Sheridan Public Library's summer readers donate to Youth Assistance Program

The Sheridan Public Library's (SPL) Summer Reading Program, "Imagine Your Story," recently wrapped up with readers eager to help out the community. COVID-19 led to a different approach this summer by moving SPL to an online format for all readers pre-K through 12th grade. Readers

Some HSE food service staff to be furloughed

By LARRY LANNAN LarryInFishers.com

When Hamilton Southeastern Schools went with all-virtual classes last spring, the district said employees would remain on the payroll for as long as possible, even those not working. After Sept. 18, HSE district food service workers in grades 5-12 will be on unpaid furlough.

HSE Schools spokesperson Emily Abbotts tells LarryInFishers that the school corporation can no longer afford to pay these employees. Abbotts clarified

that these food service workers will be working through Sept. 4.

"Many have been working, preparing meals for the virtual students," Abbotts said.

It is presumed the food service employees would be recalled when students return to their classrooms.

NOTE: An earlier version of this story incorrectly gave the impression these food service workers had not been on the job, but is now clarified to show they have been working and that will end after Sept. 4 and they will be paid through Sept. 18.

Unemployment payments delayed for more than 20,000 Hoosiers

By JULIA DENG WISH-TV | wishtv.com

Fishers resident Jim Janulis launched his print advertising business 15 years ago to help promote local mom-and-pop shops. The coronavirus pandemic decimated his client base, forcing his own small business to halt publication of its

tion of his mortgage and other bills. He panicked when he did not receive benefits for the week of Aug. 16.

'I always check the day after [filing] the voucher to make sure that everything went through OK, and I noticed I had zero amount awarded to me," said Janulis.

Janulis is among

were challenged to complete different levels of reading dependent on age group. The children earned weekly prizes and worked toward a community goal. For each book read, participants earned a donation credit to Sheridan Youth Assistance Program. "We wanted to give back to our community by helping out families during this time of uncertainty," said Summer Reading Coordinator Lindsay Spencer. For information on upcoming events or programs, please visit sheridan.lib.in.us. (From left) Summer Reading Coordinator Lindsay Spencer and Lisa Samuels of the Sheridan Youth Assistance Program.

IU Health renews relationship with Mudsock Youth Athletics

By LARRY LANNAN LarryInFishers.com

The partnership between IU Health and Mudsock Youth Athletics goes back a long way, and that relationship will continue with a renewal announced the primary scholarship provider and an official community partner of Mudsock Youth Athletics, per a news release.

IU Health is expanding support this year by including personal protective equipment in its tri-annual delivery of first aid kits that are distributed to all coach-Athletics program.

Partake in art of illustration, caricature next month at Art Gallery at Fishers City Hall

The REPORTER

The Fishers Arts Council is celebrating the Art of Illustration & Caricature during the month of September at The Art Gallery at City Hall, featuring 14 artists.

The exhibit opens on Sept. 2 and runs through Sept. 29 with a free public reception with live music by Jazz musician Steve Newby from 6 to 8 p.m. on Sept. 18 at The Art Gallery at Fishers City Hall with more than 70 pieces on display.

Featured artists are Robert Boyle, Nichole Cochran, Rebecca Entrican, John Essex II, Sandra Hall, Jacque Hammonds, Duane King, Gabriel Lehman, Shaunt'e Lewis, Nick Mangos, Charles McNally, Sue Payne, Leigh Marino Petersen and Betty Shaefer.

For those who aren't quite ready yet for a public reception, join Fishers Arts Council for its virtual art gallery at fishersartscouncil.org/art-gallery-exhibit.

The gallery is free and open to the public from 8:30 a.m. to 4:30 p.m. Monday through Friday and from 10 a.m. to noon on Saturdays during Summer Farmers Market hours.

I was born and raised right here in Noblesville. I grew up in a home without domestic violence or assault - it wasn't something I saw, or even heard about. But when I was introduced to Prevail of Central Indiana, I was shocked by the number of individuals who are affected by domestic violence. In 2018 alone, Prevail helped more than 4,000 clients in Hamilton County. (Nearly 80 percent of clients are women and children.) Domestic violence and abuse are hard topics to discuss, so you don't often hear about them. But at Tom Wood Volkswagen in Noblesville, we're breaking the taboo and raising awareness for Prevail, an organization that helps families in Hamilton County. - Mike Bragg, GM of Tom Wood Volkswagen in Noblesville

What's new for 2020? The Atlas Cross Sport.

To help Hamilton County families affected by domestic violence and sexual abuse, you can donate the following items:

- Art supplies (for children to journal and express their emotions)
- Bottled water (8 oz. bottles, preferably)
- Individually packaged snacks
- Gas cards (many women have no access to funds after fleeing their abuser)

Drop off items at Tom Wood Volkswagen in Noblesville, 14701 Tom Wood Way.

All **Atlas Cross Sport** models come with a touchscreen infotainment display with both Apple CarPlay and Android Auto integration. Navigation is optional, as is a reconfigurable digital gauge display and SiriusXM satellite radio. The Volkswagen Car-Net connectivity app allows for remote starting and analytics while a 4G LTE Wi-Fi hotspot allows occupants to remain connected to the internet with their smart devices while on the go.

- Standard autonomous emergency braking with forward-collision warning
- · Standard blind-spot monitoring with rear cross-traffic alert
- · Available adaptive cruise control with semi-autonomous driving mode

Fun to drive. Easy to cover.

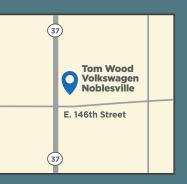

Care • Committment • Convenience

Parisian Flea Market to benefit Fair Haven

One-of-a-kind shopping experience raises funds to assist seriously-ill patients traveling to Indy for treatment

The REPORTER

Fair Haven will hold its largest annual fundraiser, the Parisian Flea Market (PFM) at Clay Terrace, 14405 Clay Terrance Blvd., Carmel, on Friday, Oct. 9 and Saturday, Oct. 10. The flea market will be open each day from 9 a.m. to 4 p.m. The store is located on the northeast end of Clay Terrace across from Men's Warehouse.

The eighth annual Parisian Flea Market is a oneof-a-kind shopping event inspired by the eclectic flea markets of Paris that attract treasure hunters from all over the world. It features a unique collection of upscale and hand-selected items including home accessories, furniture, mirrors, chandeliers, dishware, estate jewelry, art and gift items. Volunteer designers from Rowland Design will use their talents to transform the former Charming Charlie's space into a shoppers' paradise.

Fair Haven hosts PFM annually to support its program to provide a "home away from home" for seriously-ill patients and their families who travel to Indianapolis to receive treatment for cancer, high-risk pregnancy, cardiovascular dis-

ease, organ transplant, and are able to receive the critto the community.

Safety plan

for all shoppers and volunteers. Hand sanitizer will be provided, and frequent cleaning will be performed throughout the event. A limited number of people will be allowed inside the ously-ill patients and their venue at one time. Shoppers will enter in the west doors off Clay Terrace Boulevard and follow a contactless flow through the venue. home." Patients stay free Social distancing signage of charge at fully-furnished will be posted throughout apartments located near the the space.

"Fair Haven's mission is to serve people in this difficult time of their lives, as they're battling a serious illness while far from home," said Amanda Milner, founder and executive director of Fair Haven. "We are able to fulfill that mission thanks to our generous sponsors, volunteers, and the Parisian Flea Market shoppers from all over the community. Their support is a wonderful demonstration of true Hoosier Hospitality. By giving these patients a place to and support to an additional stay near the hospital, they 1,500 families each year.

more. Over 250 volunteers ical care they need and also work together to make the able to have family support market a success and intro- around them. This lifts a duce Fair Haven's mission huge burden for these families – for them, it is truly a refuge in the storm."

Tickets are \$5 and will Masks will be required be available at the door. You can also get your tickets at fairhavenfoundation.org. Children age 16 and under can attend for free.

About Fair Haven

Fair Haven serves serifamilies who travel to Indianapolis for critical medical care by providing them with a "home away from downtown medical center and area hospitals. Fair Haven's mission is sharing the love of Jesus Christ by providing gracious hospitality and compassionate support to seriously-ill patients and their families. Since 2008, Fair Haven has provided 29,000 nights of lodging to more than 1,100 patients and their families. With a long waiting list of families in need, Fair Haven is planning to open a new downtown facility in 2021, which will provide lodging

Letter to the Editor Westfield graduate warns of dangers of complacency in fighting COVID

Dear Editor,

It's no doubt that the pandemic has taken over the news for the past six months, and it seems as if our entire lives have changed as a result of COVID-19. However, we can't go back to normal yet, and it is important that people better understand how to interpret the new statistics and news about the virus, seeing that the risk posed from the virus is still present.

I am a recent Westfield High School graduate, and I am a student at Washington University in St. Louis. Currently, I am enrolled in a class called "The Pandemic: Science and Society," where over the past few weeks I have heard from professors at my own institution, and from many doctors around the United States regarding the science of the pandemic and how it has affected society. In this time, I have learned a plethora of new skills for interpreting statistics that have helped me to gain a better understanding about the current situation, and I'd like to share some of this information with the readers.

First, when looking at statistics for the number of cases, it's important to remember that the values you see are going to be un- chel Penzykowski)

der the amount of true cases due to ascertainment bias. This means that because a majority of people with COVID-19 are asymptomatic or have very slight symptoms, not all of these people are going to get tested and the recorded number of cases will be smaller than the true number. Some estimates have even said that there are likely 10 times as many cases as what are reported. While these unreported cases likely don't account for many deaths, they are still able to spread the virus. (Dr. Rachel Penzykowski)

Next, I wanted to express the importance of staying socially distant and keeping away from large gatherings. One toll that I was provided with during class is the "Covid-19 Event Risk Assessment Planning Tool," found at covid19risk.biosci.gatech.edu. This allows you to calculate the odds of someone with COVID-19 being present at a gathering of varying sizes in counties across the United States. Currently in Hamilton County, the tool shows there is an 89 percent chance of a COVID-19 positive individual being present at a gathering of 100 people, so keep this in mind before you go to a large gathering. (Dr. Ra-

Lastly, when hearing statistics about the virus, it is important not to develop stigma against certain groups of people. For example, you may hear on the news that many of the people who are dying from the virus are from minority groups; however, the virus does not discriminate. In our community these minority groups have a lower average income, less access to healthcare, and have experienced discrimination in other areas, even if it isn't always overt. Over many years has made minority groups more vulnerable to underlying health conditions that affect the outcome of the disease. This is unfortunate and means that minority groups are in need of the community's support right now, and untrue stigmas about these groups make a bad situation worse. (Dr. Utibe Essien)

I hope that as a county we all continue to do our part to stop the spread, while continuing to keep an open mind about the pandemic. As a community we can't get complacent in wearing masks or with social distancing, just as we can't reinforce stigmas and ignore the societal impacts of the virus.

Levi Kaster Westfield

TODAY'S BIBLE READING

Wherefore if Demetrius, and the craftsmen which are with him, have a matter against any man, the law is open, and there are deputies: let them implead one another. But if ye enquire any thing concerning other matters, it shall be determined in a lawful assembly. For we are in danger to be called in question for this day's uproar, there being no cause whereby we may give an account of this concourse. And when he had thus spoken, he dismissed the assembly.

Acts 19:38-41 (KJV)

Millers run past Terre Haute South

South Friday night, the Noblesville football team was ready to run.

And run the Millers did. Noblesville cranked up its ground game and overwhelmed the Braves 50-0. The Millers got a pair of touchdowns in the first quarter, then poured in 30 points in the second period.

Noblesville coach Dave Sharpe had plenty of good things to say about his team after the game.

"Our offensive line played really well," said Sharpe. He noted that the Millers "cleaned up a lot of the glaring mistakes" that they had while dealing with Mount Vernon's defense last week.

"They were so determined to get better," Sharpe said of his offensive line.

401 yards rushing. Noblesville did not was "really happy" for his team. attempt a pass in the game.

started things off with short runs for way home," said Sharpe.

After a long bus ride to Terre Haute touchdowns in the first quarter. Speek began the second period with a twoyard score, then Owen Jones let loose for two long scoring streaks, 58 yards and 69 yards. Speek scored again late in the second, and the Millers got a safety in between.

> Noblesville led 43-0 at halftime, and hit the 50-point mark when Andrew Petrulis zoomed into the end zone from 93 yards. Grayden Addison made three extra-point kicks and a two-point conversion, with Nathan Logue getting the extra-point kick on Petrulis' touchdown.

> "Our guys are focused," said Sharpe. "We have a lot of confidence and we really got shell shocked by that really good Mount Vernon team.'

Sharpe said the Millers wanted to As a result, the Millers racked up make a statement in the first quarter and

"All that hard worked really paid off Trey Speek and Holden Montarsi and everybody's all smiles now on the

'Rocks rebound, cruise past Raiders

Reporter photo by Kent Graham

Westfield's defense was relentless during the Shamrocks' Friday night game with Harrison at Riverview Health Stadium. Westfield beat the Class 5A No. 5 Raiders 34-10. Pictured making a tackle Popeye Williams (2) and Micah Hauser (22), with Seth

Westfield rebounded from a season-opening loss by cruising past Harrison 34-10 Friday at Riverview Health Stadium.

The Shamrocks were in control against the Class 5A No. 5 Raiders from the beginning. Westfield got on the board less than two minutes into the game when Nick Talley threw a 62-yard touchdown pass to Mason Piening. Later, Micah Hauser took the ball into the end zone from the two-yard line. All that and two extra-point kicks by Sean Sullivan added up to 14-0 lead for the 'Rocks after one rocks scoring in the third quarter with a quarter.

"I was very happy with our response after getting blown out last week," said Shamrocks coach Jake Gilbert. "Our defense stepped up and held a very good Harrison offense in check. I was really worried about our ability to stop their fullback."

It was Maximus Webster's turn to take care of business in the second quarter, as he threw two touchdown passes. His first

throw came with 7:22 left: It was another long one, 43 yards to Piening, who scored his second TD of the night. Towards the end of the half, Webster sent a 34-yard pass to Jackson Wasserstrom into the end zone. Westfield led 27-3 at halftime.

'Offensively we were very efficient," said Gilbert. "Mason Piening was explosive and scored twice. Both of our QBs combined to have a great day overall. Jack Pfieffer ran for over 100 yards. Our offensive line was excellent."

Jack Pfeiffer completed the Shamone-yard touchdown run. Sullivan made all four of his extra-point attempts.

Pfeiffer totaled 105 yards rushing, while Talley made 14 of 19 pass attempts for 181 yards. Webster was 4-of-5, totaling 96 yards. Piening made five receptions and finished the game with 136 yards.

On defense, Hauser finished the game with nine total tackles, while Seth Martin had eight.

Westfield is now 1-1 for the season. The Shamrocks host Zionsville next Friday to open Hoosier Crossroads Conference play.

Guerin Catholic girls golf wins Circle City championship

The Guerin Catholic girls golf team won the Circle City Conference championship on Friday.

The Golden Eagles scored a 359 to win the title. Other scores were Heritage Christian 368, Bishop Chatard 400, Brebeuf Jesuit 401, Roncalli 434 and Covenant Christian 465.

The Golden Eagles' Christina Pfefferkorn was the individual medalist, carding a 77. Audrey Kunce placed sixth with a 92. Isabelle Pinion scored 93, followed by Jenny Zerla with 97 and Anna Jacoby with 120.

Four touchdowns, 301 yards for Hovey... 'Hawks roll past Benton Central

A dominant performance from Cameron Hovey and the Sheridan running crew helped the Class 1A No. 9 Blackhawks to roll past Benton Central 48-6 Friday at Bud Wright Stadium.

It was a significant victory for a few reasons. First, it came over a team that Sheridan didn't know it was playing until last Sunday. The Bison replaced Clinton Central, which suspended athletics this past weekend.

But the Blackhawks still won, and improved their record to 2-0. It's the first time Sheridan has won its first two games of the regular season since 2008.

"It's been awhile since we've been 2-0, so it feels pretty good," said 'Hawks coach Bud Wright.

Sheridan was in control from the start, as quarterback Silas DeVaney rushed 57 yards for a touchdown in the very first play of the game. That was the start of a 28-point first quarter for the Blackhawks.

Cameron Hovey added two touchdowns, including an 86-yard streak into the end zone that was the last play of the period. DeVaney also threw a 27-yard pass to Keenan Warren for a score.

Hovey made another big touchdown run, 52 yards, in the second quarter. That put Sheridan up 34-0 at halftime. In the third quarter, Hovey took another long run into the end zone for a touchdown, then Peyton Cross added a 12-yard score. Hovey also made all five of his extra-point kick attempts, with Connor Harwood making another one.

"I thought we played pretty good," said Wright, who was able to give many of his Blackhawks playing time.

Sheridan's Keenan Warren (16) caught a 27-yard touchdown reception from Silas DeVaney (15) during the Blackhawks' 48-6 win over Benton Central Friday at Bud Wright Stadium.

said Wright.

Hovey finished the game with 301 "Everybody that was eligible played," yards on 13 carries. DeVaney totaled 93

yards passing, with Cayden Hunter mak- a row next Friday, taking on Tri-Central ing two catches for 66 yards. Sheridan plays its third home game in play.

to begin Hoosier Heartland Conference

Huskies fall at North Montgomery

Hamilton Heights, back on the road for the second time this season, fell to North Montgomery 31-7 Friday.

The Chargers scored first, with a two-yard run in the first quarter to lead 6-0. The Huskies then made a huge play early in the second period, as Guy Griffey and Gavin Bramel teamed up for a 91-yard passing touchdown. Michael Lecher made the extra-point kick, and Heights led 7-6.

But North Montgomery took control after that, scoring two touchdowns and following both of them up with two-point conversion runs. The second score took place at the end of the half, and it put the Chargers up 22-7.

North held on to the lead from there, getting a safety in the third period and a short touchdown run in the fourth.

Despite the loss, Huskies coach Jon Kirschner was pleased with his team's defensive effort, saying Heights' defense "played a really strong game."

"I don't think the score was indicative of how well the defense played," said Kirschner. He pointed out that Kirschner. "They capitalized on some very, very crucial Heights forced three turnovers, held the Chargers to several three-and-outs and also got "a lot of sacks" on those turnovers, either." the North quarterback.

"We just could not get going on offense tonight," said Kirschner.

Griffey finished the game with 115 passing yards, with Cooper Vondersaar and Brammel both making three catches. North Montgomery's defense held the Huskies to only one yard rushing. Troy Ehman had 30 vards rushing.

"I thought our boys played really, really hard," said mistakes on our part. We were not able to capitalize on

Heights is 0-2 and will finally get to play a home game next week. The Huskies will host West Lafayette next Friday, with kickoff at 7:30 p.m.

Irish's offensive show stuns 'Hounds

By RICHIE HALL

CARMEL - Carmel Stadium was the site of one of the more highly anticipated Week 2 football games Friday night, as the Class 6A No. 2 Greyhounds played host to 5A No. 2 Cathedral.

It was the first time the two powerhouses had played each other in 10 years. The Irish put on a show, rushing for nearly 600 yards of offense in the midst of stunning Carmel 44-28.

The two teams played even with each other in the first half, but the Irish ramped up their ground game in the third quarter. Cathedral scored on three rushing touchdowns while shutting out the 'Hounds in that period. Carmel coach John Hebert admitted that the momentum shift "was kind of demoralizing."

"We didn't play complementary football," said Hebert. "The defense gave up points right at the same time that the offense couldn't get first downs. That's how a team gets so far ahead of you like they did. It's when you play good teams like Cathedral, you find out exactly where you are."

Carmel led for the majority of the first quarter. Ethan Hall got the 'Hounds on the board with 7:19 left by making a nine-yard run into the end zone. Cathedral tried to answer with a passing touchdown from Nathan McCahill to Michael Page, but a two-point conversion attempt didn't go.

Spencer Hanna, who made the extra point after Hall's score, kicked a last-minute field goal to put Carmel up 10-6 after one. But 11 seconds into the second period, McCahill struck again, finding David Perry for a 59-yard touchdown reception. The Irish had their first lead at 13-10.

Hanna tied it up at 13-13 midway through the quarter with a 35-yard field goal. That would be all for the Greyhounds until the fourth quarter. Meanwhile, Cathedral took the lead for good with 30 seconds left in the half on another McCahill pass, this one to Jake Langdon from five yards out. The Irish thus held a 20-13 halftime lead.

In the third quarter, Langdon and Seth Mencer both made long touchdown runs – Mencer's dash totaled 56 yards – to keep Cathedral's momentum going, then McCahill punched the ball in from the one-yard line. The Irish led 41-13 at the end of three, then Ben Gomez hit a 38-yard field goal to move Cathedral ahead 44-13 early in the fourth.

Carmel went down fighting, though. Zach White made a seven-yard touchdown run midway through the fourth,

Reporter photo by Richie Hall

Carmel's Baron Smith (5, with football), gets ready for the next play after making a rush in the first quarter. Smith would score a touchdown for the Greyhounds in the fourth period of their Friday night game with Cathedral at Carmel Stadium.

then Baron Smith caught a 25-yard touchdown pass from Zach Osborne. The two teamed up immediately afterwards to make a two-point conversion pass.

"I think there's something there for us to build off of," said Hebert. "I know the character of our team and I know how much they want to be successful and that's definitely one of the key ingredients to actually getting there and having the success that we all want. It's a matter of, keep looking for the answers and keep working at it. But without that fight, it wouldn't be possible. I believe that we have the team that we want to get to where we think we can be at the end of the season."

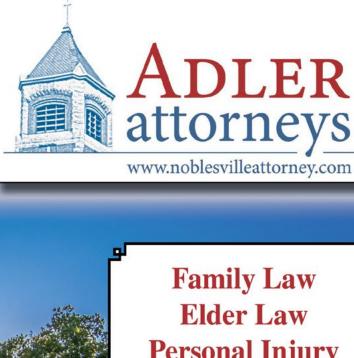

Osborne finished the game with 176 yards, making 14 of 28 pass attempts. Jaedon King had eight receptions, totaling 101 yards. Osborne was also Carmel's top rusher with 51 yards.

Panthers edge Royals in overtime

Hamilton Southeastern gave North Central, the No. 7-ranked team in Class 6A, a tough test on Friday before the Panthers came back to force overtime, then make a two-point conversion in the extra period to get past the Royals 36-35.

Southeastern got on the board first, with John McCall taking the ball in from the two-yard line. North Central responded with a touchdown later in the quarter, but the Royals began the second period with Blaine Wertz punching the ball in from the two. Alex Geroulis made both extra-point kicks, and HSE led 14-6.

The Panthers went ahead 17-14, but a huge play from Martice Taylor got Southeastern back in front. Taylor caught a pass from McCall, and took it 91 yards to the end zone. That put the Royals up 21-17, and that score would stand at halftime.

A field goal got NC within 21-20, but Jack Wafford pushed Southeastern ahead 28-20 with 35.4 seconds left in the third. Midway through the fourth, North Central blocked a Royals field goal attempt and took it in for a touchdown. The Panthers went for two, and were successful, tying the game at 28-28.

Neither team scored again in the fourth quarter, so it was on to overtime. Southeastern went first, and Wertz got his team the lead with a two-yard run. Geroulis made the extra-point kick to put the Royals up 35-28. But the Panthers scored on fourth-and-1, then once again made a two-point conversion.

"They ran a nice little play on the goal line," said HSE coach Michael Kelly.

Kelly said he was "really proud" of how his players responded and that his

team played "really well." "I thought they fought," said Kelly.

Tigers drop home opener to Pike

Fishers dropped its home opener Friday, falling to Pike 28-14.

The Red Devils controlled the first half, leading 7-0 after scoring on a seven-yard touchdown pass. Pike added two more touchdowns in the second quarter: A minute into the period, Isaiah Martin rushed 86 yards into the end zone. The Red Devils then made a 25-yard pass play to score with 18 seconds left and lead 21-0 at halftime.

Meanwhile, Fishers had multiple drives into the red zone in the first half.

"We just couldn't execute," said Tigers coach Curt Funk. The coach said he would take responsibility for that.

"That's something we're going to put an emphasis on in practice," said Funk.

Fishers got on the board late in the third quarter when Lucas Prewitt sent a

35-yard pass to Landon Morris, who took it into the end zone. Pike scored on a pass play during the first minute of the fourth period, but Prewitt answered minutes later, taking the ball in from the one. Wayne Christian made both extra-point kicks.

"They came out and responded in the second half," said Funk. "We fell short, but we played hard till the end and lost to a good Pike football team tonight."

Prewitt had an outstanding night, completing 23 of 41 pass attempts for 273 yards. Jeffrey Simmons made nine receptions for 133 yards, while Morris had seven for 95 yards. Shaun Kim led the rushing with 38 vards.

The Tigers are 0-2 and host Noblesville next Friday to begin Hoosier Crossroads Conference play.
