Thousands sign online petition to bring back Westfield High School principal

By KATIE WISELY
WISH-TV | wish.tv.com

A movement to bring back the Westfield High School principal is growing. In 24 hours, more than 500 teachers, parents and students added their names to an online petition.

There are now thousands listed. The school board appointed the principal to a different post after 17 years on the job.

Some Westfield residents say it's a community movement. The high school has made headlines in the past but for good reasons. U.S. News and World Report ranked it a top 10 high school in the state and in the top 4 percent of all schools nationwide. Some say it's all thanks to Dr. Stacy McGuire.

There's talk about what's to come at the corner of Hoover and Union streets.

Westfield area residents, teachers, past and current students held a demonstration June 14 over the removal of Dr. Stacy McGuire as Westfield High School's principal. McGuire held the position for 17 years and led the school to U.S. News and World Report's top 4 percent ranking nationwide.

"Is this moral?" Westfield High School Special Education instructional assistant Victor McCarty

said. "Is this ethical under current circumstances?" McGuire is now taking on a new role as adminis-

trator of Alternative Learning. "We know that she would move heaven and

Statement from Westfield Washington Schools Superintendent Dr. Sherry Grate

"We understand the passion and support for Dr. McGuire. Watching and reading what has transpired over the past several days is disheartening. Disagreeing with decisions made by the superintendent and/or the school board is understandable and expected. However, the personal attacks and hatefulness toward school board members, WWS administration and the superintendent, only serves to further divide us.

"The situation pertaining to Dr. McGuire's new role is a personnel matter. Privacy laws, for good reason, prohibit us from commenting on any details. We ask that you understand the limitations on what can be provided and respect the confidentiality of these decisions.

"Dr. McGuire has accepted this new leadership position. As a community it would be helpful to come together and support Dr. McGuire in her new role and the important work she will continue to do for our district and our community.

Price tag for State Road 37 project increases by \$42M

By JEFF JELLISON
Reporter Publisher

Hamilton County Commissioners recently presented a revised budget requiring an additional \$42 million over the original \$124 million spending plan for the State Road 37 improvement project.

The now-estimated \$166 million project will be funded through a \$100 million contribution from the state, with Hamilton County and the City of Fishers - each previously scheduled to pay \$12 million - now each paying an

Dillinger additional \$21 million.

According to Hamilton County Reporter's newsgathering partner Larry Lannan, Fishers acknowledged

that an update on the construction was recently provided to a joint meeting of the Hamilton County Council and County Commissioners, outlining current costs and projected costs for phases of the project yet to be bid.

"All original intersections will be completed as proposed," said Fishers city spokesperson Ashley Elrod, in an email to Lannan. "This includes NOT changing the interchange at 141st to a right-in, right-out. Roughly half of the project still remains to be bid, in

Sheridan's Dale McCullough honored by Rotary International

The REPORTER

Congratulations go out to Sheridan Rotarian Dale McCullough, who recently received his Paul Harris +5 recognition.

Paul Harris was a Chicago attorney and formed the first Rotary Club of Chicago on Feb. 23, 1905, so professionals with diverse backgrounds could exchange ideas, form meaningful relationships, lifelong friendships, and give back to their communities. In 1957, the Rotary International Foundation was established as the charitable arm of this international organization.

The Paul Harris Fellow program recognizes individuals who contribute, or who have contributions made in their name, of \$1,000 to The Rotary Foundation of Rotary International. The honor was established in 1957 to show appreciation for contributions that support the An-

Fishers Health Department adds free COVID-19 testing for children age 12-17

The REPORTER

The Fishers Health Department has announced it has expanded its free COVID-19 testing to all residents aged 12 and up. The FHD COVID-19 testing program, which was launched in April, has tested more than 3,000 residents.

Parents and guardians can now schedule appointments for children aged 12-17. Residents wishing to secure a COVID-19 testing appointment for their minor child(ren) 12 and older

will need to consent for any minor and accompany the child to the testing.

Minor children who are sick or experiencing any unusual symptoms should be fully assessed by their primary medical provider. The assessment and COVID-19 testing are not medical evaluations and should not be considered a substitute for any testing ordered by a medical provider.

Noblesville gets \$50K Our Town arts grant

The REPORTER

The City of Noblesville has received a \$50,000 Our Town grant from the National Endowment for the Arts. The funding will be used for the city's alley activation initiatives, which includes archway installations at the north, south and east alleys, decorative lighting installations, greenery, seating options and mural installations.

"The City continues to move forward in activating our alleys as community-focused gathering places, and this grant will benefit the artists that will be commissioned for murals and other elements in those alleys," said Mayor Chris Jensen. "This is a great opportunity

we have been granted for our arts community to continue to thrive in our city."

The National Endowment for the Arts has approved more than \$84 million in grants as part of the Arts Endowment's second major funding announcement for the fiscal year 2020. The Noblesville grant is one of 51 grants nationwide that the agency has approved in this category.

The grant application was led by Nickel Plate Arts and the City of Noblesville Planning Department in consultation with the Downtown District Committee. Information regarding requests for proposals for the mural installations will be announced at a later date.

CarmelFest will feature three coordinated fireworks displays

The REPORTER

Carmel Mayor Jim Brainard and Carmel Rotary have announced an expanded fireworks display this year to help residents experience a good old-fashioned 4th of July.

CarmelFest will offer three fireworks displays on the east, central and west sides of town so that families can truly enjoy CarmelFest.

The almost 20-minute display will

start at 9:45 p.m. on Saturday, July 4, and it will again be set to music that will be broadcast by Carmel High School Radio Station, WHJE 91.3 on your FM dial. Please listen over the radio as online broadcast includes a delay that will not be in sync with the fireworks.

"Creating one of the best fireworks displays in the state each year at CarmelFest is always a goal, but this year's pandemic brought us many new challenges.

We are thankful to Melrose Pyrotechnics and our fire department for working with us to find three safe locations to produce this show," said Jeff Worrell, Carmel City Council member At-large and CarmelFest Fireworks director.

If you live in an area with dense tree cover, you may want to park at a lot nearby the display. If you do venture out, please practice appropriate physical distancing and wear a face covering. If you don't

want to cook at home, please remember to patronize local businesses for patio dining with a view of the fireworks display or carry out for your own party.

The three locations from which the fireworks will be displayed are:

- West side: West Park, 2700 W. 116th St.
- Central Carmel: Chase Court cul-de-sac; Chase Court is between Range Line Road and Guilford Avenue
- East side: Badger Field, 5459 E. Main St.

Sheriff thanks citizen, NFD for quick fire response

The REPORTER

At 8:35 p.m. last Tuesday, a citizen called 911 and notified the Hamilton County Communication Center of smoke coming from the southeast corner of the Hamilton County Adult Jail.

Dispatch notified jail staff of the situation. The staff swiftly ensured that every inmate was safe.

At 8:40 p.m., the Noblesville Fire Department (NFD) quickly arrived on scene and observed smoke near the east side of the roof.

The small electrical fire was extinguished with no

injuries to inmates, jail staff, or fire department personnel. Only minor non-structural damage to the exterior was observed.

The Hamilton County Sheriff's Department thanks NFD for its timely professional response to the fire, as well as the initial citizen caller who notified dispatch of the smoke.

McKenzie named new county GOP director

The REPORTER

The Hamilton County Republican Party (HCRP) has announced Whit McKenzie as the organization's new executive director.

McKenzie has been a party volunteer, recently worked as a field organizer on Kelly Mitchell's congressional campaign, serves as the IUPUI College Republican Chair and previously interned for U.S. Senator Mike Braun's 2018 campaign.

According to HCRP, McKenzie will work with county-wide and legislative candidates to coordinate get-out-the-vote efforts.

Hamilton County Parks welcomes new leadership

The REPORTER

In early June, the Hamilton County Parks and Recreation Department officially welcomed the department's former deputy director as its new director. B. Christopher (Chris) Stice was appointed director, after serving as interim director since March.

Stice has been with the department for more than 15 years, having joined the park staff as an intern in 1995. Soon thereafter, he became Quality Control Director, a title he held until he accepted the position of deputy director in 1997. In that role, he has overseen the development and management of park assets ranging from construction of major park facilities to coordinating more than 800 park programs and events annually, while supervising operational logistics across park properties exceeding 1,600 acres.

Because the role of deputy director for the parks department was vacated by Stice's appointment, it was important to fill that position in an equally calculated manner. Enter Bruce Oldham.

Oldham's love for nature, nurtured in the woods and creeks of Hamilton County, and his experience as a Scout and Eagle Scout, led him to a career in parks and recreation. After earning a degree in Natural Resources and Environmental Management from Ball State, he interned at Hamilton County Parks. While interning, he accepted a full-time position with Johnson County Parks. He returned to Hamilton County Parks in 2005, and ultimately became Regional Parks Operations Manager, serving in that capacity until recently accepting the offer to become deputy director.

Fishers non-profit groups can now apply for city grants

By LARRY LANNAN
[LarryInFishers.com](#)

The history of Fishers and support of non-profit organizations is an interesting one. When I began covering the Fishers Town Council in 2012, I recall Conner Prairie asking the council in 2013 to up the city's contribution to the non-profit from \$30,000 a year to \$40,000, and the council approved it. The other non-profit group the city financially supported at that time was the Fishers Freedom Festival.

In a podcast interview recorded in 2017, City Councilman Brad DeReamer said he was the one that pushed for the creation of a city council non-profit committee and the end of city subsidies for the Fishers Free-

dom Festival, which was an independent non-profit organization at that time. The non-profit committee chose to fund other local non-profit groups, but not the Freedom Festival. The city later created the Spark!Fishers Festival at the same time of the summer as the Freedom Festival had been held.

Since 2017, the council's non-profit committee has approved how much each organization will receive from the next year's city budget. There have been years when last-minute adjustments to the annual spending plan would require a reduction in the amount available to the non-profit panel.

For example, in 2019, the non-profit committee doled out \$255,000 in city grants.

With all that in mind, the

city is now accepting applications for non-profit grants as part of the city's 2021 budget. According to a city news release, criteria for selection includes:

- Whether the organization is located in Fishers and if not located in Fishers, the potential impact of the grant and the benefit from the project or event on the Fishers community.
- The commitment, capacity, and ability of the applicant to carry out the program or project and to give an accounting of how the money was spent.
- The applicant's fiscal responsibility and management qualifications.
- The number of matching dollars that the applicant has and is willing to contribute.

- Grant project funding may not exceed 50 percent of the total cost of the project or event. If the funding from Fishers and the portion provided for by the receiving applicant is not sufficient to complete the project, then the receiving applicant is responsible for raising the difference. The intent of this grant is not to completely fund projects, but to assist with as many projects and events as possible throughout the community.

For more on the work of the non-profit committee, visit [fishers.in.us/869/Non-Profit-Committee](#).

In order to submit an application for a grant, visit [bit.ly/3fM3Gkk](#). The application window is open now through 4:30 p.m. on July 17.

NFD promotes Turner to Lieutenant PRICE TAG

The REPORTER

The Noblesville Fire Department (NFD) has announced the promotion of Firefighter/Paramedic Luke Turner to the rank of Lieutenant. He is a 15-year veteran of NFD with over 17 years of firefighting experience.

Turner is a graduate of Elwood Community High School. After graduation, he served in the United States Army and is currently

ly a member of the United States Army National Guard with a combined 22 years of military service.

Lt. Turner has assumed the role of Lieutenant at Station 76 on B-Crew.

When announcing the promotion, Fire Chief Matt Mitchell said, "Lt. Turner

Turner

er brings years of valuable fire ground, paramedicine and military experience to this post and will continue to serve our citizens and NFD selflessly. Luke has some big shoes to fill replacing Lt. McDonald but he is definitely prepared to lead with compassion, integrity and professionalism."

addition, we are currently enacting cost savings measures that we anticipate will reduce the overall project cost. The city is proceeding as planned and will wait to make any additional cost estimates until the next bid package is released."

Minutes from a county meeting early this year indicated that city and county officials were at least contemplating the possibility of changing the design for 141st Street and State Road 37 from a roundabout to a right-in, right-out design, where motorists could not cross 141st Street at State Road 37, if there is a budget shortfall.

Lannan said, "Based on the most recent statement from the City of Fishers, the city, which is in charge of construction, plans to construct the roundabout, over 37 at 141st Street, are still in place."

Commissioner Steve Dillinger said much of the overrun is contributed to drainage issues and prop-

erty acquisitions, not the intersections.

When asked how the county expected to pay for the increased construction costs, County Council President Rick McKinney said, "The county has sufficient cash reserves of nearly \$55 million to pay its share of the additional \$21 million. The decision rests with the county council whether to use cash or issue new debt. It is my opinion that cash should be used for at least \$15 million of it since that was one of the reasons we have accumulated a reserve."

McKinney expressed his frustration with county commissioners.

"I am very disappointed that the Commissioners chose to keep this information secret until after the election, which undoubtedly aided their candidates," McKinney said.

Dillinger said, "As we move forward, we are learning more about this project. Understand, the \$42 million figure is an estimate, a pro-

jection, and not a final figure. We just didn't have all of the information before the election. The cost overrun isn't uncommon when you do a project like this. Remember, Carmel had a \$50 million overrun when it did the Keystone Avenue project."

"There have been no quarterly reports provided to the county council on expenses incurred which are mandated by the agreement," McKinney said. "This project is years behind schedule and costs could escalate even more."

As part of the project, the intersection of 126th Street and State Road 37 is currently under construction. Three other intersections are scheduled to be rebuilt, including 131st and 141st streets. All three will feature a roundabout and underpass for State Road 37 traffic. Another intersection, 146th Street, will have traffic signals along 146th Street and an underpass for State Road 37 traffic.

PETITION

created by 2020 graduates after the news broke. Now, there are more than 3,800 signatures.

The school board said in a press release McGuire would started her new role June 15 to "develop, implement and oversee alternative student programs and services in alignment with district and state objectives."

On June 14, a peaceful rally was held across the street from the high school.

McCarty says close to 200 people packed Asa Bales Park.

"Support all around not just from former students, current students and current faculty and staff," he said.

Speakers at the rally asked the school board to comply with four things: Call a special school board session to explain the decision and answer public questions, conduct a confi-

dential survey of all faculty on the culture and leadership of the central office, ensure no employee gets reprimanded for speaking out, and not to extend the superintendent's contract until after November and after voices have been heard.

Minutes after the rally ended, Superintendent Dr. Sherry Grate sent a district-wide email, which you can read on Page A1.

Harold "Hal" Cardona

d. June 8, 2020

Harold "Hal" Cardona, 61, died peacefully surrounded by loved ones in his home in Noblesville on June 8, 2020 after a short fight with cancer. We will miss his adventurous and fun-loving spirit.

Hal was born in Santa Barbara, Calif., the oldest son of Antonio and Lois Cardona, and was raised with his sister Carol in California and American Samoa. He graduated from Indio High in California and then moved to Indiana to attend Wabash College, where he majored in mathematics. He married his college sweetheart, Lisa (Zupan) Cardona. Hal found his home with Lisa and they spent 40 years growing together. They had two daughters, Emily (Steven) Hice and Allison (Roth) Cardona. Hal was especially tickled to have become a grandfather in recent years to Sullivan Antonio James Hice, the apple of his eye.

He and Lisa put down roots in Noblesville in 1986 but always loved travel and new adventures. He had a passion for fast cars and enjoyed watching and attending Indy and Grand Prix races whenever he could. Hal enjoyed meeting new people and loved to play his tuba. He was a familiar face in many local bands and orchestras – Athenaeum Pops Orchestra, Meisterwinds and the Lapel Band were a few. He was a true techie and founded PC Sleuth, a computer systems consulting business. He was beloved by his clients for his ability to explain technical functions in a clear and understandable way.

Hal is survived by his wife, Lisa, Noblesville; children, Emily (Steven) Hice, Marysville, Ohio, and Allison (Roth) Cardona, Indianapolis; grandchild, Sullivan; and many friends and extended family.

A memorial of Hal's life will be held at a future date and the family asks that donations be made to Noblesville High School Orchestra in lieu of flowers.

Jeremiah Michael McGuire

July 19, 1935 – June 13, 2020

Jeremiah Michael McGuire, 84, Noblesville, passed away on Saturday, June 13, 2020 at Wellbrooke of Westfield. He was born on July 19, 1935 to Byron and Bernice (Watson) McGuire in Westfield.

Jerry was a 1953 graduate of Westfield High School. He proudly served his country in the United States Army where he was stationed in Hawaii during the Korean War. For 27 years, Jerry worked as a locksmith for Western Electric. He was a life-long member of Christ United Methodist Church. At age 48, Jerry was diagnosed with a life-threatening, debilitating condition. Through his unwavering faith, his will to fight, and his love for God and his family, he lived each and every day as a gift from God.

Jerry enjoyed being outdoors on his family's land, fishing, and mushroom hunting. He loved IU basketball and Westfield High School athletics. A great storyteller, Jerry never met a stranger. He had a non-judgmental nature and was a very gentle, compassionate, and loving man who gave tremendous love and kindness to all. To know Jerry was to love him. He believed that everyone deserved kindness and love. Jerry loved his community and cherished his family more than anything in his life.

He is survived by his wife of 59 years, Carolyn H. McGuire; daughters, Stacy McGuire and Kim McGuire (John Schenkel); sisters-in-law, Barbara Young and Ila Grinstead; several nieces and nephews; and lots of loving friends.

In addition to his parents, Jerry was preceded in death by his son, Michael Douglas McGuire; brother, Leslie McGuire; and sister, Marilyn Harkness.

Services with military honors were held on Thursday, June 18, 2020 at Randall & Roberts Funeral Center, 1685 Westfield Road, Noblesville, with visitation prior to the time of service at the funeral home. Rev. Mark D. Wesler officiated.

Dale Alden Hollingsworth
March 1, 1935 – June 13, 2020

Dale Alden Hollingsworth, 85, originally of Sheridan, passed away on Saturday morning, June 13, 2020 at Hamilton Trace in Fishers. Born March 1, 1935 in Sheridan, he was the son of the late Raymond Dale and Lenore June (Spurgeon) Hollingsworth-Deakyne.

Growing up, Dale loved playing basketball and continued playing through his high school career. After graduating from Sheridan with the Class of 1954, Dale’s interests turned toward aviation. He quickly acquired his pilot’s license and started flying single engine aircraft. His passion and attention to detail led him to take a job at the Sheridan Airport. From 1955 to 1960 he worked as a pilot, as well as an aircraft mechanic and fabricator. In 1960, Dale decided to go into business for himself; he left the airport and started Alden’s Body Shop. For half a century Dale, or Alden as many people knew him, worked on just about everything – starting out in his garage, then owning a couple of other shops around town through the years. From autobody work, to engine work, to people just bringing their truck out as an excuse to stop by and shoot the breeze, all comers were welcome.

Dale wasn’t all work and no play. He loved fishing and going out on the boat. Over the years Dale had several pontoon boats and never missed a chance to take his family and friends out cruising on the water. Dale was also an avid mushroom hunter. Every year in the early spring he was the first one out in the woods, scared to death that someone was going to beat him to his secret spots. As the years started to catch up to Dale, his favorite pastime became watching sports. He loved the Colts and the Pacers, but nothing could top IU basketball.

He was a member of the Sheridan First Christian Church, the Sheridan Jaycees, and the Rotary Club of Sheridan.

Dale is survived by his son, Douglas William Hollingsworth (Margaret), Sheridan; daughters, Debra A. Hollingsworth, Anderson, Connie S. Meinders, Coeur d’Alene, Idaho, and Kathleen M. Valasek, Fishers; stepson, Delbert Blanton, Kokomo; stepdaughters, Pamela Young (Max), Kokomo, Deborah McLouth (John), Indianapolis, and Shelia Hensler (Jim), Kokomo; nine grandchildren; 12 great-grandchildren; one great-great-grandchild; brother, Stuart J. Deakyne (Susanna) of California; and many nieces and nephews.

He was preceded in death by his parents; his brother, Robert M. Hollingsworth; stepdaughter, Sharon (Blanton) Stoller; and by his wife, Shirley A. (Blanton) Hollingsworth in 2013. She and Dale were married in 1995.

Private family services will be held. Dale will be laid to rest at Crown View Cemetery in Sheridan. Pastor V.J. Stover will be officiating.

In lieu of flowers, memorial contributions may be presented to the American Diabetes Association.

Arrangements have been entrusted to Kercheval Funeral Home in Sheridan. Condolences: kerchevalfuneralhome.com

NOTICE OF INTENT TO SELL BONDS
\$4,000,000
TAXABLE GENERAL OBLIGATION BONDS OF 2020
WESTFIELD WASHINGTON SCHOOLS

Upon not less than twenty four (24) hours' notice given by the undersigned Secretary prior to the nineteenth day after this notice is first published, Westfield Washington Schools (the "School Corporation") will receive and consider bids for the purchase of the following described Bonds. Any person interested in submitting a bid for the Bonds may furnish in writing to the School Corporation c/o Stifel, Nicolaus & Company, Incorporated, 201 N. Illinois Street, Suite 350, Indianapolis, Indiana 46204; (317) 808-7104, (317) 808-7137 (facsimile) or by e-mail to mwschumaker@stifel.com and lbruggeman@stifel.com, on or before 9:00 a.m. (Indianapolis Time) July 13, 2020, the person's name, address, and telephone number. Interested persons may also furnish an e mail address. The undersigned Secretary will notify (or cause to be notified) each person so registered of the date and time bids will be received not less than twenty four (24) hours before the date and time of sale. The notification shall be made by telephone at the number furnished by such person and also by e mail, if an e mail address has been received.

Notice is hereby given that electronic proposals will be received via PARITY®, in the manner described below, until the time and date specified in the Notice provided at least 24 hours prior to the sale, which is expected to be 11:00 a.m. (Indianapolis Time), on July 15, 2020. Bids may be submitted electronically via PARITY® pursuant to this Notice until the time specified in this Notice, but no bid will be received after the time for receiving bids specified above. To the extent any instructions or directions set forth in PARITY® conflict with this Notice, the terms of this Notice shall control. For further information about PARITY®, potential bidders may contact the School Corporation's advisor, Stifel, Nicolaus & Company, Incorporated at (317) 808-7104 or PARITY® at (212) 849 5021.

At the time designated for the sale, the School Corporation will receive at the offices of Stifel, Nicolaus & Company, Incorporated, 201 N. Illinois Street, Suite 350, Indianapolis, Indiana, and consider bids for the purchase of the following described Bonds:

Westfield Washington Schools Taxable General Obligation Bonds of 2020 (the "Bonds"), an Indiana political subdivision, in the principal amount of \$4,000,000; Fully registered form; Denomination \$5,000 and integral multiples thereof (or in such other denomination as requested by the winning bidder); Originally dated the date of delivery of the Bonds; Bearing interest at a rate or rates to be determined by bidding, payable on July 15, 2021, and semiannually thereafter; These Bonds will be initially issued in a Book Entry System (as defined in the Bond Resolution (as hereinafter defined)) unless otherwise requested by the winning bidder. Interest payable by check mailed one business day prior to the interest payment date or by wire transfer to depositories on the interest payment date to the person or depository in whose name each Bond is registered with The Bank of New York Mellon Trust Company, N.A. on the fifteenth day immediately preceding such interest payment date; Maturing or subject to mandatory redemption on January 15 and July 15 beginning no sooner than July 15, 2021 through no later than January 15, 2030 on the dates and amounts as provided by the School Corporation prior to the sale.

As an alternative to PARITY®, bidders may submit a sealed bid or e-mail the bid electronically to the School Corporation's advisor at the address described above until the time and on the date identified in the notice given by, or on behalf of the School Corporation, twenty four hours prior to the sale of the Bonds. Upon completion of the bidding procedures described herein, the results of the sealed, non electronic bids received shall be compared to the electronic bids received by the School Corporation.

The Bonds are not subject to optional redemption prior to maturity.

A bid may designate that a given maturity or maturities shall constitute a term bond, and the semi annual amounts set forth in the schedule provided prior to the sale shall constitute the mandatory sinking fund redemption requirements for such term bond or bonds. For purposes of computing net interest cost, the mandatory redemption amounts shall be treated as maturing on the dates set forth in the schedule provided prior to the sale.

In the case of any redemption, 30 days' notice will be given by mail to the registered owners of the Bonds to be redeemed, and accrued interest will be paid to the date fixed for redemption. Interest on the Bonds so called for redemption will cease on the redemption date fixed in said notice if funds are available at the place of redemption to redeem the Bonds so called on the date fixed in said notice, or thereafter when presented for payment.

Each bid must be for all of the Bonds and must state the rate of interest which each maturity of the Bonds is to bear, stated in multiples of 1/8th, 1/20th or 1/100th of 1%. The maximum interest rate of the Bonds shall not exceed 6.00% per annum. All Bonds maturing on the same date shall bear the same rate. Bids shall set out the total amount of interest payable over the term of the Bonds and the net interest cost on the Bonds covered by the bid. No bid for less than 99.50% of the face value of the Bonds will be considered. The Bonds will be awarded to the lowest responsible and responsive bidder who has submitted a bid in accordance herewith (the "Purchaser"). The Purchaser will be the one who offers the lowest net interest cost to the School Corporation, to be determined by computing the total interest on all of the Bonds to their maturities based upon the schedule provided by the School Corporation prior to the sale and deducting therefrom the premium bid, if any, and adding thereto the discount bid, if any. No conditional bids will be considered. The right is reserved to reject any and all bids. If an acceptable bid is not received for the Bonds on the date of sale hereinbefore fixed, the sale may be continued from day to day thereafter without further advertisement, during which time no bid which provides a higher net interest cost to the Corporation than the best bid received at the time of the advertised sale will be considered.

Each bid not submitted via PARITY® must be enclosed in a sealed envelope addressed to the School Corporation and marked on the outside "Westfield Washington Schools Bid for Taxable General Obligation Bonds of 2020". A good faith deposit ("Deposit") in the form of cash, wire transfer, or certified or cashier's check in the amount of \$40,000 payable to the order of the School Corporation is required to be submitted by the Purchaser not later than 3:30 p.m. (EST) on the next business day following the award. If such Deposit is not received by that time, the School Corporation may reject the bid. No interest on the Deposit will accrue to the Purchaser. The Deposit will be applied to the purchase price of the Bonds. In the event the Purchaser fails to honor its accepted bid, the Deposit will be retained by the School Corporation as liquidated damages.

The Purchaser shall make payment for such Bonds and accept delivery thereof within five days after being notified that the Bonds are ready for delivery, at such place in the City of Indianapolis, Indiana, as the Purchaser may designate, or at such other location mutually agreed to by the School Corporation and the Purchaser. The Bonds will be ready for delivery within 45 days after the date of sale. If the School Corporation fails to have the Bonds ready for delivery prior to the close of banking hours on the forty fifth day after the date of sale, the Purchaser may secure the release of the bid upon request in writing, filed with the School Corporation. The Purchaser is expected to apply to a securities depository registered with the Securities and Exchange Commission ("SEC") to make such Bonds depository eligible. If the Bonds are reoffered, at the time of delivery of the Bonds to the Purchaser, the Purchaser will be required to certify to the School Corporation the initial reoffering price to the public of a substantial amount of each maturity of the Bonds.

All provisions of the bid form and Preliminary Official Statement (as hereinafter defined) are incorporated herein.

Bidders must comply with the rules of PARITY® (the "Rules") in addition to requirements of this Notice. To the extent there is a conflict between the Rules and this Notice, this Notice shall control. Bidders may change and submit bids as many times as they wish during the sale, but they may not withdraw a submitted bid. The last bid submitted by a bidder prior to the deadline for the receipt of bids will be compared to all other final bids to determine the winning bid. During the sale, no bidder will see any other bidder's bid, nor will they see the status of their bid relative to other bids (e.g., whether their bid is a leading bid).

It is anticipated that CUSIP identification numbers will be printed on the Bonds, but neither the failure to print such numbers on any Bond nor any error with respect thereto shall constitute cause for failure or refusal by the successful bidder therefor to accept delivery of and pay for the Bonds in accordance with the terms of its proposal. No CUSIP identification number shall be deemed to be a part of any Bond or a part of the contract evidenced thereby and no liability shall hereafter attach to the School Corporation or any of its officers or agents because of or on account of such numbers. All expenses in relation to the printing of CUSIP identification numbers on the Bonds shall be paid for by the School Corporation; provided, however, that the CUSIP Service Bureau charge for the assignment of said numbers shall be the responsibility of and shall be paid for by the Purchaser. The Purchaser will also be responsible for any other fees or expenses it incurs in connection with the resale of the Bonds.

The approving opinion of Bond Counsel, together with a transcript of the proceedings relating to the issuance of the Bonds and closing papers in the usual form showing no litigation questioning the validity of the Bonds, will be furnished to the successful bidder at the expense of the School Corporation.

The Bonds are being issued for the purpose of the renovation of and improvements to school facilities throughout the School Corporation, including equipment, technology and site improvements, and will be direct obligations of the School Corporation payable out of ad valorem taxes to be collected on the taxable property within the School Corporation; however, the School Corporation's collection of the levy may be limited by operation of I.C. 6-1.1-20.6, which provides taxpayers with tax credits for property taxes attributable to different classes of property in an amount that exceeds certain percentages of the gross assessed value of that property. The School Corporation is required by law to fully fund the payment of debt service on the Bonds in an amount sufficient to pay the debt service, regardless of any reduction in property tax collections due to the application of such tax credits. The School Corporation may not be able to levy or collect additional property taxes to make up this shortfall.

The Bonds constitute an indebtedness only of the School Corporation. In the opinion of Bond Counsel, under the existing federal statutes, decisions, regulations and rulings, the interest on the Bonds is exempt from all income taxation in Indiana. In the opinion of Bond Counsel, under the existing federal statutes, decisions, regulations and rulings, the interest on the Bonds is not excludable from gross income for purposes of federal income taxation.

The School Corporation has prepared a Preliminary Official Statement (the "Preliminary Official Statement") relating to the Bonds which it has deemed nearly final. A copy of the Preliminary Official Statement may be obtained from the School Corporation's advisor, Stifel, Nicolaus & Company, Incorporated, 201 N. Illinois Street, Suite 350, Indianapolis, Indiana 46204. Within seven (7) business days of the sale, the School Corporation will provide the successful bidder with sufficient copies of the Final Official Statement (the "Final Official Statement") at the School Corporation's expense in order for such bidder to comply with Section (b)(4) of the SEC Rule 15c-2 and the rules of the Municipal Securities Rulemaking Board. Additional copies, at the Purchaser's expense, must be requested within five (5) business days of the sale. Inquiries concerning matters contained in the Preliminary Official Statement must be made and pricing and other information necessary to complete the Final Official Statement must be submitted by the Purchaser within two (2) business days following the sale to be included in the Final Official Statement.

If the Bonds are reoffered by an underwriter, the School Corporation agrees to enter into an amendment and a supplement to its Master Continuing Disclosure Undertaking (the "Master Agreement") in order to permit the Purchaser to comply with the SEC Rule 15c-2, as amended to the date hereof (the "SEC Rule"). A copy of the Master Agreement is available from the School Corporation or advisor at the addresses below.

The School Corporation has further agreed to comply with the Purchaser's reasonable requests to provide or disclose information and make appropriate filings which may be required in order for such purchaser to comply with the SEC Rule.

Further information relative to said issue and a copy of the Preliminary Official Statement may be obtained upon application to Stifel, Nicolaus & Company, Incorporated, 201 N. Illinois Street, Suite 350, Indianapolis, Indiana 46204, advisor to the School Corporation; or Brian Tomamichel, Chief Financial Officer of the School Corporation, 1143 East 181st Street, Westfield, Indiana 46074. If bids are submitted by mail, they should be addressed to the School Corporation, attention of Brian Tomamichel, Chief Financial Officer of the School Corporation, 1143 East 181st Street, Westfield, Indiana 46074.

PUBLIC NOTICE

In accordance with Indiana Code 327 IAC 15-5-5 from the NPDES General Permit Rule Program, this is to notify the public that the following construction activity is to commence:

The project site is situated on a vacant parcel located within the Campus Center Subdivision at the northeast corner of 146th Street and Promise Road in the City of Noblesville. The project involves the construction of a ± 7,460 square foot convenience store/restaurant and gas station (Leo's Market & Eatery). A proposed storm sewer network will collect the stormwater runoff, and water quality requirements will be met using an AquaSwirl mechanical treatment unit and an AquaFilter filtration chamber. The treated water will then be conveyed to an offsite detention facility provided by the overall Campus Center development. The runoff will ultimately discharge to the William Lehr legal drain. Construction is anticipated to commence in the summer of 2020.

Drawings and specifications are on file and may be examined at the following location:

NOTICE TO TAXPAYERS
OF ADDITIONAL APPROPRIATION

Notice is hereby given to the taxpayers of the Westfield Washington Schools (the "School Corporation") that the Board of School Trustees (the "Board") of the School Corporation will meet at Washington Woods Elementary, 17950 Grassy Branch Rd., Westfield, Indiana, Indiana, at the hour of 7:00 p.m. (Local Time) on July 14, 2020, to consider the following additional appropriation which the Board considers necessary to meet the need existing at this time:

An appropriation in the amount not to exceed \$19,000,000 on account of the Early Learning Center/Central Office Project, which includes the construction of an early learning center/central office, and the renovation and improvements to school facilities, site improvements, equipment and technology (collectively, the "Project"), including the incidental expenses necessary to be incurred in connection with the Project. The funds to meet such additional appropriation are to be provided by the sale of real estate to the Westfield Washington Multi-School Building Corporation.

The foregoing appropriation is in addition to all appropriations provided for in the existing budget and tax levy, and a need for such appropriation exists by reason of the inadequacy of the present buildings to provide necessary school facilities.

Taxpayers of the School Corporation appearing at the meeting shall have the right to be heard in respect to the additional appropriation.

In light of the changing circumstances as they relate to COVID-19 and the Indiana Governor's Executive Orders regarding social distancing, please check the School Corporation's website or contact the School Corporation central office prior to the scheduled hearing to receive updated information about meeting logistics, including whether the meeting will be held electronically as permitted by Executive Order 20-09, and which may include instructions for how to access such electronic meeting, if applicable.

Dated this 8th day of June, 2020.

“We anticipate some folks taking vacation,” said Trnian. “But that’s why we wanted to offer a four-week program where they didn’t have to be committed to all four weeks. We’ve seen already some additional sign-ups for Week 2 and Week 4, and some more additional for Week 3. We’re anticipating that number to grow, and I know a lot of the kids tonight had already said they’ve invited some of their teammates and there’s been more kids added. It’s a great thing to have. The word of mouth is spreading and we’re excited about that.”

Focusing on sanitization and social distancing . . .

Grand Park taking safety precautions as activity ramps back up on campus

By **RICHIE HALL**

There were several big events going on at Grand Park last week, with more to come this summer, so things are starting to get back to normal there.

Of course, this is a “new” normal. The facility, like many others, was effectively shut down for nearly three months due to the COVID-19 pandemic. These shut-downs have been difficult, but it’s been even more acute at a place like Grand Park, which is usually buzzing with athletes and spectators year-round.

So, all this activity has been a welcome sight. But since people are starting to come back and gather again, necessary precautions are being taken when it comes to safety and sanitizing the campus.

William Knox, Director of Grand Park, said that the facility is working in accordance to guidelines it’s been given by the governor’s office, the CDC and other authorities.

“We’re definitely taking a lot of precautions,” said Knox. That includes simple things, like make sure spectators are practicing social distancing while watching games, and that athletes are doing the same

when they are not playing.

In addition, there is a regular wiping down of all the high-touch points at the park. Knox said that includes a wipe down of all the bathroom fixtures and everything around the concession stands.

“Most of the activity is outdoors, so we don’t really have doors or things like that,” said Knox. “If there’s any equipment that’s being touched during those different games, going and spraying that down as well. We just want to make sure that anything that is touched, or people come in contact with, is all sterilized to the best of our ability.”

Blake Hibler is the president of Bullpen Tournaments, which frequently conducts tournaments at Grand Park. He is also in charge of sanitization, which is helped by eight electrostatic foggers that the facility bought to aid the cleaning process.

“So after each activity, we’ll come out and fog and spray down every piece of metal and do all the bathrooms,” said Hibler. Workers also walk around with a typical

Knox

sanitization spray, with three people per quad spraying even 15 minutes, in addition to wiping down every high-use area.

Cleaning is only half the battle, though. The athletes and spectators must do their part with social distancing. Knox believes that seems to be going well so far.

“I think for the most part, a lot of people understand the situation we’re in and where we are today,” said Knox. “If they’re with their family members, then obviously they can be a little closer together, but they don’t co-mingle with other families. It is working. We’ve put some markings out on the sidewalks and paths and the spectator areas just so people can really see where they need to be. But yes, for the most part we think it’s working out well so far.”

Hibler said that people must be educated when it comes to social distancing,

which means having to change set habits and other parts of the tournaments, such as canceling indoor activities.

“I think we’re all so accustomed with what we do, especially in baseball,” said Hibler. “We’re outdoors. We’re happy. And we’re just excited to be back around people that you have to educate these people and kids especially. They’re going to go to school and they got to learn how to do it now before they get into an indoor building and there’s a spike or whatever. They have to learn how to manage their expectations of what they can and can’t do.”

Things may be different, but Grand Park is back. While some events were canceled, Knox said that the facility has picked up a few events for this summer and is hoping to get back to a normal sense of activity by the end of June.

“We have picked up activity and we’re still working with some groups to potentially bring some more activity to the campus,” said Knox.

Grand Park bought eight electrostatic foggers to help aid with the sanitization process at the campus. Cleaning and social distancing are the main focus for athletes and spectators as activity ramps back up at the facility.

D1 Training: Finch Creek offering free workouts

WISH-TV

D1 Training: Finch Creek is giving back to communities in Hamilton County with free workouts. Coaches have put together age-specific programs for people, of all ages, whether they’re athletes or not.

They’re inviting anyone interested from ages 6 to 70 to join them at Federal Hill Commons in Noblesville on Mondays and Wednesdays. These workouts are free and take place at 6 and 7:30 p.m. through July 13. D1 Training is also conducting workouts at Mudsock Fields in Fishers on Tuesdays and Thursdays, these are designed to serve Mudsock Youth Athletics (MYA).

Head Performance Coach Brian Clarke talks about why the programs will help the kids.

“[It’s] giving them positive opportuni-

ties to interact, team building and obviously work on health,” he said. “Making sure they understand how their fueling their bodies [and] the movements that they’re doing.”

Above all else they want the kids to enjoy themselves while pushing their bodies.

“The main thing is we’re working them hard while they’re having fun,” Clarke said.

The free workouts are happening while the D1 Finch Creek facility is under construction. Owner Tayt Odom hopes it’s a good introduction to people who are just finding out what he and his team are all about.

“At the end of the day the top thing we have in our business plan is we want

Instead of doing workouts in the gym, the Noblesville volleyball team has been on Zoom this month. The Millers' new head coach Annie Phillips sends out workouts to the seniors, who lead their group of underclassmen through the workout using Zoom.

I was born and raised right here in Noblesville. I grew up in a home without domestic violence or assault – it wasn't something I saw, or even heard about. But when I was introduced to Prevail of Central Indiana, I was shocked by the number of individuals who are affected by domestic violence. In 2018 alone, Prevail helped more than 4,000 clients in Hamilton County. (Nearly 80 percent of clients are women and children.) Domestic violence and abuse are hard topics to discuss, so you don't often hear about them. But at Tom Wood Volkswagen in Noblesville, we're breaking the taboo and raising awareness for Prevail, an organization that helps families in Hamilton County.

– Mike Bragg, GM of Tom Wood Volkswagen in Noblesville

To help Hamilton County families affected by domestic violence and sexual abuse, you can donate the following items:

- Art supplies (for children to journal and express their emotions)
- Bottled water (8 oz. bottles, preferably)
- Individually packaged snacks
- Gas cards (many women have no access to funds after fleeing their abuser)

Drop off items at Tom Wood Volkswagen in Noblesville, 14701 Tom Wood Way.

What's new for 2020? The Atlas Cross Sport.

All **Atlas Cross Sport** models come with a touchscreen infotainment display with both Apple CarPlay and Android Auto integration. Navigation is optional, as is a reconfigurable digital gauge display and SiriusXM satellite radio. The Volkswagen Car-Net connectivity app allows for remote starting and analytics while a 4G LTE Wi-Fi hotspot allows occupants to remain connected to the internet with their smart devices while on the go.

- Standard autonomous emergency braking with forward-collision warning
- Standard blind-spot monitoring with rear cross-traffic alert
