

# County makes overdose boxes available to local businesses

## Program launches on Overdose Awareness Day

### The REPORTER

The Hamilton County Council on Alcohol and Other Drugs (HCCOAO) and the Hamilton County Health Department (HCHD) have partnered to make Opioid Overdose Boxes available to Hamilton County businesses. Hamilton County is the first county in the state to do so.

“The public would be surprised to learn just how many overdoses happen in restaurants and hotels,” HCCOAO Executive Director Monica Greer said. “There’s very little time when someone overdoses to save them, so if we can treat them before emergency responders arrive it could literally mean the difference between life and death.”

Hamilton County Councilman Steve Schwartz, owner of Schwartz’s Bait & Tackle, was the first business owner to sign on to the program.

“I work a lot with the county coroner and have witnessed first-hand the devastation drug overdoses create,” Schwartz said. “If this project saves just one life it will be worth the effort.”

Local businesses interested in getting an opioid overdose box can email [monica.greer@hamiltoncounty.in.gov](mailto:monica.greer@hamiltoncounty.in.gov) for more information.

Each overdose box contains gloves and two doses of NARCAN, a nasal spray used to treat opioid overdoses. The HCHD is providing the boxes to businesses free of charge and will even replenish the NARCAN as it is used or expires. The program is funded by a grant from the Indiana Division of Mental Health and Addiction.

The manager of a local convenience store who recently witnessed an overdose in the public bathroom said, “Having the emergency equipment to help an individual here in the store would be an awesome thing.”

Businesses who are interested in se-

curing an Opioid Overdose Box must first complete a NARCAN class with the Hamilton County Health Department. The course teaches participants how to recognize an overdose and how to correctly administer NARCAN.

“We want to be proactive with our programs instead of reactive,” HCHD Health Education Specialist Jim Ginder said. “If someone needs services, perhaps we can reach that person before an overdose happens.”

For more information about the Opioid Overdose Boxes, businesses can contact Monica Greer at [monica.greer@hamiltoncounty.in.gov](mailto:monica.greer@hamiltoncounty.in.gov).

# Fishers Health Dept. improves COVID-19 community risk rating

By LARRY LANNAN | [LarryInFishers.com](mailto:LarryInFishers.com)

The Fishers Health Department shared two pieces of news last Friday, one on the community risk related to COVID-19 and the other on the start of younger people in the community eligible for coronavirus testing.

Director Monica Heltz said that the community health risk is now moving in a downward direction, which is a good measure. The rating is still at Level 3 – Significant, but is moving downward. Heltz says the rating may be down into Level 2 – Moderate – early next week.

The department also announced that Fishers residents as young as five are now eligible for the free COVID-19 test. Heltz recommends parents and their children view a video that will soon be available on the health department website before going to a test.

# Hamilton County Parks suspends remainder of 2020’s major events

### The REPORTER

Hamilton County Parks and Recreation has announced the cancellation of its major community events for the rest of the 2020 season due to the lingering threat posed by the COVID-19 virus.

“Park board members made the difficult decision to unanimously suspend all large park events out of a genuine concern for the health and safety of guests, volunteers, sponsors, park staff and the community,” said Chris Stice, Director of Hamilton County Parks and Recreation.

“Such popular park events as the Concerts in the Centerpiece at Coxhall Gardens, the Potter’s Bridge Fall Festival and the Little Haunt on the Prairie at Ghoul Creek Park will unfortunately not be held this year, but dedicated park staff continue to prepare for the events’ welcome return in 2021.”

Smaller-scale, nature education programming continues to be offered by the parks department with required reservations, at limited capacity and with necessary precautions in place. # \$18 million upgrade complete at Noblesville’s water treatment plant

### The REPORTER

Indiana American Water recently joined Noblesville Mayor Chris Jensen and a handful of community leaders at a ribbon cutting ceremony to mark completion of a project that adds additional capacity and water treatment capabilities to the company’s Noblesville system.

The project, which cost more than \$18 million, in-

cluded construction of a new water treatment facility, adding a second well to the existing wellfield at this location, and construction of a one-million-gallon ground storage tank. The plant design also allows the company to recycle nearly all of the water used to backwash the filters at this location. The plant is able to provide approximately three million

gallons of filtered drinking water and was constructed so it can be easily expanded as future demand requires additional capacity. The new facility is one of three treatment plants serving the Noblesville community.

Indiana American Water has invested more than \$50 million over the last decade in its water infrastructure in Hamilton County.

# Sheridan Public Library’s summer readers donate to Youth Assistance Program

The Sheridan Public Library’s (SPL) Summer Reading Program, “Imagine Your Story,” recently wrapped up with readers eager to help out the community. COVID-19 led to a different approach this summer by moving SPL to an online format for all readers pre-K through 12th grade. Readers were challenged to complete different levels of reading dependent on age group. The children earned weekly prizes and worked toward a community goal. For each book read, participants earned a donation credit to Sheridan Youth Assistance Program. “We wanted to give back to our community by helping out families during this time of uncertainty,” said Summer Reading Coordinator Lindsay Spencer. # Westfield Playhouse scores big at polo club fundraiser

Reporter photo by Stu Clampitt

Last Friday evening's fundraiser for Westfield Playhouse and Servants At Work saw a capacity crowd at Hickory Hills Polo Club, 7551 E. 100 North, Whitestown. The event was enjoyed by long-time polo fans, newcomers and families looking for a safe, fun evening out. With a 50/50 raffle, stick races and a flyover candy-drop for the kids, a wine pull, a silent auction, and of course some fierce polo competition, there was a little something for everyone. ## HSE to build new elementary school in Noblesville

**The REPORTER**

Hamilton Southeastern Schools recently submitted plans to build a new elementary school in Noblesville.

According to HSE officials, Boden Road Elementary will be built at the intersection of 156th Street and Boden Road. The two-story, 102,000 square-foot facility is expected to cost \$35 million.

The 40-acre parcel of land on which the school will be built upon could also occupy an intermediate school in the future.

The Noblesville Plan Commission has already approved a change in zoning. Final zoning approval will need to come from the Noblesville City Council.

## Indiana mask mandate to continue through Sept. 25

**WISH-TV | [wishtv.com](http://wishtv.com)**

Gov. Eric Holcomb last Wednesday said Indiana's mask mandate will last through at least Sept. 25.

The announcement came during a coronavirus briefing from Indiana officials via videoconference from the Statehouse. Additional topics addressed during the videoconference included absentee voting by mail, and two new programs for renters, landlords and homeowners facing evictions.

The governor initiated the mask mandate on July 27. It was set to expire last Wednesday.

Indiana's coronavirus positivity rate was at 7.6 percent on July 27.

That's dropped to 6.6 percent on Aug. 19. The goal is to get that rate below 5 percent, said Holcomb and Dr. Kristina Box, the state's health commissioner. However, both said there is no clear criteria for when the mask mandate, social distancing, hand washing or other measures to prevent the virus could end.

Indiana has recorded 3,041 deaths from COVID-19. Hoosiers have had more than 89,000 positive coronavirus tests since Feb. 26.

The Stage 4.5 reopening plan will remain, with no changes in capacity restrictions for restaurants, bars or entertainment venues, the governor added.

## Some HSE food service staff to be furloughed

**By LARRY LANNAN | [LarryInFishers.com](http://LarryInFishers.com)**

When Hamilton Southeastern Schools went with all-virtual classes last spring, the district said employees would remain on the payroll for as long as possible, even those not working. After Sept. 18, HSE district food service workers in grades 5-12 will be on unpaid furlough.

HSE Schools spokesperson Emily Abbotts tells *LarryInFishers* that the school corporation can no longer afford to pay these employees. Abbotts clarified that these food service workers will be working through Sept. 4.

"Many have been working, preparing meals for the virtual students," Abbotts said.

It is presumed the food service employees would be recalled when students return to their classrooms.

## HSE approves 50-50 attendance plan for PreK-4

**By LARRY LANNAN | [LarryInFishers.com](http://LarryInFishers.com)**

In a rare Friday session, the Hamilton Southeastern school board approved a plan to have a 50-50 mix of virtual and in-person students, up to fourth grade, Sept. 8 through at least Oct. 2. The vote was 6-1, with the lone no vote cast by Amanda Shera.

In a Skylert message and video posted Aug. 21, HSE Schools Superintendent Allen Bourff said parents should already have information on the details of when their children will be in-person at the school building and when there will be virtual classes.

Dr. Bourff cited guidance provided by the Fishers Health Department in making this decision. The idea is to have no more than 50 percent of students in the buildings at one time. You can view the video at [tinyurl.com/y6ft5n3v](http://tinyurl.com/y6ft5n3v).

Grades 5-12 will continue to have virtual classes, but Dr. Bourff said that policy is under review at all times.

## A slow process for redevelopment plan

The old adage about the wheels of government turning slowly is so, so true. Certainly, part of the reason is our system, which calls for multiple approvals, making sure that all the i's are dotted and the t's are crossed.

Another small step in the process of getting a big downtown Noblesville project underway was taken last Monday when county commissioners signed final approval of the sale of a city block at White River and Conner Street. Now only a parking lot for county employees, the three-acre tract is to become a major riverfront development by the Republic Development Corporation.

To replace that parking lot, the county is planning a multi-level parking garage at 8th and Clinton streets, but that project cannot start until the City of Noblesville approves Republic's plans for their development.

City spokesmen claim they have no information on plans for Republic's proposed \$50 million multi-purpose development. That seems strange, but in any event, nothing apparently moves until plans are approved which takes planning department review, etc., and probably city council approval.

Meanwhile, in last Monday's commissioner meeting, another different kind of project was proposed. Brenda Myers, County Tourism director, asked commissioners to authorize a County Bicentennial Commission to properly mark Hamilton County's upcoming 200th anniversary.

Even though the bicentennial is not until 2023, Brenda knows how long it can take to get such things underway, so she is starting early. Probably a good idea. Commissioners took her request under advisement until next month.

The Tourism Bureau and historical groups hope to produce a major celebration of the county's founding which occurred in 1823. The city of Noblesville was founded the same year.

## Shelby Materials puts down permanent roots in Westfield

**The REPORTER**

In collaboration with the City of Westfield, Shelby Materials has agreed to relocate five miles west of its current ready-mix concrete plant location to allow for continued community growth.

The former plant location on northeast corner of Spring Mill Road and State Road 32 is slated for a new multi-use development project, Spring Mill Centre, that will bring additional retail, office and industrial space. Additionally, a new Meijer store is slated for south side of State Road 32.

Shelby Materials' new Westfield-based facility is located on a 10-acre site at 18050 Mule Barn Road, just five miles west of the original site.

Shelby Materials will use the relocation as an opportunity to upgrade its Westfield plant to better serve customers north of Indianapolis, including Carmel, Noblesville, Zionsville, Westfield, Sheridan, Whitestown and Lebanon, as well as customers in the outlying areas of Tipton and Boone counties, with increased production capacity and an integrated batching system.

"It's a win-win for the community and our team," said Shelby Materials President Matt Haehl. "We knew in 2009 when we purchased the original site at Spring Mill Road and SR 32 that it was only a temporary location for us. Now, we're putting down permanent roots in Westfield. We look forward to growing our community involvement and continuing to serve the residential and commercial concrete needs of Hamilton, Tipton and Boone counties."

The state-of-the-art plant includes a dual batch operation with a horizontal central mix and dry batch capabilities and a highly-controlled unique reclaim process.

The new plant also features an energy saving 7.2 million-BTU instant water heater for heating aggregates. The instant 180-degree water coupled with heated sand makes Shelby Materials the go-to choice for winter concrete for many Central Indiana contractors.

**About Shelby Materials**

Shelby Materials supplies ready mix concrete and aggregate materials throughout Central Indiana. Concrete project work ranges from large to small and includes hospitals, large industrial buildings, warehouses, infrastructure and residential construction. Additionally, golf and athletic specialty blends are supplied, including materials for several prestigious courses throughout the state.

## Conner Prairie to hold pop-up drive-ins

**The REPORTER**

Heartland Film has announced the addition of a Conner Prairie Pop-Up Drive-In Theatre to its list of drive-in events scheduled for the 2020 Heartland International Film Festival Oct. 8-18.

"Indy's favorite fall traditions are finally uniting!" said Heartland Film President Craig Prater. "I can't think of a more fitting location to safely experience independent film's best in the 'heartland' than being surrounded by the changing leaves at the historic Conner Prairie."

The pop-up drive-in theatre will host two films a night in Conner Prairie's main parking lot on Oct. 12, 13 and 14. Each evening will showcase a different theme.

As with the Indy Shorts International Film Festival this summer, viewers were able to participate in the festival virtually and at Tibbs Drive-In Theatre, but the Conner Prairie Pop-Up will make the festival more easily accessible to audiences on the north side of Indy.

"Conner Prairie understands the challenges our community has faced over the last few months and we are thrilled to be able to partner with Heartland Film for this unique experience!" Conner Prairie CEO Norman Burns said. "We look forward to being able to offer our guests an opportunity to gather together safely, outside of their homes while enjoying some of the best feature films selected for Heartland Film Festival this year."

The full film line-up will be released on Thursday, Sept. 17, but Fest Passes and Conner Prairie ticket packs can be pre-purchased at [HeartlandFilmFestival.org](http://HeartlandFilmFestival.org).

and our growing family of corporate headquarters who have told me over and over that they want more options when bringing in clients, employees and potential customers,” said Mayor Brainard, who engineered a plan where the City would develop the hotel along with a private partner in ownership, Pedcor Companies. “For years we tried to share our vision and attract a hotel developer to invest in City Center, but they were all focused on the need to be where a high volume of traffic was flowing. We have many wonderful hotels along the Meridian Corridor and they are often booked solid with business travelers, sports teams and leisure travelers who wish to spend time in Carmel, Hamilton County and all of the Indianapolis area. But we were looking for something different, something unique for our central walkable core.”

Hotel Carmichael, which gets its name as a reflection of both Carmel and Michael Feinstein, artistic director of The Center for The Performing Arts, is an Autograph Collection hotel unique for its design, its high quality service and for the unique experience visitors will have in the heart of the community.

“This beautifully designed hotel is the perfect setting for the latest Feinstein’s nightclub,” said Michael Feinstein, founder of the Great American Songbook Foundation. “We look forward to providing an exciting and inspiring line up of live entertainment in this club.”

“We are happy to be partners with Pedcor in this venture and with Marriott, whose prestigious Autograph Collection brand will help us attract visitors from across the globe,” said Carmel Redevelopment Director Henry Mestetsky, who has overseen construction of the project. “Hotel Carmichael will be another one of our architecturally significant structures in Carmel, one with a focus on excellent design and architecture that will last hundreds of years.”

## Brenda Faye Gibbs February 23, 1949 – August 21, 2020

Brenda Faye Gibbs, 70, Sheridan, passed away on Friday evening, August 21, 2020 at Riverview Health in Noblesville. Born February 23, 1949 in Indianapolis, she was the daughter of the late Isaac and Ella May (Wallace) Jones. From the age of nine, Brenda was raised by her older sister and brother-in-law Hildie and Quitman Brown. She attended grade school at Fortville and graduated from Pendleton Heights High School with the Class of 1967.

If one thing could sum up Brenda's life, it would be family. She was a dedicated farm wife, mother, grandmother and great-grandmother.

As the kids were growing up, she was always incredibly supportive of their sports activities and was active in their 4-H endeavors, spending several years as a Boone County Project Leader in Leather. Brenda was also a professional cake decorator, putting her talent for baking on full display; she entered her own projects for judging at the Indiana State Fair many times. Brenda was an all-around wonderful cook. She also enjoyed collecting pigs.

No matter what was going on in her life, it always took a back seat to her family. Whether it was loading the kids up in the Suburban and hauling them to this and that, helping out on the farm, or just being Grandma, she was right where she wanted to be – in the middle of all the chaos, surrounded by the people she loved the most.

Brenda is survived by her husband of 47 years, Don "Donnie" Michael Gibbs. She and Donnie were married on June 14, 1973. Also surviving are her children, Sonya Willem (Dave) and Jason Gibbs (Mandy), both of Sheridan; grandchildren, Amber Gibbs-Willem, Sheridan, "CJ" Willem, Sheridan, Adriana Shyanne Proctor (Jake) stationed at Scott Air Force Base in Illinois, Haiden Gibbs, Lebanon, and Nicholas Clark, New Ross; step-grandchildren, Noah Korth and Cecilia Korth, both of Lebanon; great-grandchildren, Tristan Gibbs-Willem, Sheridan, and Ella Proctor, Scott A.F.B., Ill.; her brother, Steve Brown, Alexandria; sister-in-law, Sarita Koopman (Ralph), Sheridan; and many nieces and nephews.

She was preceded in death by her parents; brothers, Charles Jones and Freddie Jones; and sisters, Nellie Davis, Hildie Brown and Telesa Ferrand.

Graveside services were held on Saturday, August 29, 2020 at Spicewood Cemetery in Sheridan.

Arrangements have been entrusted to Kercheval Funeral Home in Sheridan. Condolences: [kerchevalfuneralhome.com](http://kerchevalfuneralhome.com)

Friday night football - Week 2

# Millers run past Terre Haute South

After a long bus ride to Terre Haute South last Friday night, the Noblesville football team was ready to run.

And run the Millers did. Noblesville cranked up its ground game and overwhelmed the Braves 50-0. The Millers got a pair of touchdowns in the first quarter, then poured in 30 points in the second period.

Noblesville coach Dave Sharpe had plenty of good things to say about his team after the game.

“Our offensive line played really well,” said Sharpe. He noted that the Millers “cleaned up a lot of the glaring mistakes” that they had while dealing with Mount Vernon’s defense last week.

“They were so determined to get better,” Sharpe said of his offensive line.

As a result, the Millers racked up 401 yards rushing. Noblesville did not attempt a pass in the game.

Trey Speek and Holden Montarsi started things off with short runs for touch-

downs in the first quarter. Speek began the second period with a two-yard score, then Owen Jones let loose for two long scoring streaks, 58 yards and 69 yards. Speek scored again late in the second, and the Millers got a safety in between.

Noblesville led 43-0 at halftime, and hit the 50-point mark when Andrew Petrusis zoomed into the end zone from 93 yards. Grayden Addison made three extra-point kicks and a two-point conversion, with Nathan Logue getting the extra-point kick on Petrusis’ touchdown.

“Our guys are focused,” said Sharpe. “We have a lot of confidence and we really got shell shocked by that really good Mount Vernon team.”

Sharpe said the Millers wanted to make a statement in the first quarter and was "really happy" for his team.

“All that hard worked really paid off and everybody’s all smiles now on the way home,” said Sharpe.

# 'Rocks rebound, cruise past Raiders

Westfield rebounded from a season-opening loss by cruising past Harrison 34-10 last Friday at Riverview Health Stadium.

The Shamrocks were in control against the Raiders from the beginning. Westfield got on the board less than two minutes into the game when Nick Talley threw a 62-yard touchdown pass to Mason Piening. Later, Micah Hauser took the ball into the end zone from the two-yard line. All that and two extra-point kicks by Sean Sullivan added up to 14-0 lead for the ‘Rocks after one quarter.

“I was very happy with our response after getting blown out last week,” said Shamrocks coach Jake Gilbert. “Our defense stepped up and held a very good Harrison offense in check. I was really worried about our ability to stop their full-back.”

It was Maximus Webster’s turn to take care of business in the second quarter, as he threw two touchdown passes. His first throw came with 7:22 left: It was another long one, 43 yards to Piening, who scored his second TD of the night. Towards the end of the half, Webster sent a 34-yard pass to Jackson Wasserstrom into the end zone. Westfield led 27-3 at halftime.

“Offensively we were very efficient,” said Gilbert. “Mason Piening was explosive and scored twice. Both of our QBs combined to have a great day overall. Jack Pfeiffer ran for over 100 yards. Our offensive line was excellent.”

Jack Pfeiffer completed the Shamrocks scoring in the third quarter with a one-yard touchdown run. Sullivan made all four of his extra-point attempts.

Pfeiffer totaled 105 yards rushing, while Talley made 14 of 19 pass attempts for 181 yards. Webster was 4-of-5, totaling 96 yards. Piening made five receptions and finished the game with 136 yards.

On defense, Hauser finished the game with nine total tackles, while Seth Martin had eight.

“I thought Seth Martin, Popeye Williams, and Micah Hauser were very active

defensively,” said Gilbert. “In special teams, I was thrilled to get three touchbacks from Sean Sullivan.”

Westfield is now 1-1 for the season. The Shamrocks host Zionsville Friday to open Hoosier Crossroads Conference play.

**Sheridan's Keenan Warren (16) caught a 27-yard touchdown reception from Silas DeVaney (15) during the Blackhawks' 48-6 win over Benton Central last Friday at Bud Wright Stadium.**

# 'Hawks roll past Benton Central

A dominant performance from Cameron Hovey and the Sheridan running crew helped the Blackhawks to roll past Benton Central 48-6 last Friday at Bud Wright Stadium.

It was a significant victory for a few reasons. First, it came over a team that Sheridan didn’t know it was playing until last Sunday. The Bison replaced Clinton Central, which suspended athletics this past weekend.

But the Blackhawks still won, and improved their record to 2-0. It’s the first time Sheridan has won its first two games of the regular season since 2008.

“It’s been awhile since we’ve been 2-0, so it feels pretty good,” said ‘Hawks coach Bud Wright.

Sheridan was in control from the start, as quarterback Silas DeVaney rushed 57 yards for a touchdown in the very first play of the game. That was the start of a 28-point first quarter for

the Blackhawks.

Cameron Hovey added two touchdowns, including an 86-yard streak into the end zone that was the last play of the period. DeVaney also threw a 27-yard pass to Keenan Warren for a score.

Hovey made another big touchdown run, 52 yards, in the second quarter. That put Sheridan up 34-0 at halftime. In the third quarter, Hovey took another long run into the end zone for a touchdown, then Peyton Cross added a 12-yard score. Hovey also made all five of his extra-point kick attempts, with Connor Harwood making another one.

“I thought we played pretty good,” said Wright, who was able to give many of his Blackhawks playing time.

“Everybody that was eligible played,” said Wright.

Hovey finished the game with 301 yards on 13 carries. DeVaney totaled 93 yards passing, with Cayden Hunter making two catches

for 66 yards.

Sheridan plays its third home game in a row Friday, taking on Tri-Central to begin Hoosier Heartland Conference play.

# Huskies fall at North Montgomery

Hamilton Heights, back on the road for the second time this season, fell to North Montgomery 31-7 last Friday.

The Chargers scored first, with a two-yard run in the first quarter to lead 6-0. The Huskies then made a huge play early in the second period, as Guy Griffey and Gavin Bramel teamed up for a 91-yard passing touchdown. Michael Lecher made the extra-point kick, and Heights led 7-6.

But North Montgomery took control after that, scoring two touchdowns and following both of them up with two-point conversion runs. The second score took place at the end of the half, and it put the Chargers up 22-7. North held on to the lead from there, getting a safety in the third period and a short touchdown run in the fourth.

Despite the loss, Huskies coach Jon Kirschner was pleased with his team's defensive effort, saying Heights' defense "played a really strong game."

"I don't think the score was indicative of how well the defense played," said Kirschner. He pointed out that Heights forced three turnovers, held the Chargers to several three-and-outs and also got "a lot of sacks" on the North quarterback.

"We just could not get going on offense tonight," said Kirschner.

Griffey finished the game with 115 passing yards, with Cooper Vondersaar and Brammel both making three catches. North Montgomery's defense held the Huskies to only one yard rushing. Troy

# Irish's offensive show stuns 'Hounds

By **RICHIE HALL**

**CARMEL** - Carmel Stadium was the site of one of the more highly anticipated Week 2 football games last Friday night, as the Greyhounds played host to Cathedral.

It was the first time the two powerhouses had played each other in 10 years. The Irish put on a show, rushing for nearly 600 yards of offense in the midst of stunning Carmel 44-28.

The two teams played even with each other in the first half, but the Irish ramped up their ground game in the third quarter. Cathedral scored on three rushing touchdowns while shutting out the 'Hounds in that period. Carmel coach John Hebert admitted that the momentum shift "was kind of demoralizing."

"We didn't play complementary football," said Hebert. "The defense gave up points right at the same time that the offense couldn't get first downs. That's how a team gets so far ahead of you like they did. It's when you play good teams like Cathedral, you find out exactly where you are."

Carmel led for the majority of the first quarter. Ethan Hall got the 'Hounds on the board with 7:19 left by making a nine-yard run into the end zone. Cathedral tried to answer with a passing touchdown from Nathan McCahill to Michael Page, but a two-point conversion attempt didn't go.

Spencer Hanna, who made the extra point after Hall's score, kicked a last-minute field goal to put Carmel up 10-6 after one. But 11 seconds into the

second period, McCahill struck again, finding David Perry for a 59-yard touchdown reception. The Irish had their first lead at 13-10.

Hanna tied it up at 13-13 midway through the quarter with a 35-yard field goal. That would be all for the Greyhounds until the fourth quarter. Meanwhile, Cathedral took the lead for good with 30 seconds left in the half on another McCahill pass, this one to Jake Langdon from five yards out. The Irish thus held a 20-13 halftime lead.

In the third quarter, Langdon and Seth Mencer both made long touchdown runs - Mencer's dash totaled 56 yards - to keep Cathedral's momentum going, then McCahill punched the ball in from the one-yard line. The Irish led 41-13 at the end of three, then Ben Gomez hit a 38-yard field goal to move Cathedral ahead 44-13 early in the fourth.

Carmel went down fighting, though. Zach White made a seven-yard touchdown run midway through the fourth, then Baron Smith caught a 25-yard touchdown pass from Zach Osborne. The two teamed up immediately afterwards to make a two-point conversion pass.

"I think there's something there for us to build off of," said Hebert. "I know the character of our team and I know how much they want to be successful and that's definitely one of the key ingredients to actually getting there and having the success that we all want. It's a matter of, keep looking for the answers and keep working at it. But without that fight, it wouldn't be possible. I

# Panthers edge Royals in overtime

Hamilton Southeastern gave North Central a tough test last Friday before the Panthers came back to force overtime, then make a two-point conversion in the extra period to get past the Royals 36-35.

Southeastern got on the board first, with John McCall taking the ball in from the two-yard line. North Central responded with a touchdown later in the quarter, but the Royals began the second period with Blaine Wertz punching the ball in from the two. Alex Geroulis made both extra-point kicks, and HSE led 14-6.

The Panthers went ahead 17-14, but a huge play from Martice Taylor got Southeastern back in front. Taylor caught a pass from McCall, and took it 91 yards to the end zone. That put the Royals up 21-17, and that score would stand at halftime.

A field goal got NC within 21-20, but Jack Wafford pushed Southeastern ahead 28-20 with 35.4 seconds left in the third. Midway through the fourth, North Central blocked a Royals field goal attempt and took it in for a touchdown. The Panthers went for two, and were successful, tying the game at 28-28.

Neither team scored again in the fourth quarter, so it was on to overtime. Southeastern went first, and Wertz got his team the lead with a two-yard run. Geroulis made the extra-point kick to put the Royals up 35-28. But the Panthers scored on fourth-and-1, then once again made a two-point conversion.

Hamilton Southeastern's John McCall (18) threw for 190 yards and a touchdown during the Royals' game last Friday with North Central.

"They ran a nice little play on the goal line," said HSE coach Michael Kelly.

Kelly said he was "really proud" of how his players responded and that his team played "really well."

"I thought they fought," said Kelly.

McCall finished the game 11-of-16, totaling 190 yards. Taylor made three of those catches for 113 yards. Wertz led the rushing with 48 yards. On defense, Nate Haas made eight tackles (six solo, two assists), with Mikah Phillips and Seth Wilson both getting four solo stops; Wilson also had two assists.

The Royals are 1-1 and open Hoosier Crossroads Conference play Friday at Avon.

The county auditor and the county treasurer are entitled to receive all pleadings, motions, petitions, and other filings related to the defense to the application for judgment.		
Such sale will be held on 10/01/2020 at the Hamilton County Government & Judicial Building, One Hamilton County Square, Noblesville 46060 and that sale will continue until all tracts and real property have been offered for sale. At the discretion of local officials, the tax sale may switch to an online format. If those measures are taking place, the public auction will be conducted as an electronic sale under IC 6-1.1-24-2(b)10 at www.zeusauction.com commencing on the same date / time listed above. All location updates will be posted at www.sriservices.com prior to the tax sale.		
Property will not be sold for an amount which is less than the sum of:		
(A) the delinquent taxes and special assessments on each tract or item of real property; and		
(B) the taxes and special assessments on the real property that are due and payable in the year of the sale, whether or not they are delinquent; and		
(C) all penalties due on the delinquencies; and		
(D) an amount prescribed by the county auditor that equals the sum of:		
(1) fifty-five dollars (\$55) for postage and publication costs; and		
(2) any other costs incurred by the county that are directly attributable to the tax sale; and		
(E) any unpaid costs due under IC 6-1.1-24-2(c) from a prior tax sale.		
No property listed below shall be sold if, at any time before the sale, the Total Amount for Judgment is paid in full. If the real property is sold in the tax sale, the amount required to redeem such property will be 110% of the minimum bid for which the tract or real property was offered at the time of sale, if redeemed not more than six (6) months after the date of sale, or 115% of the minimum bid for which the tract or real property was offered at the time of sale, if redeemed more than six (6) months after the date of sale, plus the amount by which the purchase price exceeds the minimum bid on the real property plus five percent (5%) per annum interest on the amount by which the purchase price exceeds the minimum bid on the property. All taxes and special assessments upon the property paid by the purchaser subsequent to the sale, plus five percent (5%) per annum interest on those taxes and special assessments, will also be required to be paid to redeem such property.		
In addition, IC 6-1.1-25-2 (e) states the total amount required for redemption may include the following costs incurred and paid by the purchaser or the purchaser's assignee or the county before redemption: (1) The attorney's fees and cost of giving notice under IC 6-1.1-25-4.5; (2) The costs of title search or examining and update the abstract of title for the tract or item of real property. The period of redemption shall expire on Friday, October 01, 2021 for certificates sold in the tax sale. For certificates struck to the county, the period of redemption may expire Friday, January 29, 2021.		
If the tract or item of real property is sold for an amount more than the minimum bid and the property is not redeemed, the owner of record of the property who is divested of ownership at the time the tax deed is issued may have a right to the tax sale surplus.		
The Auditor and Treasurer specifically reserve the right to withhold from the sale any parcel which has been listed in error, or which otherwise becomes ineligible for sale either prior to 10/01/2020 or during the duration of the sale.		
This notice of real property tax sale, and the tax sale itself are undertaken and will be conducted pursuant to the requirements of the laws of the State of Indiana which regulate the sale of land for delinquent taxes, pursuant to I.C. 6-1.1-24-1 et seq.		
The County does not warrant the accuracy of the street address or common description of the property, and a misstatement in the key number or street address does not invalidate an otherwise valid sale.		
Minimum bid amounts are prescribed by law and are subject to change prior to the auction date.		
Pursuant to IC 6-1.1-24-3(e), property descriptions may be omitted for properties appearing on the certified list in consecutive years. A complete property list may be obtained at www.sriservices.com or in an alternative form upon request.

# Tigers drop home opener to Pike

Fishers dropped its home opener last Friday, falling to Pike 28-14.

The Red Devils controlled the first half, leading 7-0 after scoring on a seven-yard touchdown pass. Pike added two more touchdowns in the second quarter: A minute into the period, Isaiah Martin rushed 86 yards into the end zone. The Red Devils then made a 25-yard pass play to score with 18 seconds left and lead 21-0 at halftime.

Meanwhile, Fishers had multiple drives into the red zone in the first half.

“We just couldn’t execute,” said Tigers coach Curt Funk. The coach said he would take responsibility for that.

“That’s something we’re going to put an emphasis on in practice,” said Funk.

Fishers got on the board late in the third quarter when Lucas Prewitt sent a 35-yard pass to Landon Morris, who took it into the end zone. Pike scored on a pass play during the first minute of the fourth period, but Prewitt answered minutes later, taking the ball in from the one. Wayne Christian made both extra-point kicks.

“They came out and responded in the second half,” said Funk. “We fell short, but we played hard till the end and lost to a good Pike football team tonight.”

Prewitt had an outstanding night, completing 23 of 41 pass attempts for 273 yards. Jeffrey Simmons made nine receptions for 133 yards, while Morris had seven for 95 yards. Shaun Kim led the rushing with 38 yards.

The Tigers are 0-2 and host Noblesville Friday to begin Hoosier Crossroads Conference play.

PREVAIL

Advocating for Victims of Crime and Abuse

www.prevailinc.com

I was born and raised right here in Noblesville. I grew up in a home without domestic violence or assault – it wasn’t something I saw, or even heard about. But when I was introduced to Prevail of Central Indiana, I was shocked by the number of individuals who are affected by domestic violence. In 2018 alone, Prevail helped more than 4,000 clients in Hamilton County. (Nearly 80 percent of clients are women and children.) Domestic violence and abuse are hard topics to discuss, so you don’t often hear about them. But at Tom Wood Volkswagen in Noblesville, we’re breaking the taboo and raising awareness for Prevail, an organization that helps families in Hamilton County.
