

# Center for the Performing Arts seeks corporate naming partner

**The REPORTER**

The Center for the Performing Arts in Carmel is announcing its intention to seek its first-ever corporate naming partner. This comes as the nonprofit educational, arts and cultural organization approaches its 10-year anniversary and has proven to be an indispensable asset to economic development and the quality of life in Central Indiana and beyond.

The Center is interested in identifying the right partner, with a shared vision of advancing the arts and educational programming, unifying the community and extending the Center's impact. The naming rights campaign stems from a strategic planning process undertaken by the Center's staff and Board of Directors – a group of strategic, well-respected community leaders. IEG, a leading sponsorship consultancy, conducted an independent analysis of the naming assets to help guide the Center.

of the Center for the Performing Arts (who previously served as a Center board member from 2010 to 2016) explains, "We've experienced an incredible first 10 years as

a nonprofit organization and have never been in a better position to offer this type of value in a corporate partnership. The organization is on solid footing with a world-

class team, and the next step is to seek a corporate partner with a shared mission of supporting the arts, culture and education, and the ability to help us extend the reach of the important work we do. It is our responsibility to diversify our base of support as much as possible."

Melissa Stapleton-Barnes, the Center for the Performing Arts Board Chair, said, "People know us for the national and international shows and talent, and the beauty and boldness of our campus, but what they may not realize is that the Center offers so much more – a robust schedule of multi-generational educational and experiential programming, from preschool music camps to dance instruction, book clubs to stand-up comedy lessons. A naming rights partner will allow the Center to enhance its educational programming and build its endowment. This will help extend access to the arts in the

Volunteers at Janus assist clients with numerous activities, including making plans with the Janus Guild.

## Janus thanks its volunteers for their countless hours of service

**Submitted**

On Oct. 8, Janus held its popular annual Volunteer Appreciation Luncheon, and once again it was a great success.

Janus volunteers were treated to lunch, which included appetizers, entrees, desserts and drinks. Each volunteer received a thank you card created

by Janus clients, as well as hand-painted magnets, which were enclosed in a new, specially-designed "Janus Volunteers Create Magic" tote.

Some volunteers at Janus assist clients with gardening, reading/storytelling, music, dance fitness, art projects and work experience and recreational activities. Others

enjoy spending their time with the Janus Guild planning and hosting fundraising activities and helping clients celebrate various holidays throughout the year.

Nancy Morgan, a volunteer, who drives from Greenwood to Janus each week said, "I enjoy the time and the variety of activities I work on with Janus clients.

I'm on a first name basis with many individuals, who consider me their friend. I feel like I receive many more blessings than I am able to provide."

## Hamilton County child exploitation task force convicts 10, rescues 18 kids

By DAVID WILLIAMS  
WISH-TV | [wistv.com](http://wistv.com)

More than 10 suspects are behind bars after a years-long investigation into child pornography suspects. That investigation ended up rescuing more than a dozen children.

The U.S. Attorney's Office on Tuesday recognized Hamilton County officers for their work to protect children.

"What these agents, officers and attorneys have to do is go into the dark, where these monsters hide, to identify them and put a case against them," said Josh Minkler, the U.S. attorney for the Southern District of Indiana.

That's what Fishers and Carmel police officers who work with the Hamilton County Metropolitan Child Exploitation Task Force did, and it led them to 30-year-old Bradley Dennison, of southern Indiana.

Dennison, who has been sentenced to 30 years in prison for sexual exploitation of a child, is just one of several suspects caught during undercover Operation Dry Dock.

"They were using an

phone application, which basically lets you form your own chatroom and exchange child pornography," said Steven DeBrotta, the deputy chief of the General Crimes Unit of the U.S. Attorney's Office.

Those social network links connected investigators to a host of other suspects in Indiana and around the globe.

"For the 10 individuals we talked about today, part were Operation Dry Dock, part were individuals prosecuted from this task force. We lock them up and throw away the key. Our goal is that they never get out of prison," Minkler explained.

To date, the program has facilitated the rescues of 18 children in Indiana, Louisiana, Kentucky, Ohio, Texas, Canada and South Africa.

According to the U.S. Attorney's Office, the Hamilton County Metropolitan Child Exploitation Task Force is comprised of police officers from the Carmel Police Department, Fishers Police Department, and the Department of Homeland Security, Homeland Security Investigations Task Force.

## Fishers Holiday Farmers Market, Boo Bash coming up

By LARRY LANNAN  
[LarryInFishers.com](http://LarryInFishers.com)

We are already in the middle of October, and with a wisp of fall in the air, it's time to look forward to a couple of events coming up in Fishers.

First, the Fishers Farmers Market will be moving from the outside Amphitheater to the warm confines

of the Holland Park shelter house. The Holiday version of the Farmers Market begins Nov. 2 and runs through Dec. 28 from 9 a.m. to noon on Saturdays.

The Fishers Parks Department says the market will feature local veggies, fruits, meat and baked goods from over 25 vendors.

Second, with Halloween getting closer on the calendar, the city has announced the annual Boo Bash is set for 10 a.m. to 1 p.m. on Saturday, Oct. 26 on the

Central Green in the Nickel Plate District, just south of City Hall.

Boo Bash features fun for children of all ages, including more than 60 vendor booths for safe trick-or-treating, inflatables, giveaways, live entertainment and more. More than half the vendors will have designated **Teal Pumpkin Project booths** to provide an inclusive experience for kids with food allergies and special needs. The Fishers Farmers Market will host a special Monster Market in

conjunction with the event, so you can stock up on fall favorites such as mums, pumpkins and gourds while you enjoy the spooky fun.

Boo Bash attendees can also enjoy the brand-new Play Fishers **mobile app**, available on the App Store and on Google Play. The free app features a digital

## CCHA partner Leslie Craig Henderzahn named President of State Bar Association

**The REPORTER**

Church Church Hittle + Antrim (CCHA) partner Leslie Craig Henderzahn is now serving as President of the Indiana State Bar Association. She was inducted at this week's ISBA annual meeting. She will lead ISBA's almost 10,000 attorneys.

At CCHA, Henderzahn focuses her practice in civil litigation and is a Certified Family Law Specialist as certified by the Family Law Certification Board. She was also recently appointed

ed to **Indiana's Family Law Taskforce**.

"Leslie is a trailblazer and leads by example. Leslie has an incredible career, filled with remarkable cases and clients, and yet, her door is always open to others," said Managing Partner David Day. "Leslie will be a great asset for developing younger CCHA ISBA. As President, Leslie will maintain a watchful eye on

5 Things I wish I'd known when I left:

1. Leaving is only the first step in recovering from an abusive relationship.
2. You may develop PTSD.
3. Friends and family that you expect, or need, support from may not be capable of providing it.
4. Some will not want to hear or believe your story.
5. There is potential for re-victimization from lawyers, therapists and the court system that do not understand domestic violence

Preparation may not prevent the pain, but it can allow you to brace yourself for it. ~Rachel

present but also promises to help sustain this community asset for the future.”

IEG’s analysis of the naming assets for the Center involved a review of multiple sectors, brands, opportunities and sponsorship vehicles across the country.

Peter Laatz, Global Managing Director of IEG, said, “This is a very innovative move for the Center. The performing arts is an area where we see companies wanting to invest as they look to diversify beyond sports and become a more engaged partner in a thriving community. Just a handful of other performing arts centers of this caliber in the U.S. have a dedicated corporate naming partner, so this really speaks to the Center’s partnership acumen and vision.”

The Center for the Per-

forming Arts is a 501(c)3 nonprofit educational, arts and cultural organization, managing a world-class performing arts campus that includes three venues:

- The Palladium, a 1,600-seat concert hall
- The Tarkington, a 500-seat proscenium theater
- The Studio Theater, a black-box theater

The Center provides rent-free space, ticketing, ushers, security and support services for six independent resident companies representing theatre, dance and classical music:

- Actors Theatre of Indiana
- Carmel Symphony Orchestra
- Central Indiana Dance Ensemble
- Civic Theatre
- Gregory Hancock Dance Theatre
- Indiana Wind Symphony

The Center’s own programming includes the annual Center Presents performance season, with approximately 50 performances each year in a wide range of musical and entertainment genres. The campus is home to the affiliated Great American Songbook Foundation.

Performances, classes and other arts-related activities at the Center now draw more than 300,000 patrons each year. Since opening, the Center has attracted nearly 900,000 ticketed patrons from all 92 Indiana counties, all 50 states and 25 nations. Other public events such as the Carmel Farmers Market and the city’s holiday Christkindlmarkt bring thousands of additional visitors to the campus.

The U.S. Attorneys Office honored that task force on Tuesday for its work as part of the federal Project Safe Childhood initiative.

According to the U.S. Attorney’s Office, the **Project Safe Childhood** initiative launched in 2006 and aims to combat the proliferation of technology-facilitated sexual exploitation crimes against children. The threat of sexual predators soliciting children for physical sexual contact is well known and serious; the danger of perpetrators who produce, distribute, and possess child pornography is equally dramatic and disturbing, the office said.

“They’re passionate about the investigations. Of course, saving children and preventing children from being victimized or exploited. I can’t think of anything more important,” said Carmel Deputy Police Chief Aaron Dietz.

There was a clear message Tuesday to anyone hurting Hoosier children. “To those monsters, those individuals that commit these crimes: We will go into the dark. We will find you. We will prosecute you. We will lock you up. And we will throw away the key, and we will spare no expense to do that.”

The **U.S. Department of Justice** has helpful information for parents to report violations involving children. To report an incident involving the possession, distribution, receipt or production of child pornography, file a report with the **National Center for Missing & Exploited Children** or call 1-800-843-5678. Your report will be forwarded to a law enforcement agency for investigation and action.

To report an incident or suspicious situation that may involve the extraterritorial sexual exploitation of children, call the **National Human Trafficking Resource Center** at 1-888-373-7888.

## AG Curtis Hill announces \$116.9M multistate settlement with Johnson & Johnson and subsidiary Ethicon Inc.

### The REPORTER

Indiana Attorney General Curtis Hill announced on Thursday a multistate settlement involving 41 states and the District of Columbia requiring Johnson & Johnson and its subsidiary Ethicon Inc. to pay nearly \$116.9 million for their deceptive marketing of transvaginal surgical mesh devices.

A multistate investigation found the companies violated state consumer protection laws by misrepresenting the safety and effectiveness of the devices and failing to sufficiently disclose risks associated with their use. Indiana will receive more than \$4.4 million under the settlement.

“My office will continue to hold accountable companies that cause harm to consumers through improper practices,” said Hill. “Women in Indiana and across the country have suffered as a result of the actions of Johnson & Johnson and Ethicon Inc.”

Transvaginal surgical mesh is a synthetic material that is surgically implanted through the vagina to support the pelvic organs of

women who suffer from stress urinary incontinence or pelvic organ prolapse.

Evidence shows the companies were aware of the possibility for serious medical complications but did not provide sufficient warnings to consumers or surgeons who implanted the devices.

Besides the monetary penalties, the settlement also provides injunctive relief, requiring full disclosure of the device's risks and accurate information on promotional material, in addition to the product's “information for use” package inserts.

Among the specific requirements, the companies must:

- Refrain from referring to the mesh as “FDA approved” when that is not the case.
- Refrain from representing in promotions that risks associated with mesh can be eliminated with surgical experience or technique alone.
- Ensure that product training provided to medi-

Hill

cal professionals covers the risks associated with the mesh.

• Omit claims that surgical mesh stretches after implantation, that it remains soft after implantation, that foreign body reactions are transient and that foreign body reactions “may” occur (when in fact they will occur).

• Disclose that mesh risks include: Fistula formation, inflammation, as well as mesh extrusion, exposure and erosion into the vagina and other organs.

• Disclose risks of tissue contraction, pain with intercourse, loss of sexual function, urge incontinence, de novo incontinence, infection following transvaginal implantation and vaginal scarring.

• Disclose that risks include that revision surgeries may be necessary to treat complications, that revision surgeries may not resolve complications and that revision surgeries are also associated with a risk of adverse reactions.

## TODAY'S BIBLE READING

Then Jesus six days before the passover came to Bethany, where Lazarus was which had been dead, whom he raised from the dead. There they made him a supper; and Martha served: but Lazarus was one of them that sat at the table with him. Then took Mary a pound of ointment of spikenard, very costly, and anointed the feet of Jesus, and wiped his feet with her hair: and the house was filled with the odour of the ointment.

John 12:1-3 (KJV)

Friday night football - Week 9

# 'Hawks win high-scoring game with Carroll

By RICHIE HALL

Sheridan's Bud Wright Stadium has been the site of many exciting games over the years, and it can add Friday night's Hoosier Heartland Conference win over Carroll to the list.

The game lasted until 10:09 p.m. – at 3 hours and 9 minutes, it was about as long as an NFL game. The final score was 64-56 – one man suggested the score was comparable to a high school basketball game. It was also a nice way for the Blackhawks to finish the regular season, which they did at 6-3.

"It's more fun for the fans than it is for the coaches, that's for sure," said Wright.

It was obvious the game was going to be a high-scoring affair early. Sheridan got on the board just 71 seconds into the first quarter when Silas DeVaney rushed 36 yards for a touchdown. Chris Starks made the extra point kick.

But the Cougars answered just 18 seconds later. Senior Ayden Ayres blasted off 61 yards into the end zone. Carroll missed the extra point, but the shootout was on.

"I didn't figure it was going to be a shootout until about halfway through the first quarter," said Wright. "Then I realized that, 'Hey, we're going to be.'"

The first period finished with Sheridan ahead 21-14. Christian Clausen scored on a nine-yard run, then Cayden Hunter took a 70-yard pass from DeVaney into the end zone. DeVaney then made a two-point conversion run.

The Cougars did all the scoring in the second quarter, allowing them to take a 26-14 halftime lead. That set the stage for a third period that lasted quite a while, which is to be expected when both teams score 52 points in one quarter.

Both teams played great offense, and always had an answer for each other. Clausen streaked on a 65-yard run to put Sheridan back on top with 10:11 to go, then Carroll's Jayden Harness zoomed 69 yards to get his team ahead. DeVaney's 20-yard run pushed the 'Hawks back in front, but Clay Metzger took off on an 85-yard kickoff return, and the Cougars were leading again.

Reporter photo by Kent Graham

Sheridan's Silas DeVaney (center) makes a run with Cale Cummings (12) and Charlie Cronin (50) doing the blocking during the Blackhawks' Friday win over Carroll. Sheridan beat the Cougars 64-56 and finished second in Hoosier Heartland Conference play.

"We could've put them away, I think, early and failed to do it," said Wright. "Then they got momentum, then they played hard and we played hard. We were lucky to come out on it, I guess."

Carroll went up 50-35 when Metzger scored on a 40-yard run with 5:13 left in the third. Sheridan answered that when DeVaney rushed 29 yards to score, then threw a conversion pass to Reece Fisher. But the Cougars got the last word of the third period when Ayres caught a touch-

down pass with 2:44 left. That gave Carroll a 56-43 lead.

But the Blackhawks took charge in the fourth quarter, not allowing the Cougars a point. Sheridan's offense stepped up as well. Gavin Renners scored at the 10:15 mark on a four-yard run, with Dylan Cork kicking the extra point. DeVaney then punched the ball in from the two with 4:28 left, tying the game.

"And then I think we had the momentum from there," said Wright.

DeVaney had one more big throw to make, and it was the biggest throw of the game (literally and figuratively.) DeVaney tossed a pass to Fisher, who turned it into a 78-yard touchdown reception. DeVaney then threw his second conversion pass of the night to Renners. Carroll got one more chance, but the Blackhawks stopped them and got the victory.

DeVaney finished the game with 224 yards in 34 rushes, and passed for 245 yards, making 6 of 12 throws. Cale Cummings caught three of them for 82 yards.

"Cale Cummings, he's played reserve all year," said Wright. "Last week we moved him up to varsity and he stepped up big tonight."

The 'Hawks finished HHC play at 6-1, giving them second place in the conference. Eastern is the HHC champion, finishing undefeated at 7-0; a 34-0 win over Clinton Prairie clinched the perfect conference season for the Comets. Eastern finished the regular season at 9-0, its first unbeaten campaign since 1974.

Sheridan will be back at Bud Wright Stadium next week, hosting Indianapolis Lutheran in the first round of Sectional 46.

# Tigers hold off Eagles, tie for 2nd in HCC

Fishers won a back-and-forth game with Zionsville 42-35 Friday at Clarian Field at Reynolds Tigers Stadium, finishing up Hoosier Crossroads Conference and regular-season play.

The Class 6A No. 9 Tigers got on the board first, with Nick Leath catching a 19-yard touchdown pass from Marcus Roux in the first quarter. The Eagles would score the next two touchdowns on runs by Colin Price, and that led Zionsville to a 14-7 advantage in the second quarter.

Leath and Roux teamed up for a 27-yard pass play score to tie the game, but the Eagles got their own passing touchdown, and went ahead 21-14 at halftime. Dylan Scally opened the second half with a 33-yard rushing touchdown, and Jack Phillips’ extra-point kick tied the game again at 21-21.

The pattern continued as the third quarter went on, with Zionsville scoring on another passing touchdown, and the Tigers answering with a running score. Roux punched it in from the one-yard line, and the game was tied 28-28 after three quarters.

Fishers finally took control in the fourth period, with Dominic Oliverio and Scally making short runs to get the Tigers ahead 42-28. The Eagles made one more pass play touchdown, but Fishers was able to hold them off for the win.

Scally had an outstanding game, with 196 yards in 20 carries. Roux was also great, completing 11 of 19 throws for 192 yards. Leath had five receptions. Phillips kicked all six of his extra-point attempts.

With the win, Fishers finished in a tie for second place in the HCC with Brownsburg; both schools have 5-2 conference records. The Tigers are 7-2 overall. They will be off next week, then travel to Westfield in Sectional 4 play on Nov. 1.

Fishers quarterback Marcus Roux passed for two first-half touchdowns during the Tigers' game with Zionsville on Friday. Fishers won 42-35 and clinched a tie for second place in the Hoosier Crossroads Conference.

# 'Hounds beat LC, are part of four-way tie for MIC championship

Carmel got two things out of its trip to Lawrence Central on Friday: A nice road victory and a part in history.

The Class 6A No. 6 Greyhounds took care of the Bears 20-7 in a Metropolitan Conference game to finish the regular season. Dylan Downing set the tone early, as he took a 71-yard run into the end zone just 90 seconds into the game to get Carmel on the board first.

Spencer Hanna kicked the extra point, and later booted a 23-yard field goal. That gave the 'Hounds a 10-7 lead after the first quarter. Carmel's defense did not allow Lawrence Central another point in the other three periods.

Meanwhile, the Greyhounds added 10 more in the third quarter. Hanna kicked a 29-yard field goal with under four minutes in the period. Then with 1:10 to go, Christian Williams found Colton Parker for a 32-yard passing touchdown. Hanna's kick got Carmel to 20 points, and that was more than enough for the victory.

Williams had a great night, completing 17 of 27 throws for 170 yards. Parker caught four of them, and three other receivers had three catches. Downing totaled 91 yards in six carries.

Carmel finished the regular season 6-3. The Greyhounds completed MIC play 5-2, and is one of four (yes, four) conference champions. Here's how that happened: Warren Central also finished 5-2 in the MIC; the Warriors completed conference play last week with that record. Ben Davis defeated North Central 23-7; the victory dropped the Panthers to 5-2 in the league, and elevated the Giants' MIC record to 5-2. Thus, all four schools will share the conference championship.

Carmel is off next week, then travels to Hamilton Southeastern on Nov. 1 for a sectional semi-final game.

## Good start sends 'Rocks to victory

Westfield finished the regular season with a win at Franklin Central Friday, beating the Flashes 19-14 in a Hoosier Crossroads Conference game.

The Shamrocks got on the board in the first quarter with a huge play: Camden Simons threw to Mason Piening for an 88-yard touchdown pass. That would be the only score of the first half; Westfield was up 6-0 at halftime.

Simons stretched that lead to 13-0 in the third quarter when he scored on a 13-yard run, and Sean Sullivan kicked the extra point. Jack Pfeiffer then made a two-yard run into the end zone in the fourth quarter. The Flashes made a comeback in the fourth period, but Westfield held them off, ending its four-game losing streak.

Simons finished the game by complet-

ing 7 of 15 attempts, totaling 156 yards. Jacob Riddle had the most catches with three. Eli Patchett led the rushing with 54 yards.

The 'Rocks finished 3-4 in the HCC and 5-4 overall. Westfield is off next week, then hosts Fishers on Nov. 1 for a Sectional 4 semi-final game.

## Royals stun No. 4 Brownsburg

Hamilton Southeastern scored a huge victory on Friday, as a fourth-quarter touchdown propelled the Royals past Class 6A No. 4 Brownsburg 28-25 in a Hoosier Crossroads Conference game at the Bulldogs' field.

While it was an upset on paper, Southeastern actually held the lead for the majority of the game. The Royals were ahead at the end of the first quarter after a nifty touchdown. Andrew Hobson passed the ball to DeAndre Rhodes, who then sent the ball to a wide-open Nate Wolf in the end zone. That got Southeastern on the board, and Jozef Osiecki made the extra-point kick.

Brownsburg took the lead back early in the second quarter, but the Royals powered back in front quickly. Hobson threw a 14-yard touchdown pass to Ben Boysen, then sent another touchdown to Wolf, that one a 21-yarder. John McCall

then made a two-point conversion run, and that gave Southeastern a 21-10 half-time lead.

The Bulldogs held HSE scoreless in the third quarter, then took a 25-21 lead in the fourth. But the Royals surged ahead for good with six minutes left, when Hobson lobbed a pass to Tony Myers, and he took it 78 yards into the end zone. Osiecki's kick got Southeastern up by three, and the Royals held on from there.

Hobson finished the game 8-for-17 with 183 yards and three touchdowns, in addition to Rhodes' touchdown throw. Rhodes and Wolf both made three catches. Blaine Wertz helped out on the ground with 98 yards rushing.

Southeastern finished HCC play 4-3 (placing fourth in the league) and 5-4 overall. The Royals are off next week, then host Carmel on Nov. 1 in the first round of Sectional 4.

# Millers fall to No. 1 Avon, 37-13

Noblesville had to face the No. 1 team in Indiana on Friday, making a trip to Avon for a Hoosier Crossroads Conference game.

The Orioles were undefeated at the start of the game, and were undefeated at the end, beating the Millers 37-13. But Noblesville hung in there, and provided some exciting moments in the third quarter.

Trailing 20-0, the Millers got on the board with seven and a half minutes left when Jayden Barrett caught a 30-yard pass from Alex Zavac. Grayden Addison made the extra-point kick, cutting Avon’s lead to 20-7.

The Orioles scored with under three minutes to go to get back up 27-7. But Barrett struck again, catching the kickoff deep in Noblesville territory and running 92 yards to score another touchdown. That kept the Millers within 27-13 at the end of three quarters. But Avon added 10

Barrett

Zavac

more points in the fourth to complete its perfect HCC (7-0) and regular season (9-0).

Zavac finished the game 4-of-10 with 60 yards passing, and also led the rushing with 29 yards. Carson Sanders had three catches.

Noblesville finished 1-6 in HCC play and 1-8 for the regular season. The Millers are off next week, then host Homestead on Nov. 1 in Sectional 3 play.

# Big first quarter sends Roncalli past GC

Guerin Catholic dropped its regular-season and Circle City Conference finale on Friday, falling at Roncalli 42-14.

The Rebels blitzed the Class 3A No. 8 Golden Eagles in the first quarter, scoring 28 unanswered points. Roncalli added another touchdown in the second period to take a 35-0 halftime lead.

Guerin Catholic got on the board in the third quarter, when Gus Baumgartner ran 68 yards to score a touchdown. The Rebels scored again with 4:02 left, but the Golden Eagles answered that at the

end of the period, with Christian Gelov streaking 59 yards to score. Luke Etchison kicked both extra points.

Baumgartner finished with 117 yards in six carries, while Gelov gained 93 yards, and also completed 7 of 12 passes. Bernie McGuinness caught three of those throws.

Guerin Catholic finished conference play 0-3 and the regular season 5-4. The Golden Eagles begin play in Sectional 28 next Friday with a trip to Yorktown.
