

Koteewi Lake opens to public

The REPORTER

Grab your pole, bait and fishing license (or your oars or just a pair of binoculars) and head to the newest recreational aquatic amenity to open in Hamilton County – Koteewi Lake. The lake is located in the county’s largest park, Strawtown Koteewi Park, operated by Hamilton County Parks and Recreation.

Before the lake’s official opening to the community, county officials, park board members and staff, DNR representatives and individuals that played critical roles in its construction, gathered with invited guests for a “cast call” at the lake’s boat ramp.

In lieu of a traditional ribbon-cutting ceremony, recognized guests, collectively cast their lines into the placid waters of the 19-acre recreational lake, following remarks provided by Hamilton County Parks Director Chris Stice. Earlier in the program, Stice presented handcrafted and mounted commemorative oars, etched with the ceremonial details to all those present who had participated in the planning and creation of the lake.

Community members are now able to enjoy, at no charge, the lake, its boat ramp, adjacent dock, nearby shelter and

scenic vistas. The park’s other public offerings include The Taylor Center of Natural History, Koteewi Trace and the Adventure Area, comprised of an archery range, horse rental stable, and ropes challenge/zip line experience. During the winter months, guests are invited to enjoy the park’s tubing hill that was constructed using dirt removed during the lake’s excavation – a service provided at no cost by family-owned

Beaver Materials. Koteewi Lake’s waters are meant to be enjoyed not only by anglers, but by naturalists, wildlife enthusiasts, canoeists and kayakers (providing their own crafts). Any other watercraft must be powered by nothing more than an electric trolling motor. Due to the lake’s dramatic drop-offs, swimming will not be permitted. The parks department strongly urges catch and release fishing practices be

followed. The DNR will work with the parks department in policing the lake. Strawtown Koteewi Park is located at 12302 Strawtown Ave., Noblesville. The access road leading to Koteewi Lake is across Strawtown Avenue, and just west of the Taylor Center. Fishers earns AAA bond rating

The REPORTER

The City of Fishers announced last Tuesday the S&P Global Ratings report qualifying Fishers’ credit rating as AAA, the highest possible rating for a municipality.

The AAA rating not only signals to creditors that Fishers’ fiscally conservative practices and policies are among the best in the country, but allows the city to benefit from lower interest and insurance rates.

“This rating affirms the direction of our city, intentionally growing at a rate that ensures long term fiscal sustainability,” Mayor Scott Fadness said. “By achieving this year over year, we are able to pass along that savings to the taxpayer and better leverage those dollars to provide the quality of life we pride ourselves in Fishers.”

Fadness

According to S&P Global Ratings’ official report, “The city’s economic vitality, sound, and forward-thinking fiscal practices, and very strong reserves should enable Fishers to retain a strong credit profile in the next two years despite the high financial leverage and accelerating costs. We believe that rising revenues will allow the city to invest in infrastructure and new services for its growing population without compromising the budget over the short-to-medium term.”

Additionally, the report recognized the city’s proactive and measured response to the COVID-19 pandemic. S&P included the following as key financial policies under Mayor Fadness’ direction that ensure a strong and sustainable financial situation for Fishers:

- Fishers follows a data-driven decision-making approach in its budgeting.
- Fishers maintains a long-term, comprehensive fiscal plan that serves as the financial forecast.
- The city has a formal five-year capital plan that it updates at least annually.
- Fishers also has formal comprehensive investment and debt management policies, and a formal reserve policy.

The 2021 Fishers City Budget will be presented to the City Council on Sept. 21, with a public hearing to follow. The Council will vote on a final budget during the October City Council meeting. For more information, visit fishers.in.us/Budget.

Construction begins on Noblesville’s Lofts at Tenth development project

The REPORTER

The City of Noblesville and PT-17 Development officials broke ground last Friday on the Lofts on Tenth, a public-private partnership on a new downtown redevelopment project.

The \$7.7 million mixed-use project will add 31,700 square feet of mixed-use redevelopment along 10th Street between Clinton and Wayne streets.

“Downtown Noblesville is becoming more of a destination and the best use of this area is to reimagine it into a mixed-use project,” developer Darren Peck said. “The Lofts on Tenth will provide more residential and commercial opportunities for those that want to be close to the heart of our city.”

The proposed project includes 23 two-bedroom apartment units with a rooftop deck meeting space and seven potential commercial spaces, including unique below street level spaces. The project addresses two of Jensen’s administration pillars – economic development and downtown enhancement.

“This project will increase our downtown livability and provide density and economic energy along with 8,000 square feet of commercial and retail space,”

Photo provided by City of Noblesville

Noblesville resident and developer for the Lofts on Tenth project, Darren Peck, talked about his childhood memories of the location that will soon be a \$7.7 million mixed-use development project.

said Mayor Chris Jensen. “The Lofts on Tenth’s full masonry façade architecture preserves and enhances the character of downtown and blends with its historic surroundings. The Lofts on Tenth will

breathe new life into the neighborhood without taking away from the historic feel of Noblesville.”

Plans provide the opportunity to add additional townhomes in the future.

Carmel officials seek public’s input on city’s growth plan

The REPORTER

The City of Carmel’s Department of Community Services is launching a new update of the comprehensive plan for the City’s growth that will guide city planners and decision makers for the next decade or longer.

The last update took place about 11 years ago, but with recent growth in the central corridor and changes seen in business and residential patterns, the time has come for another update.

The City has engaged the team of Greenstreet and YARD & Company to assist planning staff and leadership in updating the comprehensive plan around growth management, land use, transportation and environment.

The public is also asked to participate. A new survey will be posted online in order to get feedback from local residents about thoughts and ideas they may have about future growth. You can also take the survey at surveymonkey.com/r/GQNTKJ.

“In order for a comprehensive plan to be relevant to a community it must remain current,” said Adrienne Keeling, AICP, who is managing the update process. “The last major update to Carmel’s comprehensive

The REPORTER

The Hamilton County Parks and Recreation Department, in partnership with Beaver Materials, is exploring the potential expansion of Potter's Bridge Park by 50 or more acres. The expansion would add to the park's current 75 acres, resulting in at least 125 acres of park land.

The popular park is best known for its iconic landmark, Potter's Bridge, which is the only remaining historic covered bridge in Hamilton County. The bridge was constructed in 1871 and restored in 1999.

The park's trails are a part of the White River Greenway Trail System. The White River Greenway Trail System spans up to eight miles. From Potter's Bridge Park users can travel the trail system along the river, through Forest Park to downtown Noblesville or Morse Park and Beach, where the new Levee Trail can be accessed. With the

potential expansion, these trails would allow increased connectivity to historic downtown Noblesville, its surrounding neighborhoods and other Hamilton County cities and towns.

The potential expansion would happen in two phases.

Phase 1 entails a 10-acre land donation by Beaver Materials. Phase 2 would be an additional 40-acre land donation by Beaver Materials. Phase 2 would include the creation of a 30-acre lake by Beaver Materials for the use of recreational activities provided by the Hamilton County Parks Department.

The Hamilton County Parks and Recreation Department exists to serve the leisure and recreation needs of its residents and tourists, and to enhance the quality of life in the county. Beaver Materials is a local fifth-generation family owned and operated aggregates provider.

He enjoyed taking daily walks and also loved to take long car rides all over the state of Indiana. He welcomed others to ride along and share the ride, never knowing where you might end up. He enjoyed visiting and spending time with his long-time friends and family. As a proud grandfather of two, he attended their various sporting events, plays and dance recitals.

He married Cathy Sue (Lane) Ehman on October 12, 1968. She preceded him in death on September 8, 2018. In addition to his wife, his parents also preceded him in death.

Sharon Kay Anderson

December 8, 1944 – September 8, 2020

Sharon Kay Anderson, 75, passed away on Tuesday afternoon, September 8, 2020 at her home in Sheridan. Born December 8, 1944 in Noblesville, she was the daughter of the late Omer T. and Virginia H. (Holland) Whaley. She attended Sheridan High School and later hired on with Delco Electronics in Kokomo. She retired in 2001 after 27 years with the company. She was a proud member of U.A.W. Local 292.

Sharon was always the first one to the car when it was time for a road trip. Short day trips or traveling halfway across the country, getting to watch the countryside go by was the second-best part of the adventure; the first was finding a new casino, or stopping by an old favorite. Las Vegas was the "promised land" in the West and Biloxi, Mississippi, her destination to the South, but when Indiana built one the next county over, it was like a dream come true. Sharon loved to play the slots and Anderson was as good a place as any to take a crack at the one-armed bandit.

Visiting casinos wasn't her only reason for hitting the open road; she also enjoyed chasing the sun. Cooler fall temperatures were Sharon's sign to start finding a warmer spot to be. Florida was her home away from home during the winter months; she was able to spend her winters outdoors, soaking up the sun. When Indiana warmed up again, Sharon returned home to start working around her property, getting her flower beds and garden ready for summer. It also meant getting to spend more time with family; summer days spent grilling out and swimming in the pool, as well as sharing endless laughs and making memories. Sharon also enjoyed solving crossword puzzles while sitting on her deck.

Family was very important to her, and that was especially true when it came to her grandkids. She was always their biggest supporter. Sharon was the rock for her family. She will be deeply missed by everyone who had the pleasure of knowing and being loved by her.

Sharon is survived by her son, Perry "Les" Anderson (Ronna), Tipton; daughters, Marshall Kay Anderson, Kokomo, and Melanie G. Ewing (Marshall), Tipton; grandchildren, Paige Leslie Anderson-DeSouza (Billy) of Utah, Austin Perry Anderson (Lindsey) of Utah, Danielle Kaye-Lyn Hadley (Mike), Dayton, Ohio, Devon Marshall Ewing, Tipton, and Dylan Omer-Lee Ewing, Tipton; great-grandchildren, Alex Ortega, Alayah DeSouza, Brixton Anderson and Jaxson Anderson; brothers, Donald Whaley (Lois Osborne), Lebanon, Wm. Hugh Whaley (Nancy Lou), Sheridan, and Gladys Birden, Oakford, Ind.; sister-in-law, Vicki Whaley, Ft. Myers, Fla.; brothers-in-law, Jim Anderson of Kentucky, Donnie Anderson (Sharon), Tipton, and Charlie Anderson (Kathy), Lafayette. She is also survived by her partner in crime, her dog Little Perry.

She was preceded in death by her parents; brother, John Whaley; sister, Peggy McDole; sisters-in-law, Patty Anderson and Scarlet Whaley; brothers-in-law, Charles Birden and Billie B. Birden; her great-grandchildren, Adrianna Ortega; and by her loving husband of 52 years, Perry Marshall Anderson on September 25, 2012. She and Perry were married in 1960.

Graveside services will be held at 1 p.m. on Thursday, September 17, 2020 at Spencer Cemetery in Sheridan.

Arrangements have been entrusted to Kercheval Funeral Home in Sheridan.

New historical museum approved by Clay Township

By **FRED SWIFT**
ReadTheReporter.com

A new museum, archives and an office building for the Carmel Clay Historical Society will be underway in January along the Monon Trail. The Clay Township Board voted last Tuesday to fund construction of the building immediately south of the historical society's 137-year-old Monon Depot, home to the organization since 1976.

Matthew Snyder, member of the Township Board, said the new structure will be located on the site of an outdated frame cottage owned by the historical society and used for archive storage in recent years. The new building, costing about \$4 million, will provide space for exhibits, offices, community events, archive storage and a cafe.

The project is the latest addition to the township's Community Impact program which includes upgrades and additions for the fire department, parks department and Carmel Dads Club.

The overall impact project

will likely not result in any increase in property taxes. Bonds which financed Central Park and Monon Center will mature soon, and the debt retirement levy can then be used to pay for the impact projects.

"Along with the \$320 million growth in the tax base, there should be adequate revenue for these community improvements," Snyder said.

Historical society leaders expressed gratitude for the project.

"This is the culmination of efforts by many dedicated CCHS members who worked for decades to establish a museum on this site," said society director Deborah Gangstad. "This wonderful new building will allow for exhibiting many more items of historical significance in a more visible and welcoming way for visitors of all ages."

With completion of the museum, the depot interior will be returned to the appearance of an early railroad station. It served as Carmel's arrival and departure site for rail passengers and freight as well as the telegraph office for nearly 80 years.

CARMEL GROWTH — from Page A1

plan was adopted in 2009. Although there have been several minor amendments to the plan over the last decade, much in our community has changed. One of the best ways our city can focus on the future is to regularly evaluate and communicate its vision and goals for the future."

The update process kicked off earlier this month and will continue through the end of the year.

"We are looking forward to working with the City officials and stakeholders to explore what's next

for Carmel over the next five to 10 years," said Kevin Wright, Principal at YARD & Company.

Throughout the process there will be ways to provide input and get involved, including the digital survey. All updates and information will be posted on the city's website and other relevant channels as it becomes available.

BOND SALE NOTICE
CARMEL CLAY PUBLIC LIBRARY
Sealed proposals will be received on behalf of the Board of Trustees (the "Board") of Carmel Clay Public Library (the "Library"), at the office of Baker Tilly Municipal Advisors, LLC ("Baker Tilly"), 8365 Keystone Crossing, Suite 300, Indianapolis, Indiana, up to the hour of 11:00 a.m. (Local Time) on September 24, 2020, for the purchase of the bonds described as follows:
Carmel Clay Public Library General Obligation Bonds of 2020 (the "Bonds"), in the aggregate amount of approximately \$26,995,000; Originally dated the date of delivery of the Bonds; Fully registered form; Denomination \$5,000 or integral multiples thereof (or in such other denomination as requested by the winning bidder); Bearing interest at a rate or rates not to exceed a maximum of 4.00% per annum (to be determined by bidding), which interest will be payable on July 15, 2021, and semiannually on January 15 and July 15 thereafter; These Bonds will be initially issued in a Book Entry System (as defined in the Bond Resolution (as hereinafter defined)) unless otherwise requested by the Purchaser (as hereinafter defined). Principal payable at The Bank of New York Mellon Trust Company, N.A., Indianapolis, Indiana, or by wire transfer to depositories on the payment date; Interest payable by check mailed one business day prior to interest payment date or by wire transfer to depositories on the interest payment date to registered owners or depositories as of the fifteenth day immediately preceding the interest payment date; Maturing on January 15 and July 15 beginning no earlier than July 15, 2021 through no later than January 15, 2040 on the dates and amounts as provided by the Library prior to the sale.
The Library reserves the right to adjust the maturity schedule following the sale in order to accomplish the Library's financial objectives by reallocating debt service based upon the rates by the successful bidder (the "Purchaser").
Notice is hereby given that electronic proposals will be received via PARITY®, in the manner described below, up until the hour of 11:00 a.m. (Indianapolis Time), on September 24, 2020. Bids may be submitted electronically via PARITY® pursuant to this Notice until the time specified in the Notice, but no bid will be received after the time for receiving bids specified above. To the extent any instructions or directions set forth in PARITY® conflict with this Notice, the terms of this Notice shall control. For further information about PARITY®, potential bidders may contact the Library's municipal advisor, Baker Tilly at (317) 465-1500 and by email at bids@bakertilly.com or PARITY® at (212) 849-5021.
As an alternative to PARITY®, bidders may submit a sealed bid or e-mail the bid electronically to the Library's municipal advisor at the address described above until the time of the bond sale as listed above. Upon completion of the bidding procedures described herein, the results of the sealed or emailed bids received shall be compared to the electronic bids received by the Library.
If a potential bidder has questions related to the Library, the financing or submission of bids, questions should be submitted by email to the address above no later than 11:00 a.m. (Indianapolis Time) on September 22, 2020. To the best of the Library's ability, all questions will be addressed by the Library and sent to potential bidders, including any bidders requesting 24 hours' notice of sale, no later than 5:00 p.m. (Indianapolis Time) on September 22, 2020. Additionally, upon request, the written responses will be emailed to any other interested bidder. Bidders should review this notice as well as the preliminary official statement and submit any questions in advance of this deadline to submit questions.
The Bonds are redeemable prior to maturity at the option of the Library, in whole or in part in such order of maturity as the Library shall direct and by lot within maturity, on or after January 15, 2031, at a face value plus accrued interest to the date of redemption.
A bid may designate that a given maturity or maturities shall constitute a term bond, and the semi-annual amounts set forth in the schedule provided prior to the sale shall constitute the mandatory sinking fund redemption requirements for such term bond or bonds. For purposes of computing net interest cost, the mandatory redemption amounts shall be treated as maturing on the dates set forth in the schedule provided prior to the sale.
In the case of any redemption, 30 days' notice will be given by mail to the registered owners of the Bonds to be redeemed, and accrued interest will be paid to the date fixed for redemption. Interest on the Bonds so called for redemption will cease on the redemption date fixed in said notice if funds are available at the place of redemption to redeem the Bonds so called on the date fixed in said notice, or thereafter when presented for payment.
Bidders for the Bonds will be required to name the purchase price, not less than 100% of par and the interest rate or rates which the Bonds are to bear. Such interest rate or rates must be in multiples of 1/8th or 1/100th of 1%. Bids specifying two or more interest rates shall also specify the amount and maturities of the Bonds bearing each rate, but all Bonds maturing on the same date shall bear the same single interest rate. The Bonds will be awarded to the lowest responsible and responsive bidder whose bid is submitted in accordance herewith. The winning bidder will be the one who offers the lowest net interest cost to the Library, to be determined by computing the total interest on all of the Bonds to their maturities based upon the schedule provided by the Library prior to the sale and deducting therefrom the premium bid, if any, and adding thereto the discount bid, if any. Any premium bid must be paid at closing as a part of the purchase price. Although not a term of sale, it is requested that each bid show the net dollar interest cost from the date of the Bonds to final maturity and the net effective average interest rate. No conditional bids will be considered. The right is reserved to reject any and all bids. If an acceptable bid is not received for the Bonds on the date of sale hereinbefore fixed, the sale may be continued from day to day thereafter without further advertisement, during which time no bid which provides a higher net interest cost to the Library than the best bid received at the time of the advertised sale will be considered.
A good faith deposit ("Deposit") in the form of cash or certified or cashier's check in the amount of \$269,500 payable to the order of Carmel Clay Public Library is required to be submitted by the successful Purchaser not later than 3:30 p.m. (Indianapolis time) on the next business day following the award. If such Deposit is not received by that time, the Library may reject the bid. No interest on the Deposit will accrue to the Purchaser. The Deposit will be applied to the purchase price of the Bonds. In the event the Purchaser fails to honor the accepted bid, the Deposit will be retained by the Library as liquidated damages.
The Purchaser shall make payment for such Bonds and accept delivery thereof within five days after being notified that the Bonds are ready for delivery, at such place in the City of Indianapolis, Indiana, as the Purchaser may designate, or at such other location mutually agreed to by the Library and the Purchaser. The Bonds will be ready for delivery within 45 days after the date of sale. If the Library fails to have the Bonds ready for delivery prior to the close of banking hours on the forty-fifth day after the date of sale, the Purchaser may secure the release of the bid upon request in writing, filed with the Library. Unless otherwise requested by the winning bidder, the Purchaser is expected to apply to a securities depository registered with the Securities and Exchange Commission ("SEC") to make such Bonds depository-eligible. If the Bonds are reoffered by an underwriter, at the time of delivery of the Bonds to the Purchaser, the Purchaser will be required to certify to the Library the initial reoffering price to the public of a substantial amount of each maturity of the Bonds.
All provisions of the bid form and Preliminary Official Statement (as hereinafter defined) are incorporated herein. As set forth in the Preliminary Official Statement, the Purchaser agrees by submission of their bid to assist the Library in establishing the issue price of the Bonds under the terms outlined therein and shall execute and deliver to the Library at closing an "issue price" certificate, together with the supporting printing wires or equivalent communications, with such modifications as may be appropriate or necessary, in the reasonable judgment of the Purchaser, the Library and Ice Miller LLP ("Bond Counsel").
Bidders must comply with the Rules of PARITY® (the "Rules") in addition to requirements of this Notice. To the extent there is a conflict between the Rules and this Notice, this Notice shall control. Bidders may change and submit bids as many times as they wish during the sale, but they may not withdraw a submitted bid. The last bid submitted by a bidder prior to the deadline for the receipt of bids will be compared to all other final bids to determine the winning bid. During the sale, no bidder will see any other bidder's bid, nor will they see the status of their bid relative to other bids (e.g., whether their bid is a leading bid).
It is anticipated that CUSIP identification numbers will be printed on the Bonds, but neither the failure to print such numbers on any Bond nor any error with respect thereto shall constitute cause for failure or refusal by the Purchaser therefore to accept delivery of and pay for the Bonds in accordance with the terms of its proposal. No CUSIP identification number shall be deemed to be a part of any Bond or a part of the contract evidenced thereby and no liability shall hereafter attach to the Library or any of its officers or agents because of or on account of such numbers. All expenses in relation to the printing of CUSIP identification numbers on the Bonds shall be paid for by the Library; provided, however, that the CUSIP Service Bureau charge for the assignment of said numbers shall be the responsibility of and shall be paid for by the Purchaser. The Purchaser will also be responsible for any other fees or expenses it incurs in connection with the resale of the Bonds.
The Bonds are being issued for the purpose of procuring funds to be the renovation, expansion and construction of library facilities, including site improvements, the acquisition of real estate and the purchase of equipment and technology in the Library district, and will be the direct obligations of the Library, payable out of ad valorem taxes to be collected on the taxable property within the Library; however, the Library's collection of the levy may be limited by operation of I.C. 6-1.1-20.6, which provides taxpayers with tax credits for property taxes attributable to different classes of property in an amount that exceeds certain percentages of the gross assessed value of that property. The Library is required by law to fully fund the payment of debt service on the Bonds in an amount sufficient to pay the debt service, regardless of any reduction in property tax collections due to the application of such tax credits. The Library may not be able to levy or collect additional property taxes to make up this shortfall. The Library is a library organized pursuant to the provisions of I.C. 20-23; the bonds will not be "private activity bonds" as defined in Section 141 of the Internal Revenue Code of 1986, as amended to the date hereof (the "Code").
The Library has prepared a Preliminary Official Statement ("Preliminary Official Statement") relating to the Bonds which it has deemed nearly final. A copy of the Preliminary Official Statement may be obtained from the Library's municipal advisor, Baker Tilly, 8365 Keystone Crossing, Suite 300, Indianapolis, Indiana 46240-2687. Within seven (7) business days of the sale, the Library will provide the successful bidder with sufficient copies of the Final Official Statement (the "Final Official Statement") in order for the Purchaser to comply with Section (b)(4) of SEC Rule 15c2-12 and the rules of the Municipal Securities Rulemaking Board at the Library's expense. Additional copies, at the Purchaser's expense, must be requested within five (5) business days of the sale. Inquiries concerning matters contained in the Preliminary Official Statement must be made and pricing and other information necessary to complete the Final Official Statement must be submitted by the Purchaser within two (2) business days following the sale to be included in the Final Official Statement.
If the Bonds are reoffered by an underwriter, the Library agrees to enter into a continuing disclosure undertaking agreement, as amended and supplemented (the "Master Agreement"), in order to permit the Purchaser to comply with the SEC Rule 15c2-12, as amended to the date hereof. A copy of such Master Agreement is available from the Library or municipal advisor at the addresses below.
Further information relative to the Bonds and a copy of the Preliminary Official Statement may be obtained upon application to Bob Swanay, Director of the Library, 55 Fourth Avenue South East, Carmel, Indiana 46032. If bids are submitted by mail, they should be addressed to the Library, attention of Baker Tilly, 8365 Keystone Crossing, Suite 300, Indianapolis, Indiana 46240-2687.
These Bonds are offered subject to the approving opinion of Bond Counsel. The Library will furnish at its expense the bond counsel opinion, printed bond forms, a transcript of proceedings, and closing papers in the usual form showing no litigation questioning the validity of the Bonds at the time of delivery.
Dated September 4, 2020.

'Rocks beat Millers for 3rd straight victory

Westfield ran its win streak to three games in a row last Friday, as the Shamrocks beat Noblesville in a county rivalry and Hoosier Crossroads Conference game at the Millers' Beaver Materials Field.

Westfield jumped out to a 14-0 lead after the first quarter, thanks to Maximus Webster. The junior scored on two short touchdown runs, the first one a nine-yarder less than two minutes into the game. Webster would later punch the ball in from the two-yard line for the second TD.

Grayden Addison got Noblesville on the board with a 41-yard field goal late in the second quarter. But with under a minute to go until halftime, Webster connected with Jackson Wasserstrom for a 13-yard passing touchdown. That gave the 'Rocks a 21-3 halftime advantage.

"We feel great to be 3-1," said Westfield coach Jake Gilbert. "I'm very proud of how our kids played tonight. Our defense was spectacular. It takes a lot of discipline to play against this offense and our

guys got it done play after play. It was a very impressive performance."

The Shamrocks added to that lead midway through the third when Sean Sullivan nailed a 43-yard field goal. Sullivan had already kicked three extra points.

"That was a huge kick," said Gilbert.

The Millers scored a touchdown late in the fourth quarter on a 51-yard run from Holden Montarsi. Addison kicked the extra point.

"I thought our defense did a pretty good job of letting us hang around and give us a lot of chances to move the ball," said Noblesville coach Dave Sharpe. "But for us, the story of the game was, we had so many false start penalties. It kills some momentum when the 2nd-and-3 turns into a 2nd-and-8. For some reason we were a little quick twitchy on the left side of our line. It really killed a lot of our momentum in the first half."

Webster finished the game 10-of-19 for 132 yards. Micah Hauser led the rushing with 135 yards,

and also caught three receptions. Reid Scheppers also made three catches. Dillon Thienemann had 12 tackles on defense (three solo, nine assists), with Hauser making 10 stops (two solo, eight assists). Popeye Williams had three tackles for a loss and two sacks.

"Offensively, we were sloppy with penalties and drops, but we executed well enough to win," said Gilbert. "Micah Hauser averaged 12 yards per carry so that had a lot to do with it."

Montarsi totaled 107 yards rushing for Noblesville. Skyler Tolliver had eight tackles for the Millers, six solo and two assists.

"We'll look at the film and find a way to get those two-yard gains into four-yard gains and to be that clock-consuming, ball-controlling offense with a good defense behind us," said Sharpe.

Westfield, now 2-0 in the HCC, returns home to Riverview Health Stadium Friday to host Hamilton Southeastern. The Millers, 0-2 in the conference and 1-3 overall, plays at Zionsville Friday.

Golden Eagles fall to Braves

Guerin Catholic finally returned to action last Friday night after two weeks of not playing, hosting Brebeuf Jesuit at the Eagles Nest.

The Braves got the upper hand, beating the Golden Eagles 28-7. The game was also the first one for Guerin Catholic in Circle City Conference play this season.

Brebeuf scored two touchdowns in the first quarter, both of which were pass plays from Drake Hagerman to Brendan Petrie. The first one was an 85-yard reception, the second was 25 yards, and it put the Braves up 12-0.

The Golden Eagles scored their touchdown in the second quarter. Jagger Albert made a five-yard rush into the end zone, then Addison Lushin followed it up with a successful extra-point kick.

12-7, but it would not score again. Hagerman and Petrie connected for a 20-yard passing touchdown late in the second, then Brebeuf added 10 more points in the third on a short run by Hagerman and a field goal.

Albert finished the game with 92 yards in 32 carries.

Golden Eagles quarterback Sam Miller completed 7 of 17 passes for 93 yards, with Elijah Edwards making three of those receptions.

Guerin Catholic is 1-1 for the season and will go on the road Friday to play Roncalli in another Circle City Conference game.

Carmel wins in double OT

Carmel needed to bounce back from consecutive losses, and the Greyhounds did that in dramatic fashion last Friday night at Carmel Stadium.

The 'Hounds fought off Pike in double overtime, 45-44. The score was tied at 31-31 at the end of regulation. The Red Devils went first, with Anthony Ciadella throwing a 10-yard touchdown pass to Xavier Simpson.

Carmel matched Pike on the next play, as Baron Smith ran the ball in from 10 yards to score. The 'Hounds got the ball first in the double overtime, and Nick Beidl came through with a seven-yard passing touchdown from Zach Osborne. Ciadella and Simpson teamed up for another 10-yard touchdown pass for the Red Devils, but they went for two and could not convert that pass.

The Greyhounds led 31-10 at one point during the third quarter. Osborne connected on three passing touchdowns: One to Dan-

iel Mullins in the second quarter, and two to Parker, a nine-yarder with under a minute left in the first half and a 30-yard throw late in the third.

Parker got Carmel on the board and erased an early 7-0 deficit with a nine-yard TD run late in the first. Hanna, who kicked all six extra points, also made a field goal midway through the third. Pike tied the game

in the fourth quarter with two touchdowns.

Osborne rushed for 72 yards, while Jordan Jones gained 70 yards. Osborne finished the game 8-of-17 through the air for 117 yards, with Parker making four catches.

The Greyhounds are 1-1 in the MIC and 2-2 overall. Carmel goes on the road for its next two games, playing at Lawrence North Friday.

I was born and raised right here in Noblesville. I grew up in a home without domestic violence or assault – it wasn't something I saw, or even heard about. But when I was introduced to Prevail of Central Indiana, I was shocked by the number of individuals who are affected by domestic violence. In 2018 alone, Prevail helped more than 4,000 clients in Hamilton County. (Nearly 80 percent of clients are women and children.) Domestic violence and abuse are hard topics to discuss, so you don't often hear about them. But at Tom Wood Volkswagen in Noblesville, we're breaking the taboo and raising awareness for Prevail, an organization that helps families in Hamilton County.
