

Heights Middle School begins fall trash bag sale

The REPORTER

Hamilton Heights Middle School's annual fall trash bag fundraiser will take place from Tuesday, Sept. 8 through Friday, Sept. 18. Orders will be available for pick up between 2:30 and 6 p.m. on Thursday, Sept. 24 at Hamilton Heights Middle School, 25150 State Road 19, Arcadia.

These popular, heavy-duty trash bags come in five sizes: 18-gallon (white, 60 per roll), 30-gallon (black, 40 per roll), 13-gallon (white draw string, 45 per roll), 39-gallon (yellow, 20 per roll), and 55-gallon (green, 15 per roll). The cost per roll is \$12. Orders can be placed by calling Diana Davis at (317) 984-3547 ext. 2011, or ddavis@hhschuski.org.

Precautions will be in place during pick up to ensure everyone's safety. For

HSE board votes to begin 50% in-person classes for grades 5-12

By LARRY LANNAN
LarryInFishers.com

The Hamilton Southeastern School Board voted 4-3 Thursday night to move grades 5-12 to a 50 percent hybrid method, which means students will be in the classroom 50 percent of the time over a two-week period. This goes into effect Thursday, Sept. 17.

Sylvia Shepler, Amanda Shera, Brad Boyer and Clint Wilson voted yes. Michelle Fullhart, Janet Pritchett and Julie Chambers voted no.

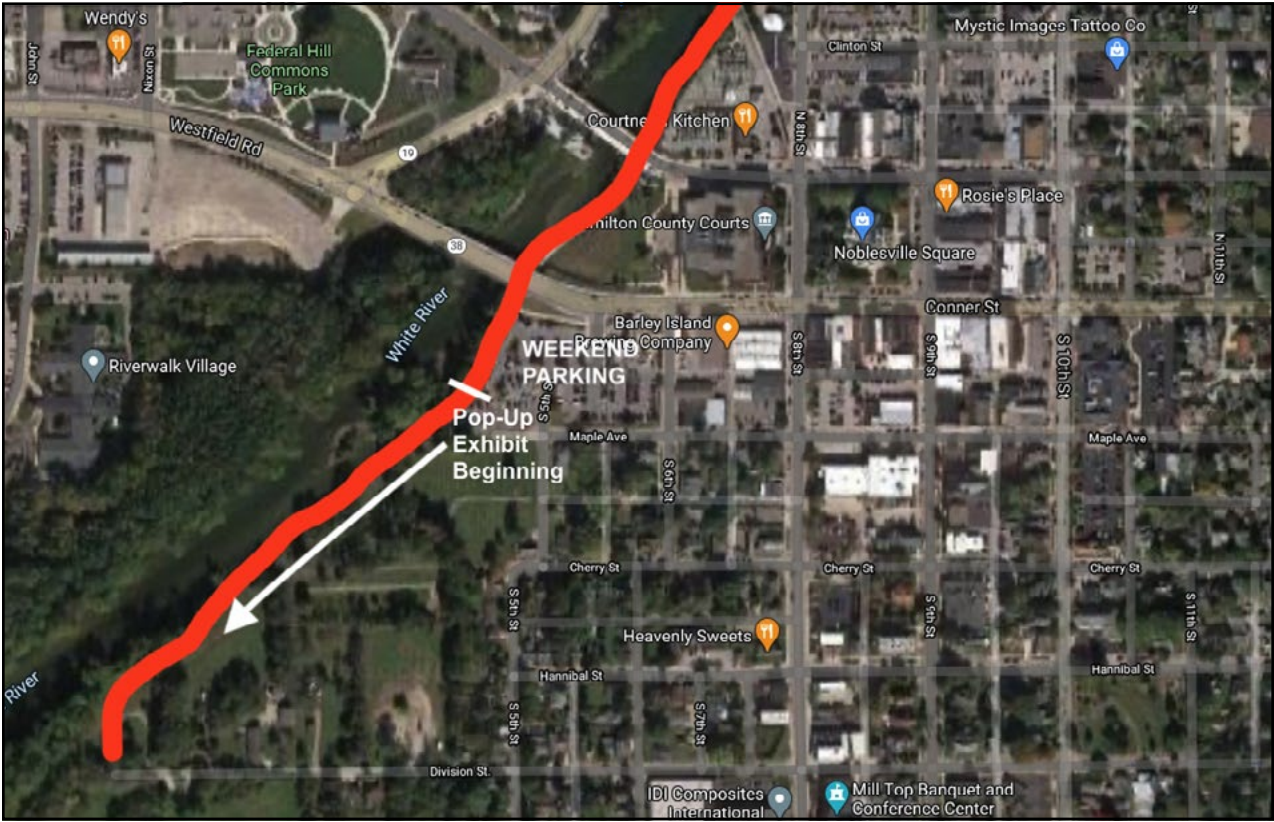

Board President Michelle Fullhart says she is in favor of moving students back into classrooms, but voted no because she wanted a Sept. 14 start date for the 50 percent hybrid sys-

tem for in-person classes. Students up to grade 4 are scheduled to begin a similar program Sept. 8.

An amendment to start school Monday, Sept. 21, was not approved by the board.

Administrators told board members there are 34 permanent substitute teachers on staff. A total of 240 of the 297 regular subs answered a survey, with 56 percent saying they want to wait before returning to the classroom. Some regular substitute teachers told the school district they would work, but no more than one to two days a week during the current pandemic.

The board was told there would be enough bus drivers to transport students, but staffing is very tight.

Pop-up exhibit comes to Noblesville

'Reflections on the Riverwalk' features poetry, prose about nature

The REPORTER

The desire to be outdoors drew many to paddle Hamilton County's portion of the White River in downtown Noblesville. It will be available for viewing dawn to dusk now through Nov. 29.

Residents and visitors can stroll the shaded walkway that begins on the east side of the river near Conner Street and head south. A trailhead is located adjacent to Riverside Cemetery where the exhibit begins.

ings by midwestern authors displayed along approximately one-half mile of the Riverwalk in downtown Noblesville. It will be available for viewing dawn to dusk now through Nov. 29.

Residents and visitors can stroll the shaded walkway that begins on the east side of the river near Conner Street and head south. A trailhead is located adjacent to Riverside Cemetery where the exhibit begins.

Sponsored by Hamilton County Tourism, with support from the City of Noblesville, Hamilton County, Indiana Humanities and the Nina Mason Pulliam Charitable Trust, the exhibit celebrates Indiana's landscape and resiliency during the COVID-19 crisis. The prose and poetry collection was curated by Indiana Humanities as part of its "Next Indiana Campfires" program and designed by

staff at Hamilton County Tourism.

"Next Indiana Campfires: A Trail Companion" – part reading, part journal – is available for purchase for \$20 at the NobleMade Gift Shop on the Historic Noblesville Square for those who wish to read more.

Parking is available in nearby city paid lots, on city side streets and in the

Federal moratorium will delay some evictions, won't waive rental debt

By JULIA DENG
WISH-TV | wishtv.com

A federal order that took effect Friday will delay eviction proceedings against some Hoosiers devastated by the coronavirus pandemic.

The eviction moratorium issued Tuesday by the Centers for Disease Control and Prevention (CDC) aims to slow the spread of COVID-19 by temporarily addressing the nation's housing crisis.

The 37-page order states "housing stability helps protect public health" and notes homelessness could worsen outbreaks of the virus.

Renters covered by the order cannot be evicted for nonpayment of rent through Dec. 31.

To qualify, renters must provide a signed declaration certifying they are unable to pay full rent due to job loss or reduced hours caused by COVID-19; they made their "best efforts" to obtain available government assistance for rent; they made their "best efforts" to make partial rent payments; they would become homeless or have to move into congregate settings if evicted; and their annual income does not exceed \$99,000.

The Indiana Rental Assistance Program closed without a formal waitlist for prospective applicants after less than two months. It's unclear if signing up for the program's "notification list" qualifies as "best efforts" to obtain government assistance.

Tenant advocates said the federal moratorium provided much-needed but only fleeting relief.

The order does not prevent renters from accruing debt. Landlords can collect back rent, penalties and interest after the moratorium expires.

"Renters, even under a moratorium, are still obligated to pay their rent," warned Jacob Sipe, executive director of the Indiana Housing and Community Development Authority.

The moratorium appears to "prohibit all phases of the eviction process" and is expected to halt pending eviction cases against Hoosier renters covered by the order, according to Brandon Beeler, director of the Housing Law Center at Indiana Legal Services.

Landlords can still proceed with eviction filings if a tenant "engages in an activity that violates the lease" other than nonpayment, Beeler said.

Noblesville plans to add new residential, office space west of White River

The REPORTER

The City of Noblesville and Cityscape Residential have agreed to partner to bring a multi-million dollar residential investment to the downtown area to the west side of the White River. The location, which is along River Road and State Road 32, contains a vacant Marsh building and parking lot, but the City has plans to make it into a market-rate multifamily living complex.

Jensen

Chris Jensen and Cityscape Residential will introduce the agreement to the Noblesville Common Council at its next regularly scheduled common council meeting on Tuesday, Sept. 15.

"Our goal with this project is to drive economic development to our western anchor of the downtown area and bring vibrancy to a currently blighted location," Jensen said. "It's a shame to have an underutilized space so close to the heart of our

downtown and we would like to turn that around by investing in quality of life and sense of place. Adding residential development to the west side of the river will attract a diverse workforce while adding density and energy to that area.”

The public-private partnership is projected to be a \$52.8 million investment. Zoning for a potential office building will also be presented to the council as part of this project. Cityscape has developed a number of award-winning community-style neighborhoods throughout Central Indiana. “We’ve had a few proposals that included plans to reuse the current building, but the city felt that those plans weren’t the right fit for our community,” Jensen said. “This proposal brings us a market-rate multifamily development that supports businesses by injecting additional energy into the momentum we are already building downtown, which is a key economic driver.”

Jensen added that the project includes luxury apartment amenities like co-working areas, a bike room with maintenance and repair, a salt water pool, pet spa, outdoor living spaces and downtown connectivity with convenient trail access to the White River Greenway, Forest Park and Morse Reservoir.

If approved by council, construction is expected to start in spring 2021 with plans for construction to be completed in 2022.

among the forested hills and limestone creeks; we knew the birdsongs, the burly clouds, the teeth-rattling thunderstorms and sudden snows, the flash of fireflies and rasp of cicadas; we knew the habits of speech, the shapes of churches and barns; we knew the smells of thawing soil in the spring and a hard frost in the hills; and those were all good reasons for moving there.

What familiar sounds of nature and shapes of the built environment around you make you feel you are at home?

Advocating for Victims of Crime and Abuse

www.prevailine.com

I was born and raised right here in Noblesville. I grew up in a home without domestic violence or assault – it wasn’t something I saw, or even heard about. But when I was introduced to Prevail of Central Indiana, I was shocked by the number of individuals who are affected by domestic violence. In 2018 alone, Prevail helped more than 4,000 clients in Hamilton County. (Nearly 80 percent of clients are women and children.) Domestic violence and abuse are hard topics to discuss, so you don’t often hear about them. But at Tom Wood Volkswagen in Noblesville, we’re breaking the taboo and raising awareness for Prevail, an organization that helps families in Hamilton County.

Roundabout construction changes access to Monon Community Center

The REPORTER

Beginning Tuesday, Sept. 8, the south entrance to the Monon Community Center (MCC), 111th Street and Lexington Drive, will be closed due to roundabout construction. Additionally, the Central Park internal roundabout at that entrance will also be closed.

A temporary road will be installed prior to the closure which will allow traffic from the College Avenue entrance the ability to access to the MCC west parking lot. Below are alternate routes for accessing the MCC.

Heading westbound to eastbound

Guests can enter the MCC parking lot via the College Avenue entrance from either 116th Street or 111th Street.

Heading eastbound to westbound

There are three ways to access the MCC's parking lots if you are traveling east to west:

East Parking Lot

1. Take 116th Street to Rangeline Road and enter the MCC east entrance parking lot. Please note the east entrance of the building is currently closed to the public and is only open for staff use due to COVID-19. You will need to park your car in the lot and then walk

Graphic provided

around the south side of the building to get to the west entrance.

West Parking Lot

2. Take 116th Street past Guilford Road and turn left on Pennsylvania Street. Take Pennsylvania Street to 111th Street and turn left. Then turn left on College Avenue to get to the

entrance. Please note you are currently unable to turn left at Guilford Road off of 116th Street due to an additional construction project.

3. Or, head south on Rangeline Road to 106th Street. Then turn left on College Avenue to get to the entrance.

The closure is scheduled

to last through the month of October, weather dependent.

Lessons from experienced investors

Those who have lived a long time have done a lot, seen a lot – and can teach us a lot. And that's certainly true when it comes to investing.

Consider some of the lessons you might learn from experienced investors:

Regulate your emotions

In the investment world, there's always something coming at us that could sound scary: Political flashpoints, economic news, and even those once-in-a-generation occurrences, such as the COVID-19 pandemic. But older people may take these events in stride; in fact, baby boomers and members of the Silent Generation (born between 1925 and 1945) are coping better emotionally with the impacts of COVID-19 than younger age cohorts, according to the 2020 Edward Jones/Age Wave Four Pillars of the New Retirement study. And by

COREY SYLVESTER
Cicero Edward Jones

keeping control of your emotions, you may be less likely to make moves such as selling quality investments with good fundamentals just because their prices have fallen in the midst of an overall market decline.

Learn from experience

By definition, the older we get, the more experiences we will have. And most people do indeed learn from experience. Investors, too, benefit from having seen and done things before. Did you chase a "hot" stock only to have found it cooled off before you bought it? Did you buy too many of the same type of investments, only to see your portfolio take a bigger hit during a downturn than it would have if you had diversified? In the investment arena, as in most walks of life, patterns emerge, and once you learn to recognize them, you can learn from past mistakes.

Know yourself

When we reach a certain age, most of us know ourselves pretty well. But you don't have to wait decades to gain this knowledge – at least not when it comes to investing. For example, you should quickly gain a good sense of your ability to withstand risk. How? Just consider how you react when the market declines sharply. If you find yourself losing sleep over your losses – even if they're just on paper – you might be taking on too much risk for your own comfort level. Conversely, if market downturns don't bother you as much as lack of growth in your portfolio, you might be investing too conservatively for your own risk tolerance.

Take a longer-term perspective

When we're young, we sometimes are more inclined to desire instant gratification – we want results now. Translated into the investment world, this could mean we want to see big returns in a short period.

However, despite the popular mythology, it's quite hard to turn enormous profits on investments overnight – or even over weeks or months. But as the years pass, we learn the value of thinking long-term – how investments we made years ago, and have added to steadily, are now yielding results that can help build the resources we need to reach our objectives.

Don't go it alone

Some of us, when we're young, have a tendency to think we have all the answers and don't need much help in our endeavors. But age gives us the wisdom to recognize that, although we may have acquired much knowledge over the years, we can still use some help in specialized areas, such as creating a long-term investment strategy.

These suggestions are appropriate for anyone – and they can help you on your journey toward your goals.

This article was written by Edward Jones for use by your local Edward Jones Financial Advisor.

American Senior Communities wins national award

The REPORTER

American Senior Communities (ASC) has earned the 2020 Customer Approved award from Lincoln, Neb.-based healthcare-intel-

ligence firm **NRC Health**. The award recognizes senior-care organizations across the country for creating an outstanding care experience for their customers.

Local communities include Allisonville Meadows, American Village, Beech Grove Meadows, Bethany Village, Brownsburg Meadows, Community Nursing & Rehabilitation, Countryside Meadows, Danville Regional Rehabilitation, Eagle Valley Meadows, Fairway Village, Forest Creek Village, Franklin Meadows, Greenwood Meadows, Harcourt Terrace Nursing & Rehabilitation, Harrison Terrace, Maple Park Village, Meadow Lakes, North Capitol Nursing & Rehabilitation,

Riverwalk Village, Rosegate, Rosewalk, Spring Mill Meadows, Washington Healthcare Center and Zionsville Meadows.

Only 20 independent living, assisted living, or skilled nursing organizations across the country earned this distinction. Winners were selected according to the results from the 2019 Resident and Family Experience Survey conducted by NRC, a third-party vendor.

CEO Donna Kelsey said, "Feedback from our customers is so important to us. It allows us to prescriptively shape our plans to ensure we are living out our mission of compassionately serving our customers with quality care and excellence."

To qualify, organizations must have a high percentage of respondents willing to recommend their locations to friends and family. This measure is known as the Net Promoter Score (NPS), and it strongly correlates with both customer satisfaction and enduring loyalty.

"These organizations have dedicated themselves to creating enriching experiences for each person they serve," said Stephanie Kolbo, NRC Health's Vice President of Business Development. "As the survey results show, their efforts have not gone unnoticed by residents and their family members. It's NRC Health's pleasure to recognize their achievement."

Friday night football - Week 3

Big plays send Tigers past Millers

By RICHIE HALL

FISHERS - Fishers made some big plays on Friday night, and that led to a big win.

The Tigers beat county rival Noblesville 21-0 at Reynolds Tiger Stadium in the Hoosier Crossroads Conference opener for both teams. It was the first win of the season for Fishers, which makes it the first victory for Curt Funk as the Tigers' coach.

For the most part, the two teams were matched up well against each other, and both played solid football. The difference was two big plays that the Tigers made in the second and third quarter, and then Fishers let its defense do the rest.

"I thought our defense did an outstanding job tonight," said Funk. The coach credited Fishers' defensive coaches with having "a great game plan, and our kids executed and they believed in it, and we were able to come out victorious tonight."

Neither team scored in the first quarter. The Tigers scored 49 seconds into the second period when Grady Stanley forced a fumble, sending the ball bouncing towards the end zone. Fishers' Caleb VanDer Kamp got the ball as it rolled into the end zone, and the Tigers had their first touchdown of the game.

"That's something we talked about all week is how we haven't had a takeaway all year, we haven't had one takeaway," said Funk. "So we tried to amp that up in practice this week, really preaching and emphasize takeaways, and our defense responded tonight with a takeaway."

That would be the only score of the second half, as both teams' defenses stiffened, resulting in four consecutive punts. Noblesville made a promising drive at the end of the half, but came away empty after getting down to the Tigers' seven-yard line.

Fishers scored early in the third quarter on another big play. Lucas Prewitt hit Landon Morris with a pass, and Morris took it in 83 yards for the touchdown. It was part of a big night for Morris, who made six catches for 171 yards.

The Tigers got their third touchdown midway through the fourth period, when Carson Dunn punched the ball in from the one-yard line. Dunn also had a productive night, leading the rush with 113 yards in 14 carries. Prewitt made 14 of

Fishers' Landon Morris (left) had seven catches, including an 83-yard reception for a touchdown, during the Tigers' 21-0 win over Noblesville Friday at Reynolds Tigers Stadium. Pictured for the Millers is Aidan Walker.

24 passes, totaling 243 yards.

"I think we have good balance with our pass-to-run ratio," said Funk. "Again, we moved the ball and our receivers did a good job of catching. Lucas did a nice job of putting the ball on them."

On defense, Billy Reiter totaled 12 tackles, with Curtis Kearschner making eight. Shane Cole and Seth Dunnuck each had seven tackles. Stanley and David Dillely both made one sack.

Trey Speek led the way for Noblesville on offense with 85 yards of rushing on 17 carries. Quarterback Conner Meinertding completed 3 of 5 pass attempts for 52 yards. That included two catches for Chance Yeager and a 32-yard reception for Dylan Ray.

Mason Bohland had 9.5 tackles for the Millers and one sack. Blaine McNabb also had a good defensive game with 7.5 tackles.

"I thought it was a pretty evenly matched game, but the big plays, the sack fumble early and us getting into the 10 and not being able to convert later in the half, and of course the 80-yard pass," said Noblesville coach Dave Sharpe.

"We worked so hard to get into positions to get inside the 10 and we don't convert," said Sharpe. "We work so hard to get them in positions where they're 3rd and 8 and we let them off the hook. We're close, we told the kids we're very close. Didn't quite click tonight and then they had the huge plays. We didn't have any huge plays."

Fishers is 1-2 and will travel to Hamilton Southeastern next Friday for the Mudsock game. The Millers are also 1-2 and host Westfield next Friday.

'Rocks cruise past Zionsville, 49-16

Westfield put together yet another dominating performance on Friday, as the Shamrocks opened Hoosier Crossroads Conference play with a 49-16 victory over Zionsville at Riverview Health Stadium.

It was all Westfield from the get-go, as Micah Hauser took the ball into the end zone from the one-yard line just 51 seconds into the game. Midway through the first quarter, Hauser then caught a 24-yard pass from Maximus Webster.

Shamrocks coach Jake Gilbert said that Hauser was "terrific" in the game.

"He ran very hard and played solid on defense," said Gilbert. "Mason Piening has another big night." The coach also said the Westfield offensive line did an "awesome job."

Meanwhile, Webster was responsible for two more 'Rocks touchdowns. He teamed with Mason Piening for a 61-yard pass play score late in the first quarter, then ran the ball in from the three with 7:46 left in the second period. Twelve seconds later, Kyle Pape intercepted a Zi-

onsville pass and took it 32 yards in to score.

“Defensively we were great in the first half, especially considering how good they are,” said Gilbert. “Kyle Pape had two interceptions. Carson Voorhis was very active.”

Nick Talley, Westfield’s other quarterback, teamed up with Nic DePasquale to score two touchdowns in the middle quarters. The first one came midway through the second quarter on a three-yard pass play, and the second score was a nine-yard pass late in the third period.

Webster was perfect throwing the football, completing all four attempts for 100 yards. Talley also had an efficient night, going 5-for-7 and totaling 70 yards.

“Both QBs threw the ball with great accuracy,” said Gilbert.

Piening totaled five receptions for 122 yards. Hauser led the rushing with 128 yards, while Webster gained 104 yards on the ground. Sean Sullivan made all seven extra-point kicks.

Voorhis made eight tackles for the Shamrocks, with Pape totaling six stops. Pop-eye Williams made a sack and a tackle for a loss, while Bryson Hoover had a forced fumble.

Westfield is 2-1 and will play its first road game next Friday at Noblesville.

Southeastern fights past Avon, 39-28

Hamilton Southeastern fought to the finish for a 39-28 victory at Avon Friday in the Hoosier Crossroads Conference opener for both teams.

The Royals were in the driver’s seat during the first half, at one point leading 25-0. The Orioles, as expected, made a furious comeback to take the lead in the fourth quarter. But Southeastern held firm, scoring two touchdowns to get the lead back, then its defense sealed the game by making an interception.

“They came back in the third quarter,” said HSE coach Michael Kelly. “We were able to battle back and regain the lead.”

Southeastern led 5-0 after the first quarter. Alex Geroulis got the Royals on

the board with a 23-yard field goal, then Southeastern’s defense made a safety.

That was the prelude to a big second period for the Royals. John McCall punched the ball into the end zone from the one-yard line, then connected with Martice Taylor on an eight-yard pass play touchdown. Jace Alexander ran the ball in to score from the eight-yard line. Avon scored late in the second quarter, but still, HSE led 25-7 at the break.

The Orioles came blasting back in the third quarter, cutting the Royals’ lead to 25-20. Avon then took the lead, scoring a touchdown and making a two-point conversion to jump ahead 28-25 with 7:34 left.

It took Southeastern a few minutes to get the lead back, but it did. Blaine Wertz scored on an 18-yard run, and Geroulis’ kick put the Royals up 32-28. Southeastern made a defensive stop to get the ball back, and that resulted in a six-yard TD run by McCall. Avon had one more try, but Gio Ragland intercepted the ball to end the game.

Kelly said he was “very proud” of the way his team fought, noting that some teams fold when that happens. But the Royals never gave up.

“We’re going to come back and fight, and fight we did,” said Kelly.

Wertz finished the game with 126 yards rushing, while McCall completed 9 of 15 pass attempts for 75 yards. Taylor had five receptions.

On defense, Nate Haas had eight tackles, with Jackson Constantine making six. Evan Sherrill helped out with two sacks. Kelly also said Evan Charles “had a heck of a game.”

“I think our defense is just playing unreal defense right now,” said Kelly.

The Royals are 2-1 and will host Fishers next Friday in the Mudsock game.

Carmel shut out for the first time in 183 games...

Trojans dominate Greyhounds, 42-0

A long streak by the Carmel football team ended Friday when the Greyhounds traveled to Center Grove for their first Metropolitan Conference game of the season.

The Class 6A No. 1-ranked Trojans beat 6A No. 6 Carmel by the score of 42-0. The ‘Hounds were not allowed any points for the first time in 183 games. The last time Carmel was shut out was on Sept. 29, 2006, when Warren Central beat the Greyhounds 28-0.

Center Grove scored one touchdown each in the first three quarters. The Trojans got on the board with a short pass

with 5:13 left in the first, then made one-yard runs into the end zone in the second and third periods. In the fourth quarter, Center Grove got two short-run touchdowns from Carson Steele, then added the sixth touchdown with 1:02 left in the game on a 30-yard run.

Carmel was held to just six first downs in the game. The Trojans totaled 404 yards of offense to the Greyhounds’ 138 yards. The ‘Hounds had 66 yards rushing, with Zach White totaling 54 yards on the ground.

Zach Osborne completed 8 of 17 passes for 66 yards. Colton Parker made
