# Gordon Food Service to bring hundreds of jobs to Westfield

## The REPORTER

On Wednesday, Westfield Mayor Andy Cook joined Governor Eric Holcomb and executives with Gordon Food Service in announcing Westfield as the location to build Gordon Food Service's new state-of-the-art distribution center. The Michigan-based company plans to make a significant investment to build a semi-automated facility creating more than 200 new jobs initially, with long-term potential of more than 400.

"I am thrilled to welcome Gordon Food Service to Westfield," said Cook. "We have worked hard to create a caring community that can attract and sustain this kind of investment. From experience, I am well aware that Gordon Food Service is an employee and community-minded company. They will fit

in perfectly here in Westfield."

"Our roots are in the Midwest, where our business has steadily increased for decades, and we continue to grow by offering customers great service and an even wider range of products," says Rich Wolowski, Gordon Food Service President and CEO. "We saw an opportunity to place a new distribution center in a strong, established market, giving us the ability to deliver more efficiently to our customers."

"It's an extremely exciting day for Indiana as we celebrate another fantastic company growing in our state and creating hundreds of quality career opportunities for Hoosiers," said Holcomb. "With options all over the Midwest and around the world, Gordon Food Service chose Indiana to launch its new distribution center, and I couldn't be more grateful. We'll

Cook

Wolowski

continue working to take Indiana's business environment to the next level, ensuring their future success in Indiana."

The 500,000 square-foot facility will be located in the NorthPoint Industrial Park. It will be the company's 17th distribution center in the United States and its first in Indiana. The new facility will include three temperature zones for product storage (freezer, cooler and ambient) and feature a Concept Kitchen and administrative office space. The new facility

will be semi-automated, using mini-loaders, mini-shuttles and conveyors designed to assist staff in moving products quickly and safely through the warehouse.

"The Westfield facility will be outfitted with the latest technology and warehouse automation innovation," said Dean Noble, Gordon Food Service Chief Operating Officer. "The robotics and interior layout will greatly reduce manual labor and help ensure the accuracy of orders shipped to our customers."

When the new Distribution Center opens in late 2021, it will serve customers in the Greater Indianapolis area. Prior to opening, more than 200 people will be hired and trained. The jobs available will include operation and maintenance of advanced warehouse equipment and robotics, in addition to transportation,

sales and administrative positions. Training programs will be offered to support skills development for the local workforce. Hourly wages are expected to range from \$20 to \$25 an hour.

Pending approval of the Indiana Economic Development Corporation (IEDC) board of directors, Gordon Food Service will be offered up to \$5 million in conditional tax credits based on the company's job creation plans. These tax credits are performance-based, meaning until Hoosiers are hired, the company is not eligible to claim incentives. The Westfield City Council will consider additional incentives at its Nov. 11 meeting. Upon approval of state and local incentives, construction will begin in the spring of 2020.

## Trolling for fall fun in Noblesville

Area residents came in costume Tuesday evening to enjoy games, treats, hayrides and more at the annual Community Halloween Party conducted by Hamilton County 4-H Junior Leaders at the Fairgrounds Exhibition Center.

## Leaf pickup underway throughout Noblesville

### The REPORTER

The Noblesville Street Department is in the process of its annual leaf pickup program, which continues to Dec. 13, or as weather permits.

There are two methods that residents may use to dispose of leaves: 1) Placing leaves in free, biodegradable bags; and 2) Raking loose leaves to the grass area next to the curb without placing leaves in the street. Both bagged and loose leaves are recycled into compost.

"Whether bagging or piling loose leaves, residents should still bag their leaves after Dec. 13."

The leaf vacuums cannot pick up frozen leaves, so residents should still bag their leaves after Dec. 13.

## Railroad tracks to be removed from 8<sup>th</sup> Street in Noblesville

### The REPORTER

The City of Noblesville will begin removing the railroad tracks from 8th Street on Monday, Oct. 14. Removal of deteriorating concrete bases and rails will take place on South 8th Street from Division Street to the south side of Conner Street. A new strip of asphalt will replace the tracks.

Work is expected to take approximately 10 work days and will coincide with Noblesville Schools' Fall Break, Oct. 14 to 25. No work will occur between Conner and Logan streets during this portion of the project.

One lane of 8th Street will remain open to traffic during construction hours,

but will be under flagger control. Drivers should expect traffic delays to 8th Street until work is completed. Cross streets will be closed as work progresses from south to north. All lanes will be reopened when work is completed each day.

This work follows the removal of track by the Hoosier Heritage Port Authority (HHPA) from Division Street south through Fishers to the end of the former line in Indianapolis. Meanwhile, Noblesville has worked with HHPA to preserve the train tracks going north, which is being used by the Nickel Plate Express for its tourist excursions starting in Atlanta and including a stop at Forest Park in Noblesville.

## Meijer plans to build store in Westfield

By KATIE WISELY  
 WISH-TV | [wistv.com](http://wistv.com)

There are plans for a Meijer grocery store at the intersection of State Road 32 and Spring Mill Road in Westfield.

The city says Meijer bought the land a few years back.

Mayor Andy Cook says the corporation filed its fi-

nal development plans and went before the planning commission on Monday night.

The new grocery store will be close to Maple Knoll apartments and located just south of Grand Park.

Cook says there are a lot of homes to the south and southwest side of the city. There are also new homes

to the north, just west of Grand Park that would be beneficial for Meijer.

"Since they're working through our State Road 32 overlay, that calls for extra architecture, landscaping and sign requirements and all because SR 32 is a very important corridor to us that we want to protect and be as esoteric as it can be in a retail area," Cook said.

There are also plans to break ground on Oct. 31 for Grand Junction Plaza in downtown Westfield.

The city says there will be apartments and individual homes in the area near Park Street. It's been planning this development for 12 years.

Meijer also plans to put in a gas station next to the grocery store.

Isolation is a major factor in abuse and control. Abusers usually begin this process by placing an emotional wedge between the victim and their loved ones. Eventually, the victim finds it too difficult to connect with family and friends and physically becomes withdrawn. If you are a victim of domestic violence, you are not alone! #GoPurplePrevail

## LEAVES

*from Page 1*

dents should only put them on the edge of their property. Leaves should not be placed in the street as this obstructs the roadway for motorists and emergency vehicles,” Noblesville Street Commissioner Patty Johnson said. “We continue to have issues with leaves not on their property or the right-of-way and are asking residents to be more mindful this fall.”

Bagged leaves will be picked up on the same day as residents’ regular trash day, but not necessarily the same time, since leaves are collected by the street department and not Republic Services. Please make sure that leaves are only bagged in biodegradable or compost bags and are placed separately from trash containers. Residents may set out as many biodegradable bags as necessary.

“The bagged leaf method is the quickest method of pickup since bags are collected weekly,” said Johnson. “All biodegradable bags will need to contain leaves only. If there is any trash or debris in them, the bag will have a tag placed on it and will not be picked up. The place where leaves are composted had problems with the amount of trash and plastic in the bags last year.”

Biodegradable bags are available free of charge to Noblesville residents at all Noblesville fire stations, City Hall (16 S. 10th St.) and the Noblesville Street Department (1575 Pleasant St.).

Street crews make a continuous circuit of the city with street sweepers and leaf vacuums. Due to the coverage area, there can be a waiting period of up to three weeks between loose leaf pickups at homes.

Residents are strongly encouraged to bag their leaves after Dec. 13 because loose leaves run the risk of freezing, which then makes them unable to be picked up by the leaf machines. If residents have loose leaves for pickup after Dec. 13, they will need to contact the street department and provide their address.

For more information, contact the Noblesville Street Department at (317) 776-6348.

# Northview Church partners to erase \$7.8M in medical debt for families

**WISH-TV | [wishtv.com](http://wishtv.com)**  
 A Central Indiana church has paid off \$7.8 million in medical debt for about 5,940 families.  
 Northview Church said in a news release that the debts were paid for people living in the 10 communities served by the nondenominational Christian church: Indianapolis, Anderson, Carmel, Fishers, Flora, Kokomo, West Lafayette, northern Putnam County, Peru and Westfield.  
 “Recipients are not necessarily connected with Northview Church and will be surprised to receive beneficiary letters in the mail in the coming few weeks, communicating about the canceled debt,” the release said.  
 In June, the church announced it would abolish \$2 million in medical debt for 2,500 people in the communities it serves. That announcement brought in \$20,000 in donations from people who attend Northview. Also, Northview joined with RIP Medical Debt, a New York-based charity, and other churches to enhance their plans to reduce medical debt.  
 “RIP Medical Debt takes donations – like the ones from Northview Church – to purchase debt at pennies on the dollar. The debt is then paid off forever, with no adverse consequences to those who benefit,” the news release issued Friday said.  
 The added debt reduction was announced during weekend events at the church’s Carmel campus, 12900 Hazel Dell Pkwy.

## Real estate professionals box for kids this Friday

### The REPORTER

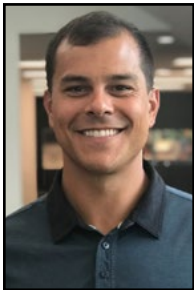

Scott O’Neil, a Business Development Representative at OfficeWorks, will put up a fight for a charitable cause on Friday, Oct. 11 at the JW Marriott in Indianapolis. A boxing fundraising event, ‘Ringside: A Fight for Kids,’ is put on by NAIOP (The Commercial Real Estate Development Association).

The event will feature NAIOP members, professionals in the commercial real estate space, competing against each other, both inside and outside the ring. Each boxer is asked to raise funds as well. The Charley Foundation will disburse the funds, and the money will go towards assisting disabled and underprivileged children served by medical, recreational and care groups in the Indianapolis area.

O’Neil, a NAIOP board member, introduced the idea to the organization after attending ‘Rumble on the Row,’ a similar concept that takes place in Nashville, Tenn.

“I’m fully invested in making this an annual event,” said O’Neil. “For me, that means raising as much money as possible to ensure year one is a success. At the end of the day, all that matters is helping out local charities that do great work.”

The boxers who commit to spar on event night, go through a grueling 12-week training process. O’Neil has been preparing by eating a strict diet and training his boxing and reflex muscles. In his trainer’s eyes, he is ‘no different’ than a professional boxer

er they would train. O’Neil has even taken a few painful hits, but that will only better prepare him for the big night.

The following three-round boxing matches are scheduled: Huston Spencer (Avison Young) takes on Scott O’Neil (OfficeWorks); Joe Dickerson (CBRE) goes glove-to-glove with Colton Snodgrass (Halakar); and Alex Nulf (Marcus and Millichap) squares off with Aaron Kuroiwa (Marcus and Millichap).

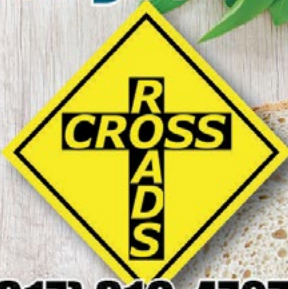

At present date, O’Neil has outraised every other boxer in the event. He has raised almost \$19,000. You can purchase tickets to see O’Neil box on Friday. You can’t miss him; he’ll be wearing white and gold sequined trunks.

# What a night for ATI!

Actors Theatre of Indiana's (ATI) first Cocktails, Comedy and Costumes was a huge success in front of a sold-out audience Saturday night at the Ritz Charles. ATI celebrated its 15th anniversary with its founders Don Farrell, Judy Fitzgerald and Cynthia Collins. Over \$35,000 was raised for the nonprofit Broadway Theatre and Student Theatre Educational Program (STEP). The celebration opened with Jeff Worrell as Master of Ceremonies, and STEP Students Anna Hale, Grace Miller, Hannah Luciani and Molly Nelson sang "Give My Regards to Broadway," directed by Katherine Clemons, STEP Director. Then it happened ... Hysterical, entertaining and downright funny ... a walk-through Actors Theatre of Indiana 15 years of Broadway shows. Actors Theatre of Indiana's community leaders and friends donated their time to model the costumes for the sold-out crowd. **(Back row, from left)** Brad Osborne, Frank Basile, Randall Cloe, Sherman Burdette, Jeff Worrell, Kim Sorrell, Randy Sorrell, Maggie Kelly, Brian Kelly, Kathy guider, Molly Knapp, Donna Tutwiler, Kelly Vaughn, Bruce Kimball, Randall Newsome, Joe Melillo and Sam Acre. **(Front row, from left)** Katrina Basile, Melissa Volz-Smith, Shari Worrell, Jill Zaniker, Nancy Heck and David Haboush.

## TODAY'S BIBLE READING

*These things said he: and after that he saith unto them, Our friend Lazarus sleepeth; but I go, that I may awake him out of sleep. Then said his disciples, Lord, if he sleep, he shall do well. Howbeit Jesus spake of his death: but they thought that he had spoken of taking of rest in sleep. Then said Jesus unto them plainly, Lazarus is dead. And I am glad for your sakes that I was not there, to the intent ye may believe; nevertheless let us go unto him. Then said Thomas, which is called Didymus, unto his fellowdisciples, Let us also go, that we may die with him.*

April 20, 1971 – October 6, 2019

Joel Beavins, beloved husband of Jill (Rader) Beavins and father of Emma and Ellie Beavins, passed away suddenly on Sunday, October 6, 2019 at age 48. Joel was born on April 20, 1971 to Joel Beavins Sr. and Dana (Richardson) Leas in Greenville, Ohio. He married Jill Rader in 1995 in Carmel; she survives. He and his family are active members at Grace United Methodist Church in Franklin, Ind.

Joel graduated from Richmond High School in 1990 and continued his education at Ball State University and Indiana University-Purdue University Indianapolis, where he attained a degree in biology. He obtained his pilot's license in 1999 and actively flew multiple aircraft over the years, with increasing ratings and licenses. He was a member of the Aircraft Owners and Pilots Association.

Joel was the first to volunteer to help a friend, to mentor, or to serve. He went on multiple mission trips through his church, and was active in the Grizzly Golf Foundation. He likewise enjoyed golfing with his daughter Ellie and watching her play at Franklin Community High School. Joel was a life-long learner and a constant example of how doing what you love should be the focus of one's life.

Survivors include his wife, Jill (Rader) Beavins, Franklin; his children, Emma Beavins and Ellie Beavins; his mother, Dana (Richardson) Leas, Richmond, Ind.; his sisters, Karen (Todd) Meinsen, Fountain City, Ind., and Christina Beavins, Greenville, N.C.; his maternal grandmother, Norma Richardson, Greenville, Ohio; six nieces and nephews, and countless relatives and friends.

A service in honor of Joel's life will be held at 6 p.m. on Friday, October 11, 2019 at Grace United Methodist Church, 1300 E. Adams Drive, Franklin.

The family would like to extend a special thank you to the staff at Sparrow Hospital in Lansing, Mich., whose incredible care allowed for Joel's gift of organ donation that will save many lives.

In lieu of flowers, memorials may be made to Grace United Methodist Church in honor of Joel Beavins, addressed to 1300 E. Adams Drive, Franklin, IN 46131. Swartz Family Community Mortuary and Memorial Center in Franklin is assisting with arrangements.

Boys soccer sectionals

Millers, Royals in Sectional 8 final,

'Blazers edge Scecina in PKs

Hamilton County boys soccer will have a good presence in Saturday's sectional finals, as teams reached the championship game at four different sites.

That includes an all-county affair at Noblesville's White River Elementary School field. The host and No. 8-ranked Millers got to the final first at Class 3A Sectional 8, beating No. 13 Fishers 3-1 in the first Wednesday semi-final game. In the second semi-final, No. 15 Hamilton Southeastern defeated Muncie Central 12-0.

Noblesville got on the board first in the opening semi-final, with Spencer Holland scoring in the 11th minute. That would be the only goal of the first half. In the second half, Palmer Ault got the Millers ahead 2-0 in the 53rd minute, with Drew Barnes making the assist.

The Tigers scored their goal six minutes later, with Cam O'Connor getting the ball in the net. But Noblesville answered right away, with Harrison Christman scoring seconds later off an Andy Standfield assist, completing the scoring.

Millers coach Ken Dollaske said his team played very well overall.

"Started a little bit slow in the first half," said Dollaske. "Our goal was more on a counter. I thought Fishers dominated the first 20, 25 minutes of the game, but then after that we settled in and I think we really showed what kind of team we were."

Noblesville is 13-2-2 for the season, while Fishers finished 12-5.

The Royals led 7-0 at halftime, then added five more goals in the second half. Kam Greenwald and Jack Hyatt both scored twice for Southeastern, with eight other players scoring one goal: Brenden Hench, Kuljit Mann, Chase Hatfield, Isa Sayeed, Parker Gopsill, Sam Kay, Harsahil Gandham and Matt Weaver.

"At this time of year, you always got

to respect everyone, because an off night puts you at home for the season," said Royals coach Chris White.

Mann, Weaver, Hatfield and Gopsill all had assists.

"Overall it was a good night for us," said White. "Now it's about getting ready for a re-match with Noblesville."

Southeastern is 10-4-2 and will play the Millers at 7 p.m. Saturday for the Sec-

tional 8 championship.

The most exciting game of the day went to University, who went into a penalty kick shootout with Scecina in Class 1A Sectional 40 at Park Tudor.

The No. 2 Trailblazers and the No. 3 Crusaders were tied 1-1 after regulation and overtime, sending the game into the dreaded PKs. University made all five of

their kicks, starting with Jake Malinzak, a 5-foot freshman who hadn't played in the game. But he made the first one, and the 'Blazers were on their way.

University seniors Evan Coveney, Jacob Masoncup, Quentin Berry and Rhett Offenbacher all made their penalty kicks. Scecina made its first four, but senior goalkeeper Jacob Sager deflected the fifth kick away, giving the Trailblazers the 5-4 shootout win. (The official score is 2-1.)

"I just kept thinking back to the season and all my memories with these guys," said Sager. "That really motivated me just to calm down and try and do my best for them, because they've done their best for me throughout the entire year. I'm really grateful for the opportunity and happy that we pulled through."

Berry scored University's goal during the regulation part of the game.

"We did the same thing two years ago against Heritage, almost the same situation, hit all five and the goalkeeper made the last save," said UHS coach Wes Priest. "A lot of the guys were on that team. They remembered that before we went out. It is what it is. You hit, you don't, it's okay, we uplift each other if we miss. If we win, that's awesome."

The Trailblazers are 11-2-4 and play No. 1 Park Tudor in Saturday's 2 p.m. championship game. The Panthers beat International 14-0 in the other semi-final.

Hamilton Southeastern's Isa Sayeed (18) makes a play during the Royals' sectional semi-final game with Muncie Central on Wednesday. Southeastern beat the Bearcats 12-0 to advance to the sectional championship. Also pictured is Sam Kay (21).

Class 1A Sectional 37 host Sheridan advanced to the championship with a 3-1 victory over Tri-Central on Wednesday.

The Blackhawks scored all three of their goals in the first half. Sheridan is now 7-7-2 for the season and hosts Liberty Christian on Saturday for the sectional title. The Lions beat Anderson Prep 4-2 in the other semi-final.

No. 14 Carmel gave No. 1 Zionsville a good fight at Class 3A Sectional 10 at Pike on Wednesday before the Eagles won 2-1.

Senior Noah Green scored the Greyhounds' goal. The game was tied at 1-1 at the half, but Zionsville scored the go-ahead goal in the second half.

"I couldn't be more proud of the boys tonight and all season," said Carmel coach Shane Schmidt, whose team finished the year 9-4-3. "We played extremely hard, our team defense was solid, and we moved the ball well."

Tigers' Knoderer takes sectional, HSE's Verde/Spirrison into doubles tournament

The Carmel boys tennis team swept past No. 16 West Lafayette 5-0 to win the Kokomo regional on Wednesday.

The No. 1-ranked Greyhounds got victories in singles from No. 1 Presley Thienenman, No. 2 Srisanth Malpeddi and No. 3 Eli Mercer. Doubles wins came from No. 1 Jones McNamar and Uday Lomada and No. 2 Broc Fletcher and John Zirkelbach.

This was Carmel’s 10th consecutive regional championship and 17th overall. The Greyhounds will play in the Culver Academies semi-state at noon Saturday, taking on La Porte for a semi-state title and a return to the state meet.

Hamilton Southeastern played North Central in the regional final at the Panthers’ Barbara Wynne Tennis Center on Wednesday, with No. 5 North Central beating the No. 19 Royals 3-2.

The Panthers quickly clinched the team title, winning all three singles matches in straight sets. But Southeastern took both doubles matches, starting with the No. 1 team of Andrew Spirrison and Daniel Verde. The duo won 6-3, 7-5, and moved on to the individual doubles tournament. Spirrison and Verde will play the team from Lawrence Central at 4:30 p.m. today at North Central.

The Royals’ No. 2 team of Jackson Bill and Logan Hubbard got Southeastern’s second point, winning a hard-fought match 6-3, 4-6, 6-4. The senior team finished its season with a 21-5 record.

“I loved the way that we won those last two doubles matches,” said HSE coach Kirk Webber. “Our doubles teams have been strong all year. That 2 doubles match, I know the team result is already over, but just for those guys to go out on a win. They’re both seniors, both great kids.”

Football preview

# 'Rocks host Tigers, six county games on Friday

This week’s slate of football games includes the final all-Hamilton County game of the regular season.

Fishers travels to Westfield on Friday night, which marks Week 8 of high school football in Indiana. The Tigers-Shamrocks showdown is one of seven games involving county teams. Five other teams will also be playing at home, while Sheridan travels to Eastern for a big Hoosier Heartland Conference game.

FISHERS-WESTFIELD

Fishers will enter Riverview Health Stadium with a 5-2 record, and a 3-2 mark in Hoosier Crossroads Conference play, putting the Tigers in a tie for third place in the league standings. Fishers beat Franklin Central 23-0 last week, getting back on the winning track after dropping back-to-back games to the top two teams in the HCC, second-place Brownsburg and first-place, undefeated Avon.

Senior Marcus Roux has been putting up solid numbers as the Tigers’ quarterback, with 939 yards passing (at an 85-of-155 rate), and 12 touchdowns. Sophomore Jeffrey Simmons leads the Fishers receiving with 21 catches, including five scores.

Senior Dylan Scally is the top rusher with 545 yards, with four touchdowns to his credit. Roux has also carried for four TDs. Senior Geoffrey Brown has been dominant on defense, with 70 tackles, seven of them for a loss.

Westfield is looking to get back in the win column after three straight losses to Hamilton Southeastern, Brownsburg and Avon, this after a 4-0 start. The Shamrocks are now 4-3, and are in fifth place in the HCC standings with a 2-3 record.

Senior Camden Simons has had a tremendous season as the Westfield quarterback, passing for 1,197 yards (84-of-132) and 10 scores. Junior Mason Piening and senior Dane Wheeler both have 24 receptions, with each making three touchdown catches. Senior Eli Patchett has rushed for 514 yards and 10 touchdowns, with sophomore Micah Hauser leading the defense with 60 tackles.

NOBLESVILLE-BROWNSBURG

Noblesville will host a top-five ranked team when it hosts Brownsburg Friday night at Beaver Materials Field.

The Bulldogs are rated No. 5 in Class 6A. Brownsburg is 4-1 in HCC play, with its only loss to Avon, a tight 7-3 game back in Week 4. Overall, the Bulldogs are 5-2, but they have won their last three games.

Junior Ben Easters is Brownsburg’s quarterback, and he has put together quite a resumé for the season: A total of 1,271 passing yards (76-of-137) with 17 touchdowns. Junior Preston Terrell is his top receiver, with 33 catches, including eight scores.

On the ground, senior Donny Marcus leads the rushing with 966 yards and eight scores. Senior Cade Shupperd is on top of the defensive list with 40 tackles.

Noblesville is 1-4 in conference play and 1-6 overall, dropping its game to Hamilton Southeastern last week 35-7. Senior Jayden Barrett has thrown for 138 yards as the Millers’ quarterback, with one touchdown, with senior Carson Sanders making 11 receptions, including one TD.

Barrett is the top rusher, gaining 284 yards and also scoring one touchdown on the ground. The Millers’ defense has four players with over 50 tackles, led by junior Skyler Tolliver’s 59 stops. Sophomore Sam Steinhofer is next with 55 tackles, followed by junior Zach Blevins with 53 and senior Lucas Williams with 51.

HAMILTON HEIGHTS-LEWIS CASS

Hamilton Heights welcomes Lewis Cass, the No. 3-ranked team in Class 2A, to its field on Friday in a big game in the Hoosier Conference East Division.

The Kings lead the East with a 3-0

record, while the Huskies are in fourth place at 1-2. This is the last division game of the season for both teams, and it will also determine where they play next week for the Hoosier Conference placement games.

Overall, Cass is 6-1 for the season. The Kings began their 2019 campaign with a tough 28-22 win at Pioneer, then rolled past Maconquah 49-6, Benton Central 68-0, Tipton 28-7, Northwestern 52-6 and Western 49-20, before running into West Lafayette, the No. 2 team in 3A, and losing 58-21.

Heights is 2-5 for the year, and dropped a close game at Tipton last week 35-28. The Huskies are using two quarterbacks, and both have had decent seasons: Sophomore Guy Griffey has 751 yards and seven touchdowns to his credit, with junior Isaac Wilson totaling 677 yards and six scores.
