Heights' Peil wins Northern Chamber logo design contest

The REPORTER
Jackie Peil, a 2019 graduate of Hamilton Heights High School, had the winning entry for the Northern Hamilton County Chamber of Commerce's (NHCCC) new logo design. NHCCC President Wade Wiley said Peil's design best captured the essence of who and what the Chamber represents.

Peil was taking a graphic design class the last semester of her senior year when her Business teacher and BPA faculty advisor, Julie Oelschlager, encouraged her to enter the contest and earn extra credit by doing so.

"I was intrigued," recalled Peil, when she first heard about the contest. "I thought it would be fun."

Peil submitted five different designs, inspired by the Chamber primarily serving the four larger communities in the northern part of the county.

"I thought I had a shot because the designs turned out pretty good," she added.

Heights graduate Jackie Peil created the winning design for the Northern Hamilton County Chamber of Commerce's new logo. Peil is pictured with Northern Hamilton County Chamber of Commerce President Wade Wiley.

County jail, Sheriff's Office, TOWER program partner for inmate job fair

The REPORTER
Sheriff Dennis Quakenbush has announced the Hamilton County Jail, the HCSO Chaplaincy Division and the TOWER Mentoring Program will hold a Job and Resource Fair on Friday, Sept. 13 for inmates who will be transitioning out of the jail in the next 90 days.

"As part of the continuing effort to keep Hamilton County safe by reducing recidivism rates among the Hamilton County Jail's inmate population, the TOWER Mentoring program is aimed at assisting inmates with addressing barriers to their success upon their transition back into the community," said Sheriff Quakenbush.

The TOWER Mentoring program, led by program coordinator Kelly Gunn, is aimed at assist-

ing inmates with addressing barriers to their success upon their transition back into the community.

Inmates are assisted in securing housing and employment, as well as Gunn making the appropriate social service referrals for each participant.

"Our goal is to provide support, guidance and appropriate referrals to our participants, and to ensure that they have an organized and solidified re-entry plan and strategy," said Gunn.

Employers and Social Service agencies from around Central Indiana will participate in the Job and Resource Fair. Businesses and organizations interested in partnering with the TOWER Mentoring program can contact Kelly Gunn at kegunn32@gmail.com.

County Council backpedals on proposed 2020 budget

Decision reversed on YAP employees

By JEFF JELLISON | Reporter Publisher
Last Wednesday, the Hamilton County Council conducted a public hearing on the proposed 2020 county budget.

The hearing offered the public an opportunity to voice their support and concerns on a budget of \$95.7 million established during last month's budget meetings.

The only person to address the council was Hamilton County resident Mark Hall.

During his time at the podium, Hall questioned the council's decision to provide \$240,000 in cash for the Youth Assistance Program.

"My challenge is the unrestricted \$240,000 allocated to them with no accountability," said Hall.

The cash was agreed upon after council members originally denied the organization funding for three full-time employees.

Councilman Steve Schwartz said, "Looking back, I made the motion for the three employees,

Mayor's Youth Council places free little libraries in Noblesville parks

The REPORTER
Noblesville Mayor John Ditslear and members of the Mayor's Youth Council (MYC) unveiled the first legacy community project from the organization – free little libraries. The MYC worked in conjunction with the Noblesville Parks Foundation and were funded by a grant from Duke Energy to create the "Arts in the Parks" project.

A library will be avail-

able in every Noblesville park – two in Forest Park – and the pocket park in downtown. The libraries at Seminary and Finch Creek Park locations will not be installed until construction is complete at each site. Noblesville High School senior Grace Wiles said the idea came from seeing similar programs in other communities.

"We were looking for our first big project, some-

thing we could call our own," she said. "I thought, 'What better way to give people a sense of ownership of their parks?' It gives people pride so they want to go and spend time in the parks."

In addition to building, installing and maintaining the libraries, MYC has expressed an interest in having a "Book of the Month" or readings at the parks during summer and school breaks.

Continued growth impacts Hamilton County's lodging economy

The REPORTER
Hamilton County's lodging economy may slow slightly after 13 years of strong 4.9 percent annualized lodging demand growth, according to a forecast report commissioned by Hamilton County Tourism Inc. from Tourism Economics, an Oxford Economics Company. The new predicted

annualized demand growth is 4.3 percent.

The number of available hotel rooms in the county grew almost 34 percent between 2015 and 2018. The hotel pipeline shows supply growth will increase another 18 percent by 2021.

The forecast study also demonstrates an anecdotal shift in the market from the

previous study in 2016. Leisure travelers' stays now outnumber business traveler stays, a survey of select hotels within the market indicates.

The report also notes that the "period of heightened occupancy has ended" meaning that "occupancy has returned to the historical average." The report does note,

however, that an important performance metric for hotels remains "well-ahead" of the average: RevPAR. Revenue Per Available Room is a multiplier of a hotel's average daily room rate by its occupancy rate, or the total revenue generated by a hotel divided by the total number of available rooms.

Help Sheridan kids keep up the good work

The Sheridan CrossRoads Student Center, 305 S. Main St., could use a little help. The non-profit organization serves 50 free community dinners each year and provides a variety of positive activities for local youth. According to Pastor Chris Brooks, the CrossRoads café was created for three purposes: To serve the community, to help recreate the idea of community, and to provide opportunities for young people to invest in themselves and their hometown. Their Wednesday night community dinners have been featured on WISH-TV Channel 8 news and in the pages of The Reporter. Now they need your help to keep up their good work. They are asking for donations so they can not only continue, but have the resources to do even more for Sheridan. If you would like to help, visit tinyurl.com/HelpCrossRoadsKids.

Jerry Warren “Smiley” Kinkead

March 28, 1944 – September 1, 2019

Jerry Warren “Smiley” Kinkead, 75, Sheridan, passed away on Sunday morning, September 1, 2019 at Riverview Health in Noblesville. Born March 28, 1944 in Sheridan, he was the son of the late Ray and Annabelle (Snyder) Kinkead.

Smiley was a self-taught man, always tinkering with things from the time he was old enough to hold a wrench. Taking things apart, putting them back together, and trying to figure out what made them do, well ... what they do was all part of what made Smiley good at what he did.

During his younger years he left school early to help work with his family on the farm. When he was old enough, he hired on at the tomato canning factory and later went to work for a lawn mower assembly plant.

In the ‘60s, Smiley purchased a house with enough room behind it for a shop to do his tinkering. The house would become the home where he would raise his family, and the space out back would become Kinkead’s Garage. A little bit of everything happened in that shop – bodywork, restoration and a whole lot of solving the problems of the town, county, state and the country. Working on cars and tractors wasn’t the only thing Smiley was good at; hanging out in the garage with his friends and family, swappin’ stories was also part of his daily routine. A lot of fabricating was done in that garage, and very little of it had to do with anything automotive.

Smiley loved his family. One of his favorite traditions during holiday gatherings was going hunting with his brothers. He loved family cookouts and the card games that usually accompanied them. Smiley followed Indy Car racing and pro wrestling; Dick the Bruiser and the Dudley Brothers were his wrestling favorites. When it was time to relax a little, he and Bev would watch Smiley’s favorite TV programs, usually old Westerns like Bonanza, Gunsmoke and The Lone Ranger.

Smiley was a 50-year member of the K.V. Elliott Post 67 Sons of the American Legion in Sheridan.

Smiley is survived by his wife, Beverly Irene “Bev” (Mulder) Kinkead, Sheridan. She and Smiley were married November 19, 1965. Also surviving are his two sons, Johnny Ray Kinkead and Terry Warren Kinkead (Lisa), both of Sheridan; six grandchildren, Dawn Marie Kinkead, Anthony Ryan Isaacs, Melisa Denise Isaacs, Jacob Warren Kinkead, Jasmine Danielle Kinkead-Diaz and Timmy Wayne Kinkead; four great-grandchildren, Chandler Ray Harris, Landon Kinkead, Dimitri Woods and Jahseh Christopher Woods; three brothers, Larry Kinkead, Sheridan, Rex Kinkead (Robert) of Florida and Randy Kinkead (Marilyn), Sheridan; and one sister, Marlene Burroughs (Ronald), Sheridan.

He was preceded in death by his parents; one daughter, Anna Marie Kinkead; two brothers, Kevin R. and Charlie Kinkead; his sister, Marcia Ann Kinkead-Melvin-Duncan; and sister-in-law, A. Jannett Kinkead.

Services were held on Saturday, September 7, 2019 at Kercheval Funeral Home, 306 E. 10th St., Sheridan, with visitation prior to the time of service. Burial followed at Wright-Bethel Cemetery in Waugh, Ind.

In lieu of flowers, memorial contributions may be presented to the National Parkinson’s Foundation, or to Kercheval Funeral Home, P.O. Box 42, Sheridan, IN 46069, to help the family defray funeral expenses. Condolences: kerchevalfuneralhome.com

Defense secures Copper Kettle for Carmel

By RICH TORRES
CARMEL – Practice makes perfect. Last Friday night, the Carmel Greyhounds’ defense proved it. Holding Center Grove scoreless in the second half, the defense clamped down en route to a 20-14 victory and the program’s first Copper Kettle win since 2014. “It started on the first drive, and we had a lot of plays made by a lot of different guys at every position group,” Carmel head coach John Hebert said. “We knew we had a good team on defense, and a lot of guys back and everything, but for us to play that well all the way through the game was a blessing.” Garrett Sharp’s interception on third-and-4 from Center Grove’s 40 put the defense in motion. More than 41 game minutes later, senior Kyle Lozen capped the defense’s effort with a fumble recovery and 1:28 remaining.

The Greyhounds limited the Metropolitan Interscholastic Conference rival Trojans (0-3, 0-1 MIC) to 10 first downs, under 100 yards rushing and 2.0 yards per carry. Without star running back Carson Steele due to an injury, the Trojans turned to Connor Delp and a five-man committee. Carmel kept Delp at 70 yards on 10 carries, but the junior broke free for a 59-yard gain that setup Center Grove’s momentary 7-3 lead early in the second quarter. Delp placed the Trojans on Carmel’s 5, and quarterback Tayven Jackson pushed forward for a 1-yard touchdown sneak. Jackson rushed for a pair of 1-yard touchdowns, but he netted negative yardage as Carmel hounded him for

five sacks and forced two turnover on downs, including a muff snap on a punt attempt during the Trojans’ second offensive series. “It was a great game plan, great execution by our defense, great coaching staff. It’s just a great feeling to win this game,” Carmel senior linebacker Ty Wise said. “I’ve never beat Center Grove, so this week of preparation for our defense was nothing like I’ve seen before. We came out at practice focused every single day. Coaches emphasized everything, and we put in the most work than we ever have and it really showed.” Placekicker Spencer Hanna supplied Carmel’s first lead 3-0 with a 27-yard field goal in the first quarter after the Greyhounds tackled Jackson on his first punt attempt in the game. Carmel opened the ensuing drive on Center Grove’s 17, but a sack and a near lost fumble gave Hanna an opportunity.

He converted two 27-yard field goals, including the final Greyhounds final drive that burnt more than three minutes off the clock. Carmel struggled with three first downs in the second half and another issued on a penalty. A fumbled punt return cut the field in half for Center Grove, but the defense halted the Trojans’ drive at the Carmel 28 with a turnover on downs early in the third quarter. “You’re going to have to play four quarters, and it’s going to come down to the very end like it did tonight, in order to beat Center Grove,” Hebert said. “They’re not easy to beat. We haven’t done that here for a couple of years. The kids are excited.” The Greyhounds’ final offensive series featured a heavy dose of Dylan Downing who rushed for 115 yards on 23 carries at 5.0 yards per carry. He ran in a pair of touchdowns measuring 6 and 3 yards to put Car-

mel ahead 10-7 in the second quarter and 17-7 with 5:25 left before halftime. “Their defensive coordinator is one of the best anywhere. Chad Daniels, he’s a great coach, and they do an amazing job, and their kids are great competitors,” Hebert said. “We knew we had our hands full. We found some things in the first half, and then they did a nice job adjusting and taking those away. It took us until the fourth quarter to find something.” Hanna found a pair of clutch field goals after missing the beginning of the season with an illness. His kicks ended up being the difference. “They felt exactly the same. You just have to keep going through it the same like every other kick,” Hanna said. “You just can’t describe the feeling. You always want to do this whenever in practice. You always prepare for it, and it’s the best feeling ever.”

'Rocks top 50 points again in victory at Zionsville

Westfield rolled past the 50-point mark for the second time this season, and picked a nice time to do it. The Shamrocks took care of Zionsville 51-24 in their Hoosier Crossroads Conference opener last

Friday night at the Eagles’ field. Westfield steadily increased its lead over Zionsville throughout the first half, then took care of business in the third quarter with three touchdowns. Cam Simons started things off with a nine-yard touchdown run in the first quarter, then found Dane Wheeler for a 54-yard TD pass later. Eli Patchett added a four-yard score in the second period, then Sean Sullivan kicked a 32-yard field goal to end the half, putting the ‘Rocks up 24-14. Westfield stayed with the ground game in the second half, and that helped it put the game away. Micah Hauser scored two touchdowns, from 31 and four yards, with Jack Pfeiffer zooming in 34 yards for a

TD in between. Nick Talley completed the Shamrocks’ scoring with a fourth-quarter touchdown. Simons finished the game with 128 yards rushing and completed 8 of 14 passes for 146 yards. Patchett was next in line on the ground with 90 yards. Sean Sullivan made 6 of 7 extra point kicks. Westfield is still unbeaten for the season at 3-0. After two weeks on the road, the Shamrocks will return to Riverview Health Stadium Friday to take on Noblesville.

Huskies fall to Red Devils

Hamilton Heights lost to West Lafayette 56-7 last Friday night in an away game. The Red Devils were in control from the beginning, leading 28-0 after the first quarter and 56-0 at half-

time. The Huskies got their lone touchdown in the third quarter, when Guy Griffey threw a 32-yard scoring pass to Camron Knott, then converted the extra point kick.

Stats from the game were not reported. Heights is 0-3 for the season. The Huskies begin Hoosier Conference East Division play Friday, hosting Northwestern.

'Hawks cruise past Tri-Central, are 2-0 in HHC

Sheridan has grabbed an early advantage in the Hoosier Heartland Conference race.

The Blackhawks improved to 2-0 in HHC play after beating Tri-Central 50-19 on the road last Friday. Sheridan used its famed running game to total 430 yards on the ground, scoring all but one of their touchdowns by rush.

“We’re up and down a little bit, but we played hard and they got the job done,” said ‘Hawks coach Bud Wright.

Evan Bourdon got Sheridan on the board with a 2-yard run just 77 seconds into the game. After that, it became the Cameron Hovey show, as the junior scored four touchdowns. Three were from rushes of 28, 5 and 67 yards; Hovey also took a 37-yard punt return into the end zone in the second period.

In the fourth quarter, the Blackhawks' defense forced a safety, then Silas DeVaney threw an eight-yard touchdown pass to Keenan Warren. Peyton Cross finished the Sheridan scoring with a four-yard TD run. The offensive line, led by Chris Starks, Charlie Cronin and Gabe Holler, all had good games. Hovey made 5-of-7 extra point kicks.

Sheridan is now 2-1 overall and continues conference play Friday by hosting Delphi, a newcomer to the HHC this year.

"They won the first two and they got beat by Eastern," said Wright. "They got a nice ball club. It will be a challenge."

GC stays perfect with win at Heritage Christian

Guerin Catholic had defense on its mind when it traveled to Heritage Christian last Friday night.

The Golden Eagles played a fine defensive game, and were rewarded with a 23-5 victory. That puts Guerin at 3-0 for the season. The Golden Eagles held Heritage to only a field goal in the first quarter,

then HC got a safety in the second period.

Guerin Catholic's first touchdown was created in the first quarter by defense, as Patrick Hagel took a blocked field goal attempt and returned it 70 yards for the score. Luke Etchison made the extra point.

The Golden Eagles added their sec-

and touchdown late in the second period, when Christian Gelov connected with Bernie McGuinness for a 65-yard pass play TD. Gelov then made a two-point conversion, passing to Brayden Hall.

Gus Baumgartner finished the GC scoring late in the fourth quarter, running in 10 yards for a touchdown, then run-

ning in the two-point try. Baumgartner finished the game with 94 yards rushing, while Gelov passed for 95 yards on a 6-for-9 clip. McGuinness made four of those catches for 78 yards.

The Golden Eagles continue their road trip Friday, traveling to Brebeuf Jesuit to open Circle City Conference play.

I was born and raised right here in Noblesville. I grew up in a home without domestic violence or assault – it wasn't something I saw, or even heard about. But when I was introduced to Prevail of Central Indiana, I was shocked by the number of individuals who are affected by domestic violence. In 2018 alone, Prevail helped more than 4,000 clients in Hamilton County. (Nearly 80 percent of clients are women and children.) Prevail is strictly confidential, and since their core values include integrity and respect, they provide their services at no charge. Domestic violence and abuse are hard topics to discuss, so you don't often hear about them. But at Tom Wood Volkswagen in Noblesville, we're breaking the taboo and raising awareness for Prevail, an organization that helps families in Hamilton County. – Mike Bragg, GM of Tom Wood Volkswagen in Noblesville

To help Hamilton County families affected by domestic violence and sexual abuse, you can donate the following items:
