of the first half. A Syrek rebound basket, two foul shots by Lily Snyder and a Jenna Blakley basket off a Tomlinson dish with six seconds left gave University a 30-22 lead at halftime.

The Trailblazers took control by scoring the first seven points of the third quarter on three Syrek baskets and a McGuire foul shot as University fed the post often. A Patriots basket with 3:55 left in the half snapped a six minute scoreless drought before a Syrek

old fashioned three point play put University up 40-24.

The Patriots would not go away with a Fulks floater at the third quarter buzzer punctuating a 7-2 run to cut the University lead to 42-31.

The Blazers picked up the defensive intensity again, holding Bethesda Christian scoreless for the first four and a half minutes of the final period and scoring the first 14 points of the period. Andrus got the University offense going with a big three pointer just 12 seconds in to the quarter. Sears scored off a steal before Lily Snyder hit the first of two free throws. Syrek rebounded Snyder's miss and scored and was fouled. The made free throw completed a four-point play for the Blazers and a 20 point lead at 51-31.

Four foul shots from Syrek and four more from Lily Snyder gave University a 59-33 lead with 3:00 remaining. The Patriots scored the last seven points of the game for the 59-40 final.

University improved to 21-2 on the season while Bethesda Christian bows out at 13-10

University will play the Indiana School for the Deaf Orioles (15-8) in Monday's championship game. The Trailblazers won the regular season meeting 80-39. Tip off at Bethesda Christian is at 7:30 p.m.

# Huskies overwhelm Burris, advance to championship game

Hamilton Heights moved into the championship game of the Class 3A New Castle sectional on Saturday with a 54-16 semi-final win over Muncie Burris.

The Huskies led 19-5 after the first quarter and 33-11 at halftime. Bayleigh Runner scored 16 points to lead Heights, also pulling seven rebounds and making five steals. Payton Dissett handed out four assists.

"Never easy to play in these types of games," said Huskies coach Keegan Cherry. "Before the game we talked about playing to a standard regardless of team of score. I was proud of our maturity as a team in that we remained mentally solid throughout."

Heights is 14-10 and will play the sectional host New Castle at 7:30 p.m. Monday for the championship. The Huskies beat the Trojans 41-35 when the two teams met on

Dec. 15. "Monday will be a tremendous challenge - it's very difficult to beat a team like New Castle twice. Fortunate to have the opportunity to compete for another sectional championship."

# Golden Eagles' comeback falls short

Guerin Catholic nearly came all the way back against North Central on Saturday before falling 58-57 in an afternoon game at the Panthers' gym.

North Central had the Golden Eagles down 12-2 in the first quarter before Guerin came back to within 19-14 by the end of the period. The Golden Eagles trailed 34-27 at halftime, then

worked their way back in the game during the second half, just falling short at the end.

Kian Sills scored 21 points for GC, with Bernie McGuinness earning a double-double of 13 rebounds and 12 points. Joseph Bobilya handed out five assists, with Josh Osborn dishing out four assists.

Guerin Catholic is 10-8 and will play at Indianapolis Washington on Friday.

# Millers get solid victory over Mount Vernon

By RICHIE HALL

**NOBLESVILLE** - There were three ingredients to Noblesville's 48-38 victory over Mount Vernon on Saturday afternoon.

First, take one solid first half of play that saw the Millers make effective scoring runs to get some separation over the Marauders. Then add a third quarter of Noblesville keeping its composure when Mount Vernon made its run, and top it off with a fourth quarter of solid free-throw shooting.

Mix together in The Mill for 32 minutes, and you come out with a win.

"That's the game in a nutshell," said Millers coach Brian McCauley. "We got off to a tremendous start."

After some initial back and forth that saw Noblesville trail 7-6 midway through the first quarter, the Millers made a quick 6-0 run to take the lead and hold it for the duration of the game. Xavier Hines scored the first four points in that run, then Alex Hancock's layin made it 12-7.

The Marauders' Jacob Frank interrupted the run with a 3-pointer, but Hancock scored again at the end of the quarter to give Noblesville a 14-10 lead. That basket also started a 7-0 run; Zack Johnson scored three points, with Eagan Keever-Hill making a putback in between.

Jordan Schmidt later hit a 3-pointer, and Hancock continued his strong first-half play with another basket. That gave Noblesville a 24-12 lead. The first half ended with the Millers up 26-17; Hines added a rebound basket.

"Xavier Hines was really good today defensively," said McCauley. "He rebounded well. He had some big rebounds for us." Hines totaled six rebounds for the Millers.

The Marauders went on their own 7-0 run that began at the end of the first half and continued into the third quarter. Peyton Meadors made back-to-back layins at the start of the period to get MV within 26-21. Meadors then made a three-point play to get

his team within 30-27 with 2:04 left in the third.

But that would be as close as Mount Vernon would get. Neither team scored for the remainder of the quarter, and the Millers set the tone for the fourth period early when Johnson made two free throws just nine seconds into the quarter.

Noblesville made 14 of 15 foul shots in the fourth period: Johnson, Schmidt and Keever-Hill all went 4-for-4, while Alex Hunt was 2-for-3. Hunt also had an important basket with around two minutes left in the game to put Noblesville up 38-29, effectively sealing the win.

"Our entire team played well," said McCauley. "We took care of the ball extremely well. We had five turnovers. We really knocked down our free throws."

Johnson led Noblesville's scoring with 15 points. Keever-Hill and Schmidt both added eight points.

"Zack was consistent throughout the game," said McCauley. "Eagan made his free throws. Jordan Schmidt made his free throws late and handled the ball well."

Noblesville is 9-8 and continues its homestand on Friday with a Hoosier Crossroads Conference game against Brownsburg.

## Girls swimming and diving sectionals

# Carmel, Fishers win team trophies, many county swimmers qualify for state

The girls swimming and diving sectional finals took place on Saturday, the second step of the IHSAA post-season.

A good number of Hamilton County swimmers took the step from sectionals to state, qualifying a total of 54 swim to next week's big meet at the IU Natatorium. The state preliminaries are Friday night, with the finals the following day.

At the Carmel sectional, the host Greyhounds put themselves in excellent position to contend for a 33rd straight state championship. Carmel won the sectional title (a state record 37th) with 561 points, plus qualified 24 swimmers for state and won 11 of the 12 events.

Kelly Pash was a double winner for the Greyhounds, taking the individual medley and butterfly races in state cut times. Other Carmel winners, all making state cuts as well, were Kendra Bowen in the 200 freestyle, Colleen Duffy in the 50 free, Gretchen Lueking in the 100 free, Ashlyn Underhill in the 500 free and Madelyn Christman in the backstroke. Freshman Darci Commons won the diving and advances to Tuesday's diving regional at Hamilton Southeastern.

The 'Hounds also swept all three relays, again beating the state cut in each event. Christman, Pash, Meredith Berglund and Duffy won the medley relay; Grace Pangburn, Avery Williams, Rachel Young and Lueking paced the 200 free relay; and Sarah Myung, Underhill, Berglund and Bowen were first in the 400 free relay.

Winners automatically advance to state regardless of time, followed by any swimmer that matches or beats the state cut time in her event. Carmel had 14 additional qualifiers by time: Underhill and Lueking in the 200 free, Christman in the IM, Williams and Pangburn in the 50 free, Berglund in the butterfly, Williams in the 100 free, Bowen and Morgan Croaning in the 500 free, Taylor Conley and Duffy in the backstroke, and MacKenna Lieske, Maggie Love and Sarah Jarding in the breaststroke.

Noblesville finished second in the team standings with 366 points. The Millers had the lone victory by a non-Carmel school: Sophomore Sammy Huff paced the breaststroke, winning the event in 1:03.86, two seconds faster than the state cut time.

The Millers also qualified two relays for state by cut times: Jordan Cooley, Huff, Caitlin Marshall and Abby Harvey reached the standard in the medley relay; while Marshall, Gillian Cripe, Sophie Resner and Huff beat the cut in the 400 free relay. In addition, a handful of swims were fast enough to possibly earn a callback, meaning it is fast enough to fill a field of 32 in the event.

Westfield placed third as a team, scoring 348 points. The Shamrocks had three state qualifiers: Katherine Hand earned a state cut in the IM, as did Erin Verbrugge in the backstroke and the 400 free relay team of Hand, Kerry Effinger, Macy Hoaglan and Verbrugge. In addition, Taylor Jackson finished fourth in diving and earned a spot in the Tuesday regional.

Hamilton Heights finished fourth with 190 points, while Guerin Catholic was fifth with 133.5 points. Both schools advanced a diver to the regional: The Golden Eagles' Emma Abdalla placed second and the Huskies' Bailey Haworth was third.

Heights' Rachel Sanquetti placed fourth

The Carmel girls swim team won its state-record 37th sectional championship on Saturday. The Greyhounds qualified 24 swimmers for the state meet, where it will go for a 33rd consecutive state championship.

in the IM and fifth in the backstroke, both times could be good enough to a callback to state. The callbacks are usually determined by Sunday afternoon and will be posted on the IHSAA's website.

Fishers won the championship at its own sectional, holding off rival Hamilton Southeastern by the score of 537-502. This marks the fifth sectional title for the Tigers, and its first since 2017.

Fishers won seven events and qualified 15 swimmers to the state meet. Hannah Pratt was a double winner for the Tigers, taking the 200 and 100 freestyles in state cut times. Other individual winners for Fishers were Alexandra Stein in the 50 free, Kara Robeson in the butterfly and Samantha Hietpas in the 500 free.

The Tigers won two relays as well. Stein, Kalliopi Agapios, Ellen Fero and Pratt teamed up to take the 200 free relay, and Fishers finished the meet with Fero, Stein, Abigail Jahns and Pratt winning the 400 free relay.

The Tigers had eight additional swims qualify by time. The medley relay team of Agapios, Lydia Reade, Nicole Rueff and Fero made the state cut, as Lydia Reade and Corinne Yorkman both qualified in the IM, as did Morgan Booth and Jahns in the 500 free and Reade in the breaststroke. Fero also made the cut in the 50 free, and she did so in the consolation heat of that event, winning that race in 24.07 seconds. Fero received ninth place for scoring purposes, but she is headed to state regardless. Morgan Casey finished second in the diving and will compete in the Tuesday regional.

Fishers coach Joe Keller said that the focus for his team was on progress, and not process.

"Today is about celebrating our progress and they did a great job in that and gave us a reason to celebrate," said Keller.

The Royals had three event winners. Sarah Ballard took the diving with a score of 465.40 points and will be one of three Southeastern divers at the regional. Halli Sivik finished in third place and Ashley Sinicropi was fourth.

In the pool, the Royals got a win from the medley relay team of Abigail Harter, Molly Robinson, Hannah Pugh and Brianna Saple. Harter also won the backstroke, finishing nearly two seconds faster than the state cut time.

Molly Pedersen qualified for state with cut times in four events. Individually, she qualified in the 200 and 100 freestyles, then joined Southeastern's other two state-qualifying relays, joining Pugh, Ellie Pedersen and Saple in the 200 free relay and Ellie Pedersen, Saple and Harter in the 400 free relay. Pugh also qualified in the butterfly and Robinson qualified in the breaststroke. Several times were also fast enough to potentially earn callbacks as well.

# Pacers knock off Miami to end four-game losing streak

By KYLE GRAND

Courtesy nba.com/pacers

The Pacers snapped a four-game losing streak Saturday night by knocking off the Heat in Miami, 95-88.

"The guys worked hard," Pacers head coach Nate McMillan said. "I thought tonight was a better rhythm. They were able to finish this game and played like a team."

Indiana's offense struggled in the early going, as the Pacers shot just 9-of-26 in the opening quarter. The game was tied at 19 with under three minutes to go, but the Heat finished the first with a 8-2 run to lead 27-21

heading into the second.

It didn't take long for the Pacers to erase Miami's lead, as they scored the second quarter's first six points to make it 27-27 at the 10:02 mark.

The rest of the quarter was a back-and-forth affair. Indiana took a five-point lead, 43-38, with 5:09 to go, but by the 2:11 mark Miami was back in front, 49-48 and held on for the rest of the half to take a 54-53 lead into the locker room.

The Pacers came out firing in the third, starting the quarter with a 10-0 run to lead 63-54 and force a Miami timeout. After, they continued to score at will, growing the lead

to 18 points with 2:54 left in the quarter.

The Heat weren't done though, closing the period with a 13-2 run to trail by just seven, 84-77, heading into the fourth.

The start of the fourth was rough offensively for both teams. At the quarter's midway point, the Heat and Pacers had combined for just six points. The Heat had scored four to the Pacers' two to trail by just five.

In the second half of the period, Indiana's offense woke up to put together a 7-0 run to take a 93-81 lead with 3:28 to go in the game. That would be enough to hold a struggling Miami offense at bay to secure a

win and end the losing streak.

"We controlled the game," Pacers forward Bojan Bogdanovic said. "Our defense gave us a lot of opportunities to run on them. We struggled initially, but we won a scrappy game in the second half."

Bogdanovic finished with 31 points, the most he's ever scored in a Pacers uniform. Darren Collison scored 20 points, Myles Turner added 14.

Hassan Whiteside led the Heat with 19 points and 14 rebounds. Dwyane Wade, playing in his final regular season game against Indiana, scored 21 points.
