29th Cicero Parks car show was a labor of love

Reporter photo by Stu Clampitt

The rain held off for all the car fans who visited Cicero on Monday. The 29th annual Red Bridge Park Car Show, always held on Labor Day, is an event that former Parks Director Charlie Cambre could not miss. Of the many awards handed out, one was Charlie's Choice, which Cambre (right) presented to Roger Haynes for this 1969 Pontiac GTO. Good taste, Charlie! New historical museum approved by Clay Township

By FRED SWIFT | ReadTheReporter.com

A new museum, archives and an office building for the Carmel Clay Historical Society will be underway in January along the Monon Trail. The Clay Township Board voted Tuesday to fund construction of the building immediately south of the historical society's 137-year-old Monon Depot, home to the organization since 1976.

Matthew Snyder, member of the Township Board, said the new structure will be located on the site of an outdated frame cottage owned by the historical society and used for archive storage in recent years. The new building, costing about \$4 million, will provide space for exhibits, offices, community events, archive storage and a cafe.

The project is the latest addition to the township's Community Impact program which includes upgrades and additions for the fire department, parks department and Carmel Dads Club.

Fire department officials reported there were no injuries in the fire, and two pets were rescued by fire department personnel. A total of eight units were damaged by water and/or fire before the blaze was put under control. There is no word yet on what may have caused the fire.

Fishers earns AAA bond rating

The REPORTER

The City of Fishers announced on Tuesday the S&P Global Ratings report qualifying Fishers' credit rating as AAA, the highest possible rating for a municipality.

The AAA rating not only signals to creditors that Fishers' fiscally conservative practices and policies are among the best in the country, but allows the city to benefit from lower interest and insurance rates.

"This rating affirms the direction of our city, intentionally growing at a rate that ensures long term fiscal sustainability," Mayor Scott Fadness said. "By achieving this year over year, we are able to pass along that savings to the taxpayer and better leverage those dollars to provide the quality of life we pride ourselves for in Fishers."

Fadness

According to S&P Global Ratings' official report, "The city's economic vitality, sound, and forward-thinking fiscal practices, and very strong reserves should enable Fishers to retain a strong credit profile in the next two years despite the high financial leverage and accelerating costs. We believe that rising revenues will allow the city to invest in infrastructure and new services for its growing population without compromising the budget over the short-to-medium term."

Carmel officials seek public's input on city's growth plan

The REPORTER

The City of Carmel's Department of Community Services is launching a new update of the comprehensive plan for the City's growth that will guide city planners and decision makers for the next decade or longer.

The last update took place about 11 years ago, but with recent growth in the central corridor and changes seen in business and residential patterns, the time has come for another update.

The City has engaged the team of **Greenstreet** and **YARD & Company** to assist planning staff and leadership in updating the comprehensive plan around growth management, land use, transportation and environment.

The public is also asked to participate. A new survey will be posted online in order to get feedback from local residents about thoughts and ideas they may have about future growth. You can also take the survey at [this link](#).

"In order for a comprehensive plan to be relevant to a community it must remain current," said Adrienne Keeling, AICP, who is managing the update process. "The last major update to Carmel's comprehensive plan was adopted in 2009. Although there have been several minor amendments to the plan over the last decade, much in our community has changed. One of the best ways our city can focus on the future is to regularly evaluate and communicate its vision and goals for the future."

The update process kicked off earlier this month and will continue through the end of the year.

I was born and raised right here in Noblesville. I grew up in a home without domestic violence or assault – it wasn’t something I saw, or even heard about. But when I was introduced to Prevail of Central Indiana, I was shocked by the number of individuals who are affected by domestic violence. In 2018 alone, Prevail helped more than 4,000 clients in Hamilton County. (Nearly 80 percent of clients are women and children.) Domestic violence and abuse are hard topics to discuss, so you don’t often hear about them. But at Tom Wood Volkswagen in Noblesville, we’re breaking the taboo and raising awareness for Prevail, an organization that helps families in Hamilton County.

Carmel firefighters distributing masks, hand sanitizer today at Lowe's

The REPORTER

The Carmel Fire Department has scheduled another COVID-19 information booth to hand out information on virus prevention and safety and answer questions from the public. Firefighters will offer free bottles of hand sanitizer and disposable face masks while supplies last. The type of masks being distributed are similar to what you would find in a doctor's office waiting room.

CFD will be at Lowe's, 14598 Lowes Way, from 11 a.m. to 3 p.m. today. The booth will be set up east of

the main entrance.

During the event, representatives from CFD will wear masks and keep to physical distancing guidelines to avoid possible spread of the virus. The event is open to the public and visitors should also wear masks and maintain proper distance from others as they approach the booth.

The goal of this booth is to provide the community with COVID-19 information, including handouts showing the City of Carmel and Carmel Fire Department "Best Practices" for dealing with the virus.

AG Hill urges FCC to combat suppression of political speech on digital platforms

The REPORTER

Indiana Attorney General Curtis Hill is urging the Federal Communications Commission to help prevent the suppression of political speech on digital platforms such as Facebook, Twitter and YouTube.

In a letter to the FCC, Hill – along with the attorneys general of Texas, Louisiana and Missouri – asks the agency to clarify existing rules to safeguard Americans' freedoms of expressions.

The attorneys general take aim at immunity provisions that seek to enable communications companies to maintain justifiable restrictions on speech. These provisions, the letter states, should assure that "platforms may continue to preserve public spaces free of objectively obscene, harassing, and harmful material without unduly expanding immunity to conduct that tramples core First Amend-

ment speech."

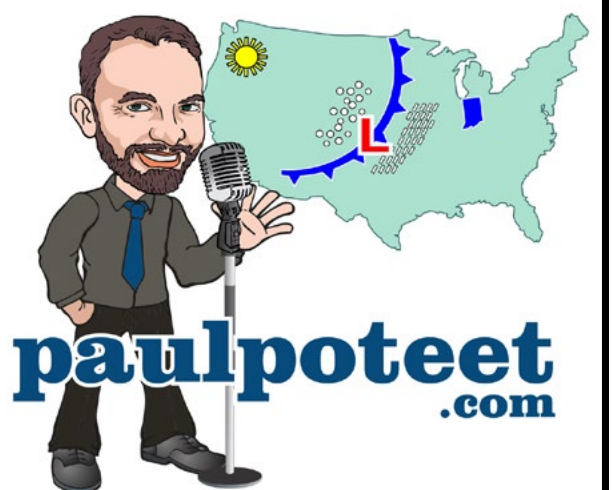

Too often, the letter states, social media companies have too aggressively regulated speech.

"Unfortunately, examples are legion of online platforms downplaying, editing, or even suppressing political speech that bears no relationship to the traditionally regulated categories of speech," the letter states. "For instance, Twitter recently 'fact checked' a tweet by President Trump warning about the risk of election fraud posed by mail-in ballots. Twitter claimed the tweet was supported by 'no evidence' despite the fact that many experts – including signatories to this letter – can validate that claim. YouTube and Facebook, in turn, have removed content – including materials posted by licensed physicians, that, in their view, constitutes 'misinformation' about COVID-19."

HSE boys come back to win Mudsock game

Mudsock contests are never short on drama, and Tuesday’s boys soccer game between Fishers and Hamilton Southeastern at Reynolds Tigers Stadium was true to form.

The Class 3A No. 5 Royals came back from a halftime deficit to win the game 2-1. Southeastern scored the winning goal with around four and a half minutes to go. Harsahil Gandham sent a cross to Jack Hyatt, who put the ball in the back of the net.

“I thought it was good when I was taking the shot, then knew it was good seeing it get by his arm,” said Hyatt.

Fishers, ranked No. 13 in 3A, went up 1-0 in the first half, with Moneeb Sayed scoring the goal. The Royals tied it up halfway through the second half when Chase Count delivered a cross to Isa Sayeed, who volleyed the ball into the net.

“It was a great game,” said HSE coach Chris White. “I thought we came out and did some things early, controlled the play, but never really got dangerous. And then they did a real nice job adjusting after about 10, 15 minutes and I thought they controlled the rest of the first half, got a good goal.”

After making adjustments, the Royals came out in the second half and got what they needed.

“Games like this, part of it’s momentum and part of it’s just creating an opportunity,” said White. “So, we got a great service and a great finish to make it 1-1.”

White said he felt that goal shifted the momentum, and his team kept attacking and finally got the second goal.

Southeastern improved to 4-0 in the Hoosier Crossroads Conference after this win, and 8-0-1 overall.

Fishers coach Phil Schmidt said his team “played their hearts out” in the game. The Tigers are 4-4-1 overall and 1-4 in HCC play.

another all-county and HCC boys soccer battle Tuesday at the Shamrocks’ field, with the 3A No. 2 Millers winning 6-3.

Westfield, ranked No. 19 in 3A, was playing on its Senior Night, and got the first goal of the game, courtesy of Ellis Douthit. Noblesville scored the next two: Spencer Holland got the equalizer off an assist by Garrett Poynter, then minutes later, Holland sent the ball to Drew Barnes, who got the go-ahead goal.

Ben Wallace made a penalty kick for the ‘Rocks to tie the game at 2-2. Minutes later, Holland sent a pass to Palmer Ault for a goal. Then just before halftime, Cole Bramblett scored off a redirected shot by Barnes to make the halftime score 4-2.

All of the game’s second-half goals were scored in the last 10 minutes. Ault got Noblesville’s fifth goal, then Douthit scored off a free kick. The Millers’ Kyle Goad scored off a header with under two minutes to go, with Poynter making the assist.

Noblesville is now 3-0 in the conference and 6-0 overall. Westfield is 1-2 in both HCC play and overall.

On Saturday, the Shamrocks dropped a conference game to Franklin Central 3-2. Bryce Dolenc and David Green scored one goal each, with Declan Wheeler and Drew Scanlon both making assists.

The Guerin Catholic boys soccer team, ranked No. 4 in 2A, cruised past Roncalli 6-2 in a Circle City Conference game that took place Tuesday on the Golden Eagles’ Senior Night.

Guerin Catholic led 3-1 at halftime. Evan Miller, Tommy Hartman and Keegan Perhaes all scored one goal each. The Golden Eagles added three more goals in the second half, with Matthew Wright, Ethan Cabotage and Ethan Thornburg all finding the back of the net.

With the win, Guerin Catholic is 2-0 in the conference and 4-0 overall.

Guerin Catholic’s girls soccer team, ranked No. 9 in 3A, also picked up a Circle City Conference win on Tuesday, beating 2A No. 2 Bishop Chatard 4-0 in its first conference game of the season.

The Golden Eagles got their first goal just before halftime. Quincy McMahon scored on a header, with Hailey Abel making the assist. Second half goals were scored by Emersen Jennings, Katie Koger (with McMahon assisting) and Ava Schlichte.

Guerin Catholic is 2-1 overall.

Carmel’s boys soccer team, ranked No. 7 in 3A, took care of Lawrence North Tuesday in a Metropolitan Conference game.

Senior Medard Mikobi scored all four goals for the visiting Greyhounds. Senior Jackson Carl made two assists, while senior Santiago Vasquez and junior AJ Cai to each dished out one assist.

Carmel is 2-0 in MIC play and 4-1-1 overall.

The Carmel girls soccer team, ranked No. 2 in 3A, played Lawrence North at Murray Stadium on Tuesday and won 3-0.

Megan Hamm scored the Greyhounds’ first goal on a direct pass down the middle, with Brooke Bailey making the assist. That would be the lone first-half score. Emma Domke started the second half with a Carmel goal, making a free kick from 25 yards. Domke later assisted Bailey, who scored the Greyhounds’ third goal on a header off a corner kick. Erin Baker made one save.

Carmel is 3-0 in the MIC and 9-0 overall.

Hamilton Southeastern goalkeeper Luke Lonneman defends a header by Fishers' Noah Rhinehart. Also pictured for the Royals are Matt Weaver (14) and Parker Gopsill (19).

Tigers win close Mudsock dual

The Fishers boys tennis team edged out Hamilton Southeastern 3-2 to win a very close dual meet Tuesday at the Royals' courts.

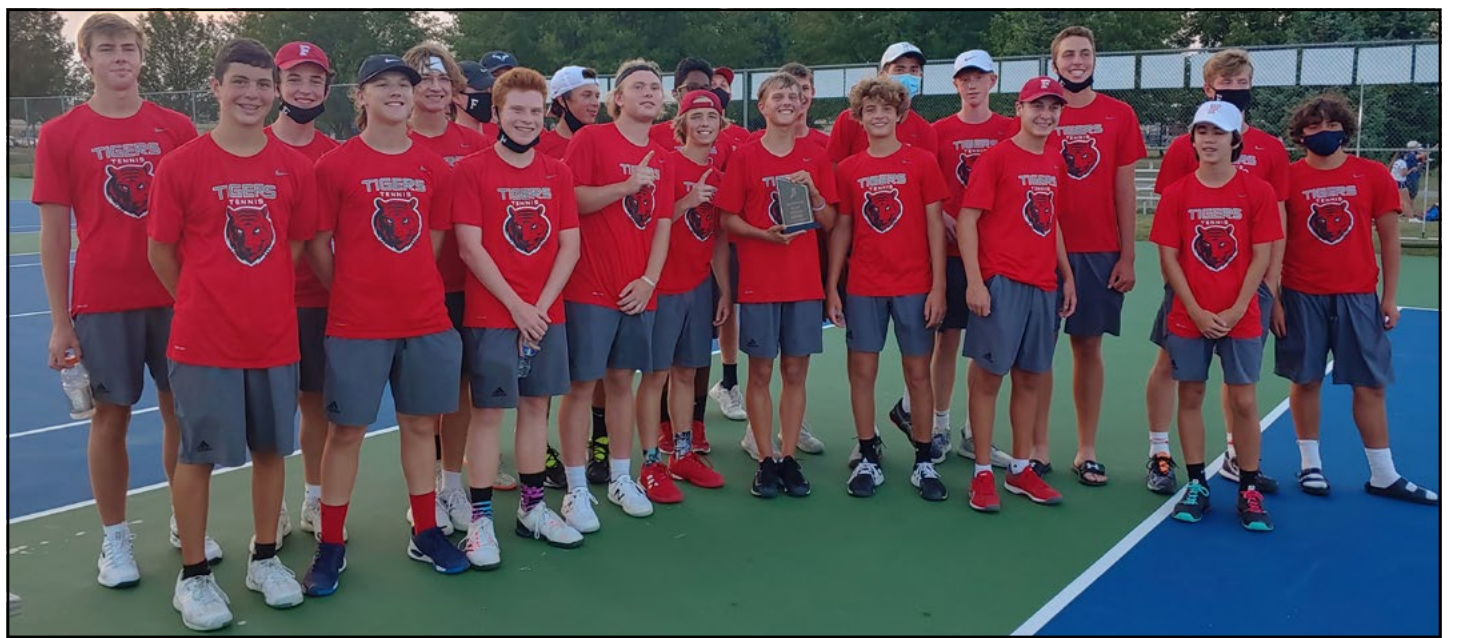

The match came down to No. 2 singles, where the Tigers' Nic Rasmusson and Southeastern's Rohan Golla were involved in a tight three-set match. Rasmusson won 6-4 in the third set, which clinched the Mudsock trophy for Fishers. The two players split 7-5 sets, with Rasmusson winning the first set and Golla taking the second set.

"The last few years, it's come down to a third-setter like this every time," said Tigers coach Dave Heffern. "Lots of fun, real wild. We played well."

Fishers' Reese Knoderer won the No. 1 singles match in three sets, and its No. 2 doubles team of Logan Kay and Drew Barker triumphed in two close sets. The Royals got a quick win from No. 3 singles Andrew Orme to start the meet, then their No. 1 doubles team of Andrew Spirrisson and Paul Schneider won in straight sets after toughing out the first set 7-5.

"It hurts to be on the losing side of it, but I'm still proud of the way our guys fought," said HSE coach Kirk Webber. "Fishers is a tough team, and they were just better than us tonight."

Indiana falls to Las Vegas . . .

Second-half surge not enough for Fever

The Indiana Fever fell to the Las Vegas Aces, 92-86, on Tuesday night. After trailing by 20 in the second quarter, the Fever were able to reduce the deficit to two points in the fourth quarter.

Indiana went into the locker room at halftime trailing 58-41, but the Fever defense responded by holding Las Vegas to a 3-of-16 shooting clip in the third quarter. A mid-range jumper from Teaira McCowan in the fourth quarter cut the Aces lead down to 73-71 with around nine minutes to play.

Las Vegas countered with an 8-0 run of its own in an attempt to close out the Fever. Indiana was able to make one more run to cut the lead down to four with 41.2 seconds remaining, but two free throws each from Carolyn Swords and Jackie Young ended the comeback attempt for the Fever.

Julie Allemand led the Fever with a career-high 19 points on a 6-of-7 night from 3-point range. The six made

3-point field goals ties a franchise record for most made in a game by a rookie. Allemand also added eight assists and six rebounds. Tuesday night was the fifth game this season Allemand recorded at least eight assists.

Kelsey Mitchell led the second-half rally with 15 of her game-high 24 points coming in the last 20 minutes. It was her seventh 20-point scoring effort this season.

Candice Dupree kept Las Vegas close with 12 of her 16 points coming in the first half. McCowan pitched in 12 points in the second half and nine rebounds.

Aces forward A’ja Wilson continued her double-digit scoring streak with 22 points. Wilson scored in double figures for the 27th straight game dating back to last season. She also grabbed a season-high 16 rebounds. Young added 17 points and seven assists off the bench.

Tuesday’s loss eliminated Indiana from this year’s playoff contention.
