Being an HSP in the Sandwich Generation

While waiting to see a doctor back in January of 2007, I came across an article in a magazine talking about Highly Sensitive People – and my life instantly changed.

AMY SHANKLAND
Sandwiched

If you've never heard of a Highly Sensitive Person (HSP), I'll explain. According to Highly Sensitive Refuge, an HSP experiences the world differently than others. Due to a biological difference that they're born with, highly sensitive people are more aware of subtleties and process information deeply.

Being highly sensitive is actually a normal trait found in 15 to 20 percent of the population. That sentence alone brought me immense relief. Up until that moment in the doctor's

office, I thought I was an oddity. Turns out there are millions, if not billions, of other people like me! That was a revelation. It's not just a human thing, either. Biologists have found the

trait in over 100 species, and there are probably more.

I think being an HSP in the sandwich generation, as in life overall, is both a curse and a blessing – but usually more of the latter.

HSPs are more easily overwhelmed, which can be a real struggle when you're dealing with an elderly parent in a hospital or nursing facility along with your own family and work issues.

HSE Schools look to new site for Durbin Elementary

By LARRY LANNAN

at its current location, but will be constructed at another site yet to be determined. However, Hamilton Southeastern (HSE) school officials say that there is a possibility that the current Durbin building could be used for other school district programs.

The HSE school board heard from Chief Financial Officer Mike Reuter Wednesday night on the Durbin situation, and he said there are talks going on to either purchase a 20-acre site for the new Durbin Elementary, or find a location already in place near a new

or current development in the area. No specific new locations were mentioned.

The goal is to break ground on a new and larger Durbin during the fall of 2020 and have the elementary school open for students in 2022.

In response to a question from School Board Member Sylvia Shepler, Reuter said maintenance will continue at the current Durbin building, but no improvements will be made, since a new building is now in the works.

Any new site will be evaluated for the availability of sewer hookups. One reason Durbin will not likely be expanded at the current location relates to the cost of running water and sewer utilities to that site, which Reuter said would cost at least \$5 million.

Duke Energy supports health, safety of Noblesville Schools

The REPORTER

Duke Energy's Government and Community Relations Manager Mark LaBarr on Wednesday presented Noblesville Schools with a check totaling nearly \$10,000 in support of school health and safety. The funding will be used to purchase two different types of comprehensive emergency response kits for each of the district's 16 school nurses.

"While Duke Energy typically supports STEM and literacy initiatives at Noblesville Schools, these emergency kits were a unique opportunity for us to support classroom

Heights accepting nominations for Athletic Hall of Fame

The REPORTER

The Hamilton Heights High School Athletic Department is accepting nominations for the inaugural class of its newly created Hamilton Heights Athletic Hall of Fame. The Athletic Hall of Fame is designed to recognize and honor Hamilton Heights High School athletes, coaches, teams and athletic program contributors for their achievements and/or contributions to the Hamilton Heights High School athletic program.

"Hamilton Heights School Corporation, created from the consolidation of the historic schools from northeastern Hamilton County in 1965 (Atlanta Cardinals, Jackson Central Eagles, Walnut Grove

Wolves, Arcadia Dragons, and Cicero Red Devils), has been bringing great pride through academic and athletic excellence to our community for well over a century," said Mitch Street, Hamilton Heights High School Hall of Fame Committee Chairman, Dean of Students, and former Head Football Coach for the Huskies. "Our goal is to recognize Hamilton Heights High School alumni (including athletes from the historic schools from which Heights was formed) who have distinguished themselves by their athletic accomplishments and maintaining a good standing during their high school tenure and throughout their life. We hope that by recognizing

and honoring these positive role models, we can provide inspiration to our current students on understanding the value of education, citizenship, and the possibilities to which they may lead."

The committee heading the Hall of Fame effort for the 2019-20 year, in addition to Chairman Street, includes: Dr. Derek Arrowood (Superintendent), Jarrod Mason (Principal), Kurt Ogden (Athletic Director), Chad Ballenger (Head Basketball Coach), Travis Kauffman (Head Girls Soccer Coach), Bill Trachtman (Former Head Coach and Current Assistant Track and Cross Country Coach), Arnie Cooper (Hamilton Heights Community Member and HHSC School

Thankfully my mother is currently in a terrific assisted living facility. When she's had some falls and been in hospitals or rehabilitation centers in the past, however, I've had to remind myself to get more sleep and take other steps to avoid getting burned out or ill. I remember one incident where my eye twitched constantly for three days thanks to stress!

We also feel most emotions strongly. When my mom was mistreated one time by a rehabilitation center employee six years ago, it took every ounce of strength I had not to drop everything and drive up to South Bend in a fit of rage.

Thankfully, the trait is a blessing most of the time. HSPs can easily sense other's emotions and instinctively know how to assist or encourage them. This has helped me understand my mother better to strengthen our relationship.

For example, when I'm out and about with Mom, I'm overjoyed seeing her discover the sights in Central Indiana. Last week we explored Carmel and its Arts and Design District and she was tickled to see the art, landscaping, flowers, trails, etc. I felt like I was seeing the city through her eyes.

I also sensed when she'd had enough and wanted to go home! I dropped her off at her apartment and found out later that she told absolutely everyone she came across about her adventures in Carmel (which I helped her remember by associating the name with her favorite candy, Werther's.)

I've finally realized that being an HSP is a gift overall, one that I'm grateful for. Whether you're an HSP or just wanting to learn more about someone in your life with the trait, I highly recommend checking out Dr. Elaine Aron's The Highly Sensitive Person website at hsperson.com or The Highly Sensitive Refuge at highlysensitiverefuge.com.

DURBIN

from Page 1

Boyer asked Reuter what would happen to the current Durbin building once the new elementary school opens. Reuter responded that is yet to be determined. "There has been some conversation of moving some of our other programs within the district to that (current Durbin) site, but it's yet to be determined what we do with the existing (Durbin) site," Reuter said.

Reuter reiterated that expanding the Durbin building is not possible with the lack of utilities available and the high cost of extending utility lines, but the building could be used for other programs without expanding the structure.

PREVAIL

Victims of Crime and Abuse

I was born and raised right here in Noblesville. I grew up in a home without domestic violence or assault – it wasn't something I saw, or even heard about. But when I was introduced to Prevail of Central Indiana, I was shocked by the number of individuals who are affected by domestic violence. In 2018 alone, Prevail helped more than 4,000 clients in Hamilton County. (Nearly 80 percent of clients are women and children.) Prevail is strictly confidential, and since their core values include integrity and respect, they provide their services at no charge. Domestic violence and abuse are hard topics to discuss, so you don't often hear about them. But at Tom Wood Volkswagen in Noblesville, we're breaking the taboo and raising awareness for Prevail, an organization that helps families in Hamilton County. – Mike Bragg, GM of Tom Wood Volkswagen in Noblesville

To help Hamilton County families affected by domestic violence and sexual abuse, you can donate the following items:

- Art supplies (for children to journal and express their emotions)
- Bottled water (8 oz. bottles, preferably)
- Individually packaged snacks
- Gas cards (many women have no access to funds after fleeing their abuser)

You can drop off items at Tom Wood Volkswagen in Noblesville, located at 14701 Tom Wood Way. You can also donate directly to Prevail of Central Indiana by visiting Prevailinc.org.

HSE explores “flipping” school day start times

By **LARRY LANNAN**
[LarryInFishers.com](#)

There is a great deal of research available that shows secondary school students greatly benefit with later school day starting times, allowing for more sleep before the beginning of the school day. As a result, the Hamilton Southeastern (HSE) school district is in the early stages of exploring what is described as “flipping” school day start times, with younger students starting the day earlier and secondary students starting school later in the morning.

Administrators are also

looking into shortening the student day in HSE Schools. Assistant Superintendent Jan Combs says HSE students have the longest student day in Hamilton County and one of the longest in the entire state.

“At the elementary, we are currently 75 minutes over what the state requires,” Combs told the school board Wednesday night. “We are looking at maybe a model that would cut 15 minutes. At the secondary, we are 50 minutes over what the state requires. We’re looking at a model that might cut 20 minutes.”

No school officials were

able to clearly explain how HSE Schools ended up with so many class minutes over state requirements.

Superintendent Allen Bourff intends to conduct community meetings to gather public input on the “flipping” of school day start times and reducing the number of minutes in class each day. Dr. Combs said the goal is to have a decision by early in the second semester of the current school year, with implementation of any changes to begin in the fall of 2020.

“We’re in the very, very early stages of these conversations,” said Combs.

Drive safely, plan ahead for Labor Day weekend travel

The REPORTER

The Indiana Department of Transportation announces a road work moratorium for the Labor Day weekend beginning Friday afternoon, Aug. 30, through the morning hours of Tuesday, Sept. 2.

As Labor Day holiday weekend is typically one of the busiest times for travel on Indiana's highways, road restrictions will be removed to ease traffic flow for holiday drivers whenever possible.

Some closures and restrictions will remain on larger projects that cannot safely reopen to traffic. Here's where you will see restrictions remaining over the holiday weekend:

Northern Indiana

- Interstate 69 in Grant County between miles 262 and 269 is restricted to one northbound lane.
- I-69 in Allen County between miles 308 and 310 has the right lane closed, leaving two lanes in each direction.
- I-69 in Steuben County

between miles 333 and 335 is reduced to one lane in each direction over Pigeon Creek.

- I-69 in Steuben County at exit 350 is reduced to one northbound lane.
- The ramp connecting southbound Kennedy Avenue to eastbound I-94 in Lake County is closed.
- The ramp connecting westbound I-94 to northbound I-65 in Lake County is closed.
- The ramp connecting U.S. 12/20 to southbound I-65 in Lake County is closed.
- I-65 in Lake County between U.S. 30 and U.S. 231 is reduced to two lanes in each direction with the left lane closed.

Central Indiana

- I-74 in Montgomery County is restricted to one lane in each direction between miles 32 and 39 in the westbound lanes.

Southern Indiana

- I-65 in Jackson and Bartholomew counties has lane

restrictions in both directions between Seymour and Columbus.

- State Road 37 in Martinsville (Morgan County) is reduced to one lane in each direction.
- I-74 in Ripley/Dearborn counties is restricted in both directions between S.R. 101 and the Ohio state line.
- S.R. 45/46 at the I-69 interchange in Bloomington has a traffic switch with cross-over.
- S.R. 256 in Scott County is closed between S.R. 203 and Austin.
- S.R. 7 in Jennings County is closed between the Jennings/Jefferson county line and Vernon.
- S.R. 62/Lloyd Expressway will have two lanes open in each direction in Evansville.

Drive Safely

INDOT reminds Hoosiers to travel safely and plan for more driving time during the busy weekend.

- Pay attention: Don't text or talk on the phone and

avoid taking your hands off the wheel. Driver inattention is a leading cause of all highway crashes.

- Slow down: Be aware of the speed limits and abide by them – no one wants to ruin a great holiday weekend with a speeding ticket.

- Leave early and plan ahead: Expect delays and allow extra travel time on one of the busiest holidays of the year.

Drive Sober or Get Pulled Over

Through Labor Day, Sept. 2, the Indiana State Police and hundreds of local law-enforcement agencies across Indiana will be arresting impaired drivers by aggressively targeting those who put lives in danger. Expect to see increased sobriety checkpoints, roving patrols and saturation patrols. Overtime police patrols are supported with federal highway safety funds as part of the national Drive Sober or Get Pulled Over enforcement blitz. [Click here](#) for more information.

TODAY'S BIBLE READING

The Jews then murmured at him, because he said, I am the bread which came down from heaven. And they said, Is not this Jesus, the son of Joseph, whose father and mother we know? how is it then that he saith, I came down from heaven? Jesus therefore answered and said unto them, Murmur not among yourselves. No man can come to me, except the Father which hath sent me draw him: and I will raise him up at the last day. It is written in the prophets, And they shall be all taught of God. Every man therefore that hath heard, and hath learned of the Father, cometh unto me. Not that any man hath seen the Father, save he which is of God, he hath seen the Father. Verily, verily, I say unto you, He that believeth on me hath everlasting life. I am that bread of life. Your fathers did eat manna in the wilderness, and are dead. This is the bread which cometh down from heaven, that a man may eat thereof, and not die. I am the living bread which came down from heaven: if any man eat of this bread, he shall live for ever: and the bread that I will give is my flesh, which I will give for the life of the world. The Jews therefore strove among themselves, saying, How can this man give us his flesh to eat? Then Jesus said unto them, Verily, verily, I say unto you, Except ye eat the flesh of the Son of man, and drink his blood, ye have no life in you. Whoso eateth my flesh, and drinketh my blood, hath eternal life; and I will raise him up at the last day. For my flesh is meat indeed, and my blood is drink indeed. He that eateth my flesh, and drinketh my blood, dwelleth in me, and I in him. As the living Father hath sent me, and I live by the Father: so he that eateth me, even he shall live by me. This is that bread which came down from heaven: not as your fathers did eat manna, and are dead: he that eateth of this bread shall live for ever. These things said he in the synagogue, as he taught in Capernaum.

Defense secures first shut out of the season

Tigers score close win over Golden Eagles

By RICH TORRES

FISHERS – One was enough for the Fishers boys soccer team on Thursday night, but regardless of goals scored by the Class 3A No. 19 Tigers, the defense proved it never rests.

A slick assist in transition from Rodrigo Dominguez to Reese May during the 23rd minute put Fishers up 1-0 against visiting 2A No. 3 Guerin Catholic, but it was the defense spearheaded by senior captain Jacob Lawrence that secured the team’s first shutout of the season.

The Tigers offense racked up 17 shots and 10 shots on goal, while goalkeeper Brendan Weiger posted one save against just two shots on goal to get Fishers back in the win column.

“This is a great win. Guerin is a really, strong program, a proud program. Obviously, they are one of the contenders in 2A, for sure. They have a nice team,” Fishers head coach Phil Schmidt said. “This was a really good win, especially to get a shutout. Those 1-0 wins are well-earned wins. When you can find a way to keep your net clean and just find that one play to win it, that’s a building block we can build on and get better and better from.”

The Tigers (2-1-0) were their best in the midfield, especially in the first half, as the Golden Eagles (2-2-0) were limited to only two shots and held without a single shot on goal. The defense swarmed relentlessly, slide tackling away several Guerin Catholic opportunities before and after Reese lined in the eventual decisive goal – his first of the season.

“You need to press them and let them know you’re not here to mess around. You’re here to score and not lose,” May said. “Our main focus was to press and make sure they had nothing in the mid-field. I think, Zach Castro did beautifully back there with slide tackling and made sure nothing got past him. That really controlled the game for us.”

Fishers’ speed up top pushed the tempo with a near-goal attack in the first two minutes of the game, and they orchestrated another potential goal that ricocheted

off the left upright on a laser shot from Angel Roque Granados in the 31st minute.

The Tigers had another shot at an insurance goal in the 37th minute, but Castro’s shot attempt sailed slightly left with steady wind gusts at Fishers’ backs.

“When we possess and build it allows our players to be the best that they can be. Keeping the ball on the ground allows our speed to come out, and I really liked the way we were playing,” Schmidt said. “We had a couple of lulls where we got out of our possession, but when we maintained that possession, I thought we were really good tonight.”

The Golden Eagles deployed a more physical attack in the second half and it awoke their offense with five shots, but it also resulted in a pair of yellow cards.

The Tigers were whistled for one yellow in the final 40 minutes as both teams ramped up their aggressiveness.

“We only asked the guys to do one more thing in the second half, and that’s what we wanted more of in the first, and that was to pressure ball and put more intensity into the effort,” Guerin Catholic head coach Chris McGrath said. “They did that in the second half, and that produced a couple more opportunities for us.”

Despite minor injuries sustained to a handful of starters off hard fouls and slide tackles, the Tigers’ depth maintained the program’s pace of play with ease.

Guerin Catholic put together a late flurry in the game’s final 1:30, but the defense and Weiger held their ground.

“Our defense really starts with Jacob Lawrence, our captain back there. He’s the one organizing everything, making sure nothing goes wrong and everyone is in their place. That’s really important. As soon as you get out of place that’s when it gets very dangerous,” May said. “We had the momentum from the first half, but it did get a little bit chippy. We just had to push through it. As people started to get injured, we had people step up and they came off the bench and kept the intensity. That was beautiful.”

The win halted Fishers’ losing streak at one game after Harrison shut out the

Tigers 2-0 last weekend. Fishers opened the season with a 2-1 win over Hoosier Crossroads Conference foe Westfield on Aug. 22.

The loss was Guerin Catholic’s first against an in-state team. The Golden Eagles blanked 2A No. 6 Cardinal Ritter 3-0 on Aug. 20 and shutout Class A No. 2 Heritage Christian 4-0 on Tuesday. Their lone loss prior to Thursday was against St. Xavier (Ohio) 4-2 on Saturday at home.

“We’re a young team. We’re still trying to find our group. We have a couple of injuries we’re working on, so all in all, we’ll take the way that we finished. Fishers is a good team. They always give us a good game, so we’ll learn our lessons and focus forward,” McGrath said. “Our goal is to set a bar for ourselves and to consistently meet that bar regardless of our competition. Tonight, in the first half, we kind of missed that mark a little bit.”

The Golden Eagles host Harrison this coming Thursday, while the Tigers (1-1 HCC) face another ranked opponent on the road Saturday.

“That one goal tonight really put us in the game and made us fight even harder,” May said. “We just came off, unfortunately, a defeat, so this is going to give us momentum to face the No. 1 team in the state in Zionsville on Saturday.”

Boys soccer roundup: Millers cruise on the road

Noblesville picked up a convincing road win at Class 2A No. 9 Brebeuf Jesuit on Thursday, by the score of 4-0.

The 3A No. 10 Millers scored right away: Four minutes into the first half, Jack Miller took a Harrison Christman pass and buried it into the net from 25 yards. At the 19-minute mark, Drew Barnes sent a cross in from the left flank, with Christman sent into the goal on a header.

That gave Noblesville a 2-0 halftime

lead, and it scored two more goals in the second half. Palmer Ault took a pass by Christman and put it in for a goal. Christman was also involved in the Millers’ fourth goal, as he sent a through ball to Spencer Holland, who kicked it into the net.

Adam Carter got the shutout for Noblesville, which is now 2-0-1 for the season. The Millers play 3A No. 19 Fishers on Tuesday.

Hamilton Southeastern took care of Shelbyville 2-0 in a Thursday game.

The 3A No. 4 Royals scored both goals in the second half. Isa Sayeed got the first goal on a pass from am Kay; then Sayeed assisted on a goal by Neel Wetzel.

Southeastern is 3-1 and plays Saturday at Franklin Central.

University, the No. 1 team in 1A, cruised past 1A No. 12 Seton Catholic 8-0 in a Pioneer Conference game Thursday.

Ben Ewer and Quentin Berry both scored two goals for the Trailblazers, with four other players getting one goal in what coach Wes Priest called “a comprehensive victory over Seton Catholic.”

The victory was University’s first in conference play this season, making it 1-0-1. The ‘Blazers are 2-0-3 overall and host Muncie Burris on Saturday for another PAAC game.

Carmel, ranked No. 12 in 3A, fell to Center Grove 2-0 in a Thursday Metropolitan Conference game.

“Tonight looked like a replica of Tuesday night's game,” said Greyhounds coach Shane Schmidt. “Our effort was great, we possessed the ball for an enormous amount of time during the game, we just continue to have a breakdown once we get into the box. We will work on patterns, balls over the top, and finishing.”

Carmel is 0-3-1 and will host 2A No. 9 Brebeuf Jesuit on Tuesday.

Hamilton Heights lost to New Castle 2-1 on Thursday.

The Trojans scored three minutes into the game, but the Huskies came back to tie the game with 19 minutes left in the first half “after some dominating play and possession,” said Heights coach Derrick Dean. Luke Vanderwall scored the Huskies’ goal, with Donovan Trew making the assist.

But New Castle took the lead right back a minute later when it converted a corner kick. That would be the last score of the game. Heights had eight shots, with the Trojans taking nine. Huskies goalkeeper Marcus Shaffer recorded six saves.

“It was a very close physical match as both teams played with great intensity and desire,” said Dean. He named Caleb Stuart the player of the game, saying he “played extremely well and cut down many of the Trojan attacks.”

Heights is 0-3-1 and hosts Anderson on Tuesday.
