Hamilton County Tourism wins national marketing award

The REPORTER

Hamilton County Tourism won one of the country’s most prestigious destination awards at the Educational Seminar for Tourism Organizations (ESTO) conference recently held in Austin, Texas.

The 2018 “Closer Than You Think” marketing campaign, which highlights experiences ranging from art performances, wine tasting and outdoor adventures in Hamilton County to the target market of Chicago, received the Destiny Award presented by the U.S. Travel Association. The Destiny Award was given to 23 U.S. destinations for excellence in marketing on the local and state level in a variety of categories.

“I am proud of our team at Hamilton County Tourism and our strategic partners that have worked together to create an inspiring campaign that targeted Chicago with a key message as an ideal place for a getaway,” said Ashley Ledford, Hamilton County Tourism’s director of marketing and promotions, who attended the ESTO conference.

The seven-person marketing team at HCT works closely with Three Sixty Group, an advertising agency in Indianapolis. The “Closer Thank You Think” campaign used TV, radio and print marketing to express how close – just three hours – Chicago is to Hamilton County.

The layered campaign generated \$372 of visitor spending for every \$1 spent on advertising – the best outcome thus far of

any marketing campaign created by HCT. Locally, it generated \$62 million in visitor spending in the county, according to market research conducted by SMARInsights.

“The HCT marketing team has taken integrated marketing to a whole new level,” said Brenda Myers, CEO/president of Hamilton County Tourism. “The team’s data-driven approach is soundly based on research, ongoing metrics and well-tested creative and success is demonstrated in the results.”

Carmel’s Monon Boulevard project receives state award

The REPORTER

Accelerate Indiana Municipalities (Aim) has honored the City of Carmel with a 2019 Community Placemaking Award for its Monon Boulevard project. The city received the award last Wednesday at the Aim Annual Awards Luncheon, presented by Baker Tilly, at this year’s Aim Ideas Summit in French Lick, Ind. Carmel won in the more than 50,000 population category.

Carmel’s Monon Boulevard project is designed to activate the city’s Midtown area through a Complete Street initiative. Midtown has served as an important connection between the city’s Arts and Design District and Carmel City Center, but not a destination in and of itself. The \$23 million project aims to breathe new life into the corridor through a multi-modal transportation feature. The project includes pedestrian, bike and recreational uses and community gathering spaces, along with a one-way lane for vehicles and extended sidewalk space to promote patios and green spaces in Midtown businesses.

Already, the project has acted as a draw for economic development, including new housing, businesses and restaurants.

In its 43rd year, the Aim Annual Awards program, presented by Baker Tilly, recognizes communities and individuals in municipal government for excellence and outstanding achievement. A nine-member panel of qualified judges selected this year’s winners from a competitive field of nominees from around the state.

Noblesville Mayor Ditslear receives Aim’s Distinguished Service Award

The REPORTER

Noblesville Mayor John Ditslear received the 2019 Russell G. Lloyd Distinguished Service Award from Accelerate Indiana Municipalities (Aim) last Wednesday during the Presidents’ Reception at the 2019 Aim Ideas Summit.

“I am extremely humbled to be honored by my peers. It’s taken the hard work of our employees, council members and other community leaders to make Noblesville what it is today. And we can all be proud of that,” said Ditslear.

While his time in office is coming to an end, Ditslear has brought about several quality of life initiatives, including a major expansion of trails and four new city parks. He also oversaw the improvement and expansion of roadways.

Under Ditslear’s leadership, the city has focused on strengthening and renovating the historic downtown through façade grants, road and sidewalk improvements and constructing the Riverwalk trail. The city also recently broke ground on the Levinson, downtown’s first apartments in over 100 years.

HSE looks for new Durbin Elementary site

By **LARRY LANNAN**
LarryInFishers.com

It appears Durbin Elementary School will not remain at its current location, but will be constructed at another site yet to be determined. However, Hamilton Southeastern (HSE) school officials say that there is a possibility that the current Durbin building could be used for other school district programs.

The HSE school board heard from Chief Financial Officer Mike Reuter last

Wednesday on the situation, and he said there are talks going on to either purchase a 20-acre site for the new Durbin Elementary, or find a location already in place near a new or current development in the area. No specific new locations were mentioned.

The goal is to break ground on a new and larger Durbin during the fall of 2020 and have the school open for students in 2022.

Reuter said maintenance will continue at the current Durbin building, but no improvements will be made, since a new building is now in the works.

One reason Durbin will

not likely be expanded at the current location relates to the cost of running water and sewer utilities to that site, which Reuter said would cost at least \$5 million.

Board member Brad Boyer asked Reuter what would happen to the current Durbin building once the new elementary school opens. Reuter responded that is yet to be determined.

Reuter reiterated that expanding the Durbin building is not possible with the lack of utilities available and the high cost of extending utility lines, but the building could be used for other programs without expanding the structure.

The Hamilton South-eastern (HSE) school district is in the early stages of exploring what is described as “flipping” school day start times, with younger students starting the day earlier and secondary students starting school later in the morning. Superintendent Allen Bourff intends to conduct community meetings to gather public input on the “flipping” of school day start times and reducing the number of minutes in class each day. Assistant Superintendent Jan Combs said the goal is to have a decision by early in the second semester of the current school year, with implementation of any changes to begin in the fall of 2020.

Commissioners set to vote on stronger local animal protection law

The REPORTER
The Hamilton County Commissioners, in collaboration with the Humane Society for Hamilton County, are working to update the county's animal ordinances, which were last revised in 2006. They are inviting the public to review the proposed revisions and FAQs and to offer feedback at the next meeting on Sept. 9. The proposal includes new temperature guidelines to protect animals from extreme weather conditions. It also more clearly defines “adequate” food, water, shelter, space, ventilation and veterinary care as it pertains to domesticated pets. New definitions and penalties have also been added for backyard breeders and puppy mills. The proposed changes also further define and strengthen the penalties for animal abuse and neglect. County Commissioners will vote on the proposed changes at their next meeting at 1 p.m. on Monday, Sept. 9 in the Commissioner's Chambers at the Hamilton County Government and Judicial Center, 1 Hamilton County Square, Noblesville. If approved, the updated ordinance will go into effect Nov. 15. The proposed ordinance, along with an FAQ section, can be found at hamiltoncounty.in.gov. Main St. Karlee Macer, State Representative from Indianapolis, will speak to party faithful. She is expected to announce her plans to run for governor in the near future. She is married and a mother of two. A 5:30 wine and cheese reception will precede the dinner program. Dinner will be served at 6:30. Tickets for the reception and dinner are \$75; for dinner only, the cost is \$50. Democrats have been considering a name for their annual dinner for the past two years. Since both former presidents Jefferson and Jackson were slave owners, the party has decided it is politically incorrect to use their names.

YMI Breakfast draws large crowd in Fishers, national honor for Fadness

By LARRY LANNAN
[LarryInFishers.com](#)

It was a cool August Thursday morning for the Mayor's Breakfast, held on the grounds of the historic Ambassador House, benefiting the Youth Mentoring Initiative (YMI), an organization matching local volunteers with HSE school district students in need of mentors.

The crowd was large and enthusiasm for YMI was high for the annual fundraising effort.

Indiana State Health Commissioner Kristina Box was on hand, speaking of the challenges many young people face throughout our state. She also presented Fishers Mayor Scott Fadness with a certificate from a national organization, recognizing his work promoting mentoring programs.

Fadness praised the work of the local schools in the mental health area, and how that has been a part of the city's efforts to improve mental health, using programs aimed at preventing problems. He described YMI as a key preventative program.

YMI Board President (and Fishers Fire Chief) Steve Orusa made the pitch for donations to YMI. You can donate now at [ymionline.org/donate-to-ymi](#).

YMI is always in need of adult mentors. Executive Director Alison Gatz says there is a particular need for male mentors, with several male students waiting in line for a mentor. If you would like to volunteer as a mentor, visit [bit.ly/2LcSsZz](#).

Alas, fast food is here to stay, but so are healthier options

"I saw few die of hunger; of eating, a hundred thousand." – Benjamin Franklin

In reference to Mr. Franklin's quote above – he obviously was very astute (on many levels!) though I am not certain he took his own advice as he was quite corpulent. Although I doubt Mr. Franklin partook of "fast food" it appears that poor eating habits are not new to the 21st century.

Eating can be such a pleasure; a good meal filled with nutrient-rich foods, prepared well and shared with others is a wonderful experience. That is a meal which will leave us satiated and our bodies fueled with the energy we need to "take on the day." How often do your meals fit that description? Always? Often? Sometimes or maybe never?

My first experience with a "drive thru" meal was about 1965 or so when my family tried out the new Clancy's on Tenth Street in Noblesville. (I was 15, so I guess you can, sigh, do the math!) My dad drove up the window (no speakers then) and placed our order and we received our meal in a bag and drove away – how cool was that! Thankfully, however, most of my family meals growing up were spent sitting at the dinner table with family enjoying simple fare prepared at home. Unfortunately, life has changed for most of us due to increased scheduling demands and the opportunities to eat poorly outweigh (really, no pun intended here) the opportunities to properly plan our meals.

My interest in nutrition and wellness has persevered over the years throughout a long management career and kept alive in part due to my 20+ years as a certified fitness instructor pursued alongside my professional career. (Now I feel tired just thinking about that!)

SHARON McMAHON
Be Well

As I am now in my "rewired" retirement, I am again teaching classes and responding to those who approach me to ask my opinion in nutrition matters by becoming certified through the American Fitness Professionals Association in nutrition and wellness consulting. I found the study and practicum to be essential to helping clients to assess their eating habits and to meet their weight management and nutritional goals.

Discussing strategies and plans to optimize better fitness and food relationships is very rewarding to me as I work with my clients. Continuing education through AFPA enables me to be on the forefront of presenting the best opportunities and information to those who seek my assistance.

Alas, "fast food" is here to stay, but so are the options to increase our personal eating plans to be more nutrient-rich and satisfying.

As we close up the summer season and look forward to fall, the local produce stands can be your best friend. When in doubt about the source of your produce, simply ask if the items are organic. In particular, I would advise that any items which are consumed with "skin on" should definitely be organic. There are specific guidelines in place by the USDA for organically grown produce. If there is the slightest bit of mold visible, pass it up even if it is on sale! Clean your produce carefully and be creative in your meal planning and snacking – Bon appétit!

When I'm 64

Released in 1967 by The Beatles on their album *Sgt. Pepper's Lonely Hearts Club Band*: "When I'm 64."

I was 12. I was in the sixth grade at North Elementary. Mr. Victor Harber was my teacher. Mr. Robert Morris was the principal. Mr. Loren Williams was the superintendent of schools.

Life was pretty simple. Roller skating on Saturday afternoon. The Diana Theater or ABC Drive-In on Saturday night. Nazarene Church on Sunday morning, Sunday night and Wednesday night for prayer meeting.

Most of my world was located from Field Drive to Conner Street and Forest Park to the homes of my northeast side friends. I was to come home when the street lights came on. If my parents needed to find me, they just looked for my bike at whatever friend's house I was playing.

We had a telephone party line PR32149.

64 sounded so old. Today? Not so old.

Why? Because on September 3, I turn 64.

I just do not feel like I thought 64 would feel. Well, maybe after yoga class or working a 12-hour day at the car lot, I get reminded that parts of me are a bit creaky and achy. I often have to drag my shadow home.

My get up and go ain't what it used to be. A 15-minute power nap is powerful. A 60-minute nap with a blanket is wonderful.

Eleven o'clock is my new night owl bedtime. Sleeping in is now 8:00 a.m. I may need my bran but coffee is my "go to" breakfast.

Emily asked me how much gray is in my hair. I

told her to ask my hairdresser, Debbie Alvey. After all, only your hairdresser knows for sure.

My hands look more like my mom's hands every day.

My grandkids love it when I dance with them. They just shake their heads and laugh. They warn me not to hurt myself.

I told them I still had my 33s, 45s and 78s. You know? Records. They just looked at me with blank stares.

I have my Mamas and Papas album where they are sitting in a bathtub. My favorite album is still that of Carole King's *Tapestry*. Now that was pure music to the ears.

I think of myself as middle-aged, but that means I would live to be 128. I now say that I am in the late fall of my seasons.

I hear the young guys at work talk about their grandparents and realize they are my age.

The question I am asked most is "When are you going to retire?" I tell them I am not old enough, although many of my friends have done just that.

64 ... too young for Medicare and too old to show cleavage. If I show my cleavage, I show my midriff.

I've had friends that have gotten a few things nipped and tucked and lifted and perked. My kitchen got a facelift.

I will never be this young again. I'm going to enjoy life. I keep rolling back the odometer of my husband.

64, slow down, time is moving too fast. Gotta make this feeling good last. Looking beyond the hard times that never last. Looking for fun and still feeling groovy!

Hot autumn, late frost would help farm crops

The extremely wet spring weather will keep Hamilton County corn and soybean crops far from setting record yields. But, crops are also far from a disaster this year. That's the reaction I get from a few folks in the business.

Early in the season it appeared that very little corn would be planted. Some farmers planted soybeans instead because they can be planted later and still have time to mature after a wet spring. But quite a bit of corn was planted before and after the worst of the spring rains. And, in many cases, the corn looks good except for sections of fields that repeatedly flooded.

Farmers seem to think that if we experience some hot weather in September and a reasonably late frost, crops that were planted late will still have time to mature. Corn and beans are by far the county's largest farm crops.

The Hamilton County Purdue Extension office declined to comment on anything they have heard about how local crops are doing. Apparently, Purdue has told their extension agents to not speculate on crop production. The office also claims to not have information on how many acres are still being planted in the county.

The County Line

It is obvious that more and more land is being taken out of production for housing and business development. But, north of 196th Street farming is still the major industry, and a big part of the county's overall economy.

The U.S. Department of Agriculture figures show a little over 100,000 acres in the county are devoted to farming, most of it in cropland. Hamilton County's total land area amounts to 256,640 acres.

Friday night football - Week 2

Carmel beats Noblesville in all-county game

Back home again in Carmel Stadium, the Greyhounds picked up their first win of the season last Friday.

Carmel beat Noblesville 37-0 in an all-county game. The ‘Hounds kept their feet on the ground for the majority of the contest, totaling 392 yards and four rushing touchdowns.

“I think we were eager tonight to prove something,” said Carmel coach John Hebert. “It still took

us a little while. Just because we want to get it done doesn't mean it's going to happen.”

The Greyhounds got on the board first with a safety, then two minutes later got the first of their five touchdowns. Dylan Downing rushed 45 yards into the end zone.

Carmel then added two more TDs in both the second and third quarters. Gabe Quigley sent a 37-yard touchdown pass to

Zach Gish early in the second period, then Christian Williams made a one-yard run with 35 seconds left in the half.

Downing made his second long touchdown run early in the third, this one from 50 yards. John Rogers competed the scoring with a two-yard rush later in the period. Spencer Hanna kicked all five extra points.

Downing totaled 216 yards in 17 carries, with Rogers adding 98 yards.

“We're trying to build our team,” said Hebert. “It's going to take a full season for us to get to that point, I believe. But I believe we have the capability of being one of those teams that has a chance to play deep into the playoffs. That's our goal, that's our hope. We're going to keep working toward that.”

Noblesville was held to 34 yards rushing by the Carmel defense. Alex Zavac totaled 45 yards passing with three completions, two going to Zach Blevins. The Millers fell to 0-2, although

both losses have been to highly-ranked teams.

“Anybody who's a competitor like myself is disappointed,” said Noblesville coach Justin Roden. He admitted that his team is struggling with injuries at the moment, but refused to use that as an excuse, especially with Hoosier Crossroads Conference play starting this week.

“There were plays tonight where I thought we were being tough, there were plays where we didn't play as hard as we could have,” said Roden. “But I will say this: I do think that our kids really competed. I don't think there's a question tonight of our kids taking plays off or giving up, and there were plays last week when I wasn't pleased

with our effort. I'm happy with the effort, happy that we played a lot of young guys who probably aren't ready for this kind of football, which is a positive.”

Both teams begin play in their respective conferences on Friday. Carmel hosts Center Grove to open Metropolitan Conference play, while the Millers host Fishers.

'Hawks run away from CC in second half

Sheridan made a second-half comeback and scored the first win of the season last Friday, pulling away from old rival Clinton Central 49-29 in a Hoosier Heartland Conference game at Bud Wright Stadium.

The Blackhawks trailed 21-7 in the second quarter, but began its comeback in the last minute of the half. Cameron Hovey scored on a two-yard run, then caught a two-point conversion pass from Silas DeVaney. That got Sheridan within 21-15 at halftime. DeVaney scored a first-quarter touchdown on a one-yard run early in the period.

The ‘Hawks opened up the second half with a quick scoring drive. Hovey took care of business with a four-yard TD run just 35 seconds into the half. Hovey added another four-yard scoring run minutes later to give his team a 29-21 lead.

“We received the second-half kickoff and go down and scored in about three or four plays,” said Sheridan coach Bud Wright. “We score again, and then they tied it.”

The score remained tied until there were six seconds left in the third quarter, when DeVaney picked up his second touchdown of the game, on another one-yard run. That put Sheridan up 35-29, and the Blackhawks controlled the fourth quarter, shutting out

the Bulldogs while adding two more touchdowns.

Evan Bourdon scored on a 13-yard run, with Hovey making a two-point run afterwards. Hovey scored his fourth touchdown with four seconds left to cement the game.

“The big difference was we started playing better defense,” said Wright. The coaches had a “heart-to-heart talk” with the players at halftime, made some adjustments, straightened things out, and came away with the win.

Hovey finished the game with 242 yards on 26 carries; he also kicked three extra points. Keenan Warren caught a 58-yard pass from DeVaney.

“I think this was the first time he has been over 200 yards,” said Wright of Hovey. “He had a heck of a good night on defense. He had big time numbers on tackles.”

Wright said another key element to Sheridan's win was the play of Charlie Cronin and Chris Starks on defense, saying “they shut the inside down completely.”

“That was a big thing,” said Wright. “We took Cronin from linebacker into a down position inside and that made a big difference for us.”

The Blackhawks are 1-1 and will play at Tri-Central on Friday.

Golden Eagles power past LCC

The first quarter of the Bishop Cup's game between Guerin Catholic and Lafayette Central Catholic was all about the defense.

After that, it became an offensive runaway for the Golden Eagles.

Guerin blasted to a 50-28 victory over the Knights last Friday at the Eagles Nest. The Golden Eagles used a spectacular rushing performance from Gus Baumgartner to claim the Bishop's Cup from Central Catholic and improve to 2-0 for the season.

Both teams struggled with a couple turnovers in the first period, which limited the scoring to a late touchdown from the Knights. That put LCC up 7-0 going into the second quarter.

But Guerin Catholic grabbed the momentum during an 11-second span early in the period.

Chargers handle Heights with balanced offense

By CRAIG ADKINS
ARCADIA – The Hamilton Heights Huskies dug a hole that made it extremely hard to try to dig themselves out of last Friday's game against North Montgomery, as they dropped their first home opener, 28-14.

The first two offensive possessions resulted in turning the ball over on downs in Charger territory. The second series came to a halt when sophomore quarterback Guy Griffey's pass to a wide open Camron Knott fell incomplete off his fingertips in the end zone.

"You can't drop two touch-down passes on two straight drives and expect a team, who does have some pretty big physicality, and expect them not to rally from it," said Hamilton Heights head coach Jon Kirschner on how his Huskies played to open Friday's first two series.

As a result of North's first takeover, it marched 64 yards in 12 plays and capped it off with nine-yard touchdown pass from Jaron Bradford to Keifer Carmean that gave the Chargers the first score of the night and an early 6-0 lead after the kick failed.

North's second possession was an 18-play drive that accounted for 72 yards, putting fullback Zak Searle into the end zone from two yards out. Bradford's two-point run made it 14-0.

"I was very pleased with our offense. I want to say we had the ball five times and we scored four. We had six and scored four," stated North Montgomery head coach Josh Thompson on his team's offensive performance on the road.

"That's what we need out of our team, is to control the football, move the ball. I'm very pleased with the bounce back we had after last week," continued Thompson,

praising his team's overall effort. The Huskies were finally able to sustain an offensive drive and put some points on the board toward the latter stages of the second quarter.

Sophomore tailback Nate Hulen walked into the end zone, untouched, from five yards away, cutting the Chargers' lead in half at 14-7.

North ate up some more clock and found a way to tack on another score before halftime.

On a third down and 10 at the Hamilton Heights 40, Bradford found senior tailback Zach Walden all alone on a post route for a 40-yard touchdown grab. Carmean caught Bradford's two-point pass, extending the lead now to 22-7.

Already up by two scores, the Chargers figured out how they could put this game completely in their hands and wear down the host Huskies. North Montgomery executed a drive of 15 plays that would grind 8:16 off of the third period clock. Carmean would catch his second touchdown on the night for an eight-yard score make it 28-7 with 3:41 left in the third.

"They executed their side of the ball on offense and did some good things on defense. We made too many mistakes. You just can't do it and it became a mental game," Kirschner said on his team's play that had them playing from behind all night.

The Huskies showed their best offensive series that put up their second score of the game. On the second play of a drive that began at their own 13, Griffey lofted a pass down the home sideline and right into the hands of Hulen. The speedy sophomore got past one defensive back, but couldn't outrun another, picking up 67 yards

on the long pass play. Griffey seems to be getting more comfortable with his receivers each game.

Heights had a second down and 29 at the Charger 38 and Griffey threaded a beautiful pass to Knott on an inside slant and the 6'2 senior wideout sprinted 38 yards for the TD. That cut the deficit in half at 28-14 with Michael Lecher's point after kick, but North Montgomery would milk the clock the rest of the way to seal the win for the visitors.

"We had seven plays on offense in the second half. Offensively, you're not going to get anything going, so that was a tough one. This is one I thought we would get for sure," Kirschner said on Hamilton Heights' lack of offensive plays in the second half.

North Montgomery (1-1) starts Sagamore Conference play next week when it hosts Southmont (1-1), who lost to North Putnam on Friday, 28-26.

The Chargers were led on the ground by Walden's 21 carries for 80 yards. Jaron Bradford's 14-of-21 passing night led to 172 yards and three touchdowns, two of those to Carmean.

Hamilton Heights (0-2) will get its Hoosier Conference slate started when it hits the road to face 3A second-ranked West Lafayette (2-0). The Red Devils had no problem with McCutcheon on Friday, 46-16.

The Huskies' lone offensive spotlight belonged to a pair of receivers. Knott caught four passes for 78 yards and a score and Hulen tallied two receptions for 75 yards while also carrying the ball twice for 11 yards and a TD. Griffey is coming into his own as a young QB, as he threw for 181 yards and a touchdown on 9-for-18 passing.

Sheridan Horseshoe League nearing end of season

As the season is coming to an end, all of the Sheridan Horseshoe League teams have been making strong final pushes to be the top team.

found his rhythm again as he had a handicapped series of 377. Carry on Main, is having help from teammates Tamela McKinney and Doug McKinney as they are starting their pitches as well. It will be a fight to the end and everyone is waiting to see what this week holds.

another touchdown, this time a 24-yard pass play from Christian Gelov to Bernie McGuinness.

"We certainly want to take advantage of some of the big turnovers we got in the first quarter and we did not do that," said GC coach Tom Dilley. "But I think on one hand, you certainly want

to do better in that situation. But our kids didn't dwell on it and get down either, and that's another positive. They just kept playing. They came back and made some plays."

Central Catholic answered with a long touchdown run, getting back to within 15-14. The

Golden Eagles had to wait a few minutes for their next score, but got it when Baumgartner made a seven-yard run with 2:16 to go. The Knights scored 35 seconds later, keeping within 22-21, but Guerin Catholic finished the half with another score by Baumgartner, and led 29-21 at the break.

Baumgartner rolled to two more touchdowns in the third period, from three and eight yards out respectively. He finished the game with five scores and 229 yards rushing.

The Golden Eagles picked up one more TD in the fourth quarter, on a 25-yard reception from

Gelov to McGuinness. Gelov had an efficient night, completing 8 of 12 passes for 125 yards. McGuinness caught five receptions and totaled 116 yards. Luke Etchison made all six extra-point attempts.

Tigers take care of Pike, 26-13

Fishers made it a Metropolitan sweep on Friday, as the Tigers won 26-13 at Pike.
The Tigers jumped out to a 13-0 lead by the end of the first quarter. Marcus Roux completed two short touchdown passes, the first one a seven-yard throw to Reggie Cook-Graham midway through the period. Later on, Roux lobbed a two-yard TD pass to Jeffrey Simmons.
Roux struck again in the second quarter, with a third touchdown pass. This one was from 17 yards out to Caleb Gates. Meanwhile, the Fishers defense limited the Red Devils to two field goals in the quarter, and the Tigers went into the locker room at halftime with a 20-6 lead.
Fishers' Jack Phillips got the only points of the third

quarter on a 32-yard field goal. Pike began the fourth period with a 6-yard rushing touchdown to cut the Tigers' lead to 23-13, but the Tigers would get no closer. Phillips nailed another 32-yard field goal with 3:45 left for the final points of the game, he also made two extra-point kicks.
Roux had an outstanding game, completing 18 of 26 passes for 215 yards and the three touchdowns. Reece Boland led the receptions count with five. Fishers' defense pushed the Pike ground game into negative territory, as the Red Devils finished the game with minus 9 yards rushing.
The Tigers are 2-0 and open Hoosier Crossroads Conference play Friday at Noblesville.

The Royals then led 6-0 for most of the half until the Panthers got their own pick six with 3:58 left in the second quarter.
The Royals got the lead back right before halftime, as Nijawon Wilson took the ball in from two yards out with 45 seconds left in the half. The subsequent extra point kick

put Southeastern up 13-7 at halftime.
Alex Geroulis made a 40-yard field goal with 6:53 remaining in the fourth period to put the Royals up 16-7. But North Central came back with a touchdown, then won on a field goal as time expired.

Coomer remembers playing for the Millers

By RICHIE HALL
When Terry Coomer entered Noblesville High School back in 1969, the Millers baseball team had never won a sectional championship.
By the time Coomer graduated, Noblesville had won four sectional titles and Coomer was on his way into the Major League Baseball draft. The Millers were on the baseball map, thanks to Coomer and his teammates.
Coomer will be honored for his achievements this winter as one of the 2020 inductees to the Noblesville High School Athletic Hall of Fame. Coomer shared his achievements with the Reporter and spoke about many of the memorable games and experiences he had playing for the Millers.
Just by stepping on to the field for Noblesville as a freshman, Coomer made history. He was the first baseball in NHS history to play varsity as a ninth-grader. Coomer proved right away that he belonged, as he hit .400 for the season. During the sectional, he tied a record by getting three hits in one game.
“Dunker took a lot of heat for that,” said Coomer. “But after I got three hits, everybody shut up.”
An accomplishment like that would be enough to get noticed in the high school baseball world. But that attention was amplified when Don Dunker, Noblesville's baseball coach at that time, invited Coomer to attend a Kansas City Royals tryout camp at NHS while he was still a 15-year-old freshman.
“Most of these guys in this camp were 18, 19, 20 years old,” said

Terry Coomer provided many memorable moments for the Noblesville baseball team, including this one when he pitched a perfect game in the sectional championship over Tipton. Coomer played varsity all four years for the Millers, helping them win the sectional each year, and was drafted by the San Francisco Giants after high school.

Coomer. He was understandably scared at the notion of pitching against such experienced players, but he got through the fear – and struck out six straight hitters, three of whom were college All-Americans. “How old did you say he was?” yelled a player from the outfield.
“A couple of those guys I struck out were 22 years old,” said Coomer. “So that was what started it.”
Coomer was named the outstanding player of the camp. Don Jellison, then the sports editor of the Nobles-

ville Ledger, wrote about Coomer's accomplishments at the camp. Jellison was already well aware of Coomer's talents, as he picked him to be on his 13-15 year old American Legion team. Jellison and Dunker became mentors and good friends to Coomer.
“I was really surprised,” said Coomer. “I got a letter from the Ledger, saying you've been picked for this team. I didn't have really any interaction with him prior to that letter.”
