Noblesville's Beth Niedermeyer named Superintendent of the Year

The REPORTER

Noblesville Schools announced Wednesday that Superintendent Dr. Beth Niedermeyer has been named the Superintendent of the Year for Central Indiana by the Indiana Association of Public School Superintendents (IAPSS).

She was selected for the honor by her peers, approximately 40 central Indiana superintendents who based their decision on accomplishments, qualifications and leadership.

Niedermeyer joined Noblesville Schools, one of the top performing districts in the state, in 2014 after serving in previous leadership roles with Hamilton Southeastern Schools, the Metropolitan School District of Pike Township and Fort Wayne Community Schools.

"Dr. Niedermeyer is a role model among her peers and is frequently sought out by other area superintendents for her counsel and advice," shared Noblesville Schools Board of Trustees President Carl Johnson. "She is

well known for her steady guidance, humble yet insightful perspective and empathetic approach to working with others. As a servant leader, Beth works hard to be accessible,

well-informed and actively listen to others. Relationship building, valuing different perspectives, reflecting on data, and making courageous decisions are all hallmarks of her leadership style. She is quick to step up whenever and wherever she is needed, and most importantly her focus is always on what's best for kids. We're proud of this honor she's received and are so thankful for her consistent leadership and passionate commitment to Noblesville Schools."

During her tenure, Niedermeyer has led several significant achievements for the district including:

- The expansion of diversity, equity and inclusion initiatives for students and staff, including founding of the Noblesville Diversity Coalition in partnership with the City of Noblesville and faith, business and community leaders.
- The passage of two successful referendum campaigns that preserved/provided

Carmel listed among best places to live in the country

The REPORTER

Carmel has once again made the list of top places to live in the United States.

USA Today recently ranked the top 50 best places to live, and Carmel ranked 17th on a list that was highlighted by some big names.

USA Today attributed Carmel's ranking to the 71 percent of people 25 and older having a college degree. Also highlighted was Carmel's 2.1 percent unemployment rate and a 3.7 percent poverty rate.

The national media outlet reported Carmel's household median income of \$109,201, one of the highest in the nation.

The top-ranking city on the list was West University Place, Texas. Beverly Hills, Calif., placed second.

Levee Trail opens in Noblesville

The REPORTER

The City of Noblesville and Hamilton County Parks and Recreation officials officially opened the Levee Trail on Tuesday. The new amenity continues to increase Noblesville's trail availability and connectivity. The Levee Trail adds 1.4 miles of multi-use asphalt on the east side of Morse Reservoir running from Morse Park and Beach north along the reservoir to Carrigan Road.

"This trail has been discussed for several years and I'm very pleased to see it come to fruition. The trail is especially important as it connects at least 7,000 northern Noblesville residents to existing trails leading to downtown," said Mayor John Ditslear. "Trails provide enjoyable and safe options for pedestrians and alternative transportation, which reduces air pollution, and the Levee Trail adds beautiful scenery along the Morse Reservoir."

The Levee Trail is a collaboration between the City of Noblesville and Hamilton

Sitel to bring up to 350 jobs to Fishers

By LARRY LANNAN
[LarryInFishers.com](#)

Sitel Group is planning to locate an office in Fishers, bringing up to 350 jobs to the city by the end of next year. Sitel is a tech company focused on customer experience.

The Miami-based firm plans to locate near 121st Street and Cumberland Road, investing more than \$4 million to lease and equip a 42,000 square-foot facility. Sitel is describing the Fishers location as its new Midwest hub. The company plans to be fully operational in this new location later this fall.

"Sitel choosing Indiana to establish a Midwest hub is a reflection on our state's strong economic climate, thriving business community and talented workforce pipeline," said Indiana Secretary of Commerce Jim Schellinger, in an agency news release.

Carmel-based insurance agency makes \$10K donation to Prevail

The REPORTER

Shepherd Insurance, Indiana's largest independent insurance provider, is excited to announce a donation, in partnership with Westfield Insurance, to support the advocacy of Prevail, Inc.

On Sept. 3, representatives from Shepherd presented a grant in the amount of \$10,000 to the Noblesville-based nonprofit organization that advocates for local victims of crime and abuse. Thanks to the generous support from Westfield Insurance, Prevail will be able to reach more victims in the community as part of the Westfield Legacy of Caring program.

Every year, Westfield Insurance partners with local independent agencies, such as Shepherd Insurance, to help friends and neighbors during their times of need. Westfield invests with local independent partners to help strengthen the communities in which they oper-

Westfield enacts new solicitation ordinance

The REPORTER

The Westfield City Council adopted a new citywide Solicitation Ordinance at its most recent meeting.

The ordinance provides residents with the opportunity to register their address on a "No Knock" list or display a no solicitation sign on their residences.

Residents who do not want solicitors at their homes should sign up at [this link](#). The list (addresses only) will be visible to solicitors. You can also post a No Soliciting sign at your home. [Click here](#) to download the sign.

- District grade “A” academic ratings from the Indiana Department of Education and national recognition for STEM, Advanced Placement, special education, educational technology and music programming.

- The creation/expansion of community outreach and engagement initiatives including the Miller Ambassadors community leadership program, the Noblesville High School internship program, Superintendent Table Talk, Back to School BASH and a strong partnership with the Noblesville Police Department.

- An adjusted school day schedule to provide enhanced health, well-being and learning for students.

- Steady organizational, community and safety leadership following the district’s school shooting in May 2018.
- The expansion of social, emotional and mental health training and services.

learning.

- Expanded STEM and workforce development initiatives for all students K-12.

- Introduction of district preschool and before/after school care programming.

- Opening of an expanded transportation center to accommodate the district’s growing bus fleet and maintenance needs.

- Lean staffing, district cost cutting, revenue generation and tight fiscal management to drive dollars to classrooms.

- Launch of a solar power initiative expected to generate hundreds of thousands of dollars in savings.

In addition to her daily leadership responsibilities with the district, Niedermeyer also serves on the executive board of directors for the Boys and Girls Club of Noblesville, Noblesville Chamber of Commerce, Noblesville Youth Assistance, Noblesville Diversity Coalition, Noblesville Midday Rotary and the Hamilton County Workforce Innovation Network.

“The collaborative culture Dr. Niedermeyer has built with teachers and staff has been a game changer at Noblesville Schools,” added Amanda Giordano, Noblesville High School math

teacher and president of the Noblesville Teachers Forum. “The hard work she has done to advocate on behalf of teachers and students speaks volumes about the quality of her leadership, and her dedication to educators and public education. On behalf of our teachers, I want to congratulate her on this well-deserved recognition.”

The IAPSS central Indiana region covers Boone, Hamilton, Hancock, Hendricks, Johnson, Marion and Shelby counties, and represents 40 public school districts with approximately 28 percent of students in the state.

County Parks and Recreation (HCPR). It is the second trail project connecting Noblesville residents to a county park – the first being the White River Greenway Trail and Potter’s Bridge Park.

“The addition of the Levee Trail that includes Morse Park will enhance the access and use of the park, as well as furthering the connectivity of the park to more of the City of Noblesville and the Town of Cicero,” said HCPR Director Al Patterson.

On Tuesday, the city also dedicated its 100th trail mile with a decorative marker north of Dakota Drive on the Levee Trail. When Ditslear started as mayor in 2004 the city had 35 trail miles.

“Reaching this milestone shows the city’s commitment to activating and con-

necting people and places,” said Parks Director Brandon Bennett. “Through our constant expansion of city’s trail network, the community gets a chance to enjoy the outdoors and get physical and mental health benefits.”

The Levee Trail accomplishes one of the Noblesville NOW Capital Improvement Plan’s goals to improve pedestrian infrastructure. An agreement with Citizens Energy has allowed this project to be built on its property. The amenity includes an 8-foot-wide trail beside the levee and a 10-foot-wide path on top.

In addition to the Levee Trail, Noblesville is completing work on two other major trail projects –Midland Trace Trail Phase III and Riverwalk Phase IV.

“This company operates all over the world and had a number of options for growth even here in the Midwest. We’re extremely grateful to welcome them to Indiana, where hundreds of Hoosiers will benefit from the quality career opportunities this expansion will create.”

Sitel describes itself as a global firm, employing 75,000 people across 27 countries and is hiring and training for claims adjusters in Fishers. Interested applicants may apply online. Information on upcoming career fairs will also be posted online.

“Fishers is a great city, and the caliber of talent within the community is what excites us the most about opening our newest flagship customer experience center here,” said Mike Small, CEO –Americas, Sitel Group. “When I took on the role of CEO –Americas, I knew we needed to revamp our contact center strategy to ensure we were servicing our clients in the best possible way. This meant identifying key markets that not only complements

our business plan but communities in which we can plant roots and create a positive economic impact. For one of the largest financial services and insurance companies with whom we work, Central Indiana is the prime location.”

The Indiana Economic Development Corporation offered Sitel up to \$2.25 million in conditional tax credits based on the company’s job creation plans. These incentives are performance-based, meaning until Hoosiers are hired, the company is not eligible to claim incentives. The city of Fishers will consider additional incentives.

“Sitel’s global presence and commitment to community will be a welcome addition to Fishers business community,” said Fishers Mayor Scott Fadness. “Our shared core values in entrepreneurship and innovation make today’s announcement more than establishing their Midwest flagship operations, but also a new partnership in our efforts to make Fishers a smart, vibrant and entrepreneurial city.”

Carmel police officer arrested

The REPORTER

On Tuesday, Carmel Police Officer Bryan Hood was arrested for Operating a Vehicle While Intoxicated. Hood has been employed as a police officer for the Carmel Police Department since 2000.

Hood was driving his personal vehicle. At approx-

imately 9:34 p.m., he was stopped by officers from the Carmel Police Department for a traffic infraction in the area of City Center Drive and Range Line Road. Officers determined that he had been drinking and investigated further.

During the investigation,

Hood submitted to a breath test and tested 0.19 percent BAC. He was taken to the Hamilton County Jail where he is being held.

Per standard procedure, Hood will be placed on administrative leave with pay pending the outcome of the criminal investigation.

Once a Miller, always a Miller

The leaves are changing, the bright lights are turned back on, and football Fridays are back. Friday nights were always special growing up in Noblesville, but there is always one time a year where it seems to be even more memorable ... Homecoming. Some of the best memories are leaving school early and finding a spot for the parade. We always found our way downtown and sat right in front of Randall and Roberts.

We would enjoy the

JACK RUSSELL
OneZone Chief
Operating Officer

parade and then immediately make our way back to the stadium. You had to get there early so you didn't have to sit at the very top of the student section. Once you got there you would find your friends and not move for the next couple hours.

There is this energy around a Friday night game and even more so during Homecoming. I have never used the word "we" so much in my life. "We need to run the ball more" or "We got this." But that is

what Homecoming does. It makes you appreciate the value of community and coming together. It is what drives passion.

This year Noblesville Schools celebrates 150 years. Noblesville Schools gives you an even deeper passion of what it means to be a Miller. It's tradition, toughness, and the respect and appreciation of growing up in a community like Noblesville. You create this belief that it's YOUR hometown.

Two weekends ago the class of 2009, my class, got together for our 10-year reunion. We told stories, caught up with old friends,

and talked about Noblesville. Friends from Utah to Boston came back and it made me think about how amazing it is that no matter where like took all of us, Noblesville was home.

I have been blessed to work across this amazing county, but for me there is something special when I stop downtown Noblesville. You feel like it is yours, that you are home, and that you are proud, no matter where life takes you, to be a Miller. So, as Noblesville Schools celebrates 150 years of traditions, school lunches and Homecomings, remember this ... Once a Miller, always a Miller.

Wednesday morning crash sends six to hospital

The REPORTER

The Hamilton County Sheriff's Office Crash Team is investigating a two-car collision that sent six people to local hospitals.

Deputies were dispatched to the intersection of State Road 38 and Boden Road around 7:45 a.m. Wednesday. Callers reported a serious crash with the possible need for occupant

extraction and multiple patients.

Deputies investigating the crash reported a 2004 blue Toyota Corolla driven by Juan Curry Arce of Indianapolis was northbound on Boden Road approaching SR 38. According to the crash report, the Corolla stopped at the intersection with SR 38 and then proceeded in front of a 2006

white Chevrolet crew cab truck, driven by Gerardo Corona Chavez of Anderson traveling eastbound.

Arce was transported by air ambulance to St. Vincent Hospital on 86th Street with multiple injuries and a front seat passenger was taken to the same hospital by ground ambulance for treatment of cuts and bleeding. Four passengers in the truck

were taken to Riverview Health in Noblesville for treatment of pain of various body parts. The crash report indicates most, if not all, of those involved in the crash were wearing safety belts.

Anyone with additional information on the crash may call the Hamilton County Sheriff's Office Crash Team at (317) 773-1872.

Barber needed at county jail

The REPORTER The Hamilton County Jail is like a small town behind walls. Much of what happens outside must also occur inside the jail: Meals, laundry, health care, education and more. For those incarcerated for longer periods, this even includes haircuts.

The jail is currently in need of a barber to provide basic services for inmates. Haircuts are offered one day each week, usually beginning around 7 p.m. Inmates are charged \$12 for a haircut plus an additional charge if a beard or mustache trim is provided. Only basic barber services are done.

AG Hill: Double check before you write a check

The REPORTER

Indiana Attorney General Curtis Hill warns Hoosiers to be cautious when donating to relief efforts to help those affected by Hurricane Dorian.

"Hoosiers are generous people," Hill said. "They need to know about potential scams that could ensnare those trying to help victims of Hurricane Dorian. Don't let scammers stop you from donating, but be sure to research organizations before giving them money. Double check before you write a check."

Donors should stay vigilant toward possible fraudulent solicitations made via emails or phone calls. They should be on the lookout for unscrupulous individuals posing as charities. Donate on your terms. Don't feel you have to agree to donate during a telephone solicitation or by responding to an email. You can politely but firmly end a telephone call, or just not respond to an email solicitation, then research the charity before agreeing to donate. Then, if you're comfortable giving to the charity, you can contact the charity directly to make the donation. Here are some tips:

- Search online for the cause you care about – like "hurricane relief" or "homeless kids" – plus phrases like "best charity" or "highly rated charity." Once you find a specific charity you're considering giving to, search its name plus "complaint," "review," "rating," or "scam." If you find red flags, it might be best to find another organization.

- Check out the charity's website. Does it give information about the programs you want to support, or how it uses donations? How much of your donation will go directly to support the programs you care about? If you can't find detailed information about a charity's mission and programs, be suspicious.

- Use one of these organizations to help you research charities: **BBB Wise Giving Alliance**, **Charity Navigator**, **CharityWatch**, and **GuideStar**.

- If you're considering giving to a crowdfunding effort (for example, through GoFundMe) examine the background and expertise of the individual or group raising money and the exact path of the funds. You may

be able to instead donate directly to a local organization in the area affected.

- See what your state's charity regulator has to say about the charity. In Indiana, it's the Attorney General's Office. From another state? Look it up at nasconet.org.

- Before you donate through an online portal that lets you choose from a list of charities, read the article "Donating Through an Online Giving Portal," available at FTC.gov/Charity. It explains how these online giving portals work.

After you've donated, always review your bank account and credit card statements closely to make sure you're only charged the amount you intended to donate. It's good practice to keep a record of all donations.

As always, consumers who believe they are the victims of scam attempts are asked to report them to the Attorney General's Consumer Protection Division by calling 1-800-382-5516 or going online at in.gov/attorneygeneral/2347.htm and clicking the "File a Complaint" box at the bottom of the page.

Rare lunar occurrence this Friday

WISH-TV | wishtv.com

If you're a superstitious person, this Friday might just be a good day (or specifically, night) to stay inside.

This Friday will mark

the 13th day of the month, and will also produce a full moon. It's the first time since 2000 that a full moon and a Friday the 13th fall on the same day.

It won't happen again

until August 13, 2049.

This full moon is also known as the "Harvest Moon" because it is the last full moon before the Autumnal Equinox – the start of fall – on Sept. 23.

TODAY'S BIBLE READING

In the last day, that great day of the feast, Jesus stood and cried, saying, If any man thirst, let him come unto me, and drink. He that believeth on me, as the scripture hath said, out of his belly shall flow rivers of living water. (But this spake he of the Spirit, which they that believe on him should receive: for the Holy Ghost was not yet given; because that Jesus was not yet glorified.) Many of the people therefore, when they heard this saying, said, Of a truth this is the Prophet. Others said, This is the Christ. But some said, Shall Christ come out of Galilee? Hath not the scripture said, That Christ cometh of the seed of David, and out of the town of Bethlehem, where David was? So there was a division among the people because of him. And some of them would have taken him; but no man laid hands on him. Then came the officers to the chief priests and Pharisees; and they said unto them, Why have ye not brought him? The officers answered, Never man spake like this man. Then answered them the Pharisees, Are ye also deceived? Have any of the rulers or of the Pharisees believed on him? But this people who knoweth not the law are cursed.

Steven C. Heinzman

November 13, 1966 – September 10, 2019

Steven C. Heinzman, 52, Cicero, passed away on Tuesday, September 10, 2019 at Edgewater Woods in Anderson. He was born on November 13, 1966 to William and Helena (Lucas) Heinzman in Valparaiso.

Steven was a graduate of Tri-County Schools and was a member of First Church of the Nazarene of Cookeville, Tenn., and Noblesville. For 16 years, he worked in food processing at Arc of Cookeville. Steven served as Arc's longest employee and they awarded him a trip to Disney World. Steven was proud of working, which allowed him to buy cars.

He is survived by his father, Bill (Mary) Heinzman; sister, Joanna Sue (Aaron) Champey; niece, Ashley (Steven) Hall; great-niece and great-nephews, Kamdin, Steven James, Blaine and Alyson; nephew, Aaron Michael Champey; and Steven's fiancée, Jennifer Bolander.

Steven was preceded in death by his mother, Helena Heinzman; his grandparents; three aunts; and two uncles.

Services will be held at 1 p.m. on Saturday, September 14, 2019 at Randall & Roberts Funeral Center, 1685 Westfield Road, Noblesville, with visitation from 11 a.m. to the time of service. Burial will be at Crownland Cemetery in Noblesville.

Southeastern holds off Fishers for Mudsock trophy

Mudsock week continued Wednesday with girls soccer, and Hamilton Southeastern was the winner of that round.

The Class 3A No. 1 Royals scored an early goal, and that was enough to get them past 3A No. 7 Fishers 1-0. Molly Harris scored the goal during the game's first 10 minutes on a free kick.

"Ben does a great job with his team," said Royals coach Greg Davidson. "He always has them playing so well."

Southeastern is now 8-1 for the season. The Royals host Crown Point on Saturday morning.

"We got to continue to get better," said Davidson. "We're a great team, we got a great defense, we got great midfield, we got great forwards. But we got to continue to be even a better team four weeks from now."

The Tigers are 5-1-2 and play at Warsaw on Saturday.

The Hamilton Southeastern girls soccer team won the Mudsock Trophy on Wednesday. The Royals held off Fishers 1-0, scoring their goal in the first half.

Noblesville beat Westfield 4-1 in a Wednesday game at the Shamrocks' field.

The 3A No. 3 Millers scored all of their goals in the first half. Meskerem James scored the first goal four minutes into the game on a rebound. Isabella Griffey put the second goal in from a Jenna Chatterton assist. Ava Bramblett was next, putting the ball in from 18 yards out. McKenna Corley got Noblesville's fourth goal; it was her first varsity goal.

Allison Bullock scored Westfield's goal with 10 minutes left in the game.

Noblesville is 6-0-1 and plays at Homestead on Saturday. The Shamrocks are 5-4 and play at Southeastern next Wednesday.

Carmel wins five-setter over Zionsville

Carmel seniors Gabby Smith (12) and Anne Lesure (right) react after winning a point during the Greyhounds' Wednesday match with Zionsville.

Reporter photo by Kirk Green

The Carmel volleyball team won an exciting five-set match over Zionsville Wednesday at the Eric Clark Activity Center.

The Greyhounds emerged victorious in a back-and-forth match, 19-25, 25-16, 25-23, 14-25, 15-12. The Eagles continuously challenged Carmel, with both teams exchanging serving runs during the match. But the Greyhounds made one last push in the fifth set to win.

Carmel coach Kristine Deem credited the victory to "working together as a single unit and figuring out our lines of communication, especially in broken plays, and figuring out how to keep our calm, always believing in that fight."

Four different Greyhound players had at least 12 kills. Gabby Smith and Lexi Brehl both put down 13 kills, while Macarty McQueen and Anne Lesure both hit 12 kills. Lesure and Ella Bostic both handed out 24 assists.

Bostic and McQueen each served three aces, with Brehl hitting one. On defense, McQueen collected 20 digs, Lesure had 12 and Brehl picked up 10. Smith made six blocks, and Lesure had three blocks.

"We have some people stepping into some new roles that weren't regular for them and they really stepped up," said Deem.

Carmel is 13-6 and plays Jasper at the Pioneer Varsity Three Way on Saturday.

Tennis

Royals win county dual over Millers

The Hamilton Southeastern boys tennis team beat Noblesville 5-0 in a Wednesday dual meet.

The No. 14-ranked Royals won all five matches in straight sets. In No. 1 singles, Andrew Orme won in two tough sets over the Millers' Noah Bushong 6-4, 6-4. The No. 3 singles was also tight, with Southeastern's Rohan Golla beating Zach Greer 6-3, 6-4.

"Overall, I was very happy with the way we played tonight, but there's still

some things we have to improve to be ready for the HCC tourney next week," said Royals coach Kirk Webber.

No. 1 singles: Andrew Orme def. Noah Bushong 6-4, 6-4
No. 2 singles: Paul Schneider def. Michael Krukover 6-1, 6-2
No. 3 singles: Rohan Golla def. Zach Greer 6-3, 6-4
No. 1 doubles: Daniel Verde and Andrew Spirrisson def. Evan Voigt and

Josh Middleton 6-0, 6-1

No. 2 doubles: Jackson Bill and Logan Hubbard def. Jonathan Maskew and Sean Vitales 6-0, 6-0

Hamilton Heights dropped a 4-1 dual meet to a strong Western Boone team on Wednesday.

The Huskies' lone win came from No. 2 doubles, with Jake Martin and Erik Malott coming back to get a 3-6, 6-3, 6-4

victory.

Westfield, ranked No. 8 in the state, beat No. 28 Harrison 3-2 on Tuesday.

Winners for the Shamrocks were No. 3 singles Harrison Sindelar, No. 1 doubles Nicholas Mabe and Brett Barnes, and No. 2 doubles Connor Housefield and Danny Hildebrand.

Westfield is 8-1 for the season and hosts Franklin Central this afternoon.

Football previews

Mudsock, Midland rivalries highlight Week 4

Week 4 of the football season includes two of the biggest rivalry games there are in Hamilton County.

Fishers will host Hamilton Southeastern for the Mudsock game. The competition for the traveling trophy has already been fierce in the other fall sports, so expect the same for football. Meanwhile, Westfield will welcome Noblesville for another edition of the longstanding series between those two schools.

SOUTHEASTERN-FISHERS

The Mudsock rivalry dates back to 2006, the year that Fishers High School re-opened its doors. The Royals lead the series 10-9, so it has been a close one. Southeastern won last year's Mudsock game 14-10, the only meeting of the schools in 2018.

Both coaches appeared on HCTV's coaches show on Monday and talked about the upcoming game, although Fishers coach Rick Wimmer noted something about how important the rivalry is.

"You don't have to talk a whole lot about it," said Wimmer. "Our kids know what it means to them, first of all, and know what it means to our school and our community. They're excited to play."

Wimmer has been with Fishers since it re-opened. Royals coach Adam Morris will be on the sidelines of his second Mudsock game, but he knows the importance of it.

"It really makes being a football player in our district and in our community special," said Morris. "There's a lot of kids who play at really good programs and for great coaches with a lot of history, and there's not many places that have this game, that have a rivalry like this that's going to be in front of 8 and 9,000 people."

The Tigers are 3-0, with wins over

North Central 26-0, Pike 26-13 and Noblesville 28-7. Senior Marcus Roux has had a solid start as quarterback, with 412 yards passing and six touchdowns. Senior Dylan Scally leads the rushing with 234 yards, while senior Reece Boland has nine receptions.

Another senior, Geoffrey Brown, is on top of the defense with 31 tackles, including six for a loss. Senior Josh Ibey has made three sacks.

Southeastern is 1-2, but those two losses have come in very close games. The Royals beat Lawrence Central 24-20 before falling to North Central 17-16 and Avon 35-27.

Senior quarterback Andrew Hobson has also been solid, with 668 yards and five touchdowns to his credit. Junior Tylin Taylor leads the ground game with 173 yards. Two seniors are on top of the receiving game: DeAndre Rhoades has 19 catches and Ben Boysen has 15 receptions; three of Rhoades' catches are for TDs.

On defense, senior Seth Samrelli leads with 38 tackles while junior Nate Haas has 32. Senior Chris Stein has four sacks for the season.

NOBLESVILLE-WESTFIELD

The Millers and the Shamrocks have their own trophy, the Midland Rail trophy, to play for when Noblesville heads to Westfield's Riverview Health Field on Friday.

The trophy has been flipping back and forth in the past two years. The 'Rocks won it for the third straight season in 2017, but the Millers took the trophy back last year with a 10-2 victory.

"They dominated our offense, so we know we're scoring a lot of points, but they absolutely dominated us last year with their defense," said Shamrocks

coach Jake Gilbert on HCTV.

Westfield will come into this game with a 3-0 record, with easy wins over Harrison 55-28, Decatur Central 36-14 and Zionsville 51-24. Senior Camden Simons has been strong to start the season, with 549 yards passing (26-of-38, a 68.4 percent completion rate) and six touchdowns. Senior Dane Wheeler has eight receptions and junior Mason Piening is at seven catches. Both have caught two TD passes.

On the ground, senior Eli Patchett leads the way with 259 rushing yards and five scores. Sophomore Micah Hauser has made 28 tackles, with Patchett right behind at 27 tackles.

"With Westfield, they have weapons everywhere," said Noblesville coach Justin Roden. "The quarterback has a fantastic arm."

"Their offensive line is fantastic," said Roden on HCTV. "Defensively, their front four is really good." The coach said the Shamrocks "are a much-improved football team than last year."

The Millers are 0-3, but have played an incredibly tough schedule. Noblesville fell to Cathedral 42-14, Carmel 37-0 and Fishers 28-7. According to the Sagarin ratings, the Millers have the second-toughest schedule after three weeks. Center Grove is rated as the toughest schedule, with games against Warren Central, New Palestine and Carmel.

"Record-wise, they've played three terrific teams," said Gilbert. "I'm not going to be fooled by that too much."

Sophomore Sam Steinhofner has 27 tackles to lead Noblesville's defense, with junior Skyler Tolliver and senior Carson Sanders both making 2.5 tackles for a loss. Senior Alex Zavac is the quarterback, with 72 yards and a touchdown

pass so far this season. Sanders and junior Zach Blevins both have three receptions, with Sanders getting the TD pass. Senior Jayden Barrett leads the rushing with 42 yards.

SHERIDAN-DELPHI

Sheridan will continue Hoosier Heartland Conference play Friday by hosting Delphi at Bud Wright Stadium. This will be the first meeting between the two schools since 2010, when they both played in the Hoosier Conference.

This is the Oracles' first year in the HHC after several years as an independent. Delphi began its season with two wins, over Benton Central 29-0 and Carroll 20-9, before losing to Eastern 28-14 last week.

"Delphi is a fine football team," said Wright on HCTV.

While the Oracles graduated several kids from last year, Wright said they still have an "excellent running back" returning, "plus they got three very solid linemen back. It'll be a good fight for us and it's always a good contest."

Senior Isaac DeKalb is the top rusher for Delphi, gaining 156 yards with a touchdown. Junior Jordan Roth is the quarterback, and has thrown for 345 yards and three scores. Senior Kullen Lowry has two of those TD catches as part of his 15 receptions.

On defense, sophomore Tristin Isley leads the tackles count with 34, while senior Jayden McClain has three stops for a loss.

Sheridan is also 2-1, opening with a 41-6 loss to Western Boone before two HHC wins over Clinton Central 49-29 and Tri-Central 50-19.

Junior Cameron Hovey is off to a fantastic start, with 548 yards rushing and

eight touchdowns. Sophomore quarterback Silas DeVaney has thrown for 176 yards and a touchdown. Junior Keenan Warren caught the touchdown pass; he, sophomore Cayden Hunter and freshman Peyton Cross al have two receptions.

Hovey also leads the defense with 28 tackles. Seniors Chris Starks and Charlie Cronin both have five tackles for a loss, with sophomore Evan Bourdon making four stops for a loss.

GUERIN CATHOLIC- BREBEUF JESUIT

Guerin Catholic continues its road trip on Friday with its first Circle City Conference game of the season at Brebeuf Jesuit. This game starts at 7:30 p.m., a half-hour later than the other county games.

Golden Eagles coach Tom Dillely noted on HCTV that his team has played the Braves every year since the football program began in 2006. The two teams played each other twice last season, with Brebeuf winning both times, 41-10 in the regular season and 20-10 in the sectional semi-finals.

“A lot of familiarity, a lot of respect for Coach (Mic) Ressler and his staff and what they’ve done there,” said Dillely. “I’m hoping our kids are going to work

hard to be ready to play on Friday.”

The Braves are 2-1 so far this season. Brebeuf lost to Bishop Chatard 49-14 in its opener, but have since defeated Arsenal Tech 27-6 and Cardinal Ritter 40-0.

Senior Caleb Ellison is the Braves’ quarterback, and he already has 3355 yards for six touchdowns. Junior Brendan Petrie has seven receptions, including one score, while junior Isaiah Martin has rushed for 169 yards and three TDs. On defense, senior Jay Higgins has 39 tackles, including 2.5 for a loss.

Guerin Catholic is 3-0, with wins over McCutcheon 24-14, Lafayette Central Catholic 50-28 and Heritage Christian 23-5. Last week’s victory included a touchdown pass from quarterback Christian Gelov to Bernie McGuinness, with Gus Baumgartner scoring on a touchdown run.

HAMILTON HEIGHTS- NORTHWESTERN

Hamilton Heights will host Northwestern on Friday, in the first Hoosier Conference East Division game of the season for both teams.

The Tigers are 0-3, with losses to Eastern Hancock 42-13, Twin Lakes 10-3 and Lafayette Central Catholic 46-12.

But the Huskies will not be taking Northwestern lightly.

“Northwestern is a great program,” said Heights assistant coach Nathan Stratton HCTV. “We watch the way that they play defense. They’re really big up front. We feel like if we don’t bring our ‘A’ game we could really get pushed around up front.”

Junior Logan Caudill is the Tigers’ quarterback, with 144 yards so far this season. Freshman Cole Cardwell is Northwestern’s top rusher with 149 yards and a touchdown. Senior Nathanael Bildeau leads the receptions list with five. Junior Bodey Henry has 24 tackles, while senior Zain Loges has made three tackles for a loss.

The Huskies are also searching for a first win, after falling to Mount Vernon 44-23, North Montgomery 28-14 and West Lafayette 56-7.

Sophomore Guy Griffey has stepped into the quarterback role and is doing well, with 353 yards and two touchdowns. Senior Camron Knott has 14 receptions, including three for scores. Senior Deshawn King leads the rushing with 21 yards, and is on top of the defense with 33 tackles.
