Susan Brooks meets with Noblesville business owners

Congresswoman Susan W. Brooks (Ind.-05) joined Noblesville mayoral candidate Chris Jensen, Deputy Mayor Steve Cooke, Economic Development Specialist Aaron Head and Noblesville Chamber of Commerce President Bob DuBois for a tour of Downtown Noblesville last Thursday. The group visited Grindstone Public House, Karisma and Caravan Classes – a restaurant, boutique and arts studio, respectively. During her visits, Brooks met with owners to discuss their business, logistics of their daily operations and workforce, and how federal and local government could better assist small businesses in Noblesville. Demand for apartments likely to increase in Fishers over time

By LARRY LANNAN
LarryInFishers.com

The City of Fishers will likely need more apartments in the coming years, based on data gathered the city's Planning & Zoning Department. Of all residential units in the city, only 15.5 percent are apartments. By comparison, Carmel has 19 percent, Noblesville 18 percent, Zionsville 17 percent and Greenwood 28 percent. The only area city with a lower percentage than Fishers is Westfield with 14 percent.

The apartment unit vacancy rate in Fishers is 5.7 percent. Zoning & Planning Director Tony Bagato says a good vacancy rate is normally in the range of 5 percent to 8 percent.

The average rent per unit is \$1,170. Of Fishers apartment units, 6 percent are studios, 32 percent are one bedroom, 49 percent are two bedroom and 13 percent are three bedroom.

The data show Fishers is projected to have 131,525 residents by the year 2040, with the population generally aging. This may increase demand for apartment living.

Mayor Scott Fadness and the City Council submitted a request to state officials to construct a low-income apartment project but were turned down last year. Fadness says the city will once again apply for that low-income housing funding from the state this year.

The work session presentation was for information and no decisions were made.

County to receive life-size replicas of nation's founding documents

The REPORTER

The Declaration of Independence, Bill of Rights and Constitution will be permanently installed in Hamilton County through a partnership with educational nonprofit Foundation Forward. The Charters of Freedom will be installed at Federal Hill Commons in downtown Noblesville next month.

"We are excited to have life-sized replicas of the three documents instrumental to America's founding and philosophy prominently displayed in downtown Noblesville – to honor our history and teach future generations," said Noblesville Mayor John Ditslear. "Charters of Freedom will provide our community with another visually-striking, patriotic tribute in our downtown to complement the Hamilton County War Memorial on the square and military monuments at Riverside and Crownland cemeteries."

The Founding Documents will be dedicated at 7 p.m. on Saturday, Sept. 28 at Federal Hill Commons in Noblesville. The ceremony will be held prior to the free concert by Separate Ways, a Journey tribute band.

Hamilton County will be the 26th Charters of Freedom installation gifted by Foundation Forward to local communities across the country, and only the third to be illuminated.

Foundation Forward was created by Vance and Mary Jo Patterson of Morgan, N.C. in 2013 following a visit to the National Archives in Washington, D.C.

"Seeing something our founding fathers had actually penned, and then their signatures – Thomas Jefferson, John Adams, Benjamin Franklin, Rutledge and the others – I got goose bumps. And, when I moved over and saw the first page of The Constitution and the words, 'We The People,' I actually got a lump in my throat," Vance recalled.

The Pattersons now work to share the emotional experience of seeing the Charters of Freedom with others. Foundation Forward's mission is to install the nation's founding documents in easily accessible local locations across the country.

Legacy Pavers, which will be installed around the Charters of Freedom, are available for purchase in honor of loved ones, active duty military or veterans, first responders, families or organizations. The settings provide a magnificent, permanent centerpiece in communities to remember the country's history. One hundred percent of these funds will be used to defray costs in Hamilton County so Foundation Forward can continue to reach more communities.

Westfield installs new Monon bridge over State Road 32

By KATIE WISELY
WISH-TV | wishtv.com

The city of Westfield began working overnight last Wednesday to install the new Monon Trail bridge that spans over State Road 32.

The city says it's another way to connect the entire city and neighborhoods with mobile use pathways.

Crews began installing the bridge around 1 a.m. last Thursday.

Westfield Mayor Andy Cook said this project has been in the works for five years. The new bridge will be almost twice as long as the Monon Trail bridge at 146th Street.

The city received federal funding for the bridge project through the Metropolitan Planning Organization. The city paid its portion through impact fees.

The city says the new bridge is beneficial to residents in more ways than one.

"It's a great safety addition," Westfield Mayor Andy Cook said. "As we have more and more trails of concern is getting our people safely across and the ultimate way to accomplish that is with separated grate."

Just weeks ago, the city announced it was rushing construction for a trail tunnel at the intersection of 161st Street crossing of the Monon Trail. This comes after a woman running in July was hit by an SUV where the trail crosses the road.

The Monon runs about 24 miles from downtown Indianapolis up to Sheridan. The city hopes to have the entire project ready for use by the end of the year.

County tax increase proceeds too quietly

A 10 percent increase in Hamilton County's local income tax, which so far has been made generally known only by the Reporter, has created a lot of conversation among the limited number of folks who know about it.

The new tax is to become effective January 1 assuming the Carmel and Fishers city councils adopt resolutions favoring it. The tax is designed to cover the costs of the county's Emergency 911 communications operation.

The tax will raise about \$17 million next year and mean that the county's cities and county government will no longer have to budget for their share of maintaining the communications.

The plan may be quite all right, but it's hard to understand the quiet advance of this financing plan with almost no discussion in public meetings, and very little news coverage. There will be public notices in the newspaper advertising a public hearing, but very few folks attend public hearings.

There should be no question that keeping our 911 service working at top efficiency is vital. And, the service is working well at present on an annual budget of about \$10 million. But, the smaller towns have been paying very little for their service. So, to equalize the burden, the new tax is planned.

It is here that some legitimate public scrutiny is warranted. Why, for example, could county government not take over financing the communications within its budget? It would be fair because everyone pays county taxes.

The county next year will collect \$3.3 million more in overall taxes than its budget requires. The county already has surplus and Rainy Day funds of more than \$33 million.

In addition, the State of Indiana contributes \$3.6 million annually to our 911 communications operation. So, paying the 911 expenses would have little impact on the county's financial picture.

But, most city and town administrations want the added tax. In the case of the

Heights unveils official hashtag: #WeAreHuskies

The REPORTER

Hamilton Heights School Corporation has created its official hashtag #WeAreHuskies. The hashtag is designed to help boost pride and Heights' brand as well as organize posts on social media to shine a light on all things Hamilton Heights.

"We wanted to offer a way for social media users to be able to organize content related to Hamilton Heights and create conversations as well as offer another medium to interact with our schools," said Tim Gray, Secondary Instructional Coach/Technology Integration Specialist, who is credited with helping to create #WeAreHuskies. "We think the moniker aptly describes who we are as a district – inside and outside school grounds. Since their inception hashtags have evolved in a relatively short time into a powerful multipurpose social media tool in a 21st century world. We are really excited about having an official hashtag for everyone in our district and beyond to categorize, find, and join conversations related to Hamilton Heights School Corporation."

Noblesville police chief will retire on January 31

The REPORTER
Kevin Jowitt announced last week that he will retire as Chief of Police for the City of Noblesville on Jan. 31, 2020. Jowitt has served as Noblesville’s police chief for 10 years, the second longest tenure in the city’s history, and has had a law enforcement career that spans 43 years.

“After careful consideration the time has come for me to take another path,” Jowitt said. “It has been an honor to work alongside my law enforcement colleagues, and a privilege to serve the Noblesville community as chief. My law enforcement career has been challenging, rewarding and personally fulfilling.”

Westfield Lions Club helps local Girl Scout serve city

The REPORTER
The Westfield Lions Club is proud to support Luci Bluto of Girl Scout Troop 959 in her Girl Scout Silver Award project at the Westfield Library. The Lions Club grant of \$250 helped the Westfield High School freshman donate two benches to the butterfly garden at the city library.

The benches were dedicated to the library last Wednesday by Ms. Bluto and members of the Westfield Lions Club.

Luci collected over 200 pounds of plastic trash that was recycled to help make the benches. She is the daughter of longtime Westfield Lion Chris Bluto.

The Lions Club regularly considers grants to local charities and students for projects like Luci’s.

Solar power goes to school

Last Wednesday, Hamilton Southeastern Intermediate & Junior High School (also known as “The HIJH”) held the “Flip the Switch” ceremony, marking the start of generating electricity for the school building through the solar arrays on the HIJH property. The HSE School Corporation entered into a contract with Ameresco Inc. in January of this year to install the \$2.8 million solar project. The work is being financed by a four-year bond issue, which is not expected to trigger a tax increase.

Although few folks have heard of the Local Income Tax Council, it is that council which will vote to impose the tax increase. And, because of their populations, Fishers and Carmel together control more than half the council votes.

It’s a little complicated, but that’s sometimes the way the state and local leadership likes it. So, now you know. Just thought you might like to be aware of what all is behind your tax increase.

On Sept. 18, Nickel Plate Arts will hold its seventh anniversary gala with the fourth edition of the Nickel Plate Arts Awards to celebrate the area’s burgeoning arts scene and recognize some of the most valuable artists and arts advocates. The gala will happen at the Mill Top Banquet and Conference Center and feature dinner by Jacquie’s Catering, wine from Mr. G’s liquors, live music, hands-on arts experiences and a live auction during Nickel Plate Arts’ premiere fundraiser of the year.

Aili McGill, executive director for Nickel Plate Arts, emphasizes the importance of the upcoming anniversary gala to Nickel Plate Arts’ ongoing success.

“This year’s gala is critical to Nickel Plate’s overall financial health, and also allows us to share the stories of how the members of our creative community are improving the quality of life within and promoting economic development throughout the Nickel Plate region,” McGill said.

Company’s coming!

I believe the greatest motivational phrase ever spoken are two simple words ... company’s coming!

It was Thursday night when Chuck arrived home from choir practice about 9:00. He walked into the screened-in porch and told me he had been talking to his son, Scott.

“Scott and Jesse will be here this weekend.” Jesse is Chuck’s grandson. They live in New York City.

I was absolutely thrilled they were coming for Chuck’s birthday party on Sunday.

Then I went into panic mode. It’s what I do when I find out people will be coming to our house.

Now understand, I love having people over to our house. I enjoy entertaining. I just tend to go over the top when doing so.

I enjoy sprucing up the house, planning meals and all the fun things about entertaining. I think I get that from my mother.

My mother would always have something sweet and delectable baked just in case we had unexpected company. People used to do that when I was a kid, especially on Sunday afternoons.

There would be a pot of coffee on the stove along with some sweets. You never came to my mother’s home and not have something to eat. You never left hungry.

Friday afternoon I put the bedclothes, as my mother would say, into the washer and I headed to Gatewood’s Market.

Scott and Jesse live in New York City. I thought they might enjoy some Hoosier corn on the cob, juicy,

from the garden, fresh tomatoes and a diamond watermelon.

I was a few minutes late to work on Saturday as I wanted to pick up some fresh flowers from the Noblesville Farmer’s Market.

I will have my one pot meal for Sunday dinner. Kentucky Wonder green beans with chunks of potatoes with sliced smoked sausage. Of course, cornbread, made in a cast iron skillet, will be served as well.

No one is served a dinner at my house without a sweet ending. Sunday it will be raspberry pie with ice cream.

I want my guests to feel comfortable and welcome. While I may fuss around and look a bit frazzled, I am loving every minute. I hope my company knows how much I enjoy having them.

There will be close to 90 people at Stoney Creek Golf course on Sunday evening to celebrate Chuck’s birthday. I call it his home away from home. I often joke that he married me because I lived closer to the golf course than he did.

No, I’m not baking the birthday cake. (Sam is ... Sam’s Club.)

I can’t wait to celebrate Chuck and have company for a few days.

I have our nest feathered, bedclothes back on the beds, goodies baked and Chuck has the yard looking like we have landscapers. Let the fun begin!

How old will my husband be? Well let’s just say that Chuck will now have an easier time shooting his age on the golf course.

Let the good times roll! The Leonard bed and breakfast is ready for guests!

Carmel residents fight townhomes in long-standing neighborhood

WISH-TV | wishtv.com

The Carmel Plan Commission heard from people week about a proposal for a rezoning in a long-standing neighborhood along Main Street near North Guilford Road.

A private developer has proposed to tear down a house in the first block of Sherman Drive to build four multifamily townhomes and a parking lot. It sits on a half-acre of land. Many concerned neighbors told News 8 that they oppose the proposal.

A residential committee of the Plan Commission will meet 6 p.m. on Sept. 3 at City Hall to consider the comments from Tuesday night’s meeting.

Neighbors are afraid more

new developments will be added on Sherman Drive in the future if the Plan Commission approves the proposal.

“It seems like Carmel has this idea that they just want to tear everything down and make things new, and I think people are starting to resent that, they want their homes to stay homes,” said Jacki Johnston, a neighbor from across the street from the proposed site.

People in the community hope the Plan Commission decision goes in their favor.

“I really hope that the zoning commission listens with a good ear toward what the neighbors’ concerns are and not just be driven by the idea of development and money,” Pam Avenies said.

Levinson construction halted in Noblesville

The REPORTER

A portion of the construction on the Levinson project has stopped after complaints were received from downtown businesses and residents regarding vibrations from the pounding of construction materials into the ground.

A few downtown busi-

nesses reported damage to their building’s masonry and items falling off shelves due to the vibrations.

Robert Herrington, Communications manager for the City of Noblesville, said the shutdown is only for sheeting material installation. Utility work and limited excavation will continue.

New law provides more mental health resources to schools

The REPORTER

Indiana schools can now access more mental health programs on behalf of students after Gov. Eric Holcomb signed legislation sponsored by State Rep. Tony Cook (R-Cicero) into law.

According to Cook, the law creates a process for schools to communicate with a student’s guardian if teachers or administrators notice aberrant or abnormal behavior. With the guardians’ consent, the school and family can develop a plan to help the child receive mental health services.

“We want to make sure

we are connecting these students to the right services in order for them to get the help they need and stay on track with their academics,” said Cook.

Cook said the new law also opens up an opportunity for schools to seek money to pay for those mental health services from the Secured School Safety Grant Program Fund. To date, Cook said the fund provided more than \$53 million in grant money to enhance school safety.

Noblesville Schools safety dog pilot kicks off

The REPORTER

Noblesville Schools has launched a new safety dog pilot in school buildings and at school facilities and events. Trained Labrador Retrievers will monitor for firearms in the joint initiative between the district and the Noblesville Police Department.

The friendly dogs, who have undergone extensive training and certification, are ideal for use around children and the public as they are able to detect the scent of firearms and related products in the air around

them, and are not used for direct physical inspection of individuals.

The safety dog pilot just one of many safety enhancements made recently thanks to the additional funding from the passage of last year’s referendum.

Safety dogs of this kind are used by the Department of Homeland Security, the Transportation Security Administration (TSA), the National Football League (NFL), Notre Dame University, Disney, casinos, concert venues and more.

Letter to the Editor

County Councilman McKinney responds to Fred Swift's column

Dear Editor:

The title is misleading and implies, to the casual observer, that the Hamilton County government is seeking a tax increase, which is certainly NOT true!

A better title would have been: "Cities seeking to increase local income tax".

Mr. Swift's premise that Hamilton County government could easily absorb the costs of the 911 Communications system by itself is simply nonsensical.

The Commissioners wrested control of the 911 department from the Sheriff approximately eight years ago, which was a first in the 30-year history of 911. They proceeded to create a new entity to fund the 911 Communications Center that would be controlled by the cities, funded by contracts with the cities and the county plus the excise taxes from cellphones and landlines, and managed by the commissioners. As a result, the northern communities have been subsidized by both the cities and the county.

The State of Indiana also changed the funding flow so it would receive all the excise taxes from cell phones and landlines, then distributes them back to individual counties under a formula devised by them: It is not a "contribution" from the State as Mr. Swift implies. Nor does Hamilton County receive 100 percent of the taxes generated by its cell phone users.

The surplus Mr. Swift mentioned is already allocated for specific needs and purposes: Proper cash flow to fund routine operations and avoid short term borrowing (\$15 million), allocation for Judicial Center expansion (\$12 million), reserves for possible cost overruns on State Road 37 (\$10 to 12 million) and future road projects at 146th Street and Allisonville Road.

The Hamilton County Council is NOT in favor of an increase in the Local Income Tax. Period.

Royals hold off Bears, 24-20

Hamilton Southeastern toughed out a season-opening win Friday at Reynolds Royals Stadium, holding off Lawrence Central 24-20.

After a scoreless first quarter, the Royals opened the second period with a touchdown on the first play of the quarter. Chris Stein ran seven yards up the middle into the end zone to get Southeastern on the board.

Minutes later, Jake Huston made an interception, and the Royals took advantage. They got into the red zone, and eventually Alex Geroulis kicked a 30-yard field goal. Southeastern later scored on a nice pass from Andrew Hobson to Deandre Rhodes, a 51-yard touchdown reception. Geroulis kicked the extra points after both TDs.

The Bears scored before halftime, but HSE still held a 17-7 lead at the break. Lawrence Central scored a third-quarter touchdown to get within 17-14, and the score stayed there until the 7:12 mark of the fourth period. Hobson threw a 30-yard pass to Nathan Wolf, who found his way into the end zone. Geroulis' extra point kick made the score 24-14.

The Bears got one more

touchdown with less than a minute left in the fourth quarter. Lawrence Central tried an onside kick, but touched the ball before it went the mandatory 10 yards. Southeastern got the ball back and kneeled it out.

"It was nice to get some stops, but to be honest, we probably shouldn't have been in that situation," said Royals coach Adam Morris. "I thought that we did a good job in the first half. I thought we had energy, enthusiasm. I just thought it kind of faltered in the second half. That's why they were able to come back and we were lucky to walk away with a win."

Hobson finished the game passing 15-of-25 for 233 yards, including the two touchdowns. Rhodes caught six receptions for 144 yards, with Ben Boysen making five catches for 46 yards. Tylin Taylor led the rushing with 61 yards.

Southeastern will travel to North Central this Friday for what will be a tough game with the Panthers.

"I think what people used to think of as North Central is no more," said Morris. "They are an elite 6A MIC program. If you don't play well, they're

going to beat you and beat you by a lot. So we're going to have to have a good week of practice and show up with our best effort next week to win it."

Trinity Lutheran overwhelms 'Hounds

Carmel had a long night in Louisville on Friday, as the Greyhounds played perennial Kentucky powerhouse Trinity Lutheran for their season opener.

Carmel fell behind early, and while they battled back in the second half, the 'Hounds eventually lost 41-14. The Shamrocks scored a touchdown in the first quarter, then ran away from Carmel in the second period, putting up 27 unanswered points.

The Greyhounds got on the board early in the third quarter. JD Rogers ran 16 yards in the first play of the second half, then zoomed in to the end zone

from 64 yards. Trinity answered by scoring with 7:59 left in the quarter, making a three-yard touchdown run after converting a 45-yard pass on third down.

Carmel got one more touchdown in the fourth quarter, when Rogers scored on an eight-yard run. AJ Vinatieri made both extra point kicks.

Rogers finished the game with 110 yards rushing on six carries. Christian Williams had a pair of receptions.

The Greyhounds will play their home opener this Friday, welcoming Noblesville into Carmel Stadium for a 7 p.m. kickoff.

Second quarter run sends Marauders past Huskies

Hamilton Heights gave it a good battle at Mount Vernon on Friday, but the Marauders took control in the second quarter and sent the Huskies to a 44-23 loss in their season opener.

Heights played Mount Vernon even in three of the four periods. In fact, the Huskies led 14-7 after the first quarter thanks to two quick touchdown passes from Isaac Wilson. Brent Pennington caught the first one from 25 yards out, then Camron Knott scored on a 13-yard TD reception.

Heights extended its lead to 16-7 just 10 seconds into the second quarter on a safety. But Mount Vernon took over after that, scoring 22 unanswered points to take a 29-16 lead into halftime.

Deshawn King got the Huskies within 29-23 when he took a 52-yard interception

return into the end zone early in the third quarter. But the Marauders finished the period with a touchdown and two-point conversion, going up 37-23 with seven seconds left in the period. Mount Vernon added its final touchdown on a one-yard run late in the fourth.

The Marauders' defense kept Heights' ground game in check, only allowing the Huskies seven yards rushing for the game. But Heights outgained Mount Vernon in passing yards, 213-201. Wilson had a nice game, completing 9 of 18 passes for 146 yards and the two touchdowns. Camron Knott led in receptions with five. King was the leading rusher for the Huskies with 21 yards.

Heights will play its home opener this Friday, welcoming North Montgomery for a 7 p.m. kickoff.

**TOWN OF ATLANTA, INDIANA
NOTICE OF INTENT TO SELL BANs**
Upon not less than twenty-four (24) hours' notice given by telephone by the Clerk-Treasurer of the Town of Atlanta, Indiana (the "Issuer"), or her designee, the Issuer will receive by mail at the offices of the Issuer's financial advisor, Therber Brock & Associates, LLC, 11550 North Meridian Street, Suite 275, Indianapolis, Indiana 46032 (the "Financial Advisor"), and consider bids for the purchase of the following described BANs (or in the alternative, bids may be submitted via facsimile transmission, Attention: Steve Brock (317) 686-9102 or via E-Mail at steve.brock@therberbrock.com). Any person interested in submitting a bid for the BANs must furnish in writing to the Issuer, c/o its Financial Advisor, at the aforementioned address, fax number or E-Mail Address, on or before 11:00 a.m. (Eastern Standard Time) by September 16, 2019, the person's name, address and telephone number and if desired, a fax number or E-Mail address. The Issuer's representative or its designee will notify (or cause to be notified) each person so registered of the date and time bids will be received not less than twenty-four (24) hours before the date and time of sale. The notification shall be made by telephone at the number furnished by such person and also by fax or E-Mail, if a fax number or E-Mail address has been received. The sale is expected to take place on or about September 18, 2019.
At the time designated for the sale, the Issuer will receive and consider bids for the purchase of the BANs of the Issuer designated as "Town of Atlanta, Indiana Sewage Works Bond Anticipation Notes, Series 2019", in the aggregate principal amount of \$250,000 ("BANs"). Each bid must be for not less than all of the BANs described herein. Bidders may bid a discount not to exceed 2.0% of the face amount of the BANs. The BANs will bear interest at a rate or rates not to exceed 4.0% per annum (the exact interest rate or rates will be determined by bidding). Interest will be calculated on a 30/360-day basis and will be payable on the maturity date of the BANs (or the date of redemption if redeemed prior to maturity). Said BANs will be dated the date of delivery, will be in the denominations of \$1,000 or integral multiples thereof and will mature 20 months from their date of delivery (anticipated date of delivery is September 26, 2019).
At the request of the successful bidder, the BANs may be issued as fully registered BANs in book entry only form, registered in the name of Cede & Co., as nominee for The Depository Trust Company, New York, New York ("DTC"). In such case, the successful bidder is expected to apply to DTC to make such BANs depository eligible.
The BANs are redeemable at the option of the Issuer on any date, on twenty (20) days' notice, in whole or in part, at face value with no premium.
Principal and interest is payable at the office of a registrar and paying agent to be designated by the Issuer. The BANs will be issued in fully registered form.
Each bid must be for all of said BANs and must state the rate or rates of interest in multiples of 1/8, 1/20 or 1/100 of 1%. The award will be made to the bidder complying with the terms of sale and offering the lowest net interest cost to the Issuer, to be determined by computing the total interest on the BANs and deducting therefrom the premium bid, if any, and adding the lowest net interest cost, if any. Although not a term of sale, it is requested that each bid show the net dollar interest cost to final maturity and the net effective average interest rate on the entire issue. No conditional bid or bid for less than 98.25% of the face value of said BANs will be considered. The right is reserved to reject any and all bids. If no satisfactory bids are received at the time and on the date fixed for the sale, the sale may be continued from day to day thereafter without further advertisement for a period of thirty (30) days, during which time no bid which provides a higher net interest cost to the Issuer than the best bid received at the time of the advertised sale will be considered.
Each bid must be on the bid form provided by the Issuer which shall be enclosed in a sealed envelope addressed to the Clerk-Treasurer of the Town of Atlanta, Indiana and marked "Bid for Town of Atlanta, Indiana Sewage Works Bond Anticipation Notes, Series 2019." The winning bidder will be notified and instructed to submit a good faith deposit which may consist of either a certified or cashier's check or wire transfer in the amount of \$25,000. If a check is submitted, it shall be drawn on a bank or trust company which is insured by the Federal Deposit Insurance Corporation and shall be submitted to the Issuer (or the successful bidder shall wire transfer the deposit amount as instructed by the Issuer) not later than 3:30 p.m. (Eastern Standard Time) on the second business day after the date of the award. In either case, the deposit shall be payable to the "Town of Atlanta, Indiana" and shall be held as a guaranty of the performance of the bid. No interest on the deposit will accrue to the successful bidder. In the event the successful bidder fails to honor its accepted bid, the deposit will be retained by the Issuer. The deposit will be applied to the purchase price of the BANs. The successful bidder will be required to make payment for the BANs in Federal Reserve funds or other immediately available funds and accept delivery of the BANs within five (5) days after being notified that the BANs are ready for delivery. Each bidder agrees by submission of its bid to assist the Issuer in establishing issue price of the BANs. It is anticipated that the BANs will be ready for delivery within thirty (30) days of the sale date, and if not ready for delivery within forty-five (45) days after the sale date, the purchaser shall be entitled to rescind the sale and obtain the return of the good faith deposit. The successful bidder will be required to certify to the price at which a substantial amount of BANs was reoffered to the public, if the BANs are reoffered. The opinion of Bose McKinney & Evans LLP, bond counsel, of Indianapolis, Indiana, approving the legality of said BANs, together with a transcript of the BAN proceedings, and closing certificates in the usual form showing no litigation, will be furnished to the successful bidder at the expense of the Issuer.
CUSIP identification numbers may be printed on the BANs if requested by the successful bidder; provided, however, that neither the failure to print such numbers on any BAN nor any error with respect thereto shall constitute cause for failure or refusal by the successful bidder therefor to accept delivery of and pay for the BANs in accordance with the terms of its bid. No CUSIP identification number shall be deemed to be a part of any BAN or a part of the contract evidenced thereby, and no liability shall hereafter attach to the Issuer or any of its officers or agents because of or on account of such numbers. All expenses in relation to the printing of CUSIP identification numbers on the BANs shall be paid for by the Issuer; provided, however, that the CUSIP Service Bureau charge for the assignment of said numbers shall be the responsibility of and shall be paid for by the successful bidder. The successful bidder will also be responsible for any other fees or expenses it incurs in connection with the resale of the BANs, including any charges in connection with DTC.
The BANs are being issued under the provisions of Indiana Code 36-9-23 and 5-1-14-5 for the purpose of providing funds (i) for the preliminary expenses incurred by the Issuer for the construction of additions, extensions and improvements to the sewage works system of the Issuer and (ii) to pay costs of issuance of the BANs.
The BANs will be payable solely from waterworks revenue bonds to be issued by the Issuer pursuant to the ordinance which authorizes the issuance of the BANs.
In the opinion of Bose McKinney & Evans LLP, bond counsel, under the federal statutes, decisions, regulations and rulings existing on this date, the interest on the BANs is excludable from gross income for purposes of federal income taxation. The BANs are subject to the Internal Revenue Code of 1986 as in effect on the date of their issuance ("Code") which imposes limitations on the issuance of obligations such as the BANs under federal tax law. The Issuer has covenanted to comply with those limitations to the extent required to preserve the exclusion of interest on the BANs from gross income for federal income tax purposes. The Issuer has designated the BANs for purposes of Section 265(b) of the Code to qualify for the \$10,000,000 annual exception from the 100% disallowance, in the case of banks and other financial institutions, of the deduction for interest expense allocable to tax-exempt obligations.
The Issuer has prepared a Term Sheet relating to the BANs. A copy of the Term Sheet may be obtained from the Financial Advisor. Information concerning the Issuer may be obtained from the Financial Advisor.

Volleyball

Millers begin season with comeback win

The Noblesville volleyball team began its season in exciting fashion, coming back to beat North Central last Tuesday in front of a loud crowd at The Mill.

The Millers dropped the first two sets, and were at times only a few points from defeat in the third and fourth sets. But Noblesville kept fighting and eventually won 24-26, 17-25, 25-22, 25-22, 15-10.

Millers coach Jill Almodovar admitted that her team was nervous after getting down two sets to none.

“We had lots of people in different positions, we had lots of people in new positions, and I think there were some nerves that played a part in that,” said Almodovar. “And once we got going, we got into a little bit of a groove. We’ve been talking about one point at a time all year. They followed through with that.”

Lexie Almodovar led the offense with 29 kills and 21 digs, while Rose Crist hit 16 kills. Riley Branch handed out 59 assists. Diana Cox, a freshman, collected 16 digs and served aces, with Bella Hines and Abby Johnson also hitting two aces.

Noblesville lost an away match at Mount Vernon last Wednesday in four sets, 26-24, 25-13, 25-27, 25-16.

Lexie Almodovar led the Millers with 19 kills, 16 digs and three aces. Branch handed out 40 assists and picked up eight digs, while Cox collected 10 digs. Hines hit six kills, and Ella Peter put down five kills.

Noblesville dropped a four-set match to Bishop Chatard last Thursday at The Mill.

The score was 25-13, 23-25, 25-17, 25-17. The Millers’ Hines handed out 26 assists. Almodovar hit 17 kills, with Rose Crist putting down 11 kills. Almodovar collected nine digs, with Cox and Abby Johnson getting eight each. Cox and Sydney Sparks both had one ace.

Noblesville next plays on Tuesday, Aug. 27 at Pendleton Heights.

Hamilton Heights won a hard-fought three-set match with Guerin Catholic last Tuesday, 25-21, 25-16, 25-19 at the Huskies’ gym.

Kelsey Smith served well for Heights in all three sets. Katie Mottweiler led the Huskies’ attacking and

senior Carlie Ward played well on serve receive.

Smith and Mottweiler are sophomores, and played varsity as freshmen, as did four other sophomores on varsity this year. Heights coach Steve Ward said that with that experience, “they

were able to calm down, settle down, get right back into the flow of our offense and get us back in the lead again.”

The Golden Eagles won the junior varsity match 25-9, 25-17.

The Huskies picked up

nedy McGill and Jordan Fryman to hit 27 kills. Carlie Ward helped the Huskies to victory with her digs and serve receive.

Heights won an all-county volleyball match over Sheridan in three sets last Thursday.

The Huskies won 25-20, 25-9, 25-18. Stats for Heights were unavailable.

Becca Merritt had five blocks for the Blackhawks. Abbi Clouser had four digs and Lillie Dickerson hit two kills. Allie Delph had five assists, four digs and two aces.

In earlier matches, Sheridan dropped a four-set match to Crawfordsville, last Monday 19-25, 25-13, 25-7, 26-24. Emma Went served five aces, Clouser had four digs and Cheyenne Brooks made seven solo blocks. Merritt and Delph both hit four kills, with Delph also handing out four assists.

Last Tuesday, Sheridan lost to Clinton Central 25-20, 25-20, 19-25, 25-16. Merritt made eight solo blocks and hit three kills. Delph and Sierra Duke both had five digs, with Delph and Taylor Bates both handing out two assists. Went served two aces.

PREVAIL

Advocating for Victims of Crime and Abuse

www.prevailinc.com

I was born and raised right here in Noblesville. I grew up in a home without domestic violence or assault – it wasn’t something I saw, or even heard about. But when I was introduced to Prevail of Central Indiana, I was shocked by the number of individuals who are affected by domestic violence. In 2018 alone, Prevail helped more than 4,000 clients in Hamilton County. (Nearly 80 percent of clients are women and children.) Prevail is strictly confidential, and since their core values include integrity and respect, they provide their services at no charge. Domestic violence and abuse are hard topics to discuss, so you don’t often hear about them. But at Tom Wood Volkswagen in Noblesville, we’re breaking the taboo and raising awareness for Prevail, an organization that helps families in Hamilton County. – Mike Bragg, GM of Tom Wood Volkswagen in Noblesville

To help Hamilton County families affected by domestic violence and sexual abuse, you can donate the following items:

- Art supplies (for children to journal and express their emotions)
- Bottled water (8 oz. bottles, preferably)
- Individually packaged snacks
- Gas cards (many women have no access to funds after fleeing their abuser)

You can drop off items at Tom Wood Volkswagen in Noblesville, located at 14701 Tom Wood Way. You can also donate directly to Prevail of Central Indiana by visiting Prevailinc.org.
