## Giant bird nest added to Westfield's MacGregor Park

#### The REPORTER

Westfield Washington Township received a donation from the National Charity League (NCL), Crossroads Chapter, Class of 2024 to help pay for an oversize bird nest at MacGregor Park. Visitors can find this oversize nest on the west side of the interior trails. This new playscape piece encourages outdoor play and creativity.

"Play areas out in nature encourage children of all ages to engage in activity while promoting sensory stimulation," said Danielle Carey Tolan, Westfield Washington Township Trustee. "We want to inspire our community to visit this beautiful passive nature park."

By adding various pieces of nature based playscapes, the Township is adding one more component to allow young visitors to be active.

Each NCL grade level is assigned different philanthropic focus areas. The emphasis for the Class of 2024 was environment. Kim Speerly, NCL Grade Level Advisor, said, "The girls really enjoyed planting a flower bed at MacGregor Park last spring and they wanted to contribute something else that would make a long-term impact to the visitors of the park.'

The Township, along with NCL, encourages people to visit MacGregor Park year-round and take advantage of all that the park has to offer.

For motorists using Noblesville's Logan Street Bridge, it may have seemed that the reconstruction of the structure would never be done. But, after nearly a year, there is light at the end of the bridge.

Official dedication and ribbon-cutting has been set for Jan. 6. The multimillion-dollar project involves widening the

sidewalks on both sides and a new deck. Total cost is slightly over \$4.2 million.

according to County Highway Director Brad Davis. This includes an "overlook" on the southside, lighting and other aesthetics. The city of Noblesville is paying for these extra improvements which amounts to upwards of a third of the total cost.

though the bridge is within Noblesville city limits.

The project is designed to give safer access across the river especially for pedestrians going to and from the new Federal Hill Commons on State Road 19 between Logan and Conner streets.

Davis said the delay in completion was mostly due to the rainy spring weather which caused a high river level. Originally completion had been scheduled for sum-

## **Carmel OKs increase in park fee on new** homes, shelves 4<sup>th</sup> of July parade change

#### **By JENNY DREASLER**

WISH-TV | wishtv.com

On Nov. 18, the Carmel City Council voted on a pair of controversial proposals. One passed and one did not.

The council voted unanimously to pass a park impact fee. It would impact people looking to build a new house in Carmel. Right now, the fee is \$2,972, but the fee will increase to \$4,882.

Supporters of the increase say as the population of Carmel grows, the new people moving to Carmel should contribute financially to the growth of the city and its parks. But, opponents of the ordinance said, the increase is just too much.

Council members said it's a one-time fee, not a tax increase for new home builders. The fee would only apply to new home development and not to someone looking to remodel or add on to their home.

The ordinance will go into effect in January and go until 2025.

The issue of saving spots on the street to watch Carmel's Fourth of July parade, which has elicited significant public discussion, was unanimously shot down by the council on Monday. Council President Jeff Wor-

rell, who sponsored the proposed

ordinance, pulled it from the agenda after he said the land use committee put forth a negative recommendation. The proposal would've limited when people can stake out their spots ahead of the CarmelFest Parade.

Under the proposal, people could have reserved their spots for the parade at 6 a.m. the day before the event, rather than weeks in advance as they do now. The proposal was brought up after some com-

plained chairs and spot markers not only made for unsightly clutter but also caused damage to grass and irrigation systems around the city.

Worrell said, "Maybe I was just too close to it? But my colleagues did not feel a sense of that this is something government should get involved with. I get that! I mean, I don't want

government where it shouldn't be. But, my theory was that when something gets out of control or gets out of hand, we step in and set some guidelines, set some rules, and I think people generally appreciate that."

As for what's next, Worrell said he plans to do some more work on the ordinance, get more public feedback and perhaps make some tweaks before potentially bringing it back before the council.

Many people struggle with

mental illness or disorders, especially teens. I mean, considering everything we go through, it shouldn't be that hard to believe, right?

A lot of people don't understand that teens genuinely struggle with anxiety, depression, stress and much more every day. Teens' mental health is often overlooked, especially by adults. Most think that we are just lazy or don't want to put in the effort, but that is false.

Teens struggle with insane amounts of homework, judgment from peers, judgment from teachers, their own family issues and more. Some teens also have to deal with bullying. Also, some kids don't learn and comprehend the material as well as other students, which can lead to worry-

From that day on he always called my dad Mr. Rogers. My dad not only wore a cardigan but he looked a lot like Mr. Rogers. And ... my dad was a kind man.

Chuck and I spent Friday afternoon at the movies. We saw A Beautiful Day in the Neighborhood.

I won't give out any secrets about the movie, but I will say it reminded me a lot of my dad and his kindness.

The movie talks about broken people dealing with their anger. When a child is broken it affects them for the rest of their life.

Often a child carries his anger into adulthood. Some children are broken into kindness. Like Mr. Rogers. Like my dad.

You see, my dad was raised during the Depression. Everyone was poor in the hills of Kentucky, but Dad's family was the poorest of the poor.

My dad was a very smart or lower than they were man, but by the time he should have been going to high school, he was faced with bullies making fun of his clothes. Having clothes that were tattered and not taken care of by his stepthe ugly words of his school- Rogers and Jim Hart.

mates. So, he left high school and did not return.

> Years later, his math abilities and management skills led him to becoming a supervisor at Firestone. I've never heard anyone say anything negative

Dad never spoke about his mom, Kathy, asked him the way he was treated as what he was doing over at a child. He made a decision to always treat others with kindness. Recently, my mom shared with me all the cruel things that were said and done to my dad. It broke my heart.

My dad always made sure his younger sisters and their families received gifts for Christmas. They always thought the gifts were from Santa. He knew what it was like to have no tree or gifts at Christmas.

Dad always saw the good in people. He had a heart that would truly listen to their stories. He loved to ask questions. He gave people time to think and respond.

Dad understood broken people. He was one of them.

Mr. Rogers made a difference, one broken person at a time ... so did my dad. They both knew how to love broken people.

Dad and Mr. Rogers listened with their heart. They knew that there was healing in the silence.

Perhaps Jonathan knew exactly what he was saying when he called my dad Mr. Rogers. For Jonathan, he just knew that it was a beautiful day in his neighborhood when my dad was his neighbor. Even a four-yearold can recognize kindness.

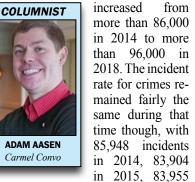

I pray that we all bemother, he could not face come a little more like Fred

## Carmel growing in population, but not crime

There are many reasons that people move to the City of Carmel, but one of the main ones is that it's a very safe community. Crime rates are low in Carmel, and the amazing thing is as the

#### Ed. Director disciplined for with Santa in Cicero

#### The REPORTER

Phi Beta Psi will hold the fifth annual Breakfast with Santa from 8 to 9:30 a.m. on Saturday, Dec. 7, and again from 10 to 11:30 a.m. at the Red Bridge Park Community Building, 697 W. Jackson St., Cicero. The cost to attend is \$5.

According to Phi Beta Psi Treasurer and Breakfast with Santa Chairperson Chris Crouch, the majority of funds from this and other events go to cancer research

"We also help out in the community," Crouch said. "We help the school nurses by buying supplies for them. If a family has a fire, we will donate to that. In the past we have bought shoes and glasses for children who need them and cannot afford them. But the majority of our money goes

directly to cancer research." The menu includes French Toast sticks, smoky links, fruit and juice for the kids, and coffee and banana bread for the adults.

We have two ladies that help with crafts for children to make and a lady who does storytelling," Crouch said. "We have quite a bit going on for \$5!'

The cost is \$5 per person, which can be paid at the door. Crouch asks that anyone planning to attend please call her at (317) 796-8672 to reserve your spot. This helps Phi Beta Psi plan ahead and ensure all the kids get crafting opportunities and a little time with the jolly old elf himself.

You may also call if you would like to either donate to Phi Beta Psi of learn about joining this community organization.

## Expect increased traffic patrol, law enforcement through Thanksgiving

#### The REPORTER

Millions of Americans will travel our nation's highways this Thanksgiving holiday to visit family and friends. With more vehicles on the road, the chances of being involved in a crash increase greatly.

The Hamilton County Traffic Safety Partnership, a consortium of local law enforcement agencies, is joining law enforcement agencies across the state to spot violations to Indiana's seat belt and impaired driving laws. Through Dec. 1, expect to see an increase in random patrols, saturation patrols and checkpoints as officers work diligent-

ly to help motorists arrive safely at their destinations. This overtime enforcement is supported with National Highway Traffic Safety Administration (NHTSA) funds administered by the Indiana Criminal Justice Institute (ICJI).

Public safety officials announce traffic enforcement and sobriety checkpoint to give drivers and their passengers fair warning and to make roads as safe as possible. Officers live in the communities they serve and will be thankful this holiday if impaired-driving and unbuckled deaths never strike again.

## personal social media post

#### The REPORTER

Mark Booth, Special Education Director for Noblesville Schools, is facing discipline after a post he shared to his personal Facebook page.

The post was a photo of Donald Trump with a caption that referred to Trump as "special needs."

The district has not indicated the terms of Booth's disciplinary action.

## Semi-state football 'Hounds beat Pirates to make state

#### By RICHIE HALL

CARMEL - Carmel football players know to be ready, because every Greyhound will eventually have his day.

And usually, more than one Greyhound has his day at the same time.

Dylan Downing got the Greyhounds on the board last Friday as Carmel hosted Merrillville in the Class 6A north semi-state. Gabe Quigley came in again as quarterback to throw a great game. The defense came through. Add it all up and Carmel was a winner over the Pirates, 38-17, giving the 'Hounds another semi-state championship and another trip to the state finals.

Carmel will play Center Grove Saturday in the 6A title game. This will be the Greyhounds' 16th appearance at state, a new record for most trips to the big game. Carmel also won its 13th semi-state championship and its 10th in the last 14 years.

The Greyhounds make it look easy, but coach John Hebert knows the truth.

count on it happening. And this is the round right here that's tough, too. It's the semistate, because every team in it is riding momentum and playing great. Merrillville, I mean, 11-1, they lost by one point to Valpo. That was a tough team to beat. We got some scores and that helped us bust it open a little bit. They're a better team than that score shows."

The game was scoreless for most of the first quarter. Carmel broke through with just under two minutes to go when Dylan Down-

into the end zone. Spencer Hanna made the extra point kick.

"I was concerned about how points were going to be achieved, because we had the disruption to our lineup," said Hebert. 'We've got to go through these things, it's late in the season to be going through that. But Dylan carried us there with that run. He made several guys miss and then he outran the guys that had the line on him. Big-time players make big-time plays and that's what he did."

The Pirates kicked a field goal early in the second quarter to get on the scoreboard. Carmel's lead stayed 7-3 for most of that period, but the 'Hounds added a quick 10 points in the last two minutes of the half.

Quigley found Colton Parker for a 33yard touchdown pass with 1:57 remaining. Hanna made the extra point, then a few minutes later kicked a 43-yard field goal. Carmel now had a 17-3 halftime lead.

That lead ballooned to 38-3 after three "It's hard," said Hebert. "You just can't quarters. Zach White punched the ball in from the one-yard line, Ty Wise took a fumble recovery 67 yards into the end zone, and Parker caught a second touchdown pass from Quigley, this one for 48 yards.

> Quigley finished the game 8-of-11 for 123 yards. He has been filling in for injured Zach Osborne since the regional game, and has stepped up big time.

> "We're really fortunate to have two quarterbacks like that," said Hebert. "He's been great for us."

"And I kept telling him, 'Your time is ing found an opening and rushed 51 yards going to come," said Hebert. "We're going

to need you. You're going to be somebody we're going to ride when we need you.' And he's done that. He got us through last week. He scored 14 points for us, led us through regional. And now a semi-state championship, so one more game to go."

Carmel's defense also had another strong performance, holding Merrillville to three mel's rushing co-leaders, each gaining 79 points for most of the game. The Pirates scored two touchdowns in the fourth quarter, yards. but the game had been decided by then.

"I can't say enough about how great our defense has been this year," said Hebert. "Just took to fight and not give in and not give anything easy to our opponents. We've leaned on it all year and hopefully it'll carry us all the year."

Quigley and Downing finished as Caryards. Parker totaled six catches for 114

The Greyhounds are 10-3 for the season.

## Girls basketball **Tigers open HCC with win over 'Rocks**

Fishers got an early jump county opponent Westfield 59-42 last Friday night at The Rock.

The game was close through the first half. The Shamrocks were ahead by one point, 10-9 after the first quarter, with Fishers edging ahead 20-19 by halftime. But the Tigers took control in the third period, pouring in 26 points while allowing Westfield just nine.

"We just kept telling our kids to keep doing what they were doing defensively," said of energy," said Westfield coach Fishers coach Lauren Votaw. "We're very deep and we have on defense a few times, momena lot of players that we can run tum shifted and they capitalized in and out. We kept defending. And then when you hit shots, it loosens everything up a little bit, too.' Burton scored 11 points in the third quarter, while Kaitlynn Fishers will also play Saturday Feagan nailed three 3-pointers at Warsaw. in that period. Feagan added another 3 in the fourth quarter, back in action on Tuesday, giving her four for the game. Burton finished with 15 points, while Feagan scored 13. Freshman Hailey Smith contributed 12 points.

"We're very deep, we're on the Hoosier Crossroads Con- well-balanced and these guys ference race, as the Tigers beat are playing unselfish basketball right now, and that's about all I can ask for," said Votaw.

> Lydia Stullken led the Fishers rebounding with eight, while Tamia Perryman blocked two shots.

> Ashtin DeCraene scored 12 points for the Shamrocks, including three 3-pointers. Alyssa Crockett and Ava Henson both collected four rebounds, with Crockett blocking two shots.

> "They came out with a lot Ginny Smith. "We just got lost on it."

A6

The win keeps Fishers unbeaten at 7-0, and the Tigers return home Tuesday for another HCC game against Zionsville.

Westfield is 3-2 and is also traveling to McCutcheon. The 'Rocks are back on the road Saturday at Franklin Central for year.

the second quarter. The Huskies then took over on defense, outscoring the Golden Eagles 13-6 in the third period. Runner kept the offense hot by making three 3s in the second half.

"Bayleigh Runner was really good tonight," said Heights coach Keegan Cherry. He also credited Jillian Osswald, who suffered an injury during the Huskies' Friday 9-of-10 shooting from the field. Osswald added 15 points.

Hamilton Heights won its first game of the season last night game with Noblesville, with a "gutsy effort," as she Cherry said "Bayleigh was a monster" and "Jillian was also Tuesday, beating Guerin Catholic 44-31 in played all four quarters.

Runner finished the game with 18 points, including five 3s. MyKayla Moran had eight points.

Cunningham led Guerin Catholic with 13 points, and made three 3s. Kathryn Loso and MT Ford joined Labus in scoring six points.

"We got to find a way to attack a zone better," said GC progress." coach Marc Quaranta.

in the first three quarters, then finished strong on its way to a 54-33 win over the Tigers.

The Huskies led 12-10 after the first quarter and 24-14 at halftime. Heights outscored Lebanon in each period, finishing the game with a 20-point fourth quarter.

# Remembering my friend Butch Reel

By DR. TERRY COOMER

great athletes and many great athletic achievements. I am always glad to be able to say I grew up in Noblesville, Indiana. All the athletes who have done great things have had a wonderful support system from the community, great coaches who have

inspired, taught, coached, and helped us to do great things.

I was recently thinking about one of Noblesville's great athletes, my friend Butch Reel. As time goes by and athletes go off the scene, it is always well to remember what they have accomplished. I appreciate the opportunity to share about my friend and his achievements at Noblesville High School from first-hand experience.

Butch Reel was one the best football players in Noblesville High School history. I first met Butch when I was a freshman baseball player in 1969. Coach Don Dunker put me on the varsity roster. He needed a bat and I was able to provide it by hitting .400 as a freshman. Butch was a junior beside me in the outfield. He kind of took me under his wing and told me not to worry about being young, just play! We became friends.

In football, Butch was a straight-forward player. He was a fullback. There was not much finesse to Butch. When he hit the hole, the defensive guy either got ran over or needed a lot of help to bring Butch down!

As a sophomore linebacker on the defensive team, I hated trying to tackle him in practice. You had to hit him with "good technique," as Coach Jim Belden used to say, and get your arms around him, hold on, and hope for help!

I backed up Butch as a fullback on the Noblesville High School has had many offense. I remember in one game we needed a first down when it was fourth down and 13 yards to go! Coach Belden decided to go for it. We were our own side of the 50 yard line. Who do you go to when you need 13 yards? Butch Reel!

> The play was a screen pass to the right side. Butch got the ball in the flat. After five yards, the first defensive player hit Butch, and Butch ran over him. In the course of it, three other players latched on. Butch dragged them to the first down!

> Coach Belden was a pretty emotional guy and he was running up the side line right beside Butch, screaming "yes" and other things! He was so excited and since they were on our sideline, he jumped down into the pile to pick Butch up patting him on the helmet and dragging him to the sideline. The crowd went wild. We got the first down!

> Why am I writing about Butch today? I am remembering my friend, and because it is November. Butch went to be with his Lord and Saviour Jesus Christ, on Wednesday, November 27, 2013 after a long battle with cancer. He was 60 years old.

> At Noblesville, Butch was named First Team All-State at running back in football as a junior after rushing for 1,139 yards, which set the school record at the time. He broke both NHS and Hamilton County rushing records with 2,662 career yards. He is the third all-time leading rusher in Noblesville Football history. He was inducted into the NHS Sports Hall of Fame in the Class of 2014.

> When Butch graduated from NHS he told me for my junior year that he wanted me to wear his number, 32. Butch told Coach Belden, and coach agreed. I had an outstanding junior year on defense, as linebacker on a great Noblesville football team. I was proud to wear the number of my friend. He teased me and said, "Now

Butch Reel (32) left several opposing players in his wake as a straightforward fullback for the Noblesville football team. Reel was a First Team All-State running back for the Millers and went on to play football at Baylor University in Waco.

you get to follow my footsteps!"

Butch was recruited to play football for Baylor University, and moved to Waco in 1971. Butch graduated from Baylor in 1975, where he was part of the 1974 Southwest Conference championship team. Butch went on to graduate from Wesley Biblical Seminary in Jackson, Mississippi. From there, he answered his call to pastor, and served as senior pastor in five different Baptist churches in Indiana, West Virginia, and Texas, where he touched many lives.

After I came to know Jesus Christ as my my first year in the San Francisco Giants farm system, I then went to Bible College. After graduation I took my first church as a *drterrycoomer@gmail.com* 

Baptist pastor. Butch called me, and said, "Congratulations! You are still following my footsteps!" I laughed and told him he set a good example.

Forty-one years later I have now pastored five different Baptist churches in Ohio, Indiana, and Arkansas. I will now join my friend, Butch Reel, in the NHS Sports Hall of fame in the Class of 2020. Looks like I am still following Butch's footsteps! I wish he was here to see it happen. I wish we could both wear number 32 again!

Butch represented NHS well, Baylor Saviour in 1974, during the off season from well, and his Saviour well. Truly one of the great athletes in Noblesville sports history! You can email Dr. Terry Coomer at

I was born and raised right here in Noblesville. I grew up in a home without domestic violence or assault - it wasn't something I saw, or even heard about. But when I was introduced to Prevail of Central Indiana, I was shocked by the number of individuals who are affected by domestic violence. In 2018 alone, Prevail helped more than 4,000 clients in Hamilton County. (Nearly 80 percent of clients are women and children.) Domestic violence and abuse are hard topics to discuss, so you don't often hear about them. But at Tom Wood Volkswagen in Noblesville, we're breaking the taboo and raising awareness for Prevail, an organization that helps families in Hamilton County. - Mike Bragg, GM of Tom Wood Volkswagen in Noblesville
