

# Vibration complaints halt Levinson construction

**The REPORTER**  
A portion of the construction on the Levinson project has stopped after complaints were received from downtown businesses and residents regarding vibrations from the pounding of construction materials into the ground. A few downtown businesses reported damage to their building's masonry and items falling off shelves due to the vibrations. A statement issued by the City of Noblesville to the Hamilton County Reporter said: "The decision to halt sheeting installation was made last week. The city discussed its concerns about the process and feedback shared by nearby tenants about the vibrations. It was decided to stop operations and look into other options. The construction team is preparing to mobilize a different method, which will efficiently speed up this work and cause less vibrations. In the meantime, the existing sheet piles that are sticking out of the ground will be pulled up and removed." Robert Herrington, Communications manager for the City of Noblesville, said the shutdown is only for sheeting material installation. Utility work and limited excavation will continue.

## Susan Brooks speaks with business owners in Noblesville

Noblesville mayoral candidate Chris Jensen, Deputy Mayor Steve Cooke, Economic Development Specialist Aaron Head and Noblesville Chamber of Commerce President Bob DuBois joined Congresswoman Susan W. Brooks (Ind.-05) for a tour of Downtown Noblesville on Thursday. The group visited Grindstone Public House, Karisma and Caravan Classes – a restaurant, boutique and arts studio. During her visits, Brooks met with owners to discuss their business, logistics of their daily operations and workforce, and how federal and local government could better assist small businesses in Noblesville. ### Letter to the Editor

## Councilman McKinney responds to Swift's column

Dear Editor:  
The title is misleading and implies, to the casual observer, that the Hamilton County government is seeking a tax increase, which is certainly NOT true! A better title would have been: "Cities seeking to increase local income tax".  
Mr. Swift's premise that Hamilton County government could easily absorb the costs of the 911 Communications system by itself is simply nonsensical. The Commissioners wrested control of the 911 department from the Sheriff approximately eight years ago, which was a first in the 30-year history of 911. They proceeded to create a new entity to fund the 911 Communications Center that would be controlled by the cities, funded by contracts with the cities and the county plus the excise taxes from cellphones and landlines, and managed by the commissioners. As a result, the northern communities have been subsidized by both the cities and the county. The State of Indiana also changed the funding flow so it would receive all the excise taxes from cell phones and landlines, then distributes them back to individual counties under a formula devised by them: It is not a "contribution" from the State as Mr. Swift implies. Nor does Hamilton County receive 100 percent of the taxes generated by its cell phone users.

## Nominees announced for Nickel Plate Arts Awards Gala

**The REPORTER**  
On Sept. 18, Nickel Plate Arts will hold its seventh anniversary gala with the fourth edition of the Nickel Plate Arts Awards to celebrate the area's burgeoning arts scene and recognize some of the most valuable artists and arts advocates. The gala will happen at the Mill Top Banquet and Conference Center and feature dinner by Jacquie's Catering, wine from Mr. G's liquors, live music, hands-on arts experiences and a live auction during Nickel Plate Arts' premiere fundraiser of the year. Aili McGill, executive director for Nickel Plate Arts, emphasizes the importance of the upcoming anniversary gala to Nickel Plate Arts' ongoing success. "This year's gala is critical to Nickel Plate's overall financial health, and also allows us to share the stories of how the members of our creative community are improving the quality of life within and promoting economic development throughout the Nickel Plate region," McGill said. More specifically, McGill says, "This year's gala will allow us to raise funds for our next big project, which is our proposed 'Artist Academy,' a highly-cultivated series of classes, workshops, and other resources developed in conjunction with partners throughout our network to offer artists of all experience levels important professional development and growth opportunities." Nickel Plate Arts' goal is to raise funds to develop these classes and offer them to artists affordably.

## Anti-drug coalition helping to curb substance abuse in Hamilton County

**The REPORTER**  
During the August meeting of the Hamilton County Council on Alcohol and Other Drugs, several positive announcements were made by members of the coalition receiving funding and support from the Council. The Community Opioid Prevention Effort (C.O.P.E.) announced that with the addition of northern communities, all fire and law enforcement agencies will be onboard with the Quick Response Teams. All local hospitals are now included in referring overdose patients as well. There are more than 85 community members and organizations working together in partnership to ensure the success of the outreach program. The Quick Response Teams (QRTs) consist of a medic, a law enforcement officer and a peer recovery specialist who attempt to make contact within 72 hours to the subject of an opioid overdose. The teams work with the person to enter recovery programs in the hope of breaking the cycle of addiction. During the past month, the QRTs conducted five pre-planned and 10 unannounced visits resulting in three patients enrolling in recovery services. Funding for the QRTs comes from a Bureau of Justice Administration (BJA) grant. Due to the group's success, the BJA has asked for the committee to share the model, including the positive education and prevention component. Hamilton County sponsors a Drug Court in Superior Court 6. Those eligible for the program spend an intensive 18 to 24 months designed to assist them in overcoming substance abuse. This summer saw four participants graduate and another graduation is scheduled in October. The Hamilton County Veterans Court also had three graduates this summer. One of the tasks the Council on Alcohol and Other Drugs is charged with is distributing funds to various organizations seeking to combat alcohol and drug use. Funds come from fees assessed to individuals convicted of drug and alcohol charges. The Council screens the requests before sending them to the Indiana Criminal Justice Institute for final approval. Recent grant recipients include:  
• The Hamilton County Sheriff's Office D.A.R.E. program. The Sheriff's Office instructs DARE to nearly 400 fifth grade students in four schools in the county.  
• The Noblesville Parks Department Safe Halloween event. Each year, the departments sponsors a safe and family friendly party at Halloween.  
• The Noblesville Schools Project Truth. Project Truth is an alcohol and drug awareness program presented to students throughout the school system.  
• The Hamilton County Sheriff's Office Jail's High School Equivalency Program. Funds received are used to provide need-based scholarships for those taking the high school equivalency test.  
• The Lighthouse Ministries recovery program. The organization provides housing and programing for those in need of recovery services. The Hamilton Council on Alcohol and Other Drugs, along with the many members who are involved with the Council, remains committed to a multi-prong approach to reducing alcohol and drug use in the county. A positive,

The surplus Mr. Swift mentioned is already allocated for specific needs and purposes: Proper cash flow to fund routine operations and avoid short term borrowing (\$15 million), allocation for Judicial Center expansion (\$12 million), reserves for possible cost overruns on State Road 37 (\$10 to 12 million) and future road projects at 146th Street and Allisonville Road.

PREVAIL

Advocating for  
Victims of Crime and Abuse

www.prevailinc.com

I was born and raised right here in Noblesville. I grew up in a home without domestic violence or assault – it wasn't something I saw, or even heard about. But when I was introduced to Prevail of Central Indiana, I was shocked by the number of individuals who are affected by domestic violence. In 2018 alone, Prevail helped more than 4,000 clients in Hamilton County. (Nearly 80 percent of clients are women and children.) Prevail is strictly confidential, and since their core values include integrity and respect, they provide their services at no charge. Domestic violence and abuse are hard topics to discuss, so you don't often hear about them. But at Tom Wood Volkswagen in Noblesville, we're breaking the taboo and raising awareness for Prevail, an organization that helps families in Hamilton County. – **Mike Bragg**, GM of Tom Wood Volkswagen in Noblesville

**To help Hamilton County families affected by domestic violence and sexual abuse, you can donate the following items:**

- Art supplies (for children to journal and express their emotions)
- Bottled water (8 oz. bottles, preferably)
- Individually packaged snacks
- Gas cards (many women have no access to funds after fleeing their abuser)

You can drop off items at Tom Wood Volkswagen in Noblesville, located at 14701 Tom Wood Way. You can also donate directly to Prevail of Central Indiana by visiting [Prevailinc.org](http://Prevailinc.org).

## Sen. Mike Braun's brother seeking Rep. Susan Brooks' congressional seat

WISH-TV | [wistv.com](http://wistv.com)

The brother of U.S. Senator Mike Braun is entering the race for the central Indiana congressional seat being given up by Republican Rep. Susan Brooks.

Steve Braun filed a Federal Election Commission candidacy statement Friday for the 5th Congressional District. He is a former Republican state representative from Zionsville who was appointed state workforce development commissioner by then-Governor Mike Pence.

Braun unsuccessfully sought the 2018 Republican nomination in the neighboring 4th District.

He's the first prominent Republican in the race since Brooks announced in June she wouldn't seek a fifth term.

Former Democratic lieutenant governor nominee Christina Hale is campaigning for the seat. Democrats are looking to compete next year in the district long held by Republicans that stretches from the northern Indianapolis suburbs to rural areas around Marion.

# Cast, crew unveiled for Dirty Rotten Scoundrels

## Opens Sept. 6 at Studio Theatre in Carmel

**The REPORTER**

Actors Theatre of Indiana has announced the cast for the upcoming *Dirty Rotten Scoundrels*, which opens Friday, Sept. 6 at the Studio Theatre in Carmel.

Based on the popular 1988 MGM film, this musical comedy takes show goers to the French Riviera for high jinx and hilarity. Lawrence Jameson makes his lavish living by talking rich ladies out of their money. Freddy Benson more humbly swindles women by waking their compassion with fabricated stories about his grandmother's failing health.

After meeting on a train, they attempt to work together, only to find that this small

French town isn't big enough for the two of them. They agree on a settlement: the first one to extract \$50,000 from a young female target, heiress Christine Colgate, wins, and the other must leave town. A hilarious battle of cons ensues that will keep audiences laughing, humming and guessing to the end. Sophisticated and suave with a good dash of mischief, this hysterical comedy features a delightfully jazzy score and was nominated for a staggering 11 Tony Awards.

Tickets are on sale at the Box Office, by calling (317) 843-3800 or by purchasing online at [ATIStage.org](http://ATIStage.org).

# Reminder: Mock disaster training Sunday morning in Noblesville

**The REPORTER**

The City of Noblesville reminds area residents that mock disaster training exercise will be conducted at the Hamilton County Government and Judicial Center on Sunday morning.

Those around the Downtown Square from 7:30 a.m. to noon will see in an increase of fire and law enforcement vehicles and personnel. The training event provides a hands-on experience for first responders to respond to a hazardous materials situation.

The exercise requires Logan Street to be closed between 8th Street and State Road 19 from 7:30 a.m. to the end of the exercise. Emergency vehicles will be entering the training zone along Conner Street and 8th Street, but should have minimal impact on traffic flow. Areas around the Government and Judicial Center may not be accessible to the public during this time

in order to maintain safety during the event.

The event is planned by the Hamilton County Local Emergency Planning Committee, a resource committed to enhancing hazardous materials preparedness in case of a local incident or emergency. The group is responsible for an annual exercise to provide training for area first responders. Noblesville police and fire will be participating in the event.

## Daniel Glenn Ward

February 22, 1949 – August 22, 2019

Daniel Glenn Ward, Sr., 70, Noblesville, passed away on Thursday, August 22, 2019 at Community Heart & Vascular Hospital in Indianapolis. He was born on February 22, 1949 to William and Perry Elizabeth Ward in Lee County, Va.

Dan worked for many years at Firestone. He enjoyed gardening and was very proud of his two vegetable gardens. Dan liked to hang out with his sons in the shop. He was known for telling funny jokes and enjoyed going to the Strawtown Flea Market. Dan and Sheryl never missed a Wednesday date night.

He is survived by his wife of 43 years, Sheryl Ward; sons, Jon (Angie) Ward and Daniel Glenn Ward, Jr.; and brothers, Randall (Mary) Ward and Doug (Sue) Ward.

In addition to his parents, he was preceded in death by his brother, William Ward, Jr.

Services will be held at 7 p.m. on Tuesday, August 27, 2019 at Randall & Roberts Funeral Home, 1150 Logan St., Noblesville, with Pastor Andrew Marshall officiating. Visitation will be from 5 p.m. to the time of service at the funeral home.

## Christopher Allen "Chris" Whicker

June 9, 1974 – August 20, 2019

Christopher Allen "Chris" Whicker, 44, Sheridan, passed away on Tuesday evening, August 20, 2019 at Riverview Health in Noblesville surrounded by his loving family. He fought a long and courageous battle against kidney disease for over 20 years during which he received two transplants. Born June 9, 1974 in Noblesville, he was the son of Mark Allen and Cindy Ann (Alexander) Whicker.

Chris was a 1995 graduate of Sheridan High School and a 1997 graduate of ITT Technical Institute where he earned his degree in architectural design. He went to work with Carmel Cabinetry and was with the company for the about seven years before retiring due to his illness.

Anyone who knew Chris knew that family came first; his kids were his life. Chris had a passion for sports and an even deeper love of the Sheridan Blackhawk and Sheridan Rec. programs. Combine that passion with his commitment to his family, and you have the makings of a dedicated coach. Whatever sport the boys were involved in, Chris was a part of it. When he wasn't busy coaching, he enjoyed taking the time to do a little fishing. When it was time for NASCAR to start up for the season, Chris was sure to have the TV on watching Jeff Gordon fly around the track. He also loved going downtown and watching the Indians play. Sports and family weren't his only pastimes – somewhere along the way Chris got hooked on Game of Thrones and that trumped any other Sunday night plans.

Chris is survived by his loving parents, Mark and Cindy Whicker, Sheridan; his two sons, Drew Allen Whicker and Austin Matthew Whicker, both of Sheridan; his daughter, Palynn Reese - Ann Shotts, Greenwood; his current wife, Julie Shotts-Whicker; his former wife, Crystal Kinkead; and his many, many, many cousins, aunts and uncles who will always miss Chris's loving nature, as well as his razor-sharp wit, which was usually at their expense. Chris is also survived by his dog Phoebe, who misses her dad dearly.

He was preceded in death by his paternal grandparents, Lawrence and Irma (Campbell) Whicker; and his maternal grandparents, Rusty and Maggie (Burton) Alexander.

Services will be held at 7 p.m. on Saturday, August 24, 2019 at Kercheval Funeral Home, 306 E. 10th St., Sheridan, with visitation from 3 p.m. until the time of service. Reverend V.J. Stover will be officiating.

In lieu of flowers, the family requests that donations be made to the National Kidney Foundation, or to the Jack Griffin Children's Christmas Party Fund (benefiting the children of the Sheridan community) c/o the Farmers Bank, Sheridan.

## TODAY'S BIBLE READING

And Jesus said, Make the men sit down. Now there was much grass in the place. So the men sat down, in number about five thousand. And Jesus took the loaves; and when he had given thanks, he distributed to the disciples, and the disciples to them that were set down; and likewise of the fishes as much as they would. When they were filled, he said unto his disciples, Gather up the fragments that remain, that nothing be lost. Therefore they gathered them together, and filled twelve baskets with the fragments of the five barley loaves, which remained over and above unto them that had eaten. Then those men, when they had seen the miracle that Jesus did, said, This is of a truth that prophet that should come into the world.

Friday night football - Week 1

# Millers overwhelmed by Irish

By **RICH TORRES**

**NOBLESVILLE** – The Noblesville Millers were hoping to end their opening night losing streak, but the Class 5A fifth-ranked Cathedral Fighting Irish had other ideas.

Unable to match the Irish’s offensive efficiency, the Millers (0-1) lost 42-14 at home on Friday night as Cathedral ran out to a 27-0 advantage before initiating the IHSAA’s Mercy Rule by the third quarter.

Cathedral (1-0) produced 509 yards of total offense compared to Noblesville’s 90 overall and pushed their margin to 35 points to force a running clock following a decisive 11-play, 60-yard drive that spanned 4 minutes, 16 seconds.

The loss extended Noblesville’s season opening woes to four consecutive years, but the Millers’ offense proved opportunistic, especially late in the second quarter.

Down 27-0, the Millers’ defense came up with a key fumble recovery to give the offense a chance, and fullback Elijah Butler delivered. Butler, who finished with 18 yards on 11 carries, erased Cathedral’s shutout bid with a 1-yard rushing touchdown to cut the deficit to 20 points.

The Millers’ 6-play scoring drive that covered 23 yards in 2:51 was sparked by junior Luke DeaKyne, who scooped up a lost fumble by Cathedral quarterback Orin Edwards on a keeper play. The fumble recovery setup the Millers at the Irish 23, and the series was prolonged with two dead ball personal fouls by the Cathedral defense that moved Noblesville inside the 10-yard line.

Butler scored on the ensuing play after the double penalty against Cathedral, but a holding call against the Millers pushed them back to the 18. Butler got another shot at paydirt four plays later on fourth-and-goal, and he converted with 1:36 remaining in the half.

The Millers defense halted the Irish’s second offense drive with a slick interception by junior Zach Blevins on an

overthrown pass from Edwards, but Cathedral’s mistakes were minimal, especially on offense.

The Irish rushed for 249 yards on 20 carries with senior Daylen Hall carrying the load with 184 yards on 9 rushing attempts for three touchdowns. The speedy back put Cathedral ahead 7-0 with a 7-yard run. His second score unfolded on a 45-yard burst, and his third went 72 yards to increase the Irish’s lead 34-7 in the second quarter.

Hall, a first-year starter, averaged 20.4 yards per carry and sat out once the mercy rule took effect.

Edwards overcame his mishaps to pass for 256 yards on 13 of 18 completions and two touchdowns. His first travel 28 yards as he connected with David Perry to supply Cathedral with a 13-0 lead.

The second strike went 87 yards to Camden Jordan, who cut up field on the short route completion to give Cathedral a 20-0 cushion. The Irish produced 18 first downs while losing the time of possession battle 19:27 to 28:33.

Noblesville quarterback Alex Zavac rushed for 20 yards and passed for 29, including a 17-yard dart near the end zone to Carson Sanders, who scored from 17

yards out late in the fourth quarter.

Sanders hauled in two passes for 30 yards, but punter Grayden Addison earned the respect of his opponents with seven kicks totaling 352 yards and an average of 50.3 yards per kick. Two of his kicks settled inside the 20-yard line with one touchback.

The Millers’ offense, however, struggled by only converting 1 of 10 conversions on third down.

The Millers travel to Carmel next week as they try to avoid an 0-2 start for a fourth straight season.

# 'Rocks run away from Harrison

Westfield's offense put on a show in its season opener Friday.

The Shamrocks went on scoring binges in the first and third quarters, and that helped Westfield to a 55-28 win over visiting Harrison at Riverview Health Stadium. It's the first time the 'Rocks have scored 55 points in a single game since Oct. 15, 2010, when they beat Lafayette Jefferson 55-35.

Westfield scored the majority of its points in the first quarter. Camden Simons threw three long touchdown passes, two to Mason Piening (56 yards and 37 yards) and another one to Reid Schepers (67 yards). Just for good measure, Simons snuck in a one-yard touchdown run midway through the period.

The Raiders were within 28-14 after the first quarter, and were able to score again in the second while not allowing Westfield any points. That allowed Harrison to stay within 28-21 at halftime.

The Shamrocks responded in the third quarter. Eli Patchett ran the ball in from 10 yards to get the 'Rocks up 35-21. The Raiders answered that with a touchdown pass, but Westfield took control late in the quarter, with Patchett making a 15-yard TD run, and Simons streaking in to score from 85 yards.

Micah Hauser finished up the Shamrocks' scoring in the fourth quarter with a three-yard touchdown run. Westfield put up some impressive numbers: Simons completed 10 of 13 passes for 314 yards, while four Shamrock runners totaled 274 yards on the ground. Simons finished

with 108 rushing yards, while Patchett gained 101 yards.

Patchett had 11 of them, with David Frey and Alexzander Nguyen getting 10 tackles each. Nguyen and Seth Poriah both had one sack.

The Shamrocks will go on the road for the first time next week, traveling to Decatur Central.

# 'Hawks get lesson from No. 1 WeBo

Sheridan's young team got a lesson Friday night from the Class 2A defending state champion.

The Blackhawks hosted Western Boone, which is ranked No. 1 in 2A, at Bud Wright Stadium. The Stars dominated the game, winning 41-6.

"We didn't play very good," said Sheridan coach Bud Wright. "Western Boone's got a really fine football team, but we can't win by making mistake after mistake after mistake, and that's what we did."

WeBo didn't allow Sheridan any points until the 'Hawks broke through with 45 seconds left in the fourth quarter. Cameron Hovey made a one-yard touchdown run. Hovey finished as Sheridan's leading rusher with 28 yards; the Stars held the Blackhawks to just 39 yards rushing. Silas DeVaney completed 4 of 7 passes for 93 yards.

"We've been practicing all summer and we've been practicing this fall," said Wright. "If you get beat physically that's one thing, but if you get beat by making mistakes, that's another thing." The coach said his team "lost on both ends" Friday night.

Sheridan will host Clinton Central on Friday for its Hoosier Heartland Conference opener next Friday.

Sheridan's Cameron Hovey scored the lone touchdown for the Blackhawks during their Friday game with Western Boone at Bud Wright Stadium.

## At packed Murray Stadium Carmel wins girls soccer showdown with Guerin Catholic

The Carmel girls soccer team beat Guerin Catholic 2-1 Friday night at Murray Stadium in front of a large, enthusiastic crowd filled with fans of both schools

After a scoreless first half, the Class 3A No. 1 Greyhounds broke through at the 43:42 mark. Olivia Fray sent a cross to Susie Soderstrom, who finished the goal.

The 3A No. 18 Golden Eagles tied the game in the 65th minute when Emersen Jennings picked up a loose ball at the midline and beat a couple of Carmel defenders to score. But with 1:01 left, Kelsie James clinched the game by scoring on a long shot.

The game was the first of the season for the Greyhounds, while Guerin Catholic is 1-1 for the season.
