Heights raises over \$2K for Ryan White Scholarship Fund

The REPORTER

This year's Ryan White Walk at Hamilton Heights High School raised over \$2,000 for the Ryan White Scholarship Fund.

One day a year, students pay \$1 to miss each period and participate in activities outside such as walking around the track, corn hole and Kan Jam. There is music, food and camaraderie to help raise awareness to continue to preserve Ryan White's legacy – *"Help me beat the odds and together let's educate and save the children of tomorrow"* – while raising funds for the scholarship fund created in his memory in 1991.

"The Ryan White Scholarship began in 1989 when money from all over the country was sent to Heights in Ryan's memory," said Kim Kaiser, a business education teacher at Hamilton Heights and the long-term treasurer of the fund. "The school and AIDS Council created The Ryan White Scholarship to award seniors planning to pursue careers in fields that were important to Ryan – education, health and medical. For the past 30 years, Hamilton Heights High School has awarded over \$62,000 to 74 students. The Hamilton Heights High School Student Government organization has been hosting the Ryan White Walk fundraiser for the better part of 30 years."

Ryan White, a 14-year-old boy from Kokomo, was diagnosed with AIDS in December 1984 after contracting the virus from a contaminated hemophilia treatment.

Hamilton Heights High Schools' annual Ryan White Walk raised over \$2,000 this year for the Ryan White Scholarship Fund. **(From left)** Aubrey Franklin, Christopher Franklin, Meridian Franklin and Sarah Mariotti, who were among the vast majority of high school students who participated in the daylong event, shared why: "Ryan White's story was a big influence on us because he stood up for himself and what he believed in."

He faced intense discrimination from his school and community in a time of fear and misunderstanding about the disease. Ryan

and his family moved to Cicero, where he was embraced by Hamilton Heights High School and the community. Ryan lived for over five years after his diagnosis. He lost his battle to the disease in April 1990, one month prior to his high school graduation. His story, which has become an integral part of Hoosier history, still resonates with people around the world and his legacy continues to raise awareness on AIDS.

Junior Katie Cummings said the event was a reminder how one person can change the world. "It also reminds us to be tolerant and supportive of each other and our differences," added Caitlyn Houser, a junior at Heights.

Hannah Tinch, also a junior, said Heights gave him [Ryan White] a chance to belong and that is something everyone wants and deserves.

"This event is a way we can keep Ryan White's legacy alive while raising money for scholarships," said senior Hudson Hochstedler, who has helped with the event since his freshman year.

This year marks the 32nd anniversary of his first year at Hamilton Heights High School. An Indiana historical marker commemorating his contributions was installed during a special dedication at Hamilton Heights Middle School (formerly the high school) on Aug. 30.

Money for the Ryan White Scholarship Fund is generated through the annual Ryan White Scholarship Walk fundraiser and private donations. Donations can be mailed to: The Ryan White Scholarship Fund, P.O. Box 379, Arcadia, IN 46030, Attn: Kim Kaiser.

The REPORTER

After 51 years, the remains of Vietnam War victim Alan Bardach were returned to Indiana on Thursday for burial. Bardach, whose family lived near Westfield at the time of his death, was killed in action in January 1968.

A burial with full military honors will be conducted today at Crown Hill Cemetery in Indianapolis.

Stay up late in Carmel, jam out to LemonWheel

The REPORTER

The city of Carmel invites area residents to come out tonight from 9 p.m. to midnight for the final "Late Night on Main" street party of the season in the Carmel Arts & Design District.

The City will shut down Main Street just west of Range Line Road to 2nd Avenue NW to make way for musical entertainment, dancing in the street and enjoying the eats and treats from local vendors who

will be staying up late, too. LemonWheel will take the stage at 9 p.m.

This means Main Street from Range Line Road to 2nd Avenue NW will be closed beginning at 2:30 p.m. today so preparations can be made, including the placement of a stage for the band. Detour signs will be in place to direct traffic around the closure. Plan for extra time Saturday afternoon and evening if your route includes Main Street.

Go Purple with Prevail!

Every year, more than 3 million children witness domestic violence in their homes. Breaking the cycle is possible! It all begins with a conversation ...

- 1) **Take the lead.** Don't wait for children to come to you; they're likely scared and uncomfortable to bring the topic up, too.
- 2) **Start with a message of support.** Try something like, "I care about you and I will listen to you."

- 3) **Find out what they know.** Ask your children what they've seen or what they understand about what's happening at home.
- 4) **Show support.** Acknowledge children's feelings and their versions of events, which may not line up with what actually happened.
- 5) **Tell them it's not their fault.** Children are naturally self-centered and are likely to think they're the reason for the violence. Assure them they are not.
- 6) **Tell them violence is not OK.** It may feel hypocritical to say, but it's still an important message to get across.
- 7) **Try to stay calm.** Speaking confidently conveys a sense of security. If your children ask something you're not comfortable answering right then, tell them it's an important question and you need some time to think before you can answer. Most importantly, make sure you do get back to them. #GoPurplePrevail

Letter to the Editor

Jackie & Dave Cox thank community for its support

Dear Editor:

We would like to thank our community for the outpouring of love, support, and prayer during our daughter, Courtney Cox Cole's 5 ½ year battle with cancer. The kindness extended to her sister Monica Peck and family, to her children Cayla and Blake, and to us as parents has been overwhelming.

During this period, we relied on many

of our community resources, including Noblesville Fire and Ambulance Services and Riverview Hospital. We cannot praise the hospital's ER, nurses and hospitalist physicians enough. They are second to none. We are eager to dedicate the Courtney Cox Cole Infusion Center.

Again, our deepest gratitude.

New biking program allows Janus clients freedom to explore

Submitted

Imagine your excitement if you found out you were going to get to do something you always dreamed of doing, but just never had the opportunity.

Janus recently received a grant from the CIBA (Central Indiana Bicycling Association) Foundation to purchase seven bicycles for its clients. Some of Janus' clients have only had the opportunity to observe others enjoying the joy of bike riding.

Now, thanks to CIBA and Randy Clark, who is the owner/founder of Bicycle Garage Indy and BGI Fitness, Janus' clients will enjoy the benefits associated with bicycle riding. Learning to ride a bicycle increases self-esteem and self-confidence and provides another opportunity to exercise and improve stamina.

Clients will participate in safety instruction and cycling learning activities prior to riding, and helmets will be required. This

Photo illustration provided

Clients and staff at Janus will soon be able enjoy new bicycles like this one.

project addresses the "safe cycling" aspect of CIBA's mission statement.

The staff at Janus is particularly excited about this new program since the Midland Trail runs right behind Janus, providing a beautiful, safe place to ride. Plans are in the works to build a sidewalk that will provide safe access to the trail for clients to use for hiking and now bicycling adventures.

Janus is especially appreciative of Randy Clark, who is also a CIBA Board

Member, for the expertise he provided when the equipment and additional necessary equipment was ordered, such as helmets, a tire pump, lights, etc. As soon as the bikes arrive, Randy is not only bringing the bicycles to Janus, but he is also providing an employee who will assemble the bikes at no charge.

The staff and clients of Janus are excited about this new Bike Program and look forward to seeing where these new adventures will take them.

New roundabout underway at Guilford & Main in Carmel

The REPORTER

On or after Monday, Oct. 7, Main Street and Guilford Road in Carmel will be closed for 60 days, weather and utility relocation permitting, to replace the signalized intersection with a roundabout. This phase will complete the Guilford Boulevard Project.

The city of Carmel appreciates the community's patience as the improvements to safety and beautification of this area along Guilford Boulevard are finalized, which includes the area directly in front of Carmel Middle School. At the completion of the project from City Center Drive to Main Street, Guilford will be a beautifully landscaped boulevard.

The city says the safety of students and families

walking or biking to and from the school was a high priority when planning this project. To increase pedestrian safety and enhance access in the area, multi-use paths and crosswalks were added and older

sidewalks were replaced. Drainage in the area was also improved with the storm water features that were added.

Dozens of Noblesville home affected by high water pressure during maintenance work

WISH-TV | wishtv.com

On Friday, dozens of homes on the west side of Noblesville were affected after a pressurization issue occurred during maintenance work.

Citizens Westfield Water experienced a “high pressure event on its water distribution system” near 161st and Hazel Dell Parkway.

According to a release provided by Citizen's Energy Group, the issue developed during valve maintenance work, but was isolated and pressures were returned to normal.

Citizens estimated nearly 100 homes in the Noblesville area were impacted and Citizen Energy crews went door-to-door in the

area of the Twin Oaks subdivision to determine if any damage has been done due to the temporary high water pressure.

If you are experiencing pressure issues, or have damage due to the high water pressure in the Twin Oaks area, you are asked to call Citizens Contact Center at (317) 924-3311.

SHAMROCK SELF STORAGE

presents

Holidays With Heroes

This holiday season, the Carmel Police Department, in partnership with Shamrock Self Storage and Meijer stores, will host our inaugural “Holidays with Heroes” community program.

Holidays can sometimes be stressful and for those families with financial challenges, the stress of not being able to provide gifts for their children can be overwhelming.

A Carmel Police officer will go shopping at Meijer with a child-in-need from our community. Our goal is to provide each child with a gift card to buy coats, clothes and toys. The kids and officers will begin their day with a hot breakfast before they go shopping. At the end of the day, each child will go home with wrapped gifts and a holiday stocking.

To be successful, we need your help!

Your donation will help us provide gift cards, breakfast items, wrapping paper, stocking stuffers and refreshments for a truly memorable day for each child.

Our event will be held Saturday, December 7, 2019! Checks can be written to the Carmel Police Department, with "Holidays with Heroes" in the memo. Please contact Ann Gallagher, Community Resource Specialist at 317-571-2720 or email at agallagher@carmel.in.gov with any questions.

TODAY'S BIBLE READING

Jesus answered them, Many good works have I shewed you from my Father; for which of those works do ye stone me? The Jews answered him, saying, For a good work we stone thee not; but for blasphemy; and because that thou, being a man, makest thyself God. Jesus answered them, Is it not written in your law, I said, Ye are gods? If he called them gods, unto whom the word of God came, and the scripture cannot be broken; Say ye of him, whom the Father hath sanctified, and sent into the world, Thou blasphemest; because I said, I am the Son of God? If I do not the works of my Father, believe me not. But if I do, though ye believe not me, believe the works: that ye may know, and believe, that the Father is in me, and I in him. Therefore they sought again to take him: but he escaped out of their hand, And went away again beyond Jordan into the place where John at first baptized; and there he abode. And many resorted unto him, and said, John did no miracle: but all things that John spake of this man were true. And many believed on him there.

Friday night football - Week 7

Royals grab third straight win in defeat of Millers

By CRAIG ADKINS
FISHERS – In the 2019 meeting of Hoosier Crossroads Conference rivals Noblesville and Hamilton Southeastern, it became a game where holding onto the football for lengthy periods of time was going to pave the way to victory. That's exactly what happened on Friday night as the host Royals took down the Noblesville Millers 35-7.

The Royals got off to a great start and never looked back, easing their way to another HCC win on what was a “Pink Out” in support of breast cancer awareness night.

On an opening drive of 62 yards that took nine plays and 3:40 off the first quarter clock, Blaine Wertz made his way to the end zone from 22-yards out for an early 7-0 HSE lead.

The Millers were forced to punt after four plays on their first drive and that allowed HSE to get back at it offensively.

This time they marched 80 yards in 4:44, capping the 10-play drive off with a six-yard touchdown pass from Andrew Hobson to Tony Myers and just like that, the Royals were out to a two-score 14-0 advantage late in the first.

“Even when we have had our struggles, I've always felt like offensively the capability and potential was there,” said Hamilton Southeastern head coach Adam Morris about his offense after Friday night's win over Noblesville.

“Our coaches on that side of the ball are unbelievable. We have some really good pieces on the perimeter. Up front on the offensive line, I think you're just seeing them gel each week and get better each week,” said Morris, continuing to compliment his offense and his coaching staff.

The Royals' third series got all the way down to the Miller 15, but resulted in a 32-yard field goal attempt by place-kicker Alex Geroulis just wide of the left upright.

Noblesville punted back to HSE once again and two plays later, Aidan Richardson intercepted a Hobson pass to the Royals' 37.

The Millers couldn't even get a drive started, as tailback Shawn Kinslow fumbled and the ball was recovered by defensive tackle Evan Lantz.

This gave Southeastern the ball at its own 31, and the Royals had one thing in mind and that was to score before halftime.

It didn't take them long and the drive really accelerated when the Royals faced adversity heading to the final minute. With 49.9 seconds until halftime, it was 4th and 15 at the Miller 37. Hobson threaded a pass down the home sideline

for a 31-yard completion to DeAndre Rhodes, who kept both toes inbounds, completing a spectacular catch.

“I think the play right before the half was the most important one of the game,” added Morris on Rhodes' tight-wire sideline grab.

“Completing that ball down here, getting some more points on the board before halftime really changed the game,” stated Morris on how that fourth down conversion changed the game completely.

John McCall came in a punched it in from three yards away to give Southeastern a 21-0 halftime cushion.

“They did a good job. They speed it

up in certain situations and play the tempo of that a little bit. There were third downs where we just couldn't get off of the field,” said Noblesville head coach Justin Roden on the HSE offense's ability to control the tempo and simply wear down his defense.

Noblesville would fumble again just a few plays into their first series of the second half. Elijah Butler put the ball on the turf and Evan Lantz pounced on it for the second time of the night.

The Royals wasted no time at all on the following drive and they didn't need a whole lot of room, starting from the Noblesville 39.

Hobson would toss his second touchdown pass on the night, this time to Rhodes for a 15-yard end zone grab, pushing it to a four-score game at 28-0.

Late in the third, McCall would plunge in for a two-yard rushing touchdown that would make it a 35-0 count with 4:01 left in the quarter.

At this point, according to new IH-SAA rules, the remainder of the game would involve a running clock, because a particular team leads by 35-plus points.

This would be the point where the game was out of reach for a Noblesville comeback.

The Millers would substitute Alex Zavac back in at quarterback for the rest of the game. He would complete two of his four pass attempts, including one for 42-yards up the visiting sideline to Jayden Barrett that accounted for the lone Miller score on the night, making the final score a 35-7 win for Hamilton Southeastern.

“We've got to go back and improve our response to things,” stated Roden on his team's reaction to situations that frustrated the Millers.

“That's what young and inexperienced teams do when they get put in a corner, they don't respond like champions do. Champions find a way to overcome that adversity. That's a really good football team,” Roden continued on how Noblesville needs to find ways to bounce back in the coming weeks.

Tigers shut out Franklin Central

Fishers got a bounce-back victory on Friday, taking care of Franklin Central 23-0 in a Hoosier Crossroads Conference game at Clarian Field.

It was a nice win for the Tigers after two straight losses, and also marked their first shutout of the season. Fishers was led defensively by Geoffrey Brown, who made nine tackles (six solo, three assists), with Grant Whetsel next in line with five stops (four solo, one assist). As a team, the Tigers had six tackles for a loss and four sacks.

Fishers’ offense did its job as well, and did it quickly. The Tigers got on the board just 23 seconds into the first quarter, when Marcus Roux threw a pass to Reggie Cook-Graham, who took it 67 yards into the end zone. Jack Phillips made the extra-point kick.

Roux struck again just minutes later, tossing a 37-yard touchdown pass to Jeffrey Simmons. Phillips again kicked the extra point, and Fishers had a 14-0 lead after the first quarter.

Phillips converted a 35-yard field goal attempt in the second period, putting the Tigers up 17-0 at halftime. Fishers got one more touchdown in the third quarter: Roux threw to Boland for a 14-yard score, giving Roux three touchdown passes for the game.

Roux had an outstanding game, going 18-for-30 and totaling 274 yards. Simmons, Boland and Nick Leath all made four receptions. Dylan Scally led the rushing with 41 yards.

The Tigers are 3-2 in HCC play, placing them in a tie with Hamilton Southeastern for third place. Fishers is 5-2 overall and plays at Westfield next Friday.

Golden Eagles pull away from Pontiac Notre Dame

Guerin Catholic hosted one of Michigan’s best teams on Friday, and came away with a hard-fought victory.

The Class 3A No. 8 Golden Eagles beat Pontiac Notre Dame 34-23, finally pulling away from the Fighting Irish with a late fourth-quarter touchdown. Notre Dame had come into the game undefeated at 5-0, so this was a quality win for Guerin Catholic.

“We did play them last year,” said Golden Eagles coach Tom Dilley. Guerin won that game 31-14.

“A lot of the scheme is similar,” said Dilley. “Some of the personnel’s different. That helped. Last year was a little more difficult. You get film, still, but it’s just hard to know and get a feel for a team until you see them in person. So a little easier this year, but still, they’re not difficult to prepare for because they’re from a different state. They’re just difficult to prepare for because they have some weapons around the field. They can use them. They can throw it, they can run it and they got some good linemen.”

The Fighting Irish got on the board first with a field goal, but that would be their only lead. Guerin Catholic’s Gus Baumgartner rushed 25 yards for a touchdown with 2:54 left in the first quarter,

and Luke Etchison’s kick made it 7-3, which is where the first quarter ended.

The two teams traded touchdowns in the second quarter, with GC’s Christian Gelov running in from the three-yard line early in the period. Notre Dame made its own three-yard scoring run late in the quarter, but the Golden Eagles got the last word of the half: Gelov threw to Patrick Hagel with four seconds left, and Hagel caught it for a 15-yard touchdown. Guerin Catholic led 20-9 at halftime.

Baumgartner scored in the third quarter, running for a six-yard touchdown, and then making a two-point conversion rush to get the Golden Eagles ahead 28-9. The Fighting Irish scored two touchdowns in the third period to give Guerin some nervous moments, but Baumgartner finally put the game away with a nine-yard touchdown run late in the fourth.

Baumgartner finished the game with 174 yards on 26 carries, including the three touchdowns. Gelov threw an outstanding game, completing 14 of 17 passes for 184 yards. Bernie McGuinness was the top receiver, with six catches.

The Golden Eagles are 5-2 for the season and host another Michigan team next week, Brother Rice from Bloomfield Hills.

Blackhawks overwhelmed at Seeger

Sheridan’s five-game win streak came to a halt Friday night at Seeger.

The Patriots overwhelmed the Class 1A No. 9 Blackhawks 49-7. Sheridan briefly held a first-quarter lead at 7-6, after Evan Bourdon scored a 19-yard touchdown, but Seeger blasted through the remainder of the period, leading 28-7 by the end of the quarter. The Patriots then led 42-7 at halftime.

Blackhawks coach Bud Wright was blunt about the game: “We did not come to play,” he said.

“We just flat out did not do anything,” said Wright. “We didn’t perform at all.”

Bourdon was the leading rusher, with 42 yards.

Sheridan is now 5-2 for the season. The Blackhawks will return to Hoosier Heartland Conference play next Friday at Eastern. The Comets are unbeaten at 7-0 and are 5-0 in HHC play. The ‘Hawks are also 5-0 in the conference, so this game will be pivotal in determining the league champion.

Huskies fall to Tipton in close game

Hamilton Heights lost a hard-fought rivalry game at Tipton on Friday, 35-28.

The Blue Devils scored first with a long touchdown pass early in the first quarter. The Huskies answered back within minutes, as Deshawn King ran the ball into the end zone from the three-yard line. Michael Lecher’s extra-point kick tied the game at 7-7, which is where the first period ended.

Heights took the lead early in the second quarter after Ethan Rodriguez caught a 10-yard TD pass from Guy Griffey, and Lecher kicked the extra point. The Huskies held the 14-7 advantage until right before halftime, when Tipton scored with 14 seconds left in the half to tie things up at 14-14.

The difference turned out to be the third quarter, as the Blue Devils scored on an eight-yard run while holding Heights scoreless. The Huskies tied the game again early in the fourth quarter; this time

it was Isaac Wilson throwing the touchdown pass, 25 yards to Colin Denham. Lecher kicked the extra point, and it was 21-21 with 10:01 left.

But Tipton took the lead back right away. Anthony Reel took an 80-yard kickoff return into the end zone, making it 28-21 Blue Devils. Heights answered just over a minute later, with King running 20 yards for his second touchdown of the game. Lecher made the extra-point kick, his fourth of the night.

The score stayed 28-28 until there was 2:25 left, when Drew Pearce’s 28-yard run put Tipton ahead for good. The Huskies tried one final drive, but were stopped when the Blue Devils intercepted a Heights pass.

Both Huskies quarterbacks had good games: Griffey was 11-for-16 and 121 yards, while Wilson was 8-of-14 for 131 yards. King rushed 16 times for 103 yards, and had the most receptions with

Late interception sends Giants past 'Hounds

Carmel dropped its second Metropolitan Conference game in a row on Friday, falling at old rival Ben Davis 27-14.

The Class 6A No. 10 Giants scored just 20 seconds into the game, when Trent Gipson rushed 77 yards for a touchdown on the very first play of the game. The 6A No. 4 Greyhounds answered a few minutes later, as John Rogers took the ball into the end zone on a 15-yard rush. Spencer Hanna tied the game with an extra-point kick.

But Ben Davis added 10 more points (a field goal and a long passing touchdown) during the final 2:04 of the first quarter, keeping Carmel down 17-7. Another field goal gave the Giants a 20-7 halftime lead.

The Greyhounds cut that advantage to 20-14 after Christian Williams punched the ball in from the one-yard line, and Hanna made his second extra-point kick of the night. Carmel continued to threaten up until the end of the game, but Ben Davis ended that when Daylan Carmell intercepted the ball and returned it 55 yards for a touchdown with 58 seconds left in the fourth quarter.

Williams finished the game with 88 yards rushing, and passed for 169 yards.

The loss dropped the Greyhounds to 3-2 in the MIC, putting them in fourth place after Friday’s games were completed. Warren Central continues to lead the conference at 5-1, with North Central and Ben Davis tied for second at 4-1.

Carmel is 4-3 overall and will host Warren Central next Friday.

'Rocks play close before falling to No. 1 Avon

Westfield hung tough with the No. 1 team in Class 6A Friday night, pushing Avon before falling 27-24 at the Orioles’ field.

The three-point margin was the closest that any team has come to Avon, which is undefeated for the season at 7-0, and is 5-0 in the Hoosier Crossroads Conference. The Shamrocks fell to 4-3, and are 2-3 in HCC play.

Westfield scored the first touchdown of the game, a five-yard run by Eli Patchett. Sean Sullivan kicked the extra point to put the ‘Rocks up 7-0. The Orioles tied the game with their own touchdown, but Westfield finished the first quarter ahead 10-7 after Sullivan booted a 34-yard field goal.

Avon asserted itself in the second quarter, scoring two touchdowns to take a 20-10 lead at halftime. The ‘Rocks narrowed the gap to 20-17 after Patchett

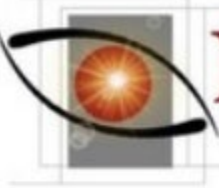

scored another touchdown and Sullivan kicked the extra point.

Again, the Orioles answered, making a 27-yard pass to score their fourth touchdown of the game and go up 27-17. Westfield refused to go away, with Patchett getting his third five-yard rushing touchdown of the game early in the fourth quarter. Sullivan’s extra-point kick got the ‘Rocks within three, but Avon held on for the win.

Patchett finished the game with 95 yards rushing in 23 attempts. Camden Simons completed 8 of 16 passes for 71 yards. Two Westfield sophomores had strong defensive games: Micah Hauser had 13 tackles and Bryson Hoover made 11 stops.

The Shamrocks will be back home next week, hosting Fishers to continue HCC play.
