No injuries in Beck's Hybrids fire

By **STU CLAMPITT**
ReadTheReporter.com

Friday morning at 8:09 a.m., Jackson Township Fire Department responded to a call about a dust explosion at Beck's Hybrids Seed Company, 6767 E. 276th St., Atlanta, which led to a two-alarm fire with crews from 17 departments responding.

The fire was located in a building that is used to process corncobs from waste products to a bedding product that is used for animals.

According to Jackson Fire Department Chief Jeff Muszar, there were no serious injuries, though one firefighter suffered a minor injury and was treated without hospital transport.

"What appears to have happened is that an unknown ignition source triggered a dust explosion

within the grinder system," Chief Muszar told The Reporter. "It caused a massive explosion within the building and ignited all the dust in the building. It then ignited all the hard assets within the building."

The fire was widespread throughout the entire Beck's warehouse.

According to Muszar, because of the amount of dust released with the explosion it created a significant fire.

"We had to get into all the nooks and crannies of the building and the air handling system to get all of the dust and fire out," Muszar said. "It was a complicated process because literally every particle of dust catches fire. We had 16 departments assist us, including Noblesville,

Photo courtesy of Noblesville Fire Department

A fire at Beck's Hybrids in Atlanta prompted the response of emergency personnel representing 17 fire departments on Friday. Fire departments were dispatched to at approximately 8 a.m. Fire officials indicated thousands of corncobs caught fire.

Carmel Clay Schools seeks funding for school safety

Submitted

Carmel Clay Schools is one of the first school systems in the state to take advantage of the newly-passed Senate Bill 127, allowing school corporations to seek funds specifically for school safety initiatives.

This coming Tuesday, Carmel voters will get the opportunity to be some of the first in the state to participate in voting on the newly-passed bill.

While other schools in the county have passed referendums in the last few

elections, none have specifically addressed school safety. Carmel decided it was time to address its inadequate resources when it comes to school safety, and quickly.

As a city, Carmel continues to accumulate accolades and recognitions, like one of its most recent by [niche.com](#): 'Best Place to Raise a Family in Indiana.' However, in comparison to other Hamilton

County schools, Carmel lags behind in number of SROs (student resource officers) in the schools and salaries of social workers.

"School Safety is not just a priority in Carmel Clay Schools, it's a core value. The importance of a safe, non-threatening learning environment is essential for students to learn and grow. The foundation of that environment is student and staff

safety," said Dr. Michael Beresford, Carmel Clay Schools Superintendent.

If the referendum passes, one of the first actions the school will take is putting SROs in every school. Currently, there are only three SROs shared between 14 elementary and middle schools for over 11,000 students.

Schools often see progress when school safety can be addressed through a collaborative effort between SROs, mental health services

Blazing trails

It has been my privilege to serve the Noblesville community during Mayor John Ditslear's final term in office. Six months ago, I announced to friends and co-workers that I planned to step down from my appointed position. Now, as we prepare for a new mayor to take office in January, I'd like to share some thoughts on some key successes our city has accomplished during these past four years.

ees have achieved through their hard work, dedication and professionalism:

- Securing the public-private partnership for the Finch Creek Fieldhouse;
- Attracting 300 high-wage jobs with the BorgWarner Tech Center;
- Completing the western leg of the Midland Trace Trail, the southern phase of the Levee Trail, and connecting the Riverwalk from the White River Greenway Bridge to Southside Park;
- Opening Federal Hill Commons urban park and amphitheater, starting construction of Finch Creek Park and investing in improvements for Forest Park, Southside Park and Seminary Park;
- Championing the Levinson downtown apartments and a 300-space parking garage now under construction;
- Setting in motion a new pilot to improve downtown parking with modern technology and better communication and outreach;
- Achieving a 36-percent drop in violent and property crimes;

Carmel seeks public input for park improvements

The REPORTER

Carmel Clay Parks & Recreation (CCPR) will host community meetings for [Flowing Well](#), [Carey Grove](#) and [Meadowlark Parks](#). These three parks will receive much-needed updates in 2020 as part of the Clay Township Impact Program. CCPR values input and is seeking public participation through this interactive process.

CCPR staff and project consultants will present proposed improvements with sketches and schematic designs for each park. There will be plenty of time for open feedback and discussion.

"Several of our parks have served the community well over the last 20 or so years. Now is the time to focus on how we can update and reimagine our parks to serve residents for years to come," said CCPR Director Michael Klitzing. "These

upcoming public meetings provide opportunities to connect to our community and consider feedback from residents."

To learn more about how CCPR is reimagining parks, visit [carmelclayparks.com/reimagining-parks](#). Information regarding the Clay Township Impact Program may be found at [claytownshipimpact.com](#).

BLAZING

and proactive planning. This is the same approach that funds will be allocated if the referendum passes.

This referendum will not exceed \$0.05 per \$100

dollars of assessed value for property taxes. On Tuesday for Carmel voters, the referendum will be at the top of the ballot, and the only question.

[Click here](#) to learn more about the Safety for Our Schools Referendum.

[Click here](#) to learn more about Bill 127 and Indiana School Referendums.

• Maintaining stellar response times for emergency medical services even as our population has continued to grow with new residential developments;

• Completing the fourth of five phases for the Long-Term Control Plan to remove unwanted stormwater from the sanitary sewer system;

• Building, resurfacing and maintaining miles and miles of new and existing roadway, and laying the groundwork for future infrastructure projects such as the five roundabouts planned for State Road 32 and State Road 38.

In addition, I am very happy to report that Noblesville has made good on its promise to bring the trains back to Forest Park. Meanwhile, the clean-up effort following the ITM's departure continues with a brighter future on the horizon that

will be worthy of our city's oldest park. And I hope everyone will take the time to support the new Nickel Plate Express that is helping preserve our city's railroad heritage and inspire a new generation of railfans.

For me personally, one of the most rewarding initiatives has been representing the city with the Noblesville Diversity Coalition. Since forming in 2018, our coalition has stood up against acts of hate, and through several public forums, inspired bold conversations within our schools, our homes – and with our upcoming training on implicit bias – within City Hall as well. Noblesville is stronger because of our diversity, and I look forward to what we can accomplish as we continue to grow in celebrating and respecting all residents.

As we look now to the future, I'm truly excited to see the vision of the new administration come into focus. I believe no one is better suited than Chris Jensen to move Noblesville NOW forward. From expanding Pleasant Street to constructing a new Police Headquarters, I'm optimistic that many of the city's long gestating projects will finally get underway before setting the new priorities that our growing community will surely demand.

I would like to thank everyone who has supported me in my role serving the city, who gave freely of your time to share an idea, a perspective, a criticism, an encouragement, a lesson. As I join my fellow citizens again, I will continue to use all that I've learned to help Noblesville blaze even more trails into the future.

See you on the square.

PREVAIL
Advocating for
Victims of Crime and Abuse
www.prevailinc.com

I was born and raised right here in Noblesville. I grew up in a home without domestic violence or assault – it wasn't something I saw, or even heard about. But when I was introduced to Prevail of Central Indiana, I was shocked by the number of individuals who are affected by domestic violence. In 2018 alone, Prevail helped more than 4,000 clients in Hamilton County. (Nearly 80 percent of clients are women and children.) Domestic violence and abuse are hard topics to discuss, so you don't often hear about them. But at Tom Wood Volkswagen in Noblesville, we're breaking the taboo and raising awareness for Prevail, an organization that helps families in Hamilton County.
– **Mike Bragg, GM of Tom Wood Volkswagen in Noblesville**

To help Hamilton County families affected by domestic violence and sexual abuse, you can donate the following items:

- Art supplies (for children to journal and express their emotions)
- Bottled water (8 oz. bottles, preferably)
- Individually packaged snacks
- Gas cards (many women have no access to funds after fleeing their abuser)

Drop off items at Tom Wood Volkswagen in Noblesville, 14701 Tom Wood Way.

Over the river and through the woods....in our new
Volkswagen Atlas.

Change your clocks, change your batteries

The REPORTER

Daylight Saving Time ends at 2 a.m. Sunday, Nov. 3.

The Carmel Fire Department encourages everyone to change the batteries in their own smoke alarms and carbon monoxide detectors, test the alarms and remind friends, family, neighbors and fellow community members to do the same. With the peak time for home fire fatalities occurring between 11 p.m. and 7 a.m. when most families are sleeping, this simple step can help save their lives and the lives of those around them. A working smoke detector is your first line of defense in a fire.

Also, as winter and colder weather approaches, have your heating sources (chimney, fireplace, woodstove, furnace, heaters) properly inspected and serviced by a professional.

Tragically, fire can kill selectively. Those most at risk include:

- Children – On average, home fires kill 500 children ages 14 and under each year.

Roughly three-quarters of child fire fatalities under age 15 occurred in homes without working smoke alarms.

- Seniors – Adults 75 and older are 2.8 times more likely to die in a home fire.

• Low-Income Households – Many low-income families are unable to afford batteries for their smoke alarms. These same households often rely on poorly installed, maintained or misused portable or area heating equipment – a main cause of fatal home fires.

The most commonly cited cause of non-working smoke alarms is worn or missing batteries. Smoke alarm maintenance is a simple, effective way to reduce home fire deaths. Children and senior citizens are most at risk, and a working smoke alarm can give them the extra seconds they need to get out safely.

Changing smoke alarm batteries at least once a year, testing those alarms and reminding others to do the same are some of the simplest, most effective ways to reduce these tragic deaths and injuries. Additionally,

the International Association of Fire Chiefs recommends that smoke alarms in homes should be replaced every 10 years and having both ionization and photoelectric smoke alarms are best to alert people to all types of home fires.

If both types of smoke alarms or a combination alarm are not available, the Carmel Fire Department recommends photoelectric alarms with a 10-year lithium battery. The battery in this alarm never needs changed and the alarm needs to be replaced every 10 years.

Likewise, carbon monoxide detectors need to be replaced every seven to eight years. If you need assistance changing or testing your smoke alarms and carbon monoxide detectors, please contact your local fire department.

Thirty-one years ago, Energizer and the International Association of Fire Chiefs recognized a disturbing trend that many home fire fatalities were taking place in homes without working smoke alarms. Please do your part in checking, changing

and testing your smoke detectors.

Fire statistics were obtained from reports by the Fire Analysis and Research Division of the National Fire Protection Association. See nfpa.org for more information.

NEEDING A JOB

DONALD RAINWATER

MAYOR OF WESTFIELD

Westfield can continue to grow, without the ever increasing taxation, borrowing, and spending that has become the status quo. We must practice sound fiscal policies, if we are going to leave a positive legacy and affordable cost of living for our children.

Our fire department, police department, schools, and roads must grow in anticipation of our population, not in knee-jerk response to it. Our first priority must always be the safety of our residents, especially our children.

"I would appreciate your vote on or before November 5, 2019."

Noblesville Lions pass out student dictionaries at Hazel Dell Elementary

Photo provided

On Tuesday, the Noblesville Lions Club gave out dictionaries to 145 Hazel Dell Elementary School third-grade students. This was the ninth year the Lions have done this at Hazel Dell Elementary. These are special dictionaries, as they include not only word descriptions, but also U.S. and Indiana historical information. Special thanks to Principal Karen Carter for allowing the Lions to attend. (From left) Lions Ron Williamson, Jake Doll, Clayton Fleming (Chairman), Stanley (Steve Craig), and Principal Karen Carter.

TODAY'S BIBLE READING

So after he had washed their feet, and had taken his garments, and was set down again, he said unto them, Know ye what I have done to you? Ye call me Master and Lord: and ye say well; for so I am. If I then, your Lord and Master, have washed your feet; ye also ought to wash one another's feet. For I have given you an example, that ye should do as I have done to you. Verily, verily, I say unto you, The servant is not greater than his lord; neither he that is sent greater than he that sent him. If ye know these things, happy are ye if ye do them. I speak not of you all: I know whom I have chosen: but that the scripture may be fulfilled, He that eateth bread with me hath lifted up his heel against me. Now I tell you before it come, that, when it is come to pass, ye may believe that I am he. Verily, verily, I say unto you, He that receiveth whomsoever I send receiveth me; and he that receiveth me receiveth him that sent me.

John 13:12-20 (KJV)

John Leonard Petro, III March 2, 1943 – October 18, 2019

John Leonard Petro, III, 76, passed away October 18, 2019 after a heroic battle with cancer. He was born March 2, 1943 in Muncie to John L., Jr. and Betty (Young) Petro.

He graduated from Ball State University and began his teaching career in Michigan. John started teaching in Noblesville in 1965 where he taught seventh- and eighth-grade science for 32 years. During his time teaching, he created a photography club and coached Cross Country. He enjoyed painting and was a professional painter for over 30 years. John was a car aficionado, an avid photographer and a World War II military enthusiast.

A celebration of John's life will be held at 1 p.m. on Monday, Nov. 4, 2019 at Indiana Memorial Cremation and Funeral Care, with memorial gathering of family and friends from 11 a.m. until the time of service at 1 p.m.

Arrangements

Calling: 11 a.m. to 1 p.m., Nov. 4
Celebration of Life: 1 p.m., Nov. 4
Location: Indiana Memorial Cremation and Funeral Care

Howard L. Hart April 3, 1927 – October 28, 2019

Howard L. Hart, 92, Fishers, passed away on Monday, October 28, 2019 at Grand Brook Memory Care in Fishers. He was born on April 3, 1927 to John and Hazel (Hatch) Hart in Chicago, Ill.

Howard proudly served his country in the United States Navy, where he served in the South Pacific during World War II. He was an engineering associate at Fermilab in Batavia, Ill., where he was instrumental in converting the Chicago Cyclotron Magnet from conventional to superconducting. Howard had made his homes in Chicago; Santa Cruz, Calif.; Arlington Heights, Ill.; Rolling Meadows, Ill.; Hot Springs Village, Ark.; and New Berlin, Wis. He enjoyed going on vacation and loved his family dearly.

Howard is survived by his son, Paul (Sheryl) Hart; daughter, Penny Hart (Michael) Oczkowski; grandchildren, Jonathan (Jessica) Hart, Julie (Jared) Arford, Joann Hart and Jason Hart; great-grandchildren, Amelia, Elijah and Rosalie; as well as several step-children, step-grandchildren and step-great-grandchildren.

In addition to his parents, he was preceded in death by his adoptive parents, Ann and Paul Heidenreich; his wives, Elaine Smith Hart, Eloise Jones Hart and Janie Vinson Hart; and brother, Jack Hart.

Services will be held at 2 p.m. on Saturday, November 2, 2019 at Randall & Roberts Fishers Mortuary, 12010 Allisonville Road, Fishers, with visitation starting at 1 p.m. prior to the service. Pastor Chris Neel will officiate.

Memorial contributions may be made to Teen Challenge of Arkansas, P.O. Box 8177, Hot Springs Village, AR 71910; or at teenchallenge.org.

Howard felt strongly about encouraging young men to reach their potential and enlisted their talents through the organization.

Friday night football - Sectional semi-finals

'Rocks score early and often to stun Tigers

Westfield's offense was in high gear in the first half, and that led the Shamrocks to a stunning sectional semi-final win Friday night.

Westfield beat No. 7-ranked Fishers 42-14 in a Class 6A Sectional 4 semi-final game at Riverview Health Stadium. The 'Rocks jumped ahead 28-0 by halftime and sailed through the second half to set up a sectional championship clash at Carmel next Friday.

The Shamrocks scored their first touchdown in the first quarter, with Mason Piening catching a pass from Camden Simons, then running it 64 yards into the end zone. That was merely a preview of the second period, where Westfield exploded for 21 points.

Patchett punched the ball in from the one-yard line just two minutes into the quarter. Micah Hauser was next, streaking 51 yards into the end zone with 7:47 left. Finally, Dane Wheeler grabbed a 22-yard pass from Simons and took it in for a touchdown. Sean Sullivan made all four extra-point kicks, and Westfield had its big halftime lead.

The Tigers got on the board with 3:55 left in the third quarter. Geoffrey Brown blocked a Shamrocks punt, and Joey Slimak recovered it, then blasted off 95 yards for the touchdown.

Westfield responded 41 seconds into the fourth quarter, as Patchett scored on a four-yard run. But Fishers got that one back just as quickly, with Marcus Roux tossing a three-yard TD pass to Jeffrey Simmons. Jack Phillips successfully kicked the extra points after both scores.

The Tigers would get no closer, however. Hauser finished the scoring late in the fourth quarter with a 16-yard interception return for a touchdown. Sullivan kicked the extra points for both of Westfield's second-half touchdowns, making him a perfect 6-of-6 for the game.

Simons had an efficient game, connecting on 8 of 14 passes for 156 yards.

ABOVE: Westfield's Mason Piening (left, with football) scored the first touchdown of the Shamrocks' Sectional 4 semi-final game with Fishers Friday at Riverview Health Stadium. That would be the first of many touchdowns for Westfield, who beat the Tigers 42-14 to advance to next Friday's sectional championship game.

BELOW: Fishers' Marcus Roux makes a run during the Tigers' Friday sectional game with Westfield on Friday. Roux finished the game with 171 yards passing.

Carmel beats HSE to reach Sectional 4 final

Carmel won an all-county clash at Hamilton Southeastern on Friday to advance to the Class 6A Sectional 4 championship game.

The Greyhounds beat the Royals 28-14 in a semi-final game at TCU Field. Carmel led 28-0 after three quarters, scoring all of its touchdowns on the ground.

Zach White got the first two scores on five-yard runs. White found the end zone midway through the first quarter, then made his way in to score with 7:33 left in the second. Christian Williams added the Greyhounds' third touchdown later in the period, then John Rogers scored on a 35-yard run late in the third quarter. Spencer Hanna kicked all four extra points.

Southeastern fought to the end, scoring both of their touchdowns in the fourth period off passes from Andrew Hobson. Nathan Wolf caught a 10-yard TD throw with 5:25 left, then the Royals got the ball back seconds later and Ben Boysen grabbed a 34-yard pass and took it in for the score. Alex Geroulis kicked both extra points.

Rogers led Carmel's ground game with 67 yards rushing, with Dylan Downing gaining 65 yards. Williams completed 9 of 14 passes for 61 yards; Downing had four receptions.

Hobson had an outstanding game, completing 23 of 33 passes for 263 yards. DeAndre Rhodes had seven catches, with Boysen, Tony Myers and Wolf all making five receptions. Boysen led the rushing with 53 yards.

Carmel is 7-3 and hosts Westfield next Friday in the sectional championship game. Southeastern finished its season 5-5.

Carmel's Zach White powers his way into the end zone during the Greyhounds' Sectional 4 semi-final game at Hamilton Southeastern on Friday. White scored two touchdowns in Carmel's 28-14 win.

Spartans escape Noblesville in overtime

Noblesville came close to a major upset on Friday, as the Millers hosted undefeated and No. 3-ranked Homestead in the semi-finals of Class 6A Sectional 3.

Noblesville held the lead for most of the game before the Spartans tied the score at 21-21 on the final play of regulation. That sent the game into overtime, where Homestead held off the Millers in their drive, then kicked a field goal to escape Beaver Materials Field with a 24-21 win.

"Homestead's won a lot of football games," said Noblesville coach Justin Roden. "They've won a lot football games every year, so they just stay the course and they don't lose faith. They made some plays at the very end that were the difference."

Regardless of the result, the Millers validated the fact that playing a tough schedule prepares a team for the post-season. Noblesville finished the season 1-9, but that was against the No. 1-ranked strength of schedule in Indiana, according to the Sagarin ratings.

The Millers scored first, when Jayden Barrett caught an eight-yard touchdown pass from Alex Zavac to go up 6-0 in the first quarter. That would be the score into the second period, but Noblesville made it 13-0 with 5:41 left in the quarter. A fumble recovery was followed by a 57-yard touchdown run by Elijah Butler, and Grayden Addison kicked the extra point.

The Spartans scored on a touchdown pass before halftime, making the score 13-7 at the break. Neither team scored in the third quarter, and it would take until the 6:04 mark of the fourth to get points in that period. Homestead's Ryan Burton punched it in from the one-yard line, and the Spartans led 14-13, their first lead of the game.

The Millers answered minutes later, when Butler ran into the end zone from five yards to score his second touchdown of the game. Barrett then made a two-

Noblesville's Jayden Barrett is lifted up by Michael Maris after Barrett scored a touchdown during the Millers' Sectional 3 semi-final game with Homestead Friday at Beaver Materials Field.

Reporter photo by Kent Graham

point conversion run, and Noblesville was up 21-14. But Homestead wouldn't go away, and the Spartans tied it up on the final play of the fourth quarter with an eight-yard touchdown pass, then kicked the winning field goal in overtime.

"I thought tonight we were the better team," said Roden. "I thought we were the more physical team."

The coach credited Zavac with doing "a great job" in the game, saying that he "did a good job reading the offense to-

night. He had some great runs, put us in a position to win the game."

"Elijah played well," said Roden. "Jayden and those guys played well tonight."

Butler finished the game with 162 rushing yards, while Zavac completed 5 of 11 passes for 32 yards, including the touchdown.

"The moral of this is, they represented Noblesville very well tonight," said Roden.

Boxscores for the Carmel-Southeastern and Noblesville games can be found on Page 10

Guerin Catholic went toe-to-toe with one of the top offensive teams in the state on Friday.

The Golden Eagles battled visiting West Lafayette in the semi-finals of Class 3A Sectional 28 at the Eagles Nest, and had them tied at 31-31 late in the fourth quarter. But the No. 4-ranked Red Devils kicked a field goal with 1:46 left, and that was enough to send them past No. 10 Guerin Catholic 34-31.

The Golden Eagles scored first in the back-and-forth game, getting on the board after Luke Etchison kicked a field goal. West Lafayette responded with a quick touchdown run, and led 7-3 at the end of the first quarter.

Guerin took the lead back late in the second after Christian Gelov found Bernie McGuinness for a four-yard passing touchdown. That put GC up 10-7 with 1:33 left. But the Red Devils again answered, with a 16-yard pass play score, and they led 14-10 at halftime.

West Lafayette went up 17-10 after making a field goal, but the Golden Eagles got within 17-16 after Gus Baumgartner punched in a touchdown from the one-yard line. The Red Devils scored late in the third to lead 24-16.

Guerin Catholic tied the game up with 8:06 left in the fourth two passes from Gelov to McGuinness. The first was a three-yard touchdown throw, then the duo was successful on a two-point conversion throw. But West Lafayette's explosive offense went back up right away, as Cannon Melchi took the kickoff return 85 yards to score.

Gelov threw a 22-yard touchdown pass to Nick Demas, and Etchison made the extra-point kick to tie the game at 31-31, and that would be the score until the Red Devils' game-winning field goal.

Gelov had an incredible game, completing 25 of 37 passes for 238 yards. McGuinness was just as outstanding, making 14 receptions. Baumgartner led the rushing with 97 yards.

The Golden Eagles finished the season 6-5.

Defense, rebounding lead Pacers past Cavs

By KYLE GRAND
Courtesy nba.com/pacers

The Pacers have now won two in a row after knocking off the Cleveland Cavaliers in Bankers Life Fieldhouse, 102-95. Defense and rebounding have been issues so far this season, but that was not the case tonight, as Indiana out-rebounded Cleveland and held them to under 40 percent shooting en route to the victory.

But by no means was this one easy for the home team. Indiana and Cleveland were in a close battle well into the fourth quarter. In the final period, the Pacers led by four, 72-68, before going on a 10-3 run to lead 82-71 with 7:46 to play.

But the Cavaliers continued to hang around. With 3:48 to go, Indiana's lead was just nine, 89-80.

Fortunately, the Pacers were up for any type of late Cavaliers rally and held off the visitors each and every time it seemed like they were threatening. Leading by six, Jeremy Lamb scored four straight to push the lead to 10, 95-85, with just 2:07 to play.

Cleveland would get within six a few more times, but the Pacers were able to put the game away at the free-throw line.

Outrebounding Cleveland 57-46 was a huge part of tonight's win.

"We just did a nice job," Pacers head coach Nate McMillan said of the team's rebounding. "I said the same thing to our guys, we haven't won the rebounding game all season long, they dominated us last game, had 12 offensive rebounds. Tonight we dominated the boards."

"I feel like in the last game we didn't

come out with that much energy and they beat us badly on the boards, so Coach really put an emphasis on it tonight," Pacers center Domantas Sabonis added. "We came out tonight and everybody did their job."

Indiana didn't get out to a great start tonight. Cleveland controlled the game in the early going, as it led by six, 21-15, at the 3:25 mark. At the end of the opening quarter, the Cavaliers were out in front 26-19.

The Pacers' second unit performed well to start the second quarter. They out-scored the Cavs 10-3 to give Indiana a 29-28 lead with 9:04 left in the half.

The tone set by the second unit continued throughout the quarter. The starters kept up the momentum, and when the period was said and done, the Pacers had

scored 23 points to Cleveland's 11 and led 42-37.

In the third, Indiana increased its lead to as much as eight, but wasn't able to pull away. The Pacers led by seven, 68-61, heading into the final quarter, where they were able to keep the Cavs at bay for their second win of the season.

Sabonis finished with a double-double of 18 points and a career high 17 rebounds to lead Indiana. Malcolm Brogdon had another nice game with 25 points, eight rebounds and six assists. Off the bench, Goga Bitadze made an impact with 10 points and nine rebounds.

Cleveland was led by 22 points and 17 rebounds from Kevin Love and 20 points from Jordan Clarkson.
