Trial date set for Carmel police officer *Drunk driving arrest wasn't first while serving on CPD*

The REPORTER

A trial date of Feb. 5 has been set for a Carmel police officer accused in September of drunk driving charges. Police reports indicate Bryan Hood was initially stopped in downtown Carmel for a traffic infraction. During the stop officers suspected Hood of drinking. A

blood alcohol test was performed, which revealed Hood was at nearly twice the legal limit. Officers charged Hood with Operating a Vehicle with a Blood Alcohol Concentration of 0.15 percent or More

and Operating a Vehicle While Intoxicated Endangering a Person. Hood's September arrest was not his first while serving as a Carmel police officer. The Reporter has learned Hood was arrested for Public Intoxication, and allowed to keep his job, in 2011. It is unclear the outcome of the 2011 charge due to court records being expunged. Hood is currently on administrative leave and continues to receive his salary, pending the outcome of his criminal trial and Carmel's internal investigation.

Continuing to build the image of "best place to live" in U.S.

A new year and a new decade are upon us in Hamilton County — one of the best places to live in America, according to the experts. And, local leaders are planning to keep it this way and expand upon that image.

During the new year, major additions to infrastructure and amenities are planned while private sector development, especially new housing, will continue its explosive growth in central and southern portions of the county.

The biggest public project, converting State Road 37 to a freeway without signals from Noblesville to Interstate 69, will get underway in earnest this spring with the first of new interchanges with intersecting roads.

Other highway projects involve completion of the 276th Street upgrade linking State Road 19 and U.S. 31, the next phase of dual-lane 146th Street west to Boone County, and the construction of several more roundabouts in areas of increasingly

heavy traffic. Hamilton Southeastern and Carmel Clay Schools will begin construction on new elementary buildings to replace Durbin, Orchard Park and Carmel elementary schools.

Downtown redevelopment is a term heard in recent years usually involving the encouraging of developers to take advantage of tax abatement or other inducements to build new commercial and residential structures.

Noblesville's first such project, known as The Levinson, will be completed this year, and another complex is planned at Conner Street and White River. These, along with the city's first parking garage spanning Clinton Street east of 8th Street, will begin markedly changing the downtown landscape.

Meanwhile, Westfield's new Grand Junction is expected to revitalize the center of town. Fishers has announced plans for new

2020: What will the new year bring to Fishers?

As we enter this new year, what can we expect in terms of news in and around Fishers?

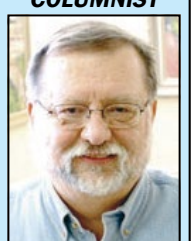

The most honest answer is, we don't know. Some of the biggest news stories come up unexpectedly. My number one story for 2019 was the city election, largely because two Democrats won city council seats, which is something I never would have predicted at the start of 2019.

The number two story on my 2019 list was the nondiscrimination policy debate and decision by the Hamilton Southeastern School Board. Again, I would not have foreseen that as a major story at the beginning of the year.

So, is there anything we know for sure about 2020? Yes, a few items.

First, we will have elections. The primary is set for May 5. Several offices in Hamilton County will

be up for election, including two seats on the three-member board of County Commissioners. Seats currently held by Steve Dillinger and Mark Heirbrandt will be up for election this year.

There will also be Hamilton County Council seats on the ballot.

County Government impacts us in cities as well, so this is worth watching.

Indiana State Representative Todd Huston's seat will be up for re-election. Several state senate districts will be on the ballot, with many senate districts touching the City of Fishers.

Another wild card will be the presidential primary. Incumbent Republican President Donald Trump is not expected to see a serious challenge when the Indiana primary comes around. But with the large number of candidates at this stage, one

Carmel carjackers flee to Indianapolis, one suspect caught

The REPORTER

At 7:12 a.m. Friday, Carmel police responded to the 300 block of Haydn Drive on a reported carjacking. Haydn Drive is near the intersection of 146th Street and Spring Mill Road. Officers learned that two light-skinned black males approached another man and demanded his 2019 Chevrolet Traverse and his wallet. A handgun was displayed, but no one was injured during the carjacking. The two men fled in the Chevrolet.

Officers converged on the area, but they could not immediately locate the men nor the Chevrolet. A short while later, Indianapolis police officers located the Chevrolet on the northwest side of Indianapolis and stopped it. The two men fled on foot. IMPD officers captured one of the men, Marcus Dontae Pryor, 19, Indianapolis. Pryor was arrested and faces charges of

Armed Robbery, Auto Theft, Resisting Law Enforcement, Intimidation, and Theft. The second man remains at large. He is only described as a light-skinned black male. If you have information on the second suspect or his whereabouts, please contact the Carmel

Police Department at (317) 571-2580 or Crime Stoppers at (317) 215-5900. The Carmel Police Department would like to extend its sincere appreciation to the Indianapolis Metropolitan Police Department for its help in this investigation.

wonders whether the Democrats will have a contested presidential primary May 5.

Those winning nomination in the primary will be listed on the general election ballot with voting set for Nov. 3, but early voting and absentee ballot opportunities will be available prior to Election Day. Since this is a presidential election year, look for the voter turnout to be higher than other elections.

The biggest election impacting Fishers will be the at-large Hamilton Southeastern School Board. This will be part of the Nov. 3 general election. There will be three seats up for grabs. Those three seats are currently held by Amanda Shera (Delaware Township), Sylvia Shepler (Wayne Township) and

Clint Wilson (Fall Creek Township). No official announcements have been made, but early indications point to all three incumbents seeking re-election.

The at-large school board election works like this ... candidates must reside within their township, but the entire school district votes in all three elections.

I would expect the biggest Fishers news story of 2020 will be the one we don't know yet. But the school board election is very likely to be at or near the top of 2020 Fishers news stories.

Allow me to wish each and every reader of Larry-InFishers.com a happy and healthy 2020. I will be entering my 10th year of writing about the Fishers community. Thanks for reading.

condominium projects near the center of town, and Carmel will open a new luxury hotel, the Carmichael, near the Monon trail.

Other development will continue along the Monon while Clay Township gets started on a \$60 million package of park and fire department upgrades, including a fieldhouse and fire administration and museum building.

Walking trails throughout the county will not be overlooked. Major work

is expected on the Nickel Plate trail from Noblesville to the Marion County line, and another phase is set for the Midland Trace, which is planned to connect Noblesville with Westfield.

Planning and zoning departments are expecting hundreds of permit requests for new homes throughout southern and central Hamilton County.

All in all, it will be another truly big year for the ever-changing face of our county.

PREVAIL

Advocating for
Victims of Crime and Abuse

www.prevailine.com

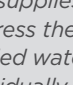

I was born and raised right here in Noblesville. I grew up in a home without domestic violence or assault – it wasn't something I saw, or even heard about. But when I was introduced to Prevail of Central Indiana, I was shocked by the number of individuals who are affected by domestic violence. In 2018 alone, Prevail helped more than 4,000 clients in Hamilton County. (Nearly 80 percent of clients are women and children.) Domestic violence and abuse are hard topics to discuss, so you don't often hear about them. But at Tom Wood Volkswagen in Noblesville, we're breaking the taboo and raising awareness for Prevail, an organization that helps families in Hamilton County.

- Bottled water (8 oz. bottles, preferably)

Don't just make resolutions, make this your year of decision

"You're going to be proud of me, Lucy ... I've decided that this next year is going to be my year of decision!" – Charlie Brown

Webster defines the word "resolution" as it pertains to this article as 'the act of finding an answer or solution to a conflict, problem, etc.: the act of resolving something. : an answer or solution to something...' and we all know that there is an expectation of sorts that most of us will have at least one or two of those resolutions as we enter another new year. However, I like Charlie Brown's perspective much better as it relates to a "year of decision."

Our lives are made up of decisions from the moment we open our eyes in the morning until we enter dreamland that same evening. Decisions vary from the mundane and completely simplistic (do I wear a red sweater or a black sweater today?) to critically important decisions regarding our health and relationships.

For my intent here, we will focus on decisions which may seem simplistic but can have a very positive effect on our fitness level and enjoyment of whatever stage of life in which we find ourselves. I am going to step out on a limb and use myself as an example ...

As a woman facing 70, I sometimes have to ask myself "How in the world did

I get here?" as I often feel little differently than I did in my 20s ... and society has a tendency to push aging folks more and more into the background of life.

Many of us who reach this stage of life have serious health issues which we are forced to confront and handle the best we can with medication and medical assistance. Many of us are blessed that we do not take prescription medications and are able to maintain a positive level of energy most of the time. And, of course, most aging baby boomers fall somewhere in between the two.

Whatever stage you are in (and I am speaking of the "60+" group here) you still have daily decisions to make about your health and fitness. If you are over 60 and you have not had a complete physical in some time, start there. Your physician will order bloodwork and give you an examination which may include heart monitoring and other exams based upon family medical history and your own considerations. A vision exam, dental work and a complete skin examination by a dermatologist are always a good idea.

Once you have these items behind you and are cleared by your physician it is time to make the decision to work with a certified nutrition consultant and perhaps a fitness trainer to take charge of your health and

well-being to be the best *you* possible; not the 20-something you but the current you. Fortunately, many people approaching 70 are more active, healthy, and enjoying life now than at any point in history.

Make a decision this year to be the best you – not like a celebrity, or your neighbor, or best friend, but based on your own particular health and fitness decisions. Not only will you feel better, look better, and enjoy your life more completely, but your loved ones will benefit from the care you give yourself. Those we hold dear and who love us in return will benefit from our decision to evaluate and step forward in 2020 to an increased level of self-care and wellness.

In homage to my Scottish ancestry, I wish you all *Bliadhna Mhath Ùr!*

'Hawks step up defense in fourth quarter...

Sheridan girls get first conference win

By RICHIE HALL

SHERIDAN - After two weeks off, the Sheridan girls basketball team was back on the court Friday night.

The Blackhawks were playing their first game of the new year, and celebrated with a 40-34 victory over Rossville at Hobbs Memorial Gym, the first part of a girls-boys Hoosier Heartland Conference doubleheader. It was the first conference win of the season for the Sheridan girls.

"It's definitely nice to get the breakthrough," said Blackhawks coach Jaidlin Delph. "We really challenged the girls. We had two weeks off over Christmas Break. Tonight was the first time we played in two weeks. We really challenged them to come out at the beginning of the year as a different team."

Sheridan finished the first quarter with a 12-8 lead; Allie Delph had six points in that period. The 'Hawks then extended their lead to 16-8 in the second quarter, then led 18-10 with 3:36 left after Kaylie Kantz made two free throws. But the Hornets were in charge after that, finishing the first half on a 9-0 run to take a 19-18 lead into halftime.

The third quarter was tight for the entire eight minutes and featured several lead changes. A putback from Kantz put the Blackhawks ahead 22-19, but Rossville's Madison Miller tied it up with a 3-pointer. Sheridan's Taylor Bates scored on a layin, then Miller hit another 3, putting the Hornets up 25-24.

The teams traded the lead four more times in the quarter, with Rossville ahead 29-28 at the end of the period. But the 'Hawks took control in the fourth, opening the quarter on a 10-0 run.

Bates put Sheridan in front for good on a three-point play, then converted another and-1 to get the 'Hawks up 34-29. Delph made a free throw and Lillie Dickerson nailed a 3, and Sheridan was now in front 38-29. The Blackhawks held on to the lead from there

"We just told them that they needed to play their defense and make the adjustments themselves," said Jaidlin Delph. "They knew what they were doing wrong and they just took it upon themselves in that stretch to do the little things that they needed to do right."

"There was that one point that I told them, 'Quit turning the ball over and play better defense,'" said Delph. "And that's pretty much all you have to say to this

Taylor Bates scored 14 points for Sheridan in its 40-34 win over Rossville on Friday. It was the first Hoosier Heartland Conference win of the season for the Blackhawks.

group, and they take it personally and they hold themselves accountable to do the little things right."

Bates led Sheridan with 14 points, while Allie Delph scored 11 points and also made four steals. Kantz collected eight rebounds, with Bates pulling seven. Dickerson added seven points, Kantz had six, and Berkley Williams had two points

to round out the Blackhawks' scoring.

"I feel like tonight we did a much better job of having the score be balanced than we have in the past," said Jaidlin Delph. "I feel like they played really well. They played together, they played as a team and they knocked down shots when they needed to, so that's pretty much all we can ask for."

The 'Hawks are 1-4 in conference play and 6-8 overall. Sheridan's next game is Tuesday at Crawfordsville. It will be the start of a busy week for the Blackhawks, as they play four games in five days. Sheridan hosts Tipton on Thursday and Tri-Central on Friday (Jan. 10), then travels to Herron next Saturday, Jan. 11.

Hornets overwhelm Sheridan boys

The Sheridan boys basketball team was overwhelmed by Rossville on Friday night in the second game of a girls-boys Hoosier Heartland Conference double-header at Hobbs Memorial Gym.

The Blackhawks lost to the Hornets 66-26. Rossville was merciless in the first quarter, leading 16-0 at the 4:20 mark before Will Zachery got Sheridan on the board with a 3-pointer. The Hornets then outscored the 'Hawks 11-1 to take a 27-4 lead by the end of the period.

It didn't get any better in the second quarter, which Rossville cruised through to take a 44-9 lead into the locker room at halftime. Kyle Eden hit a 3-pointer for Sheridan midway through the period, and Nick Roberts got a basket at the end of the quarter.

"We tell them in practice, we've got to practice harder," said Blackhawks coach Chris Schrank. "One way or the other, they're going to learn the lesson. Hopefully that's what it takes. We've had a couple that we have felt like our effort wasn't where it needs to be. We control how the rest of this plays out. If we want it to be better, then we got to work harder."

Sheridan played better in the third quarter, outscoring the Hornets 13-11. Nolan Buckner and Eden each hit 3s as part of an 8-0 run for the 'Hawks. Rossville outscored Sheridan 11-4 in the fourth period, with Corbin Murray getting all four of the Blackhawks' points.

Eden led the Sheridan scoring with eight points. Roberts and Ethan Moistner both collected three rebounds.

"We got to figure out how to handle pressure," said Schrank. "We've got to play hard. We've got to focus. We'll really get back to some basics and make sure that we care of that stuff in the next week."

Sheridan is 0-2 in the conference and 3-6 overall. The Blackhawks are back in action on Tuesday when they host North Montgomery.

HSE S.P.O.R.T.S. renames itself
Mudsock Youth Athletics

By LARRY LANNAN

www.LarryInFishers.com

On Oct. 29, HSE S.P.O.R.T.S. Executive Director Scott Spillman told members of the Hamilton Southeastern (HSE) School Board his organization's name would be changing on Jan. 1, 2020. In checking the organization's Web site on Jan. 1, 2020, it appears the local youth sports group is on schedule with that name change.

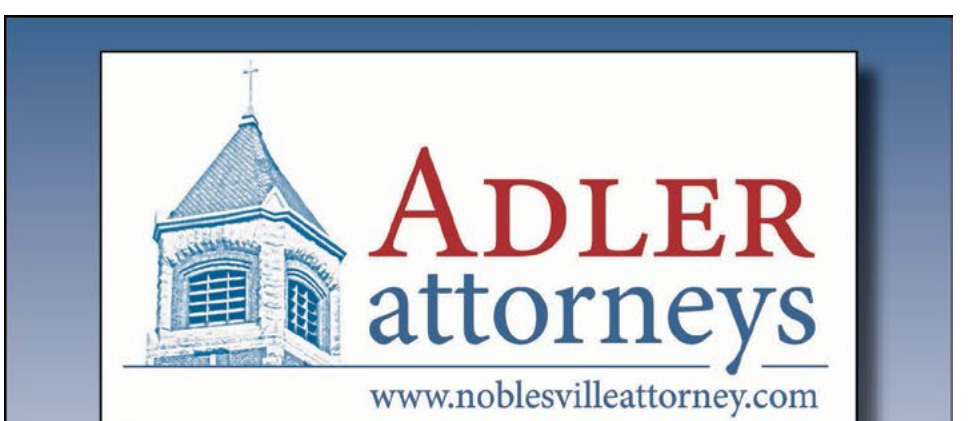

The new name is "Mudsock Youth Athletics." The new Web address is myathletics.com

The e-mail address for the organization has also changed to info@myathletics.com

In reviewing the Web site, it appears all the programs and staff at the non-profit organization are the same, only the name has changed.

At the Oct. 29 meeting, HSE School Superintendent Allen Bourff said the name change would lessen confusion centered on the two organizations. HSE Schools is a public school district, and HSE S.P.O.R.T.S. is an independent tax exempt organization. The two entities often partner with each other but have both been separate entities.

There should be no confusion now, the sports group now calling itself Mudsock Youth Athletics.
