

Jackson Township Fire thanks Cpt. Coonfield for his service

The REPORTER

On July 20, Jackson Township Fire Department, 508 W. Main St., Arcadia, held a retirement party at the firehouse to honor the career of Captain John Coonfield.

Coonfield's career with Jackson Fire began in 2006 as a volunteer firefighter and EMT after returning from a year of combat deployment with a forward surgical company. He had the opportunity as an older firefighter to join the ranks and mentor some of the younger, less-experienced members, as well as work with the officers and administration to begin shaping what the department was to become.

As his career continued, Coonfield was able to work with many individuals and for different administrations who all left their own mark on the department.

In 2016, Coonfield was selected as the Anthem Angel, and in 2017 he was the St. Vincent paramedic of the year and was promoted to the rank of Lieutenant. He also served as department head for public events and special event coverage and worked for the department as the communication liaison, drawing from nearly 10 years in the Marine Corps as a radio operator and supervisor.

Coonfield continued to work with members of the department to provide the best service possible and continued to

mentor younger members.

Over the next few years, he was promoted to the rank of Captain, was in charge of Fire and Life Safety Division, and served as an investigator in the Fire Investigations Division under Lead Investigator Mike Kirchberg and others. He developed and headed the Inspections Division and was instru-

mental in the opening of several businesses in the township, ensuring a safe place of commerce for residents and visitors alike.

Moving forward, Captain Coonfield will continue his connection with the department in a supportive role, drawing from his experience and desire for the continued improvement of the department and its members.

In downtown Noblesville . . . \$50M project awaits council approval on sale of parking lot

By FRED SWIFT
ReadTheReporter.com

On Aug. 5, the Hamilton County Council is expected to approve the sale of county property on the south side of State Road 32 and east of White River to Republic Development Corporation for construction of a major multi-use development.

The long-discussed transaction will result in a \$50 million project built on what is now a county employee parking lot. The site is just short of three acres in size.

The county will be paid \$4.55 million for the property. The deal sets in motion another downtown project, a long-sought parking garage.

The planned three-level facility will be built on the north side of Clinton Street between 8th and 9th streets. It will be primarily for county employees but extra space could be used by the public as well as being open on weekends and after working hours.

The cost of about \$9.5 million will be paid by proceeds from the sale of the property to Republic plus cash the county has

New COVID-19 cases growing faster than during shutdown

Local officials weigh in on governor's mask mandate

By JEFF JELLISON
Reporter Publisher

Hamilton County experienced a record week of single-day reported new cases of COVID-19 since the beginning of the pandemic, with 227 new cases reported through Friday of last week. The spike in cases now outpaces previous numbers that led to government building closures, school shutdowns and a stay at home order issued by Governor Holcomb.

The spike in COVID-19 cases has now led to a statewide mask mandate that went into effect Monday.

Locally, Hamilton County government leaders are supportive of the mandate.

"It [the spike] is a concern," Hamilton County Commissioner Mark Heirbrandt said. We are being proactive and conscience of the situation. We've put a lot of safety measures in place at our county buildings. Barriers, social distancing, temperature checks, masks and hand sanitizer are required. We have protocols in place to remove employees in the event they may begin to feel ill."

Westfield Mayor Andy Cook stated, "I support Governor Holcomb's mandate. It is a commonsense action to help get a handle on the COVID-19 situation in Indiana. It also prevents a

piecemeal approach across the state."

Noblesville Mayor Chris Jensen commented on the governor's order, saying, "Since the beginning of the COVID-19 outbreak, the health and safety of residents has been top priority and we have closely followed CDC and state guidelines . . . The statewide mask order directed by Governor Holcomb will lead our state to a safer, healthier future. This order will work to keep our businesses open and get students, teachers and staff back to school safely. I know we in Noblesville will wear our masks with a sense of pride knowing this act protects our families, friends and neighbors."

Earlier in the week, the Fishers Health Department issued their own mandatory mask mandate. A total of 657 COVID-19 cases have been reported in Fishers since March 8.

According to the Indiana State Department of Health, as of last Friday, a total of 2,182 cases have been recorded in Hamilton County. A total of 37,882 people have been tested, and 103 people have died as a result of coronavirus.

In an effort to limit the spread of COVID-19, county government purchased fogging machines to help clean and sanitize the Judicial Center and other county government buildings. The machines are also used in all courtrooms between proceedings. Pictured above is Hamilton County Facilities team member Heath Pearson fogging the county's 911 center.

Sheridan HS coaches prove their dedication to student-athletes

The REPORTER

The National Federation of State High School Associations (NFHS) has announced that Sheridan High School (SHS) has earned Level 1 status in the NFHS School Honor Roll. Sheridan High School is the first school in Indiana to earn Level 1 status in the NFHS School Honor Roll.

The newly instituted NFHS School Honor Roll is a national recognition program designed to promote professional development for high school coaches by completing specific online education courses through the NFHS Learning Center.

In earning Level 1 status, more than 90 percent of the coaches at SHS completed the core course "Fundamentals of Coaching" along with three of the Learning Center's most significant courses – "Concussion in Sports," "Sudden Cardiac Arrest" and "Protecting Students from Abuse."

"We want to congratulate the coaches and administration at Sheridan High School for taking this significant step in prioritizing professional development," said Dr. Karissa Niehoff, NFHS executive director. "These four courses will definitely help the coaches at Sheridan High School to handle the daily challenges in high school sports and should serve as a challenge for other schools to follow their example."

"We are extremely proud of our athletic department and coaching staff," said SHS Principal Rick Davis. "We know coaches have a critical role in both the safety and development of our student athletes. The professional development from NFHS helps us to ensure our coaches are as well trained as possible. We are committed to excellence, and this is one more step in that direction."

No world record for Cicero

By STU CLAMPITT
ReadTheReporter.com

The people of Jackson Township have spoken. Not only do they not want to be home to the world's tallest goat tower, but they also do not want a Christmas tree farm.

Last Thursday evening, the Cicero/Jackson Township Board of Zoning Appeals (BZA) met at the Red Bridge Park Community Building, 697 W. Jackson St., Cicero. One item on the agenda was a variance application from James Adams of Juniper Farms, LLC to allow them to build both a Christmas tree farm in the style of Medieval European village and also the world's tallest goat tower. This variance was originally on the June BZA agenda but was tabled until July.

Juniper Farms is owned by Rich and Lori

Adams of Carmel. James Adams, their son and the BZA applicant, lives in Noblesville and runs the Juniper Farms property in Cicero.

According to James Adams, neighbors from around the Juniper Farms property "came out in droves" to speak against the tower, calling it a potential eyesore and voicing concerns about traffic issues if people were to stop on the side of the road to look at a world's record-holding tower for goats to climb.

The BZA voted 4-1 to reject the proposal, despite Adams greatly scaling back his request. Approximately 75 remonstrators appeared to object to problems with chemicals, drainage, noise, light pollution and traffic, and to voice concerns about

HSE board making tough decisions

By LARRY LANNAN
LarryInFishers.com

If last Wednesday night's Hamilton Southeastern (HSE) school board meeting is any barometer, local school officials are facing a divided community in making the tough decisions this coming school year. At the previous board session, approval was given to a proposal to start school in-person with a virtual option for families. Superintendent Allen Bourff emphasized that the plan could change.

Plans did change. An increase in positive COVID-19 tests in Fishers resulted in a recent announcement that the first month or so of school would be virtual, with the next phase possibly after Labor Day.

There was an agenda item for board discussion, but not a vote, on "COVID-19 preparations." Board policy allows time-limited public comment on any board agenda item. At least 12 people spoke at the meeting,

Filing for school board opens in county districts

By FRED SWIFT
[ReadTheReporter.com](#)

The first day of filing last week for school board brought only three candidates declaring their intentions to run in the Nov. 3 election.

There are 14 board seats at stake this year in the six Hamilton County school districts. Winners in the non-partisan elections will take office on Jan. 1, 2021.

Filing Wednesday for the Hamilton Southeastern board was Clinton Wilson, running for the Fall Creek Township seat on the seven-member Southeastern board.

For the Hamilton Heights Board, David Adam Sheller was the first to file for the White River Township seat on the five-member board.

Carl (Mike) Steele officially declared his candidacy for Westfield Washington

School Board in District 3, also a five-member board.

On Thursday, one additional candidate filed. Kevin J. Cavanaugh filed for the Hamilton Heights Board in the Jackson Township district.

On Friday, Sarah E. Parks-Reese filed for the Southeastern board for the Wayne Township seat.

School boards next year will face a continued tough challenge dealing with the COVID-19 pandemic in both the classroom and athletics as well as school security issues and budgetary matters.

School systems control the largest budgets and the largest number of employees in their communities.

Whether the challenges facing local schools increases or decreases interest in running for a school board position remains a question.

Filing for office ends at noon on Aug. 21 at the county elections office.

Construction changes coming to SR 37 & 126th Street in Fishers

By LARRY LANNAN
[LarryInFishers.com](#)

The construction at State Road 37 and 126th Street is in for major changes in the coming days. The Facebook page “37 Thrives,” a marketing program for the businesses impacted by the project, listed the changes, which include lane restrictions on SR 37 and a switch in the access to 126th Street both to and from SR 37.

Here is what is scheduled to happen beginning 6 a.m. on Tuesday, July 28:

- The 126th Street closure will be fully switched from west to east and is anticipated to reopen in November.

- During this time, cross access will be restricted, with only right in and right out.

- Northbound SR 37 traffic will not have access to 126th Street. Traffic on northbound SR 37 will shift to southbound lanes and two lanes will remain in each direction.

- Local access to businesses will remain open.

After the full switch is made on Tuesday, July 28, 131st Street at the Nickel

Plate Trail crossing will close for approximately one week.

Here are some other road work notes of interest, courtesy of 37 Thrives:

131st Street at Nickel Plate Trail Crossing Tuesday, July 28 through Tuesday, Aug. 4

- 131st Street at the Nickel Plate Trail Crossing will be closed for approximately one week. This work will include regrading of the crossing and removing the stop sign. Local access to businesses will remain open.

- 126th Street and Ford (Windsor) Drive roundabout/Nickel Plate Trail Crossing beginning Aug. 5

After the reopening of 131st Street at the Nickel Plate Trail Crossing, the roundabout and the trail

crossing construction will begin.

- 126th Street from the Nickel Plate Trail Crossing to Ford Drive will be closed and is anticipated to reopen in late September.

- During this time, the construction of speed tables at the Nickel Plate Trail crossing and the first phase of the Ford Drive roundabout will be completed.

- During this phase, residents and businesses on and east of Ford/Windsor Drive will be accessible from southbound SR 37 only.

Motorist should be on the lookout for changes to the construction patterns on SR 37 in Fishers, and watch for the switch from the west side of 126th Street at SR 37 being closed and changing to a right-in, right-out, and closure of 126th Street on the east end of SR 37.

accumulated for such needs. The county lot on the south side of Clinton Street will remain for parking. And, as part of the overall deal with the city and developers, the county will get title to the parking lot on Logan Street at White River, site of the former National Guard Armory.

County Commissioners have been involved in detailed negotiations for more than a year with Republic and the city of Noblesville, according to Commissioner Steve Dillinger. Although mum on the Republic project so far, the city sees the construction as a big boost for the down-

town area that will create major property tax revenue for local government. As the fiscal body of the county, the Council must approve the purchase or sale of any county property. A big deal? "Yes, it really is a big deal with a lot of time and negotiating involved," Dillinger concluded.

HSE

a clear majority in favor of starting school in person, opposing the current plans. Board President Michelle Fullhart then read a statement (you can listen to her read the statement during the board meeting at [tinyurl.com/FullhartPodcast](https://www.youtube.com/watch?v=617F11(a)g)). Then Superintendent Allen Bourff presented the numbers provided by the Fishers Health Department that led to the decision to start the school year virtually. Dr. Bourff told the board that on July 17, the health department number showed 0.63 percent of the Fishers population had tested positive, and just days later the health department reported 0.68 percent positive, with about 1,100 tests yet to be processed due to a backlog. The school corporation held a table-top COVID-19 emergency exercise with city officials which revealed a number of situations the schools had not considered. Dr. Bourff also pointed out that the sports programs in the district have been functioning, and may provide a glimpse into what reopening school buildings may have in store.

grade levels or groups of coaches were under quarantine due to positive COVID-19 tests. Fishers is showing a higher percentage of positive cases by population than the rest of Hamilton County, but Fishers is also conducting more novel coronavirus tests, Dr. Bourff said. It was also made clear that changes will continue to be made. School administrators were scheduled to meet with the teachers association the day after the board meeting, which could spur more changes. I have lived in Fishers for 29 years and have seen a number of tough issues come before the local school board. This one will be one of those issues because the community is very divided. Many agree with the majority of those speaking at the Wednesday night board meeting. Others are just as adamant that school should not start in-person until students and staff feel safe in the buildings. I have been hearing from both sides and other views much more nuanced. I have no idea what the majority view is, if there is one, but I know the lines have been drawn. I interviewed all the school board members currently serving on the board during their election campaigns and I can assure you no one brought up the issue of managing the fourth-largest school district in the state during a one-in-a hundred-year pandemic. There is a school board election coming up in No-

vember and I expect those candidates will be focusing on that as a major issue. We all want what is best for our kids in school. My twin daughters attended HSE Schools grades K-12 and received a top-notch education. It is sad to see the staff and students forced to deal with such an unforeseen circumstance. Whatever decisions are made as school begins soon, whether you agree with the decisions or not, let's support the staff and the students and get through this as best we can.

Hamilton East Public Library General Obligation Bonds of 2020 (the "Bonds"), in the aggregate amount of approximately \$24,270,000; Originally dated the date of delivery of the Bonds; Fully registered form; Denomination \$5,000 or integral multiples thereof (or in such other denomination as requested by the winning bidder); Bearing interest at a rate or rates not to exceed a maximum of 3.00% per annum (to be determined by bidding), which interest will be payable on July 15, 2021, and semiannually on January 15 and July 15 thereafter; Principal payable at The Huntington National Bank in Indianapolis, Indiana, or by wire transfer to depositories on the payment date; Interest payable by check mailed one business day prior to interest payment date or by wire transfer to depositories on the interest payment date to registered owners or depositories as of the fifteenth day immediately preceding the interest payment date; Maturing on January 15 and July 15 beginning no earlier than July 15, 2021 through no later than January 15, 2040.

The Library reserves the right to adjust the maturity schedule following the sale in order to accomplish the Library's financial objectives by reallocating debt service based upon the rates by the successful bidder (the "Purchaser").

Notice is hereby given that electronic proposals will be received via PARITY®, in the manner described below, up until the hour of 11:00 a.m. (Indianapolis Time), on August 27, 2020. Bids may be submitted electronically via PARITY® pursuant to this Notice until the time specified in the Notice, but no bid will be received after the time for receiving bids specified above. To the extent any instructions or directions set forth in PARITY® conflict with this Notice, the terms of this Notice shall control. For further information about PARITY®, potential bidders may contact the Library's municipal advisor, Baker Tilly at (317) 465-1500 and by email at bids@bakertilly.com or PARITY® at (212) 849-5021.

As an alternative to PARITY®, bidders may submit a sealed bid or e-mail the bid electronically to the Library's municipal advisor at the address described above until the time of the bond sale as listed above. Upon completion of the bidding procedures described herein, the results of the sealed or emailed bids received shall be compared to the electronic bids received by the Library.

If a potential bidder has questions related to the Library, the financing or submission of bids, questions should be submitted by email to the address above no later than 11:00 a.m. (Indianapolis Time) on August 25, 2020. To the best of the Library's ability, all questions will be addressed by the Library and sent to potential bidders, including any bidders requesting 24 hours' notice of sale, no later than 5:00 p.m. (Indianapolis Time) on August 25, 2020. Additionally, upon request, the written responses will be emailed to any other interested bidder.

Bidders should review this notice as well as the preliminary official statement and submit any questions in advance of this deadline to submit questions.

The Bonds are redeemable prior to maturity at the option of the Library, in whole or in part in such order of maturity as the Library shall direct and by lot within maturity, on or after January 15, 2031, at face value, plus in each case accrued interest to the date fixed for redemption, on 30 days' previous notice by mail to the registered owners of the Bonds to be redeemed. Interest on the Bonds called for redemption will cease on the redemption date fixed in said notice if funds are available at the place of redemption to redeem the Bonds so called on the date fixed in said notice, or thereafter when presented for payment.

Bidders for the Bonds will be required to name the purchase price, not less than 99.50% of par and the interest rate or rates which the Bonds are to bear. Such interest rate or rates must be in multiples of 1/8th or 1/100th of 1%. Bids specifying two or more interest rates shall also specify the amount and maturities of the Bonds bearing each rate, but all Bonds maturing on the same date shall bear the same single interest rate. The Bonds will be awarded to the lowest responsible and responsive bidder whose bid is submitted in accordance herewith. The winning bidder will be the one who offers the lowest net interest cost to the Library, to be determined by computing the total interest on all of the Bonds to their maturities based upon the schedule provided by the Library prior to the sale and deducting therefrom the premium bid, if any, and adding thereto the discount bid, if any. Any premium bid must be paid at closing as a part of the purchase price. Although not a term of sale, it is requested that each bid show the net dollar interest cost from the date of the Bonds to final maturity and the net effective average interest rate. No conditional bids will be considered. The right is reserved to reject any and all bids. If an acceptable bid is not received for the Bonds on the date of sale herein before fixed, the sale may be continued from day to day thereafter without further advertisement, during which time no bid which provides a higher net interest cost to the Library than the best bid received at the time of the advertised sale will be considered.

A good faith deposit ("Deposit") in the form of cash or certified or cashier's check or wire transfer in the amount of 1% of the par amount of the Bonds payable to the order of Hamilton East Public Library is required to be submitted by the successful Purchaser not later than 3:30 p.m. (Indianapolis time) on the next business day following the award. If such Deposit is not received by that time, the Library may reject the bid. No interest on the Deposit will accrue to the Purchaser. The Deposit will be applied to the purchase price of the Bonds. In the event the Purchaser fails to honor the accepted bid, the Deposit will be retained by the Library as liquidated damages.

The Purchaser shall make payment for such Bonds and accept delivery thereof within five days after being notified that the Bonds are ready for delivery, at such place in the City of Indianapolis, Indiana, as the Purchaser may designate, or at such other location mutually agreed to by the Library and the Purchaser. The Bonds will be ready for delivery within 45 days after the date of sale. If the Library fails to have the Bonds ready for delivery prior to the close of banking hours on the forty-fifth day after the date of sale, the Purchaser may secure the release of the bid upon request in writing, filed with the Library. Unless otherwise requested by the winning bidder, the Purchaser is expected to apply to a securities depository registered with the Securities and Exchange Commission ("SEC") to make such Bonds depository-eligible. If the Bonds are reoffered by an underwriter, at the time of delivery of the Bonds to the Purchaser, the Purchaser will be required to certify to the Library the initial reoffering price to the public of a substantial amount of each maturity of the Bonds.

All provisions of the bid form and Preliminary Official Statement (as hereinafter defined) are incorporated herein. As set forth in the Preliminary Official Statement, the Purchaser agrees by submission of their bid to assist the Library in establishing the issue price of the Bonds under the terms outlined therein and shall execute and deliver to the Library at closing an "issue price" certificate, together with the supporting pricing wires or equivalent communications, with such modifications as may be appropriate or necessary, in the reasonable judgment of the Purchaser, the Library and Ice Miller LLP ("Bond Counsel").

Bidders must comply with the Rules of PARITY® (the "Rules") in addition to requirements of this Notice. To the extent there is a conflict between the Rules and this Notice, this Notice shall control. Bidders may change and submit bids as many times as they wish during the sale, but they may not withdraw a submitted bid. The last bid submitted by a bidder prior to the deadline for the receipt of bids will be compared to all other final bids to determine the winning bid. During the sale, no bidder will see any other bidder's bid, nor will they see the status of their bid relative to other bids (e.g., whether their bid is a leading bid).

It is anticipated that CUSIP identification numbers will be printed on the Bonds, but neither the failure to print such numbers on any Bond nor any error with respect thereto shall constitute cause for failure or refusal by the Purchaser therefore to accept delivery of and pay for the Bonds in accordance with the terms of its proposal. No CUSIP identification number shall be deemed to be a part of any Bond or a part of the contract evidenced thereby and no liability shall hereafter attach to the Library or any of its officers or agents because of or on account of such numbers. All expenses in relation to the printing of CUSIP identification numbers on the Bonds shall be paid for by the Library; provided, however, that the CUSIP Service Bureau charge for the assignment of said numbers shall be the responsibility of and shall be paid for by the Purchaser. The Purchaser will also be responsible for any fees or expenses it incurs in connection with the resale of the Bonds.

The Bonds are being issued for the purpose of procuring funds to be applied to the: (i) renovation of and improvements to Fishers Library, including site improvements and the purchase of real estate, equipment and technology; and (ii) renovation of and improvements to Noblesville Library, including site improvements and the purchase of real estate, equipment and technology, and will be the direct obligations of the Library, payable out of ad valorem taxes to be collected on the taxable property within the Library; however, the Library's collection of the levy may be limited by operation of I.C. 6-1.1-20.6, which provides taxpayers with tax credits for property taxes attributable to different classes of property in an amount that exceeds certain percentages of the gross assessed value of that property. The Library is required by law to fully fund the payment of debt service on the Bonds in an amount sufficient to pay the debt service, regardless of any reduction in property tax collections due to the application of such tax credits. The Library may not be able to levy or collect additional property taxes to make up this shortfall, The Library is a library organized pursuant to the provisions of I.C. 20-23; the Bonds will not be "private activity bonds" as defined in Section 141 of the Code.

The Library has prepared a Preliminary Official Statement ("Preliminary Official Statement") relating to the Bonds which it has deemed nearly final. A copy of the Preliminary Official Statement may be obtained from the Library's municipal advisor, Baker Tilly, 3365 Keystone Crossing, Suite 300, Indianapolis, Indiana 46240-2687. Within seven (7) business days of the sale, the Library will provide the successful bidder with sufficient copies of the Final Official Statement (the "Final Official Statement") in order for the Purchaser to comply with Section (b)(4) of SEC Rule 15c2-12 and the rules of the Municipal Securities Rulemaking Board at the Library's expense. Additional copies, at the Purchaser's expense, must be requested within five (5) business days of the sale. Inquiries concerning matters contained in the Preliminary Official Statement must be made and pricing and other information necessary to complete the Final Official Statement must be submitted by the Purchaser within two (2) business days following the sale to be included in the Final Official Statement.

If the Bonds are reoffered by an underwriter, the Library agrees to enter into a continuing disclosure undertaking agreement (the "Master Agreement") in order to permit the Purchaser to comply with the SEC Rule 15c2-12, as amended to the date hereof; A copy of such Master Agreement is available from the Library or municipal advisor at the addresses below.

Further information relative to the Bonds and a copy of the Preliminary Official Statement may be obtained upon application to Edra Waterman, Director of the Library, 1 Library Plaza, Noblesville, Indiana 46060. If bids are submitted by mail, they should be addressed to the Library, attention of Baker Tilly, 8365 Keystone Crossing, Suite 300, Indianapolis, Indiana 46240-2687.

These Bonds are offered subject to the approving opinion of Bond Counsel, The Library will furnish at its expense the bond counsel opinion, printed bond forms, a transcript of proceedings, and closing papers in the usual form showing no litigation questioning the validity of the Bonds at the time of delivery.

Dated July 27, 2020.

NOTICE TO UNNAMED FATHER
The unnamed putative father of the child born to Brandi Owens, or the person who claims to be the father of the child born to Brandi Owens on June 25, 2020, is notified that a Petition for Adoption of the child was filed in the Office of the Clerk of the Hamilton County Superior Court, 1 Hamilton County Square, Noblesville, Indiana 46060.

This Notice complies with I.C. 31-19-4-4, but does not exhaustively set forth the unnamed putative father's legal obligations under the Indiana adoption statutes. A person being served with this Notice should consult the Indiana adoption statutes.

Upon completion of the bidding procedures described herein, the results of the sealed, non-electronic bids received shall be compared to the electronic bids received by the School Corporation.
The Bonds are not redeemable prior to maturity at the option of the School Corporation.. A bid may designate that a given maturity or maturities shall constitute a term bond, and the semi-annual amounts set forth in the schedule provided prior to the sale shall constitute the mandatory sinking fund redemption requirements for such term bond or bonds. For purposes of computing net interest cost, the mandatory redemption amounts shall be treated as maturing on the dates set forth in the schedule provided prior to the sale.
In the case of any redemption, 30 days' notice will be given by mail to the registered owners of the Bonds to be redeemed, and accrued interest will be paid to the date fixed for redemption. Interest on the Bonds so called for redemption will cease on the redemption date fixed in said notice if funds are available at the place of redemption to redeem the Bonds so called on the date fixed in said notice, or thereafter when presented for payment.
The Bonds have been designated as qualified tax-exempt obligations for purposes of Section 265(b)(3) of the Internal Revenue Code of 1986, as amended (the "Code").
Each bid must be for all of the Bonds and must state the rate of interest which each maturity of the Bonds is to bear, stated in multiples of 1/8th, 1/20th or 1/100th of 1%. The maximum interest rate of the Bonds shall not exceed 6.00% per annum. All Bonds maturing on the same date shall bear the same rate. No bid for less than 99.50% of the face value of the Bonds will be considered. The Bonds will be awarded to the lowest responsible and responsive bidder who has submitted a bid in accordance herewith (the "Purchaser"). The Purchaser will be the one who offers the lowest net interest cost to the School Corporation, to be determined by computing the total interest on all of the Bonds to their maturities based upon the schedule provided by the School Corporation prior to the sale and deducting therefrom the premium bid, if any, and adding thereto the discount bid, if any. No conditional bids will be considered. The right is reserved to reject any and all bids. If an acceptable bid is not received for the Bonds on the date of sale hereinafter fixed, the sale may be continued from day to day thereafter without further advertisement, during which time no bid which provides a higher net interest cost to the Corporation than the best bid received at the time of the advertised sale will be considered.
Each bid not submitted via PARITY® must be enclosed in a sealed envelope addressed to the School Corporation and marked on the outside "Hamilton Heights School Corporation Bid for General Obligation Bonds of 2020. A good faith deposit ("Deposit") in the form of cash, wire transfer, or certified or cashier's check in the amount of \$53,500 payable to the order of the School Corporation is required to be submitted by the Purchaser not later than 3:30 p.m. (EST) on the next business day following the award. If such Deposit is not received by that time, the School Corporation may reject the bid. No interest on the Deposit will accrue to the Purchaser. The Deposit will be applied to the purchase price of the Bonds. In the event the Purchaser fails to honor its accepted bid, the Deposit will be retained by the School Corporation as liquidated damages.
The Purchaser shall make payment for such Bonds and accept delivery thereof within five days after being notified that the Bonds are ready for delivery, at such place in the City of Indianapolis, Indiana, as the Purchaser may designate, or at such other location mutually agreed to by the School Corporation and the Purchaser. The Bonds will be ready for delivery within 45 days after the date of sale. If the School Corporation fails to have the Bonds ready for delivery prior to the close of banking hours on the forty-fifth day after the date of sale, the Purchaser may secure the release of the bid upon request in writing, filed with the School Corporation. The Purchaser is expected to apply to a securities depository registered with the Securities and Exchange Commission ("SEC") to make such Bonds depository-eligible. If the Bonds are reoffered, at the time of delivery of the Bonds to the Purchaser, the Purchaser will be required to certify to the School Corporation the initial reoffering price to the public of a substantial amount of each maturity of the Bonds.
All provisions of the bid form and Preliminary Official Statement (as hereinafter defined) are incorporated herein. As set forth in the Preliminary Official Statement, the Purchaser agrees by submission of their bid to assist the School Corporation in establishing the issue price of the Bonds under the terms outlined therein and shall execute and deliver to the School Corporation at closing an "issue price" certificate, together with the supporting pricing wires or equivalent communications, with such modifications as may be appropriate or necessary, in the reasonable judgment of the Purchaser, the School Corporation and Ice Miller LLP ("Bond Counsel").
Bidders must comply with the rules of PARITY® (the "Rules") in addition to requirements of this Notice. To the extent there is a conflict between the Rules and this Notice, this Notice shall control. Bidders may change and submit bids as many times as they wish during the sale, but they may not withdraw a submitted bid. The last bid submitted by a bidder prior to the deadline for the receipt of bids will be compared to all other final bids to determine the winning bid. During the sale, no bidder will see any other bidder's bid, nor will they see the status of their bid relative to other bids (e.g., whether their bid is a leading bid).
It is anticipated that CUSIP identification numbers will be printed on the Bonds, but neither the failure to print such numbers on any Bond nor any error with respect thereto shall constitute cause for failure or refusal by the successful bidder thereof to accept delivery of and pay for the Bonds in accordance with the terms of its proposal. No CUSIP identification number shall be deemed to be a part of any Bond or a part of the contract evidenced thereby and no liability shall hereafter attach to the School Corporation or any of its officers or agents because of or on account of such numbers. All expenses in relation to the printing of CUSIP identification numbers on the Bonds shall be paid for by the School Corporation; provided, however, that the CUSIP Service Bureau charge for the assignment of said numbers shall be the responsibility of and shall be paid for by the Purchaser. The Purchaser will also be responsible for any other fees or expenses it incurs in connection with the resale of the Bonds.
The approving opinion of Bond Counsel, together with a transcript of the proceedings relating to the issuance of the Bonds and closing papers in the usual form showing no litigation questioning the validity of the Bonds, will be furnished to the successful bidder at the expense of the School Corporation.
The Bonds are being issued for the purpose of renovation of and improvements to school facilities, including site and traffic improvements, and will be direct obligations of the School Corporation payable out of ad valorem taxes to be collected on the taxable property within the School Corporation; however, the School Corporation's collection of the levy may be limited by operation of I.C. 6-1.1-20.6, which provides taxpayers with tax credits for property taxes attributable to different classes of property in an amount that exceeds certain percentages of the gross assessed value of that property. The School Corporation is required by law to fully fund the payment of debt service on the Bonds in an amount sufficient to pay the debt service, regardless of any reduction in property tax collections due to the application of such tax credits. The School Corporation may not be able to levy or collect additional property taxes to make up this shortfall. The School Corporation is a school corporation organized pursuant to the provisions of I.C. 20-23; the Bonds will not be "private activity bonds" as defined in Section 141 of the Code.
The Bonds constitute an indebtedness only of the School Corporation. In the opinion of Bond Counsel, under the existing federal statutes, decisions, regulations and rulings, the interest on the Bonds is exempt from all income taxation in Indiana. In the opinion of Bond Counsel, under the existing federal statutes, decisions, regulations and rulings, the interest on the Bonds is excludable from gross income for purposes of federal income taxation.
The School Corporation has prepared a Preliminary Official Statement (the "Preliminary Official Statement") relating to the Bonds which it has deemed nearly final. A copy of the Preliminary Official Statement may be obtained from the School Corporation's municipal advisor Stifel, Nicolaus & Company, Incorporated, 201 N. Illinois Street, Suite 350, Indianapolis, Indiana 46204. Within seven (7) business days of the sale, the School Corporation will provide the successful bidder with sufficient copies of the Final Official Statement (the "Final Official Statement") at the School Corporation's expense in order for such bidder to comply with Section (b)(4) of the SEC Rule 15c2-12 and the rules of the Municipal Securities Rulemaking Board. Additional copies, at the Purchaser's expense, must be requested within five (5) business days of the sale. Inquiries concerning matters contained in the Preliminary Official Statement must be made and pricing and other information necessary to complete the Final Official Statement must be submitted by the Purchaser within two (2) business days following the sale to be included in the Final Official Statement.
If the Bonds are reoffered by an underwriter, the School Corporation agrees to enter into an amended continuing disclosure undertaking (the "Master Agreement") in order to permit the Purchaser to comply with the SEC Rule 15c2-12, as amended to the date hereof (the "SEC Rule"). A copy of the Master Agreement is available from the School Corporation or municipal advisor at the addresses below.
The School Corporation has further agreed to comply with the Purchaser's reasonable requests to provide or disclose information and make appropriate filings which may be required in order for such purchaser to comply with the SEC Rule.

Noblesville track and field star headed to Butler University . . .

Drew Herman ready to jump his way on to Bulldogs team

By RICHIE HALL

One of the more familiar sights on the Noblesville boys track and field team the past four years was seeing Drew Herman sail over a high jump bar.

The recent Noblesville High School graduate often went above and beyond the bar, to the tune of an appearance at the state meet in 2018 and various other achievements. Now he'll get a chance to compete at the college level, as Herman has committed to Butler University.

"I'm going to receive an opportunity to get an athletic scholarship based on my performance," said Herman. "If I can have good performances my freshman year, I can become on scholarship very quickly."

Herman did receive an academic scholarship to Butler, and is being treated like he is on scholarship with the Bulldogs team, as he gets to travel with the team and get all of the necessary gear.

"I've been on a visit, on a tour of the campus," said Herman. "I've been on an official visit for track and then I've gone a couple times to drive through the campus with some of my friends that are going to Butler and take it in."

Herman participated in a meet against some college teams a couple years ago, and one of those teams was Butler. While he hadn't considered Butler before, Herman said he "looked more into it and they really grew on me."

"I was considering Notre Dame and Butler for track, and it was just between the two," said Herman. "There was more scholarship money in it for Butler." He also said that most of his family went to Notre Dame, "and I wanted to try something different."

Herman will be going into the business school, where he plans on studying exploratory business.

"It's within the specific college of the Lacy School of business," said Herman. "I don't know what my major's going to be, but it's going to be in business."

STATE QUALIFIER

Herman was good at the high jump from the beginning, tying for sixth in the Carmel sectional as a freshman with a jump of 6 feet even. He then had an outstanding sophomore year, finishing second in the sectional, then winning the Lafayette Jef-

Noblesville's Drew Herman has been jumping into the spotlight for the Millers track and field team over the past four years. A state qualifier in the high jump his sophomore year, Herman will attend Butler University and compete on the Bulldogs' track team.

erson regional with a leap of 6 feet, 5 inches. That qualified him for the state meet, where he placed 14th.

Herman placed sixth in the regional his junior year. He said things were looking good for a return to state for his senior year, but unfortunately, as was the case with many athletes, his season was halted due to the COVID-19 pandemic.

Several track and field teams got to compete in a couple of indoor meets before the season stopped. The Millers were one of them, participating in the Indiana Wesleyan University qualifier on March 7. Herman had a solid meet, winning the high jump with an effort of 6 feet, 6 inches. Showing his versatility, he ran on Noblesville's winning 4x400 relay and placed third in the long jump as well.

It was tough for Herman, who was one of the Millers' captains. The team had been working out since October.

"It was disappointing seeing all that work go nowhere, especially since we thought we were going to be gone from school for a week of two," said Herman. "It was disappointing to have it end so quickly."

Herman's best career jump was 6 feet, 7 inches, which he achieved during his junior year at the 2019 Kent Graham Relays.

"I was facing some pretty good competition," said Herman. "I jumped over 6-6 for the second time ever, and I jumped over 6-7 for my last attempt."

BEING FLEXIBLE

As a veteran high jumper, Herman knows what needs to be done in order to be successful in the event. "It requires a lot of the same mechanics as sprinting," he said. "You have to be fast, your legs have to be strong. But more than that, it requires lots of explosive movements."

In order to make those movements, Herman does plyometrics, which are short interval exercises designed to make muscles exert their maximum potential.

"For myself, it's mostly doing lots of skips, lots of bounds," said Herman. "Lots of little things to help get off the ground."

A good example of a plyometric exercise is squatting all the way down, then leaping up to try to grab the rim of a basketball goal.

"It makes your legs unbelievably strong," said Herman. "And they're great for jumpers."

Heavy lifting is another technique, such as squats and leg presses. A high jumper must also have body awareness, and understand how each muscle works to help him get over the bar.

"Your back has to be very flexible. Your hamstrings have to be very flexible and you have to know the way your body moves," said Herman.

Anyone who has ever tried the high jump, or even just watched it, is familiar with the way athletes clear the bar, known as the Fosbury Flop: The initial leap, curving the back over the bar, kicking up the legs at the last second, and flopping on the mat. In order to do all that, flexibility is a must.

Once Herman told his father and his coaches that he wanted to do high jump, the first thing they did was work on flexibility.

"I would do back bends, toe touches, things like that," said Herman. "If you jump and you don't know the correct way to bend, or your back isn't flexible enough, you can really hurt yourself."

Since Herman competed in both high jump and long jump, he is aware of the differences of the events. A long jumper is always trying to improve his distance. High jumpers are trying to improve as well, but they have the added pressure of trying to directly outdo their competitors.

"You kind of have to be in a more competitive mindset for high jump, whereas in long jump, you're competing against yourself," said Herman.

Drew Colvin tentatively hired as Head Boys Soccer Coach at Hamilton Heights

Pending board approval, Drew Colvin has been selected to lead the Hamilton Heights Boys Soccer program. Drew will be filling the shoes of veteran head coach, Derrick Dean, who resigned to take a new full-time job outside of education/coaching.

Colvin graduated from Sheridan High School in 2003 where he earned varsity letters in soccer, basketball, and track and field. After high school, Drew attended Grace College on a soccer scholarship before transferring to Purdue University after marrying his wife, Hannah. Drew and Hannah have been married for 16 years and have four kids, Micah (14), Abby (13), Ethan (10) and Bri (8).

"Drew is going to bring a lot of energy to the program and with the help of his coaching staff, implement a different system than in the past. The numbers are

large and the excitement for the continued success of the program is just as big. We are looking forward to what Drew and his staff will bring to the table to help establish a culture of hard work, discipline and sportsmanship," said Kurt Ogden, Hamilton Heights Athletic Director.

"I am extremely excited and humbled to be the next Boys Soccer Head Coach at Hamilton Heights High School," said Colvin. "The shoes to fill are big. Derrick Dean built this program from almost nothing. While I coached with Coach Dean, I plan on implementing my own coaching style and culture for the team moving forward. My goals for the program are simply to improve in our ability to compete at a higher level while teaching the boys some life lessons along the way. I truly enjoy coaching and I am extremely excited for the future of the program."

Miami University's Sterling Weatherford on watch list for two prestigious awards

Sterling Weatherford, an incoming redshirt junior for the Miami University football team, has been named to the watch lists for two prestigious college football awards.

First, Weatherford was placed on the Chuck Bednarik Award watch list, an annual award given to the outstanding defensive play-

er in college football. The Maxwell Football Club has been presenting the award since 1995, said a July 13 article on the Miami Red-Hawks website.

One week later, Weatherford and Miami teammate Emmanuel Rugamba were both named to the watch list for the Jim Thorpe Award, which is presented to the top

defensive back. A July 20 article on the RedHawks website said the list "is selected by a screening committee whose members compile a list of up to 50 players." A screening committee will monitor the players and cut the field to 10 to 15 players by the first week of November, with the three finalists to be revealed on the Monday before Thanksgiving.

Weatherford, a Hamilton Heights graduate, had a solid season during his junior year, in which he started in all 14 games. Weatherford had 98 tackles, including 5.5 for a loss, two sacks, one interception, 10 pass breakups and two forced fumbles. Weatherford had two games during the season where he reached the 10-tackle mark.

Noblesville sisters play at AAU Junior National Volleyball Championships

Photo provided
Noblesville sisters Reese and Riley Resmer both played at the 2020 AAU Junior National Volleyball Championship July 19-22 in Orlando, Fla. as part of the Boiler Juniors, the Lafayette branch of the Academy Volleyball Club. Riley's team, 14 Gold, won the national championship in its division while Reese's team, 12 Gold, finished as national runner-up.

Two Noblesville sisters got the chance to play for a national championship at the 2020 AAU Junior National Volleyball Championship, which took place July 19-22 in Orlando, Fla.

Riley and Reese Resmer are members of The Academy Volleyball Club, and play on its Lafayette club, Boiler Juniors. Riley, an incoming freshman at Noblesville High School, played on the 14 Gold team, which won the national championship in its division. Reese, who will be a seventh-grader at Noblesville West Middle School, played on the 12 Gold team, which finished as runner-up.

The 14 Gold team finished with a 9-1 record at the AAU national tournament, and won the national title by

beating Miami Xtreme 14 Elite from Miami, Fla. In three sets, 24-26, 25-21, 15-10.

“Going to Orlando and playing at Nationals is what we train for and look forward to every year and we were all really glad we still had the chance to go,” said Riley. “We put in a lot of work all season, especially after the gyms opened back up, driving to Lafayette for practice three to five times a week! Even though everything was a little different this year, the win was still just as exciting! I’ve been lucky enough to play with these girls and my coach for four years and so to win it all was really amazing!”

The 12 Gold team compiled a 9-2 record at the tournament, advancing to the championship match before

losing a close championship match to Tribe 12 Elite Altone from Deerfield Beach, Fla. The score was 25-18, 22-25, 15-10.

“Going to AAU’s is always the highlight of my year,” said Reese. “I’m so blessed to have the opportunity to compete in Orlando and its awesome to see our teams hard work and commitment really pay off! Practicing so much so far away is hard, (I love it though!), so seeing us place really well in AAU’s year after year is amazing! It definitely looked and felt a lot different this year with court spacing, sparse fans, and no ESPN Wide World of Sports Complex but the experience is still surreal! I am so lucky to have such amazing, dedicated parents, teammates, and coaches!”

PREVAIL

Advocating for Victims of Crime and Abuse

www.prevailinc.com

I was born and raised right here in Noblesville. I grew up in a home without domestic violence or assault – it wasn't something I saw, or even heard about. But when I was introduced to Prevail of Central Indiana, I was shocked by the number of individuals who are affected by domestic violence. In 2018 alone, Prevail helped more than 4,000 clients in Hamilton County. (Nearly 80 percent of clients are women and children.) Domestic violence and abuse are hard topics to discuss, so you don't often hear about them. But at Tom Wood Volkswagen in Noblesville, we're breaking the taboo and raising awareness for Prevail, an organization that helps families in Hamilton County.

– Mike Bragg, GM of Tom Wood Volkswagen in Noblesville

To help Hamilton County families affected by domestic violence and sexual abuse, you can donate the following items:

- Art supplies (for children to journal and express their emotions)
- Bottled water (8 oz. bottles, preferably)
- Individually packaged snacks
- Gas cards (many women have no access to funds after fleeing their abuser)

Drop off items at Tom Wood Volkswagen in Noblesville, 14701 Tom Wood Way.
