## Westfield teacher to participate in policy fellowship

**The REPORTER**

Westfield Washington Woods Elementary School first-grade teacher Alyssa McCool was recently selected as a recipient of the Teach Plus 2019-2020 Indiana Teaching Policy Fellowship.

Mrs. McCool is one of 20 teachers selected from across the state to participate in this year-long program through Teach Plus, a national non-profit that empowers teachers to lead improvements in policy and practice.

During the Fellowship, she will take part in a course of study in policy and advocacy specially designed to help her develop skills to advocate for changes for Hoosier students.

# Noblesville ready for Fourth of July Fireworks Festival

**The REPORTER**

Thursday marks the spectacular 2019 Noblesville Fireworks Festival and the city is excited about the expanded, free events taking place with the parade downtown and the fireworks festival at Forest Park.

**Parade**

The festivities kick off with the annual Fourth of July Parade presented by Gaylor Electric Inc. at 2:30 p.m. The parade is starting earlier this year, but its route will remain the same through downtown: 16th Street to Logan Street; Logan to Ninth Street; Ninth to Monument Street; and Monument to 16th Street. Luke and Sally Kenley will lead this year's parade as grand marshals.

**Fireworks Festival**

The free Fireworks Festival, presented by IDI Composites International, will take place at Forest Park from 4 to 10 p.m. The event will include traditional festival items including a food court, an Armed Forces Action Zone (with the U.S. Army, Air Force and Marines), Kids Zone and fireworks show at 10 p.m.

"Forest Park provides guests with the traditional park amenities such as playgrounds, shelters – and most importantly, nature providing plenty of shade. It also expands our festival area and layout," said Mike Hoffmeister, festival co-chair.

This year's Kids Zone will include more activities than ever before, including 11 inflatable bounce houses with sizes for different age groups. The area will have its own entertainment stage presented by Noblesville Economic Development with a Dr. Seuss, pirate and comedy-magic shows and DJ Jason Fritz playing music specifically for children. The area also will have six balloon artists, six face painters, two silt walking jugglers, a trackless train to ride and an art project through Caravan Classes.

"Other exciting new additions to cater to all ages include a 300-foot zipline, beer garden, a ninja warrior course, cornhole and an Indy Eleven activity," Hoffmeister said. "We also will have live music on the main stage presented by Republic Services with headliner Road Trip, a fantastic cover band from Milwaukee, and School of Rock as the opener."

**Nickel Plate Express**

The Nickel Plate Express will offer 30-minute rides during the festival from 4 to 7 p.m. Tickets can be purchased in advance at [NickelPlateExpress.com](http://NickelPlateExpress.com) or onsite at the Nickel Plate Express ticket

## Volunteers needed for festival

**The REPORTER**

The biggest challenge that the Noblesville Fireworks Festival Planning Committee faces each year is finding enough volunteers to staff the event. Residents are asked to please consider donating a couple of hours of their time to help make this event a success – and receive a free meal and a commemorative T-shirt.

Volunteer shifts are 3:45 to 6 p.m.; 5:45 to 8 p.m.; and 7:45 to 9:45 p.m. The jobs mainly involve interacting with the community by running the bounce house inflatables in the Kids Zone and monitoring the inflatables.

"The Fourth of July is always a difficult time to donate time, but those that can are a big part of why our event is so

successful each year. Volunteers are necessary to help the event run smoothly," said Noblesville Parks Recreation Coordinator Nichole Haberlin. "Whether you want to volunteer as an individual, with your family or as part of a group, our volunteers still have plenty of time to enjoy the festival and fireworks with their family and friends before or after their shift."

Organizations also can earn in-kind trade of discounted rates for facility rentals. Groups volunteering with at least 10 volunteers and reaching 20 hours of service can earn a free four-hour court or shelter rental.

To volunteer or for more information, contact Nichole Haberlin at [nhaberlin@noblesville.in.us](mailto:nhaberlin@noblesville.in.us) or call (317) 770-5750.

booth. The Noblesville 4th of July festival marks the return of a train to Forest Park and the beginning of a continued presence by Nickel Plate Express in Noblesville.

**Deck the 4th**

The Noblesville Fourth of July Festival Planning Committee has partnered with the Noblesville Chamber of Commerce to offer a private event at the Forest Park Lodge. Tickets are \$50 per couple for chamber members and \$60 for non-Chamber members and include parking at The Lodge, drinks, appetizers, lawn games and viewing of the fireworks from the deck. Guests 21 or

over will receive a bracelet entitling them to two alcoholic beverages. Those interested may contact Mary Noble at [mary@noblesvillechamber.com](mailto:mary@noblesvillechamber.com) or visit [noblesvillechamber.com](http://noblesvillechamber.com) for more information.

**Parking**

Those attending the festival should know that Noblesville High School and East Middle School parking lots are currently under construction and parking will not be available to the public during the Fourth of July festivities. All downtown public lots will be available and free to park

## West Nile Virus found in Carmel's Meadowlark Park

**The REPORTER**

The Hamilton County Health Department has detected West Nile Virus in mosquitoes sampled from a trapping site located at Meadowlark Park in Carmel. Truck-mounted spraying will be scheduled in the identified areas.

The use of personal protection sprays that contain DEET is recommended during any outdoor activities throughout the county.

Health Department Officials indicated the [mosquito control website](http://mosquitocontrolwebsite.com) will be updated as new trap sites become positive.

**Truck-mounted spraying areas**

- All spraying activities are forecast-dependent related to precipitation and wind speed.

- All spraying has an approximate start time of 8:30 p.m. or local sunset.

- In the event of inclement weather (high winds or precipitation) individual routes will be rescheduled on the following business day.

- Please be aware that nuisance biting activity is increasing and that the Hamilton County Health Department uses only adulticide sprays for mosquitoes in known areas of positive West Nile Virus activity.

Here are some precautions individuals can take to prevent mosquito-borne disease transmission:

1. **Use mosquito repellent.** Use insect repellent on exposed skin when you go outdoors. Use an EPA-registered insect repellent such as those with DEET, picaridin or oil of lemon eucalyptus. Even a short time being outdoors can be long enough to get a mosquito bite.

2. **Clothing can help reduce mosquito bites.** When weather permits, wear long-sleeves, long pants and socks when outdoors. Mosquitoes may bite through thin clothing, so spraying clothes with repellent containing permethrin or another EPA-registered repellent will give extra protection. Don't apply repellents containing permethrin directly to skin. Do not spray repellent on the skin under your clothing.

3. **Be aware of peak mosquito hours.** The hours from dusk to dawn are peak biting times for many species of mosquitoes. Take extra care to use repellent and protective clothing during evening and early morning – or consider avoiding outdoor activities during these times.

4. **Drain standing water.** Mosquitoes lay their eggs in standing water. Limit the number of places around your home for mosquitoes to breed by getting rid of items that hold water.

5. **Install or repair screens.** Some mosquitoes like to come indoors. Keep them outside by having well-fitting screens on both windows and doors. Offer to help neighbors whose screens might be in bad shape.

## Chief Bret Merriman retires from Sheridan Fire Department

**The REPORTER**

Chief Bret Merriman of the Sheridan Fire Department retired on Monday after almost three decades of public service to the Sheridan community.

Captain Travis Stern will take over as the interim Chief for the Sheridan Fire

Department and the chief position will be filled sometime in January 2020.

Captain Stern said, "I can't thank Chief Merriman enough for his years of dedication to the public and specifically the Sheridan community."

Stern has served on the career staff with the Sheridan Fire Department for 19 years and lives in the town of Sheridan.

## Battalion Chief Cook retires from Noblesville after 30 years of service

**The REPORTER**

Noblesville Fire Department Battalion Chief Mike Cook recently hung up his gear for the last time.

Chief Cook graduated from Carmel High School in 1976. He was hired by the Noblesville Fire Department in 1988 and promoted to Battalion Chief in 2004. He has served the city of Noblesville honorably for over 30 years. He and his wife Brenda have two daughters, Michelle Diveley and Samantha Hall, as well as two grandsons, Samuel and Ben.

Chief Cook has been an active member of the Hamilton County Firefighters Local 4416 and a driving force behind the forthcom-

ing Hamilton County Fallen Firefighters Memorial. He was a member of several teams including the County Hazmat Taskforce, Rescue Team, and Water Rescue Team. He also served as the Dive Team Coordinator and was part of the Investigations Division.

Fire Chief Greg Wyant said, "BC Mike Cook not only served the citizens of Noblesville with honor and distinction, but both he and his family have volunteered countless hours to nearly every worthwhile cause the Noblesville Fire Department has been a part of. We are very happy for Mike and his family and wish them all the best as they set out on their well-deserved retirement."

*I was born and raised right here in Noblesville. I grew up in a home without domestic violence or assault - it wasn't something I saw, or even heard about. But when I was introduced to Prevail of Central Indiana, I was shocked by the number of individuals who are affected by domestic violence. In 2018 alone, Prevail helped more than 4,000 clients in Hamilton County. (Nearly 80 percent of clients are women and children.) Prevail is strictly confidential, and since their core values include integrity and respect, they provide their services at no charge. Domestic violence and abuse are hard topics to discuss, so you don't often hear about them. But at Tom Wood Volkswagen in Noblesville, we're breaking the taboo and raising awareness for Prevail, an organization that helps families in Hamilton County. - Mike Bragg, GM of Tom Wood Volkswagen in Noblesville*

# Governor Holcomb details next round of Community Crossings grant program

## The REPORTER

Governor Eric J. Holcomb on Tuesday announced the next call for projects is open in the Community Crossings grant program for shovel-ready local road construction projects. Community Crossings is part of Gov. Holcomb's Next Level Roads program, a 20-year, fully funded plan to enhance Indiana's highways and local roads.

"Our transportation infrastructure plays a crucial role in ensuring Hoosier residents and businesses reach their full potential," Gov. Holcomb said. "Community Crossings is a partnership between the state and local communities to make meaningful investments in transportation to catalyze economic growth, add jobs, attract and retain talent, all while promoting safety on every mile."

Projects that are eligible for funding through Community Crossings include road resurfacing, bridge rehabilitation, road reconstruction and Americans with Disabilities Act (ADA) compliance in connection with road projects. Material costs for chip sealing and crack filling operations are also eligible for funds.

Projects submitted to the Indiana Department of Transportation for funding will be evaluated based on need, traffic volume, local support, the impact on connectivity and mobility within the community, and regional economic significance.

"Community Crossings is a tremendously valuable tool to cities, towns and

counties as they build and maintain their local transportation assets," said INDOT Commissioner Joe McGuinness. "Local roads are the first and last mile of the state's transportation system. Because of that, INDOT is committed to partnering with communities to make local roads stronger and safer."

Community Crossings is open to all local government units in the State of Indiana.

- Cities and towns with a population of fewer than 10,000 will receive funds using a 75/25 match.

- Cities and towns with a population of greater than 10,000 will receive funds using a 50/50 match.

- Counties with a population of fewer than 50,000 will receive funds using a 75/25 match.

- Counties with a population of greater than 50,000 will receive funds using a 50/50 match.

Over the last three years, the state has awarded more than \$500 million in matching funds to support local road and bridge projects around Indiana. Long-term funding for Community Crossings is part of House Enrolled Act 1002, passed by the legislature and signed into law by Gov. Holcomb in April 2017.

All application materials must be submitted by 5 p.m. on Friday, Aug. 2. Communities receiving funding for projects will be notified by INDOT in the fall.

For more information on Community Crossings, visit [in.gov/indot/communitycrossings](http://in.gov/indot/communitycrossings).

# Rock the 4<sup>th</sup> in Westfield with Lions Club's 11<sup>th</sup> annual car show

## The REPORTER

As part of this year's Westfield Rocks the 4th celebration, the Westfield Lions Club is once again holding a car show presented by Indy Bra on Thursday, July 4 in Lot G of Grand Park. The 11th annual Westfield Lions Club Car Show is a fun low-pressure event for all cars.

Registration for the car show will begin at 1 p.m. and conclude at 4 p.m. Judging will begin at 4:30 p.m. and awards will be given at 6 p.m. Pre-registration is \$20 and day-of registration is \$25; 100 percent of the proceeds will benefit the Cystic Fibrosis Foundation.

Class judging will be done by the entrant, just like last year. Several more

categories will be added, which will compete for some terrific trophies. The Best in Show will be judged by a celebrity judging team. The first 75 entrants will receive a dash plaque for their vehicle.

This year will include live music and more food. Should you chose to hang out for the biggest fireworks in central Indiana, you will have a prime parking spot for the show at no extra cost. Canopy tents are

welcome. To register online, visit [westfieldlions.org](http://westfieldlions.org). Call Larry at 317-896-9689 if you have questions. Please note that dogs are not permitted in Grand Park.

in on the holiday.

Only handicap parking will be available on marked spaces along Cicero Road. Proper tags must be displayed to be able to park in this area while spaces are available. Forest Park Aquatic Center and parking will be open for normal business.

"Limiting the parking spaces was necessary for public safety. With so many activities and people walking around the park and on the road, we need to make sure it is safe for all of our guests and their children," said Hoffmeister. "Trolley rides will run continuously throughout the festival. Following the fireworks, Noblesville Schools' buses will be added to the routes to assist guests leaving the park as quick as possible."

A map of the trolley routes and park festivities has been created to help guests plan where to park and what attractions they will want to visit during the festival. Shuttle routes will drop-off and pick-up guests at the two ends of the park and include multiple stops

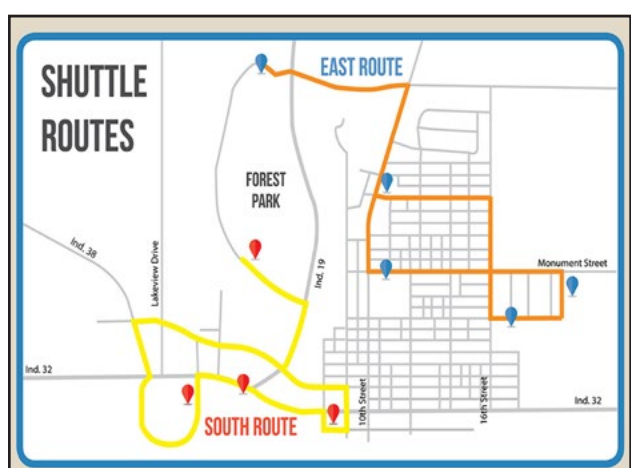

in designated parking lots.

- **East Route** – Stops include North Elementary, Ivy Tech Community College, First United Methodist Church and Evans Street at 10th Street. The trolley will drop-off guests near the main stage on the north entrance of Forest Park (near Field Drive).

- **South Route** – Stops include Riverview Health, the Riverview Overflow Lot and the Hamilton County Government Employee Lot off Conner Street. The trolley will drop-off guests near the Kids Zone on the south entrance of Forest Park (from State Road 19).

"We are encouraging guests to utilize the numerous downtown parking lots and on street parking and walk to the festival using the pedestrian bridge across the White River or State Road 19," said Hoffmeister. "Due to their proximity, Federal Hill Commons and the Moose Lodge will be park and walk lots."

Starting at 4 p.m., State Road 19 will be closed from Field Drive to Logan Street. This was recommended by the Indiana State Police

## TODAY'S BIBLE READING

*Then he said unto them, O fools, and slow of heart to believe all that the prophets have spoken: Ought not Christ to have suffered these things, and to enter into his glory? And beginning at Moses and all the prophets, he expounded unto them in all the scriptures the things concerning himself. And they drew nigh unto the village, whither they went: and he made as though he would have gone further. But they constrained him, saying, Abide with us: for it is toward evening, and the day is far spent. And he went in to tarry with them. And it came to pass, as he sat at meat with them, he took bread, and blessed it, and brake, and gave to them. And their eyes were opened, and they knew him; and he vanished out of their sight. And they said one to another, Did not our heart burn within us, while he talked with us by the way, and while he opened to us the scriptures? And they rose up the same hour, and returned to Jerusalem, and found the eleven gathered together, and them that were with them, Saying, The Lord is risen indeed, and hath appeared to Simon. And they told what things were done in the way, and how he was known of them in breaking of bread. And as they thus spake, Jesus himself stood in the midst of them, and saith unto them, Peace be unto you. But they were terrified and affrighted, and supposed that they had seen a spirit. And he said unto them, Why are ye troubled? and why do thoughts arise in your hearts? Behold my hands and my feet, that it is I myself: handle me, and see; for a spirit hath not flesh and bones, as ye see me have.*

### Michael J. Harrell

December 23, 1948 – July 27, 2019

Michael J. Harrell, 70, passed away Wednesday, June 27, 2019 at St. Vincent Hospital on 86th Street in Indianapolis.

Mike was born on December 23, 1948 in South Bend where he attended Holy Cross Grade School and St. Joseph High School. He enlisted in the Marine Corps right after high school and served in the Vietnam War. Mike married his high school sweetheart, Karen, in 1969 while deployed. She joined him later while he was stationed in Hawaii. After the service, they returned to South Bend and Mike began his career at General Finance, Liberty Steel, Lock Joint Tube and eventually Masonite (Mohawk Door), where he retired after working 27 years.

South Bend was his home for most of his life. Mike spent 31 years living on Portage Avenue where you could always find him sitting on his front porch waving at anyone who waved at him. He loved taking care of his yard, laying by the pool, hosting countless cookouts, foster parenting 24 children, Martin's supermarket, trips to the farmer's market, pastries from Macri's Bakery, watching the airplanes fly over his house, and hearing the roar of the Notre Dame stadium from his backyard on game days.

Five years ago, Mike moved with his wife to Carmel to be closer to their three grandchildren. He quickly picked up the nickname "Mustache Mike" and began enjoying serving hot lunch at the school, watching his grandkids play soccer, basketball and lacrosse, grilling burgers for Sunday dinners, shopping at "Krogers," strawberry season at Spencer's Farm, My Dad's sweet corn from the Carmel Farmer's Market, roundabouts, pothole free roads, sharing a popsicle with his dog, Vinny, and the beautiful sunsets over the pond in his backyard. After a serious health scare, Mike joined St. Vincent Pulmonary Rehabilitation where he spent several days a week working on his health while making friends along the way.

His life was filled with things he loved. Mike loved to vacation at the Limetree in Sarasota, Fla., and dining at the Dry Dock. He loved his 70s music, Steely Dan and the Doobie Brothers to name a few. He loved Key lime pie, Dairy Queen, coin collecting, playing the lottery, watching Jeopardy, trips to the Smoky Mountains, buying junk food for his grandkids, and countless other simple things in life that made him easy to please.

Mike was loved by all who knew him. He was everyone's dad, grandpa, uncle and friend. He made friends wherever he went and was always known by name at the places he visited most often. Mike had a nickname and inside joke with everyone. He had a way of making you feel like you were his favorite person all the time. No one knew this better than his wife, Karen. She is blessed knowing she was his true love and forever his favorite person.

Mike is survived by his wife of 50 years, Karen (Sellers) Harrell; two daughters, Brandi (Ben) Heck and Amber (Brian) Pynaert; three grandchildren, Joe, Anna and Jacob; and brother, Chuck (Gerri) Harrell. He was preceded in death by his parents, Vincent and Helen Harrell; and his brother, Ron Millcarek.

A celebration reception will be held from 4 to 7 p.m. on Sunday, July 7, 2019 at Carmela's, 214 N. Niles Ave., South Bend. Mass of Christian Burial will be celebrated at 2 p.m. on Monday, July 8 at St. Louis de Montfort Catholic Church, 11441 Hague Road, Fishers, with a brief visitation from 1 to 2 p.m. prior to Mass. A luncheon will immediately follow. A private burial service will take place at a later date.

Randall & Roberts Fishers Mortuary has been entrusted with Mike's care. In lieu of flowers and gifts, please consider celebrating Mike's memory by participating in the St. Vincent Flyaway 5K that Mike had planned to walk. If you are unable to participate, please consider donating to his 5K team online at or by mail at St. Vincent Foundation, Attn: Flyaway 5k/Mustache Mike's Memory, 8402 Harcourt Road, Suite 200, Indianapolis, IN 46260.

**Shiela Kenworthy**  
November 21, 1945 – June 30, 2019

Shiela Kenworthy, 73, Westfield, passed away on Sunday, June 30, 2019 at Pineknoll Rehabilitation Center in Winchester, Ind. She was born on November 21, 1945 to Carl and Viola (Dubuisson) Arnold in Bay Saint Louis, Miss.

Shiela worked as a medical technician for over 40 years. She had a wonderful faith in God and was a member of St. Maria Goretti Catholic Church where she was involved with the Silver Angels. Shiela loved the outdoors, the sun and the beach. She enjoyed baking and loved Pepsi. Shiela's children and grandchildren were the joy in her life. She was the glue that held her family together. Shiela showed us grace, lived through faith, and reminded us that this isn't the end.

She is survived by her daughters, Paula (Derek) Hawkey, Julie (Garrett) Coble and Laura (Scott) Marston; sons, Joshua (Tanya) Rines and Andrew Rines; sister, Phyllis Arnold; brother, Al (Vicki) Arnold; 13 grandchildren, Zachary, Ryan, Logan, Jeremy, Amanda (Robert), Kyle (Victoria), Gunnar, Nathan, Isabella, Sofie, Zara, Knox and Brody; and two great-grandchildren, Raylee and Norah.

In addition to her parents, Shiela was preceded in death by her brothers, Carlos Arnold and Dennis Arnold.

Services will be held at 1 p.m. on Friday, July 5, 2019 at St. Maria Goretti Catholic Church, 17102 Spring Mill Road in Westfield, with visitation from 11 a.m. to the time of service at the church. Rev. Mike McKinley will officiate. Inurnment will be at Our Lady of Peace Cemetery in Indianapolis at a later date.

## HSE's Parrish nets world-class honors

*Local player bounces from state championship to University of Oregon*

### The REPORTER

Sydney Parrish fulfilled the dream of many an Indiana basketball player when she and the Hamilton Southeastern girls team won a state championship in February.

After a little bit of time off, Parrish was back in the news again, making headlines when she committed to the University of Oregon. Then it was back in the gym and onto the court for summer ball with the Royals.

So while the state may be at the halfway point between basketball seasons, there's always something going on. The Reporter caught up with Parrish a couple weeks ago at the Westfield Shootout, where Southeastern was playing. Parrish was there with her team, then on her way to an All-Star game in Anderson that night. But she appreciated the break she got after the Royals won state.

"It was definitely a good rest time for all of us," said Parrish, noting that it was necessary because of HSE's long and successful season. After that was AAU, then the month of June consisted of "workouts and weights and back into high school ball," she said.

Parrish, who was named Indiana's Gatorade Player of the Year, was selected as a member of the IndyStar Indiana Junior All-Star team, as a member of the six-player core group. The Juniors played the Kentucky Juniors in early June, then took on the Indiana Senior All-Star team a couple days later.

"It was really fun to play in that game with all the best juniors in the state and then against the best seniors in the state, and against the Kentucky players, because I know some of them," said Parrish. It was so much fun playing with them."

The core group contained some well-known players in addition to Parrish. North Central's Jasmine McWilliams, a Northwestern commit, was in the group, as were Kendall Bostic (headed to Michigan State) and Madison Layden (committed to Purdue) of Northwestern High School, which has dominated the Class 3A state tournament the past two years. Northwestern will move up to 4A this year. Also in the group was Danville's Ella Collier and Jeffersonville's Nan Garcia, both of whom have received Division I offers.

"We all got along really well," said Parrish. "There was no drama at all. It was cool because a lot of us have just been playing against each other for a long time, so having all of us in the same room, we all just connected right away and it was a really good experience."

The Indiana Juniors split the two-game series with Kentucky, winning the first contest 89-85, but falling 111-107 in the second game. Parrish scored 26 points and handed out four assists in the first game, and

had 19 points, five rebounds and two blocked shots in the second game.

"But they were both good games, it could've gone both ways each time," said Parrish.

The seniors won the Junior-Senior game 97-58, with Parrish scoring 14 points, grabbing eight rebounds and making two blocks.

"The seniors were good, though," said Parrish. "I got to give them that."

Prior to that, Parrish made news by committing to Oregon, which has dramatically raised its women's basketball profile over the past few years. The Ducks have made the Elite Eight of the NCAA tournament the past three years, and broke through to their first ever Final Four last season. Junior Sabrina Ionescu, won the John R. Wooden Award for being the most outstand-

ing women's college player in the 2018-19 season, and will return for her senior season.

The success hasn't gone unnoticed, as the Ducks have the top recruiting class for the high school Class of 2020. Parrish was the first one to commit, making the decision right after Spring Break.

"It was the team and the coaches," said Parrish. "I feel in love with the staff, I

## PARRISH

from Page 6

fell in love with the girls. I felt like I belonged there."

Parrish said it only took one visit to convince her that Oregon was the right choice.

"And I kept visiting places and I just knew that was the one place that I wanted to go," said Parrish. "And it was unlike any other place I'd visited. I kept looking back at Oregon and nothing compared."

Parrish is one of five recruits on a list that includes other five-star and four-star players from all across the nation. Among them are Angela Dugalic of Des Plaines, Ill. who is trying out for the 2020 Serbian Olympic team, Maddie Scherr of Florence, Ky., the Kentucky Gatorade Player of the Year, and Te-Hina Paopao of Oceanside, Calif., who was touted as a possi-

ble college starter when she was 14.

"It's an amazing feeling," said Parrish. "I'm so blessed to be a part of that group and I'm just ready to get there. I get to see them this summer. So we've seen each other. When they came to Indy for a tournament, so we got to lunch with them. It's just an amazing feeling getting to know that people are talking about our legendary recruiting class and I get to be a part of it."

Of course, Parrish still has one year at Southeastern. She acknowledges things will be different, as the Royals graduated a highly-talented senior class that included Division I players Amaya Hamilton (Duquesne), Tayah Irvin (Northern Kentucky) and Division II Malea Jack-

son (University of Illinois-Springfield). But there are plenty of returning players who will be determined to give the Royals another great season.

"I think we have really high expectations coming off of a state championship team and state championship season," said Parrish. "I think people have really high expectations for us. We lost five seniors, we lost five really key players in our offense and in our defense, and we're not as tall anymore. But I think we just have to make adjustments. Playing with them right now, we're already getting a feel of how we're going to start to play different than how we did last year. I think we're going to have a good season. I think people are going to underestimate us."
