Heights' Peil wins NHCCC logo design contest

The REPORTER

Jackie Peil, a 2019 graduate of Hamilton Heights High School, had the winning entry for the Northern Hamilton County Chamber of Commerce's (NHCCC) new logo design. NHCCC President Wade Wiley said Peil's design best captured the essence of who and what the Chamber represents.

Peil was taking a graphic design class the last semester of her senior year when her Business teacher and BPA faculty advisor, Julie Oelschlager, encouraged her to enter the contest and earn extra credit by doing so.

"I was intrigued," recalled Peil, when she first heard about the contest. "I thought it would be fun."

Peil submitted five different designs, inspired by the Chamber primarily serving the four larger communities in the northern part of the county.

"I thought I had a shot because the designs turned out pretty good," she added. Bonus: Peil earned \$250 for being selected for the top design.

"The Chamber has a close working relationship with both schools, Hamilton Heights and Sheridan, and we look for ways to provide support back to our schools," said Wiley, who was impressed overall with the designs submitted by students. "We were fortunate to have several great designs to consider but we felt Jackie's logo design best represented the Chamber and Northern Hamilton County. We wish Jackie the best in her endeavors at

IUPUI and we are grateful for her contributions to the community and the Chamber."

Peil, who graduated in May, is attending IUPUI to pursue a degree in Medical Imaging Technology. She may even consider doing a little graphic design freelance work on the side.

About the Northern Hamilton County Chamber of Commerce

The Chamber actively works to enhance the local business community. The Chamber offers members visibility, support, business development, community involvement, networking, education, economic development, advocacy and much more. The Chamber is open to all businesses, not-for-profits and individuals who have an economic interest in the northern Hamilton County communities. Late night fun back in Carmel tonight

The REPORTER

Don't miss second "Late Night on Main" street party from 9 p.m. to midnight tonight in the Carmel Arts & Design District. The city will shut down Main Street just east of the Monon Greenway to 1st Avenue NW/Veterans Way to make way for musical entertainment, dancing in the street and enjoying the eats and treats from local vendors who will be staying up late with us. Blair & the Fun Factor Band will take the stage at 9 p.m.

This means Main Street from 2nd Avenue NW to 1st Avenue NW/Veterans Way will be closed Saturday beginning around 2:30 p.m. so preparations can be made, including the placement of a stage for the band. Detour signs will be in place to direct traffic around the closure. Plan for extra time Saturday afternoon and evening if your route includes Main Street.

Mark your calendars for the final Late Night on Main event on Oct. 5.

Parking is available at city parking garages and other public parking spaces. [Click here](#) to see a parking map. Stay on top of any changes or added features by following the Carmel Arts & Design District on Facebook.

about the Carmel Arts & Design District

The Carmel Arts & Design District

The Carmel Arts & Design District is the Midwest's premier arts and design destination. Home to more than 200 businesses, including art galleries, restaurants, antique dealers, design showrooms, boutiques, and creative service providers, the Carmel Arts & Design District promises to stimulate the senses. The Indiana Design Center is housed in the Carmel Arts & Design District. In addition, hundreds have taken advantage of the wide variety of housing opportunities and call the Carmel Arts & Design District home.

Scenes from a yearbook: Reflecting on years gone by at Noblesville High

To help celebrate Noblesville Schools' 150th anniversary, I thought it would be fun to do a little reminiscing. As a 1974 graduate, I can only recall up to 57 years: 12 years of school plus 45

years since I graduated. I am sure many of the NHS alumni feel like I do ... where did the years go? As I prepare for our 45th reunion in October, I thought it would be fun to look back.

I have a collection of many of the NHS yearbooks, and it is always fun to look through them and find interesting tidbits from years past.

This weekend, I was trying to find the first Homecoming celebration. Even though I didn't find it, I will keep looking over the next couple weeks, but I still found some interesting things in the 1941 yearbook, or the *Shadow*, as it is officially named.

When you open it up you see the picture of the high school. No, not on Cumberland Road or 17th Street. This was where the Boys and Girls Club called home for many years and even before the addition to the Club. What first intrigued me, though, was on the fourth page; it was titled "The New Athletic Field." It had a rendering of what the area would look like and where the parking and bleachers would be. A small little press box sat on top. It showed the

football field and the quarter-mile track.

It would be located in North Noblesville, between Monument and 10th streets.

I think they might have meant between Monument and Har-

rison streets and 10th and 12th streets. My favorite part was the "North Noblesville." Kind of tells you the "North" part of Noblesville has expanded quite a bit, as has the East, West and South.

"It was thought that the field would be ready this year (1941), but delays have made the realization impossible. In two years' time the field will be the magnificent replica of the picture below."

"In the future, Miller gridiron victories will be staged here. Greater track records will be set on its cinder paths."

"A big attraction for those who like to go and root for their favorite team is the stadium-like seating arrangement. Permanent cement bleachers will be constructed with a greater seating capacity than that afforded in previous years."

"Dressing rooms and ticket booths are to be situated beneath the bleachers."

"This marvelous field and stadium should inspire the Millers to greater accomplishments."

For those of us who grew up in that area we know of this "magnificent" football field,

Prevail, Inc. thanks community support for outstanding success of Celebration of Hope

Submitted

Prevail, Inc. is pleased to announce that the 2019 Celebration of Hope, presented by Hare Chevrolet, was another successful opportunity to engage the community in providing hope and healing for friends and neighbors who need it. Because of all the supporters, this year's event raised over \$200,000 to support victims and prevent future violence in the community.

In addition to Presenting Sponsor Hare Chevrolet, the event was sponsored by Partner Sponsors: Bidle Memorial Foundation, WealthCare Financial Group, and Scooch; and Companion Sponsors: Protective Insurance and Gregor Private Wealth Group.

The evening began

with a cocktail hour reception supported by Sun King Brewery and Mr. G's Liquors. Dinner followed, where attendees had an opportunity to purchase a Golden Ticket that provided them with a chance at the Dream Vacation of their choice. During dinner, attendees enjoyed a program with a presentation from a courageous speaker who

credits Prevail with restoring hope to those who most need it.

The program was emceed by John Freed of Waterline Church and included a live auction with auctioneer Mark Volk. Dessert was an assortment of delicious cupcakes provided by Heavenly Sweets, and to top the night off, everyone enjoyed dancing with The

Bishops, sponsored by Gregor Private Wealth Group.

The Renaissance Hotel North is a lovely setting for this event, which would not happen without an extraordinary Event Planning Committee who works all year to make it possible.

Prevail thanks all of those sponsors who make this event possible, in addition to media sponsors The Current, The Hamilton County Reporter and Davant.

Join Prevail next year for the 2020 Celebration on Saturday, Aug. 22 at the Renaissance Hotel in Carmel. Sponsorship Opportunities are available now. Contact Natasha Robinson at (317) 773-6942 or natasha@prevailinc.org.

we ran around the track or rode our bikes, flew kites, and in later days played or watched baseball when the football field was converted to two Little League baseball diamonds.

Today the Millers play on a football field that was first dedicated as Dale V. Swanson and later became Hare Chevrolet Field and now Beaver Material.

Mr. Swanson was the football coach in 1941 before being called for military duty. He later served as the Superintendent for Noblesville Schools. It was stated that they had a very successful football season. "The

season was made possible by the cooperation of the boys with Coach Swanson's plan of attack. The boys seemed to have the willingness to win." The only two teams from that 1940 season that we still play in 2019 is Cathedral (we tied) and Westfield (we won 13-0).

Life goes in full circle, even on football fields. Today many have spoken of a new football field, much like the one described in 1941. Even though I like the current field the Millers play on there with the lighted cross at the north end of the field on the First United Methodist Church, I do agree there are some up-

grades that need made.

In 1940, the football field brought the community together for many activities; hopefully that will occur for many years to come.

Today, things are so different – folks have so many other things to choose to do, and that is okay. But for this legal, in the fall, Friday nights are for high school football in 1974 or 2019.

Please share your Noblesville school memories with The Reporter by emailing news@readthereporter.com. We would love to remember the good times of the 150 years of Noblesville Schools.

I was born and raised right here in Noblesville. I grew up in a home without domestic violence or assault – it wasn't something I saw, or even heard about. But when I was introduced to Prevail of Central Indiana, I was shocked by the number of individuals who are affected by domestic violence. In 2018 alone, Prevail helped more than 4,000 clients in Hamilton County. (Nearly 80 percent of clients are women and children.) Prevail is strictly confidential, and since their core values include integrity and respect, they provide their services at no charge. Domestic violence and abuse are hard topics to discuss, so you don't often hear about them. But at Tom Wood Volkswagen in Noblesville, we're breaking the taboo and raising awareness for Prevail, an organization that helps families in Hamilton County. – **Mike Bragg**, GM of Tom Wood Volkswagen in Noblesville

To help Hamilton County families affected by domestic violence and sexual abuse, you can donate the following items:

- Art supplies (for children to journal and express their emotions)
- Bottled water (8 oz. bottles, preferably)
- Individually packaged snacks
- Gas cards (many women have no access to funds after fleeing their abuser)

You can drop off items at Tom Wood Volkswagen in Noblesville, located at 14701 Tom Wood Way. You can also donate directly to Prevail of Central Indiana by visiting Prevailinc.org.

Letter to the Editor

Morris on being a good Republican and neighbor

Dear Editor:

The local "low tax" cabal that runs this county politically provides a never-ending source of hypocrisy and humor.

First, Ken Alexander openly supports "Independent" Kate Healey Snedeker in Westfield, in violation of GOP Rule 1-25.

I'm sure Laura Campbell will do nothing.

However, she hired the thankfully soon-to-be gone Susan Brooks' husband David to represent the local GOP for Brainard's bribes before the Election Board. Then David Brooks turns up reppin' "Independent" Kate at the Election Board regarding Mike Johns' concerns.

At least when the low-tax Republicans pass the Income Tax increase for "safety," Carmel can successfully steal more of the kitty from the other cities – based on what Fishers considers an "unfair" formula because of Carmel's high debt load – to create a supposedly government-engineered Fantasyland. That's the neighborly thing to do.

Someone should call 911.

Sincerely,

Eric Morris

Help raise awareness for Down syndrome today in Noblesville

The REPORTER

GiGi's Playhouse Indianapolis, a local Down syndrome achievement center, will host its fifth annual 3.21 Mile Run today at Forest Park in Noblesville. The event supports the continued growth of GiGi's Indianapolis location and the 400 participants who have Down syndrome and families that benefit from its free therapeutic, educational, wellness and career programs.

This year's fundraising goal is \$55,000, money that is vital to helping GiGi's achieve its mission.

"Down syndrome is not a disease and there is no cure," Executive Director Denise Jensen says. "It's not going away. It's the largest chromosomal disability in our

country and yet, it's the least funded. This run is critical in helping us expand our programs and help more children with Down syndrome no matter their skill level or their family's ability to pay."

The 3.21 Run kicks off with open registration at 2 p.m., along with live music, a kids' carnival and a Silly Safaris show. The Kids Dash for Down syndrome starts promptly at 4 p.m., immediately followed with the 3.21 Mile Run and a 1 Mile Inspirational Walk.

To register a team, learn more about the event, volunteer or become a sponsor, [click here](#). Registration is \$35. Kids 12 and under can register for \$15.

About GiGi's Playhouse
Serving children and

adults of all ages, GiGi's Playhouse Indianapolis provides educational and therapeutic programs at no charge to families in a format in which individuals with Down syndrome learn best. GiGi's will never let cost deter families from participation or impede the achievement of children and adults. In helping individuals with Down syndrome achieve their Best of All, GiGi's also advances the larger vision of global acceptance for people of all abilities. All programs aim to maximize self-confidence and empower individuals to achieve their greatest potential. GiGi's Playhouse Indianapolis is a 501(c)(3) tax-exempt charitable organization. IMCU card program contributes \$3K to Community Health Network Foundation

The REPORTER

Indiana Members Credit Union (IMCU) recently presented a check for \$3,040 to Community Health Network Foundation as part of an ongoing debit card give back program.

The partnership allows members to show their support of the independent nonprofit hospital system by signing up for and using a Community Health Network debit card. Every time the card is used as a signature-based transaction, Community Health Network Foundation benefits. The more cards that are in use, the larger the contribution.

Since beginning the program in 2017, Community Health Network Foundation has earned \$11,605 through this IMCU giveback program.

IMCU's Vice President of Business Development and Marketing Thorpe Miller presented the check to Bente Weitekamp, Vice President for Development for Community Health Network Foundation, on July 26.

Proceeds from the deb-

it card give back program will benefit the Community Health Network Foundation Dale Fleming Fund, established in memory of Dale Fleming, an employee of the Human Resources department at Community Health Network, who passed away after a long battle with cancer. The Dale Fleming Fund provides immediate assistance for funeral expenses, travel expenses for attending a funeral or caring for a terminally ill employee or immediate family member.

The card is available for issue to members at IMCU's 27 Central Indiana locations. The Community Health Network debit card is free to members with a free checking account and can be issued immediately via IMCU's Instant Issue program, which allows members to receive their debit card on the spot. To support Community Health Network, those interested should visit an IMCU branch or imcu.com for details.

Committee looking for ways to reduce education mandates

The REPORTER

The Interim Study Committee on Education Tuesday is set to take a closer look on Tuesday at the number of requirements placed on teachers and schools, according to State Rep. Tony Cook (R-Cicero).

Cook, a member of the committee, said beyond educating students, teachers are required to be trained on criminal organization, blood borne pathogens, suicide prevention, domestic violence and human trafficking. He said the growing number requirements have become cumbersome for schools.

"As a former school superintendent and princi-

pal, I understand teachers just want to be in the classroom educating our young Hoosiers instead of spending hours in trainings," Cook said. "These requirements schools and teachers have to meet were made with good intention, but we need to explore ways to make sure they are getting done in a more streamlined manner."

This comes after Cook authored a new law earlier this year requesting the interim committee to examine this issue. That legislation passed out of the House and Senate with

Cook

unanimous support.

The study committee is set to meet at 1 p.m. Tuesday in the House Chamber at the Statehouse. The meeting can be viewed live online at iga.in.gov. This site also provides committee calendars and meeting agendas. Members of the public are welcomed to attend.

State Rep. Tony Cook (R-Cicero) represents House District 32, which includes all of Tipton County and portions of Hamilton, Madison, Delaware, Howard and Grant counties.

Ascension St. Vincent launches new online urgent care service

The REPORTER

Ascension St. Vincent has launched its new Ascension Online Care platform, giving consumers 24/7 access to the compassionate, personalized care they need – anytime, anywhere.

Ascension Online Care (ascension.org/online-care) is an online urgent care that allows a patient to have a one-on-one video visit with a healthcare provider – using the device of their choice: A smartphone, tablet or laptop. The cost of a visit is \$49 at the time of visit, can be paid using a credit card or HSA/FSA, and does not require insurance.

With this new online platform, Ascension St. Vincent offers a comprehensive virtual care option for urgent, episodic and non-emergency needs. Connected to the broader network of doctors and specialists at Ascension St. Vincent, Ascension Online Care is part of a trusted healthcare brand, with the ease of availability from home or on the go.

A new **Access to Care, Anytime Anywhere** mar-

keting campaign, including television advertising, radio advertising, online advertising and direct mail, launched this week to raise awareness of this innovative offering.

“We are committed to offering access points that open the front door to our services to those who need it most, and this campaign is a great example of our brand promise of delivering compassionate, personalized care for those we serve,” said Nick Ragone, Executive Vice President and Chief Marketing and Communications Officer of Ascension. “Ascension Online Care is our first Ascension-branded consumer access product, and our marketing campaign is designed to build broad awareness among those who need greater access to care from home, at a lower cost, or simply at a more convenient time.”

Ascension Online Care can be used to treat a wide variety of symptoms and conditions, including:

- Cold/flu
- Fever
- Sinus or upper respira-

tory infections

- Non-life-threatening allergic reactions
- Seasonal allergies
- Sore throat/cough, and more.

“Consumers and patients now have access to comprehensive care within our trusted network of services, which includes primary, specialty, urgent, emergency and now online care,” said Jonathan Nalli, Senior Vice President of Ascension and Ministry Market Executive of Ascension Indiana. “We are excited to provide this service as an option, so consumers can get the right care, at a time and in a setting that is convenient for them.”

Ascension St. Vincent joins all other Ascension markets across the country to offer this comprehensive online care service.

About Ascension St. Vincent

In Indiana, Ascension St. Vincent operates 24 hospitals in addition to a comprehensive network of affiliated joint ventures, medical practices and clinics serving central and southern Indiana and employs more than

15,000 associates. Across the state, Ascension St. Vincent provided more than \$323 million in community benefit and care of persons living in poverty in fiscal year 2018. Serving Indiana for 145 years, Ascension

is a faith-based healthcare organization committed to delivering compassionate, personalized care to all, with special attention to persons living in poverty and those most vulnerable. Ascension, one of the leading non-profit

and Catholic health systems in the U.S., operates more than 2,600 sites of care – including 151 hospitals and more than 50 senior living facilities – in 21 states and the District of Columbia. Visit stvincent.org.

TODAY'S BIBLE READING

Now about the midst of the feast Jesus went up into the temple, and taught. And the Jews marvelled, saying, How knoweth this man letters, having never learned? Jesus answered them, and said, My doctrine is not mine, but his that sent me. If any man will do his will, he shall know of the doctrine, whether it be of God, or whether I speak of myself. He that speaketh of himself seeketh his own glory: but he that seeketh his glory that sent him, the same is true, and no unrighteousness is in him. Did not Moses give you the law, and yet none of you keepeth the law? Why go ye about to kill me? The people answered and said, Thou hast a devil: who goeth about to kill thee? Jesus answered and said unto them, I have done one work, and ye all marvel. Moses therefore gave unto you circumcision; (not because it is of Moses, but of the fathers;) and ye on the sabbath day circumcise a man. If a man on the sabbath day receive circumcision, that the law of Moses should not be broken; are ye angry at me, because I have made a man every whit whole on the sabbath day? Judge not according to the appearance, but judge righteous judgment.

NOBLESVILLE, CARMEL, WESTFIELD, SHERIDAN, HAMILTON HEIGHTS, FISHERS, UNIVERSITY, GUERIN CATHOLIC, HAMILTON SOUTHEASTERN

Friday night football - Week 3

No. 7 Tigers cruise by Millers with steady ground game

By CRAIG ADKINS
NOBLESVILLE – It didn't take long to figure out how they would take control of the Hoosier Crossroads Conference opener on the road, but the Fishers Tigers proved themselves in lopsided 28-7 win at Noblesville on Friday night.

Seventh-ranked Fishers was out to make a statement in the HCC opener and it wasted very little time in establishing their rushing attack against Noblesville.

The first possession of the game saw Fishers run right through Noblesville's defense for eight plays and 56 yards, resulting in senior quarterback Marcus Roux sneaking it in from one-yard out for an early 7-0 lead.

After forcing the Millers to punt following a quick three and out, the Tigers marched right down the field again. This time it was senior tailback Dylan Scally that punched it in from the one, pushing the advantage to 14-0.

Noblesville's defense did not have an answer for the Fishers rushing game and it made that quite obvious very early in the first quarter.

"We run what we run. We didn't do anything real special for them. We just ran our offense and we executed it very well," said Fishers head coach Rick Wimmer on the Tigers' steady rushing that was key to victory.

The second quarter also belonged to the Tigers and they showed no letting up. The defense forced another punt that turned into another QB sneak from Roux from the one-yard line to get Fishers comfortable at 21-0.

The Millers just weren't able to muster anything offensively during the first half. Another punt gave the Tigers another opportunity to score and that's exactly what they did.

This drive took just five plays and 75 yards of offense. Roux found a wide open Reggie Cook-Graham down the middle for a 33-yard touchdown strike that put the Fishers up now 28-0, leaving Noblesville searching for answers.

Grayden Addison got out his boom stick and sailed a spiral punt that was downed at the four-yard line, netting 76-yards, pinning the Tigers deep.

Fishers was backed up for the first time of the game. On the second play of the drive, Roux tossed an interception right into the hands of Noblesville junior cornerback Blaine McNabb, returning the pick to the Tiger 18.

A couple penalties on the offensive

line put a damper on the slight momentum for the Millers. They were faced with a third and 26 from the 34 of Fishers. Addison was brought in for a 51-yard field goal attempt, but the kick fell just short of the crossbar and Noblesville trailing by four scores at the half.

"We were just trying to find guys. They didn't do a good job in the first half. This group is so young, inexperienced," stated Noblesville head coach Justin Roden on his team's play in the first half.

The second half became a different story on both sides on the ball. Fishers had put the game into cruise control and Noblesville was doing everything that it could to try to get back into the game.

Forced to punt once again, Addison sent another great kick toward midfield. Tiger punt returner Reece Boland called for a fair catch, but mishandled the return right into the hands of Miller senior Kody Leach, giving the football right back to Noblesville.

For the Millers, it was just another night that their offense would struggle to produce.

Noblesville's special teams shined again, this time punting toward the Fishers goal line. Boland muffed the punt in-

side his own 10 and junior Zach Blevins recovered the ball in the end zone for the Millers' lone score at 28-7.

"I just think, physically, in the second half they still were able to run the ball," Roden continued on Fishers' rushing game.

"We're going to bend. I'm OK with bending. We're trying to do some many things. Fix is not the right word and when you try to do that, you make mistakes. We did a better job of that in the second half," Roden said on his team not giving up, trying to make things work.

Overall, Fishers showed that it is a solid football team. It doesn't just come down to what the Tigers did offensively. Their defense showed their true worth by holding Noblesville's offense under 100 total yards, as the Millers netted 75 yards.

"I don't think we can get away from this and not talk about the job of our defense. They were just phenomenal, but for a half our offense was played on the part of our defense. It's what we have been looking for and it's the best half of

football we've played, I think, especially with the running game," Wimmer said of his defense and in turn how well the offense ran.

Noblesville (0-3, 0-1 HCC) was held to just one first down on the ground and another by penalty. It was a night where the Millers searched for offense and came up empty, limited to just 66 rushing yards and nine passing.

The Millers hit the road west to face HCC rival Westfield (2-1, 1-0 HCC), who won big at Zionsville, 51-24.

Fishers (3-0, 1-0 HCC) dominated all facets with 328 total yards, including 211 rushing. Dylan Scally carried 20 times for 118 yards and a touchdown. Shaun Kim had a great night spelling Scally, rushing 94 yards on 18 rushes. Marcus Roux didn't need to run much for his two touchdowns in three carries.

The Tigers will host Hamilton Southeastern for the battle of the Mudsock next week. The Royals lost a home game Friday to top-rated Avon, 35-27.

Defense secures Copper Kettle for Carmel

By RICH TORRES
CARMEL – Practice makes perfect. On Friday night, the Class 6A No. 3 Carmel Greyhounds’ defense proved it. Holding No. 9 Center Grove scoreless in the second half, the defense clamped down en route to a 20-14 victory and the program’s first Copper Kettle win since 2014.

“It started on the first drive, and we had a lot of plays made by a lot of different guys at every position group,” Carmel head coach John Hebert said. “We knew we had a good team on defense, and a lot of guys back and everything, but for us to play that well all the way through the game was a blessing.” Garrett Sharp’s interception on third-and-4 from Center Grove’s 40 put the defense in motion. More than 41 game minutes later, senior Kyle Lozen capped the defense’s effort with a fumble recovery and 1:28 remaining.

The Greyhounds limited the Metropolitan Interscholastic Conference rival Trojans (0-3, 0-1 MIC) to 10 first downs, under 100 yards rushing and 2.0 yards per carry. Without star running back Carson Steele due to an injury, the Trojans turned to Connor Delp and a five-man committee.

Carmel kept Delp at 70 yards on 10 carries, but the junior broke free for a 59-yard gain that setup Center Grove’s momentary 7-3 lead early in the second quarter. Delp placed the Trojans on Carmel’s 5, and quarterback Tayven Jackson pushed forward for a 1-yard touchdown sneak.

Jackson rushed for a pair of 1-yard touchdowns, but he netted negative yardage as Carmel hounded him for five sacks and forced two turnover on downs, including a muff snap on a punt attempt during the Trojans’ second offensive series.

“It was a great game plan, great execution by our defense, great coaching staff. It’s just a great feeling to win this game,” Carmel senior linebacker Ty Wise said. “I’ve never beat Center Grove, so this week of preparation for our defense was nothing like I’ve seen before. We came out at practice focused every single day. Coaches emphasized everything, and we put in the most work than we ever have and it really showed.”

Placekicker Spencer Hanna supplied Carmel’s first lead 3-0 with a 27-yard field goal in the first quarter after the Greyhounds tackled Jackson on his first punt attempt in the game. Carmel opened the ensuing drive on Center Grove’s 17, but a sack and a near lost fumble gave Hanna an opportunity.

Carmel's Ty Wise (37) and Dominic Padjen (54) go after the Center Grove quarterback during the Greyhounds-Trojans game Friday at Carmel Stadium. The 'Hounds beat Center Grove 20-14.

He converted two 27-yard field goals, including the final Greyhounds final drive that burnt more than three minutes off the clock. Carmel struggled with three first downs in the second half and another issued on a penalty. A fumbled punt return cut the field in half for Center Grove, but the defense halted the Trojans’ drive at the Carmel 28 with a turnover on downs early in the third quarter.

“You’re going to have to play four quarters, and it’s going to come down to the very end like it did tonight, in order to beat Center Grove,” Hebert said. “They’re not easy to beat. We haven’t done that here for a couple of years. The kids are excited.”

The Greyhounds’ final offensive series featured a heavy dose of Dylan Downing who rushed for 115 yards on 23 carries at 5.0 yards per carry. He ran in a pair of touchdowns measuring 6 and 3 yards to put Carmel ahead 10-7 in the second quarter and 17-7 with 5:25 left before halftime.

“Their defensive coordinator is one of the best anywhere. Chad Daniels, he’s a great coach, and they do an amazing job,

and their kids are great competitors,” Hebert said. “We knew we had our hands full. We found some things in the first half, and then they did a nice job adjusting and taking those away. It took us until the fourth quarter to find something.”

Hanna found a pair of clutch field goals after missing the beginning of the season with an illness. His kicks ended up

being the difference. “They felt exactly the same. You just have to keep going through it the same like every other kick,” Hanna said. “You just can’t describe the feeling. You always want to do this whenever in practice. You always prepare for it, and it’s the best feeling ever.”

Hamilton Southeastern came just a few yards shy of stunning one of the best teams in the state Friday night.

The Royals were given a tough assignment for their Hoosier Crossroads Conference opener, taking on Avon at TCU Field. The Orioles are ranked No. 1 in the Class 6A Associated Press poll and No. 2 in the IFCA poll. They played like a top-rated team during the first two and a half quarters of the game, eventually leading 35-6 in the middle of the third quarter.

But Southeastern roared back, scoring 21 unanswered points in the second half. The Royals took the game to the very last play, during which they used a lateral play to get down the field with no more time left on the clock. But Southeastern was stopped short of the goal line, allowing Avon to escape with a 35-27 win.

“They’re the No. 1 team in the state for a reason,” said HSE coach Adam Morris. “I just think we gifted them too many things in the first half. You have to give them credit. Obviously, they did a good job. But I also thought we made some mistakes that they were able to capitalize on. Second half, we played a little bit better, especially defensively, and that’s why the game ended the way it did.”

The Royals were held to just two field goals in the first half, both by Alex Geroulis. The sophomore kicked a 23-yarder in the first quarter, then converted a 38-yard kick in the second period.

Avon led 28-6 at halftime, then added another touchdown early in the third quarter. But the Orioles would not score again after that. Southeastern began its run when Tony Myers caught a 24-yard pass with 14 seconds left in the period, then Geroulis made the kick. That got Southeastern within 35-13 as the quarter ended.

The Royals shaved another seven points off the lead with 8:54 left in the fourth. Hobson found DeAndre Rhodes, who took an 18-yard pass into the end zone. Geroulis kicked the extra point again, making the score 35-20.

big play late in the quarter, when he intercepted a tipped pass and took it to the Avon 30-yard line. The Royals made the most of the opportunity, getting down to the 4, and Hobson lobbed another touchdown pass to Rhodes; it was Rhodes’ second TD reception of the game and Hobson’s third scoring pass. Southeastern then got the ball back on downs, and flew down the field before it was finally stopped short of the goal line.

“I think our quarterback and our entire corps of receivers are a group that is definitely underrated and under-appreciated,” said Morris. “They had a great off-season. Andrew Hobson as a senior stepped in at quarterback and done a great job. They’re a really talented group and I would put them up with anybody’s.”

Huskies fall to Red Devils

Hamilton Heights lost to West Lafayette 56-7 in a Friday night away game.

The Red Devils were in control from the beginning, leading 28-0 after the first quarter and 56-0 at halftime. The Huskies got their lone touchdown in the third quarter, when Guy Griffey threw a 32-yard scoring pass to Camron Knott, then

converted the extra point kick. Stats from the game were not reported.

Heights is 0-3 for the season. The Huskies begin Hoosier Conference East Division play next Friday, hosting Northwestern.
