HSE board approves 50-50 attendance plan for PreK-4

By LARRY LANNAN | LarryInFishers.com

In a rare Friday session, the Hamilton Southeastern school board approved a plan to have a 50-50 mix of virtual and in-person students, up to fourth grade, Sept. 8 through at least Oct. 2. The vote was 6-1, with the lone no vote cast by Amanda Shera.

In a Skylert message and video posted Friday, HSE Schools Superintendent Allen Bourff said parents should already have information on the details of when their children will be in-person at the school building and when there will be virtual classes.

Dr. Bourff cited guidance provided by the Fishers Health Department in making this decision. The idea is to have no more than 50 percent of students in the buildings at one time. You can view the video at this link.

Do you enjoy polo? Do you want to learn about polo? Do you not care at all about polo but want to get out of the house with the family, enjoy sports with plenty of social distancing, support the new Westfield Playhouse and just have fun you can talk about for years to come? Then a polo match could be just what you are looking for.

This Friday, Aug. 28, Westfield Playhouse is partnering with Hickory Hills Polo Club, 7551 E. 100 North, Whitestown, to bring you a fun, family-friendly evening outdoors. Hickory Hills is located north of Zionsville, approximately 12 minutes from the old playhouse location.

This polo match is a fundraiser for both Westfield Playhouse and Servants At Work (SAWs), an organization that builds home wheelchair ramps for those in financial need.

According to Carol Shadle from Westfield Playhouse and Main Street Productions (MSP), this event will be fun for adults and children alike.

For the adults, there will be a "wine pull." "You pick a cork from a display and you win a bottle of wine for \$20," Shadle told The Reporter.

It is a blind pull, so you some of the fun is in not knowing what you are going to get and having the chance to try something new.

"You won't know exactly what you'll get, but I am going to line them up and number them from dry to sweet and from whites to red, so if you don't like white wines I will point you toward the red wines, and the same for dry and sweet," Shadle said. "It also gives you a chance to win a beautiful wine basket that one of our vol-

The REPORTER

Hamilton County Parks and Recreation has announced the cancellation of its major community events for the rest of the 2020 season due to the lingering threat posed by the COVID-19 virus.

Director of Hamilton County Parks and Recreation. "Such popular park events as the Concerts in the Centerpiece at Coxhall Gardens, the Potter's Bridge Fall Festival and the Little Haunt on the Prairie at Ghoul Creek Park will unfortunately not be held this year, but dedicated park staff continue to prepare for the events' welcome return in 2021."

Smaller-scale, nature education programming continues to be offered by the parks department with required reservations, at limited capacity and with necessary precautions in place. For details regarding park programs, please visit the department's Facebook page, its website at MyHamiltonCountyParks.com or call (317) 770-4400.

I was born and raised right here in Noblesville. I grew up in a home without domestic violence or assault - it wasn't something I saw, or even heard about. But when I was introduced to Prevail of Central Indiana, I was shocked by the number of individuals who are affected by domestic violence. In 2018 alone, Prevail helped more than 4,000 clients in Hamilton County. (Nearly 80 percent of clients are women and children.) Domestic violence and abuse are hard topics to discuss, so you don't often hear about them. But at Tom Wood Volkswagen in Noblesville, we're breaking the taboo and raising awareness for Prevail, an organization that helps families in Hamilton County. - Mike Bragg, GM of Tom Wood Volkswagen in Noblesville

To help Hamilton County families affected by domestic violence and sexual abuse, you can donate the following items:

- Art supplies (for children to journal and express their emotions)
- Bottled water (8 oz. bottles, preferably)
- Individually packaged snacks
- Gas cards (many women have no access to funds after fleeing their abuser)
