The Westfield Lions Club Car Show at Westfield Rocks the 4th, presented by Indy Bra, was an absolute success. Over 68 entries of

some of the most amazing cars, trucks and motorcycles in central Indiana competed for 12 classes of awards.

While I would have liked a few more cars, I can't tell you how happy I am with the quality of our entries. We had a '67 Porsche 911S Lightweight – the only one in the US

– we had a 1932 Auburn 8-100, these are extremely rare cars. Honestly, we had a world class show this

Two Fishers men are accused of observing the Fourth of July by burning an American flag, and are under arrest as a result, on a number of charges.

Fishers Police say they have arrested Christopher Graham and George Drake, both 18 years of age and both from Fishers. The suspects were taken into custody at 2 p.m. on Friday near 116th Street and Lantern Road.

Authorities received reports early Friday morning that the large flag being used as a backdrop at the Fishers Nickel Plate Amphitheater, literally

across the street from police headquarters, had been partially burned overnight. The flag was large – 15 by 25 feet.

Fishers police are also investigating additional minor fires that officers say appear to be intentionally set in the area during the same time frame. At 12:05 a.m. a smoke detector alarmed after a piece of paper was set on fire in an elevator at the Edge Parking Garage. Also, during the early morning hours, multiple small

fires were reported in the Sunblest Apartment Complex. All the fires burned themselves out and caused minor damage.

Graham and Drake now face charges of arson, criminal mischief and flag desecration. They are both being held in the Hamilton County Jail.

Anyone with information regarding these fires is asked to contact Fishers Police Detective Tracy Jones at 317-595-3417.

# As I struggle to rest ...

**COLUMNIST**

JANET HART LEONARD  
 From the Heart

My calendar had me meeting myself coming and going. I kept tripping over my feet as they tried to go in several directions, all at once.

My "to do" list looked like it was for a crew of energetic 20-year-olds, not a 60+ year old grandmother.

My shadow was being dragged home nightly. It was not happy with me.

Ten- and 12-hour days at work led to too many nights of missing Jeopardy. The answer was getting away and allowing my mind and body and soul to rest. I struggled with that answer.

Major guilt. It is as if resting is one of the "thou shalt nots" ... in my mind.

Why is it so hard to allow myself to sit and read a 400-page novel, drink sweet tea and just chill? Add in a nap or two a day and I am consumed with guilt.

And so here I am, getting away for a few days. The weather is hot ... Tampa hot. Two steps outside and the humidity scares me right back inside to the welcoming of the AC.

I sit for hours on the sofa, curled up with a Karen White novel recommended by my forever friend, author Susan Crandall, "dreams of falling."

Chuck keeps pouring the sweet tea. We take a break late in the evening and head out on our bicycles to check out the Hunters Green neighborhoods.

Tampa is good for my soul. It is my place of gathering my thoughts, quietly. It is where my body has no agenda. It is where my soul is allowed to be still.

So for a few days I hit the pause button. Life slows down and I allow myself to rest.

I admit I struggle to do so. Chuck keeps telling me to GO! Get over it. Get over the guilt of doing nothing. He reminds me I don't have to be doing something, all the time, for everyone.

It is difficult for a caregiving, people pleasing, agenda driven person like me to be okay with resting. It always has been.

I have the "need to be busy" syndrome. It can be hazardous to my health – physically, mentally and emotionally.

Even my worries get in the way of my resting. My prayer list is longer than my grocery list. So many "as my's".

As my son, Brandon, struggles to recover from his car accident. As my granddaughter, Aleckska, is in Italy for three weeks. As my mother has to rely on others while I am away. As my absence means that my coworkers must help with my customers.

Let's just say that I have control issues. I do not like asking for help. I don't like to burden others with my responsibilities. I juggle to make everyone happy all the while I am draining my happiness vessel.

And so I find myself exhausted. My husband recognizes my exhaustion.

So for a few days the good Dr. Leonard has prescribed lots of reading, resting and letting go of what I cannot control anyway.

I must say my body,

This month's Second Saturday Supper at The Choo Choo Café, 185 W. Main St., Atlanta, starts at 5:30 p.m. on July 13. # How our own Hamilton County compares to others across the US

I was asked the other day if there is another Hamilton County in the country, and the answer is definitely yes. In fact there are 10 Hamilton counties in America. Besides our own, the one best known to us is probably in Ohio where Cincinnati is located. It's the largest Hamilton County in population with nearly 1 million residents.

Our county is second with at least 300,000; but, the surprise, at least to me, is that Hamilton County, Indiana is the smallest of the 10 in land area. We

have 401 square miles of territory, which seems like a pretty good chunk of real estate, but there are several twice as big.

The name Hamilton comes, of course, from Founding Father Alexander Hamilton, Revolutionary War hero, trusted aide to George Washington and the first Secretary of the Treasury who put the nation on a path toward a sound economy.

Hamilton's name was popular in the early 19th century, especially after he was killed in a duel with Vice President Aaron Burr.

Several counties, towns and institutions were named for Hamilton in the years following his death.

Many folks may not know some interesting characteristics of the counties that all bear the same name.

Hamilton County, New York, for example, is home to the popular Adirondack Mountains which take up most of its 1,808 square miles. But, the county's population is only 4,542.

The famous Suwanee River, subject of Stephen Foster's folk song, is found in Hamilton County, Florida, and Chattanooga with its famous Lookout Mountain.

# Boys & Girls Club of Noblesville expands transportation services

**The REPORTER**

The Boys & Girls Club of Noblesville (BGCN) recently announced that it will be managing transportation services from several additional schools for Club members beginning with the 2019-2020 school year.

The change comes as Noblesville Schools – who has provided free transportation, drivers and childcare from their schools to the

Club for many years – is no longer able to continue the same level of support due to bus routing times with the newly-adjusted school day.

BGCN and Noblesville Schools leadership have been working on the transition since early last year when the adjusted school day was first announced. For the 2019-2020 school year, Noblesville Schools

will provide transportation for high school, middle school and North Elementary students attending BGCN, while Club members coming from Noblesville's six other elementary schools will be transported by BGCN.

The other Hamiltons are located in Illinois, Iowa, Kansas, Nebraska and Texas. The one in Kansas is 998 square miles in area, but is least populated with a mere 2,690 residents.

provided our families over the years and are committed to making this transition as smooth as possible for Club members," said BGCN Executive Director Becky Terry. "This new responsibility comes with a significant operation cost, approximately \$165,000 a year, and we will be aggressively seeking additional funding with the goal of minimizing any impact this may have on families. Our board has committed to providing the service this school year, but we must identify additional long-term funding or transportation may be at risk going forward."

"Noblesville Schools and BGCN have a strong partnership of working together and supporting one another in the interest of what's best for kids," said Beth Niedermeyer, superintendent of Noblesville Schools and BGCN board member. "We're disappointed that given our new bus routes we no longer have the capacity to continue vehicle assistance to the Club from all elementary schools while maintaining standard bus service to all Noblesville Schools

students. We will continue to support BGCN as they manage this transition to providing additional transportation services for Club members."

BGCN staffing will also be impacted by the adjusted school day, as the Club employs high school students to provide youth development activities in the after school program and elementary students will now arrive at the Club prior to high school students.

BGCN and Noblesville Schools are exploring options through the high school's internship program to address this gap.

"We're seeking part-time employment positions for after school programming, as well as membership and kitchen coordinators," added Terry. "Anyone interested can apply in person at our facility on 1700 Conner St."

BGCN provides after school and out-of-school

programs to over 2,400 local youth every year. On average, the Club serves 696 children per month with 322 attending each day after school.

I was born and raised right here in Noblesville. I grew up in a home without domestic violence or assault - it wasn't something I saw, or even heard about. But when I was introduced to Prevail of Central Indiana, I was shocked by the number of individuals who are affected by domestic violence. In 2018 alone, Prevail helped more than 4,000 clients in Hamilton County. (Nearly 80 percent of clients are women and children.) Prevail is strictly confidential, and since their core values include integrity and respect, they provide their services at no charge. Domestic violence and abuse are hard topics to discuss, so you don't often hear about them. But at Tom Wood Volkswagen in Noblesville, we're breaking the taboo and raising awareness for Prevail, an organization that helps families in Hamilton County. - Mike Bragg, GM of Tom Wood Volkswagen in Noblesville

**To help Hamilton County families affected by domestic violence and sexual abuse, you can donate the following items:**

- Art supplies (for children to journal and express their emotions)
- Bottled water (8 oz. bottles, preferably)
- Individually packaged snacks
- Gas cards (many women have no access to funds after fleeing their abuser)

You can drop off items at Tom Wood Volkswagen in Noblesville, located at 14701 Tom Wood Way. You can also donate directly to Prevail of Central Indiana by visiting [Prevailinc.org](http://Prevailinc.org).

Over \$3,000 will be presented to the Cystic Fibrosis Foundation from the Westfield Lions Club, from the 100 percent charity event.

Support from several sponsors helped with this year's show. In addition to Indy Bra, MetroNet, Dreyer & Reinbold Allstate Insurance, Tom Roush Auto Group, and Indianapolis Business Solutions supported the festivities.

New this year was a large display from SCCA Pro Racing, with several F4 race cars, with drivers, including Indy 500 veterans, Scott Goodyear and Jay Howard. Howard is also the founder of Jay Howard Race Driver Development, located in Westfield. Mike Adams from New Castle Motorsports Park, a world class Karting track just off Interstate 70, provided a display of racing go-karts.

This year the Westfield Lions Club car show was a qualifier for the September Festival of Machines at Connor Prairie. Three cars were selected for that major show in Fishers. Mark Dale's 1935 Auburn Boat Tail Replica, Don Andersen's 1931 Chevy AE Independence, and Paul Davis' 1955 Chevy Sedan Delivery, were picked by the team from Connor Prairie.

## What famous architect was born in Indianapolis?

### The REPORTER

This coming week in Indiana's history ...

1863 – The Civil War came to Indiana when more than 2,000 Confederate soldiers under the command of John Hunt Morgan overwhelmed about 400 Indiana militia members in Corydon. The men, called "Morgan's Raiders," plundered their way through several towns, including Salem, Vernon, Dupont, and Versailles, before escaping into Ohio where they were captured two weeks later.

1919 – An ad in the *Indianapolis News* invited the public to ride the Monon Line for a one-day railroad excursion to Michigan City, the "Coney Island of the West." For a round-trip fare of \$2.70, travelers could "enjoy the cool breezes of Lake Michigan," leaving in the morning at 7:45 and returning home that night at 10.

1934 – Michael Graves was born in Indianapolis. He became one of the nation's leading architects, known for important buildings like the NCAA Headquarters in Indianapolis and the Humana Build-

ing in Louisville. He also gained fame for whimsical household items like tea kettles and electric toasters.

1945 – Selma Neubacher Steele, the widow of artist T. C. Steele, donated more than 300 paintings to the state of Indiana. Their home in Brown County, "The House of the Singing Winds," is now a state historic site, which last month opened a spacious new visitor center.

1953 – Former President Harry Truman and his wife Bess had lunch at the Leland Hotel in Richmond. They were driving their new Chrysler New Yorker on a return trip from the nation's capital. Truman recalled his visit to the city in 1928 when he helped find a site for the Madonna of the Trail statue.

1979 – *Breaking Away* was released to theaters across the country. Filmed almost entirely in Bloomington, the movie is a coming-of-age comedy/drama about young men growing up in a college town where their parents work at the limestone quarry. The American Film Institute calls it one of the most inspiring movies of all time.

## Elvis Costello and the Imposters to play at the Palladium in Carmel this fall

### The REPORTER

Acclaimed singer-songwriter Elvis Costello will bring his band the Imposters to the Palladium on Nov. 16 for their debut appearance at the Center for the Performing Arts.

Costello emerged from England's 1970s new wave scene to launch a genre-defying career that now boasts more than 30 albums, spanning the spectrum of Western music from punk-flavored pop and rock to country, classical and jazz sounds. The Grammy winner and Oscar nominee has collaborated with artists as diverse as Paul McCartney, Burt Bacharach, the Brodsky Quartet, Allen Toussaint, the Roots, and his wife, jazz pi-

anist Diana Krall.

As a solo artist and with his Rock and Roll Hall of Fame band the Attractions, Costello claims four entries on Rolling Stone's list of "The 500 Greatest Albums of All Time." Known for their indelible melodies, clever wordplay and world-weary insights on romance, his timeless tunes have included "Alison," "Watching the Detectives," "Radio Radio," "Oliver's Army," "Accidents Will Happen," "Man Out of Time," "Veronica" and "Everyday I Write the Book."

In the Imposters, Attractions keyboardist Steve Nieve and drummer Pete Thomas are joined by bassist Davey Faragher, a founding

member of Cracker known for his work with John Hiatt, Richard Thompsons and many other artists. The group's 2018 album, *Don't Look Now*, was their first new release in a decade. The songs include one co-written with Carole King and two co-written with Bacharach, who also contributed piano.

Earlier this month, Costello was awarded the title of Officer of the Order of the British Empire, or O.B.E., for his contributions to music as part of the annual Queen's Birthday Honours List.

The tour is titled "Just Trust," and the performance is set for 8 p.m. Saturday, Nov. 16, at the Palladium, 1 Center Green, Carmel.

Tickets are available now with series subscriptions to the 2019-20 Center Presents Season sponsored by Allied Solutions. Subscriptions are available online at [TheCenterPresents.org](http://TheCenterPresents.org) and through the Box Office at (317) 843-3800 or toll-free at (877) 909-ARTS (2787).

For patrons who already have subscribed for the upcoming season, Box Office staff can assist with the purchase. Single-event tickets to the show will go on sale in August, along with the other 2019 Center Presents performances.

## Carmel nonprofit invites you to support seniors during 65-hour online giving event

### Submitted

The senior population is rapidly increasing, yet the pace of government and philanthropic support for seniors is not. Often times, public funding for services and programs that benefit seniors is the first to receive funding cuts.

PrimeLife Enrichment's services and programs are in high demand with the growing senior population, and it relies heavily on the generous support of the Hamilton County community to continue to provide these programs and services that empower seniors to remain independent and to age with dignity.

From July 9 to 11, PrimeLife Enrichment is participating in the fourth annual GIVE65 Event, a 65-hour

online giving event to help nonprofit organizations serving seniors raise funds online and increase awareness. Senior-focused nonprofits from across the United States are participating.

This year, PrimeLife is raising funds for its new Depression and Dementia initiative, kicking off this fall with "Arts & Dementia" Memory Cafés at the Enrichment Center. These Memory Cafés will feature art-related therapeutic activities intended to help senior dementia patients and their caregivers stay connected with others with the goal of helping them avoid or overcome feelings of depression and social isolation.

During the GIVE65 Event, PrimeLife is also raising funds with the hopes of receiving up to \$5,000 in matching funds from the Home Instead Senior Care Foundation®. This allows gifts from the public the chance to have twice the impact.

The 65-hour GIVE65 Event begins at 8 a.m. on July 9 and concludes at 1 a.m. on July 12. This event is an initiative of the Home Instead Senior Care Foundation® and the nation's first and only crowd-fundraising platform focused on helping nonprofit organizations across the country raise funds for programs and services benefiting seniors.

"Every gift makes a difference in the life of a senior on the local level," said Home Instead Senior Care Foundation Executive Director Lenli Corbett. "We're excited to partner with PrimeLife Enrichment for the fourth annual GIVE65 Event, and we are hopeful our partnership will inspire greater charitable giving in support of seniors who rely on the nonprofit sector to age with independence and dignity."

# Fishers road construction updates, week of July 8

**The REPORTER**

**Allisonville Road**

Lane restrictions are in effect on Allisonville Road between River Glen Drive and River Highlands Drive in order to install storm sewer across the roadway. There will be flaggers directing traffic in this area.

Southbound and northbound traffic on Allisonville Road has moved onto the newly-constructed pavement as part of Phase 3 of the project. The posted speed limit remains 30 mph.

**Road resurfacing**

Several roadways around Fishers are being resurfaced. Neighborhoods including Timber Springs, Hamilton Proper and Hawthorne Ridge will have their roadways resurfaced as part of Phase 1 of this project. Resurfacing will also occur on 121st Street between Cumberland Road and Hoosier Road, and on Cumberland Road north of 121st Street to Interstate 69 during Phase 1. In addition, the city is working with Hamilton County to resurface

roadways outside of both jurisdictions. Resurfaced routes include 113th Street from Florida Road to Southeastern Parkway, and Connecticut Avenue between Cyntheanne Road and east of Atlantic Road/Southeastern Parkway.

**State Road 37**

Last month, Fishers Mayor Scott Fadness announced the kick-off of the new marketing campaign to support the State Road 37 Thrives with its tagline "Support the Drive" will keep the community informed, updated and connected to local businesses along the corridor. Watch the announcement at [facebook.com/37thrives](http://facebook.com/37thrives). Learn more about the campaign [here](#).

**126th Street**

Traffic is switched in order to construct the center median of the roundabout. Please drive carefully through this traffic pattern.

Work has begun on intersection improvements for 126th Street and Parkside Drive. View the [Fact Sheet](#)

to learn more about this project.

**136th Street & Cyntheanne Road**

The intersection of 136th Street and Cyntheanne Road is closed for approximately 45 days for the construction of a new roundabout at this intersection. Detour signs are in place to direct drivers around the closures.

Temporary lane restrictions are in effect between 9 a.m. and 3 p.m. near and at the intersection of 136th Street and Cyntheanne Road. Restrictions are due to utility work for roundabout construction. For more information on this project, view the [Fact Sheet](#).

**116th Street**

Periodic lane restrictions are in place on westbound 116th Street between Regency Drive and Holland Drive while curbs and drives are being constructed at 116 Towns.

**96th Street**

Utility relocation is beginning on 96th Street as part of the road widening project, resulting in periodic lane restrictions over the coming months. For more information about the 96th Street road widening project, view the [Fact Sheet](#).

**Outside of Fishers**

The Indiana Department of Transportation has begun work on the northeast quadrant of Interstate 465. Contractors will work to patch and repave segments of I-465 and I-69 from U.S. 31 all the way down to I-70. To learn more about this project [click here](#).

*While this list encompasses numerous project updates, it does not list all DPW projects throughout the city. The most recent projects are detailed, however please keep in mind that all construction activities are weather permitting. The city appreciates motorists' patience and caution while driving through construction sites.*

**TODAY'S BIBLE READING**

*There was a man sent from God, whose name was John. The same came for a witness, to bear witness of the Light, that all men through him might believe. He was not that Light, but was sent to bear witness of that Light. That was the true Light, which lighteth every man that cometh into the world. He was in the world, and the world was made by him, and the world knew him not. He came unto his own, and his own received him not. But as many as received him, to them gave he power to become the sons of God, even to them that believe on his name: Which were born, not of blood, nor of the will of the flesh, nor of the will of man, but of God.*

John 1:6-13 (KJV)
