But when I was introduced to Prevail of Central Indiana. I was shocked by the number of individuals who are affected by domestic violence. In 2018 alone, Prevail helped more than 4.000 clients in Hamilton County. (Nearly 80 percent of clients are women and children.) Domestic violence and abuse are hard topics to discuss, so you don't often hear about them. # **Boil order lifted** for customers in Noblesville, Fishers

#### The REPORTER

Indiana American Water has lifted the boil water advisory affecting nearly 17,000 customers in Noblesville and a portion of Fishers. The precautionary boil water advisory was issued on Monday afternoon after a loss of pressure caused by equipment malfunction at the White River North water treatment facility.

Water sample results confirmed there was no contamination present in the distribution system. Indiana American Water customers in the affected areas no longer need to boil their tap water.

The Indiana Department of Environmental Management (IDEM) mandates precautionary boil advisories to ensure high-quality water in the event water pressure drops below 20 pounds per square inch in any part of a distribution system. According to company officials, boil advisories are issued as a precaution with the customers' best interests in mind.

disasters," said Shane Booker, Executive Director of Hamilton County Emergency Management.

According to ready.gov, it is important to have at least one gallon of water per person in your home for at least three days. Having a kit does not mean spending a lot of money.

"You can buy items when they are on sale and put them in a plastic tote like bottled water, canned food, flashlights and extra batteries," said Booker.

Severe weather season is right around the corner, and starting to put your kit together now can ensure you're ready for whatever tomorrow may bring.

# TODAY'S BIBLE READING

After these things Jesus shewed himself again to the disciples at the sea of Tiberias; and on this wise shewed he himself. There were together Simon Peter, and Thomas called Didymus, and Nathanael of Cana in Galilee, and the sons of Zebedee, and two other of his disciples. Simon Peter saith unto them, I go a fishing. They say unto him, We also go with thee. They went forth, and entered into a ship immediately; and that night they caught nothing. But when the morning was now come, Jesus stood on the shore: but the disciples knew not that it was Jesus. Then Jesus saith unto them, Children, have ye any meat? They answered him, No.

John 21:1-5 (KJV)

after taking an early 4-0 lead; Ashlynn Shade and Anna Kiser made baskets to get Noblesville on the board. Abby Haley hit a free throw to get the Millers ahead 5-2 with 5:31 left in the first quarter.

But Noblesville would not score again for another nine minutes. Mean- in it, I just would like to see us make a while, Mount Vernon poured in 19 consecutive points. The Marauders led 15-5 by the end of the first period, then Olivia Yeley added six more in the second quarter to put Mount Vernon ahead 21-5.

"We just played so flat in the first half," said Millers coach Donna Buckley

Shade hit a 3-pointer with 4:32 left in the half to stop the Marauders' run. Still, Mount Vernon led 27-14 at halftime, as Lexi Shelton hit a pair of 3s in the final three minutes of the quarter.

Noblesville came roaring back in the third period. The Marauders started the quarter with a free throw from Tessa Freeman, but after that it was all Millers, as they went on a 17-2 run. Five different players scored in the third, including six points from Mallory Miller. The junior hit consecutive baskets to get Noblesville within one, then Shade's fadeaway basket got the Millers in front 31-30.

Yeley hit a free throw with 31 seconds left in the third, so the score was tied at 31-31 going into the fourth quarter. Mount Vernon never trailed in the fourth or the overtime, but Noblesville never let the Marauders lead by more than four points.

Sydney Perry made two free throws with 2:18 left to push MV ahead 41-37. Noblesville responded with Miller converting a three-point play to get the Millers within one again, then her free throw tied the game with 1:10 left.

"We came out and played really well

ourselves back in the game."

Free throws got the Marauders ahead The Millers struggled in the first half 43-41 with under 10 seconds to play, but Shade hit another fade to send the game to overtime. Mount Vernon scored all of its points from the line, starting with two from Shelton to put the Marauders up 45-43. Mount Vernon hit 8 of 10 free throws in the extra period.

> "I love our grit and fight to get back play or two and get out of there with a win," said Buckley.

> Shade led all scorers with 18 points, including four 3-pointers, and reached double-double status with 10 rebounds. Miller added 11 points and had four steals. Haley handed out five assists to go with her eight points.

> Noblesville is 7-12 for the season. This was the last home game of the year for the Millers, who finish with three road games before playing at the Westfield sectional. Noblesville's next contest is Friday at Zionsville in a girls-boys Hoosier Crossroads Conference doubleheader.
