Noblesville, Hamilton County break ground on Levee Trail

The REPORTER

Work on the Levee Trail has begun as City of Noblesville and Hamilton County Parks and Recreation officials broke ground on the new amenity. The project continues to increase Noblesville's trail availability and connectivity.

The Levee Trail adds 1.4 miles of multi-use asphalt on the east side of Morse Reservoir running from Morse Park and Beach north along the reservoir to Carrigan Road. A portion of this trail will run next to and on top of the levee from Dakota Drive to Carrigan Road.

"This trail is especially important as it connects at least 7,000 northern Noblesville residents to existing trails leading to downtown," said Mayor John Ditslear. "It also accomplishes one of the goals of the Noblesville NOW Capital Improvement Plan to improve pedestrian infrastructure."

An agreement with Citizens Energy has allowed this project to be built on its property. The project will cost approximately \$600,000 and includes an 8-foot-wide trail beside the levee and a 10-foot-wide path on top.

The Levee Trail is a collaboration between the City of Noblesville and Hamilton County Parks and Recreation (HCPR). It is the second trail project connecting residents to a county park – the first being the White River Greenway Trail and Potter's Bridge Park.

"The addition of the Levee Trail that includes Morse Park will provide enhanced access and use of the park, as well as furthering the connectivity of the park to more of the City of Noblesville and the Town of Cicero," said HCPR Director Al Patterson. "From a purely parks and recreation standpoint, it is a well-documented fact that

trails and park use improve the physical and mental health of a community."

Prior to this project, the city rehabilitated 2,500 linear feet of sidewalk and trail, including replacing old sidewalk with a new segment of trail along 196th Street from Hague Road to Morse Park and Beach in 2016. The project also removed an outdated bridge crossing with a new crossing to accommodate a full trail. This project effectively connected an existing trail network with Forest Park and Downtown Noblesville to Morse Beach and Park.

Noblesville has three major trail projects taking place in 2019 – Levee Trail, Midland Trace Trail Phase III and Riverwalk Phase IV – and will surpass 100 total miles of trail in the city this summer.

Musall chosen for '30 Under 30'

The REPORTER

A Carmel resident who helps promote Hamilton County as a great place to visit was chosen as a member of the 2019-2020 prestigious "30 Under 30" class along with 29 other destination marketers from across the world. Destinations International Foundation, a nonprofit trade association that empowers destinations through education, advocacy, leadership and research, selected Jordan Musall, who is the marketing manager for Hamilton County Tourism.

Musall

Musall, 28, oversees digital marketing strategy, marketing intelligence and data analysis for both the county's tourism and economic development agencies.

"Being named to DI's 30 Under 30 is a huge honor for Jordan and our organization," said Ashley Ledford, director of marketing

Carmel mayoral candidates to meet for public forum

By FRED SWIFT

Both candidates in the spirited contest for the Carmel Republican nomination for mayor will appear at a public forum April 23. Incumbent Mayor Jim Brainard is opposed by Fred Glynn. Candidates for all offices at stake in the May 6 primary election are also expected.

The event, scheduled for 7 p.m. at Carmel City Hall, will be moderated by Indianapolis radio personality Abdul Shabazz. The candidate forum is hosted by the Carmel Clay Republican Club. The group has sponsored the event each election year since 2000.

Each candidate will speak and receive questions from the audience. Following the main program, members of the public may chat one-on-one with candidates over refreshments.

"The forum offers a great opportunity for the public to meet the candidates for mayor, city council, city judge and city clerk at one place in an informal setting," said club president Paul Ayers.

To date, no Democrat has filed for mayor or most other offices in Carmel.

HSE School Board once again delays work on nondiscrimination policy

By LARRY LANNAN | LarryInFishers.com

The Hamilton Southeastern (HSE) School Board appeared once again ready to tackle the difficult decision on how to update the nondiscrimination policy, but had to postpone the consideration

once again, this time due to the absence of Board President Mike Bottorff, who was attending to a last-minute family emergency.

With the board split on how to move forward on the policy issue, the matter will now move to the next board meeting on Wednesday, April 24.

Because the agenda item was removed at the last minute, Board Vice President Sylvia Shepler, presiding over the meeting in Bottorff's absence, allowed the public to com-

ment on the changes proposed in the nondiscrimination policy.

Nine people spoke, all urging board members to provide specific protection for named groups, including gender and sexual orientation. Some speakers were students, including one that is transgender. Hamilton Southeastern Education Association President Janet Chandler spoke on behalf of the teachers she represents, urging strong and specific protections. Episcopal Minister Reverend Patrick Burke quoted Scripture to make his case for strong, specific protections. Parents and community members chimed in as well, all favoring strong nondiscrimination policy language.

The board was expected to consider at least two recommendations from the school policy committee Wednesday. Now that will all be postponed to April 24.

Carmel police, firefighters partner for evening of mental wellness education, information, resources

The REPORTER

Please join the Carmel Police Department, Carmel Fire Department and others for an evening of education, networking and information sharing about mental wellness and available resources.

The forum will be held from 6 to 8 p.m. on Wednesday, April 24 at Orchard Park Elementary School, 10404 Orchard Park Drive South. Attendees will have the opportunity to join the breakout sessions listed below and speak with representatives from a variety of vendors about services they provide.

Breakout sessions will be held on the following topics:

- 6:30 p.m.: Self-coping Skills

Toolbox

- 6:30 p.m.: The Pill Problem
- 6:30 p.m.: Domestic Violence and Trauma
- 7:15 p.m.: Suicide Awareness and Prevention
- 7:15 p.m.: Mindfulness and Positive Thinking
- 7:15 p.m.: Human Trafficking

Tickets are not required for this free event, but online registration is respectfully requested so event organizers will know how many people to expect. Please register at carmelcares.eventbrite.com.

Attendees must be at least 18 years old due to the sensitive nature of the subject matter. There will not be any type of child care provided.

Rotary Club of Carmel announces BourbonFest date

30 UNDER 30 from Page 1

The REPORTER

The Rotary Club of Carmel announces the third annual BourbonFest event scheduled for Saturday, April 27, hosted by Platform 24, located at 12400 N. Meridian St., Carmel.

Guests will enjoy food samplings from some of the best restaurants in Indianapolis such as Sullivan's Steakhouse, Peterson's Steak and Seafood, Eddie Merlot's, Arni's, Blue Sushi Sake Grill, Oca, The Den by Foxgardin and A Cut Above Catering, each

paired with select bourbons while listening to live music. Beer and wine will also be available.

VIP tickets are limited with a 5:30 p.m. admission time. Ticketholders will receive an expert guided tasting tour of bourbon, a commemorative rocks glass and priority access to food sampling. The main event will open at 6:30 p.m.

"We'd like to thank our title sponsor and event venue Platform 24," said Carmel Rotarian Thaddeus Rex. "Platform 24 brings a sense

of community to entrepreneurship in the Indy metro area. This sense of coming together is exactly how a community becomes greater than the sum of its parts, core values of the Rotary Club. This event would not be possible without all of our BourbonFest sponsors."

"We are so excited to partner for this event," said Tony Unfried, co-founder of Platform 24, a place where area entrepreneurs can come together for the greater good of the region. "The opportunity to help

an organization like Rotary raise funds for these important projects is simply more exciting than we've ever dreamed."

According to club president Jon Walker, the Rotary Club of Carmel has raised funding to dig wells in Africa, build schools in Haiti and has provided grants and other monetary assistance to the community of Carmel as just a few of their charitable accomplishments. The world's first Rotary Club was founded over 100 years ago.

BourbonFest attendees must be 21 years of age to attend.

Questions may be submitted to thaddeus@thaddeusrex.com or call 317-965-0026. To purchase tickets, visit bourbon-fest-2019.eventbrite.com.

Every year, Destinations International's Foundation chooses 30 of the top marketers from across the world to further provide leadership opportunities in the tourism industry. With the honor, Musall will be able to engage in professional development opportunities throughout 2019 and beyond. His 30 Under 30 class will also attend this year's annual convention in St. Louis.

"It means so much to me to be recognized by DI," Musall said. "I look forward to connecting with the other recipients and learning about what they see as the future of our industry."

Musall has worked at Hamilton County Tourism for more than five years.

Born and raised in Hamilton County, he graduated from Ohio Dominican University with a degree in graphic design and art history. He currently resides in Carmel with his wife, daughter and two dogs.

Advocating for
Victims of Crime and Abuse
www.prevailinc.com

I was born and raised right here in Noblesville. I grew up in a home without domestic violence or assault - it wasn't something I saw, or even heard about. But when I was introduced to Prevail of Central Indiana, I was shocked by the number of individuals who are affected by domestic violence. In 2018 alone, Prevail helped more than 4,000 clients in Hamilton County. (Nearly 80 percent of clients are women and children.) Prevail is strictly confidential, and since their core values include integrity and respect, they provide their services at no charge. Domestic violence and abuse are hard topics to discuss, so you don't often hear about them. But at Tom Wood Volkswagen in Noblesville, we're breaking the taboo and raising awareness for Prevail, an organization that helps families in Hamilton County. - Mike Bragg, GM of Tom Wood Volkswagen in Noblesville

To help Hamilton County families affected by domestic violence and sexual abuse, you can donate the following items:

- Art supplies (for children to journal and express their emotions)
- Bottled water (8 oz. bottles, preferably)
- Individually packaged snacks
- Gas cards (many women have no access to funds after fleeing their abuser)

You can drop off items at Tom Wood Volkswagen in Noblesville, located at 14701 Tom Wood Way. You can also donate directly to Prevail of Central Indiana by visiting Prevailinc.org.

Gifts from the heart ... Austin's story

The REPORTER

A gift from the heart is so full of meaning and love that it easily outshines even the most expensive store-bought gift.

Austin Phillips creates his own special gifts of heartfelt artwork by taking simple metal screws and inserting them, in specific artistic patterns, into wood boards. Each design is unique and has special meaning. Austin also designs and creates wooden trays which can be used as serving pieces. Austin loves to share his art with others and in his words “make people happy” by gifting his artboards and handcrafted trays to others. His positive attitude and enthusiastic personality is another special gift that Austin shares with others on a daily basis.

Diagnosed with autism at age 2, Austin received therapy and services as a child and teenager. When Austin graduated from high school, he moved to Hamilton County with his family and they began the search

for services that would be a “good fit” and meet their needs and expectations. Their search brought Austin and his family to Janus.

When Austin arrived at Janus, he was initially very shy and quiet. As he began working in the Janus Work

Experience program, Austin quickly gained pre-vocational skills as he earned paychecks for the work that he did. In just a short time, Austin's special skills and talents became evident and he began to demonstrate amazing self-confidence

and a genuine interest in people.

Now, in addition to participating in the Work Experience program, Austin is busy working in the community at two Cicero businesses. Austin helps with the laundry, folds towels and sweeps the floors at a hair salon. As a restaurant employee, Austin's job responsibilities include unloading the delivery trucks, putting products away, prepping food, assisting with receipts, and helping others as much as he can.

Gifts from the heart ... we thank Austin for warming our hearts and spreading so much joy and inspiration to others.

Westfield Foot and Ankle, LLC – Dr. David Sullivan, Athletico Physical Therapy locations in Westfield, Whitestown and Noblesville, along with the Westfield High School boys lacrosse team announced Thursday that the organizations will partner with Changing Footprints to conduct a "Spring Cleaning with Meaning" shoe drive from April 22 to May 10. Shoes and boots of any type and in any condition for children and adults may be dropped off at Westfield Foot and Ankle, LLC and the Athletico locations during their business hours:

- Westfield Foot and Ankle, LLC: 16411 Southpark Drive, Suite B, Westfield
- Athletico Physical Therapy – Westfield: 956 Tournament Trail, Westfield

Therapy – Noblesville: 15887 Cumberland Road, Suite 103, Noblesville

The Westfield High School boys lacrosse team, coached by Troy Dinkel, will also take shoe donations during the team's scheduled home games from April 22 to May 10.

Founded in 2005, Changing Footprints partners with organizations and businesses to collect previously-worn shoes and boots as well as new shoes and boots for distribution to homeless, disaster-stricken and underprivileged people at home and abroad. Over 180,000 pairs of shoes have been donated

locally, across the U.S. and to 20 countries overseas. Shoes that are unacceptable for donation are sent to the Nike Grind program to be made into local playground material or football fields.

"In countries such as Afghanistan, where both children and adults may be barefoot in the mountains and the cold, shoes help prevent foot wounds, foot infections and amputations," said Podiatrist Dr. David Sullivan of Westfield Foot and Ankle, LLC. "Donating a used or new pair of shoes is such a simple way to help keep children and adults healthy, free from

disease and life-changing amputations."

Changing Footprints supplies shoes to over 100 Indiana organizations including domestic abuse shelters, children's services, school programs, low income assistance, homeless services, school programs, disaster relief and employment training. Some of the organizations in Hamilton and Boone counties that have benefited from shoe drives conducted with Changing Footprints include the Good Samaritan Network of Hamilton County, Hamilton County Kids Coats and The Caring Center

of Lebanon.

"Changing Footprints helps people understand that needs exist in our community, our area, our nation and foreign countries. It gives them a very personal way to contribute directly to help alleviate that need," said Facility Manager and Physical Therapist Bryan Ruggles of Athletico's Westfield location.

After the "Spring Cleaning with Meaning" shoe drive, Westfield Foot and Ankle, LLC and Athletico Physical Therapy plan on taking shoe donations on an ongoing basis

if the event is successful. In the fall, the businesses would like to conduct a shoe and boot drive to help those in need get ready for winter weather.

Westfield Foot and Ankle, LLC was founded in 2008 by Dr. David Sullivan, a board-certified foot surgeon and wound specialist, to treat patients with foot and ankle conditions and ailments. Athletico Physical Therapy has 29 locations around Indiana and provides outpatient physical therapy, occupational therapy and athletic training services.

Home improvement return on investment misconceptions

I get asked this A LOT ... how much money am I going to get back if I remodel, or if I upgrade my kitchen counter-tops and paint my cabinets, replace my flooring, etc.?

KRISTIN BERGUNDER
Interior Designer

A question I ALWAYS ask in my design consultations is what the foreseeable future looks like. Are we upgrading or modifying for you for two years, five years, 10 years? That has a definite impact on how we proceed.

In real estate, I will work with clients many months in advance, sometimes because the seller is curious where to allocate funds to take care of necessary repairs, deferred maintenance and suggested updating. Education and conversation assists my clients in making choices they feel

confident about.

The biggest misconception I see (reality TV home improvement shows have influenced this) is that homeowners expect to profit from their investment after upgrading or putting money into their home. Obviously, that is the goal if you are flipping homes, but for homes that are owner occupied, if you spend \$2,500 on new counter tops, don't expect that the value of your home has now increased by \$5,000.

I wrote an article recently on the difference between upgrades and deferred maintenance. If you haven't cleaned your carpets in well over a year, touched up your exterior trim paint that's peeling, have a roof that's 20 years old, or ever had

your furnace professionally serviced, the cost to take care of those first (considered more necessary) may impact what you have left to upgrade a bathroom, for example. What some folks may not realize is that taking care of needed repairs and possibly doing some updating may be what your home needs in order to put it more in line with the comparable homes around you so that it sells for a comparable price and much faster.

Our goal is to enhance your home whether it is for you or for the next homeowner, or a combination of the two. If selling, we want to attract as many buyers as possible while maximizing your home's potential to appeal to each of those buyers.

Carmel Professional Firefighters Local 4444 endorses Jim Brainard

The REPORTER

The Carmel Professional Firefighters IAFF Local 4444 is proud to endorse Jim Brainard as Mayor of Carmel.

"The firefighters of Carmel are excited to support

our mayor Jim Brainard in his reelection campaign," said JC Mitchell, president of the Carmel Professional Firefighters Union. "Mayor Brainard has proven in each term he has served this city that he supports

the fire service. With the leadership and guidance of Mayor Brainard we have continued to fully staff our fire department with four firefighters on a truck, to meet the levels of the national standard and ex-

ceed the levels that many in the area are capable to provide."

Providing further information into the importance of staffing, Mitchell explained, "With fully-staffed fire trucks we can do our job more efficiently, which saves time, and time is limited when it involves saving lives and property. The more efficient we are, the better the odds of the desired outcome. Our Mayor Jim Brainard has championed that cause since his first day in office."

Local 4444 has also announced its slate of candidates it has endorsed for other city offices for the

May 7 Primary Election. They are:

- Ron Carter – City Council At-Large

Bipartisan, bicameral bill introduced to keep girls in school worldwide

The REPORTER

On Tuesday, U.S. Representatives Susan W. Brooks (R-Ind.-05), Lois Frankel (D-Fla.-21), Brian Fitzpatrick (R-Pa.-01), and Nita Lowey (D-N.Y.-17) reintroduced the Keeping Girls in School Act to support the educational empowerment of girls globally.

This bipartisan legislation brings attention to the systemic barriers preventing girls from accessing secondary education, such as child marriage, religious or ethnic discrimination, female genital mutilation and poor safety traveling to schools. A companion bill is being introduced by Senators Lisa Murkowski (R-Alaska) and Jeanne Shaheen (D-N.H.).

“When girls stay in school their communities are healthier, safer, and more prosperous. In order to cultivate a thriving future for our world, girls’ education and development must be a top priority,” said Brooks. “When we stand up for women and girls, we help empower them to raise their voices, grasp opportunities and reach new heights. I am proud the Keeping Girls in School Act works to support the economic and educational empowerment of

girls around the world while breaking down the barriers that keep girls out of the classroom.”

“If you limit a girl’s access to education, you limit her in every area of her life,” said Jaha Dukureh, founder of Safe Hands for Girls and Africa’s Regional Goodwill Ambassador for UN Women. “We have a collective responsibility to break down every barrier girls face, so that they can enjoy their right to an education and realize their full potential.”

“I’m proud to support the Keeping Girls in School Act and thank the co-sponsors for introducing this bill today,” said Rachel Brosnahan, Actor and Global Citizen Ambassador. “I truly believe in the power of education to change the world, especially for girls and children affected by crisis, and I’m working with Global Citizen to ask our leaders to increase support and funding for education this year. This bill is a great step forward to commit U.S. support for programs and policies and resources that make sure adolescent girls don’t just access but stay in school. I look forward to continuing to work with Members of Congress

and USAID to help overcome barriers for everyone to get a quality education and I encourage all members to support the passage of this bill.”

Background
Adolescent girls who remain in school are more likely to live longer, marry later and earn an income to support their families, thus helping the economic prosperity of their communities and nations. However, today over 130 million girls worldwide are not in school. While the U.S. has been the global leader in efforts to expand and improve educational opportunities, particularly for girls, there is still more work to be done to ensure access to quality education and expand girls’ economic futures.

The Keeping Girls in School Act focuses on closing the gender gap for adolescent girls and keeping them in school at the secondary level, a time when girls are most at risk of dropping out of school due to forced marriage, pregnancy and other family pressures. The economic benefits of girls’ education are substan-

Brooks

tial and can help lift households, communities and nations out of poverty. Keeping girls in secondary school could*:

- Add \$92 billion to the economies of low- and middle-income nations;
- Cut child deaths by 50 percent;
- Reduce child marriage by 66 percent;
- Decrease violent conflict by 37 percent; and
- Increase girls’ future wages by up to 20 percent for every year enrolled.

Specifically, the Keeping Girls in School Act:

- Outlines and highlights a non-exhaustive list of 14 barriers that girls face in entering and remaining in secondary education institutions.
- Authorizes a budget neutral funding mechanism where USAID is directed to enter into results-based grant project proposals to reduce these barriers adolescent girls face. These proposals will utilize public-private partnerships, development impact bonds, and other innovative financing mechanisms to leverage

real results with measurable outcomes.

• Requires that the U.S. Global Strategy to Empower Adolescent Girls be reviewed and updated every five years.

Full text of the legislation can be found [here](#). Additionally, dozens of civil, human and women’s rights organizations have endorsed the Keeping Girls in School Act. The list can be found [here](#).

* Statistics are according to UNESCO, the Education Policy and Data Center, CARE, the Global Partnership for Education, and the World Bank.

Carmel businesses, organizations to help residents shred, recycle

The REPORTER

Last year, more than 15.4 million Americans were victims of identity theft. To help fight fraud, a handful of community groups are joining together for a document shredding, electronics recycling, bulk item and drug disposal event from 10 a.m. to 1 p.m. on Saturday, April 27 in the parking lot of Creekside Middle School, located on the southeast corner of West 126th Street and Shelborne Road.

The event is sponsored by a team of organizations including AARP, Carmel Utilities, Carmel Police Department, Crime Stoppers of Central Indiana, Technology Recyclers, Shred-it and WISH-TV. AARP Indiana will hand out information about their free Fraud Watch Network and Zionsville and Boone County Sheriff's Department will assist.

Shredding

Identity theft is one of the fastest growing crimes today and most identity information is still obtained through hard copy paper sources. Shredding significantly reduces your risk when disposing of confidential information. It is

recommended that you shred any documents that include a signature, account number, Social Security number, medical or legal information.

The professional shredding is sponsored by Shred-it to benefit Crime Stoppers of Central Indiana. A donation is requested of \$5 per banker-box size container or equivalent.

Recycling

The following items will be accepted: All computers, servers, peripherals, wiring, cable, battery backups, monitors, TVs (\$10 charge per monitor or TV); all electronics, phones, stereos, headsets, DVD players, any small appliance; IT equipment including hubs, switches, servers, routers, racks etc.; office equipment including fax machines, copiers, phone systems, industrial electronics, test equipment, medical equipment and large appliances including refrigerators and freezers.

The recycling drop-off event will be managed by Technology Recyclers.

Prescription drugs

Properly removing

unused and expired medicines from the home helps protect the environment and the community by keeping them out of the water supply and reducing accidental poisoning and prescription drug abuse. Uniformed officers will accept pharmaceuticals for proper disposal.

Bulk items

As part of Carmel's trash program with Republic Services, drop-off of bulky items will be available free of charge to trash customers (for Carmel Utilities trash customers only; an ID or utility bill required).

Examples of items to drop off include lawn equipment, carpet, furniture, grills (no propane tanks), water heaters, swing sets, mattresses, etc. Space is limited and on a first come, first served basis.

No electronic waste will be accepted in bulk item disposal; those items are accepted in electronics recycling.

Items not accepted

No paints, light bulbs, tires, landscape waste, toxic or household hazardous waste.

TODAY'S BIBLE READING

Then Peter said unto him, Lord, speakest thou this parable unto us, or even to all? And the Lord said, Who then is that faithful and wise steward, whom his lord shall make ruler over his household, to give them their portion of meat in due season? Blessed is that servant, whom his lord when he cometh shall find so doing. Of a truth I say unto you, that he will make him ruler over all that he hath. But and if that servant say in his heart, My lord delayeth his coming; and shall begin to beat the menservants and maidens, and to eat and drink, and to be drunken; The lord of that servant will come in a day when he looketh not for him, and at an hour when he is not aware, and will cut him in sunder, and will appoint him his portion with the unbelievers. And that servant, which knew his lord's will, and prepared not himself, neither did according to his will, shall be beaten with many stripes.

John F. Freeman

October 11, 1932 – April 9, 2019

John F. Freeman, 86, Kempton, passed away peacefully into the arms of God on Tuesday morning, April 9, 2019. Born October 11, 1932 in Indianapolis, he was the son of the late Cecil and Fern (Hadley) Freeman. He was a 1946 graduate of Arsenal Tech High School. In his late teens, John migrated to farm near Pickard.

Growing up in both the city and on a farm through the Depression and World War II, he learned the value of money and the hard work that it took to earn it, two valuable lessons that would serve John well during his life. It was during his years on the farm that he would meet the love of his life, Katherine Friend. She and John were married on August 26, 1950 and would spend the next 69 years by each other's side.

John had several occupations throughout the years, working as a farmer, machinist and truck driver, to name a few. No matter the task, John was always determined to do the best job possible, tirelessly striving to make a better life for his family.

When John wasn't working, he enjoyed hunting, fishing and camping, but in his later years, his focus turned to taking care of his home and yard. He spent many hours on his trusted Wheel Horse, keeping "Little New York" a green and beautiful place. He also loved traveling to hog shows with his buddies.

John was a 50-year member and Past Master of the Pickard Masonic Lodge F&AM 690, a member of the Tipton County Shrine Club, and a proud member of the Sons of the American Legion at the K.V. Elliott Post 67 in Sheridan.

John is survived by his loving wife, Katherine "Tootie" Freeman; two sons, Keith Freeman (Marcia), Kirklin, and Steve "Pee Wee" Freeman, Kempton; one daughter, Johnanna Bowling (Kent), Kempton; his sister, Catherine Dusing, Indianapolis; and his brother, Dick Freeman (Linda) of Florida. Also surviving are his six grandchildren, Jill Swan (Justin), Anna Wolfe (Don), Keta Spidel, Addie Gattliff (Levi), Jake Sheldon and Arlene Davis; 10 great-grandchildren, Lukas Swan, Mylan Swan, Nolan Swan, Noah Wolfe, Ella Wolfe, Hallie Wolfe, Olivia Spidel, Landon Spidel, Owen Spidel and Wyatt Davis, all of whom knew him as "Pappy"; and by his Black Lab, Pippi-LuLu.

He was preceded in death by his parents; brothers, Phil and Paul Freeman; his sister, Florence Bandy; and by his daughter-in-law, Rita Freeman.

Visitation will be held from 3 to 7 p.m. on Sunday, April 14, 2019 at Kercheval Funeral Home, 306 E. 10th St., Sheridan, with a Masonic Service to be held at 7 p.m. following visitation. Graveside services will be held at 11 a.m. on Monday morning, April 15, 2019 at Scott-Scircleville Cemetery in Scircleville, Ind.

In lieu of flowers, memorial contributions may be presented to the Shriners Hospital for Children.

A special thank you to everyone at Community North Hospital for the heartfelt care, respect and dignity you gave to John and his family.

Bulldogs get past Westfield in 10 innings

Westfield endured a frustrating Hoosier Crossroads Conference loss to Brownsburg on Friday, falling 12-8 in 10 innings.

The Shamrocks scored six runs in the bottom of the first inning. Parker Bard got the first run, heading home on an RBI ground out by Zach Collins. Andy Manzur smacked a two-RBI hit to right field to score Trey Anderson and Bryce Dorton, then Austin Wessel singled in Kyle Pepiot.

Manzur scored when Bard was hit by a pitch with the bases loaded. Wessel was next to get home, when Anderson drew a walk.

The Bulldogs took the lead in the fourth inning when they scored five runs. But Westfield tied it up in the bottom of that inning, Dorton scored his second run of the game after Manzur reached on error.

The game stayed tied through eight innings. Brownsburg took a brief 8-7 lead on an RBI single in the ninth inning, but the 'Rocks tied it up again after Dorton reached on error, getting Bard home. The Bulldogs scored four runs in the 10th inning to win the game.

"I've always liked the fight of the team, but we've been telling them that we have to clean up our game," said Shamrocks coach Ryan Bunnell. "Ten of our 12 runs that we gave up were unearned. We're not going to win ball games, particularly against good teams when we're doing that. So we've got to clean up our play."

"On top of that, despite as poorly as we played defensively, we had our opportunities offensively, and we just didn't put them away. The big hit eluded us. We played poorly, and particularly when we had to have a big play, we didn't make it. Clean

Smitherman and Wessel each finished the game with two hits. Manzur totaled two RBIs. The Shamrocks used four pitchers in the game, with Mason Cox tossing four strikeouts.

This was the first HCC loss of the year for Westfield, which is now 3-1 in the conference and 4-2 overall. The Shamrocks next play Monday at Carmel.

Royals drop first HCC game

Hamilton Southeastern was dealt its first Hoosier Crossroads Conference loss of the season on Friday, falling to Zionsville 10-7 at Ken Seitz Field.

Buckingham

The Royals went up 3-0 in the first inning. Brayton Harrison hit a two-run home run, also scoring Matt Buckingham, who led off with a base hit. Later, Caden Ruhnow's left field hit sent Greyson Droste home.

Southeastern added another run in the second inning, as Harrison doubled home Anthony Eggers. But a three-run homer in the top of the third got Zionsville within one, and the Eagles tied it up with an RBI single.

Zionsville added four more runs in the fourth inning to lead 8-4. The Royals cut into that lead in the bottom of the fourth, when Jake Stout scored on a passed ball and Buckingham got home on Harrison's RBI ground out. Eggers also scored on a passed ball. The Eagles added two more runs in the sixth.

Buckingham, Eggers and Harrison all

had two hits, with Harrison totaling four RBIs.

Southeastern is 2-1 in the conference and 4-1 overall. The Royals host Kokomo at 11 a.m. this morning in a doubleheader.

Millers win another slugfest with Tigers

It was another slugfest between Noblesville and Fishers Friday night at Don Dunker Field, with the Millers coming back to beat the Tigers 10-8 in the second game of the series between the two teams.

With the victory, Noblesville swept the Hoosier Crossroads Conference series.

Fishers literally came out swinging, as Nick Lukac started the game with a home run on the first pitch. Later, Daniel Owens hit a left field single to score Collin Shelton and Tristan Baker. Baker was running for Kiel Brenzewski, who got on base with a double.

That gave the Tigers a 3-0 lead in the top of the first. Noblesville answered in the bottom of the inning, as Cade Nelis smacked a triple into center field, scoring Cooper Miles and Matt Peek.

Fishers added four runs in the second inning. Lukac struck again, nailing a triple

to center field. He scored when JJ Woolwine reached on error. Next up was Brenzewski, and he homered into right field, also sending Shelton and Woolwine home.

The Tigers led 7-2 at that point. Noblesville began its comeback by scoring four runs in the bottom of the fourth. Ethan Imel batted Nelis in, then Brady Walden scored when Cole Barnes drew a bases-loaded walk. DJ Owens hit a two-RBI single, getting Zach Gruver and Camden Nagel home.

That cut Fishers' lead to 7-6. Kaid Muth made it 8-6 to lead off the fifth inning when he hit a solo home run into center field. That score held until the bottom of the sixth, when the Millers took the lead.

DJ Owens singled in Nagel, then Lucas Williams and Miles both scored on separate wild pitches. Owens later scored on a steal of home plate. Fishers loaded the bases in the bottom of the seventh with one out, but

Miles came in to get the final two outs, on a strikeout and pop out.

DJ Owens and Nelis both had two hits for the Millers. Peek got the win after relieving starter Clay Holzworth, who tossed four strikeouts in four innings. Peek threw the next two and a third innings, and Miles is credited with the save.

Lukac went 4-for-5 at the plate for the Tigers, with Brenzewski and Grant Whetsel each getting two hits, including one double each.

Noblesville is still perfect in the conference at 4-0 and is 6-5 overall. Fishers drops to 1-3 in the conference and 4-7 overall. The two teams will finish their series at noon today at the Tigers' field in a non-conference game.

Golden Eagles beat New Castle

Guerin Catholic picked up a home-field win over New Castle on Friday, by the score of 4-2.

The Golden Eagles scored their first run in the first inning, with Braden Reel hitting a sacrifice fly to send Keenan Taylor home. Taylor scored a second run in the third inning, getting home after Nate Bingman reached on error. Bingman was sent home when Reel hit his second sacrifice fly of the game.

The Trojans scored two runs in the fourth inning on an RBI double, cutting Guerin Catholic's lead to 3-2. But that would be as close as New Castle would get. Luke Godfrey scored on an error in the fifth inning to give GC an insurance run, and the Golden Eagles would hold on for the win.

Taylor finished the game with two hits. Max Engelking pitched a complete game, striking out six and allowing only four hits.

Guerin Catholic is 8-1 and hosts Sheridan on Monday.

'Hounds overwhelm Roncalli

Carmel got down early, but finished strong to overwhelm Roncalli 15-3 in a five-inning game Friday at Hartman Field.

The Rebels scored all three of their runs in the top of the first inning, but the Greyhounds came back to tie things up in the bottom of the inning. Christian Williams scored on a wild pitch, then Brayden Lentz batted in Logan Urbanowski, who hit a double to get on base. JD Rogers tied the game when he got home on a passed ball.

Carmel scored in all four innings it batted. Rogers hit a double in the second inning, and Lentz followed that up with his own double, scoring Urbanowski and Rogers. Michael Uhrig sent Alex Brooks home with an RBI ground out in the third inning to give the 'Hounds a 6-3 lead.

The Greyhounds ran away with the game in the fourth inning, scoring nine runs. That included a three-run home run for Jackson

Adams. Uhrig hit a double, and Urbanowski and Rogers both had two-RBI hits.

Rogers went 3-for-3 at the plate, with Williams and Urbanowski each hitting 2-for-2. Urbanowski scored four runs and Williams scored three. Lentz totaled four RBIs. Zach Vogt pitched all five innings.

Carmel is 4-4 and hosts Westfield on Monday.
