Noblesville Cub Scout raises money to provide popcorn for first responders

By ALEAH HORDGES

WISH-TV | wishtv.com

A Noblesville Cub Scout delivered a special gift to first responders.

Lucas Miller, 6, raised \$1,000 to buy popcorn for the Carmel Fire Department and Police Department, the Noblesville Fire Department and local EMTs.

He brought \$300 worth of popcorn to Station 73 in Noblesville on Thursday. Miller is a first year Cub Scout and wanted to give back to public safety.

'They work so hard," he said.

"We ran into a few firefighters at an event here in Noblesville and one of them told him that they love popcorn, that they like snacking on it, they like having it at the station and it's an easy snack for them," said Lucas' mother, Nicole Miller.

The two started campaigning online. Raising money was even one of Lucas' birthday wishes on Sept. 30.

The Cub Scout also made \$4,100 in popcorn sales in the community, which will help him go to summer camp next year. The money also earned him a night at Great Wolf Lodge for his family and \$310 towards a college scholarship from Boy Scouts of America.

His mother said Lucas will be able to build on the scholarship every year with popcorn sales for his entire time as a Boy Scout.

Lucas said that handing out popcorn to first responders was an opportunity to step inside a fire station, as he wants to be a firefighter one day. He told News 8 that he enjoys saving people, including his little brother.

"It is super fun to be a firefighter. My favorite part is driving the fire truck," said Lucas.

Nicole Miller added, "If your child comes up with an idea, run with it. They usually have good ones."

TODAY'S BIBLE READING

Then saith one of his disciples, Judas Iscariot, Simon's son, which should betray him, Why was not this ointment sold for three hundred pence, and given to the poor? This he said, not that he cared for the poor; but because he was a thief, and had the bag, and bare what was put therein. Then said Jesus, Let her alone: against the day of my burying hath she kept this. For the poor always ye have with you; but me ye have not always. Much people of the Jews therefore knew that he was there: and they came not for Jesus' sake only, but that they might see Lazarus also, whom he had raised from the dead. But the chief priests consulted that they might put Lazarus also to death; Because that by reason of him many of the Jews went away, and believed on Jesus. On the next day much people that were come to the feast, when they heard that Jesus was coming to Jerusalem, Took branches of palm trees, and went forth to meet him, and cried, Hosanna: Blessed is the King of Israel that cometh in the name of the Lord. And Jesus, when he had found a young ass, sat thereon; as it is written, Fear not, daughter of Sion: behold, thy King cometh, sitting on an ass's colt. These things understood not his disciples at the first: but when Jesus was glorified, then remembered they that these things were written of him, and that they had done these things unto him.

Soccer Millers score regional sweep

Noblesville soccer fans probably wished they could be two places at the same time on Saturday evening.

8

Why? Because at the same time, the Millers' boys and girls teams were winning regional championships.

The No. 2-ranked Noblesville girls won their third Class 3A regional title in four years at Logansport, beating No. 15 Fort Wayne Carroll 1-0 in the semi-finals, then cruising past McCutcheon 5-0 in the championship game. This marked the seventh regional trophy for the Miller girls since soccer became an IHSAA sport in 1994.

Just down the road in Kokomo, Noblesville's boys team won the 3A regional championship there. The No. 8 Miller boys beat Harrison 1-0 in the semi-finals, then upset No. 2 Fort Wayne Carroll 2-1 in the title game. This was Noblesville's first boys soccer regional championship since 2011, and its eighth overall.

Both teams advanced to next Saturday's 3A north semi-state round. The Miller boys will take on Lake Central, while the Miller girls will play No. 7 Penn. Semi-state locations and times will be announced today by the IHSAA.

FIRST VARSITY GOAL

Grace Traskey picked a great time to score her first-ever varsity goal for the Noblesville girls team. She got the only score of the Millers' regional semi-final game with Carroll, putting in a header in the 23rd minute off a corner kick by Carly Hudnall. The 1-0 lead was enough to get Noblesville on to the championship game.

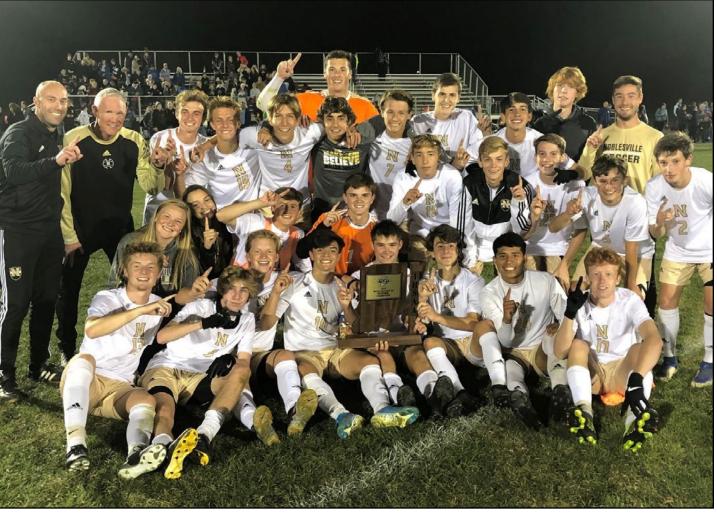

Five different Millers scored a goal in that final game against McCutcheon. Elana Chatterton went first, finding the back of the net in the fourth minute of the game. Isabella Griffey provided the assist. Hudnall added the second goal in the 16th minute, then Ava Bramblett scored two minutes later, giving Noblesville a 3-0 halftime lead.

Meskerem James scored the Millers' fourth goal during the 47th minute, then

The Noblesville girls (above) and boys (below) soccer teams each won regional championships on Saturday. The Miller girls beat McCutcheon 5-0 in the final at Logansport, while the Noblesville boys defeated Fort Wayne Carroll 2-1 in the final at Kokomo.

Paige Landers completed the scoring in the 71st minute. Landers put in a header off a Kylie Roberts corner kick. The regional victory improved Noblesville's record to 15-0-3 for the season.

LATE SCORE IS THE DIFFERENCE

The Miller boys had to wait to get their goal in the regional semi-final over Carroll. Finally, in the 74th minute, Noblesville broke through when Palmer Ault scored, off an assist by Spencer Holland. The Millers then held on in the final five minutes to advance to the final.

In the final, Noblesville took on a Carroll team that came into the regional title game with an 18-2-1 record. But the Millers struck first, and quickly: Harrison Christman got Noblesville on the board eight minutes into the first half.

The Chargers tied it up later in the half on a penalty kick, and the score remained 1-1 at halftime. But Christman came through again in the second half, putting a second goal in the net with 20 minutes left. The Millers held on, and soon the regional plaque was theirs, along with a 16-2-2 record for the season.

CARMEL GIRLS DEFEND REGIONAL

Down at New Palestine, the Carmel girls soccer team defended its 3A regional championship with two easy wins.

The No. 1-ranked and defending state champion Greyhounds first beat Metropolitan Conference rival Lawrence North 7-0 in the semi-finals. Naomi Mann got Carmel on the board with a goal in the sixth minute, off a double assist by Kelsie James and Susie Soderstrom.

James then scored several minutes later, with Jessica Greven providing the assist. Emma Antoine put the 'Hounds up 3-0, with Tamara Smith assisting. That was the last goal of the first half.

Carmel added four more goals in the second half. Lauren Rainbolt scored next, with Mann and Saliyah Brady getting the

goal, off a Rainbolt assist. Brady assisted the next two goals, which came within 54 seconds of each other. Mann scored first, then Charlotte Adams got the Greyhounds' seventh goal. Erin Baker made two saves as the Carmel goalkeeper.

In the championship game, the 'Hounds beat Avon 3-0. Soderstrom scored the first goal in the 14th minute of the contest, and that would be the only score of the first half. Antoine added the second goal of a James assist in the 56th minute, and James scored unassisted a few minutes later.

Baker made three games in getting double assist. Brady then scored her own the shutout, and has yet to give up a goal

during the state tournament.

Carmel is now 17-0-3 and plays No. 5 Castle next Saturday in the 3A south semi-state.

GUERIN CATHOLIC BOYS WIN AT GREENSBURG

After five years, the Guerin Catholic boys soccer team is once again a regional champion.

The No. 5 Golden Eagles triumphed at the Class 2A regional at Greensburg on Saturday. In the semi-finals, Guerin beat No. 9 Danville 4-1, scoring three goals in the first seven minutes of the game.

Daniel Cloran got the first score, just 73 seconds into the first half. Matthew Wright scored the second goal four minutes later, and Bryce Dolenc added the third goal just over a minute after that.

The Golden Eagles added another goal before halftime to lead 4-0. The Warriors scored in the second half, but Guerin Catholic held on for the victory.

In the championship game, the Golden Eagles cruised past No. 17 Speedway 6-0. Dolenc scored two goals for GC in the first half, then Aiden Soucie found the back of the net to make the score 4-0.

The regional wins improved Guerin Catholic to 13-3-3 on the season. The Golden Eagles play No. 2 Evansville Memorial in next Saturday's 2A south semistate.

HEIGHTS GIRLS FALL TO **BISHOP DWENGER**

At the Class 2A girls regional at Northwestern, No. 18-ranked Hamilton Heights fell to No. 9 Bishop Dwenger 2-0 in the semi-finals.

The Huskies finished their season 13-3-4, but not before winning their first sectional championship in five years, and 10th overall last week.

Volleyball Southeastern wins tough Sectional 8

In order to win the Sectional 8 championship, the Hamilton Southeastern volleyball team had to beat two defending sectional champions on Saturday.

That's how tough things were at The Mill in Noblesville. But the Royals were up to the challenge, sweeping past Zionsville in the semi-finals and city rival Fishers 25-20, 25-19, 25-19 in the championship match to claim their first sectional title since 2015. Southeastern will return to Noblesville next Saturday for the regional, where it will take on Homestead.

"I thought we played extremely well in an awesome environment," said Royals coach Jason Young. Southeastern had already beaten both teams in Hoosier Crossroads Conference matches earlier this season, as the Royals were unbeaten HCC champions.

We had to go against the defending sectional champs in Zionsville," said Young, who pointed out the Eagles were moved back into Sectional 8. Zionsville had won four straight titles in Sectional 7.

We had to beat them, and then we had to go through the defending Sectional 8 champions, Fishers, and you got to beat them," said Young.

Fishers skipped ahead 5-1 in the first set of the championship match, but the Royals came back to lead 6-5. Emily Weber helped out with a block, then a kill. The match was tight until Southeastern scored four straight points to lead 19-16, with Weber making a tip and Jordan Engelmann hitting an ace. The Royals won five of the last six points to clinch the set, which ended with an Abby Weber kill.

The next two sets followed roughly the same pattern. In the second set, the Royals scored three straight points to lead 15-12, then another three points got them up 24-18 and gave them a handful of set points. The Tigers saved one, but Abby Weber again hit a set-winning kill.

Southeastern scored the first three points of the third set, in which they never trailed. The Tigers won three consecutive points to get within 15-14, only to have Abby Weber hit another kill. The Royals won the last three points to clinch the match, with Grace Hunter making the winning kill.

Abby Weber finished with 16 kills, while Delanev Garner hit 10 kills and made two blocks. Hunter put down eight kills and Maddie Cole played strong with five kills. On defense, Carly Mills made 13 digs and Kyla Berg collected 10 digs. Olivia Phillips handed out 24 assists.

"I think our chemistry was just amazing," said Garner. "Throughout this season, we've just had this good connection

which helped us a lot in this game."

said Weber. "We played them both before and we knew what we had to focus on and just kept going point by point."

Jada Allen had a sensational sectional for Fishers, and played well again in the final with 13 kills. Emily Waldrop hit 11 kills and made seven digs. Mikayla Christiansen spiked seven kills and had one block, and Emily Brewer handed out 36 assists. Ava Vickers made two blocks, and Bryn Roberts contributed 18 digs and four aces.

great chess match between the coaching ers made six blocks, Waldrop had four, staffs, but the players on both sides were definitely trying to do some different things, and that made it good and competitive for the fans. And I think it definitely lived up to being a championship match."

In the semi-finals, Southeastern swept Zionsville 25-12, 25-23, 25-15. After powering through the first set, the Royals had to overcome a tough second set from the Eagles, who led 22-20 at one point. Cole hit a kill to start a run of three "They're an excellent, excellent straight points, Lillian Leiner served an team," said Tigers coach Steven Peek. ace, and Olivia Phillips hit two kills as Southeastern eventually clinched the set. The Royals then rolled through the third set.

> Gabby Smith led Carmel with 19 kills, while Kelise Twyner hit 12 kills. Maria Zweig had 19 digs, with Kamryn Kichefski collecting 14 and Anne Lesure getting 12. Lesure also had 27 assists and four aces.

> Macarty McQueen picked up 10 digs, Caroline Yuska had two blocks and Ella Bostic handed out 29 assists.

"We've obviously had some highs and lows throughout the season," said Carmel coach Kristine Deem. "Coming into today was really about being confident and believing in ourselves, whether Garner hit 16 kills, with Abby Weber it was individual or as a team. They did a really good job of going in with no fear."

Cross country Carmel girls break regional title drought

Here's something that may be a little hard to believe: Prior to Saturday, the Carmel girls cross country team had not won a regional championship since 2015.

10

The Greyhounds broke that drought on Saturday at the Noblesville regional, which was run at the Chanquapin Ridge Course at White River Elementary School. Carmel scored 58 points, placing its top six runners in the top 30. Jasmine Klopstad led the Greyhounds with a seventh-place finish. This is the 31st regional trophy for Carmel.

"I thought the girls ran really well," said Greyhounds coach Andy Dalton. "They did what we asked them to do, which is get out a little quicker than we have been the rest of the season. And the biggest think is, we had our 3, 4, 5 girls really step up today, and that's going to make the difference in two weeks. That's key for us."

The 'Hounds will lead the top five teams at the regional to next Saturday's semi-state in Shelbvville. Cathedral finished second, with Brebeuf Jesuit third and Bishop Chatard fourth. Noblesville placed fifth to take the last qualifying spot; Brooke Lahee paced the Millers by finishing 16th.

Four more county runners also got out to the semi-state, as they were the top 10 runners from non-advancing teams. Hamilton Heights' Maria Mitchell is the first of that group; she finished sixth, the highest-placing individual from the county. Also moving on to semi-state are Guerin Catholic's Bridget Gallagher and Westfield's Kyla Curtis and Sophia Brown.

In the boys race, Brebeuf edged out Carmel by one point for the team title, 57-58. The Greyhounds were led by Grant Moon, who finished fourth, and Will Murphy, who placed ninth.

North Central took third, with Noblesville fourth. The Millers had two top five finishers: Travis Hickner, who placed third and was the fastest county runner, and Cole Kimmel, who placed fifth.

Cathedral finished fifth to clinch the last qualifying place. But there will be four additional county runners heading to semi-state as individuals. Westfield's Kai Connor and Mahamat Djour, and Guerin Catholic's Austin Callahan and Thomas King.

Greyhounds win fourth state boys tennis championship in a row... Carmel clinches another perfect season

On a perfect fall day, the Carmel boys tennis team added another perfect season to its overflowing record book.

The Greyhounds beat state finals host North Central 3-2 at the Barbara Wynne Tennis Center to claim their fourth consecutive state championship. Carmel finished team season play with a 24-0 record and has now won 83 consecutive dual meets.

It also marks the first time that the Greyhounds have won state four years in a row. The only other team to have a longer streak is North Central, which was a state champion five consecutive years from 1982 to 1986. And (yes, there's more!) Carmel still has players that will compete in the individual tournament next weekend at Park Tudor.

"It's pretty amazing," said Greyhounds coach Bryan Hanan. "We've had some good players. It's never been easy, no matter how good a team we had. This year is probably the hardest. Probably not our most dominant team, but we had a lot of depth and guys that were just moved around to do what's best for the team. It's very satisfying."

Carmel won its three matches in straight sets. No. 1 singles Presley Thienenman was a 6-0, 7-5 winner, while the No. 1 doubles team of Uday Lomada and Jones McNamar cruised to a 6-2, 6-0 victory. Both Thienenman and Lomada/ McNamar were undefeated in the state tournament, so they all advance to next week's individual event and will be the top seeds in their respective divisions.

No. 2 doubles Broc Fletcher and John Zirkelbach had the quickest day of all, winning 6-0, 6-1 in their match.

"One of the things we talked about is, this year guys are going to have to be willing to play somewhere that you don't necessarily feel like you should play," said Hanan. Some players were moved from singles to doubles, others were moved around the lineup.

"Guys didn't complain," said Hanan. "They just said, 'If that's what's best for the team, I just want to win a state title.' And that's the mindset of this team. That's why it's a fun team to coach."
